A provider agency or individual provider that receives a rate subject to the requirements of this paragraph shall prepare, and upon request submit to the commissioner, a distribution plan that specifies the amount of money the provider expects to receive that is subject to the requirements of this paragraph, including how that money was or will be distributed to increase compensation-related costs for employees. Within 60 days of final implementation of a rate adjustment subject to the requirements of this paragraph, the provider must post the distribution plan and leave it posted for a period of at least six months in an area of the provider's operation to which all direct support professionals have access.

The rate adjustments described in section 256S.205 do not apply to rates paid under this section. Customized living and 24-hour customized living rates determined under this section shall not include more than 24 hours of support in a daily unit. (1) the base shared staffing must be eight hours divided by the number of people receiving support in the integrated community support setting;

(2) the individual staffing hours must be the average number of direct support hours provided directly to the service recipient;

(3) the personnel hourly wage rate must be based on the most recent Bureau of Labor Statistics Minnesota-specific rates or rates derived by the commissioner as provided in subdivision 5;

(4) except for subdivision 5, paragraph (a), clauses (4) and (21) to (23), multiply the result of clause (3) by the product of one plus the competitive workforce factor in subdivision 5, paragraph (b), clause (1);

(5) for a recipient requiring customization for deaf and hard-of-hearing language accessibility under subdivision 12, add the customization rate provided in subdivision 12 to the result of clause (4);

(6) multiply the number of shared and individual direct staff hours in clauses (1) and (2) by the appropriate staff wages;

(7) multiply the number of shared and individual direct staff hours in clauses (1) and (2) by the product of the supervisory span of control ratio in subdivision 5, paragraph (b), clause (2), and the appropriate supervisory wage in subdivision 5, paragraph (a), clause (21);

(8) combine the results of clauses (6) and (7) and multiply the result by one plus the employee vacation, sick, and training allowance ratio in subdivision 5, paragraph (b), clause (3). This is defined as the direct staffing cost;

(9) for employee-related expenses, multiply the direct staffing cost by one plus the employee-related cost ratio in subdivision 5, paragraph (b), clause (4); and

(10) for client programming and supports, the commissioner shall add $2,260.21 divided by 365.

(f) The total rate must be calculated as follows:

(1) add the results of paragraph (e), clauses (9) and (10);

Subd. 7. **Payments for day programs.** Payments for services with day programs including adult day services, day treatment and habilitation, day support services, prevocational services, and structured day services must be calculated as follows:

(1) determine the number of units of service and staffing ratio to meet a recipient's needs:

(i) the staffing ratios for the units of service provided to a recipient in a typical week must be averaged to determine an individual's staffing ratio; and

(ii) the commissioner, in consultation with service providers, shall develop a uniform staffing ratio worksheet to be used to determine staffing ratios under this subdivision;

(2) personnel hourly wage rates must be based on the 2009 Bureau of Labor Statistics Minnesota-specific rates or rates derived by the commissioner as provided in subdivision 5;

(3) except for subdivision 5, paragraph (a), clauses (4) and (21) to (23), multiply the result of clause (2) by the product of one plus the competitive workforce factor in subdivision 5, paragraph (d), clause (1);

(4) for a recipient requiring customization for deaf and hard-of-hearing language accessibility under subdivision 12, add the customization rate provided in subdivision 12 to the result of clause (3);

(5) multiply the number of day program direct staff hours and nursing hours by the appropriate staff wage;

(7) combine the results of clauses (5) and (6), and multiply the result by one plus the employee vacation, sick, and training allowance ratio in subdivision 5, paragraph (d), clause (3). This is defined as the direct staffing rate;

(8) for program plan support, multiply the result of clause (7) by one plus the program plan support ratio in subdivision 5, paragraph (d), clause (5);

(9) for employee-related expenses, multiply the result of clause (8) by one plus the employee-related cost ratio in subdivision 5, paragraph (d), clause (4);

(10) for client programming and supports, multiply the result of clause (9) by one plus the client programming and support ratio in subdivision 5, paragraph (d), clause (6);

(11) for program facility costs, add $19.30 per week with consideration of staffing ratios to meet individual needs;

(12) for adult day bath services, add $7.01 per 15 minute unit;

(13) this is the subtotal rate;

(14) sum the standard general and administrative rate, the program-related expense ratio, and the absence and utilization factor ratio;

(15) divide the result of clause (13) by one minus the result of clause (14). This is the total payment amount;

(16) adjust the result of clause (15) by a factor to be determined by the commissioner to adjust for regional differences in the cost of providing services;

(17) for transportation provided as part of day training and habilitation for an individual who does not require a lift, add:

As determined by the commissioner, in consultation with stakeholders identified in subdivision 17, a provider enrolled to provide services with rates determined under this section must submit requested cost data to the commissioner to support research on the cost of providing services that have rates determined by the disability waiver rates system. (f) By December 31, 2020, providers paid with rates calculated under subdivision 5, paragraph (b), shall identify additional revenues from the competitive workforce factor and prepare a written distribution plan for the revenues. A provider shall make the provider's distribution plan available and accessible to all direct care staff for a minimum of one calendar year. (j) Providers who receive payment under this section for less than 25 percent of their clients in the year prior to the report may attest to the commissioner in a manner determined by the commissioner that they are declining to provide the data required under paragraph (g) and will not be subject to the payment suspension in paragraph (i).

Subd. 11. **Payment implementation.** Upon implementation of the payment methodologies under this section, those payment rates supersede rates established in county contracts for recipients receiving waiver services under section 256B.092 or 256B.49.

Subd. 12. **Customization of rates for individuals.** (a) For persons determined to have higher needs based on being deaf or hard-of-hearing, the direct-care costs must be increased by an adjustment factor prior to calculating the rate under subdivisions 6, 7, 8, and 9. The customization rate with respect to deaf or hard-of-hearing persons shall be $2.50 per hour for waiver recipients who meet the respective criteria as determined by the commissioner.

Subd. 14. **Exceptions.** (a) In a format prescribed by the commissioner, lead agencies must identify individuals with exceptional needs that cannot be met under the disability waiver rate system. The commissioner shall use that information to evaluate and, if necessary, approve an alternative payment rate for those individuals. Whether granted, denied, or modified, the commissioner shall respond to all exception requests in writing. The commissioner shall include in the written response the basis for the action and provide notification of the right to appeal under paragraph (h).

(b) Lead agencies must act on an exception request within 30 days and notify the initiator of the request of their recommendation in writing. A lead agency shall submit all exception requests along with its recommendation to the commissioner.

(c) An application for a rate exception may be submitted for the following criteria:

(1) an individual has service needs that cannot be met through additional units of service;

(2) an individual's rate determined under subdivisions 6, 7, 8, and 9 is so insufficient that it has resulted in an individual receiving a notice of discharge from the individual's provider; or

(3) an individual's service needs, including behavioral changes, require a level of service which necessitates a change in provider or which requires the current provider to propose service changes beyond those currently authorized.

(d) Exception requests must include the following information:

(1) the service needs required by each individual that are not accounted for in subdivisions 6, 7, 8, and 9;

(2) the service rate requested and the difference from the rate determined in subdivisions 6, 7, 8, and 9;

(4) any contingencies for approval.

(e) Approved rate exceptions shall be managed within lead agency allocations under sections 256B.092 and 256B.49.

(f) Individual disability waiver recipients, an interested party, or the license holder that would receive the rate exception increase may request that a lead agency submit an exception request. A lead agency that denies such a request shall notify the individual waiver recipient, interested party, or license holder of its decision and the reasons for denying the request in writing no later than 30 days after the request has been made and shall submit its denial to the commissioner in accordance with paragraph (b). The reasons for the denial must be based on the failure to meet the criteria in paragraph (c).

(g) The commissioner shall determine whether to approve or deny an exception request no more than 30 days after receiving the request. If the commissioner denies the request, the commissioner shall notify the lead agency and the individual disability waiver recipient, the interested party, and the license holder in writing of the reasons for the denial.

(h) The individual disability waiver recipient may appeal any denial of an exception request by either the lead agency or the commissioner, pursuant to sections 256.045 and 256.0451. When the denial of an exception request results in the proposed demission of a waiver recipient from a residential or day habilitation program, the commissioner shall issue a temporary stay of demission, when requested by the disability waiver recipient, consistent with the provisions of section 256.045, subdivisions 4a and 6, paragraph (c). The temporary stay shall remain in effect until the lead agency can provide an informed choice of appropriate, alternative services to the disability waiver.

(i) Providers may petition lead agencies to update values that were entered incorrectly or erroneously into the rate management system, based on past service level discussions and determination in subdivision 4, without applying for a rate exception.

(j) The starting date for the rate exception will be the later of the date of the recipient's change in support or the date of the request to the lead agency for an exception.

(k) The commissioner shall track all exception requests received and their dispositions. The commissioner shall issue quarterly public exceptions statistical reports, including the number of exception requests received and the numbers granted, denied, withdrawn, and pending. The report shall include the average amount of time required to process exceptions.

(l) Approved rate exceptions remain in effect in all cases until an individual's needs change as defined in paragraph (c).

Subd. 15. **County or tribal allocations.** (a) The commissioner shall establish a method of tracking and reporting the fiscal impact of the disability waiver rates management system on individual lead agencies.

(b) The commissioner shall make annual adjustments to lead agencies' home and community-based waivered service budget allocations to adjust for rate differences and the resulting impact on county allocations upon implementation of the disability waiver rates system.

(c) Lead agencies exceeding their allocations shall be subject to the provisions under sections 256B.0916, subdivision 11, and 256B.49, subdivision 26.
