

**138.667 HISTORIC PROPERTIES; CHANGES.**

Properties designated as historic properties by sections 138.661 to 138.664 may be changed from time to time, and the Minnesota Historical Society shall notify the legislature of the need for changes, and shall make recommendations to keep the state historic sites network and the state register of historic places current and complete. The significance of properties proposed for designation shall be documented under the documentation standards established by the Minnesota Historical Society. This documentation shall include the opinion of the Minnesota Historical Society as to whether the property meets the selection criteria.
