

353.335 DISABILITANT EARNINGS REPORTS.

Unless waived by the executive director, a disability benefit recipient must report all earnings from reemployment and from income from workers' compensation to the association annually by May 15 in a format prescribed by the executive director. If the form is not submitted by May 15, benefits must be suspended effective June 1. Upon receipt of the form by the association, if the disability benefit recipient is deemed by the executive director to be eligible for continued payment, benefits must be reinstated retroactive to June 1. The executive director may waive the requirements in this section if the medical evidence supports that the disability benefit recipient will not have earnings from reemployment.
