297I.20 OFFSETS AGAINST PREMIUM TAXES.

Subdivision 1. **Guaranty association assessment offsets.** (a) An insurance company may offset against its premium tax liability to this state any amount paid for assessments made for insolvencies which occur after July 31, 1994, under sections 60C.01 to 60C.22; and any amount paid for assessments made after July 31, 1994, under Minnesota Statutes 1992, sections 61B.01 to 61B.16, or under sections 61B.18 to 61B.32 as follows:

(1) Each such assessment shall give rise to an amount of offset equal to 20 percent of the amount of the assessment for each of the five calendar years following the year in which the assessment was paid.

(2) The amount of offset initially determined for each taxable year is the sum of the amounts determined under clause (1) for that taxable year.

(b)(1) Each year the commissioner shall compare total guaranty association assessments levied over the preceding five calendar years to the sum of all premium tax and corporate franchise tax revenues collected from insurance companies, without reduction for any guaranty association assessment offset in the preceding calendar year, referred to in this subdivision as "preceding year insurance tax revenues."

(2) If total guaranty association assessments levied over the preceding five years exceed the preceding year insurance tax revenues, insurance companies must be allowed only a proportionate part of the premium tax offset calculated under paragraph (a) for the current calendar year.

(3) The proportionate part of the premium tax offset allowed in the current calendar year is determined by multiplying the amount calculated under paragraph (a) by a fraction. The numerator of the fraction equals the preceding year insurance tax revenues, and its denominator equals total guaranty association assessments levied over the preceding five-year period.

(4) The proportionate part of the premium tax offset that is not allowed must be carried forward to subsequent tax years and added to the amount of premium tax offset calculated under paragraph (a) prior to application of the limitation imposed by this paragraph.

(5) Any amount carried forward from prior years must be allowed before allowance of the offset for the current year calculated under paragraph (a).

(6) The premium tax offset limitation must be calculated separately for (i) insurance companies subject to assessment under sections 60C.01 to 60C.22, and (ii) insurance companies

subject to assessment under Minnesota Statutes 1992, sections 61B.01 to 61B.16, or 61B.18 to 61B.32.

(7) When the premium tax offset is limited by this provision, the commissioner shall notify affected insurance companies on a timely basis for purposes of completing premium and corporate franchise tax returns.

(8) The guaranty associations created under sections 60C.01 to 60C.22, Minnesota Statutes 1992, sections 61B.01 to 61B.16, and 61B.18 to 61B.32, shall provide the commissioner with the necessary information on guaranty association assessments.

(c)(1) If the offset determined by the application of paragraphs (a) and (b) exceeds the insurance company's premium tax liability under this section prior to allowance of the credit for premium taxes, then the insurance company may carry forward the excess, referred to in this subdivision as the "carryforward credit" to subsequent taxable years.

(2) The carryforward credit is allowed as an offset against premium tax liability for the first succeeding year to the extent that the premium tax liability for that year exceeds the amount of the allowable offset for the year determined under paragraphs (a) and (b).

(3) The carryforward credit must be reduced, but not below zero, by the amount of the carryforward credit allowed as an offset against the premium tax under this paragraph. The remainder, if any, of the carryforward credit must be carried forward to succeeding taxable years until the entire carryforward credit has been credited against the insurance company's liability for premium tax under this chapter if applicable for that taxable year.

(d) When an insurer has offset against taxes its payment of an assessment of the Minnesota Life and Health Guaranty Association, and the association pays the insurer a refund with respect to the assessment under Minnesota Statutes 1992, section 61B.07, subdivision 6, or 61B.24, subdivision 6, then the refund reduces the insurer's carryforward credit under paragraph (c). If the refund exceeds the amount of the carryforward credit, the excess amount must be repaid to the state by the insurers to the extent of the offset in the manner the commissioner requires.

Subd. 2. Joint Underwriting Association offset. An insurance company may offset against its premium tax liability to this state any amount paid for an assessment made pursuant to section 62I.06, subdivision 6. (c) The commissioner shall determine the amount of refund, if any, that is due, and notify the taxpayer of the determination as soon as practicable after a claim has been filed. Notice must be mailed to the taxpayer at the address stated upon the return or claim for refund.

(d) If the amount of tax or surcharge paid by the taxpayer exceeds the amount of tax or surcharge imposed on the taxpayer, the amount of excess is considered an overpayment even if in fact there was no liability with respect to which the amount was paid.
