GENERALLY

243.05 COMMISSIONER OF CORRECTIONS; POWERS, LIMITATIONS.

Subdivision 1. **Conditional release.** (a) The commissioner of corrections may parole any person sentenced to confinement in any state correctional facility for adults under the control of the commissioner of corrections, provided that:

(1) no inmate serving a life sentence for committing murder before May 1, 1980, other than murder committed in violation of clause (1) of section 609.185 who has not been previously convicted of a felony shall be paroled without having served 20 years, less the diminution that would have been allowed for good conduct had the sentence been for 20 years;

(2) no inmate serving a life sentence for committing murder before May 1, 1980, who has been previously convicted of a felony or though not previously convicted of a felony is serving a life sentence for murder in the first degree committed in violation of clause (1) of section 609.185 shall be paroled without having served 25 years, less the diminution which would have been allowed for good conduct had the sentence been for 25 years;

(3) any inmate sentenced prior to September 1, 1963, who would be eligible for parole had the inmate been sentenced after September 1, 1963, shall be eligible for parole; and

(4) any new rule or policy or change of rule or policy adopted by the commissioner of corrections which has the effect of postponing eligibility for parole has prospective effect only and applies only with respect to persons committing offenses after the effective date of the new rule or policy or change.

(b) Upon being paroled and released, an inmate is and remains in the legal custody and under the control of the commissioner, subject at any time to be returned to a facility of the Department of Corrections established by law for the confinement or treatment of convicted persons and the parole rescinded by the commissioner.

(c) The written order of the commissioner of corrections, is sufficient authority for any peace officer, state correctional investigator, or state parole and probation agent to retake and place in actual custody any person on parole or supervised release. In addition, when it appears necessary in order to prevent escape or enforce discipline, any state parole and probation agent or state correctional investigator may, without order of warrant, take and detain a parolee or person on supervised release or work release and bring the person to the commissioner for action.

(d) The written order of the commissioner of corrections is sufficient authority for any peace officer, state correctional investigator, or state parole and probation agent to retake and place in actual custody any person on probation under the supervision of the commissioner pursuant to section 609.135. Additionally, when it appears necessary in order to prevent escape or enforce discipline, any state parole and probation agent or state correctional investigator may, without an order, retake and detain a probationer and bring the probationer before the court for further proceedings under section 609.14.

(e) The written order of the commissioner of corrections is sufficient authority for any peace officer, state correctional investigator, or state parole and probation agent to detain any person on pretrial release who absconds from pretrial release or fails to abide by the conditions of pretrial release.

(f) Persons conditionally released, and those on probation under the supervision of the commissioner of corrections pursuant to section 609.135 may be placed within or outside the boundaries of the state at the

discretion of the commissioner of corrections or the court, and the limits fixed for these persons may be enlarged or reduced according to their conduct.

(g) Except as otherwise provided in subdivision 1b, in considering applications for conditional release or discharge, the commissioner is not required to hear oral argument from any attorney or other person not connected with an adult correctional facility of the Department of Corrections in favor of or against the parole or release of any inmates. The commissioner may institute inquiries by correspondence, taking testimony, or otherwise, as to the previous history, physical or mental condition, and character of the inmate and, to that end, has the authority to require the attendance of the chief executive officer of any state adult correctional facility and the production of the records of these facilities, and to compel the attendance of witnesses. The commissioner is authorized to administer oaths to witnesses for these purposes.

(h) Unless the district court directs otherwise, state parole and probation agents may require a person who is under the supervision of the commissioner of corrections to perform community work service for violating a condition of probation imposed by the court. Community work service may be imposed for the purpose of protecting the public, to aid the offender's rehabilitation, or both. Agents may impose up to eight hours of community work service for each violation and up to a total of 24 hours per offender per 12-month period, beginning with the date on which community work service is first imposed. The commissioner may authorize an additional 40 hours of community work services, for a total of 64 hours per offender per 12-month period, beginning with the date on which community work service is first imposed. At the time community work service is imposed, parole and probation agents are required to provide written notice to the offender that states:

- (1) the condition of probation that has been violated;
- (2) the number of hours of community work service imposed for the violation; and
- (3) the total number of hours of community work service imposed to date in the 12-month period.

An offender may challenge the imposition of community work service by filing a petition in district court. An offender must file the petition within five days of receiving written notice that community work service is being imposed. If the offender challenges the imposition of community work service, the state bears the burden of showing, by a preponderance of the evidence, that the imposition of community work service is reasonable under the circumstances.

Community work service includes sentencing to service.

(i) Prior to revoking a nonviolent controlled substance offender's parole or probation based on a technical violation, when the offender does not present a risk to the public and the offender is amenable to continued supervision in the community, a parole or probation agent must identify community options to address and correct the violation including, but not limited to, inpatient chemical dependency treatment. If a probation or parole agent determines that community options are appropriate, the agent shall seek to restructure the offender's terms of release to incorporate those options. If an offender on probation stipulates in writing to restructure the terms of release, a probation agent must forward a report to the district court containing:

- (1) the specific nature of the technical violation of probation;
- (2) the recommended restructure to the terms of probation; and
- (3) a copy of the offender's signed stipulation indicating that the offender consents to the restructuring of probation.

The recommended restructuring of probation becomes effective when confirmed by a judge. The order of the court shall be proof of such confirmation and amend the terms of the sentence imposed by the court under section 609.135. If a nonviolent controlled substance offender's parole or probation is revoked, the offender's agent must first attempt to place the offender in a local jail. For purposes of this paragraph, "nonviolent controlled substance offender" is a person who meets the criteria described under section 244.0513, subdivision 2, clauses (1), (2), and (5), and "technical violation" means any violation of a court order of probation or a condition of parole, except an allegation of a subsequent criminal act that is alleged in a formal complaint, citation, or petition.

Subd. 1a. Detention of felons who flee pending sentencing. The commissioner of corrections shall assist law enforcement agencies in locating and taking into custody any person who has been convicted of a felony for which a prison sentence is presumed under the Sentencing Guidelines and applicable statutes, and who absconds pending sentencing in violation of the conditions of release imposed by the court under rule 27.01 of the Rules of Criminal Procedure. The written order of the commissioner of corrections is sufficient authority for any state parole and probation agent to take the person into custody without a warrant and to take the person before the court without further delay.

Subd. 1b. Victim's rights. (a) This subdivision applies to parole decisions relating to inmates convicted of first-degree murder who are described in subdivision 1, clauses (a) and (b). As used in this subdivision, "victim" means the murder victim's surviving spouse or next of kin.

(b) The commissioner shall make reasonable efforts to notify the victim, in advance, of the time and place of the inmate's parole review hearing. The victim has a right to submit an oral or written statement at the review hearing. The statement may summarize the harm suffered by the victim as a result of the crime and give the victim's recommendation on whether the inmate should be paroled at that time. The commissioner must consider the victim's statement when making the parole decision.

Subd. 2. Rules. The commissioner of corrections may adopt rules in accordance with chapter 14, the Administrative Procedure Act, governing the procedures for granting of conditional release and final discharge. The rules may provide for the conduct and employment of persons conditionally released, and other matters necessary to implement the duties conferred by law upon the commissioner with respect to conditional release and discharge of persons. For purposes of this subdivision, "conditional release" means a person on parole, work release, or supervised release.

Subd. 3. Duty of commissioner; final discharge. It is the duty of the commissioner of corrections to keep in communication, as far as possible, with all persons who are on parole and with their employers. The commissioner may grant a person on parole a final discharge from any sentence when:

(1) the person on parole has complied with the conditions of parole for a period of time sufficient to satisfy the commissioner that the parolee is reliable and trustworthy;

(2) the commissioner is satisfied the person on parole will remain at liberty without violating the law; and

(3) final discharge is not incompatible with the welfare of society.

Upon the granting of a final discharge, the commissioner shall issue a certificate of final discharge to the person discharged and also cause a record of the acts of the inmate to be made. The record shall show the date of the inmate's confinement, the inmate's record while in prison, the date of parole, the inmate's record while on parole, reasons underlying the decision for final discharge, and other facts which the

commissioner regards as appropriate. Nothing in this section or section 244.05 shall be construed as impairing the power of the board of pardons to grant a pardon or commutation in any case.

Subd. 4. Hearing officers; powers; duties. To carry out the powers and duties conferred by this section, the commissioner of corrections may designate from among staff members, one or more hearing officers and delegate to them any of the powers and duties conferred by this section. In the exercise of their delegated powers and duties the hearing officers shall be subject to the rules prescribed by the commissioner of corrections.

Subd. 5. Deputization of out-of-state agents. The commissioner of corrections may deputize any person regularly employed by another state to act as an officer and agent of this state in effecting the return of any person who has violated the terms and conditions of parole or probation as granted by this state. In any matter relating to the return of that person, any agent so deputized has all the powers of a police officer of this state. Any deputization pursuant to this subdivision shall be in writing and carried by the agent as formal evidence of deputization and must be produced upon demand. Subject to the approval of the commissioner of management and budget, the commissioner of corrections may enter into contracts with similar officials of any other state for the purpose of sharing an equitable portion of the cost of effecting the return of any person who has violated the terms and conditions of release or probation as granted by this state.

Subd. 6. Supervision by commissioner of corrections; agents. (a) The commissioner of corrections, as far as possible, shall exercise supervision over persons released on parole or probation pursuant to this section and section 242.19.

(b) The commissioner of corrections shall exercise supervision over probationers as provided in section 609.135, and over persons conditionally released pursuant to section 241.26.

(c) For the purposes of clauses (a) and (b), and sections 609.115 and 609.135, subdivision 1, the commissioner shall appoint state agents who shall be in the classified service of the state civil service. The commissioner may also appoint suitable persons in any part of the state or enter into agreements with individuals and public or private agencies, for the same purposes, and pay the costs incurred under the agreements. Each agent or person shall perform the duties the commissioner may prescribe in behalf of or in the supervision of those persons described in clause (b). In addition, each agent or person shall act under the orders of the commissioner in the supervision of those persons conditionally released as provided in clause (a). Agents shall provide assistance to conditionally released persons in obtaining employment, and shall conduct relevant investigations and studies of persons under supervision upon the request of the commissioner. Regional supervisors may also supervise state parole agents as directed by the commissioner of corrections. This duty shall not interfere with the supervisor's responsibility under the County Probation Act, Laws 1959, chapter 698.

243.055 COMPUTER RESTRICTIONS.

Subdivision 1. Restrictions to use of online services. If the commissioner believes a significant risk exists that a parolee, state-supervised probationer, or individual on supervised release may use an Internet service or online service to engage in criminal activity or to associate with individuals who are likely to

encourage the individual to engage in criminal activity, the commissioner may impose one or more of the following conditions:

(1) prohibit the individual from possessing or using a computer with access to an Internet service or online service without the prior written approval of the commissioner;

(2) prohibit the individual from possessing or using any data encryption technique or program;

(3) require the individual to consent to periodic unannounced examinations of the individual's computer equipment by a parole or probation agent, including the retrieval and copying of all data from the computer and any internal or external peripherals and removal of such equipment to conduct a more thorough inspection;

(4) require consent of the individual to have installed on the individual's computer, at the individual's expense, one or more hardware or software systems to monitor computer use; and

(5) any other restrictions the commissioner deems necessary.

Subd. 2. Restrictions on computer use. If the commissioner believes a significant risk exists that a parolee, state-supervised probationer, or individual on supervised release may use a computer to engage in criminal activity or to associate with individuals who are likely to encourage the individual to engage in criminal activity, the commissioner may impose one or more of the following restrictions:

(1) prohibit the individual from accessing through a computer any material, information, or data that relates to the activity involved in the offense for which the individual is on probation, parole, or supervised release;

(2) require the individual to maintain a daily log of all addresses the individual accesses through computer other than for authorized employment and to make this log available to the individual's parole or probation agent;

(3) provide all personal and business telephone records to the individual's parole or probation agent upon request, including written authorization allowing the agent to request a record of all of the individual's outgoing and incoming telephone calls from any telephone service provider;

(4) prohibit the individual from possessing or using a computer that contains an internal modem and from possessing or using an external modem without the prior written consent of the commissioner;

(5) prohibit the individual from possessing or using any computer, except that the individual may, with the prior approval of the individual's parole or probation agent, use a computer in connection with authorized employment;

(6) require the individual to consent to disclosure of the computer-related restrictions that the commissioner has imposed to any employer or potential employer; and

(7) any other restrictions the commissioner deems necessary.

Subd. 3. Limits on restriction. In imposing restrictions, the commissioner shall take into account that computers are used for numerous, legitimate purposes and that, in imposing restrictions, the least restrictive condition appropriate to the individual shall be used.

INTERSTATE ADULT OFFENDER SUPERVISION

243.1605 INTERSTATE COMPACT FOR ADULT OFFENDER SUPERVISION.

ARTICLE I

PURPOSE

The compacting states to this interstate compact recognize that each state is responsible for the supervision of adult offenders in the community who are authorized pursuant to the bylaws and rules of this compact to travel across state lines both to and from each compacting state in such a manner as to track the location of offenders, transfer supervision authority in an orderly and efficient manner, and when necessary return offenders to the originating jurisdictions. The compacting states also recognize that Congress, by enacting the Crime Control Act under United States Code, title 4, section 112 (1965), has authorized and encouraged compacts for cooperative efforts and mutual assistance in the prevention of crime. It is the purpose of this compact and the interstate commission created hereunder, through means of joint and cooperative action among the compacting states:

(1) to provide the framework for the promotion of public safety and protect the rights of victims through the control and regulation of the interstate movement of offenders in the community;

(2) to provide for the effective tracking, supervision, and rehabilitation of these offenders by the sending and receiving states; and

(3) to equitably distribute the costs, benefits, and obligations of the compact among the compacting states.

In addition, this compact will:

(1) create an interstate commission which will establish uniform procedures to manage the movement between states of adults placed under community supervision and released to the community under the jurisdiction of courts, paroling authorities, corrections, or other criminal justice agencies which will promulgate rules to achieve the purpose of this compact;

(2) ensure an opportunity for input and timely notice to victims and to jurisdictions where defined offenders are authorized to travel or to relocate across state lines;

(3) establish a system of uniform data collection, access to information on active cases by authorized criminal justice officials, and regular reporting of compact activities to heads of state councils; state executive, judicial, and legislative branches; and criminal justice administrators;

(4) monitor compliance with rules governing interstate movement of offenders and initiate interventions to address and correct noncompliance; and

(5) coordinate training and education regarding regulations of interstate movement of offenders for officials involved in such activity.

The compacting states recognize that there is no "right" of any offender to live in another state and that duly accredited officers of a sending state may at all times enter a receiving state and there apprehend and retake any offender under supervision subject to the provisions of this compact and bylaws and rules promulgated hereunder. It is the policy of the compacting states that the activities conducted by the Interstate Commission created herein are the formation of public policies and are therefore public business.

ARTICLE II

THE COMPACT COMMISSION

The compacting states hereby create the Interstate Commission for adult offender supervision. The Interstate Commission shall be a body corporate and joint agency of the compacting states. The Interstate Commission shall have all the responsibilities, powers, and duties set forth herein, including the power to sue and be sued, and such additional powers as may be conferred upon it by subsequent action of the respective legislatures of the compacting states in accordance with the terms of this compact.

The Interstate Commission shall consist of commissioners selected and appointed by resident members of a state council for interstate adult offender supervision for each state.

In addition to the commissioners who are the voting representatives of each state, the Interstate Commission shall include individuals who are not commissioners but who are members of interested organizations; such noncommissioner members must include a member of the national organizations of governors, legislators, state chief justices, attorneys general, and crime victims. All noncommissioner members of the Interstate Commission shall be ex officio (nonvoting) members. While each member state may determine the membership of its own state council, its membership must include at least one representative from the legislative, judicial, and executive branches of government; victims groups; and compact administrators. Each compacting state retains the right to determine the qualifications of the compact administrator, who shall be appointed by the state council or by the governor in consultation with the legislature and the judiciary. In addition to appointment of its commissioner to the national Interstate Commission, each state council shall exercise oversight and advocacy concerning its participation in Interstate Commission activities and other duties as may be determined by each member state, including, but not limited to, development of policy concerning operations and procedures of the compact within that state.

(3) providing reasonable standards and procedures:

(i) for the establishment of committees; and

(ii) governing any general or specific delegation of any authority or function of the Interstate Commission;

(4) providing reasonable procedures for calling and conducting meetings of the Interstate Commission, and ensuring reasonable notice of each such meeting;

(5) establishing the titles and responsibilities of the officers of the Interstate Commission;

(6) providing reasonable standards and procedures for the establishment of the personnel policies and programs of the Interstate Commission. Notwithstanding any civil service or other similar laws of any compacting state, the bylaws shall exclusively govern the personnel policies and programs of the Interstate Commission;

(7) providing a mechanism for winding up the operations of the Interstate Commission and the equitable return of any surplus funds that may exist upon the termination of the compact after the payment and/or reserving of all of its debts and obligations;

(8) providing transition rules for "start up" administration of the compact; and

(9) establishing standards and procedures for compliance and technical assistance in carrying out the compact.

Section B. Officers and staff.

The Interstate Commission shall, by a majority of the members, elect from among its members a chairperson and a vice chairperson, each of whom shall have such authorities and duties as may be specified in the bylaws. The chairperson or, in the chairperson's absence or disability, the vice chairperson shall preside at all meetings of the Interstate Commission. The officers so elected shall serve without compensation or remuneration from the Interstate Commission, provided that subject to the availability of budgeted funds, the officers shall be reimbursed for any actual and necessary costs and expenses incurred by them in the performance of their duties and responsibilities as officers of the Interstate Commission.

The Interstate Commission shall, through its executive committee, appoint or retain an executive director for such period, upon such terms and conditions, and for such compensation as the Interstate Commission may deem appropriate. The executive director shall serve as secretary to the Interstate Commission, and hire and supervise such other staff as may be authorized by the Interstate Commission, but shall not be a member.

Section C. Corporate records of the interstate commission.

The Interstate Commission shall maintain its corporate books and records in accordance with the bylaws.

Section D. Qualified immunity; defense and indemnification.

The members, officers, executive director, and employees of the Interstate Commission shall be immune from suit and liability, either personally or in their official capacity, for any claim for damage to or loss of property or personal injury or other civil liability caused or arising out of any actual or alleged act, error, or omission that occurred within the scope of Interstate Commission employment, duties, or responsibilities, provided that nothing in this paragraph shall be construed to protect any such person from suit and/or liability for any damage, loss, injury, or liability caused by the intentional or willful and wanton misconduct of any such person.

The Interstate Commission shall defend the commissioner of a compacting state, a commissioner's representatives or employees, or the Interstate Commission's representatives or employees in any civil action seeking to impose liability, arising out of any actual or alleged act, error, or omission that occurred within the scope of Interstate Commission employment, duties, or responsibilities, or that the defendant had a

reasonable basis for believing occurred within the scope of Interstate Commission employment, duties, or responsibilities, provided that the actual or alleged act, error, or omission did not result from intentional wrongdoing on the part of such person.

The Interstate Commission shall indemnify and hold the commissioner of a compacting state, the appointed designee or employees, or the Interstate Commission's representatives or employees harmless in the amount of any settlement or judgment obtained against such persons arising out of any actual or alleged act, error, or omission that occurred within the scope of Interstate Commission employment, duties, or responsibilities, or that such persons had a reasonable basis for believing had occurred within the scope of Interstate Commission employment, duties, or responsibilities, provided that the actual or alleged act, error, or omission did not result from gross negligence or intentional wrongdoing on the part of such person.

ARTICLE VII

ACTIVITIES OF THE INTERSTATE COMMISSION

The Interstate Commission shall meet and take such actions as are consistent with the provisions of this compact.

Except as otherwise provided in this compact and unless a greater percentage is required by the bylaws, in order to constitute an act of the Interstate Commission, such act shall have been taken at a meeting of the Interstate Commission and shall have received an affirmative vote of a majority of the members present.

Each member of the Interstate Commission shall have the right and power to cast a vote to which that compacting state is entitled and to participate in the business and affairs of the Interstate Commission. A member shall vote in person on behalf of the state and shall not delegate a vote to another member state. However, a state council shall appoint another authorized representative, in the absence of the commissioner from that state, to cast a vote on behalf of the member state at a specified meeting. The bylaws may provide for members' participation in meetings by telephone or other means of telecommunication or electronic communication. Any voting conducted by telephone, or other means of telecommunication or electronic communication, shall be subject to the same quorum requirements of meetings where members are present in person.

The Interstate Commission shall meet at least once during each calendar year. The chairperson of the Interstate Commission may call additional meetings at any time and, upon the request of a majority of the members, shall call additional meetings.

The Interstate Commission's bylaws shall establish conditions and procedures under which the Interstate Commission shall make its information and official records available to the public for inspection or copying. The Interstate Commission may exempt from disclosure any information or official records to the extent they would adversely affect personal privacy rights or proprietary interests. In promulgating such rules, the Interstate Commission may make available to law enforcement agencies records and information otherwise exempt from disclosure, and may enter into agreements with law enforcement agencies to receive or exchange information or records subject to nondisclosure and confidentiality provisions.

Public notice shall be given of all meetings and all meetings shall be open to the public, except as set forth in the rules or as otherwise provided in the compact. The Interstate Commission shall promulgate rules consistent with the principles contained in the "Government in Sunshine Act," United States Code, title 5, section 552(b), as may be amended. The Interstate Commission and any of its committees may close a meeting to the public where it determines by two-thirds vote that an open meeting would be likely to:

- (1) relate solely to the Interstate Commission's internal personnel practices and procedures;
- (2) disclose matters specifically exempted from disclosure by statute;
- (3) disclose trade secrets or commercial or financial information which is privileged or confidential;
- (4) involve accusing any person of a crime, or formally censuring any person;
- (5) disclose information of a personal nature where disclosure would constitute a clearly unwarranted invasion of personal privacy;
- (6) disclose investigatory records compiled for law enforcement purposes;
- (7) disclose information contained in or related to examination, operating, or condition reports prepared by, or on behalf of or for the use of, the Interstate Commission with respect to a regulated entity for the purpose of regulation or supervision of such entity;
- (8) disclose information, the premature disclosure of which would significantly endanger the life of a person or the stability of a regulated entity; or
- (9) specifically relate to the Interstate Commission's issuance of a subpoena, or its participation in a civil action or proceeding.

For every meeting closed pursuant to this provision, the Interstate Commission's chief legal officer shall publicly certify that, in the officer's opinion, the meeting may be closed to the public, and shall reference each relevant exemptive provision. The Interstate Commission shall keep minutes, which shall fully and clearly describe all matters discussed in any meeting and shall provide a full and accurate summary of any actions taken, and the reasons therefor, including a description of each of the views expressed on any item and the record of any roll call vote (reflected in the vote of each member on the question). All documents considered in connection with any action shall be identified in such minutes.

The Interstate Commission shall collect standardized data concerning the interstate movement of offenders as directed through its bylaws and rules which shall specify the data to be collected, the means of collection, and data exchange and reporting requirements.

ARTICLE VIII

RULEMAKING FUNCTIONS OF THE INTERSTATE COMMISSION

The Interstate Commission shall promulgate rules in order to effectively and efficiently achieve the purposes of the compact, including transition rules governing administration of the compact during the period in which it is being considered and enacted by the states.

Rulemaking shall occur pursuant to the criteria set forth in this article and the bylaws and rules adopted pursuant thereto. Such rulemaking shall substantially conform to the principles of the federal Administrative Procedure Act, United States Code, title 5, section 551 et seq., and the federal Advisory Committee Act, United States Code, title 5, appendix 2, section 1 et seq., as may be amended (hereinafter "APA"). All rules and amendments shall become binding as of the date specified in each rule or amendment.

If a majority of the legislatures of the compacting states rejects a rule, by enactment of a statute or resolution in the same manner used to adopt the compact, then such rule shall have no further force and effect in any compacting state.

When promulgating a rule, the Interstate Commission shall:

(1) publish the proposed rule stating with particularity the text of the rule which is proposed and the reason for the proposed rule;

(2) allow persons to submit written data, facts, opinions, and arguments, which information shall be publicly available;

(3) provide an opportunity for an informal hearing; and

(4) promulgate a final rule and its effective date, if appropriate, based on the rulemaking record.

Not later than 60 days after a rule is promulgated, any interested person may file a petition in the United States District Court for the District of Columbia or in the federal district court where the Interstate Commission's principal office is located for judicial review of such rule. If the court finds that the Interstate Commission's action is not supported by substantial evidence (as defined in the APA), in the rulemaking record, the court shall hold the rule unlawful and set it aside. Subjects to be addressed within 12 months after the first meeting must, at a minimum, include:

(1) notice to victims and opportunity to be heard;

(2) offender registration and compliance;

(3) violations/returns;

(4) transfer procedures and forms;

(5) eligibility for transfer;

(6) collection of restitution and fees from offenders;

(7) data collection and reporting;

(8) the level of supervision to be provided by the receiving state;

(9) transition rules governing the operation of the compact and the Interstate Commission during all or part of the period between the effective date of the compact and the date on which the last eligible state adopts the compact; and

(10) mediation, arbitration, and dispute resolution.

The existing rules governing the operation of the previous compact superseded by this act shall be null and void 12 months after the first meeting of the interstate commission created hereunder.

Upon determination by the Interstate Commission that an emergency exists, it may promulgate an emergency rule which shall become effective immediately upon adoption, provided that the usual rulemaking procedures provided hereunder shall be retroactively applied to said rule as soon as reasonably possible, in no event later than 90 days after the effective date of the rule.

ARTICLE IX

OVERSIGHT, ENFORCEMENT, AND DISPUTE RESOLUTION

BY THE INTERSTATE COMMISSION

Section A. **Oversight.**

The Interstate Commission shall oversee the interstate movement of adult offenders in the compacting states and shall monitor such activities being administered in noncompacting states which may significantly affect compacting states.

The courts and executive agencies in each compacting state shall enforce this compact and shall take all actions necessary and appropriate to effectuate the compact's purposes and intent. In any judicial or administrative proceeding in a compacting state pertaining to the subject matter of this compact which may affect the powers, responsibilities, or actions of the Interstate Commission, the Interstate Commission shall be entitled to receive all service of process in any such proceeding, and shall have standing to intervene in the proceeding for all purposes.

Section B. Dispute resolution.

The compacting states shall report to the Interstate Commission on issues or activities of concern to them, and cooperate with and support the Interstate Commission in the discharge of its duties and responsibilities.

The Interstate Commission shall attempt to resolve any disputes or other issues which are subject to the compact and which may arise among compacting states and noncompacting states.

The Interstate Commission shall enact a bylaw or promulgate a rule providing for both mediation and binding dispute resolution for disputes among the compacting states.

Section C. Enforcement.

The Interstate Commission, in the reasonable exercise of its discretion, shall enforce the provisions of this compact using any or all means set forth in article XII, section B, of this compact.

ARTICLE X

FINANCE

The Interstate Commission shall pay or provide for the payment of the reasonable expenses of its establishment, organization, and ongoing activities.

The Interstate Commission shall levy on and collect an annual assessment from each compacting state to cover the cost of the internal operations and activities of the Interstate Commission and its staff, which must be in a total amount sufficient to cover the Interstate Commission's annual budget as approved each year. The aggregate annual assessment amount shall be allocated based upon a formula to be determined by the Interstate Commission, taking into consideration the population of the state and the volume of interstate movement of offenders in each compacting state and shall promulgate a rule binding upon all compacting states, which governs said assessment.

The Interstate Commission shall not incur any obligations of any kind prior to securing the funds adequate to meet the same; nor shall the Interstate Commission pledge the credit of any of the compacting states, except by and with the authority of the compacting state.

The Interstate Commission shall keep accurate accounts of all receipts and disbursements. The receipts and disbursements of the Interstate Commission shall be subject to the audit and accounting procedures established under its bylaws. However, all receipts and disbursements of funds handled by the Interstate Commission shall be audited yearly by a certified or licensed public accountant and the report of the audit shall be included in and become part of the annual report of the Interstate Commission.

Minnesota's annual assessment shall not exceed \$50,000. The interstate compact for adult offender supervision fund is established as a special fund in the Department of Corrections. The fund consists of money appropriated for the purpose of meeting financial obligations imposed on the state as a result of Minnesota's participation in this compact. An assessment levied or any other financial obligation imposed under this compact is effective against the state only to the extent that money to pay the assessment or meet the financial obligation has been appropriated and deposited in the fund established in this paragraph.

ARTICLE XI

COMPACTING STATES, EFFECTIVE DATE, AND AMENDMENT

Any state, as defined in article II of this compact, is eligible to become a compacting state. The compact shall become effective and binding upon legislative enactment of the compact into law by no less than 35 of the states. The initial effective date shall be the latter of July 1, 2001, or upon enactment into law by the 35th jurisdiction. Thereafter, it shall become effective and binding, as to any other compacting state, upon enactment of the compact into law by that state. The governors of nonmember states or their designees will be invited to participate in Interstate Commission activities on a nonvoting basis prior to adoption of the compact by all states and territories of the United States.

Amendments to the compact may be proposed by the Interstate Commission for enactment by the compacting states. No amendment shall become effective and binding upon the Interstate Commission and the compacting states unless and until it is enacted into law by unanimous consent of the compacting states.

ARTICLE XII

WITHDRAWAL, DEFAULT, TERMINATION, AND JUDICIAL ENFORCEMENT

Section A. **Withdrawal.**

Once effective, the compact shall continue in force and remain binding upon each and every compacting state, provided that a compacting state may withdraw from the compact ("withdrawing state") by enacting a statute specifically repealing the statute which enacted the compact into law.

The effective date of withdrawal is the effective date of the repeal.

The withdrawing state shall immediately notify the chairperson of the Interstate Commission in writing upon the introduction of legislation repealing this compact in the withdrawing state.

The Interstate Commission shall notify the other compacting states of the withdrawing state's intent to withdraw within 60 days of its receipt thereof.

The withdrawing state is responsible for all assessments, obligations, and liabilities incurred through the effective date of withdrawal, including any obligations, the performance of which extend beyond the effective date of withdrawal.

Reinstatement following withdrawal of any compacting state shall occur upon the withdrawing state reenacting the compact or upon such later date as determined by the Interstate Commission.

Section B. **Default.**

If the Interstate Commission determines that any compacting state has at any time defaulted ("defaulting state") in the performance of any of its obligations or responsibilities under this compact, the bylaws, or any duly promulgated rules, the Interstate Commission may impose any or all of the following penalties:

(1) fines, fees, and costs in such amounts as are deemed to be reasonable as fixed by the Interstate Commission;

(2) remedial training and technical assistance as directed by the Interstate Commission; and/or

(3) suspension and termination of membership in the compact. Suspension shall be imposed only after all other reasonable means of securing compliance under the bylaws and rules have been exhausted. Immediate notice of suspension shall be given by the Interstate Commission to the governor, the chief justice or chief judicial officer of the state, the majority and minority leaders of the defaulting state's legislature, and the state council.

The grounds for default include, but are not limited to, failure of a compacting state to perform such obligations or responsibilities imposed upon it by this compact, Interstate Commission bylaws, or duly promulgated rules. The Interstate Commission shall immediately notify the defaulting state in writing of the penalty imposed by the Interstate Commission on the defaulting state pending a cure of the default. The Interstate Commission shall stipulate the conditions and the time period within which the defaulting state must cure its default. If the defaulting state fails to cure the default within the time period specified by the Interstate Commission, in addition to any other penalties imposed herein, the defaulting state may be terminated from the compact upon an affirmative vote of a majority of the compacting states and all rights, privileges, and benefits conferred by this compact shall be terminated from the effective date of suspension. Within 60 days of the effective date of termination of a defaulting state, the Interstate Commission shall notify the governor, the chief justice or chief judicial officer, the majority and minority leaders of the defaulting state's legislature, and the state council of such termination.

The defaulting state is responsible for all assessments, obligations, and liabilities incurred through the effective date of termination, including any obligations, the performance of which extends beyond the effective date of termination.

The Interstate Commission shall not bear any costs relating to the defaulting state unless otherwise mutually agreed upon between the Interstate Commission and the defaulting state. Reinstatement following termination of any compacting state requires both a reenactment of the compact by the defaulting state and the approval of the Interstate Commission pursuant to the rules.

Section C. Judicial enforcement.

The Interstate Commission may, by majority vote of the members, initiate legal action in the United States District Court for the District of Columbia or, at the discretion of the Interstate Commission, in the federal district where the Interstate Commission has its offices to enforce compliance with the provisions of the compact, or its duly promulgated rules and bylaws, against any compacting state in default. In the event judicial enforcement is necessary, the prevailing party shall be awarded all costs of such litigation, including reasonable attorney fees.

Section D. Dissolution of compact.

The compact dissolves effective upon the date of the withdrawal or default of the compacting state which reduces membership in the compact to one compacting state.

Upon the dissolution of this compact, the compact becomes null and void and shall be of no further force or effect, and the business and affairs of the Interstate Commission shall be wound up and any surplus funds shall be distributed in accordance with the bylaws.

ARTICLE XIII

SEVERABILITY AND CONSTRUCTION

The provisions of this compact shall be severable, and if any phrase, clause, sentence, or provision is deemed unenforceable, the remaining provisions of the compact shall be enforceable.

The provisions of this compact shall be liberally constructed to effectuate its purposes.

ARTICLE XIV

BINDING EFFECT OF COMPACT AND OTHER LAWS

Section A. **Other laws.**

Nothing herein prevents the enforcement of any other law of a compacting state that is not inconsistent with this compact.

All compacting states' laws conflicting with this compact are superseded to the extent of the conflict.

Section B. **Binding effect of the compact.**

All lawful actions of the Interstate Commission, including all rules and bylaws promulgated by the Interstate Commission, are binding upon the compacting states.

All agreements between the Interstate Commission and the compacting states are binding in accordance with their terms.

Upon the request of a party to a conflict over meaning or interpretation of Interstate Commission actions, and upon a majority vote of the compacting states, the Interstate Commission may issue advisory opinions regarding such meaning or interpretation.

In the event any provision of this compact exceeds the constitutional limits imposed on the legislature of any compacting state, the obligations, duties, powers, or jurisdiction sought to be conferred by such provision upon the Interstate Commission shall be ineffective and such obligations, duties, powers, or jurisdiction shall remain in the compacting state and shall be exercised by the agency thereof to which such obligations, duties, powers, or jurisdiction are delegated by law in effect at the time this compact becomes effective.

ARTICLE XV

ADMINISTRATION OF PAROLEE OR PROBATIONER

Section A. **Retaking of parolee or probationer.**

Where supervision of a parolee or probationer is being administered pursuant to the Interstate Compact for Adult Supervision, the appropriate judicial or administrative authorities in this state shall notify the compact administrator of the sending state whenever, in their view, consideration should be given to retaking or reincarceration for a parole or probation violation. When there is a risk to the offender or public safety, the appropriate officers of this state may take custody of and detain the parolee or probationer involved for a period not to exceed 12 business days prior to a probable cause hearing being held, if it appears to the hearing officer or officers that retaking or reincarceration is likely to follow, for such reasonable period after the hearing or waiver as may be necessary to arrange for the retaking or reincarceration.

Section B. **Hearing.**

Any hearing pursuant to this article may be before any person authorized pursuant to the laws of this state to hear cases of alleged parole or probation violations, except that no hearing officer shall be the person making the allegation of violation.

Section C. Parolee and probationer hearing rights.

With respect to any hearing pursuant to this article, the parolee or probationer:

(1) shall have reasonable notice in writing of the nature and content of the allegations to be made, including notice that its purpose is to determine whether there is probable cause to believe that the parolee or probationer has committed a violation that may lead to revocation of parole or probation;

(2) shall be permitted to advise with any person whose assistance the parolee or probationer reasonably desires, prior to the hearing;

(3) shall have the right to confront and examine any persons who have made allegations against the parolee or probationer, unless the hearing officer determines that such confrontation would present a substantial present or subsequent danger of harm to such person or persons; and

(4) may admit, deny, or explain the violation alleged and may present proof, including affidavits and other evidence, in support of the parolee's or probationer's contentions.

Section D. Record.

A record of the proceedings shall be made and preserved.

Section E. Hearing; appropriate judicial officer.

In any case of alleged parole or probation violation by a person being supervised in another state pursuant to the Interstate Compact for Adult Supervision, any appropriate judicial or administrative officer or agency in another state is authorized to hold a hearing on the alleged violation. Upon receipt of the record of a parole or probation violation hearing held in another state pursuant to a statute substantially similar to this article, such record shall have the same standing and effect as though the proceeding of which it is a record was had before the appropriate officer or officers in this state, and any recommendations contained in or accompanying the record shall be fully considered by the appropriate officer or officers of this state in making disposition of the matter.

(1) the person was charged with or petitioned for a felony violation or attempt to violate any of the offenses listed in paragraph (a), clause (1), or a similar law of another state or the United States, or the person was charged with or petitioned for a violation of any of the offenses listed in paragraph (a), clause (2), or a similar law of another state or the United States;

(2) the person was found not guilty by reason of mental illness or mental deficiency after a trial for that offense, or found guilty but mentally ill after a trial for that offense, in states with a guilty but mentally ill verdict; and

(3) the person was committed pursuant to a court commitment order under section 253B.18 or a similar law of another state or the United States.

Subd. 2. **Notice.** When a person who is required to register under subdivision 1b, paragraph (a), is sentenced or becomes subject to a juvenile court disposition order, the court shall tell the person of the duty to register under this section and that, if the person fails to comply with the registration requirements, information about the offender may be made available to the public through electronic, computerized, or other accessible means. The court may not modify the person's duty to register in the pronounced sentence or disposition order. The court shall require the person to read and sign a form stating that the duty of the person to register under this section has been explained. The court shall forward the signed sex offender registration form, the complaint, and sentencing documents to the bureau. If a person required to register under subdivision 1b, paragraph (a), was not notified by the court of the registration requirement at the time of sentencing or disposition, the assigned corrections agent shall notify the person of the requirements of this section. When a person who is required to register under subdivision 1b, paragraph (c) or (d), is released from commitment, the treatment facility shall notify the person of the requirements of this section. The treatment facility shall also obtain the registration information required under this section and forward it to the bureau.

Subd. 3. **Registration procedure.** (a) Except as provided in subdivision 3a, a person required to register under this section shall register with the corrections agent as soon as the agent is assigned to the person. If the person does not have an assigned corrections agent or is unable to locate the assigned corrections agent, the person shall register with the law enforcement authority that has jurisdiction in the area of the person's primary address.

(b) Except as provided in subdivision 3a, at least five days before the person starts living at a new primary address, including living in another state, the person shall give written notice of the new primary address to the assigned corrections agent or to the law enforcement authority with which the person currently is registered. If the person will be living in a new state and that state has a registration requirement, the person shall also give written notice of the new address to the designated registration agency in the new state. A person required to register under this section shall also give written notice to the assigned corrections agent or to the law enforcement authority that has jurisdiction in the area of the person's primary address that the person is no longer living or staying at an address, immediately after the person is no longer living or staying at that address. The written notice required by this paragraph must be provided in person. The corrections agent or law enforcement authority shall, within two business days after receipt of this information, forward it to the bureau. The bureau shall, if it has not already been done, notify the law enforcement authority having primary jurisdiction in the community where the person will live of the new address. If the person is leaving the state, the bureau shall notify the registration authority in the new state of the new address. The person's registration requirements under this section are suspended after the person begins living in the new state and the bureau has confirmed the address in the other state through the annual verification process on at

least one occasion. The person's registration requirements under this section are reactivated if the person resumes living in Minnesota and the registration time period described in subdivision 6 has not expired.

(c) A person required to register under subdivision 1b, paragraph (b), because the person is working or attending school in Minnesota shall register with the law enforcement authority that has jurisdiction in the area where the person works or attends school. In addition to other information required by this section, the person shall provide the address of the school or of the location where the person is employed. A person shall comply with this paragraph within five days of beginning employment or school. A person's obligation to register under this paragraph terminates when the person is no longer working or attending school in Minnesota.

(d) A person required to register under this section who works or attends school outside of Minnesota shall register as a predatory offender in the state where the person works or attends school. The person's corrections agent, or if the person does not have an assigned corrections agent, the law enforcement authority that has jurisdiction in the area of the person's primary address shall notify the person of this requirement.

Subd. 3a. Registration procedure when person lacks primary address. (a) If a person leaves a primary address and does not have a new primary address, the person shall register with the law enforcement authority that has jurisdiction in the area where the person is staying within 24 hours of the time the person no longer has a primary address.

(b) Notwithstanding the time period for registration in paragraphs (a) and (c), a person with a primary address of a correctional facility who is scheduled to be released from the facility and who does not have a new primary address shall register with the law enforcement authority that has jurisdiction in the area where the person will be staying at least three days before the person is released from the correctional facility.

(c) A person who lacks a primary address shall register with the law enforcement authority that has jurisdiction in the area where the person is staying within 24 hours after entering the jurisdiction. Each time a person who lacks a primary address moves to a new jurisdiction without acquiring a new primary address, the person shall register with the law enforcement authority that has jurisdiction in the area where the person is staying within 24 hours after entering the jurisdiction.

(d) Upon registering under this subdivision, the person shall provide the law enforcement authority with all of the information the individual is required to provide under subdivision 4a. However, instead of reporting the person's primary address, the person shall describe the location of where the person is staying with as much specificity as possible.

(e) Except as otherwise provided in paragraph (f), if a person continues to lack a primary address, the person shall report in person on a weekly basis to the law enforcement authority with jurisdiction in the area where the person is staying. This weekly report shall occur between the hours of 9:00 a.m. and 5:00 p.m. The person is not required to provide the registration information required under subdivision 4a each time the offender reports to an authority, but the person shall inform the authority of changes to any information provided under this subdivision or subdivision 4a and shall otherwise comply with this subdivision.

(f) If the law enforcement authority determines that it is impractical, due to the person's unique circumstances, to require a person lacking a primary address to report weekly and in person as required under paragraph (e), the authority may authorize the person to follow an alternative reporting procedure. The authority shall consult with the person's corrections agent, if the person has one, in establishing the specific criteria of this alternative procedure, subject to the following requirements:

(1) the authority shall document, in the person's registration record, the specific reasons why the weekly in-person reporting process is impractical for the person to follow;

(2) the authority shall explain how the alternative reporting procedure furthers the public safety objectives of this section;

(3) the authority shall require the person lacking a primary address to report in person at least monthly to the authority or the person's corrections agent and shall specify the location where the person shall report. If the authority determines it would be more practical and would further public safety for the person to report to another law enforcement authority with jurisdiction where the person is staying, it may, after consulting with the other law enforcement authority, include this requirement in the person's alternative reporting process;

(4) the authority shall require the person to comply with the weekly, in-person reporting process required under paragraph (e), if the person moves to a new area where this process would be practical;

(5) the authority shall require the person to report any changes to the registration information provided under subdivision 4a and to comply with the periodic registration requirements specified under paragraph (g); and

(6) the authority shall require the person to comply with the requirements of subdivision 3, paragraphs (b) and (c), if the person moves to a primary address.

(g) If a person continues to lack a primary address and continues to report to the same law enforcement authority, the person shall provide the authority with all of the information the individual is required to provide under this subdivision and subdivision 4a at least annually, unless the person is required to register under subdivision 1b, paragraph (c), following commitment pursuant to a court commitment under Minnesota Statutes 2012, section 253B.185, chapter 253D, Minnesota Statutes 1992, section 526.10, or a similar law of another state or the United States. If the person is required to register under subdivision 1b, paragraph (c), the person shall provide the law enforcement authority with all of the information the individual is required to report under this subdivision and subdivision 4a at least once every three months.

(h) A law enforcement authority receiving information under this subdivision shall forward registration information and changes to that information to the bureau within two business days of receipt of the information.

(i) For purposes of this subdivision, a person who fails to report a primary address will be deemed to be a person who lacks a primary address, and the person shall comply with the requirements for a person who lacks a primary address.

Subd. 4. Contents of registration. (a) The registration provided to the corrections agent or law enforcement authority, must consist of a statement in writing signed by the person, giving information required by the bureau, fingerprints, and photograph of the person taken at the time of the person's release from incarceration or, if the person was not incarcerated, at the time the person initially registered under this section. The registration information also must include a written consent form signed by the person allowing a treatment facility or residential housing unit or shelter to release information to a law enforcement officer about the person's admission to, or residence in, a treatment facility or residential housing unit or shelter. Registration information on adults and juveniles may be maintained together notwithstanding section 260B.171, subdivision 3.

(b) For persons required to register under subdivision 1b, paragraph (c), following commitment pursuant to a court commitment under Minnesota Statutes 2012, section 253B.185, chapter 253D, Minnesota Statutes

1992, section 526.10, or a similar law of another state or the United States, in addition to other information required by this section, the registration provided to the corrections agent or law enforcement authority must include the person's offense history and documentation of treatment received during the person's commitment. This documentation is limited to a statement of how far the person progressed in treatment during commitment.

(c) Within three days of receipt, the corrections agent or law enforcement authority shall forward the registration information to the bureau. The bureau shall ascertain whether the person has registered with the law enforcement authority in the area of the person's primary address, if any, or if the person lacks a primary address, where the person is staying, as required by subdivision 3a. If the person has not registered with the law enforcement authority, the bureau shall send one copy to that authority.

(d) The corrections agent or law enforcement authority may require that a person required to register under this section appear before the agent or authority to be photographed. The agent or authority shall forward the photograph to the bureau.

(1) Except as provided in clause (2), the agent or authority may photograph any offender at a time and frequency chosen by the agent or authority.

(2) The requirements of this paragraph shall not apply during any period where the person to be photographed is: (i) committed to the commissioner of corrections and incarcerated, (ii) incarcerated in a regional jail or county jail, or (iii) committed to the commissioner of human services and receiving treatment in a secure treatment facility.

(e) During the period a person is required to register under this section, the following provisions apply:

(1) Except for persons registering under subdivision 3a, the bureau shall mail a verification form to the person's last reported primary address. This verification form must provide notice to the offender that, if the offender does not return the verification form as required, information about the offender may be made available to the public through electronic, computerized, or other accessible means. For persons who are registered under subdivision 3a, the bureau shall mail an annual verification form to the law enforcement authority where the offender most recently reported. The authority shall provide the verification form to the person at the next weekly meeting and ensure that the person completes and signs the form and returns it to the bureau. Notice is sufficient under this paragraph, if the verification form is sent by first class mail to the person's last reported primary address, or for persons registered under subdivision 3a, to the law enforcement authority where the offender most recently reported.

(2) The person shall mail the signed verification form back to the bureau within ten days after receipt of the form, stating on the form the current and last address of the person's residence and the other information required under subdivision 4a.

(3) In addition to the requirements listed in this section, an offender who is no longer under correctional supervision for a registration offense, or a failure to register offense, but who resides, works, or attends school in Minnesota, shall have an in-person contact with a law enforcement authority as provided in this section. If the person resides in Minnesota, the in-person contact shall be with the law enforcement authority that has jurisdiction over the person's primary address or, if the person has no address, the location where the person is staying. If the person does not reside in Minnesota but works or attends school in this state, the person shall have an in-person contact with the law enforcement authority or authorities with jurisdiction over the person's school or workplace. During the month of the person's birth date, the person shall report to the authority to verify the accuracy of the registration information and to be photographed. Within three days of this contact, the authority shall enter information as required by the bureau into the predatory offender

registration database and submit an updated photograph of the person to the bureau's predatory offender registration unit.

(4) If the person fails to mail the completed and signed verification form to the bureau within ten days after receipt of the form, or if the person fails to report to the law enforcement authority during the month of the person's birth date, the person is in violation of this section.

(5) For any person who fails to mail the completed and signed verification form to the bureau within ten days after receipt of the form and who has been determined to be a risk level III offender under section 244.052, the bureau shall immediately investigate and notify local law enforcement authorities to investigate the person's location and to ensure compliance with this section. The bureau also shall immediately give notice of the person's violation of this section to the law enforcement authority having jurisdiction over the person's last registered address or addresses.

For persons required to register under subdivision 1b, paragraph (c), following commitment pursuant to a court commitment under Minnesota Statutes 2012, section 253B.185, chapter 253D, Minnesota Statutes 1992, section 526.10, or a similar law of another state or the United States, the bureau shall comply with clause (1) at least four times each year. For persons who, under section 244.052, are assigned to risk level III and who are no longer under correctional supervision for a registration offense or a failure to register offense, the bureau shall comply with clause (1) at least two times each year. For all other persons required to register under this section, the bureau shall comply with clause (1) each year within 30 days of the anniversary date of the person's initial registration.

(f) When sending out a verification form, the bureau shall determine whether the person to whom the verification form is being sent has signed a written consent form as provided for in paragraph (a). If the person has not signed such a consent form, the bureau shall send a written consent form to the person along with the verification form. A person who receives this written consent form shall sign and return it to the bureau at the same time as the verification form.

Subd. 4a. **Information required to be provided.** (a) A person required to register under this section shall provide to the corrections agent or law enforcement authority the following information:

- (1) the person's primary address;
- (2) all of the person's secondary addresses in Minnesota, including all addresses used for residential or recreational purposes;
- (3) the addresses of all Minnesota property owned, leased, or rented by the person;
- (4) the addresses of all locations where the person is employed;
- (5) the addresses of all schools where the person is enrolled; and
- (6) the year, model, make, license plate number, and color of all motor vehicles owned or regularly driven by the person.

(b) The person shall report to the agent or authority the information required to be provided under paragraph (a), clauses (2) to (6), within five days of the date the clause becomes applicable. If because of a change in circumstances any information reported under paragraph (a), clauses (1) to (6), no longer applies, the person shall immediately inform the agent or authority that the information is no longer valid. If the person leaves a primary address and does not have a new primary address, the person shall register as provided in subdivision 3a.

Subd. 4b. **Health care facility; notice of status.** (a) For the purposes of this subdivision, "health care facility" means a facility:

(1) licensed by the commissioner of health as a hospital, boarding care home or supervised living facility under sections 144.50 to 144.58, or a nursing home under chapter 144A;

(2) registered by the commissioner of health as a housing with services establishment as defined in section 144D.01; or

(3) licensed by the commissioner of human services as a residential facility under chapter 245A to provide adult foster care, adult mental health treatment, chemical dependency treatment to adults, or residential services to persons with disabilities.

(b) Prior to admission to a health care facility, a person required to register under this section shall disclose to:

(1) the health care facility employee processing the admission the person's status as a registered predatory offender under this section; and

(2) the person's corrections agent, or if the person does not have an assigned corrections agent, the law enforcement authority with whom the person is currently required to register, that inpatient admission will occur.

(c) A law enforcement authority or corrections agent who receives notice under paragraph (b) or who knows that a person required to register under this section is planning to be admitted and receive, or has been admitted and is receiving health care at a health care facility shall notify the administrator of the facility and deliver a fact sheet to the administrator containing the following information: (1) name and physical description of the offender; (2) the offender's conviction history, including the dates of conviction; (3) the risk level classification assigned to the offender under section 244.052, if any; and (4) the profile of likely victims.

(d) Except for a hospital licensed under sections 144.50 to 144.58, if a health care facility receives a fact sheet under paragraph (c) that includes a risk level classification for the offender, and if the facility admits the offender, the facility shall distribute the fact sheet to all residents at the facility. If the facility determines that distribution to a resident is not appropriate given the resident's medical, emotional, or mental status, the facility shall distribute the fact sheet to the patient's next of kin or emergency contact.

Subd. 4c. **Notices in writing; signed.** All notices required by this section must be in writing and signed by the person required to register.

Subd. 5. **Criminal penalty.** (a) A person required to register under this section who knowingly violates any of its provisions or intentionally provides false information to a corrections agent, law enforcement authority, or the bureau is guilty of a felony and may be sentenced to imprisonment for not more than five years or to payment of a fine of not more than \$10,000, or both.

(b) Except as provided in paragraph (c), a person convicted of violating paragraph (a) shall be committed to the custody of the commissioner of corrections for not less than a year and a day, nor more than five years.

(c) A person convicted of violating paragraph (a), who has previously been convicted of or adjudicated delinquent for violating this section or a similar statute of another state or the United States, shall be committed to the custody of the commissioner of corrections for not less than two years, nor more than five years.

(d) Prior to the time of sentencing, the prosecutor may file a motion to have the person sentenced without regard to the mandatory minimum sentence established by this subdivision. The motion must be accompanied by a statement on the record of the reasons for it. When presented with the motion, or on its own motion, the court may sentence the person without regard to the mandatory minimum sentence if the court finds substantial and compelling reasons to do so. Sentencing a person in the manner described in this paragraph is a departure from the Sentencing Guidelines.

(e) A person convicted and sentenced as required by this subdivision is not eligible for probation, parole, discharge, work release, conditional release, or supervised release, until that person has served the full term of imprisonment as provided by law, notwithstanding the provisions of sections 241.26, 242.19, 243.05, 244.04, 609.12, and 609.135.

Subd. 5a. Ten-year conditional release for violations committed by level III offenders. Notwithstanding the statutory maximum sentence otherwise applicable to the offense or any provision of the sentencing guidelines, when a court commits a person to the custody of the commissioner of corrections for violating subdivision 5 and, at the time of the violation, the person was assigned to risk level III under section 244.052, the court shall provide that after the person has been released from prison, the commissioner shall place the person on conditional release for ten years. The terms of conditional release are governed by section 609.3455, subdivision 8.

Subd. 6. Registration period. (a) Notwithstanding the provisions of section 609.165, subdivision 1, and except as provided in paragraphs (b), (c), and (d), a person required to register under this section shall continue to comply with this section until ten years have elapsed since the person initially registered in connection with the offense, or until the probation, supervised release, or conditional release period expires, whichever occurs later. For a person required to register under this section who is committed under section 253B.18, Minnesota Statutes 2012, section 253B.185, or chapter 253D, the ten-year registration period does not include the period of commitment.

(b) If a person required to register under this section fails to provide the person's primary address as required by subdivision 3, paragraph (b), fails to comply with the requirements of subdivision 3a, fails to provide information as required by subdivision 4a, or fails to return the verification form referenced in subdivision 4 within ten days, the commissioner of public safety shall require the person to continue to register for an additional period of five years. This five-year period is added to the end of the offender's registration period.

(c) If a person required to register under this section is incarcerated due to a conviction for a new offense or following a revocation of probation, supervised release, or conditional release for any offense, the person shall continue to register until ten years have elapsed since the person was last released from incarceration or until the person's probation, supervised release, or conditional release period expires, whichever occurs later.

(d) A person shall continue to comply with this section for the life of that person:

(1) if the person is convicted of or adjudicated delinquent for any offense for which registration is required under subdivision 1b, or any offense from another state or any federal offense similar to the offenses described in subdivision 1b, and the person has a prior conviction or adjudication for an offense for which registration was or would have been required under subdivision 1b, or an offense from another state or a federal offense similar to an offense described in subdivision 1b;

(2) if the person is required to register based upon a conviction or delinquency adjudication for an offense under section 609.185, paragraph (a), clause (2), or a similar statute from another state or the United States;

(3) if the person is required to register based upon a conviction for an offense under section 609.342, subdivision 1, paragraph (a), (c), (d), (e), (f), or (h); 609.343, subdivision 1, paragraph (a), (c), (d), (e), (f), or (h); 609.344, subdivision 1, paragraph (a), (c), or (g); or 609.345, subdivision 1, paragraph (a), (c), or (g); or a statute from another state or the United States similar to the offenses described in this clause; or

(4) if the person is required to register under subdivision 1b, paragraph (c), following commitment pursuant to a court commitment under Minnesota Statutes 2012, section 253B.185, chapter 253D, Minnesota Statutes 1992, section 526.10, or a similar law of another state or the United States.

(e) A person described in subdivision 1b, paragraph (b), who is required to register under the laws of a state in which the person has been previously convicted or adjudicated delinquent, shall register under this section for the time period required by the state of conviction or adjudication unless a longer time period is required elsewhere in this section.

Subd. 7. Use of data. (a) Except as otherwise provided in subdivision 7a or sections 244.052 and 299C.093, the data provided under this section is private data on individuals under section 13.02, subdivision 12.

(b) The data may be used only by law enforcement and corrections agencies for law enforcement and corrections purposes. Law enforcement may disclose the status of an individual as a predatory offender to a child protection worker with a local welfare agency for purposes of doing a family assessment under section 626.556.

(c) The commissioner of human services is authorized to have access to the data for:

(1) state-operated services, as defined in section 246.014, for the purposes described in section 246.13, subdivision 2, paragraph (b); and

(2) purposes of completing background studies under chapter 245C.

Subd. 7a. Availability of information on offenders who are out of compliance with registration law. (a) The bureau may make information available to the public about offenders who are 16 years of age or older and who are out of compliance with this section for 30 days or longer for failure to provide the offenders' primary or secondary addresses. This information may be made available to the public through electronic, computerized, or other accessible means. The amount and type of information made available is limited to the information necessary for the public to assist law enforcement in locating the offender.

(b) An offender who comes into compliance with this section after the bureau discloses information about the offender to the public may send a written request to the bureau requesting the bureau to treat information about the offender as private data, consistent with subdivision 7. The bureau shall review the request and promptly take reasonable action to treat the data as private, if the offender has complied with the requirement that the offender provide the offender's primary and secondary addresses, or promptly notify the offender that the information will continue to be treated as public information and the reasons for the bureau's decision.

(c) If an offender believes the information made public about the offender is inaccurate or incomplete, the offender may challenge the data under section 13.04, subdivision 4.

(d) The bureau is immune from any civil or criminal liability that might otherwise arise, based on the accuracy or completeness of any information made public under this subdivision, if the bureau acts in good faith.

Subd. 8. [Repealed, 2005 c 136 art 3 s 31]

Subd. 9. **Offenders from other states.** (a) When the state accepts an offender from another state under a reciprocal agreement under the interstate compact authorized by section 243.1605, or under any authorized interstate agreement, the acceptance is conditional on the offender agreeing to register under this section when the offender is living in Minnesota.

(b) The Bureau of Criminal Apprehension shall notify the commissioner of corrections:

(1) when the bureau receives notice from a local law enforcement authority that a person from another state who is subject to this section has registered with the authority, unless the bureau previously received information about the offender from the commissioner of corrections;

(2) when a registration authority, corrections agent, or law enforcement agency in another state notifies the bureau that a person from another state who is subject to this section is moving to Minnesota; and

(3) when the bureau learns that a person from another state is in Minnesota and allegedly in violation of subdivision 5 for failure to register.

(c) When a local law enforcement agency notifies the bureau of an out-of-state offender's registration, the agency shall provide the bureau with information on whether the person is subject to community notification in another state and the risk level the person was assigned, if any.

(d) The bureau must forward all information it receives regarding offenders covered under this subdivision from sources other than the commissioner of corrections to the commissioner.

(e) When the bureau receives information directly from a registration authority, corrections agent, or law enforcement agency in another state that a person who may be subject to this section is moving to Minnesota, the bureau must ask whether the person entering the state is subject to community notification in another state and the risk level the person has been assigned, if any.

(f) When the bureau learns that a person subject to this section intends to move into Minnesota from another state or has moved into Minnesota from another state, the bureau shall notify the law enforcement authority with jurisdiction in the area of the person's primary address and provide all information concerning the person that is available to the bureau.

(g) The commissioner of corrections must determine the parole, supervised release, or conditional release status of persons who are referred to the commissioner under this subdivision. If the commissioner determines that a person is subject to parole, supervised release, or conditional release in another state and is not registered in Minnesota under the applicable interstate compact, the commissioner shall inform the local law enforcement agency that the person is in violation of section 243.161. If the person is not subject to supervised release, the commissioner shall notify the bureau and the local law enforcement agency of the person's status.

Subd. 10. [Repealed, 1Sp2001 c 8 art 9 s 8]

Subd. 10. **Venue; aggregation.** (a) A violation of this section may be prosecuted in any jurisdiction where an offense takes place. However, the prosecutorial agency in the jurisdiction where the person last registered a primary address is initially responsible to review the case for prosecution.

(b) When a person commits two or more offenses in two or more counties, the accused may be prosecuted for all of the offenses in any county in which one of the offenses was committed.

Subd. 11. **Certified copies as evidence.** Certified copies of predatory offender registration records are admissible as substantive evidence when necessary to prove the commission of a violation of this section.
