Subd. 3a. **Expenditures for recreational, community, and athletic programs.** An organization that makes a greater percentage of its lawful purpose expenditures under section 349.12, subdivision 25, paragraph (a), clause (7), on facilities or activities for one gender rather than another may not deny a reasonable request for funding of a facility or activity for the underrepresented gender if the request is for funding for a facility or activity that is a lawful purpose under that clause. An applicant for funding for a facility or activity for an underrepresented gender who believes that an application for funding was denied in violation of this subdivision may file a complaint with the board. The board shall prescribe a form for the complaint and shall furnish a copy of the form to any requester. The board shall investigate each complaint filed and, if the board finds that the organization against which the complaint was filed has violated this subdivision, shall issue an order directing the organization to take such corrective action as the board deems necessary to bring the organization into compliance with this subdivision.
