Subd. 3. **Administrative function.** "Administrative function" means all duties and procedures concerning the execution and enforcement of the laws, rules, orders, directives, duties, and obligations imposed for the control and government of the persons or businesses regulated, together with investigative activities incident thereto and procedures inherently administrative or executive in character.

History: 1967 c 864 s 2; 1977 c 364 s 1

216A.03 PUBLIC UTILITIES COMMISSION.

Subdivision 1. **Members.** The Public Utilities Commission shall consist of five members. The terms of members shall be six years and until their successors have been appointed and qualified. Each commissioner shall be appointed by the governor by and with the advice and consent of the senate. Not more than three commissioners shall belong to the same political party. At least one commissioner must have been domiciled at the time of appointment outside the seven-county metropolitan area. If the membership of the commission after July 31, 1986, does not consist of at least one member domiciled at the time of appointment outside the seven-county metropolitan area, the membership shall conform to this requirement following normal

attrition of the present commissioners. The governor when selecting commissioners shall give consideration to persons learned in the law or persons who have engaged in the profession of engineering, public accounting, property and utility valuation, finance, physical or natural sciences, production agriculture, or natural resources as well as being representative of the general public.

For purposes of this subdivision, "seven-county metropolitan area" means Anoka, Carver, Dakota, Hennepin, Ramsey, Scott, and Washington Counties.

Subd. 1a. **Removal; vacancy.** The removal of members, and filling of vacancies on the commission shall be as provided in section 15.0575.

Subd. 2. [Repealed, 1976 c 134 s 79]

Subd. 3. **Chair.** The governor shall select one of the commissioners to serve as the chair for a term concurrent with that of the governor.

If a vacancy occurs in the position of chair, the governor shall select a new chair to complete the unexpired term.

Subd. 3a. **Powers and duties of chair.** The chair shall be the principal executive officer of the commission and shall preside at meetings of the commission. The chair shall organize the work of the commission and may make assignments to commission members, appoint committees and give direction to the commission staff through the executive secretary subject to the approval of the commission.

Subd. 4. **Oath.** Before entering upon the duties of office, each commissioner shall take and file with the secretary of state the following oath:

"I do solemnly swear that I will support the Constitution of the United States, the Constitution of this state; that I will faithfully discharge my duties as commissioner of the Public Utilities Commission according to the best of my ability; and that I am not in the employ of or holding any official relation to or pecuniarily interested in any individual proprietorship, firm, copartnership, corporation or association, the activities of which are wholly or partially subject to regulation by the Public Utilities Commission; nor do I serve on or under any committee of any political party."

Subd. 5. **Quorum.** A majority of the commission shall constitute a quorum, and the act or decision of a majority of commissioners present, if at least a quorum is present, shall be the act or decision of the commission. If a vacancy exists on the commission a majority of the remaining commissioners constitutes a quorum.

Subd. 6. **Record of proceedings.** An audio magnetic or audio electronic recording device shall be used to keep a record of all proceedings before the commission.

Subd. 6a. **Hearing reporter.** The commission may delegate to the executive secretary authority to require hearing reporter services. The cost of hearing reporter services must be borne by the utility, telephone company, or telecommunications carrier that is the subject of the proceeding. If more than one company is the subject of a proceeding, the commission or, if the commission so delegates, the executive secretary, shall determine how the hearing reporter costs are to be allocated for the proceeding.

Subd. 7. **Filing approved without hearing.** A filing with the commission may be deemed approved by the commission after 60 days of filing, unless the commission, a commissioner, or any other person requests the filing be set aside for action by the commission. The commission may designate, by standing order, categories or types of filings that are eligible for approval under this subdivision. Complaint filings, petitions

for rulemakings, or petitions to increase rates are not eligible for designation. The commission must publish a weekly notice of the filings that are approved without other action by the commission, and shall issue a written order approving the filing upon passage of the 60-day term. Orders approved under this subdivision are subject to reconsideration, as provided in section 216B.27 or the commission's rules of practice and procedure, and nothing in this subdivision affects the rights of any entity under section 216B.17 or 237.081.

Subd. 8. Delegations to commission subcommittees. (a) The commission may create and appoint members to standing or ad hoc subcommittees of the commission consisting of at least one commissioner. The commission, at a regularly scheduled agenda hearing, may delegate any of the commission's legislative, administrative, or quasi-judicial functions, as defined in section 216A.02, to a subcommittee of the commission.

(b) Upon objection by a party, a participant, or a commissioner, a decision by a subcommittee must be referred to the full commission. Subcommittee decisions for which no objection is filed with the commission within ten days from the date of receipt of the written decision of the subcommittee are deemed decisions of the full commission. If referred to the full commission, the full commission may rely on the record developed by the subcommittee but shall treat the subcommittee decision as advisory.

(c) In either their initial or reply filings with the commission, a party or a participant may request that the commission not delegate the proceeding to a commission subcommittee. The request must be granted.

(d) For the purposes of this subdivision:

(1) a "party" means a person by or against whom a proceeding before the commission is commenced or a person permitted to intervene in a proceeding under this chapter; and

(2) a "participant" means a person who files comments or appears to present views without becoming a party in a proceeding, other than public hearings held in contested cases and other commission proceedings conducted to receive general public comments.

Subd. 9. Lead commissioner; designation, powers, duties. The commission may designate a commissioner to be the lead commissioner for a docket, a type of docket, or for a particular subject area. The commission shall allow interested persons to be heard on a proposed designation prior to making the designation. The lead commissioner is authorized to exercise the commission's authority to develop an evidentiary record for a proceeding, including holding hearings and requesting written or oral comments. At the request of the commission, the lead commissioner shall provide the commission and the service list for the proceeding with a written summary of the evidentiary record developed by the lead commissioner for the case, including any recommendations of the commissioner. Any findings of fact, conclusions of law, or recommendations of the lead commissioner are advisory only and are not binding on the commission. The commission may delegate its authority to designate lead commissioners to the chair. Nothing in this subdivision affects a person's opportunity to request a contested case proceeding under chapter 14.

a significant portion of the person's income, directly or indirectly from any public utility or other organization subject to regulation by the commission.

(b) No person is eligible to be appointed as a member of the commission if the person has been employed with an entity, or an affiliated company of an entity, that is subject to rate regulation by the commission within one year from the date when the person's term on the commission will begin.

(c) No person who is an employee of the Department of Commerce shall participate in any manner in any decision or action of the commission where that person has a direct or indirect financial interest. Each commissioner or employee of the department who is in the general professional, supervisory, or technical units established in section 179A.10 or who is a professional, supervisory, or technical employee defined as confidential in section 179A.03, subdivision 4, or who is a management classification employee and whose duties are related to public utility, telephone company, or telecommunications company regulation shall report to the Campaign Finance and Public Disclosure Board annually before April 15 any interest in an industry or business regulated by the commission. Each commissioner shall file a statement of economic interest as required by section 10A.09 with the Campaign Finance and Public Disclosure Board and the Public Utilities Commission before taking office. The statement of economic interest must state any interest that the commissioner has in an industry or business regulated by the commission.

(d) A professional employee of the commission or department must immediately disclose to the commission or to the commissioner of the department, respectively, any communication, direct or indirect, with a person who is a party to a pending proceeding before the commission regarding future benefits, compensation, or employment to be received from that person.

(a) A person who serves as (1) a commissioner of the Public Utilities Commission, (2) commissioner of commerce, or (3) deputy commissioner of commerce, shall not, while employed with or within one year after leaving the commission or department, accept employment with, receive compensation directly or indirectly from, or enter into a contractual relationship with an entity, or an affiliated company of an entity, that is subject to rate regulation by the commission.

(b) An entity or an affiliated company of an entity that is subject to rate regulation by the commission, or a person acting on behalf of the entity, shall not negotiate or offer to employ or compensate a commissioner of the Public Utilities Commission, the commissioner of commerce, or the deputy commissioner of commerce, while the person is so employed or within one year after the person leaves that employment.

(c) For the purposes of this section, "affiliated company" means a company that controls, is controlled by, or is under common control with an entity subject to rate regulation by the commission.

(d) A person who violates this section is subject to a civil penalty not to exceed \$10,000 for each violation. The attorney general may bring an action in district court to collect the penalties provided in this section.

216A.037 EX PARTE COMMUNICATIONS; CODE OF CONDUCT; RULES.

Subdivision 1. **Ex parte communications prohibitions; rules.** (a) The commission shall adopt rules under chapter 14 prescribing permissible and impermissible ex parte communications. The ex parte rules

may prohibit only ex parte communications, directly or indirectly, between a commissioner and a participant or party under the commission's rules of practice and procedure relating to:

- (1) a material issue during a pending contested case proceeding;
- (2) a material issue in a rulemaking proceeding after the beginning of commission deliberations;
- (3) a material issue in a disputed formal petition; and
- (4) any other communication impermissible by law.

(b) The commission may apply ex parte prohibitions, prospectively and after notice to affected parties, to other commission proceedings as the commission deems necessary.

(c) A contested case is pending from the time the commission refers the matter to the Office of Administrative Hearings until the commission has issued its final order, and the time to petition for reconsideration has expired or the commission has issued an order finally disposing an application for reconsideration, whichever is later.

Subd. 2. Conflict-of-interest communications prohibited. A commissioner shall not communicate, directly or indirectly, with a person or entity who is a party to a pending proceeding before the commission regarding past or future benefits or compensation to be received from that person or entity. The commission may dismiss a proceeding if an applicant, petitioner, or complainant violates this subdivision.

Subd. 3. Code of conduct rules. Except as limited by subdivision 1, the commission shall adopt rules prescribing a code of conduct for commissioners and employees of the commission. The code of conduct must include standards to preserve the quasi-judicial function of the commission.

Subd. 4. Complaint procedure; hearing; sanctions. (a) Any person seeking sanctions for alleged violations of the rules adopted under this section may file a complaint with the commission.

(b) A complaint seeking sanctions must include the following information: the name and address of the complainant; the name and address of complainant's counsel, if any; the name and address of each person alleged to have violated the ex parte prohibition (respondents); the name and address of each respondent's counsel, if known; the facts constituting the alleged violation; and the sanctions sought by the complainant.

(c) A complaint filed under this section must be filed with the commission and mailed to each respondent, the department, the Office of the Attorney General, and all persons on the commission's service list for the proceeding.

(d) Within seven days of service of the complaint, a respondent shall file an answer with the commission and serve it on the complainant, the department, the Office of the Attorney General, and all persons on the commission's service list for the proceeding.

(e) The commission shall refer the complaint and any reply to the Office of Administrative Hearings.

(f) The administrative law judge assigned to the ex parte complaint proceeding by the Office of Administrative Hearings shall conduct a hearing investigation and shall issue a report within 30 days after the matter is referred. If the administrative law judge determines that the report cannot be properly completed within that time period, the judge shall report that fact to the commission within the 30-day period and shall file a final report within a reasonable time thereafter, no later than 60 days after the referral to the Office of Administrative Hearings.

(g) The report of the administrative law judge shall describe the relevant facts of the case and shall set forth the judge's findings as to whether ex parte violations occurred. The findings and decisions of the judge as to whether ex parte violations have occurred are binding on the commission. The judge shall also discuss and make recommendations regarding the imposition of sanctions in accordance with paragraph (h). The judge shall include in the report a discussion of the recusal of any commissioner or the removal of decision-making personnel from this case.

(h) In the report under paragraph (g), the administrative law judge may only recommend that the commission impose one of the following sanctions if the judge finds that the condition specified for the sanction is met:

(1) dismiss the proceeding if the prohibited ex parte communication has so prejudiced the proceeding that the commission cannot consider it impartially;

(2) issue an adverse ruling on a pending issue that is the subject of the prohibited ex parte communication if other parties are prejudiced by the prohibited ex parte communication;

(3) strike evidence or pleadings if the evidence or pleadings are tainted by the prohibited ex parte communication; or

(4) issue a public statement of censure, if the prohibited ex parte communication is determined to be part of a continuing pattern of improper ex parte communication or if the prohibited ex parte violation consists of a single prohibited communication and mitigating circumstances exist that:

(i) negate the need for a more severe sanction;

(ii) do not prejudice the proceeding to the extent that the commission is unable to consider it impartially;

(iii) do not prejudice other parties; or

(iv) do not taint the evidence or pleadings.

(i) If the administrative law judge finds the complainant's allegation of an ex parte violation was interposed for any improper purpose, such as to harass or cause unnecessary delay or needless increase in the cost of the proceeding, the judge may recommend that the commission issue an appropriate sanction against the complainant.
