GENERAL PROVISIONS

260.01 [Repealed, 1959 c 685 s 53]

260.011 TITLE, INTENT, AND CONSTRUCTION.

Subdivision 1. **Citation.** Sections 260.011 to 260.92 may be cited as general provisions of the Juvenile Court Act.

Subd. 2. [Repealed, 1999 c 139 art 4 s 3]

History: 1959 c 685 s 1; 1980 c 580 s 3; 1985 c 286 s 1; 1986 c 444; 1988 c 514 s 3; 1988 c 673 s 2; 1990 c 542 s 10; 1998 c 406 art 1 s 23,37; 1998 c 407 art 9 s 22; 1999 c 139 art 1 s 1; 2019 c 50 art 1 s 84

260.012 DUTY TO ENSURE PLACEMENT PREVENTION AND FAMILY REUNIFICATION; REASONABLE EFFORTS.

(a) Once a child alleged to be in need of protection or services is under the court's jurisdiction, the court shall ensure that reasonable efforts, including culturally appropriate services, by the social services agency are made to prevent placement or to eliminate the need for removal and to reunite the child with the child's family at the earliest possible time, and the court must ensure that the responsible social services agency makes reasonable efforts to finalize an alternative permanent plan for the child as provided in paragraph (e). In determining reasonable efforts to be made with respect to a child and in making those reasonable efforts, the child's best interests, health, and safety must be of paramount concern. Reasonable efforts to prevent placement and for rehabilitation and reunification are always required except upon a determination by the court that a petition has been filed stating a prima facie case that:

(1) the parent has subjected a child to egregious harm as defined in section 260C.007, subdivision 14;

(2) the parental rights of the parent to another child have been terminated involuntarily;

(3) the child is an abandoned infant under section 260C.301, subdivision 2, paragraph (a), clause (2);

(4) the parent's custodial rights to another child have been involuntarily transferred to a relative under Minnesota Statutes 2010, section 260C.201, subdivision 11, paragraph (d), clause (1), section 260C.515, subdivision 4, or a similar law of another jurisdiction;

(5) the parent has committed sexual abuse as defined in section 626.556, subdivision 2, against the child or another child of the parent;

(6) the parent has committed an offense that requires registration as a predatory offender under section 243.166, subdivision 1b, paragraph (a) or (b); or

(7) the provision of services or further services for the purpose of reunification is futile and therefore unreasonable under the circumstances.

(b) When the court makes one of the prima facie determinations under paragraph (a), either permanency pleadings under section 260C.505, or a termination of parental rights petition under sections 260C.141 and 260C.301 must be filed. A permanency hearing under sections 260C.503 to 260C.521 must be held within 30 days of this determination.

(c) In the case of an Indian child, in proceedings under sections 260B.178, 260C.178, 260C.201, 260C.202, 260C.204, 260C.301, or 260C.503 to 260C.521, the juvenile court must make findings and conclusions consistent with the Indian Child Welfare Act of 1978, United States Code, title 25, section 1901 et seq., as to the provision of active efforts. In cases governed by the Indian Child Welfare Act of 1978, United States Code, title 25, section 1901, the responsible social services agency must provide active efforts as required under United States Code, title 25, section 1911(d).

(d) "Reasonable efforts to prevent placement" means:

(1) the agency has made reasonable efforts to prevent the placement of the child in foster care by working with the family to develop and implement a safety plan; or

(2) given the particular circumstances of the child and family at the time of the child's removal, there are no services or efforts available which could allow the child to safely remain in the home.

(e) "Reasonable efforts to finalize a permanent plan for the child" means due diligence by the responsible social services agency to:

(1) reunify the child with the parent or guardian from whom the child was removed;

(2) assess a noncustodial parent's ability to provide day-to-day care for the child and, where appropriate, provide services necessary to enable the noncustodial parent to safely provide the care, as required by section 260C.219;

(3) conduct a relative search to identify and provide notice to adult relatives as required under section 260C.221;

(4) place siblings removed from their home in the same home for foster care or adoption, or transfer permanent legal and physical custody to a relative. Visitation between siblings who are not in the same foster care, adoption, or custodial placement or facility shall be consistent with section 260C.212, subdivision 2; and

(5) when the child cannot return to the parent or guardian from whom the child was removed, to plan for and finalize a safe and legally permanent alternative home for the child, and considers permanent alternative homes for the child inside or outside of the state, preferably through adoption or transfer of permanent legal and physical custody of the child.

(f) Reasonable efforts are made upon the exercise of due diligence by the responsible social services agency to use culturally appropriate and available services to meet the needs of the child and the child's family. Services may include those provided by the responsible social services agency and other culturally appropriate services available in the community. At each stage of the proceedings where the court is required to review the appropriateness of the responsible social services agency's reasonable efforts as described in paragraphs (a), (d), and (e), the social services agency has the burden of demonstrating that:

(1) it has made reasonable efforts to prevent placement of the child in foster care;

(2) it has made reasonable efforts to eliminate the need for removal of the child from the child's home and to reunify the child with the child's family at the earliest possible time;

(3) it has made reasonable efforts to finalize an alternative permanent home for the child, and considers permanent alternative homes for the child inside or outside of the state; or

(4) reasonable efforts to prevent placement and to reunify the child with the parent or guardian are not required. The agency may meet this burden by stating facts in a sworn petition filed under section 260C.141, by filing an affidavit summarizing the agency's reasonable efforts or facts the agency believes demonstrate there is no need for reasonable efforts to reunify the parent and child, or through testimony or a certified report required under juvenile court rules.

(g) Once the court determines that reasonable efforts for reunification are not required because the court has made one of the prima facie determinations under paragraph (a), the court may only require reasonable efforts for reunification after a hearing according to section 260C.163, where the court finds there is not clear and convincing evidence of the facts upon which the court based its prima facie determination. In this case when there is clear and convincing evidence that the child is in need of protection or services, the court may find the child in need of protection or services and order any of the dispositions available under section 260C.201, subdivision 1. Reunification of a child with a parent is not required if the parent has been convicted of:

(1) a violation of, or an attempt or conspiracy to commit a violation of, sections 609.185 to 609.20; 609.222, subdivision 2; or 609.223 in regard to another child of the parent;

(2) a violation of section 609.222, subdivision 2; or 609.223, in regard to the child;

(3) a violation of, or an attempt or conspiracy to commit a violation of, United States Code, title 18, section 1111(a) or 1112(a), in regard to another child of the parent;

(4) committing sexual abuse as defined in section 626.556, subdivision 2, against the child or another child of the parent; or

(5) an offense that requires registration as a predatory offender under section 243.166, subdivision 1b, paragraph (a) or (b).

(h) The juvenile court, in proceedings under sections 260B.178, 260C.178, 260C.201, 260C.202, 260C.204, 260C.301, or 260C.503 to 260C.521, shall make findings and conclusions as to the provision of reasonable efforts. When determining whether reasonable efforts have been made, the court shall consider whether services to the child and family were:

(1) relevant to the safety and protection of the child;

(2) adequate to meet the needs of the child and family;

(3) culturally appropriate;

(4) available and accessible;

(5) consistent and timely; and

(6) realistic under the circumstances.

In the alternative, the court may determine that provision of services or further services for the purpose of rehabilitation is futile and therefore unreasonable under the circumstances or that reasonable efforts are not required as provided in paragraph (a).

(i) This section does not prevent out-of-home placement for treatment of a child with a mental disability when it is determined to be medically necessary as a result of the child's diagnostic assessment or individual treatment plan indicates that appropriate and necessary treatment cannot be effectively provided outside of a residential or inpatient treatment program and the level or intensity of supervision and treatment cannot be effectively and safely provided in the child's home or community and it is determined that a residential treatment setting is the least restrictive setting that is appropriate to the needs of the child.

(j) If continuation of reasonable efforts to prevent placement or reunify the child with the parent or guardian from whom the child was removed is determined by the court to be inconsistent with the permanent plan for the child or upon the court making one of the prima facie determinations under paragraph (a), reasonable efforts must be made to place the child in a timely manner in a safe and permanent home and to complete whatever steps are necessary to legally finalize the permanent placement of the child.

(k) Reasonable efforts to place a child for adoption or in another permanent placement may be made concurrently with reasonable efforts to prevent placement or to reunify the child with the parent or guardian from whom the child was removed. When the responsible social services agency decides to concurrently make reasonable efforts for both reunification and permanent placement away from the parent under paragraph (a), the agency shall disclose its decision and both plans for concurrent reasonable efforts to all parties and

the court. When the agency discloses its decision to proceed on both plans for reunification and permanent placement away from the parent, the court's review of the agency's reasonable efforts shall include the agency's efforts under both plans.

INTERSTATE COMPACT FOR JUVENILES

260.51 [Repealed, 2015 c 35 s 1]

260.515 INTERSTATE COMPACT FOR JUVENILES.

The Interstate Compact for Juveniles is enacted into law and entered into with all other states legally joining in it in substantially the following form:

ARTICLE I

PURPOSE

The compacting states to this Interstate Compact recognize that each state is responsible for the proper supervision or return of juveniles, delinquents, and status offenders who are on probation or parole and who have absconded, escaped, or run away from supervision and control and in so doing have endangered their own safety and the safety of others. The compacting states also recognize that each state is responsible for the safe return of juveniles who have run away from home and in doing so have left their state of residence. The compacting states also recognize that Congress, by enacting the Crime Control Act, United States Code, title 4, section 112 (1965), has authorized and encouraged compacts for cooperative efforts and mutual assistance in the prevention of crime.

It is the purpose of this compact, through means of joint and cooperative action among the compacting states to:

(A) ensure that the adjudicated juveniles and status offenders subject to this compact are provided adequate supervision and services in the receiving state as ordered by the adjudicating judge or parole authority in the sending state;

(B) ensure that the public safety interests of the citizens, including the victims of juvenile offenders, in both the sending and receiving states are adequately protected;

(C) return juveniles who have run away, absconded, or escaped from supervision or control or have been accused of an offense to the state requesting their return;

(D) make contracts for the cooperative institutionalization in public facilities in member states for delinquent youth needing special services;

(E) provide for the effective tracking and supervision of juveniles;

(F) equitably allocate the costs, benefits, and obligations of the compact states;

(G) establish procedures to manage the movement between states of juvenile offenders released to the community under the jurisdiction of courts, juvenile departments, or any other criminal or juvenile justice agency which has jurisdiction over juvenile offenders;

(H) insure immediate notice to jurisdictions where defined juvenile offenders are authorized to travel or to relocate across state lines;

(I) establish procedures to resolve pending charges (detainers) against juvenile offenders prior to transfer or release to the community under the terms of this compact;

(J) establish a system of uniform data collection on information pertaining to juveniles subject to this compact that allows access by authorized juvenile justice and criminal justice officials, and regular reporting of compact activities to heads of state; executive, judicial, and legislative branches; and juvenile criminal justice administrators;

(K) monitor compliance with rules governing interstate movement of juveniles and initiate interventions to address and correct noncompliance;

(L) coordinate training and education regarding the regulation of interstate movement of juveniles for officials involved in such activity; and

(M) coordinate the implementation and operation of the compact with the Interstate Compact for the Placement of Children, the Interstate Compact for Adult Offender Supervision, and other compacts affecting juveniles particularly in those cases where concurrent or overlapping supervision issues arise.

It is the policy of the compacting states that the activities conducted by the Interstate Commission created herein are the information of public policies and therefore are public business. Furthermore, the compacting states shall cooperate and observe their individual and collective duties and responsibilities for the prompt return and acceptance of juveniles subject to the provisions of this compact. The provisions of this compact shall be reasonably and liberally construed to accomplish the purpose and policies of the compact.

ARTICLE III

INTERSTATE COMMISSION FOR JUVENILES

A. The compacting states hereby create the "Interstate Commission for Juveniles." The commission shall be a body corporate and joint agency of the compacting states. The commission shall have all the responsibilities, powers, and duties set forth herein, and such additional powers as may be conferred upon it by subsequent action of the respective legislatures of the compacting states in accordance with the terms of this compact.

B. The Interstate Commission shall consist of commissioners appointed by the appropriate appointing authority in each state pursuant to the rules and requirements of each compacting state and in consultation with the State Advisory Council for Interstate Supervision of Juvenile Offenders and Runaways created hereunder. The commissioner shall be the compact administrator. The commissioner of corrections or the

commissioner's designee shall serve as the compact administrator, who shall serve on the Interstate Commission in such capacity under or pursuant to the applicable law of the compacting state.

C. In addition to the commissioners who are the voting representatives of each state, the Interstate Commission shall include individuals who are not commissioners but who are members of interested organizations. Such noncommissioner members must include a member of the national organizations of governors, legislators, state chief justices, attorneys general, Interstate Compact for Adult Offender Supervision, Interstate Compact on the Placement of Children, juvenile justice and juvenile corrections officials, and crime victims. All noncommissioner members of the Interstate Commission shall be ex-officio (nonvoting) members. The Interstate Commission may provide in its bylaws for such additional ex-officio (nonvoting) members, including members of other national organizations, in such numbers as shall be determined by the commission.

D. Each compacting state represented at any meeting of the commission is entitled to one vote. A majority of the compacting states shall constitute a quorum for the transaction of business, unless a larger quorum is required by the bylaws of the Interstate Commission.

E. The commission shall meet at least once each calendar year. The chair may call additional meetings and, upon the request of a simple majority of the compacting states, shall call additional meetings. Public notice shall be given of all meetings and meetings shall be open to the public.

F. The Interstate Commission shall establish an executive committee, which shall include commission officers, members, and others as determined by the bylaws. The executive committee shall have the power to act on behalf of the Interstate Commission during periods when the Interstate Commission is not in session, with the exception of rulemaking and/or amendment to the compact. The executive committee shall oversee the day-to-day activities of the administration of the compact managed by an executive director and Interstate Commission staff; administer enforcement and compliance with the provisions of the compact, its bylaws, and rules; and perform such other duties as directed by the Interstate Commission or set forth in the bylaws.

G. Each member of the Interstate Commission shall have the right and power to cast a vote to which that compacting state is entitled and to participate in the business and affairs of the Interstate Commission. A member shall vote in person and shall not delegate a vote to another compacting state. However, a commissioner, in consultation with the state council, shall appoint another authorized representative, in the absence of the commissioner from that state, to cast a vote on behalf of the compacting state at a specified meeting. The bylaws may provide for members' participation in meetings by telephone or other means of telecommunication or electronic communication.

H. The Interstate Commission's bylaws shall establish conditions and procedures under which the Interstate Commission shall make its information and official records available to the public for inspection or copying. The Interstate Commission may exempt from disclosure any information or official records to the extent they would adversely affect personal privacy rights or proprietary interests.

I. Public notice shall be given of all meetings and all meetings shall be open to the public, except as set forth in the rules or as otherwise provided in the compact. The Interstate Commission and any of its committees may close a meeting to the public where it determines by two-thirds vote that an open meeting would be likely to:

1. relate solely to the Interstate Commission's internal personnel practices and procedures;
2. disclose matters specifically exempted from disclosure by statute;
3. disclose trade secrets or commercial or financial information which is privileged or confidential;

4. involve accusing any person of a crime or formally censuring any person;
5. disclose information of a personal nature where disclosure would constitute a clearly unwarranted invasion of personal privacy;
6. disclose investigative records compiled for law enforcement purposes;
7. disclose information contained in or related to examination, operating or condition reports prepared by, or on behalf of or for the use of, the Interstate Commission with respect to a regulated person or entity for the purpose of regulation or supervision of such person or entity;
8. disclose information, the premature disclosure of which would significantly endanger the stability of a regulated person or entity;
9. specifically relate to the Interstate Commission's issuance of a subpoena or its participation in a civil action or other legal proceeding.

J. For every meeting closed pursuant to this provision, the Interstate Commission's legal counsel shall publicly certify that, in the legal counsel's opinion, the meeting may be closed to the public, and shall reference each relevant exemptive provision. The Interstate Commission shall keep minutes which shall fully and clearly describe all matters discussed in any meeting and shall provide a full and accurate summary of any actions taken, and the reasons therefore, including a description of each of the views expressed on any item and the record of any roll call vote (reflected in the vote of each member on the question). All documents considered in connection with any action shall be identified in such minutes.

K. The Interstate Commission shall collect standardized data concerning the interstate movement of juveniles as directed through its rules which shall specify the data to be collected, the means of collection, and data exchange and reporting requirements. Such methods of data collection, exchange, and reporting shall insofar as is reasonably possible conform to up-to-date technology and coordinate its information functions with the appropriate repository of records.

ARTICLE IV

POWERS AND DUTIES OF THE INTERSTATE COMMISSION

The commission shall have the following powers and duties:

1. To provide for dispute resolution among compacting states.
2. To promulgate rules to affect the purposes and obligations as enumerated in this compact, which shall have the force and effect of statutory law and shall be binding in the compact states to the extent and in the manner provided in this compact.
3. To oversee, supervise, and coordinate the interstate movement of juveniles subject to the terms of this compact and any bylaws adopted and rules promulgated by the Interstate Commission.
4. To enforce compliance with the compact provisions, the rules promulgated by the Interstate Commission, and the bylaws, using all necessary and proper means, including but not limited to the use of judicial process.
5. To establish and maintain offices which shall be located within one or more of the compacting states.
6. To purchase and maintain insurance and bonds.

7. To borrow, accept, hire, or contract for services of personnel.

To elect or appoint such officers, attorneys, employees, agents, or consultants, and to fix their compensation, define their duties, and determine their qualifications; and to establish the Interstate Commission's personnel policies and programs relating to, inter alia, conflicts of interest, rates of compensation, and qualifications of personnel.
10. To accept any and all donations and grants of money, equipment, supplies, materials, and services, and to receive, utilize, and dispose of it.
11. To lease, purchase, accept contributions or donations of, or otherwise to own, hold, improve, or use any property, real, personal, or mixed.
12. To sell, convey, mortgage, pledge, lease, exchange, abandon, or otherwise dispose of any property, real, personal, or mixed.
13. To establish a budget, make expenditures, and levy dues as provided in Article VIII of this compact.

15. To adopt a seal and bylaws governing the management and operation of the Interstate Commission.
16. To perform such functions as may be necessary or appropriate to achieve the purposes of this compact.

2. The Interstate Commission shall, through its executive committee, appoint or retain an executive director for such period, upon such terms and conditions, and for such compensation as the Interstate Commission may deem appropriate. The executive director shall serve as secretary to the Interstate Commission, but shall not be a member and shall hire and supervise such other staff as may be authorized by the Interstate Commission.

Section C. Qualified immunity, defense, and indemnification.

1. The commission's executive director and employees shall be immune from suit and liability, either personally or in their official capacity, for any claim for damage to or loss of property or personal injury or other civil liability caused or arising out of or relating to any actual or alleged act, error, or omission that occurred, or that such person had a reasonable basis for believing occurred within the scope of commission employment, duties, or responsibilities; provided, that any such person shall not be protected from suit or liability for any damage, loss, injury, or liability caused by the intentional or willful and wanton misconduct of any such person.

2. The liability of any commissioner, or the employee or agent of a commissioner, acting within the scope of such person's employment or duties for acts, errors, or omissions occurring within such person's state may not exceed the limits of liability set forth under the Constitution and laws of that state for state officials, employees, and agents. Nothing in this subsection shall be construed to protect any such person from suit or liability for any damage, loss, injury, or liability caused by the intentional or willful and wanton misconduct of any such person.

3. The Interstate Commission shall defend the executive director or the employees or representatives of the Interstate Commission and, subject to the approval of the attorney general of the state represented by

any commissioner of a compacting state, shall defend such commissioner or the commissioner's representatives or employees in any civil action seeking to impose liability arising out of any actual or alleged act, error, or omission that occurred within the scope of Interstate Commission employment, duties, or responsibilities, or that the defendant has a reasonable basis for believing occurred within the scope of Interstate Commission employment, duties, or responsibilities, provided that the actual or alleged act, error, or omission did not result from intentional or willful and wanton misconduct on the part of such person.

4. The Interstate Commission shall indemnify and hold the commissioner of a compacting state, or the commissioner's representatives or employees, or the Interstate Commission's representatives or employees, harmless in the amount of any settlement or judgment obtained against such persons arising out of any actual or alleged act, error, or omission that occurred within the scope of Interstate Commission employment, duties, or responsibilities, or that such persons had a reasonable basis for believing occurred within the scope of Interstate Commission employment, duties, or responsibilities, provided that the actual or alleged act, error, or omission did not result from intentional or willful and wanton misconduct on the part of such persons.

ARTICLE VI

RULEMAKING FUNCTIONS OF THE INTERSTATE COMMISSION

1. The Interstate Commission shall promulgate and publish rules in order to effectively and efficiently achieve the purposes of the compact.

2. Rulemaking shall occur pursuant to the criteria set forth in this article and the bylaws and rules adopted pursuant thereto. Such rulemaking shall substantially conform to the principles of the "Model State Administrative Procedures Act," 1981 Act, Uniform Laws Annotated, Vol. 15, page 1 (2000), or such other administrative procedures act, as the Interstate Commission deems appropriate consistent with due process requirements under the United States Constitution as now or hereafter interpreted by the United States Supreme Court. All rules and amendments shall become binding as of the date specified, as published with the final version of the rule as approved by the commission.

3. When promulgating a rule, the Interstate Commission shall, at a minimum:

- a. publish the proposed rule's entire text stating the reasons for that proposed rule;
- b. allow and invite any and all persons to submit written data, facts, opinions, and arguments, which information shall be added to the record, and be made publicly available;
- c. provide an opportunity for an informal hearing if petitioned by ten or more persons; and
- d. promulgate a final rule and its effective date, if appropriate, based on input from state or local officials, or interested parties.

4. The Interstate Commission shall allow, not later than 60 days after a rule is promulgated, any interested person to file a petition in the United States District Court for the District of Columbia or in the federal District Court where the Interstate Commission's principal office is located for judicial review of such rule. If the court finds that the Interstate Commission's action is not supported by substantial evidence in the rulemaking record, the court shall hold the rule unlawful and set it aside. For purposes of this subsection, evidence is substantial if it would be considered substantial evidence under the Model (State) Administrative Procedures Act.

5. If a majority of the legislatures of the compacting states rejects a rule, those states may, by enactment of a statute or resolution in the same manner used to adopt the compact, cause that such rule shall have no further force and effect in any compacting state.

6. The existing rules governing the operation of the Interstate Compact on Juveniles superceded by this act shall be null and void 12 months after the first meeting of the Interstate Commission created hereunder.

7. Upon determination by the Interstate Commission that a state of emergency exists, it may promulgate an emergency rule which shall become effective immediately upon adoption, provided that the usual rulemaking procedures provided hereunder shall be retroactively applied to said rule as soon as reasonably possible, but no later than 90 days after the effective date of the emergency rule.

ARTICLE VII

OVERSIGHT, ENFORCEMENT, AND DISPUTE RESOLUTION BY THE INTERSTATE COMMISSION

Section A. Oversight.

1. The Interstate Commission shall oversee the administration and operations of the interstate movement of juveniles subject to this compact in the compacting states and shall monitor such activities being administered in noncompacting states which may significantly affect compacting states.

2. The courts and executive agencies in each compacting state shall enforce this compact and shall take all actions necessary and appropriate to effectuate the compact's purposes and intent. The provisions of this compact and the rules promulgated hereunder shall be received by all the judges, public officers, commissions, and departments of the state government as evidence of the authorized statute and administrative rules. All courts shall take judicial notice of the compact and the rules. In any judicial or administrative proceeding in a compacting state pertaining to the subject matter of this compact which may affect the powers, responsibilities, or actions of the Interstate Commission, it shall be entitled to receive all service of process in any such proceeding, and shall have standing to intervene in the proceeding for all purposes.

3. The compact administrator shall assess and collect fines, fees, and costs from any state or local entity deemed responsible by the compact administrator for a default as determined by the Interstate Commission under Article XI.

Section B. Dispute resolution.

1. The compacting states shall report to the Interstate Commission on all issues and activities necessary for the administration of the compact as well as issues and activities pertaining to compliance with the provisions of the compact and its bylaws and rules.

2. The Interstate Commission shall attempt, upon the request of a compacting state, to resolve any disputes or other issues which are subject to the compact and which may arise among compacting states and between compacting and noncompacting states. The commission shall promulgate a rule providing for both mediation and binding dispute resolution for disputes among the compacting states.

3. The Interstate Commission, in the reasonable exercise of its discretion, shall enforce the provisions and rules of this compact using any or all means set forth in Article XI of this compact.

ARTICLE VIII

FINANCE

1. The Interstate Commission shall pay or provide for the payment of the reasonable expenses of its establishment, organization, and ongoing activities.

2. The Interstate Commission shall levy on and collect an annual assessment from each compacting state to cover the cost of the internal operations and activities of the Interstate Commission and its staff which must be in a total amount sufficient to cover the Interstate Commission's annual budget as approved each year. The aggregate annual assessment amount shall be allocated based upon a formula to be determined by the Interstate Commission, taking into consideration the population of each compacting state and the volume of interstate movement of juveniles in each compacting state, and shall promulgate a rule binding upon all compacting states which governs said assessment.

3. The Interstate Commission shall not incur any obligations of any kind prior to securing the funds adequate to meet the same; nor shall the Interstate Commission pledge the credit of any of the compacting states, except by and with the authority of the compacting state.

4. The Interstate Commission shall keep accurate accounts of all receipts and disbursements. The receipts and disbursements of the Interstate Commission shall be subject to the audit and accounting procedures established under its bylaws. However, all receipts and disbursements of funds handled by the Interstate Commission shall be audited yearly by a certified or licensed public accountant and the report of the audit shall be included in and become part of the annual report of the Interstate Commission.

5. Minnesota's annual assessment shall not exceed \$30,000. The Interstate Compact for Juveniles fund is established as a special fund in the Department of Corrections. The fund consists of money appropriated for the purpose of meeting financial obligations imposed on the state as a result of Minnesota's participation in this compact. An assessment levied or any other financial obligation imposed under this compact is effective against the state only to the extent that money to pay the assessment or meet the financial obligation has been appropriated and deposited in the fund established in this paragraph.

The council shall oversee and administer the state's participation in the compact as described in Article III. The council shall appoint the compact administrator as the state's commissioner.

The state advisory council will advise and exercise advocacy concerning that state's participation in Interstate Commission activities and other duties as may be determined by that state, including, but not limited to, development of policy concerning operations and procedures of the compact within that state.

Expiration; expenses. The provisions of section 15.059 apply to the council except that it does not expire.

COMPACTING STATES, EFFECTIVE DATE, AND AMENDMENT

1. Any state, the District of Columbia (or its designee), the Commonwealth of Puerto Rico, the United States Virgin Islands, Guam, American Samoa, and the Northern Marianas Islands as defined in Article II of this compact is eligible to become a compacting state.

2. The compact shall become effective and binding upon legislative enactment of the compact into law by no less than 35 of the states. The initial effective date shall be the later of July 1, 2004, or upon enactment into law by the 35th jurisdiction. Thereafter, it shall become effective and binding as to any other compacting state upon enactment of the compact into law by that state. The governors of nonmember states or their designees shall be invited to participate in the activities of the Interstate Commission on a nonvoting basis prior to adoption of the compact by all states and territories of the United States.

3. The Interstate Commission may propose amendments to the compact for enactment by the compacting states. No amendment shall become effective and binding upon the Interstate Commission and the compacting states unless and until it is enacted into law by unanimous consent of the compacting states.

ARTICLE XI

WITHDRAWAL, DEFAULT, TERMINATION, AND JUDICIAL ENFORCEMENT

Section A. Withdrawal.

1. Once effective, the compact shall continue in force and remain binding upon each and every compacting state; provided that a compacting state may withdraw from the compact specifically repealing the statute, which enacted the compact into law.

2. The effective date of withdrawal is the effective date of the repeal.

3. The withdrawing state shall immediately notify the chair of the Interstate Commission in writing upon the introduction of legislation repealing this compact in the withdrawing state. The Interstate Commission shall notify the other compacting states of the withdrawing state's intent to withdraw within 60 days of its receipt thereof.

4. The withdrawing state is responsible for all assessments, obligations, and liabilities incurred through the effective date of withdrawal, including any obligations, the performance of which extend beyond the effective date of withdrawal.

5. Reinstatement following withdrawal of any compacting state shall occur upon the withdrawing state reenacting the compact or upon such later date as determined by the Interstate Commission.

Section B. Technical assistance, fines, suspension, termination, and default.

1. If the Interstate Commission determines that any compacting state has at any time defaulted in the performance of any of its obligations or responsibilities under this compact, or the bylaws or duly promulgated rules, the Interstate Commission may impose any or all of the following penalties:

a. remedial training and technical assistance as directed by the Interstate Commission;

b. alternative dispute resolution;

c. fines, fees, and costs in such amounts as are deemed to be reasonable as fixed by the Interstate Commission;

d. suspension or termination of membership in the compact, which shall be imposed only after all other reasonable means of securing compliance under the bylaws and rules have been exhausted and the Interstate Commission has therefore determined that the offending state is in default. Immediate notice of suspension shall be given by the Interstate Commission to the governor, the chief justice, or the chief judicial officer of the state; the majority and minority leaders of the defaulting state's legislature; and the state council. The grounds for default include, but are not limited to, failure of a compacting state to perform such obligations or responsibilities imposed upon it by this compact, the bylaws, or duly promulgated rules and any other grounds designated in commission bylaws and rules. The Interstate Commission shall immediately notify the defaulting state in writing of the penalty imposed by the Interstate Commission and of the default pending a cure of the default. The commission shall stipulate the conditions and the time period within which the defaulting state must cure its default. If the defaulting state fails to cure the default within the time period specified by the commission, the defaulting state shall be terminated from the compact upon an affirmative vote of a majority of the compacting states and all rights, privileges, and benefits conferred by this compact shall be terminated from the effective date of termination.

2. Within 60 days of the effective date of termination of a defaulting state, the commission shall notify the governor, the chief justice or chief judicial officer, the majority and minority leaders of the defaulting state's legislature, and the state council of such termination.

3. The defaulting state is responsible for all assessments, obligations, and liabilities incurred through the effective date of termination including any obligations, the performance of which extends beyond the effective date of termination.

4. The Interstate Commission shall not bear any costs relating to the defaulting state unless otherwise mutually agreed upon in writing between the Interstate Commission and the defaulting state.

5. Reinstatement following termination of any compacting state requires both a reenactment of the compact by the defaulting state and the approval of the Interstate Commission pursuant to the rules.

Section C. Judicial enforcement.

The Interstate Commission may, by majority vote of the members, initiate legal action in the United States District Court for the District of Columbia or, at the discretion of the Interstate Commission, in the

federal district where the Interstate Commission has its offices, to enforce compliance with the provisions of the compact, its duly promulgated rules and bylaws, against any compacting state in default. In the event judicial enforcement is necessary, the prevailing party shall be awarded all costs of such litigation, including reasonable attorney fees.

Section D. Dissolution of compact.

1. The compact dissolves effective upon the date of the withdrawal or default of the compacting state, which reduces membership in the compact to one compacting state.

2. Upon the dissolution of this compact, the compact becomes null and void and shall be of no further force or effect, and the business and affairs of the Interstate Commission shall be concluded and any surplus funds shall be distributed in accordance with the bylaws.

ARTICLE XII

SEVERABILITY AND CONSTRUCTION

1. The provisions of this compact shall be severable, and if any phrase, clause, sentence, or provision is deemed unenforceable, the remaining provisions of this compact shall be enforceable.

2. The provisions of this compact shall be liberally constructed to effectuate its purposes.

ARTICLE XIII

BINDING EFFECT OF COMPACT AND OTHER LAWS

Section A. Other laws.

1. Nothing herein prevents the enforcement of any other law of a compacting state that is not inconsistent with this compact.

2. All compacting states' laws other than state constitutions and other interstate compacts conflicting with this compact are superseded to the extent of the conflict.

Section B. Binding effect of the compact.

1. All lawful actions of the Interstate Commission, including all rules and bylaws promulgated by the Interstate Commission, are binding upon the compacting state.

2. All agreements between the Interstate Commission and the compacting states are binding in accordance with their terms.

3. Upon the request of a party to a conflict over meaning or interpretation of Interstate Commission actions, and upon a majority vote of the compacting states, the Interstate Commission may issue advisory opinions regarding such meaning of interpretation.

4. In the event any provision of this compact exceeds the constitutional limits imposed on the legislature of any compacting state, the obligations, duties, powers, or jurisdiction sought to be conferred by such provision upon the Interstate Commission shall be ineffective and such obligations, duties, powers, or jurisdiction shall remain in the compacting state and shall be exercised by the agency thereof to which such

obligations, duties, powers, or jurisdiction are delegated by law in effect at the time this compact becomes effective.

(1) In the case of a runaway, the court making the requisition shall inquire summarily regarding the financial ability of the petitioner to bear the expense and if it finds the petitioner is able to do so, shall order that the petitioner pay all such expenses; otherwise the court shall arrange for the transportation at the expense of the county and order that the county reimburse the person, if any, who returns the juvenile, for actual and necessary expenses; and the court may order that the petitioner reimburse the county for so much of said expense as the court finds the petitioner is able to pay. The court shall inquire summarily into the financial ability of the petitioner and, if it finds the petitioner is unable to bear any or all of the expense, the court shall arrange for such transportation at the expense of the county and shall order the county to reimburse the person, if any, who returns the juvenile, for actual and necessary expenses. MINNESOTA INDIAN FAMILY PRESERVATION ACT**260.751 CITATION.**

Sections 260.751 to 260.835 may be cited as the "Minnesota Indian Family Preservation Act."

History: 1999 c 139 art 1 s 2

260.753 PURPOSES.

The purposes of Laws 2015, chapter 78, are to (1) protect the long-term interests, as defined by the tribes, of Indian children, their families as defined by law or custom, and the child's tribe; and (2) preserve the Indian family and tribal identity, including an understanding that Indian children are damaged if family and child tribal identity and contact are denied. Indian children are the future of the tribes and are vital to their very existence.

History: 2015 c 78 art 1 s 13

260.755 DEFINITIONS.

Subdivision 1. **Scope.** As used in sections 260.751 to 260.835, the following terms have the meanings given them.

Subd. 1a. **Active efforts.** "Active efforts" means a rigorous and concerted level of effort that is ongoing throughout the involvement of the local social services agency to continuously involve the Indian child's tribe and that uses the prevailing social and cultural values, conditions, and way of life of the Indian child's tribe to preserve the Indian child's family and prevent placement of an Indian child and, if placement occurs, to return the Indian child to the child's family at the earliest possible time. Active efforts sets a higher standard than reasonable efforts to preserve the family, prevent breakup of the family, and reunify the family, according to section 260.762. Active efforts includes reasonable efforts as required by Title IV-E of the Social Security Act, United States Code, title 42, sections 670 to 679c.

Subd. 2. **Administrative review.** "Administrative review" means review under section 260C.203.

Subd. 2a. **Best interests of an Indian child.** "Best interests of an Indian child" means compliance with the Indian Child Welfare Act and the Minnesota Indian Family Preservation Act to preserve and maintain an Indian child's family. The best interests of an Indian child support the child's sense of belonging to family, extended family, and tribe. The best interests of an Indian child are interwoven with the best interests of the Indian child's tribe.

Subd. 3. **Child placement proceeding.** "Child placement proceeding" includes a judicial proceeding which could result in the following:

(a) "Adoptive placement" means the permanent placement of an Indian child for adoption, including an action resulting in a final decree of adoption.

(b) "Involuntary foster care placement" means an action removing an Indian child from its parents or Indian custodian for temporary placement in a foster home, institution, or the home of a guardian. The parent or Indian custodian cannot have the child returned upon demand, but parental rights have not been terminated.

(c) "Preadoptive placement" means the temporary placement of an Indian child in a foster home or institution after the termination of parental rights, before or instead of adoptive placement.

(d) "Termination of parental rights" means an action resulting in the termination of the parent-child relationship under section 260C.301.

The terms include placements based upon juvenile status offenses, but do not include a placement based upon an act which if committed by an adult would be deemed a crime, or upon an award of custody in a divorce proceeding to one of the parents.

Subd. 4. **Commissioner.** "Commissioner" means the commissioner of human services.

Subd. 5. **Demand.** "Demand" means a written and notarized statement signed by a parent or Indian custodian of a child which requests the return of the child who has been voluntarily placed in foster care.

Subd. 6. **Family-based services.** "Family-based services" means intensive family-centered services to families primarily in their own home and for a limited time.

Subd. 7. **Indian.** "Indian" means a person who is a member of an Indian tribe or an Alaskan native and a member of a regional corporation as defined in section 7 of the Alaska Native Claims Settlement Act, United States Code, title 43, section 1606.

Subd. 8. **Indian child.** "Indian child" means an unmarried person who is under age 18 and is:

- (1) a member of an Indian tribe; or
- (2) eligible for membership in an Indian tribe.

A determination by a tribe that a child is a member of the Indian tribe or is eligible for membership in the Indian tribe is conclusive. For purposes of this chapter and chapters 256N, 260C, and 260D, Indian child also includes an unmarried person who satisfies either clause (1) or (2), is under age 21, and is in foster care pursuant to section 260C.451.

Subd. 9. **Indian child's tribe.** "Indian child's tribe" means the Indian tribe in which an Indian child is a member or eligible for membership. In the case of an Indian child who is a member of or eligible for membership in more than one tribe, the Indian child's tribe is the tribe with which the Indian child has the most significant contacts. If that tribe does not express an interest in the outcome of the actions taken under sections 260.751 to 260.835 with respect to the child, any other tribe in which the child is eligible for membership that expresses an interest in the outcome may act as the Indian child's tribe.

Subd. 10. **Indian custodian.** "Indian custodian" means an Indian person who has legal custody of an Indian child under tribal law or custom or under state law, or to whom temporary physical care, custody, and control has been transferred by the parent of the child.

Subd. 11. **Indian organization.** "Indian organization" means an organization providing child welfare services that is legally incorporated as a nonprofit organization, is registered with the secretary of state, and is governed by a board of directors having at least a majority of Indian directors.

Subd. 12. **Indian tribe.** "Indian tribe" means an Indian tribe, band, nation, or other organized group or community of Indians recognized as eligible for the services provided to Indians by the secretary because of their status as Indians, including any Native group under the Alaska Native Claims Settlement Act, United States Code, title 43, section 1602.

Subd. 13. **Local social services agency.** "Local social services agency" means the local agency under the authority of the county welfare or human services board or county board of commissioners which is responsible for human services.

Subd. 14. **Parent.** "Parent" means the biological parent of an Indian child, or any Indian person who has lawfully adopted an Indian child, including a person who has adopted a child by tribal law or custom. Parent includes a father as defined by tribal law or custom. Parent does not include an unmarried father whose paternity has not been acknowledged or established. Paternity has been acknowledged when an unmarried father takes any action to hold himself out as the biological father of an Indian child.

Subd. 15. **Permanency planning.** "Permanency planning" means the systematic process of carrying out, within a short time, a set of goal-oriented activities designed to help children live in families that offer continuity of relationships with nurturing parents or caretakers, and the opportunity to establish lifetime relationships.

Subd. 16. **Placement prevention and family reunification services.** "Placement prevention and family reunification services" means services designed to help children remain with their families or to reunite children with their parents.

Subd. 17. **Private child-placing agency.** "Private child-placing agency" means a private organization, association, or corporation providing assistance to children and parents in their own homes and placing children in foster care or for adoption.

Subd. 17a. **Qualified expert witness.** "Qualified expert witness" means an individual who (1) has specific knowledge of the Indian child's tribe's culture and customs, or meets the criteria in section 260.771, subdivision 6, paragraph (d), and (2) provides testimony as required by the Indian Child Welfare Act of 1978, United States Code, title 25, section 1912, regarding out-of-home placement or termination of parental rights relating to an Indian child.

Subd. 18. **Reservation.** "Reservation" means Indian country as defined in United States Code, title 18, section 1151, and any lands which are either held by the United States in trust for the benefit of an Indian tribe or individual, or held by an Indian tribe or individual subject to a restriction by the United States against alienation.

Subd. 19. **Secretary.** "Secretary" means the secretary of the United States Department of the Interior.

Subd. 20. **Tribal court.** "Tribal court" means a court with jurisdiction over child custody proceedings and which is either a court of Indian offenses, or a court established and operated under the code or custom of an Indian tribe, or any other administrative body of a tribe which is vested with authority over child custody proceedings. Except as provided in section 260.771, subdivision 5, nothing in this chapter shall be construed as conferring jurisdiction on an Indian tribe.

Subd. 21. **Tribal social services agency.** "Tribal social services agency" means the unit under authority of the governing body of the Indian tribe which is responsible for human services.

Subd. 22. **Voluntary foster care placement.** "Voluntary foster care placement" means a decision in which there has been participation by a local social services agency or private child-placing agency resulting

in the temporary placement of an Indian child away from the home of the child's parents or Indian custodian in a foster home, institution, or the home of a guardian, and the parent or Indian custodian may have the child returned upon demand.

260.761 SOCIAL SERVICES AGENCY AND PRIVATE LICENSED CHILD-PLACING AGENCY NOTICE TO TRIBES.

Subdivision 1. **Inquiry of tribal lineage.** The local social services agency or private licensed child-placing agency shall inquire of the child, the child's parents and custodians, and other appropriate persons whether there is any reason to believe that a child brought to the agency's attention may have lineage to an Indian tribe. This inquiry shall occur at the time the child comes to the attention of the local social services agency.

Subd. 2. **Agency and court notice to tribes.** (a) When a local social services agency has information that a family assessment or investigation being conducted may involve an Indian child, the local social services agency shall notify the Indian child's tribe of the family assessment or investigation according to section 626.556, subdivision 10, paragraph (a), clause (5). Initial notice shall be provided by telephone and by e-mail or facsimile. The local social services agency shall request that the tribe or a designated tribal representative participate in evaluating the family circumstances, identifying family and tribal community resources, and developing case plans.

(b) When a local social services agency has information that a child receiving services may be an Indian child, the local social services agency shall notify the tribe by telephone and by e-mail or facsimile of the child's full name and date of birth, the full names and dates of birth of the child's biological parents, and, if known, the full names and dates of birth of the child's grandparents and of the child's Indian custodian. This notification must be provided so the tribe can determine if the child is enrolled in the tribe or eligible for membership, and must be provided within seven days. If information regarding the child's grandparents or Indian custodian is not available within the seven-day period, the local social services agency shall continue to request this information and shall notify the tribe when it is received. Notice shall be provided to all tribes to which the child may have any tribal lineage. If the identity or location of the child's parent or Indian custodian and tribe cannot be determined, the local social services agency shall provide the notice required in this paragraph to the United States secretary of the interior.

(c) In accordance with sections 260C.151 and 260C.152, when a court has reason to believe that a child placed in emergency protective care is an Indian child, the court administrator or a designee shall, as soon as possible and before a hearing takes place, notify the tribal social services agency by telephone and by e-mail or facsimile of the date, time, and location of the emergency protective case hearing. The court shall make efforts to allow appearances by telephone for tribal representatives, parents, and Indian custodians.

(d) A local social services agency must provide the notices required under this subdivision at the earliest possible time to facilitate involvement of the Indian child's tribe. Nothing in this subdivision is intended to hinder the ability of the local social services agency and the court to respond to an emergency situation. Lack of participation by a tribe shall not prevent the tribe from intervening in services and proceedings at a later date. A tribe may participate at any time. At any stage of the local social services agency's involvement with an Indian child, the agency shall provide full cooperation to the tribal social services agency, including disclosure of all data concerning the Indian child. Nothing in this subdivision relieves the local social services agency of satisfying the notice requirements in the Indian Child Welfare Act.

Subd. 3. **Notice of potential preadoptive or adoptive placement.** In any voluntary adoptive or preadoptive placement proceeding in which a local social services agency, private child-placing agency,

petitioner in the adoption, or any other party has reason to believe that a child who is the subject of an adoptive or preadoptive placement proceeding is or may be an "Indian child," as defined in section 260.755, subdivision 8, and United States Code, title 25, section 1903(4), the agency or person shall notify the Indian child's tribal social services agency by registered mail with return receipt requested of the pending proceeding and of the right of intervention under subdivision 6. If the identity or location of the child's tribe cannot be determined, the notice must be given to the United States secretary of interior in like manner, who will have 15 days after receipt of the notice to provide the requisite notice to the tribe. No preadoptive or adoptive placement proceeding may be held until at least ten days after receipt of the notice by the tribe or secretary. Upon request, the tribe must be granted up to 20 additional days to prepare for the proceeding. The agency or notifying party shall include in the notice the identity of the birth parents and child absent written objection by the birth parents. The private child-placing agency shall inform the birth parents of the Indian child of any services available to the Indian child through the child's tribal social services agency, including child placement services, and shall additionally provide the birth parents of the Indian child with all information sent from the tribal social services agency in response to the notice.

Subd. 4. Unknown father. If the local social services agency, private child-placing agency, the court, petitioner, or any other party has reason to believe that a child who is the subject of an adoptive placement proceeding is or may be an Indian child but the father of the child is unknown and has not registered with the fathers' adoption registry pursuant to section 259.52, the agency or person shall provide to the tribe believed to be the Indian child's tribe information sufficient to enable the tribe to determine the child's eligibility for membership in the tribe, including, but not limited to, the legal and maiden name of the birth mother, her date of birth, the names and dates of birth of her parents and grandparents, and, if available, information pertaining to the possible identity, tribal affiliation, or location of the birth father.

Subd. 5. Proof of service of notice upon tribe or secretary. In cases where an agency or party to an adoptive placement knows or has reason to believe that a child is or may be an Indian child, proof of service upon the child's tribe or the secretary of interior must be filed with the adoption petition.

Subd. 6. Indian tribe's right of intervention. In any state court proceeding for the voluntary adoptive or preadoptive placement of an Indian child, the Indian child's tribe shall have a right to intervene at any point in the proceeding.

Subd. 7. Identification of extended family members. Any agency considering placement of an Indian child shall make active efforts to identify and locate extended family members.

260.762 DUTY TO PREVENT OUT-OF-HOME PLACEMENT AND PROMOTE FAMILY REUNIFICATION; ACTIVE EFFORTS.

Subdivision 1. Active efforts. Active efforts includes acknowledging traditional helping and healing systems of an Indian child's tribe and using these systems as the core to help and heal the Indian child and family.

Subd. 2. Requirements for local social services agencies. A local social services agency shall:

(1) work with the Indian child's tribe and family to develop an alternative plan to out-of-home placement;

(2) before making a decision that may affect an Indian child's safety and well-being or when contemplating out-of-home placement of an Indian child, seek guidance from the Indian child's tribe on family structure, how the family can seek help, what family and tribal resources are available, and what barriers the family faces at that time that could threaten its preservation; and

(3) request participation of the Indian child's tribe at the earliest possible time and request the tribe's active participation throughout the case.

Subd. 3. Required findings that active efforts were provided. A court shall not order an out-of-home or permanency placement for an Indian child unless the court finds that the local social services agency made active efforts to the Indian child's family. In determining whether the local social services agency made active efforts for purposes of out-of-home placement and permanency, the court shall make findings regarding whether the following activities were appropriate and whether the local social services agency made appropriate and meaningful services available to the family based upon that family's specific needs:

(1) whether the local social services agency made efforts at the earliest point possible to (i) identify whether a child may be an Indian child as defined in the Indian Child Welfare Act, United States Code, title 25, section 1903, and section 260.755, subdivision 8; and (ii) identify and request participation of the Indian child's tribe at the earliest point possible and throughout the investigation or assessment, case planning, provision of services, and case completion;

(2) whether the local social services agency requested that a tribally designated representative with substantial knowledge of prevailing social and cultural standards and child-rearing practices within the tribal community evaluate the circumstances of the Indian child's family and assist in developing a case plan that uses tribal and Indian community resources;

(3) whether the local social services agency provided concrete services and access to both tribal and nontribal services to members of the Indian child's family, including but not limited to financial assistance, food, housing, health care, transportation, in-home services, community support services, and specialized services; and whether these services are being provided in an ongoing manner throughout the agency's involvement with the family, to directly assist the family in accessing and utilizing services to maintain the Indian family, or reunify the Indian family as soon as safety can be assured if out-of-home placement has occurred;

(4) whether the local social services agency notified and consulted with the Indian child's extended family members, as identified by the child, the child's parents, or the tribe; whether extended family members were consulted to provide support to the child and parents, to inform the local social services agency and court as to cultural connections and family structure, to assist in identifying appropriate cultural services and supports for the child and parents, and to identify and serve as a placement and permanency resource for the child; and if there was difficulty contacting or engaging with extended family members, whether assistance was sought from the tribe, the Department of Human Services, or other agencies with expertise in working with Indian families;

(5) whether the local social services agency provided services and resources to relatives who are considered the primary placement option for an Indian child, as agreed by the local social services agency and the tribe, to overcome barriers to providing care to an Indian child. Services and resources shall include but are not limited to child care assistance, financial assistance, housing resources, emergency resources, and foster care licensing assistance and resources; and

(6) whether the local social services agency arranged for visitation to occur, whenever possible, in the home of the Indian child's parent, Indian custodian, or other family member or in another noninstitutional setting, in order to keep the child in close contact with parents, siblings, and other relatives regardless of the child's age and to allow the child and those with whom the child visits to have natural, unsupervised interaction when consistent with protecting the child's safety; and whether the local social services agency consulted

with a tribal representative to determine and arrange for visitation in the most natural setting that ensures the child's safety, when the child's safety requires supervised visitation.

260.765 VOLUNTARY FOSTER CARE PLACEMENT.

Subdivision 1. **Determination of Indian child's tribe.** The local social services agency or private licensed child-placing agency shall determine whether a child brought to its attention for the purposes described in this section is an Indian child and the identity of the Indian child's tribe.

Subd. 2. **Notice.** When an Indian child is voluntarily placed in foster care, the local social services agency involved in the decision to place the child shall give notice of the placement to the child's parents, tribal social services agency, and the Indian custodian within seven days of placement, excluding weekends and holidays.

If a private licensed child-placing agency makes a temporary voluntary foster care placement pending a decision on adoption by a parent, notice of the placement shall be given to the child's parents, tribal social services agency, and the Indian custodian upon the filing of a petition for termination of parental rights or three months following the temporary placement, whichever occurs first.

At this and any subsequent stage of its involvement with an Indian child, the agency shall, upon request, give the tribal social services agency full cooperation including access to all files concerning the child. If the files contain confidential or private data, the agency may require execution of an agreement with the tribal social services agency that the tribal social services agency shall maintain the data according to statutory provisions applicable to the data.

Subd. 3. **Notice of administrative review.** In an administrative review of a voluntary foster care placement, the tribal social services agency of the child, the Indian custodian, and the parents of the child shall have notice and a right of participation in the review.

Subd. 4. **Return of child in voluntary placement.** Upon demand by the parent or Indian custodian of an Indian child, the local social services agency or private licensed child-placing agency shall return the child in voluntary foster care placement to the parent or Indian custodian within 24 hours of the receipt of the demand. If the request for return does not satisfy the requirement of section 260.755, subdivision 5, the local social services agency or private child-placing agency shall immediately inform the parent or Indian custodian of the Indian child of the requirement.

Subd. 5. **Identification of extended family members.** Any agency considering placement of an Indian child shall make active efforts to identify and locate extended family members.

260.771 CHILD PLACEMENT PROCEEDINGS.

Subdivision 1. **Indian tribe jurisdiction.** An Indian tribe has exclusive jurisdiction over a child placement proceeding involving an Indian child who resides or is domiciled within the reservation of the tribe, except where jurisdiction is otherwise vested in the state by existing federal law. When an Indian child is a ward of the tribal court, the Indian tribe retains exclusive jurisdiction, notwithstanding the residence or domicile of the child.

Subd. 2. **Court determination of tribal affiliation of child.** In any child placement proceeding, the court shall establish whether an Indian child is involved and the identity of the Indian child's tribe. This

chapter and the federal Indian Child Welfare Act are applicable without exception in any child custody proceeding, as defined in the federal act, involving an Indian child. This chapter applies to child custody proceedings involving an Indian child whether the child is in the physical or legal custody of an Indian parent, Indian custodian, Indian extended family member, or other person at the commencement of the proceedings. A court shall not determine the applicability of this chapter or the federal Indian Child Welfare Act to a child custody proceeding based upon whether an Indian child is part of an existing Indian family or based upon the level of contact a child has with the child's Indian tribe, reservation, society, or off-reservation community.

Subd. 3. Transfer of proceedings. (a) In a proceeding for: (1) the termination of parental rights; or (2) the involuntary foster care placement of an Indian child not within the jurisdiction of subdivision 1, the court, in the absence of good cause to the contrary, shall transfer the proceeding to the jurisdiction of the tribe absent objection by either parent, upon the petition of either parent, the Indian custodian, or the Indian child's tribe. The transfer is subject to declination by the tribal court of the tribe.

(b) In a proceeding for the preadoptive or adoptive placement of an Indian child not within the jurisdiction of subdivision 1, the court, in the absence of good cause to the contrary, shall transfer the proceeding to the jurisdiction of the tribe. The transfer is subject to declination by the tribal court of the tribe. For the purposes of this subdivision, "preadoptive placement" and "adoptive placement" have the meanings give in section 260.755, subdivision 3.

(c) At any point in a proceeding for finalizing a permanency plan, the court, in the absence of good cause to the contrary and in the absence of an objection by either parent, shall transfer the proceeding to tribal court for the purpose of achieving a customary adoption or other culturally appropriate permanency option. This transfer shall be made upon the petition of a parent whose parental rights have not been terminated, the Indian custodian, or the Indian child's tribe. The transfer is subject to declination by the tribal court of the tribe.

Subd. 3a. Good cause to deny transfer. (a) Establishing good cause to deny transfer of jurisdiction to a tribal court is a fact-specific inquiry to be determined on a case-by-case basis. Socioeconomic conditions and the perceived adequacy of tribal or Bureau of Indian Affairs social services or judicial systems must not be considered in a determination that good cause exists. The party opposed to transfer of jurisdiction to a tribal court has the burden to prove by clear and convincing evidence that good cause to deny transfer exists. Opposition to a motion to transfer jurisdiction to tribal court must be in writing and must be served upon all parties.

(b) The court may find good cause to deny transfer to tribal court if:

(1) the Indian child's tribe does not have a tribal court or any other administrative body of a tribe vested with authority over child custody proceedings, as defined by the Indian Child Welfare Act, United States Code, title 25, chapter 21, to which the case can be transferred, and no other tribal court has been designated by the Indian child's tribe; or

(2) the evidence necessary to decide the case could not be adequately presented in the tribal court without undue hardship to the parties or the witnesses and the tribal court is unable to mitigate the hardship by any means permitted in the tribal court's rules. Without evidence of undue hardship, travel distance alone is not a basis for denying a transfer.

Subd. 4. Effect of tribal court placement orders. To the extent that any child subject to sections 260.755 to 260.835 is otherwise eligible for social services, orders of a tribal court concerning placement of such child shall have the same force and effect as orders of a court of this state. In any case where the

tribal court orders placement through a local social services agency, the court shall provide to the local agency notice and an opportunity to be heard regarding the placement. Determination of county of financial responsibility for the placement shall be determined by the local social services agency in accordance with section 256G.02, subdivision 4. Disputes concerning the county of financial responsibility shall be settled in the manner prescribed in section 256G.09.

Subd. 5. Indian tribe agreements. The commissioner is hereby authorized to enter into agreements with Indian tribes pursuant to United States Code, title 25, section 1919, respecting care and custody of Indian children and jurisdiction over child custody proceedings, including agreements which may provide for orderly transfer of jurisdiction on a case-by-case basis and agreements which provide for concurrent jurisdiction between the state and an Indian tribe.

Subd. 6. Qualified expert witness and evidentiary requirements. (a) In an involuntary foster care placement proceeding, the court must determine by clear and convincing evidence, including testimony of a qualified expert witness, that continued custody of the child by the parent or Indian custodian is likely to result in serious emotional or physical damage to the child as defined in the Indian Child Welfare Act of 1978, United States Code, title 25, section 1912(e). In a termination of parental rights proceeding, the court must determine by evidence beyond a reasonable doubt, including testimony of a qualified expert witness, that continued custody of the child by the parent or Indian custodian is likely to result in serious emotional or physical damage to the child as defined in the Indian Child Welfare Act of 1978, United States Code, title 25, section 1912(f).

(b) The local social services agency or any other party shall make diligent efforts to locate and present to the court a qualified expert witness designated by the Indian child's tribe. The qualifications of a qualified expert witness designated by the child's tribe are not subject to a challenge in Indian child custody proceedings.

(c) If a party cannot obtain testimony from a tribally designated qualified expert witness, the party shall submit to the court the diligent efforts made to obtain a tribally designated qualified expert witness.

(d) If clear and convincing evidence establishes that a party's diligent efforts cannot produce testimony from a tribally designated qualified expert witness, the party shall demonstrate to the court that a proposed qualified expert witness is, in descending order of preference:

(1) a member of the child's tribe who is recognized by the Indian child's tribal community as knowledgeable in tribal customs as they pertain to family organization and child-rearing practices; or

(2) an Indian person from an Indian community who has substantial experience in the delivery of child and family services to Indians and extensive knowledge of prevailing social and cultural standards and contemporary and traditional child-rearing practices of the Indian child's tribe.

If clear and convincing evidence establishes that diligent efforts have been made to obtain a qualified expert witness who meets the criteria in clause (1) or (2), but those efforts have not been successful, a party may use an expert witness, as defined by the Minnesota Rules of Evidence, rule 702, who has substantial experience in providing services to Indian families and who has substantial knowledge of prevailing social and cultural standards and child-rearing practices within the Indian community. The court or any party may request the assistance of the Indian child's tribe or the Bureau of Indian Affairs agency serving the Indian child's tribe in locating persons qualified to serve as expert witnesses.

(e) The court may allow alternative methods of participation and testimony in state court proceedings by a qualified expert witness, such as participation or testimony by telephone, videoconferencing, or other methods.

Subd. 7. Order of placement preference; deviation. (a) The court must follow the order of placement preferences required by the Indian Child Welfare Act of 1978, United States Code, title 25, section 1915, when placing an Indian child.

(b) The court may place a child outside the order of placement preferences only if the court determines there is good cause based on:

(1) the reasonable request of the Indian child's parents, if one or both parents attest that they have reviewed the placement options that comply with the order of placement preferences;

(2) the reasonable request of the Indian child if the child is able to understand and comprehend the decision that is being made;

(3) the testimony of a qualified expert designated by the child's tribe and, if necessary, testimony from an expert witness who meets qualifications of subdivision 6, paragraph (d), clause (2), that supports placement outside the order of placement preferences due to extraordinary physical or emotional needs of the child that require highly specialized services; or

(4) the testimony by the local social services agency that a diligent search has been conducted that did not locate any available, suitable families for the child that meet the placement preference criteria.

(c) Testimony of the child's bonding or attachment to a foster family alone, without the existence of at least one of the factors in paragraph (b), shall not be considered good cause to keep an Indian child in a lower preference or nonpreference placement.

(d) A party who proposes that the required order of placement preferences not be followed bears the burden of establishing by clear and convincing evidence that good cause exists to modify the order of placement preferences.

(e) If the court finds there is good cause to place outside the order of placement preferences, the court must make written findings.

(f) A good cause finding under this subdivision must consider whether active efforts were provided to extended family members who are considered the primary placement option to assist them in becoming a placement option for the child as required by section 260.762.

(g) When a child is placed outside the order of placement preferences, good cause to continue this placement must be determined at every stage of the proceedings.

- (2) the names and addresses of the biological parents;
- (3) the names and addresses of the adoptive parents; and
- (4) the identity of any agency having files or information relating to the adoptive placement.

If the court records contain an affidavit of the biological or adoptive parent or parents requesting anonymity, the court shall delete the name and address of the biological or adoptive parents from the information sent to the child's tribal social services agency.

Subd. 2. **Disclosure of records.** Upon the request of an adopted Indian person over the age of 18, the adoptive or foster parents of an Indian person, or an Indian tribal social services agency, the Department of Human Services shall disclose to the Indian person's tribe information necessary for membership of an Indian person in the tribe in which the person may be eligible for membership or for determining any rights or benefits associated with that membership. When the documents relating to the person contain an affidavit from the biological or adoptive parent or parents requesting anonymity, the department must use the procedures described in United States Code, title 25, section 1951, paragraph (b).

(b) The commissioner shall award tribes at least 70 percent of the amount set in paragraph (a) for primary support grants. Each tribe shall be awarded a base amount of five percent of the total amount set in this paragraph. In addition, each tribe shall be allocated a proportion of the balance of the amount set in this paragraph, less the total base amounts for all reservations. This proportion must equal the ratio of the tribe's on-reservation population to the state's total on-reservation population. Population data must be based on the most recent federal census data according to the state demographer's office.

(c) The commissioner shall award Indian organizations and tribal social services agency programs located off-reservation that serve Indian children and families up to 30 percent of the amount set in paragraph (a) for primary support grants. A maximum of four multiservice Indian organizations and tribal social services agency programs located off-reservation may be awarded grants under this paragraph. "Multiservice Indian organizations" means Indian organizations recognized by the Indian community as providing a broad continuum of social, educational, or cultural services, including Indian child welfare services designed to meet the unique needs of the Indian communities in Minneapolis, St. Paul, and Duluth. Grants may be

awarded to programs that submit acceptable proposals, comply with the goals and the application process of the program, and have budgets that reflect appropriate and efficient use of funds. To maintain continuity of service in Indian communities, primary support grants awarded under this paragraph which meet the grant criteria and have demonstrated satisfactory performance as established by the commissioner may be awarded on a noncompetitive basis. The commissioner may revoke or deny funding for Indian organizations or tribal social services agencies failing to meet the grant criteria established by the commissioner, and the commissioner may request new proposals from Indian organizations or tribal social services agencies to the extent that funding is available.

INTERSTATE COMPACT

260.851 INTERSTATE COMPACT ON THE PLACEMENT OF CHILDREN.

The Interstate Compact on the Placement of Children is hereby enacted into law and entered into with all other jurisdictions legally joining therein in form substantially as follows:

ARTICLE 1

PURPOSE AND POLICY

It is the purpose and policy of the party states to cooperate with each other in the interstate placement of children to the end that:

(a) Each child requiring placement shall receive the maximum opportunity to be placed in a suitable environment and with persons or institutions having appropriate qualifications and facilities to provide a necessary and desirable degree and type of care.

(b) The appropriate authorities in a state where a child is to be placed may have full opportunity to ascertain the circumstances of the proposed placement, thereby promoting full compliance with applicable requirements for the protection of the child.

(c) The proper authorities of the state from which the placement is made may obtain the most complete information on the basis on which to evaluate a projected placement before it is made.

(d) Appropriate jurisdictional arrangements for the care of children will be promoted.

ARTICLE 2

DEFINITIONS

As used in this compact:

(a) "Child" means a person who, by reason of minority, is legally subject to parental, guardianship or similar control.

(b) "Sending agency" means a party state, officer or employee thereof; a subdivision of a party state, or officer or employee thereof; a court of a party state; a person, corporation, association, charitable agency or other entity which sends, brings, or causes to be sent or brought any child to another party state.

(c) "Receiving state" means the state to which a child is sent, brought, or caused to be sent or brought, whether by public authorities or private persons or agencies, and whether for placement with state or local public authorities or for placement with private agencies or persons.

(d) "Placement" means the arrangement for the care of a child in a family free or boarding home or in a child-caring agency or institution but does not include any institution caring for the mentally ill, mentally defective or persons having epilepsy or any institution primarily educational in character, and any hospital or other medical facility.

ARTICLE 3

CONDITIONS FOR PLACEMENT

(a) No sending agency shall send, bring, or cause to be sent or brought into any other party state any child for placement in foster care or as a preliminary to a possible adoption unless the sending agency shall comply with each and every requirement set forth in this article and with the applicable laws of the receiving state governing the placement of children therein.

(b) Prior to sending, bringing or causing any child to be sent or brought into a receiving state for placement in foster care or as a preliminary to a possible adoption, the sending agency shall furnish the appropriate public authorities in the receiving state written notice of the intention to send, bring, or place the child in the receiving state. The notice shall contain:

(1) The name, date and place of birth of the child.

(2) The identity and address or addresses of the parents or legal guardian.

(3) The name and address of the person, agency or institution to or with which the sending agency proposes to send, bring, or place the child.

(4) A full statement of the reasons for such proposed action and evidence of the authority pursuant to which the placement is proposed to be made.

(c) Any public officer or agency in a receiving state which is in receipt of a notice pursuant to paragraph (b) of this article may request of the sending agency, or any other appropriate officer or agency of or in the sending agency's state, and shall be entitled to receive therefrom, such supporting or additional information as it may deem necessary under the circumstances to carry out the purpose and policy of this compact.

(d) The child shall not be sent, brought, or caused to be sent or brought into the receiving state until the appropriate public authorities in the receiving state shall notify the sending agency, in writing, to the effect that the proposed placement does not appear to be contrary to the interests of the child.

ARTICLE 4

PENALTY FOR ILLEGAL PLACEMENT

The sending, bringing, or causing to be sent or brought into any receiving state of a child in violation of the terms of this compact shall constitute a violation of the laws respecting the placement of children of both the state in which the sending agency is located or from which it sends or brings the child and of the receiving state. Such violation may be punished or subjected to penalty in either jurisdiction in accordance with its laws. In addition to liability for any such punishment or penalty, any such violation shall constitute full and sufficient grounds for the suspension or revocation of any license, permit, or other legal authorization held by the sending agency which empowers or allows it to place, or care for children.

ARTICLE 5

RETENTION OF JURISDICTION

(a) The sending agency shall retain jurisdiction over the child sufficient to determine all matters in relation to the custody, supervision, care, treatment and disposition of the child which it would have had if the child had remained in the sending agency's state, until the child is adopted, reaches majority, becomes self-supporting or is discharged with the concurrence of the appropriate authority in the receiving state. Such jurisdiction shall also include the power to effect or cause the return of the child or its transfer to another location and custody pursuant to law. The sending agency shall continue to have financial responsibility for support and maintenance of the child during the period of the placement. Nothing contained herein shall defeat a claim of jurisdiction by a receiving state sufficient to deal with an act of delinquency or crime committed therein.

(b) When the sending agency is a public agency, it may enter into an agreement with an authorized public or private agency in the receiving state providing for the performance of one or more services in respect of such case by the latter as agent for the sending agency.

(c) Nothing in this compact shall be construed to prevent a private charitable agency authorized to place children in the receiving state from performing services or acting as agent in that state for a private charitable agency of the sending state; nor to prevent the agency in the receiving state from discharging financial responsibility for the support and maintenance of a child who has been placed on behalf of the sending agency without relieving the responsibility set forth in paragraph (a) hereof.

ARTICLE 6

INSTITUTIONAL CARE OF DELINQUENT CHILDREN

A child adjudicated delinquent may be placed in an institution in another party jurisdiction pursuant to this compact but no such placement shall be made unless the child is given a court hearing on notice to the parent or guardian with opportunity to be heard, prior to his being sent to such other party jurisdiction for institutional care and the court finds that:

1. Equivalent facilities for the child are not available in the sending agency's jurisdiction; and
2. Institutional care in the other jurisdiction is in the best interest of the child and will not produce undue hardship.

ARTICLE 7

COMPACT ADMINISTRATOR

The executive head of each jurisdiction party to this compact shall designate an officer who shall be general coordinator of activities under this compact in his jurisdiction and who, acting jointly with like officers of other party jurisdictions, shall have power to promulgate rules and regulations to carry out more effectively the terms and provisions of this compact.

ARTICLE 8

LIMITATIONS

This compact shall not apply to:

(a) The sending or bringing of a child into a receiving state by his parent, stepparent, grandparent, adult brother or sister, adult uncle or aunt, or his guardian and leaving the child with any such relative or nonagency guardian in the receiving state.

(b) Any placement, sending or bringing of a child into a receiving state pursuant to any other interstate compact to which both the state from which the child is sent or brought and the receiving state are party, or to any other agreement between said states which has the force of law.

ARTICLE 9

ENACTMENT AND WITHDRAWAL

This compact shall be open to joinder by any state, territory or possession of the United States, the District of Columbia, the Commonwealth of Puerto Rico, and, with the consent of Congress, the Government of Canada or any province thereof. It shall become effective with respect to any such jurisdiction when such jurisdiction has enacted the same into law. Withdrawal from this compact shall be by the enactment of a statute repealing the same, but shall not take effect until two years after the effective date of such statute and until written notice of the withdrawal has been given by the withdrawing state to the Governor of each other party jurisdiction. Withdrawal of a party state shall not affect the rights, duties and obligations under this compact of any sending agency therein with respect to a placement made prior to the effective date of withdrawal.

ARTICLE 10

CONSTRUCTION AND SEVERABILITY

The provisions of this compact shall be liberally construed to effectuate the purposes thereof. The provisions of this compact shall be severable and if any phrase, clause, sentence or provision of this compact is declared to be contrary to the constitution of any party state or of the United States or the applicability thereof to any government, agency, person or circumstance is held invalid, the validity of the remainder of this compact and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby. If this compact shall be held contrary to the constitution of any state party thereto, the compact shall remain in full force and effect as to the remaining states and in full force and effect as to the state affected as to all severable matters.

260.92 PLACEMENT PROCEDURES.

Subdivision 1. **Home study.** The state must have procedures for the orderly and timely interstate placement of children that are implemented in accordance with an interstate compact and that, within 60 days after the state receives from another state a request to conduct a study of a home environment for purposes of assessing the safety and suitability of placing a child in the home, the state shall, directly or by contract, conduct and complete a home study and return to the other state a report on the results of the study, which shall address the extent to which placement in the home would meet the needs of the child; except in the case of a home study begun before October 1, 2008, if the state fails to comply with conducting and completing the home study within the 60-day period and this is as a result of circumstances beyond the control of the state, the state has 75 days to comply if the state documents the circumstances involved and certifies that completing the home study is in the best interests of the child.

This subdivision does not require the completion within the applicable period of the parts of the home study involving the education and training of the prospective foster or adoptive parents.

Subd. 2. Effect of received report. The state shall treat any report described in subdivision 1 that is received from another state, an Indian tribe, or a private agency under contract with another state or Indian tribe as meeting any requirements imposed by the state for the completion of a home study before placing a child in the home, unless, within 14 days after receipt of the report, the state determines, based on grounds that are specific to the content of the report, that making a decision in reliance on the report would be contrary to the welfare of the child.

Subd. 3. Resources. The state shall make effective use of cross-jurisdictional resources, including through contract for the purchase of services, and shall eliminate legal barriers to facilitate timely adoptive or permanent placements for waiting children. The state shall not impose any restriction on the use of private agencies for the purpose of conducting a home study to meet the 60-day requirement.

Subd. 4. Incentive eligibility. Minnesota is an incentive-eligible state and must:

- (1) have an approved plan as required by the United States Secretary of Health and Human Services;
- (2) be in compliance with the data requirements of the United States Department of Health and Human Services; and
- (3) have data that verify that a home study is completed within 30 days.

Subd. 5. Data requirements. The state shall provide to the United States Secretary of Health and Human Services a written report, covering the preceding fiscal year, that specifies:

- (1) the total number of interstate home studies requested by the state with respect to children in foster care under the responsibility of the state, and with respect to each study, the identity of the other state involved;
- (2) the total number of timely interstate home studies completed by the state with respect to children in foster care under the responsibility of other states and, with respect to each study, the identity of the other state involved; and
- (3) other information the United States Secretary of Health and Human Services requires in order to determine whether Minnesota is a home study incentive-eligible state.

Subd. 6. Definitions. (a) The definitions in this subdivision apply to this section.

(b) "Home study" means an evaluation of a home environment conducted in accordance with applicable requirements of the state in which the home is located, to determine whether a proposed placement of a child would meet the individual needs of the child, including the child's safety; permanency; health; well-being; and mental, emotional, and physical development.

(c) "Interstate home study" means a home study conducted by a state at the request of another state to facilitate an adoptive or foster placement in the state of a child in foster care under the responsibility of the state.

Subd. 7. **Background study requirements for adoption and foster care.** (a) Background study requirements for an adoption home study must be completed consistent with section 259.41, subdivisions 1, 2, and 3.

(b) Background study requirements for a foster care license must be completed consistent with section 245C.08.

Subd. 8. **Home visits.** If a child has been placed in foster care outside the state in which the home of the parents of the child is located, periodically, but at least every six months, a caseworker on the staff of the agency of the state in which the home of the parents of the child is located or the state in which the child has been placed, or a private agency under contract with either state, must visit the child in the home or institution and submit a report on each visit to the agency of the state in which the home of the parents of the child is located.

Except as provided in article IV, section H and article V, section B, paragraphs 2 and 3, concerning private and independent adoptions and in interstate placements in which the public child-placing agency is not a party to a custody proceeding, the sending state shall retain jurisdiction over a child with respect to all matters of custody and disposition of the child which it would have had if the child had remained in the sending state. Such jurisdiction shall also include the power to order the return of the child to the sending state.

B. When an issue of child protection or custody is brought before a court in the receiving state, such court shall confer with the court of the sending state to determine the most appropriate forum for adjudication.

G. Nothing in this article shall limit the receiving state's ability to take emergency jurisdiction for the protection of the child.

H. The substantive laws of the state in which an adoption will be finalized shall solely govern all issues relating to the adoption of the child and the court in which the adoption proceeding is filed shall have subject matter jurisdiction regarding all substantive issues relating to the adoption, except:

1. when the child is a ward of another court that established jurisdiction over the child prior to the placement;
2. when the child is in the legal custody of a public agency in the sending state; or

C. The sending state and the receiving state may request additional information or documents prior to finalization of an approved placement, but they may not delay travel by the prospective adoptive parents with the child if the required content for approval has been submitted, received, and reviewed by the public child-placing agency in both the sending state and the receiving state.

D. Approval from the public child-placing agency in the receiving state for a provisional or approved placement is required as provided for in the rules of the Interstate Commission.

Upon receipt of a request from the public child-placing agency of the sending state, the receiving state shall initiate an assessment of the proposed placement to determine its safety and suitability. If the proposed placement is a placement with a relative, the public child-placing agency of the sending state may request a determination for a provisional placement.

G. The public child-placing agency in the receiving state may request from the public child-placing agency or the private child-placing agency in the sending state, and shall be entitled to receive supporting or additional information necessary to complete the assessment.

A. Except as otherwise provided in this compact, no child subject to this compact shall be placed into a receiving state until approval for such placement is obtained.

B. If the public child-placing agency in the receiving state does not approve the proposed placement then the child shall not be placed. The receiving state shall provide written documentation of any such determination in accordance with the rules promulgated by the Interstate Commission. Such determination is not subject to judicial review in the sending state.

C. If the proposed placement is not approved, any interested party shall have standing to seek an administrative review of the receiving state's determination.

1. The administrative review and any further judicial review associated with the determination shall be conducted in the receiving state pursuant to its applicable Administrative Procedure Act.

2. If a determination not to approve the placement of the child in the receiving state is overturned upon review, the placement shall be deemed approved, provided however that all administrative or judicial remedies have been exhausted or the time for such remedies has passed.

D. The public child-placing agency in the receiving state shall provide, or arrange for the provision of, supervision and services for the child, including timely reports, during the period of the placement.

F. Each member state shall provide for coordination among its branches of government concerning the state's participation in, and compliance with, the compact and Interstate Commission activities, through the creation of an advisory council or use of an existing body or board.
