

84D.108 SERVICE PROVIDER PERMIT.

Subdivision 1. **Service provider permit required.** (a) Service providers must apply for and obtain a permit from the commissioner before providing any services described in section 84D.01, subdivision 15a.

(b) Service providers must have a valid permit in possession while providing services described in section 84D.01, subdivision 15a.

(c) Service providers must display the service provider permit decal issued with their permit. The decal must be completely affixed by its own adhesive on the inside of the extreme lower corner of the driver's windshield of the vehicle being operated while providing services described in section 84D.01, subdivision 15a.

Subd. 2. **Permit requirements.** (a) Service providers must complete invasive species training provided by the commissioner and pass an examination to qualify for a permit. Service provider permits are valid for three calendar years.

(b) A \$50 application and testing fee is required for service provider permit applications.

(c) Persons working for a permittee must satisfactorily complete aquatic invasive species-related training provided by the commissioner, except as provided under paragraph (d).

(d) A person working for and supervised by a permittee is not required to complete the training under paragraph (c) if the water-related equipment or other water-related structures remain on the riparian property owned or controlled by the permittee and are only removed from and placed into the same water of the state.

Subd. 2a. **Lake Minnetonka pilot study.** (a) The commissioner may issue an additional permit to service providers to return to Lake Minnetonka water-related equipment with zebra mussels attached after the equipment has been seasonally stored, serviced, or repaired. The permit must include verification and documentation requirements and any other conditions the commissioner deems necessary.

(b) Water-related equipment with zebra mussels attached may be returned only to Lake Minnetonka (DNR Division of Waters number 27-0133) by service providers permitted under subdivision 1.

(c) The service provider's place of business must be within the Lake Minnetonka Conservation District as established according to sections 103B.601 to 103B.645 or within a municipality immediately bordering the Lake Minnetonka Conservation District's boundaries.

(d) A service provider applying for a permit under this subdivision must, if approved for a permit and before the permit is valid, furnish a corporate surety bond in favor of the state for \$50,000 payable upon violation of this chapter while the service provider is acting under a permit issued according to this subdivision.

(e) This subdivision expires December 1, 2019.

Subd. 2b. **Gull Lake pilot study.** (a) The commissioner may include an additional targeted pilot study to include water-related equipment with zebra mussels attached for the Gull Narrows State Water Access Site, Government Point State Water Access Site, and Gull East State Water Access Site on Gull Lake (DNR Division of Waters number 11-0305) in Cass and Crow Wing Counties using the same authorities, general procedures, and requirements provided for the Lake Minnetonka pilot project in subdivision 2a. Lake service providers participating in the Gull Lake targeted pilot study place of business must be located in Cass or Crow Wing County.

(b) If an additional targeted pilot project for Gull Lake is implemented under this section, the report to the chairs and ranking minority members of the senate and house of representatives committees having jurisdiction over natural resources required under Laws 2016, chapter 189, article 3, section 48, must also include the Gull Lake targeted pilot study recommendations and assessments.

(c) This subdivision expires December 1, 2019.

Subd. 2c. **Cross Lake pilot study.** (a) The commissioner may include an additional targeted pilot study to include water-related equipment with zebra mussels attached for the Cross Lake #1 State Water Access Site on Cross Lake (DNR Division of Waters number 18-0312) in Crow Wing County using the same authorities, general procedures, and requirements provided for the Lake Minnetonka pilot project in subdivision 2a. The place of business of lake service providers participating in the Cross Lake targeted pilot study must be located in Cass or Crow Wing County.

(b) If an additional targeted pilot project for Cross Lake is implemented under this section, the report to the chairs and ranking minority members of the senate and house of representatives committees having jurisdiction over natural resources required under Laws 2016, chapter 189, article 3, section 48, must also include the Cross Lake targeted pilot study recommendations and assessments.

(c) This subdivision expires December 1, 2019.

Subd. 3. **Standard for issuing.** The commissioner may issue, deny, modify, or revoke a permit as provided in section 84D.11, subdivision 3.

Subd. 4. **Appeal of permit decision.** Permit decisions may be appealed as provided in section 84D.11, subdivision 4.
