Upon request by the commissioner and within ten days' notice to the vendor or supervising entity, the registry must be made available for inspection by the commissioner.

(d) Notwithstanding any other provision of law, a license issued pursuant to this section shall authorize the licensee and its employees or authorized representatives to engage only in those activities that are expressly permitted in this section.

Subd. 3. Requirements for sale of portable electronics insurance. (a) At every location where portable electronics insurance is offered to customers, brochures or other written materials must be made available to a prospective customer which:

(c) Notwithstanding any other provision of Minnesota law regarding the termination or modification of coverage under a policy of insurance, the terms for the termination or modification of coverage under a policy of portable electronics insurance issued in compliance with this chapter shall be as set forth in the policy.

(d) Eligibility and underwriting standards for customers electing to enroll in coverage shall be established for each portable electronics insurance program.

Subd. 4. **Authority of vendors of portable electronics.** (a) The employees and authorized representatives of vendors may sell or offer portable electronics insurance to customers and shall not be subject to licensure as an insurance producer under this chapter provided that:

(1) the vendor obtains a limited lines license to authorize its employees or authorized representatives to sell or offer portable electronics insurance pursuant to this section;

(2) the insurer issuing the portable electronics insurance either directly supervises or appoints a supervising entity to supervise the administration of the program including development of a training program for employees and authorized representatives of the vendors. The training required by this subdivision shall comply with the following:

(i) the training shall be delivered to all employees and authorized representatives of the vendors who sell or offer portable electronics insurance;

(ii) the training may be provided in electronic form. However, if conducted in an electronic form, the supervising entity shall implement a supplemental education program regarding the portable electronics insurance product that is conducted by licensed employees of the supervising entity; and

Any charge to the covered customer for coverage that is not included in the cost associated with the purchase or lease of portable electronics or services shall be separately itemized from the charges for the purchase or lease of portable electronics or services. Vendors billing and collecting such charges shall not be required to maintain such funds in a segregated account provided that the vendor is authorized by the insurer to hold such funds in an alternative manner and remits such amounts to the supervising entity within 60 days of receipt. All funds received by a vendor from a customer for the sale of portable electronics insurance shall be considered funds held by the vendor in a fiduciary capacity for the benefit of the insurer. Vendors may receive compensation for billing and collection services.

(c)(1) Whenever notice or correspondence with respect to a policy of portable electronics insurance is required pursuant to the policy or is otherwise required by law, the notice or correspondence may be sent either by mail or by electronic means in accordance with chapter 325L. If the notice or correspondence is mailed, it must be sent to the vendor at the vendor's mailing address specified for this purpose and to affected covered customers at their last known mailing addresses on file with the insurer. If the notice or correspondence is sent by electronic means, it must be sent to the vendor at the vendor's electronic mail address specified for such purpose and to affected covered customers at their last known electronic mail addresses as provided to the insurer or vendor, as the case may be.

(2) Notice or correspondence required by a policy of portable electronics insurance or otherwise required by law may be sent on behalf of an insurer or vendor, as the case may be, by the supervising entity appointed by the insurer.
