

115A.555 RECYCLING CENTER DESIGNATION.

The agency shall designate recycling centers for the purpose of section 173.086. To be designated as a recycling center, a recycling facility must be open a minimum of 12 operating hours each week, 12 months each year, and must accept for recycling:

- (1) at least four different materials such as paper, glass, plastic, and metal; and
- (2) if the recycling center accepts metal, hazardous signs, as defined in section 161.242, subdivision 2, paragraph (d), to the same extent that a junk yard dealer must accept hazardous signs under section 161.242, subdivision 6a.
