256M.10 DEFINITIONS.

Subdivision 1. **Scope.** For the purposes of sections 256M.01 to 256M.80, the terms defined in this section have the meanings given them.

Subd. 2. **Vulnerable children and adults services.** (a) "Vulnerable children and adults services" means services provided or arranged for by county boards for vulnerable children under chapter 260C, and sections 626.556 and 626.5561, and adults under section 626.557 who experience dependency, abuse, or neglect, as well as services for family members to support those individuals. These services may be provided by professionals or nonprofessionals, including the person's natural supports in the community. For the purpose of this chapter, "vulnerable children" means children and adolescents.

(b) Vulnerable children and adults services do not include services under the public assistance programs known as the Minnesota family investment program, Minnesota supplemental aid, medical assistance, general assistance, MinnesotaCare, or community health services.

Subd. 3. **Commissioner.** "Commissioner" means the commissioner of human services.

Subd. 4. **County board.** "County board" means the board of county commissioners in each county.

Subd. 5. [Repealed, 1Sp2011 c 9 art 1 s 35]

Subd. 6. **Human Services Board.** "Human Services Board" means a board established under section 402.02; Laws 1974, chapter 293; or Laws 1976, chapter 340.

History: *1Sp2003 c 14 art 11 s 2,11; 2005 c 10 art 1 s 58; 1Sp2011 c 9 art 1 s 21; 2016 c 158 art 2 s 111*

256M.20 DUTIES OF COMMISSIONER OF HUMAN SERVICES.

Subdivision 1. **General supervision.** Each year the commissioner shall allocate funds to each county with an approved service plan according to section 256M.40 and service plans under section 256M.30. The

funds shall be used to address the needs of vulnerable children and adults. The commissioner, in consultation with counties, shall provide technical assistance and evaluate county performance in achieving outcomes.

Subd. 2. **Additional duties.** The commissioner shall:

(1) provide necessary information and assistance to each county for establishing baselines and desired improvements on safety, permanency, and well-being for vulnerable children and adults;

(2) provide training, technical assistance, and other supports to each county board to assist in needs assessment, planning, implementation, and monitoring of outcomes and service quality;

(3) use data collection, evaluation of service outcomes, and the review and approval of county service plans to supervise county performance in the delivery of services;

(4) specify requirements for reports, including fiscal reports to account for funds distributed;

(5) request waivers from federal programs as necessary to implement this section; and

(6) have authority under sections 14.055 and 14.056 to grant a variance to existing state rules as needed to eliminate barriers to achieving desired outcomes.

Subd. 3. **Sanctions.** The commissioner shall establish and maintain a monitoring program designed to reduce the possibility of noncompliance with federal laws, regulations, and performance standards that may result in federal fiscal sanctions. If a county is not complying with federal law or federal regulation and the noncompliance may result in federal fiscal sanctions, the commissioner may withhold a portion of the county's share of state and federal funds for that program. The amount withheld must be equal to the percentage difference between the level of compliance maintained by the county and the level of compliance required by the federal regulations, multiplied by the county's share of state and federal funds for the program. The state and federal funds may be withheld until the county is found to be in compliance with all federal laws or federal regulations applicable to the program. If a county remains out of compliance for more than six consecutive months, the commissioner may reallocate the withheld funds to counties that are in compliance with the federal regulations.

Subd. 4. **Corrective action procedure.** The commissioner must comply with the following procedures when reducing county funds under subdivision 3.

(a) The commissioner shall notify the county, by certified mail, of the statute, rule, federal law, or federal regulation with which the county has not complied.

(b) The commissioner shall give the county 30 days to demonstrate to the commissioner that the county is in compliance with the statute, rule, federal law, or federal regulation cited in the notice or to develop a corrective action plan to address the problem. Upon request from the county, the commissioner shall provide technical assistance to the county in developing a corrective action plan. The county shall have 30 days from the date the technical assistance is provided to develop the corrective action plan.

(c) The commissioner shall take no further action if the county demonstrates compliance with the statute, rule, federal law, or federal regulation cited in the notice.

(d) The commissioner shall review and approve or disapprove the corrective action plan within 30 days after the commissioner receives the corrective action plan.

(e) If the commissioner approves the corrective action plan submitted by the county, the county has 90 days after the date of approval to implement the corrective action plan.

(f) If the county fails to demonstrate compliance or fails to implement the corrective action plan approved by the commissioner, the commissioner may reduce the county's share of state or federal funds according to subdivision 3.

256M.30 SERVICE PLAN.

Subdivision 1. **Service plan submitted to commissioner.** Effective January 1, 2012, each county must have a service plan approved by the commissioner in order to receive funds. Counties may submit multicounty or regional service plans. Plans must be updated as needed to reflect current county policy and procedures regarding requirements and use of funds under this chapter.

Subd. 2. **Contents.** The service plan shall be completed in a form prescribed by the commissioner. The plan must include:

(1) a statement of the needs of the vulnerable children and adults who experience the conditions defined in section 256M.10, subdivision 2, paragraph (a), and strengths and resources available in the community to address those needs;

(2) strategies the county will pursue to achieve the performance targets. Strategies must include specification of how funds under this section and other community resources will be used to achieve desired performance targets;

(3) a description of the county's process to solicit public input and a summary of that input;

(4) performance targets on statewide indicators for each county to measure outcomes of vulnerable children and adult's safety, permanency, and well-being. The commissioner shall consult with counties and other stakeholders to develop these indicators and collect baseline data to inform the establishment of individual county performance targets for the 2012-2013 biennium and subsequent years; and

(5) a budget for services to be provided with funds under this section.

Subd. 3. [Repealed by amendment, 1Sp2011 c 9 art 1 s 25]

Subd. 4. **Information.** The commissioner shall provide each county with information and technical assistance needed to complete the service plan, including: information on child and adult safety, permanency, and well-being in the county; comparisons with other counties; baseline performance on outcome measures; and promising program practices.

Subd. 5. **Timelines.** The service plan must be submitted to the commissioner by October 15, 2011.

Subd. 6. **Public comment.** The county board must determine how citizens in the county will participate in the development of the service plan and provide opportunities for such participation. The county must allow a period of no less than 30 days prior to the submission of the plan to the commissioner to solicit comments from the public on the contents of the plan.

Subd. 7. **Commissioner's responsibilities.** The commissioner must inform the county if the service plan has been approved. If the service plan is not approved, the commissioner must inform the county of any revisions needed for approval.

256M.40 GRANT ALLOCATION.

Subdivision 1. **Formula.** The commissioner shall allocate state funds appropriated under this chapter to each county board on a calendar year basis in an amount determined according to the formula in paragraphs (a) to (e).

(a) For calendar years 2011 and 2012, the commissioner shall allocate available funds to each county in proportion to that county's share in calendar year 2010.

(b) For calendar year 2013 and each calendar year thereafter, the commissioner shall allocate available funds to each county as follows:

(1) 75 percent must be distributed on the basis of the county share in calendar year 2012;

(2) five percent must be distributed on the basis of the number of persons residing in the county as determined by the most recent data of the state demographer;

(3) ten percent must be distributed on the basis of the number of vulnerable children that are subjects of reports under chapter 260C and sections 626.556 and 626.5561, and in the county as determined by the most recent data of the commissioner; and

(4) ten percent must be distributed on the basis of the number of vulnerable adults that are subjects of reports under section 626.557 in the county as determined by the most recent data of the commissioner.

(c) The commissioner is precluded from changing the formula under this subdivision or recommending a change to the legislature without public review and input.

Subd. 2. [Repealed, 1Sp2005 c 4 art 3 s 20]

Subd. 3. **Payments.** Calendar year allocations under subdivision 1 shall be paid to counties on or before July 10 of each year.

256M.41 CHILD PROTECTION GRANT ALLOCATION.

Subdivision 1. **Formula for county staffing funds.** (a) The commissioner shall allocate state funds appropriated under this section to each county board on a calendar year basis in an amount determined according to the following formula:

(1) 50 percent must be distributed on the basis of the child population residing in the county as determined by the most recent data of the state demographer;

(2) 25 percent must be distributed on the basis of the number of screened-in reports of child maltreatment under sections 626.556 and 626.5561, and in the county as determined by the most recent data of the commissioner; and

(3) 25 percent must be distributed on the basis of the number of open child protection case management cases in the county as determined by the most recent data of the commissioner.

(b) Notwithstanding this subdivision, no county shall be awarded an allocation of less than \$75,000.

Subd. 2. **Prohibition on supplanting existing funds.** Funds received under this section must be used to address staffing for child protection or expand child protection services. Funds must not be used to supplant current county expenditures for these purposes.

Subd. 3. **Payments based on performance.** (a) The commissioner shall make payments under this section to each county board on a calendar year basis in an amount determined under paragraph (b).

(b) Calendar year allocations under subdivision 1 shall be paid to counties in the following manner:

(1) 80 percent of the allocation as determined in subdivision 1 must be paid to counties on or before July 10 of each year;

(2) ten percent of the allocation shall be withheld until the commissioner determines if the county has met the performance outcome threshold of 90 percent based on face-to-face contact with alleged child victims. In order to receive the performance allocation, the county child protection workers must have a timely face-to-face contact with at least 90 percent of all alleged child victims of screened-in maltreatment reports. The standard requires that each initial face-to-face contact occur consistent with timelines defined in section 626.556, subdivision 10, paragraph (i). The commissioner shall make threshold determinations in January of each year and payments to counties meeting the performance outcome threshold shall occur in February of each year. Any withheld funds from this appropriation for counties that do not meet this requirement shall be reallocated by the commissioner to those counties meeting the requirement; and

(3) ten percent of the allocation shall be withheld until the commissioner determines that the county has met the performance outcome threshold of 90 percent based on face-to-face visits by the case manager. In order to receive the performance allocation, the total number of visits made by caseworkers on a monthly basis to children in foster care and children receiving child protection services while residing in their home must be at least 90 percent of the total number of such visits that would occur if every child were visited once per month. The commissioner shall make such determinations in January of each year and payments to counties meeting the performance outcome threshold shall occur in February of each year. Any withheld funds from this appropriation for counties that do not meet this requirement shall be reallocated by the commissioner to those counties meeting the requirement. For 2015, the commissioner shall only apply the standard for monthly foster care visits.

(c) The commissioner shall work with stakeholders and the Human Services Performance Council under section 402A.16 to develop recommendations for specific outcome measures that counties should meet in order to receive funds withheld under paragraph (b), and include in those recommendations a determination as to whether the performance measures under paragraph (b) should be modified or phased out. The commissioner shall report the recommendations to the legislative committees having jurisdiction over child protection issues by January 1, 2018.
