(3) is trustworthy, reliable, and of good reputation, evidence of which must be determined by the commissioner;

(5) has successfully passed the examination for the lines of authority for which the individual has applied; and

(6) has paid the fees set forth in subdivision 9.

(b) A business entity applying for a resident adjuster license must make application to the commissioner on the appropriate NAIC Uniform Business Entity Application in a format prescribed by the commissioner and declare under penalty of suspension, revocation, or refusal of the license that the statements made in the application are true, correct, and complete to the best of the business entity's knowledge and belief. Before approving the application, the commissioner shall find that the business entity:

(1) is eligible to designate this state as its home state;

(2) has designated a licensed independent or public adjuster responsible for the business entity's compliance with the insurance laws, rules, and regulations of this state;

(3) has not committed an act that is a ground for probation, suspension, revocation, or refusal of an adjuster's license as set forth in section 72B.08; and

(4) has paid the fees set forth in subdivision 9.

(c) No resident of Canada may be licensed under this section or may designate Minnesota as the applicant's home state, unless the applicant has successfully passed the adjuster examination and has complied with the other applicable provisions of this section, except that such applicant shall not be subject to paragraph (a), clause (2), and section 270C.72, subdivision 4.

Subd. 2. Criminal history record check; fingerprints. (a) An individual applying for a resident independent or public adjuster license must:

(2) submit a fingerprint card in a form acceptable to the commissioner; and

(3) pay the fee required to perform criminal history record checks with the Minnesota Bureau of Criminal Apprehension and the Federal Bureau of Investigation.

(b) The commissioner may contract for the collection and transmission of fingerprints required under this chapter and may order the fee for collecting and transmitting fingerprints to be payable directly to the contractor by the applicant. The commissioner may agree to a reasonable fingerprinting fee to be charged by the contractor.

(c) The commissioner must treat and maintain an applicant's fingerprints and any criminal history record information obtained under this chapter as confidential and must apply security measures consistent with the standards specified by the Criminal Justice Information Services Division of the Federal Bureau of Investigation for the electronic storage of fingerprints and necessary identifying information. The commissioner must limit the use of records solely to the purposes authorized in this chapter. The fingerprints and any criminal history record information must not be subject to subpoena, other than one issued in a criminal action or investigation.

(d) The commissioner may receive criminal history record information from another government agency in lieu of the Minnesota Bureau of Criminal Apprehension.

(e) The commissioner may require any documents reasonably necessary to verify the information contained in the application.

(f) All applicants for a license as a public adjuster must attach to their application evidence that the bonding requirement in subdivision 3 has been satisfied.

(g) All executive officers and directors of a business entity applying for a resident independent adjuster license to adjust claims relating to portable electronics insurance claims relating to coverage regulated by section 60K.381 and all executive officers and directors of entities and any individuals owning, directly or indirectly, more than 50 percent of the outstanding voting securities of that applicant, are subject to the requirements of this subdivision, paragraphs (a) to (e).

Subd. 3. **Bonding.** No initial or renewal public adjuster's license shall be issued to any applicant unless there is on file with the commissioner a good and sufficient surety bond, issued by an insurer authorized to do business in this state. The bond shall be in the amount of \$10,000 with the state of Minnesota as obligee, conditioned for the prompt payment to any person entitled thereto, other than a partner or associate of the applicant, of any amounts received by the applicant or to protect any person other than a partner or associate of the applicant from loss resulting from fraud, dishonesty, forgery or theft in connection with the applicant's duties under sections 72B.01 to 72B.14; provided, however, that the aggregate liability of the surety to all persons for all losses shall, in no event, exceed the amount of such bond. The bond shall remain in effect during the term of the license, or until the surety is released from liability by the commissioner, or until canceled by the surety. The surety may cancel a bond, without prejudice to any liability which occurred prior to the cancellation, by giving at least 30 days' written notice to the commissioner. In the event that the required bond is terminated, the public adjuster's license shall automatically be suspended until a new bond is filed with the commissioner.

Subd. 4. **Examinations.** (a) An individual applying for an independent or public adjuster license under this chapter must pass a written examination unless exempt pursuant to subdivision 5. The examination must test the knowledge of the individual concerning the lines of authority for which application is made, the duties and responsibilities of an independent or public adjuster, and the insurance laws and regulations of this state. Examinations required by this subdivision must be developed and conducted under rules and regulations prescribed by the commissioner.

(b) The commissioner may make arrangements, including contracting with an outside testing service, for administering examinations.

(c) An individual who fails to appear for the examination as scheduled or fails to pass the examination must reapply for an examination and remit all required fees and forms before being rescheduled for another examination.

(d) The commissioner may by rule determine the period of time between failure of an examination and reexamination.

(e) A person shall not be eligible to take an examination if that person's license as an independent adjuster or public adjuster has been revoked in this or any other state within the three years next preceding the date of the application.

(f) No examination shall be required for the timely renewal of a license, unless the license has been revoked.

Subd. 5. **Exceptions.** (a) An individual who applies for an adjuster license in this state who is or was licensed in another state for the same lines of authority based on an adjuster examination is not required to complete a prelicensing examination. This exemption is only available if the person is currently licensed in another state or if that state license has expired and the application is received by this state within 90 days of expiration. The applicant must provide certification from the other state that the applicant's license is currently in good standing or was in good standing at the time of expiration or certification from the other state that its producer database records, maintained by the NAIC, its affiliates, or its subsidiaries, indicate that the applicant or the applicant's company is or was licensed in good standing. The certification must be of a license with the same line of authority for which the individual has applied.

(b) A person licensed as an adjuster in another state based on an adjuster examination who establishes legal residency in this state must make application within 90 days to become a resident adjuster licensee pursuant to this section, with the exception that no prelicensing examination is required of this person.

(c) A person applying for a license as a crop hail adjuster shall not be required to comply with the requirements of subdivision 4.

(d) A person applying for the crop line of authority who has satisfactorily completed the National Crop Insurance Services Crop Adjuster Proficiency Program or the loss adjustment training curriculum and competency testing required by the Federal Crop Insurance Corporation Standard Reinsurance Agreement is exempt from the requirements of subdivision 4.

Subd. 6. **License term.** (a) Initial licenses issued to a business entity under this section are valid for a period not to exceed 24 months. Each initial license must expire on October 31 of the expiration year assigned by the commissioner. Initial licenses issued to an individual adjuster under this chapter before August 1, 2010, are valid for a period not to exceed 24 months and expire on October 31 of the renewal year assigned by the commissioner. Each individual license initially issued or initially renewed on or after August 1, 2010, must expire on the last day of the birth month of the adjuster in the year that will result in the term of the license being at least 12 months, but no more than 24 months. Beginning with the first license expiration on the last day of the birth month of an individual adjuster as set forth in this subdivision, all such licenses must after this date expire biennially on the last day of the birth month of the individual adjuster that is two years subsequent to the preceding expiration date.

(b) Licenses issued under this section may be renewed upon the timely filing of an application for renewal.

Subd. 7. **Renewal.** An application for renewal of a license issued under sections 72B.01 to 72B.14 shall be on a form prescribed by the commissioner and shall be filed with the commissioner with payment of the renewal fee prior to the expiration date of the license.

Subd. 8. **Notice of changes.** Each licensee or holder of a temporary permit shall give written notice to the commissioner of any change in name, or residence address not later than ten days after such change. The commissioner may, upon receipt of such notice, issue an amendment to the license incorporating such changes.

Subd. 9. **Fees.** A fee of \$50 is imposed for each initial license or temporary permit and \$50 for each renewal thereof or amendment thereto. A fee of \$20 is imposed for the registration of each nonlicensed adjuster who is required to register under section 72B.06. All fees shall be transmitted to the commissioner and shall be payable to the Department of Commerce.

Subd. 10. **Business entity.** All executive officers and directors of a business entity applying for a nonresident independent adjuster license to adjust claims relating to portable electronics insurance claims relating to coverage regulated by section 60K.381 and all executive officers and directors of entities and any individuals owning, directly or indirectly, more than 50 percent of the outstanding voting securities of that applicant, are subject to the requirements of subdivision 2, paragraphs (a) to (e). A nonresident business entity whose home state subjects the applicant to requirements substantially similar to those under subdivision 2 is not required to comply with subdivision 2.

72B.045 CONTINUING EDUCATION.

Subdivision 1. **Requirement.** An individual who holds an independent or public adjuster license and who is not exempt under this section must satisfactorily complete a minimum of 24 hours of continuing education courses, of which three hours must be in ethics, reported to the commissioner on a biennial basis in conjunction with the individual's license renewal cycle.

Subd. 2. **Exceptions.** This section does not apply to:

(1) a licensee not licensed for one full year prior to the end of the applicable continuing education biennium; or

(3) the person has submitted or transmitted to the commissioner the appropriate completed application for licensure; and

(4) the person's designated home state awards nonresident adjuster licenses to persons of this state on the same basis.

(b) The commissioner may verify the adjuster's licensing status through any appropriate database, including the producer database maintained by the National Association of Insurance Commissioners, its affiliates, or its subsidiaries, or may request certification of good standing as described in section 72B.041, subdivision 5.

(c) As a condition to the continuation of a nonresident adjuster license, the licensee must maintain a resident adjuster license in the licensee's home state. The nonresident adjuster license issued under this chapter must terminate and be surrendered immediately to the commissioner if the resident adjuster license terminates for any reason, unless the termination is due to the adjuster being issued a new resident adjuster license in the adjuster's new home state. The new state resident adjuster license must have reciprocity with

the licensing nonresident states, otherwise, the nonresident adjuster license must terminate. Notice of resident adjuster license termination must be given to any state that issued a nonresident adjuster license. Notice must be given within 30 days of the termination date; if terminated for change in the resident home state, then the notice must include both the previous and current address. Maintaining a resident adjuster license is required for the nonresident adjuster license to remain valid.

72B.06 CATASTROPHE OR EMERGENCY SITUATIONS.

(a) For purposes of this chapter, a catastrophe exists when, due to a specific, infrequent, and sudden natural or man-made disaster or phenomenon, there have arisen losses to property in Minnesota that are covered by insurance, and the losses are so numerous and severe that resolution of claims related to such covered property losses will not occur expeditiously without the licensing of emergency independent adjusters due to the magnitude of the catastrophic damage. A failure of claims to be resolved expeditiously shall exist upon an insurer's filing with the department a written statement that one of the following conditions exists: (1) the insurer expects to incur at least 500 claims as a result of the event; or (2) the magnitude of the event is expected to generate twice the mean number of claims for one month for the affected area. Such written statement may be sent electronically to the commissioner. An insurer must notify the commissioner via registration of each independent adjuster not already licensed in Minnesota, that will act as an emergency independent adjuster on behalf of the insurer pursuant to paragraph (b).

(b) A person who is otherwise qualified to adjust claims, but not already licensed in Minnesota, may act as an emergency independent adjuster and adjust claims, if, within five days of deployment to adjust claims arising from the catastrophe, the insurer or the independent adjuster's employer, in the notification required by paragraph (a), notifies the commissioner by providing the following information in a format prescribed by the commissioner:

(1) the name of the individual;

(2) the Social Security number of the individual;

(3) the name of the insurer the independent adjuster will represent;

(4) the effective date of the contract between the insurer and independent adjuster or the independent adjuster's employer;

(5) the catastrophe loss control number;

(6) the catastrophe name; and

(7) other information the commissioner deems necessary.

(c) An emergency independent adjuster's license or registration remains in force for 180 days; such license or registration shall be effective for all catastrophes described in paragraph (a), clauses (1) and (2). Such license or registration may be extended for 180 days.

The commissioner may summarily suspend or revoke the right of any person adjusting in this state under the authority of this section to continue to adjust in this state, if the commissioner finds that that person has engaged in any of the practices forbidden to a licensed adjuster under sections 72B.01 to 72B.14. Notice of such suspension or revocation may be given personally or by mail sent to the temporary address stated in the registration and to the insurer or independent adjusting company who submitted the independent adjuster information.

Subd. 2. **Notice.** In the event that the action by the commissioner is to refuse application for licensure or renewal of an existing license, the commissioner must notify the applicant or licensee in writing, advising of the reason for the refusal.

Subd. 3. **Hearing.** Except when an application is rejected for failure to pass a required examination, the person aggrieved by the action of the commissioner shall be entitled to a hearing before the commissioner or the commissioner's delegate, provided that such person files a written request for such hearing with the commissioner prior to the expiration of 30 days from the date of notice specified in subdivision 2. If a hearing is timely requested, the commissioner shall set a date for such hearing not later than 30 days after the date of receipt of the request for hearing. Pending the hearing or any judicial review of such hearing, the commissioner may modify or vacate the action taken or extend it until final determination.

After the hearing, the commissioner shall enter an order either vacating the prior action, confirming the prior action or otherwise disposing of the matter as the facts require.

Subd. 4. **Suspension or revocation of license or permit.** When the commissioner has information, which if true, would be grounds for suspension, revocation, or refusal to issue a renewal license or a temporary permit, the commissioner may order the licensee or holder of the temporary permit to appear for a hearing pursuant to chapter 14, to determine the facts of the case and to determine whether the license or permit should be suspended or revoked, or whether it should not be renewed. The order shall fix the time and place for the hearing. After the hearing, the commissioner shall enter an order either dismissing the matter or suspending or revoking the license or temporary permit, or otherwise disposing of the matter as the facts require. Pending the results of the hearing, the licensee or permit holder may continue to act under the license or permit.

The license of a business entity may be probated, suspended, revoked, or refused if the commissioner finds, after a hearing, that:

(2) the violation was known or should have been known by one or more of the business entity's partners, officers, or managers;

(3) the violation was not reported to the commissioner; and

(4) corrective action was not taken.

In addition to or in lieu of any applicable probation, suspension, revocation, or refusal, a person may, after a hearing, additionally be subject to a civil fine according to section 45.027, subdivision 6.

The commissioner retains the authority to enforce the provisions of and impose any penalty or remedy authorized by this chapter and section 45.027, subdivision 6, against any person who is under investigation

for or charged with a violation of this chapter or sections 72A.17 to 72A.32, even if the person's license or registration has been surrendered or has expired by operation of law.

Nothing in this subdivision shall reduce or alter the bonding requirements for a public adjuster.
