

477C.03 CALCULATION OF POLICE STATE AID; APPEAL.

Subdivision 1. **Certification and calculation of police state aid.** (a) On or before October 1, the commissioner must calculate the amount of police state aid that each municipality is to receive.

(b) The commissioner must calculate an excess police state aid amount for each municipality under subdivision 3 and must reduce the apportionment amount for each municipality based on the calculation.

Subd. 2. **Apportionment of police state aid.** (a) The total amount available for apportionment as police state aid is equal to 104 percent of the amount of premium taxes paid to the state on the premiums reported to the commissioner by companies or insurance companies on the Minnesota Aid to Police Premium Report. The total amount for apportionment for the police state aid program must not be less than two percent of the amount of premiums reported to the commissioner by companies or insurance companies on the Minnesota Aid to Police Premium Report.

(b) The commissioner must calculate the percentage of increase or decrease reflected in the apportionment over or under the previous year's available state aid using the same premiums as a basis for comparison.

(c) In addition to the amount for apportionment of police state aid under paragraph (a), each year \$100,000 must be apportioned for police state aid. An amount sufficient to pay this increase is annually appropriated from the general fund.

(d) The commissioner must apportion police state aid to all municipalities in proportion to the relationship that the total number of peace officers employed by that municipality for the prior calendar year and the proportional or fractional number who were employed less than a calendar year as credited under section 477C.02, subdivision 1, paragraph (c), bears to the total number of peace officers employed by all municipalities subject to any reduction under subdivision 3.

(e) Any necessary additional adjustments must be made to subsequent police state aid apportionments.

Subd. 3. **Apportionment reduction; excess police state aid.** (a) The commissioner must reduce the apportionment of police state aid under this section for eligible municipalities by the amount of any excess police state aid calculated under this subdivision.

(b) The commissioner must calculate the amount of excess police state aid for each municipality as follows:

(1) for municipalities in which police retirement coverage is provided wholly by the public employees police and fire fund and all peace officers are members of the plan governed by sections 353.63 to 353.657, the excess police state aid amount equals the amount of police state aid apportioned under subdivision 2 that exceeds the employer's total prior calendar year obligation as defined in paragraph (c), as certified by the executive director of the Public Employees Retirement Association;

(2) for the Metropolitan Airports Commission, the excess police state aid amount equals the amount of apportioned police aid calculated under subdivision 2 that exceeds the commission's total prior calendar year obligation as defined in paragraph (c), as certified by the executive director of the Public Employees Retirement Association; and

(3) for the Departments of Natural Resources and Public Safety, the excess police state aid amount equals the amount of apportioned police aid calculated under subdivision 2 that exceeds the employer's total prior calendar year obligation under section 352B.02, subdivision 1c, for plan members who are peace officers, as certified by the executive director of the Minnesota State Retirement System.

(c) The municipality's total prior calendar year obligation with respect to the public employees police and fire plan under paragraph (b), clause (1), is the total prior calendar year obligation under section 353.65, subdivision 3, for police officers as defined in section 353.64, subdivisions 1, la, and 2, and the actual total prior calendar year obligation under section 353.65, subdivision 3, for firefighters, as defined in section 353.64, subdivisions 1, la, and 2, but not to exceed for those firefighters the applicable following employer calendar year amount:
