Subd. 6b. [Repealed, 2012 c 294 art 2 s 43]

Subd. 7. **Duration.** Each tax reduction provided to a business that is located in a border city enterprise zone may be provided until the allocations provided under subdivision 6a, and under section 469.169, have been expended. Subject to the limitation in this subdivision, the tax reductions may be provided after expiration of the zone's designation.

Subd. 7a. **Property tax credit; appropriation.** There is annually appropriated from the general fund to the commissioner of revenue the amounts required to reimburse taxing jurisdictions for the revenue lost due to the property tax credit provided in subdivision 1, clause (4). Payment shall be made to taxing jurisdictions in the same proportion that the ad valorem tax is distributed. Payment shall be made to taxing jurisdictions, other than school districts, at the time provided in section 473H.10, subdivision 3.

Subd. 8. **Refundable credits.** The income tax credits provided pursuant to subdivisions 1 and 6 may be refundable.

Subd. 9. **Recapture.** Any business that (1) receives tax reductions authorized by subdivisions 1 to 8; and (2) ceases to operate its facility located within the border city enterprise zone shall repay the amount of the tax reduction or local contribution received during the two years immediately before it ceased to operate in the zone.

The repayment must be paid to the state to the extent it represents a tax reduction under subdivisions 1 to 8 and to the municipality to the extent it represents a property tax reduction or other local contribution. Any amount repaid to the state must be credited to the amount certified as available for tax reductions in the zone pursuant to the city's allocation. Any amount repaid to the municipality must be used by the municipality for economic development purposes. The commissioner of revenue may seek repayment of tax credits from a business ceasing to operate within an enterprise zone by utilizing any remedies available for the collection of tax.

Subd. 10. **Interest.** When tax credits allowed under subdivisions 1 to 8 result in an overpayment within the meaning of section 289A.50, the excess to be refunded to the taxpayer shall bear interest at the amount specified in section 270C.405, computed from 90 days after (1) the due date of the return or (2) the date on which the return is filed, whichever is later, to the date the refund is paid.

Subd. 11. **Limitations; last eight months of duration.** This subdivision applies only to state tax reductions first authorized by the municipality to be provided to a business within eight months of the expiration of the border city enterprise zone's designation.

Before agreeing with a business to provide tax reductions, the municipality must submit the proposed tax reductions to the commissioner for approval. The commissioner shall review and analyze the proposal in light of, at least: (1) the proposed investment that the business will make in the zone, (2) the number and quality of new jobs that will be created in the zone, (3) the overall positive impact on economic activity in the zone, and (4) the extent to which the impacts in clauses (1) to (3) are dependent upon providing the state tax reductions to the business. The commissioner shall disapprove the proposal if the commissioner determines the public benefits of increased investment and employment resulting from the tax reductions is disproportionately small relative to the cost of the state tax reductions. If the commissioner disapproves of the proposal, the tax reductions are not allowed to the business.

If the municipality submits the proposal to the commissioner before expiration of the zone designation, the authority to grant the tax reductions continues until the commissioner acts on the proposal.
