

136A.127 ACHIEVE SCHOLARSHIP PROGRAM.

Subdivision 1. **Establishment.** The achieve scholarship program is established to provide scholarships to eligible students within the limits of appropriations for the program.

Subd. 2. **Definition; qualifying program.** For the purposes of this section, a "qualifying program" means a rigorous secondary school program of study for Minnesota high school graduates recognized by the Secretary of Education for the purposes of determining eligibility for the federal Academic Competitiveness Grant Program under Title IV of the Higher Education Act of 1965, as amended on August 14, 2008. If a qualifying program includes a foreign language requirement, the foreign language requirement is waived for a student whose first language is not English and who attains English language proficiency.

Subd. 3. **Documentation of qualifying programs.** The student shall request a transcript from the high school. The high school shall provide a transcript to the office or to the eligible institution in which the student is enrolling, documenting the qualifying program. If the transcript is not sufficient to document a qualifying program, the student may be required to submit further documentation that the office deems sufficient.

Subd. 4. **Student eligibility.** To be eligible to receive a scholarship under this section, in addition to the requirements listed under section 136A.121, a student must:

family responsibility as defined in section 136A.101, subdivision 5a, multiplied by 0.50. The minimum scholarship is \$1,200 per academic year based on the institution's academic calendar and the student's continued eligibility. The scholarship may be used to pay for qualifying expenses at eligible institutions.

Subd. 9b. **Additional award for online course completion.** An eligible student who has completed at least one online course while in high school or in a homeschool setting under section 120A.22 may receive an additional award of up to \$150 to be used in conjunction with the award in subdivision 9. The additional award is available to new applicants for terms of enrollment beginning on or after July 1, 2009. The online course must be offered by a provider certified by the Minnesota Department of Education under section 124D.095 or by an eligible postsecondary institution as defined under section 136A.101, subdivision 4. If the official high school transcript is not sufficient to document the completion of the online course, the student may be required to submit further documentation as required by the office.

Subd. 10. **Qualifying expenses.** Qualifying expenses are components included under the cost of attendance used for federal student financial aid programs, as defined in section 472 of the Higher Education Act, United States Code, title 20, sections 1091 et seq., as amended.

Subd. 10a. **Student investment.** A student investment is required in an amount equal to the remainder of the assigned student responsibility as defined in section 136A.121, subdivision 5, after deducting the achieve scholarship.
