(r) "Underserved urban community" means a Minnesota urban area or population included in the list of designated primary medical care health professional shortage areas (HPSAs), medically underserved areas

(MUAs), or medically underserved populations (MUPs) maintained and updated by the United States Department of Health and Human Services.

Subd. 2. **Creation of account.** (a) A health professional education loan forgiveness program account is established. The commissioner of health shall use money from the account to establish a loan forgiveness program:

(1) for medical residents and mental health professionals agreeing to practice in designated rural areas or underserved urban communities or specializing in the area of pediatric psychiatry;

(2) for midlevel practitioners agreeing to practice in designated rural areas or to teach at least 12 credit hours, or 720 hours per year in the nursing field in a postsecondary program at the undergraduate level or the equivalent at the graduate level;

(3) for nurses who agree to practice in a Minnesota nursing home; an intermediate care facility for persons with developmental disability; a hospital if the hospital owns and operates a Minnesota nursing home and a minimum of 50 percent of the hours worked by the nurse is in the nursing home; a housing with services establishment as defined in section 144D.01, subdivision 4; or for a home care provider as defined in section 144A.43, subdivision 4; or agree to teach at least 12 credit hours, or 720 hours per year in the nursing field in a postsecondary program at the undergraduate level or the equivalent at the graduate level;

(4) for other health care technicians agreeing to teach at least 12 credit hours, or 720 hours per year in their designated field in a postsecondary program at the undergraduate level or the equivalent at the graduate level. The commissioner, in consultation with the Healthcare Education-Industry Partnership, shall determine the health care fields where the need is the greatest, including, but not limited to, respiratory therapy, clinical laboratory technology, radiologic technology, and surgical technology;

(5) for pharmacists, advanced dental therapists, dental therapists, and public health nurses who agree to practice in designated rural areas; and

(6) for dentists agreeing to deliver at least 25 percent of the dentist's yearly patient encounters to state public program enrollees or patients receiving sliding fee schedule discounts through a formal sliding fee schedule meeting the standards established by the United States Department of Health and Human Services under Code of Federal Regulations, title 42, section 51, chapter 303.

(b) Appropriations made to the account do not cancel and are available until expended, except that at the end of each biennium, any remaining balance in the account that is not committed by contract and not needed to fulfill existing commitments shall cancel to the fund.

Subd. 3. **Eligibility.** (a) To be eligible to participate in the loan forgiveness program, an individual must:

(1) be a medical or dental resident; a licensed pharmacist; or be enrolled in a training or education program to become a dentist, dental therapist, advanced dental therapist, mental health professional, pharmacist, public health nurse, midlevel practitioner, registered nurse, or a licensed practical nurse. The commissioner may also consider applications submitted by graduates in eligible professions who are licensed and in practice; and

(2) submit an application to the commissioner of health.

(b) An applicant selected to participate must sign a contract to agree to serve a minimum three-year full-time service obligation according to subdivision 2, which shall begin no later than March 31 following completion of required training, with the exception of a nurse, who must agree to serve a minimum two-year

full-time service obligation according to subdivision 2, which shall begin no later than March 31 following completion of required training.

**Subd. 4. Loan forgiveness.** The commissioner of health may select applicants each year for participation in the loan forgiveness program, within the limits of available funding. In considering applications, the commissioner shall give preference to applicants who document diverse cultural competencies. The commissioner shall distribute available funds for loan forgiveness proportionally among the eligible professions according to the vacancy rate for each profession in the required geographic area, facility type, teaching area, patient group, or specialty type specified in subdivision 2. The commissioner shall allocate funds for physician loan forgiveness so that 75 percent of the funds available are used for rural physician loan forgiveness and 25 percent of the funds available are used for underserved urban communities and pediatric psychiatry loan forgiveness. If the commissioner does not receive enough qualified applicants each year to use the entire allocation of funds for any eligible profession, the remaining funds may be allocated proportionally among the other eligible professions according to the vacancy rate for each profession in the required geographic area, patient group, or facility type specified in subdivision 2. Applicants are responsible for securing their own qualified educational loans. The commissioner shall select participants based on their suitability for practice serving the required geographic area or facility type specified in subdivision 2, as indicated by experience or training. The commissioner shall give preference to applicants closest to completing their training. For each year that a participant meets the service obligation required under subdivision 3, up to a maximum of four years, the commissioner shall make annual disbursements directly to the participant equivalent to 15 percent of the average educational debt for indebted graduates in their profession in the year closest to the applicant's selection for which information is available, not to exceed the balance of the participant's qualifying educational loans. Before receiving loan repayment disbursements and as requested, the participant must complete and return to the commissioner a confirmation of practice form provided by the commissioner verifying that the participant is practicing as required under subdivisions 2 and 3. The participant must provide the commissioner with verification that the full amount of loan repayment disbursement received by the participant has been applied toward the designated loans. After each disbursement, verification must be received by the commissioner and approved before the next loan repayment disbursement is made. Participants who move their practice remain eligible for loan repayment as long as they practice as required under subdivision 2.

**Subd. 5. Penalty for nonfulfillment.** If a participant does not fulfill the required minimum commitment of service according to subdivision 3, the commissioner of health shall collect from the participant the total amount paid to the participant under the loan forgiveness program plus interest at a rate established according to section 270C.40. The commissioner shall deposit the money collected in the health care access fund to be credited to the health professional education loan forgiveness program account established in subdivision 2. The commissioner shall allow waivers of all or part of the money owed the commissioner as a result of a nonfulfillment penalty if emergency circumstances prevented fulfillment of the minimum service commitment.

**Subd. 6. Rules.** The commissioner may adopt rules to implement this section.
