

253B.066 COURT-ORDERED EARLY INTERVENTION; DECISION; TREATMENT ALTERNATIVES; DURATION.

Subdivision 1. **Treatment alternatives.** If the court orders early intervention under section 253B.065, subdivision 5, the court may include in its order a variety of treatment alternatives including, but not limited to, day treatment, medication compliance monitoring, assertive community treatment, crisis assessment and stabilization, partial hospitalization, and short-term hospitalization not to exceed 21 days.

If the court orders short-term hospitalization and the proposed patient will not go voluntarily, the court may direct a health officer, peace officer, or other person to take the person into custody and transport the person to the hospital.

Subd. 2. **Findings.** The court shall find the facts specifically and separately state its conclusions of law in its order. Where early intervention is ordered, the findings of fact and conclusions of law shall specifically state the proposed patient's conduct which is a basis for determining that each of the requisites for early intervention is met.

The court shall also determine the nature and extent of the property of the patient and of the persons who are liable for the patient's care.

Subd. 3. **Duration.** The order for early intervention shall not exceed 90 days.
