

**256B.0916 EXPANSION OF HOME AND COMMUNITY-BASED SERVICES.**

Subdivision 1. [Repealed, 2002 c 220 art 14 s 20]

Subd. 2. **Distribution of funds; partnerships.** (a) Beginning with fiscal year 2000, the commissioner shall distribute all funding available for home and community-based waiver services for persons with developmental disabilities to individual counties or to groups of counties that form partnerships to jointly plan, administer, and authorize funding for eligible individuals. The commissioner shall encourage counties to form partnerships that have a sufficient number of recipients and funding to adequately manage the risk and maximize use of available resources.

(b) Counties must submit a request for funds and a plan for administering the program as required by the commissioner. The plan must identify the number of clients to be served, their ages, and their priority listing based on:

- (1) requirements in Minnesota Rules, part 9525.1880; and
- (2) statewide priorities identified in section 256B.092, subdivision 12.

The plan must also identify changes made to improve services to eligible persons and to improve program management.

(c) In allocating resources to counties, priority must be given to groups of counties that form partnerships to jointly plan, administer, and authorize funding for eligible individuals and to counties determined by the commissioner to have sufficient waiver capacity to maximize resource use.

(d) Within 30 days after receiving the county request for funds and plans, the commissioner shall provide a written response to the plan that includes the level of resources available to serve additional persons.

(e) Counties are eligible to receive medical assistance administrative reimbursement for administrative costs under criteria established by the commissioner.

Subd. 3. **Failure to develop partnerships or submit a plan.** (a) By October 1 of each year the commissioner shall notify the county board if any county determined by the commissioner to have insufficient capacity to maximize use of available resources fails to develop a partnership with other counties or fails to submit a plan as required in subdivision 2. The commissioner shall provide needed technical assistance to a county or group of counties that fails to form a partnership or submit a plan. If a county has not joined a county partnership or submitted a plan within 30 days following the notice by the commissioner of its failure, the commissioner shall require and assist that county to develop a plan or contract with another county or group of counties to plan and administer the waiver services program in that county.

(b) Counties may request technical assistance, management information, and administrative support from the commissioner at any time. The commissioner shall respond to county requests within 30 days. Priority shall be given to activities that support the administrative needs of newly formed county partnerships.

Subd. 4. **Allowed reserve.** Counties or groups of counties participating in partnerships that have submitted a plan under this section may develop an allowed reserve amount to meet crises and other unmet needs of current home and community-based waiver recipients. The amount of the allowed reserve shall be a county specific amount based upon documented past experience and

projected need for the coming year described in an allowed reserve plan submitted for approval to the commissioner with the allocation request for the fiscal year.

**Subd. 5. Allocation of new diversions and priorities for reassignment of resources for developmental disabilities.** (a) The commissioner shall monitor county utilization of allocated resources and, as appropriate, reassign resources not utilized.

(b) Effective July 1, 2002, the commissioner shall authorize the spending of new diversion resources beginning January 1 of each year.

(c) Effective July 1, 2002, the commissioner shall manage the reassignment of waiver resources that occur from persons who have left the waiver in a manner that results in the cost reduction equivalent to delaying the reuse of those waiver resources by 180 days.

(d) Priority consideration for reassignment of resources shall be given to counties that form partnerships. In addition to the priorities listed in Minnesota Rules, part 9525.1880, the commissioner shall also give priority consideration to persons whose living situations are unstable due to the age or incapacity of the primary caregiver and to children to avoid out-of-home placement.

**Subd. 6. Waiver request.** (a) The commissioner shall submit to the federal Health Care Financing Administration by September 1, 1999, a request for a waiver to include an option that would allow waiver service recipients to directly receive 95 percent of the funds that would be allocated to individuals based on written county criteria and procedures approved by the commissioner for the purchase of services to meet their long-term care needs. The waiver request must include a provision requiring recipients who receive funds directly to provide to the commissioner annually, a description of the type of services used, the amount paid for the services purchased, and the amount of unspent funds.

(b) The commissioner, in cooperation with county representatives, waiver service providers, recipients, recipients' families, legal guardians, and advocacy groups, shall develop criteria for:

(1) eligibility to receive funding directly;

(2) determination of the amount of funds made available to each eligible person based on need; and

(3) the accountability required of persons directly receiving funds.

(c) If this waiver is approved and implemented, any unspent money from the waiver services allocation, including the five percent not directly allocated to recipients and any unspent portion of the money that is directly allocated, shall be used to meet the needs of other eligible persons waiting for services funded through the waiver.

(d) The commissioner, in consultation with county social services agencies, waiver services providers, recipients, recipients' families, legal guardians, and advocacy groups shall evaluate the effectiveness of this option within two years of its implementation.

**Subd. 6a. Statewide availability of consumer-directed community support services.** (a) The commissioner shall submit to the federal Health Care Financing Administration by August 1, 2001, an amendment to the home and community-based waiver for persons with developmental disabilities to make consumer-directed community support services available in every county of the state by January 1, 2002.

(b) If a county declines to meet the requirements for provision of consumer-directed community supports, the commissioner shall contract with another county, a group of counties, or a private agency to plan for and administer consumer-directed community supports in that county.

(c) The state of Minnesota, county agencies, tribal governments, or administrative entities under contract to participate in the implementation and administration of the home and community-based waiver for persons with developmental disabilities, shall not be liable for damages, injuries, or liabilities sustained through the purchase of support by the individual, the individual's family, legal representative, or the authorized representative with funds received through the consumer-directed community support service under this section. Liabilities include but are not limited to: workers' compensation liability, the Federal Insurance Contributions Act (FICA), or the Federal Unemployment Tax Act (FUTA).

Subd. 7. MS 2012 [Expired, 2012 c 216 art 9 s 23]

Subd. 8. **Financial information by county.** The commissioner shall make available to interested parties, upon request, financial information by county including the amount of resources allocated for the home and community-based waiver for persons with developmental disabilities, the resources committed, the number of persons screened and waiting for services, the type of services requested by those waiting, and the amount of allocated resources not committed.

Subd. 9. **Legal representative participation exception.** The commissioner, in cooperation with representatives of counties, service providers, service recipients, family members, legal representatives and advocates, shall develop criteria to allow legal representatives to be reimbursed for providing specific support services to meet the person's needs when a plan which assures health and safety has been agreed upon and carried out by the legal representative, the person, and the county. Legal representatives providing support under the home and community-based waiver for persons with developmental disabilities or the consumer support grant program pursuant to section 256.476, shall not be considered to have a direct or indirect service provider interest under section 256B.092, subdivision 7, if a health and safety plan which meets the criteria established has been agreed upon and implemented. By August 1, 2001, the commissioner shall submit, for federal approval, amendments to allow legal representatives to provide support and receive reimbursement under the home and community-based waiver plan.

Subd. 10. **Transitional supports allowance.** A transitional supports allowance shall be available to all persons under a home and community-based waiver who are moving from a licensed setting to a community setting. "Transitional supports allowance" means a onetime payment of up to \$3,000, to cover the costs, not covered by other sources, associated with moving from a licensed setting to a community setting. Covered costs include:

- (1) lease or rent deposits;
- (2) security deposits;
- (3) utilities setup costs, including telephone;
- (4) essential furnishings and supplies; and
- (5) personal supports and transports needed to locate and transition to community settings.

Subd. 11. **Excess spending.** County and tribal agencies are responsible for spending in excess of the allocation made by the commissioner. In the event a county or tribal agency spends in excess of the allocation made by the commissioner for a given allocation period, they must submit a corrective action plan to the commissioner. The plan must state the actions the agency

will take to correct their overspending for the year following the period when the overspending occurred. Failure to correct overspending shall result in recoupment of spending in excess of the allocation. Nothing in this subdivision shall be construed as reducing the county's responsibility to offer and make available feasible home and community-based options to eligible waiver recipients within the resources allocated to them for that purpose.
