(1) Sample, inspect, make analysis of, and test weed-seed infested agricultural seeds and grains, or screenings, transported, sold, or offered, or exposed for sale within this state for any purpose, at such time and place, and to such extent as the commissioner may deem necessary to determine whether such weed-seed infested agricultural seeds and grain, or screenings, is in compliance with the provisions of sections 21.71 to 21.78, and to notify promptly the person who transported, sold, offered, or exposed the weed-seed infested agricultural seeds and grains, or screenings, for sale of any violation;
