Subd. 12. **Additional zone allocations.** (a) The commissioner shall allocate tax reductions to border city enterprise zones located on the western border of the state. The cumulative total amount of tax reductions for all years of the program under sections 469.1731 to 469.1735, is limited to:

The limit may be waived only if the commissioner finds that the business for which the tax incentives are to be provided:

- (1) requires a private capital investment of at least \$1,000,000 within the city;
- (2) employs at least 25 new or additional full-time equivalent employees within the city; and

(3) pays its employees at the location in the city wages that, on the average, will exceed the average wage paid in the county in which the municipality is located.
