MINNESOTA STATUTES 2018

129C.27 ANNUAL DIRECTOR REPORT.

The director must report the following to the education committees of the legislature by January 15 of each year in accordance with section 3.195:

(1) outreach activities, including the number of districts, teachers, and administrators that have participated in outreach programs;

(2) the impact of the center's outreach activities;

(3) enrollment trends, including the number of students from each congressional district admitted to the Perpich Arts High School and efforts to increase enrollment by 20 percent by 2019; and

(4) students' academic achievement, including performance on standard assessments, graduation rates, and the number of students enrolled in postsecondary education.
