

201.157 USE OF DEPARTMENT OF CORRECTIONS DATA.

(a) The commissioner of corrections shall make electronic data available to the secretary of state on individuals 18 years of age or older who are currently:

(1) serving felony sentences under the commissioner's jurisdiction; or

(2) on probation for felony offenses that would result in the loss of civil rights, as indicated by the statewide supervision system established under section 241.065.

The data must include the name, date of birth, last known residential address that is not a correctional facility, and, if available, corrections' state identification number, and the driver's license or state identification card number, and, if an individual has completed the sentence, the date of discharge.

(b) The secretary of state must determine if any data newly indicates that:

(1) an individual with an active voter registration in the statewide voter registration system is currently serving a felony sentence under the commissioner's jurisdiction or is on probation for a felony offense that would result in the loss of civil rights and the individual's voter record does not already have a challenged status due to a felony conviction;

(2) an individual with an active voter registration in the statewide voter registration system who is currently serving a felony sentence under the commissioner's jurisdiction or who is on probation for a felony offense that would result in the loss of civil rights appears to have registered to vote or to have voted during a period when the individual's civil rights were revoked; and

(3) an individual with a voter record that has a challenged status due to a felony conviction who was serving a felony sentence under the commissioner's jurisdiction or who has been on probation for a felony offense that would result in the loss of civil rights has been discharged from a sentence.

The secretary of state shall prepare a list of the registrants included under clause (1), (2), or (3) for each county auditor. For individuals under clause (1), the county auditor shall challenge the individual's record in the statewide voter registration system. The county auditor must provide information to the county attorney about individuals under clause (2) for the county attorney's investigation. For individuals under clause (3), the county auditor must determine if the challenge status should be removed from the voter record for the individual, and if so, must remove the challenge.

The secretary of state must make the required determinations and provide the required lists to the county auditors at least monthly.

For each state general election that occurs prior to the statewide voter registration system being programmed to generate lists as required by this section, the secretary of state must make the determination and provide lists to the county auditors between 30 and 60 days before the election and again between six and ten weeks after the election. In the year following that state election, the secretary of state must make this determination and provide lists to the county auditors again as part of the annual list maintenance.
