352.016 UNIVERSITY OF MINNESOTA EMPLOYEES; FURLOUGH SERVICE AND SALARY CREDIT.

A furloughed employee of the University of Minnesota who is a member of the general state employees retirement plan of the Minnesota State Retirement System may obtain allowable service credit and salary credit for the furlough period. The allowable service and salary credit authorization under this section is a leave of absence authorization for purposes of section 352.017 and the purchase payment procedure of section 352.017, subdivision 2, applies.

History: 2010 c 359 art 15 s 1

352.017 AUTHORIZED LEAVE OF ABSENCE SERVICE CREDIT PURCHASE PROCEDURE.

Subdivision 1. **Application.** Except for leaves or breaks in service covered by section 352.27, this section applies to all plans specified in this chapter for any period of authorized leave of absence without pay that does not exceed one year and for which the employee obtains credit for allowable service by making payment as specified in this section to the applicable fund.

Subd. 2. **Purchase procedure.** (a) An employee covered by a plan specified in this chapter may purchase credit for allowable service in that plan for a period specified in subdivision 1 if the employee makes a payment as specified in paragraph (b) or (c), whichever applies. The employing unit, at its option, may pay the employer portion of the amount specified in paragraph (b) on behalf of its employees.

(b) If payment is received by the executive director within one year from the date the employee returned to work following the authorized leave, the payment amount is equal to the employee and employer contribution rates specified in law for the applicable plan at the end of the leave period multiplied by the employee's hourly rate of salary on the date of return from the leave of absence and by the days and months of the leave of absence for which the employee is eligible for allowable service credit. The payment must include compound interest at the applicable monthly rate or rates specified in section 356.59, subdivision 2, from the last day of the leave period until the last day of the month in which payment is received. If payment is received by the executive director after one year, the payment amount is the amount determined under section 356.551. Payment under this paragraph must be made before the date of termination from public employment covered under this chapter.

(c) If the employee terminates employment covered by this chapter during the leave or following the leave rather than returning to covered employment, payment must be received by the executive director within 30 days after the termination date. The payment amount is equal to the employee and employer contribution rates specified in law for the applicable plan on the day prior to the termination date, multiplied by the employee's hourly rate of salary on that date and by the days and months of the leave of absence prior to termination.

Subdivision 1. **Establishment.** (a) There is established the general state employees retirement plan of the Minnesota State Retirement System for state employees.

(b) The general state employees retirement plan is a continuation of the State Employees Retirement Association.

Subd. 2. **State employees covered.** Every person who becomes a state employee as defined in section 352.01 is covered by the general state employees retirement plan. Acceptance of state employment or continuance in state service is deemed to be consent to have deductions made from salary for deposit to the credit of the account of the state employee in the retirement fund.

Subd. 3. **Optional exemptions.** (a) Any person who is appointed by the governor or lieutenant governor who is not already covered by the general state employees retirement plan under this chapter and who is not an employee listed in section 352D.02, subdivision 1, paragraph (c), may request, in writing, an exemption from coverage by the plan.

(b) To qualify for this exemption, the request must be made within 90 days from the date of entering upon the duties of the position to which the person is appointed.

(c) After making the request, a person requesting the exemption is not entitled to coverage by the general state employees retirement plan while employed in the position that entitled that person to an exemption from coverage.

Subd. 4. **Reentering service after refund.** When a former employee who has withdrawn accumulated contributions reenters employment in a position entitled to coverage under the general state employees retirement plan, the employee must be covered by the plan on the same basis as a new employee and is not entitled to allowable service credit for any former service. The annuity rights forfeited when taking a refund can only be restored as provided in section 352.23.

Subd. 5. MS 1994 [Repealed, 1995 c 262 art 1 s 26]

Subd. 5. **Determining applicable law.** An annuity under this chapter must be computed under the law in effect as of the last day for which the employee receives pay, or if on medical leave, the day that the leave terminates. However, if the employee has returned to covered employment following a termination, the employee must have earned at least six months of allowable service following a return to employment as a state employee in order to qualify for improved benefits resulting from any law change enacted subsequent to that termination.

However, the employing labor organization may pay the employer contributions. Contributions made by the employee must be made by salary deduction. The employing labor organization shall pay all contributions to the system as required by section 352.04, or by section 352.92 for employees covered by section 352.91.

352.04 STATE EMPLOYEES RETIREMENT FUND, CONTRIBUTIONS BY EMPLOYEE AND EMPLOYER.

Subdivision 1. **Fund created.** There is created a special fund to be known as the general state employees retirement fund. In that fund, employee contributions, employer contributions, and other amounts authorized by law must be deposited.

Subd. 2. **Employee contributions.** (a) The employee contribution to the fund must be equal to the following percent of salary:

from July 1, 2014, to June 30, 2018	5.5
from July 1, 2018, to June 30, 2019	5.75
after June 30, 2019	6

(b) These contributions must be made by deduction from salary as provided in subdivision 4.

(c) Contribution increases under paragraph (a) must be paid starting the first day of the first full pay period after the effective date of the increase.

Subd. 3. **Employer contributions.** (a) The employer contribution to the fund must be equal to the following percent of salary:

from July 1, 2014, to June 30, 2018	5.5
from July 1, 2018, to June 30, 2019	5.875
after June 30, 2019	6.25

(b) Contribution increases under paragraph (a) must be paid starting the first day of the first full pay period after the effective date of the increase.

Subd. 4. **Payroll deductions.** Each employing entity shall have employee contributions deducted from the salary of each employee covered by the system on every payroll abstract and shall approve one voucher payable to the commissioner of management and budget for the aggregate amount deducted on the payroll abstract. Deductions from salaries of employees paid directly by any employing entity must be made by the officer or employee authorized by law to pay the salaries. Any employing entity having authority to appoint any employee who receives fees as compensation or who receives compensation on federal payrolls shall collect as the required employee contribution the applicable amounts required in subdivision 2. Deductions from salary and amounts collected must be remitted to the director with a statement showing the amount of earnings or fees, and in the case of fees, the number of transactions, the amount of each of the deductions and collections, and the names of the employees on whose account they have been made.

Subd. 5. **Payment of employer contributions.** The head of each department or agency shall have employer contributions made to the fund on a payroll abstract at the time an employee is paid salary in the amounts required by subdivision 3. These contributions must be charged as administrative costs. Each department shall pay these amounts from accounts and funds from which the department or agency receives its revenue, including appropriations from the general fund and from any other fund for the payment of salaries and in the same proportion as it pays the amounts of salaries.

Subd. 6. **Quasi-state agencies; employer contributions.** For those of their employees who are covered by the system, the State Horticultural Society, the Disabled American Veterans, Department of Minnesota, Veterans of Foreign Wars, Department of Minnesota, the Minnesota Crop Improvement Association, the Minnesota Historical Society, the Armory Building Commission, the Minnesota Safety Council, the Metropolitan Council and any of its statutory boards, the employer of persons described in section 352.01, subdivision 2a, paragraph (a), clause (15), and any other agency employing employees covered by this system, respectively, shall also pay into the retirement fund the amount required by subdivision 3.

Subd. 7. [Repealed, 1973 c 221 s 11]

Subd. 8. **Employing entity required to pay omitted salary deductions.** (a) If an employing entity fails to take deductions past due for a period of 60 days or less from an employee's salary as provided in this section, those deductions must be taken on later payroll abstracts.

(b) If an employing entity fails to take deductions past due for a period in excess of 60 days from an employee's salary as provided in this section, the employing entity, and not the employee, must pay on later payroll abstracts the employee and employer contributions and interest at the applicable annual rate or rates specified in section 356.59, subdivision 2, compounded annually, from the date the employee and employer contributions should have been deducted to the date payment of the total amount due is paid by the employing entity.

(c) If an employing entity fails to take deductions past due for a period of 60 days or less and the employee is no longer in state service so that the required deductions cannot be taken from the salary of the employee, the employing entity must nevertheless pay the required employer contributions. If any employing entity fails to take deductions past due for a period in excess of 60 days and the employee is no longer in state service, the omitted contributions must be recovered under paragraph (b).

(d) If an employee from whose salary required deductions were past due for a period of 60 days or less leaves state service before the payment of the omitted deductions and subsequently returns to state service, the unpaid amount is considered the equivalent of a refund. The employee accrues no right by reason of the unpaid amount, except that the employee may pay the amount of omitted deductions as provided in section 352.23.

Subd. 9. **Erroneous deductions, canceled payments.** (a) Deductions taken from the salary of an employee for the retirement fund in excess of required amounts must, upon discovery and verification by the employing entity making the deduction, be refunded to the employee. Employer contributions made in excess of required amounts must be refunded or credited to the employing entity that made the contribution.

(b) If a deduction for the retirement fund is taken from a salary payment, and the payment is canceled or the amount of the payment returned to the funds of the employing entity making the payment, the sum deducted, or the part of it required to adjust the deductions, must be refunded or credited to the employing entity if the employing entity applies for the refund on a form furnished by the director.

(c) If erroneous employee deductions and employer contributions are caused by an error in plan coverage involving the plan and any other plans specified in section 356.99, that section applies. If the employee should have been covered by the plan governed by chapter 352D, 353D, 354B, or 354D, the employee deductions and employer contributions taken in error must be directly transferred to the applicable employee's account in the correct retirement plan, with interest at the applicable monthly rate or rates specified in section 356.59, subdivision 2, compounded annually, from the first day of the month following the month in which coverage should have commenced in the correct defined contribution plan until the end of the month in which the transfer occurs.

Subd. 10. [Repealed, 2Sp1981 c 1 s 8]

Subd. 11. MS 2016 [Repealed, 2018 c 211 art 17 s 3]

Subd. 12. **Fund disbursement restricted.** The general state employees retirement fund must be disbursed only for the purposes provided by law. The expenses of the system and any benefits provided by law must be paid from the general state employees retirement fund. The retirement allowances, retirement annuities, and disability benefits, as well as refunds of any sum remaining to the credit of a deceased retired employee or a disabled employee must be paid from the general state employees retirement fund. The amounts necessary to make the payments from the general state employees retirement fund are annually appropriated from that fund for those purposes.

Subd. 13. **"Employing entity" defined.** In this section, "employing entity" means the entity that pays a state employee's salary and remits retirement contributions.

352.041 LEAVE OF ABSENCE FOR EMPLOYMENT BY POLITICAL SUBDIVISION.

Subdivision 1. **Allowable service credit.** (a) An employee covered by the general state employees retirement plan who is given a leave of absence for employment by a political subdivision of the state remains a member of the plan and must continue to pay member contributions into the general state employees retirement fund for the period of leave.

(b) Upon payment of member contributions, the employee must be given allowable service credit as a state employee on the records of the retirement plan as though the employee had received salary from the state during the leave. Payments into the retirement fund must be at the rate required in section 352.04, subdivision 2, and must be based upon the salary received from the political subdivision.

Subd. 2. **Employee contributions, procedure.** The officer or employee who is authorized by law to pay salaries to employees of the political subdivision which is employing a state employee must deduct employee contributions for the general state employees retirement plan under section 352.04, subdivision 2, from the salary of each employee who is on leave of absence from state service on each payroll abstract and must pay the sum to the director following the conclusion of each pay period.

Subd. 3. **Employer contributions, procedure.** The officer or employee who is authorized by law to pay salaries to employees of the political subdivision which is employing a state employee covered by the general state employees retirement plan also must have employer contributions made to the general state employees retirement fund following the conclusion of each payroll abstract in the amount required by section 352.04, subdivision 3. These contributions must be charged to the political subdivision as an administrative cost.

Subd. 4. [Repealed, 1963 c 383 s 59]

Subd. 5. **Employer contributions, leaves of absence; tax levies.** (a) Every political subdivision which is employing a state employee covered by the system on leave of absence from state service for employment by a political subdivision of the state must pay into the general state employees retirement fund the amount of the employer contribution required by law for state employees covered by the system under section 352.04, subdivision 3.

(b) Employing political subdivisions other than school districts may levy taxes necessary for the payment of employer contributions without limitation as to rate or amount. The levy of the taxes does not reduce the amount of other taxes that may be levied by political subdivisions other than school districts which are subject to any limitation.

352.05 COMMISSIONER OF MANAGEMENT AND BUDGET TO BE TREASURER OF SYSTEM.

The commissioner of management and budget is ex officio treasurer of the retirement funds of the system. The general bond to the state shall cover all liability for actions as treasurer of these funds. Funds of the system received by the commissioner of management and budget must be set aside in the state treasury to the credit of the proper fund. The commissioner of management and budget shall deliver to the director copies of all payroll abstracts of the state together with the commissioner of management and budget's payments covering the deductions made on these payroll abstracts for the retirement fund. The director shall have a list made of the commissioner of management and budget's payments. These payments must then be credited to the retirement fund. The commissioner of management and budget shall pay out of this fund only upon abstracts signed by the director, or by the finance officer designated by the director during the disability or the absence of the director from the city of St. Paul, Minnesota. Abstracts for investments may be signed by the executive director of the State Board of Investment.

352.113 PERMANENT DISABILITY BENEFITS.

Subdivision 1. **Age and service requirements.** (a) An employee covered by the system, who is less than normal retirement age and who becomes totally and permanently disabled after three or more years of allowable service if employed before July 1, 2010, or after five or more years of allowable service if employed after June 30, 2010, is entitled to a disability benefit in an amount provided in subdivision 3.

(b) If the disabled employee's state service has terminated at any time, the employee must have at least two years of allowable service after last becoming a state employee covered by the system.

(c) Refunds may be repaid under section 352.23 before the effective accrual date of the disability benefit under subdivision 2.

Subd. 2. **Application; accrual of benefits.** (a) An employee making claim for a total and permanent disability benefit, or someone acting on behalf of the employee upon proof of authority satisfactory to the director, shall file a written application for benefits in an office of the system or with a person authorized by the director.

(b) The application must be in a form and manner prescribed by the director. The completed application form and supporting documents must be received in an office of the system or by an authorized person before the expiration of the period specified in subdivision 4, paragraph (g). In this paragraph, "supporting documents" means:

(1) two medical reports as required by subdivision 4, paragraph (b); and

(2) a written certification by the employing entity as required by subdivision 4, paragraph (e).

Supporting documents are not required to be original documents except as determined by the director.

(c) The benefit shall begin to accrue the day following the start of disability or the day following the last day paid, whichever is later, but not earlier than 180 days before the date the application and supporting documents are filed in an office of the system or with an authorized person.

Subd. 3. **Computation of benefits.** The total and permanent disability benefit must be computed in the manner provided in section 352.115. The disability benefit shall be the normal annuity without reduction for each month the employee is under normal retirement age at the time of becoming disabled. A disabled employee may choose to receive the normal disability benefit or an optional annuity as provided in section 352.116, subdivision 3. This choice must be made before the start of payment of the disability benefit and is effective the date on which the disability begins to accrue as provided in subdivision 2.

Subd. 4. Medical or psychological examinations; authorization for payment of benefit. (a) Any physician, psychologist, chiropractor, physician assistant, podiatrist, or nurse practitioner providing any service specified in this section must be licensed.

(b) An applicant shall provide a detailed report signed by a physician, and at least one additional report signed by a physician, psychologist, chiropractor, physician assistant, podiatrist, or nurse practitioner with evidence to support an application for total and permanent disability. The reports must include an expert opinion regarding whether the employee is permanently and totally disabled within the meaning of section 352.01, subdivision 17, and that the disability arose before the employee was placed on any paid or unpaid leave of absence or terminated public service.

(c) If there is medical evidence that supports the expectation that at some point the person applying for the disability benefit will no longer be disabled, the decision granting the disability benefit may provide for a termination date upon which the total and permanent disability can be expected to no longer exist. When a termination date is part of the decision granting benefits, prior to the benefit termination the executive director shall review any evidence provided by the disabled employee to show that the disabling condition for which benefits were initially granted continues. If the benefits cease, the disabled employee may follow the appeal procedures described in section 356.96 or may reapply for disability benefits using the process described in this subdivision.

(d) Any claim to disability must be supported by a report from the employer indicating that there is no available work that the employee can perform with the disabling condition and that all reasonable accommodations have been considered. Upon request of the executive director, an employer shall provide evidence of the steps the employer has taken to attempt to provide reasonable accommodations and continued employment to the claimant.

(e) The director shall also obtain written certification from the employer stating whether the employment has ceased or whether the employee is on sick leave of absence because of a disability that will prevent further service to the employer and that the employee is not entitled to compensation from the employer.

(f) The medical adviser shall consider the reports of the physician, psychologist, chiropractor, physician assistant, podiatrist, or nurse practitioner and any other evidence supplied by the employee or other interested parties. If the medical adviser finds the employee totally and permanently disabled, the adviser shall make appropriate recommendation to the director in writing together with the date from which the employee has been totally disabled. The director shall then determine if the disability occurred while still in the employment of the state and constitutes a total and permanent disability as defined in section 352.01, subdivision 17.

(g) A terminated employee may apply for a disability benefit within 18 months of termination as long as the disability occurred while in the employment of the state. The fact that an employee is placed on leave of absence without compensation because of disability does not bar that employee from receiving a disability benefit.

(h) Upon appeal, the board of directors may extend the disability benefit application deadline in paragraph (g) by an additional 18 months if the terminated employee is determined by the board of directors to have a cognitive impairment that made it unlikely that the terminated employee understood that there was an application deadline or that the terminated employee was able to meet the application deadline.

(i) Unless the payment of a disability benefit has terminated because the employee is no longer totally disabled, or because the employee has reached normal retirement age as provided in this section, the disability benefit must cease with the last payment received by the disabled employee or which had accrued during

the lifetime of the employee unless there is a spouse surviving. In that event, the surviving spouse is entitled to the disability benefit for the calendar month in which the disabled employee died.

Subd. 4a. **Independent medical examination or vocational rehabilitation counseling.** Any individual applying for or receiving disability benefits shall submit to an independent medical examination or an assessment by a certified rehabilitation counselor if requested by the executive director or designee. The examination must be paid for by the system.

Subd. 5. [Repealed, 1Sp1985 c 7 s 36]

Subd. 6. **Regular medical or psychological examinations.** At least once each year during the first five years following the allowance of a disability benefit to any employee, and at least once in every three-year period thereafter, the director may require any disabled employee to provide medical, chiropractic, or psychological evidence to support the continuation of the total and permanent disability. The evidence must be in a form and manner prescribed by the executive director for review by an expert or experts designated by the medical adviser and engaged by the director. If the medical information provided to the medical adviser indicates that the employee is no longer permanently and totally disabled, or is engaged in or can engage in a gainful occupation, payments of the disability benefit by the fund must be discontinued. The payments must be discontinued as soon as the employee is reinstated to the payroll following a sick leave of absence, but in no case may payment be made for more than 60 days after the medical adviser finds that the employee is no longer permanently and totally disabled.

Subd. 7. **Partial reemployment.** If the disabled employee resumes a gainful occupation from which earnings are less than the employee's salary at the date of disability or the salary currently paid for similar positions, the director shall continue the disability benefit in an amount which when added to earnings does not exceed the salary at the date of disability, provided the disability benefit in this case does not exceed the disability benefit originally allowed. Deductions for the retirement fund must not be taken from the salary of a disabled employee who is receiving a disability benefit as provided in this subdivision.

Subd. 7a. **Temporary reemployment benefit reduction waiver.** (a) A reduction in benefits under subdivision 7, or a termination of benefits due to the disabled employee resuming a gainful occupation from which earnings are equal to or more than the employee's salary at the date of disability or the salary currently paid for similar positions does not apply until six months after the individual returns to a gainful occupation.

(b) No deductions for the retirement fund may be taken from the salary of a disabled person who is attempting to return to work under this provision unless the member waives further disability benefits.

(c) A member may return to employment and continue disability benefit payments under this subdivision only once while receiving disability benefits from a retirement plan administered by the Minnesota State Retirement System.

Subd. 8. **Refusal of examination.** If a person applying for a disability benefit refuses to submit to a medical or psychological examination, the disability application shall be rejected. If a disability benefit recipient refuses to submit to a medical or psychological examination as required, payments by the fund must be discontinued and the director shall revoke all rights of the employee in any disability benefit.

Subd. 9. **Return to state service.** Any employee receiving a disability benefit who is restored to active state service except employees receiving benefits as provided in subdivision 7, shall have deductions taken for the retirement fund and upon retirement have the payable retirement annuity based upon all allowable service including that upon which the disability benefits were based. No employee is entitled to receive disability benefits and a retirement annuity at the same time.

Subd. 10. **Employee again disabled after resuming employment.** If a disabled employee resumes gainful employment with the state and is not entitled to continued payment of a disability benefit as provided in subdivision 7, the right to a disability benefit ends when the employee has been employed for one year thereafter. If the employee again becomes totally and permanently disabled before reaching normal retirement age, application for a disability benefit may again be made. If the employee is entitled to a disability benefit it must be computed as provided in subdivision 9.

Subd. 11. **Recomputation of benefit.** If an employee who has resumed employment as provided in subdivision 10 is reemployed for more than three months, but cannot continue for one year, the disability benefit must be recomputed allowing additional service credit for the period of reemployment. If the period of reemployment does not exceed three months, the deductions taken from salary after resuming employment must be returned to the employee. The employee is not entitled to service credit for the period covered by the returned deductions.

Subd. 12. **Retirement status at normal retirement age.** The disability benefit paid to a disabled employee under this section ends when the employee reaches normal retirement age. If the disabled employee is still totally and permanently disabled when the employee reaches normal retirement age, the employee shall be considered to be a retired employee. If the employee had chosen an optional annuity under subdivision 3, the employee shall receive an annuity in accordance with the terms of the optional annuity previously chosen. If the employee had not chosen an optional annuity pursuant to subdivision 3, the employee may then choose to receive either a normal retirement annuity equal in amount to the disability benefit paid before the employee reached normal retirement age or an optional annuity as provided in section 352.116, subdivision 3. The choice of an optional annuity must be made before reaching normal retirement age. If an optional annuity is chosen, the choice is effective on the date the employee attains normal retirement age and the optional annuity shall begin to accrue the first of the month following the month in which the employee attains this age.

Subd. 13. **Postretirement adjustment eligibility.** A disability benefit under this section is eligible for postretirement adjustments under section 356.415.

Subd. 14. **Disability earnings reports.** Disability benefit recipients must report all earnings from reemployment and income from workers' compensation to the system annually by May 15 in a format prescribed by the executive director. The executive director may waive the earnings report requirement for any disabled employee who is not required to undergo regular medical or psychological examinations under subdivision 6. If the form is not submitted by June 15, benefits must be suspended effective July 1. If the form deemed acceptable by the executive director is received after the June 15 deadline, benefits shall be reinstated retroactive to July 1.

352.115 RETIREMENT ANNUITY.

Subdivision 1. **Age and service requirements.** After separation from state service, any employee (1) who has attained the age of at least 55 years and who is entitled to credit for at least three years allowable

service if employed before July 1, 2010, or after five or more years of allowable service if employed after June 30, 2010, or (2) who has received credit for at least 30 years allowable service regardless of age, is entitled upon application to a retirement annuity.

Subd. 2. **Normal retirement annuity.** The retirement annuity hereunder payable at normal retirement age or thereafter must be computed in accordance with the applicable provisions of the formula stated in subdivision 3, on the basis of the employee's average salary for the period of allowable service. This retirement annuity is known as the "normal" retirement annuity.

Subd. 3. **Retirement annuity formula.** (a) This paragraph, in conjunction with section 352.116, subdivision 1, applies to a person who became a covered employee or a member of a pension fund listed in section 356.30, subdivision 3, before July 1, 1989, unless paragraph (b), in conjunction with section 352.116, subdivision 1a, produces a higher annuity amount, in which case paragraph (b) applies. The employee's average salary, as defined in section 352.01, subdivision 14a, multiplied by 1.2 percent per year of allowable service for the first ten years and 1.7 percent for each later year of allowable service and pro rata for completed months less than a full year determines the amount of the retirement annuity to which the employee is entitled.

(b) This paragraph applies to a person who has become at least 55 years old and first became a covered employee after June 30, 1989, and to any other covered employee who has become at least 55 years old and whose annuity amount, when calculated under this paragraph and in conjunction with section 352.116, subdivision 1a, is higher than it is when calculated under paragraph (a), in conjunction with section 352.116, subdivision 1. The employee's average salary, as defined in section 352.01, subdivision 14a, multiplied by 1.7 percent for each year of allowable service and pro rata for months less than a full year determines the amount of the retirement annuity to which the employee is entitled.

Subd. 4. [Repealed, 1983 c 128 s 36]

Subd. 5. [Repealed, 1983 c 128 s 36]

Subd. 6. [Repealed, 1965 c 230 s 18]

Subd. 7. **Application for annuity.** Application for annuity or optional annuity payment may be made by the employee at time of retirement, or by someone acting on behalf of the employee upon proof of authority satisfactory to the director.

Subd. 7a. **Application procedure.** (a) The filing of an application for an annuity, refund, disability benefit, survivor benefit, death benefit, or other monthly benefit authorized by this chapter or chapter 3A, 352B, 352D, or 490 must comply with this subdivision.

(b) Filing of an application under paragraph (a) is not complete until an original application and supporting documents are received in an office of the system or received by a person authorized by the director. An original application may not be an electronic copy or facsimile copy and if received in an office of the system, must be delivered by personal service or mail.

(c) In this subdivision, "supporting documents" are:

- (1) documents sufficient to verify birth;
- (2) documents sufficient to verify marital status or establish the terms of a divorce, if applicable; and
- (3) the acknowledgment required by section 356.46, subdivision 3, paragraph (b).

Supporting documents are not required to be original documents except as determined by the director.

Subd. 8. **Accrual of annuity.** The application for an annuity must not be made more than 60 days before the time the state employee or former state employee elects to begin collecting a retirement annuity. If the director determines an applicant for annuity has fulfilled the legal requirements for an annuity, the director shall authorize the annuity payment in accordance with this chapter and payment must be made as authorized. An annuity shall begin to accrue no earlier than 180 days before the date the application is filed with the director, but not before the day following the termination of state service or before the day the employee is eligible to retire by reason of both age and service requirements. The retirement annuity shall cease with the last payment which had accrued during the lifetime of the retired employee unless an optional annuity provided in section 352.116, subdivision 3, had been selected and had become payable. The joint and last survivor annuity shall cease with the last payment received by the survivor during the lifetime of the survivor. If a retired employee had not selected an optional annuity, or a survivor annuity is not payable under the option, and a spouse survives, the spouse is entitled only to the annuity for the calendar month in which the retired employee died. If an optional annuity is payable after the death of the retired employee, the survivor is entitled to the annuity for the calendar month in which the retired employee died.

Subd. 9. **Annuities payable monthly.** All annuities, and disability benefits authorized by this chapter, must be paid in equal monthly installments and must not be increased, decreased, or revoked except as provided in this chapter.

Subd. 10. **Reemployment of annuitant.** (a) Except for salary or wages received as a temporary employee of the legislature during a legislative session, if any retired employee again becomes entitled to receive salary or wages from any employer who employs state employees as that term is defined in section 352.01, subdivision 2, in a position covered by this chapter, the annuity or retirement allowance must cease the first of the month following the month that the retired employee has earned an amount equal to the annual maximum earnings allowable for that age for the continued receipt of full benefit amounts monthly under the federal old age, survivors, and disability insurance program as set by the secretary of health and human services under United States Code, title 42, section 403, in any calendar year. If the retired employee has not yet reached the minimum age for the receipt of Social Security benefits, the maximum earnings for the retired employee are equal to the annual maximum earnings allowable for the minimum age for the receipt of Social Security benefits.

(b) The balance of the annual retirement annuity after cessation must be handled or disposed of as provided in section 356.47.

(c) The annuity must be resumed the first of the month following the month that state service ends, or, if the retired employee is still employed at the beginning of the next calendar year, at the beginning of that calendar year, and payment must again end when the retired employee has earned the applicable reemployment earnings maximum specified in this subdivision. If the retired employee is granted a sick leave without pay, but not otherwise, the annuity or retirement allowance must be resumed during the period of sick leave.

(d) No payroll deductions for the retirement fund may be made from the earnings of a reemployed retired employee.

(e) No change may be made in the monthly amount of an annuity or retirement allowance because of the reemployment of an annuitant.

(f) If a reemployed annuitant whose annuity is suspended under paragraph (a) is having insurance premium amounts withheld under section 356.87, subdivision 2, insurance premium amounts must continue to be withheld and transferred from the suspended portion of the annuity. The balance of the annual retirement

annuity after cessation, after deduction of the insurance premium amounts, must be treated as specified in paragraph (b).

(g) If a reemployed annuitant whose annuity is suspended under paragraph (a) has a former spouse receiving a portion of the annuity allowable under section 518.58, subdivision 1, the portion payable to the former spouse must continue to be paid.

Subd. 11. Accrued annuity at death. Any annuity accrued before the death of a retired employee, and any disability benefit accrued before the death of a disabled employee shall be paid to the beneficiary whom the retired employee or the disabled employee had last designated. If (1) no beneficiary has been so designated, or (2) the designated beneficiary dies before making claim for payment of an annuity or benefit, payment must be made to the surviving spouse, or, if none, to the employee's surviving children in equal shares or, if none, to the employee's surviving parents in equal shares or, if none, to the legal representative of the retired employee or disabled employee. If the designated beneficiary, surviving spouse, or legal representative entitled to the annuity does not apply for payment within five years from the date of death of the retired employee or disabled employee, the annuity or disability benefit which had accrued at the time of death must be credited to and become a part of the retirement fund.

Subd. 12. Death, return of payments. If at the time of death a retired employee, a disabled employee, or a survivor has in possession commissioner of management and budget's payments covering a retirement annuity, disability benefit or survivor benefit from the retirement fund, in the absence of probate proceedings, and upon the return of the payments for cancellation, payment of the accrued annuity or benefit, shall be made as provided in subdivision 11, or 352.12, subdivision 4. Payments made under this subdivision shall be a bar to recovery by any other person or persons.

Subd. 13. [Repealed, 1981 c 224 s 276]

Subd. 14. Postretirement adjustment eligibility. A retirement annuity under this section and section 352.116 is eligible for postretirement adjustments under section 356.415.

352.1155 NO ANNUITY REDUCTION.

Subdivision 1. Eligibility. Except as indicated in subdivision 4, the annuity reduction provisions of section 352.115, subdivision 10, do not apply to a person who:

(1) retires from the Minnesota State Colleges and Universities system with at least ten years of combined service credit in a system under the jurisdiction of the Board of Trustees of the Minnesota State Colleges and Universities;

(2) was employed on a full-time basis immediately preceding retirement as a faculty member or as an unclassified administrator in that system;

(3) was not a recipient of an early retirement incentive under section 136F.481;

(4) begins drawing an annuity from the general state employees retirement plan of the Minnesota State Retirement System; and

(5) returns to work on not less than a one-third time basis and not more than a two-thirds time basis in the system from which the person retired under an agreement in which the person may not earn a salary of more than \$62,000 in a calendar year through employment after retirement in the system from which the person retired.

Subd. 2. **Approval requirements.** Initial participation, the amount of time worked, and the duration of participation under this section must be mutually agreed upon by the president of the institution where the person returns to work and the employee. The president may require up to one-year notice of intent to participate in the program as a condition of participation under this section. The president shall determine the time of year the employee shall work. The employer or the president may not require a person to waive any rights under a collective bargaining agreement as a condition of participation under this section.

Subd. 3. **Service credit prohibition.** Notwithstanding any law to the contrary, a person eligible under this section may not, based on employment to which the waiver in this section applies, earn further service credit in a Minnesota public defined benefit plan and is not eligible to participate in a Minnesota public defined contribution plan, other than a volunteer fire plan governed by chapter 424A. No employer or employee contribution to any of these plans may be made on behalf of such a person.

Subd. 4. **Exemption limit.** For a person eligible under this section who earns more than \$62,000 in a calendar year through reemployment in the Minnesota State Colleges and Universities system following retirement, the annuity reduction provisions of section 352.115, subdivision 10, apply only to income over \$62,000.

Subd. 5. **Continuing rights.** A person who returns to work under this section is a member of the appropriate bargaining unit and is covered by the appropriate collective bargaining contract. Except as provided in this section, the person's coverage is subject to any part of the contract limiting rights of part-time employees.

352.116 ANNUITIES UPON RETIREMENT.

Subdivision 1. **Reduced annuity before normal retirement age.** (a) This subdivision applies only to a person who first became a covered employee or a member of a pension fund listed in section 356.30, subdivision 3, before July 1, 1989, and whose annuity is higher when calculated under section 352.115, subdivision 3, paragraph (a), in conjunction with this subdivision than when calculated under section 352.115, subdivision 3, paragraph (b), in conjunction with subdivision 1a.

(b) Any employee who is eligible for a retirement annuity under section 352.115, subdivision 1, and who retires before normal retirement age with credit for at least three but less than 30 years of allowable service shall be paid the normal retirement annuity provided in section 352.115, subdivisions 2 and 3, paragraph (a), reduced by one-quarter of one percent for each month that the employee is under normal retirement age at the time of retirement. An employee who is eligible for a retirement annuity under section 352.115, subdivision 1, and who retires prior to age 62 with credit for at least 30 years of allowable service shall be paid the normal retirement annuity provided in section 352.115, subdivisions 2 and 3, paragraph (a), reduced by one-quarter of one percent for each month that the employee is under age 62 at the time of retirement.

(c) Any person whose attained age plus credited allowable service totals 90 years is entitled, upon application, to a retirement annuity in an amount equal to the normal annuity provided in section 352.115, subdivisions 2 and 3, paragraph (a), without any reduction by reason of early retirement.

Subd. 1a. **Actuarial reduction for early retirement.** (a) This subdivision applies to a person who has become at least 55 years old and first became a covered employee after June 30, 1989, and to any other covered employee who has become at least 55 years old and whose annuity is higher when calculated under section 352.115, subdivision 3, paragraph (b), in conjunction with this subdivision than when calculated under section 352.115, subdivision 3, paragraph (a), in conjunction with subdivision 1. A covered employee who retires before the normal retirement age shall be paid the normal retirement annuity provided in section 352.115, subdivisions 2 and 3, paragraph (b), reduced as described in paragraph (b) or (c), as applicable.

(b) For covered employees who retire on or after July 1, 2019, the reduced annuity is the actuarial equivalent of the annuity that would be payable to the employee if the employee deferred receipt of the annuity until normal retirement age and the annuity amount were augmented at the applicable annual rate, compounded annually, from the day the annuity begins to accrue until the normal retirement age. The applicable annual rate is the rate in effect on the employee's effective date of retirement and shall be considered as fixed for the employee for the period until the employee reaches normal retirement age. The applicable annual rates are the following:

(1) until June 30, 2019, three percent if the employee became an employee before July 1, 2006, and 2.5 percent if the employee became an employee after June 30, 2006;

(2) beginning July 1, 2019, through June 30, 2024, a rate that changes each month, on the first day of the month, starting with the rate in clause (1), as applicable to the employee, and reducing the rate to zero in equal monthly increments over the five-year period; and

(3) after June 30, 2024, zero percent.

After June 30, 2024, actuarial equivalent, for the purpose of determining the reduced annuity commencing before normal retirement age under this clause, shall not take into account any augmentation.

(c) For covered employees who retire before July 1, 2019, the reduced annuity is the actuarial equivalent of the annuity that would be payable to the employee if the employee deferred receipt of the annuity until normal retirement age and the annuity amount were augmented at an annual rate of three percent, compounded annually, from the day the annuity begins to accrue until normal retirement age if the employee became an employee before July 1, 2006, and at an annual rate of 2.5 percent, compounded annually, from the day the annuity begins to accrue until normal retirement age if the employee became an employee after June 30, 2006.

Subd. 2. **Normal annuity at normal retirement age.** Any employee who retires after reaching normal retirement age shall be paid the annuity provided in section 352.115.

Subd. 3. **Optional annuities.** The board shall establish an optional retirement annuity in the form of a joint and survivor annuity. The board may also establish an optional annuity in the form of an annuity payable for a period certain and for life thereafter. In addition, the board may also establish an optional annuity that takes the form of an annuity calculated on the basis of the age of the retired employee at retirement and payable for the period before the retired employee becomes eligible for Social Security old age retirement benefits in a greater amount than the amount of the annuity calculated under subdivision 2 on the basis of the age of the retired employee at retirement. For each year that the retiring employee is under age 62, up to five percent of the total single life annuity required reserves may be used to accelerate the optional

retirement annuity. This greater amount shall be paid until the end of the month in which the retired employee reaches age 62, at which time the annuity shall be reduced. Except as provided in subdivision 3a, the optional forms must be actuarially equivalent to the normal single life annuity forms provided in sections 352.115 and 352.116, whichever applies.

Subd. 3a. **Bounce-back annuity.** (a) If a retired employee or disablitant selects a joint and survivor annuity option under subdivision 3 after June 30, 1989, the retired employee or disablitant must receive a normal single-life annuity if the designated optional annuity beneficiary dies before the retired employee or disablitant. Under this option, no reduction may be made in the annuity to provide for restoration of the normal single-life annuity in the event of the death of the designated optional annuity beneficiary.

(b) The annuity adjustment specified in paragraph (a) also applies to joint and survivor annuity options under subdivision 3 elected before July 1, 1989. The annuity adjustment under this paragraph occurs on July 1, 1989, or on the first day of the first month following the death of the designated optional annuity beneficiary, whichever is later. This paragraph may not be interpreted as authorizing retroactive payments.

Subd. 3b. **Bounce-back annuity; correctional employees and State Patrol.** (a) The board of directors must provide a joint and survivor annuity option to members of the correctional employees and State Patrol retirement funds. Under this option, if a former member or disablitant selects a joint and survivor annuity option after June 30, 1989, the former member or disablitant must receive a normal single life annuity if the designated optional annuity beneficiary dies before the former member or disablitant. Under this option, no reduction may be made in the person's annuity to provide for restoration of the normal single life annuity in the event of the death of the designated optional annuity beneficiary.

(b) The annuity adjustment specified in paragraph (a) also applies to joint and survivor annuity options elected before July 1, 1989. The annuity adjustment under this paragraph occurs on July 1, 1989, or on the first day of the first month following the death of the designated optional annuity beneficiary, whichever is later. This paragraph may not be interpreted as authorizing retroactive payments.

Subd. 3c. **Effective date of bounce-back annuity.** In the event of the death of the designated optional annuity beneficiary before the retired employee or disablitant, the restoration of the normal single life annuity under subdivision 3a or 3b will take effect as of the first of the month following the date of death of the designated optional annuity beneficiary or on the first of the month following one year before the date on which a certified copy of the death record of the designated optional annuity beneficiary is received in the Office of the Minnesota State Retirement System, whichever date is later.

Subd. 4. **Determining actuarial equivalency.** In establishing the procedure for determining the actuarial equivalency of early retirement annuities as required under subdivision 1a or in establishing actuarial equivalent optional retirement annuity forms as required under subdivision 3, the board shall obtain the written recommendation of the actuary retained under section 356.214. The recommendations shall be a part of the permanent records of the board.

352.12 REFUND AFTER DEATH.

Subdivision 1. **Death before termination of service.** If an employee dies before state service has terminated and neither a survivor annuity nor a reversionary annuity is payable on behalf of the employee, or if a former employee who has sufficient service credit to be entitled to an annuity dies before the annuity has become payable, a refund with interest is payable upon filing a written application on a form prescribed by the executive director. The refund is payable to the last designated beneficiary or, if there is none, to the surviving spouse or, if none, to the employee's surviving children in equal shares or, if none, to the employee's surviving parents in equal shares or, if none, to the representative of the estate. Interest must be computed as provided in section 352.22, subdivision 2. Upon the death of an employee who has received a refund that was later repaid in full, interest must be paid on the repaid refund only from the date of the repayment. If the repayment was made in installments, interest must be paid only from the date on which the installment payments began. The designated beneficiary, the surviving spouse, or the representative of the estate of an employee who had received a disability benefit is not entitled to the payment of interest upon any balance remaining to the decedent's credit in the fund at the time of death, unless the death occurred before any payment could be negotiated.

Subd. 2. **Surviving spouse benefit.** (a) If an employee or former employee has credit for at least three years allowable service if the employee was employed before July 1, 2010, or for at least five years of allowable service if the employee was employed after June 30, 2010, and dies before an annuity or disability benefit has become payable, notwithstanding any designation of beneficiary to the contrary, the surviving spouse of the employee may elect to receive, in lieu of the refund with interest under subdivision 1, an annuity equal to the joint and 100 percent survivor annuity which the employee or former employee could have qualified for on the date of death.

(b) If the employee was under age 55 and has credit for at least 30 years of allowable service on the date of death, the surviving spouse may elect to receive a 100 percent joint and survivor annuity based on the age of the employee and surviving spouse on the date of death. The annuity is payable using the full early retirement reduction under section 352.116, subdivision 1, paragraph (b), to age 55 and one-half of the early retirement reduction from age 55 to the age payment begins.

(c) If the employee was under age 55 and has credit for at least three years of allowable service credit on the date of death if the employee was employed before July 1, 2010, or for at least five years of allowable service if the employee was employed after June 30, 2010, but did not yet qualify for retirement, the surviving spouse may elect to receive a 100 percent joint and survivor annuity based on the age of the employee and

surviving spouse at the time of death. The annuity is payable using the full early retirement reduction under section 352.116, subdivision 1 or 1a, to age 55 and one-half of the early retirement reduction from age 55 to the age payment begins.

(d) The surviving spouse eligible for benefits under paragraph (a) may apply for the annuity at any time after the date on which the employee or former employee would have attained the required age for retirement based on the allowable service earned. The surviving spouse eligible for surviving spouse benefits under paragraph (b) or (c) may apply for the annuity at any time after the employee's death. The annuity must be computed under sections 352.115, subdivisions 1, 2, and 3, and 352.116, subdivisions 1, 1a, and 3. Sections 352.22, subdivision 3, and 352.72, subdivision 2, apply to a deferred annuity or surviving spouse benefit payable under this subdivision. The annuity must cease with the last payment received by the surviving spouse in the lifetime of the surviving spouse, or upon expiration of a term certain benefit payment to a surviving spouse under subdivision 2a. An amount equal to the excess, if any, of the accumulated contributions credited to the account of the deceased employee in excess of the total of the benefits paid and payable to the surviving spouse must be paid to the deceased employee's or former employee's last designated beneficiary or, if none, as specified under subdivision 1.

(e) Any employee or former employee may request in writing, with the signed consent of the spouse, that this subdivision not apply and that payment be made only to a designated beneficiary as otherwise provided by this chapter.

Subd. 2a. Surviving spouse coverage term certain. (a) In lieu of the 100 percent optional annuity under subdivision 2, or refund under subdivision 1, the surviving spouse of a deceased employee or former employee may elect to receive survivor coverage in a term certain of ten, 15, or 20 years. The monthly term certain annuity must be actuarially equivalent to the 100 percent optional annuity under subdivision 2.

(b) If a survivor elects a term certain annuity and dies before the expiration of the specified term certain period, the commuted value of the remaining annuity payments must be paid in a lump sum to the survivor's estate.

Subd. 2b. Dependent child survivor coverage. If there is no surviving spouse eligible for benefits under subdivision 2, a dependent child or children as defined in section 352.01, subdivision 26, is eligible for monthly payments. Payments to a dependent child must be paid from the date of the employee's death to the date the dependent child attains age 20 if the child is under age 15. If the child is 15 years or older on the date of death, payment must be made for five years. The payment to a dependent child is an amount actuarially equivalent to the value of a 100 percent optional annuity under subdivision 2 using the age of the employee and age of the dependent child at the date of death in lieu of the age of the surviving spouse. If there is more than one dependent child, each dependent child shall receive a proportionate share of the actuarial value of the employee's account.

Subd. 2c. Postretirement adjustment eligibility. A survivor benefit under subdivision 2, 2a, or 2b is eligible for postretirement adjustments under section 356.415.

Subd. 3. Refund of \$3,000 or less. If a state employee or former state employee dies without having designated a beneficiary, or if the beneficiary should die before applying for refund of the sum to the credit of the deceased employee or former employee, and there is no surviving spouse, and the amount of the refund does not exceed \$3,000 exclusive of interest, the director may refund the amount to the deceased or former employee's next of kin. The amount may be refunded 90 days after the date of death of the employee or former employee in the absence of probate proceedings, and upon proper application. The next of kin must be determined by the director with the concurrence of the board, to be entitled to the refund consistent

with the laws of descent. A determination and payment without notice are conclusive and final and are a bar against claims of all other persons.

Subd. 4. Refund to minor beneficiary. If an employee or former employee dies having named as a beneficiary a person who is a minor at the time of the application for refund, and the amount of the refund does not exceed \$3,000, exclusive of interest, the director in the absence of guardianship or probate proceedings may make payment to the natural guardian having custody of the minor beneficiary, for the benefit of the child. Any annuity, retirement allowance, or disability benefit accrued at the time of death of a disabled or retired employee, payable to a minor beneficiary, may similarly be paid. Payment is a bar to recovery by any other person or persons.

Subd. 5. [Repealed, 1993 c 307 art 7 s 1]

Subd. 6. Death after service termination. Except as provided in subdivision 1, if a former employee covered by the system who has not received an annuity, a retirement allowance, or a disability benefit dies, a refund is payable to the last designated beneficiary or, if there is none, to the surviving spouse or, if none, to the employee's surviving children in equal shares or, if none, to the employee's surviving parents in equal shares or, if none, to the representative of the estate in an amount equal to accumulated employee contributions plus interest. The interest on the refund must be computed as provided in section 352.22, subdivision 2.

Subd. 7. Absence of optional or reversionary annuity. Upon the death of a retired employee who selected neither an optional annuity or a reversionary annuity, a refund must be paid in an amount equal to the excess, if any, of the accumulated contributions to the credit of the retired employee immediately before retirement in excess of the sum of (1) all annuities, retirement allowances, and disability benefits that had been received and had accrued in the lifetime of the decedent, and (2) the annuity, retirement allowance, or disability benefit if not negotiated, payable to the surviving spouse under section 352.115, subdivision 8, or 352.113, subdivision 4, for the calendar month in which the retired employee died. The refund must be paid to the named beneficiary or, if there be none, to the surviving spouse or, if none, to the employee's surviving children in equal shares or, if none, to the employee's surviving parents in equal shares or, if none, to the representative of the estate.

Subd. 8. Optional or reversionary annuity. If the last eligible recipient of an optional annuity dies and the total amounts paid under it are less than the accumulated contributions to the credit of the retired employee immediately before retirement, the balance of accumulated contributions must be paid to the person designated by the retired employee in writing to receive payment. If no designation has been made by the retired employee, the remaining balance of accumulated contributions must be paid to the surviving children of the deceased recipient of the optional annuity in equal shares. If there are no surviving children, payment must be made to the deceased recipient's parents or, if none, to the representative of the deceased recipient's estate.

Subd. 9. Beneficiary designation. The designation of a beneficiary or person to receive any accumulated contributions remaining to the credit of an employee, a former employee, or a retired employee, at the time of death, as provided in this section, must be in writing and must be filed with the director before the death of the employee, former employee, or retired employee.

Subd. 10. Death of beneficiary before refund. If the last designated beneficiary or beneficiaries and the surviving spouse of a (1) deceased employee, (2) former employee, or (3) retired employee, dies before receiving a refund of the sum to the credit of the deceased employee, former employee, or retired employee at the time of death, the refund must be made to the estate of the deceased employee or as provided in subdivision 3 if the amount of the refund does not exceed \$3,000 exclusive of interest.

Subd. 11. **Death of disability annuitant.** If an employee who has received a disability benefit dies, a payment must be made of an amount equal to the excess, if any, of the accumulated contributions to the credit of the employee at the time the disability benefit began to accrue over and above the aggregate of (1) all disability benefits received and which had accrued during life, and (2) the benefit for the month in which the disabled employee died, payable, if applicable, to the surviving spouse under section 352.113, subdivision 4. The payment must be paid to the last designated beneficiary or, if there be none, to the surviving spouse, or if none, to the employee's surviving children in equal shares or, if none, to the employee's surviving parents in equal shares or, if none, to the representative of the estate.

Subd. 12. **Refund, failure to request.** If the last designated beneficiary, surviving spouse, legal representative, or next of kin, as determined by the director with the concurrence of the board, fails to claim the refund as provided in this section (1) within five years from the date of death of a retired employee or disabled employee, or (2) within five years after the last deduction was taken from the salary of a deceased employee or deceased former employee, the accumulated contributions of the deceased employee, former employee, retired employee, or disabled employee must be credited to the retirement fund. However, if claim to refund is made within ten years after the transfer of accumulated contributions to the fund or within ten years after the date of death, whichever is later, and the amount transferred to the fund is over \$25, the sum must be restored to the account of the deceased employee, former employee, retired employee, or disabled employee. The refund must then be made to the surviving spouse or, if none, to the legal representative of the estate irrespective of any designation of beneficiary made by the deceased employee, former employee, retired employee, or disabled employee.

Subd. 13. **Refund, beneficiary.** If upon death a former employee has in possession a commissioner of management and budget's payment which does not exceed \$1,000 covering a refund of accumulated contributions in the retirement fund, in the absence of probate proceedings the commissioner of management and budget's payment may be returned for cancellation, and then upon application made by the last designated beneficiary of the deceased former employee, refund of the accumulated contributions must be paid to the last designated beneficiary. Payments made under this subdivision are a bar to recovery by any other person or persons.

Subd. 3. **Deducting health or dental insurance premiums.** The board may authorize, at its discretion, the deduction of a retiree's health or dental insurance premiums and transfer of the amounts to a health or dental insurance carrier covering state employees. The insurance carrier must certify that the retired employee has signed an authorization for the deduction and provide a computer readable roster of covered retirees and amounts. The health or dental insurance carrier must refund deductions withheld from a retiree's check in error directly to the retiree. The board shall require that the insurance carrier reimburse the fund for the administrative expense of withholding the premium amounts. The insurance carrier shall assume liability for any failure of the system to properly withhold the premium amounts.

Subd. 4. **Direct transfer of refunds.** A direct transfer of refunds under this chapter may be made to an individual retirement savings account or a qualified retirement plan of the person upon the receipt of an application for transfer by a former employee, on forms acceptable to the executive director.

352.22 REFUND OR DEFERRED ANNUITIES.

Subdivision 1. **Service termination.** Any employee who ceases to be a state employee by reason of termination of state service or layoff is entitled to a refund provided in subdivision 2 or a deferred retirement annuity as provided in subdivision 3. Application for a refund may be made after the termination of state service or layoff if the applicant has not again become a state employee required to be covered by the system.

Subd. 2. **Amount of refund.** Except as provided in subdivision 3, the refund payable to a person who ceased to be a state employee by reason of a termination of state service is an amount equal to employee accumulated contributions plus interest until the date on which the refund is paid, at the following rates for the applicable period:

(1) six percent per year compounded daily from the date that the contribution was made until June 30, 2011;

(2) four percent per year compounded daily from the date that the contribution was made or July 1, 2011, whichever is later, until June 30, 2018; and

(3) three percent per year compounded daily from the date that the contribution was made or July 1, 2018, whichever is later.

Included with the refund is any interest paid as part of repayment of a past refund, plus interest thereon from the date of repayment.

Subd. 2a. **Certain refund repayments prohibited.** No refunds of contributions made to the metropolitan transit commission-transit operating division employees retirement fund received before July 1, 1978, or for service rendered before July 1, 1978, may be repaid.

Subd. 2b. **Refund repayment.** Any person who has received a refund from the state employees retirement plan, and who is a member of any of the retirement plans specified in section 356.311, paragraph (b), may repay the refund with interest to the state employees retirement plan. If a refund is repaid to the plan and more than one refund has been received from the plan, all refunds must be repaid. Repayment must be made as provided in section 352.23, and under terms and conditions consistent with that section as agreed upon with the director.

Subd. 3. **Deferred annuity.** (a) An employee who has at least three years of allowable service if employed before July 1, 2010, or who has at least five years of allowable service if employed after June 30, 2010, when termination occurs may elect to leave the accumulated contributions in the fund and thereby be entitled to a deferred retirement annuity. The annuity must be computed under the law in effect when state service terminated, on the basis of the allowable service credited to the person before the termination of service.

(b) An employee on layoff or on leave of absence without pay, except a leave of absence for health reasons, and who does not return to state service must have an annuity, deferred annuity, or other benefit to which the employee may become entitled computed under the law in effect on the employee's last working day.

(c) No application for a deferred annuity may be made more than 60 days before the time the former employee reaches the required age for entitlement to the payment of the annuity. The deferred annuity begins to accrue no earlier than 60 days before the date the application is filed in the office of the system, but not (1) before the date on which the employee reaches the required age for entitlement to the annuity nor (2) before the day following the termination of state service in a position which is not covered by the retirement system.

(d) Application for the accumulated contributions left on deposit with the fund may be made at any time following the date of the termination of service.

(e) Deferred annuities must be augmented as provided in subdivision 3a.

Subd. 3a. **Computation of deferred annuity.** (a) The deferred annuity of any former state employee must be augmented from the first day of the month following termination of active service or July 1, 1971, whichever is later, to the effective date of retirement.

(b) For a person who became a state employee before July 1, 2006, the annuity must be augmented at the following rate or rates, compounded annually:

(1) five percent until January 1, 1981;

(2) three percent thereafter until January 1 of the year following the year in which the former employee attains age 55 or January 1, 2012, whichever is earlier;

(3) five percent from the January 1 next following the attainment of age 55 until December 31, 2011;

(4) two percent from January 1, 2012, until December 31, 2018; and

(5) after December 31, 2018, the deferred annuity must not be augmented.

(c) For a person who became a state employee after June 30, 2006, the annuity must be augmented at the following rate or rates, compounded annually:

- (1) 2.5 percent until December 31, 2011;
- (2) two percent from January 1, 2012, until December 31, 2018; and
- (3) after December 31, 2018, the deferred annuity must not be augmented.

(d) The retirement annuity or disability benefit of, or the survivor benefit payable on behalf of, a former state employee who terminated service before July 1, 1997, which is not first payable until after June 30, 1997, must be increased on an actuarial equivalent basis to reflect the change in the investment return actuarial assumption under section 356.215, subdivision 8, from five percent to six percent under a calculation procedure and the tables adopted by the board and approved by the actuary retained under section 356.214.

Subd. 3b. **Segmented annuity.** (a) If a person otherwise entitled to an annuity has more than one period of uninterrupted service, the person is entitled to augmentation under subdivision 3a for each period of uninterrupted service. "Uninterrupted service" for the purpose of this subdivision means periods of covered employment during which the employee has not been separated from state service for more than two years. The formula percentages used for each period of uninterrupted service must be those applicable to a new employee. The mortality and investment rate of return assumptions used to compute the annuity must be those in effect when the employee files an application for annuity.

(b) If a person repays a refund, the service restored by the repayment must be considered continuous with the next period of service for which the employee has credit with this system.

(c) The requirements and provisions for retirement before normal retirement age in sections 352.115, subdivision 1, and 352.116 also apply to an employee fulfilling the requirements with a combination of service as provided in this subdivision.

(d) This subdivision does not reduce the annuity otherwise payable under this chapter.

Subd. 3c. **Adjustment for certain deferred annuities.** The retirement annuity or disability benefit of, or the survivor benefit payable on behalf of, a former state employee who terminated service before July 1, 1997, which is not first payable until after June 30, 1997, must be increased on an actuarial equivalent basis to reflect the change in the postretirement interest rate actuarial assumption under Laws 1997, chapter 233, section 58, from five percent to six percent under a calculation procedure and the tables adopted by the board and approved by the actuary retained under section 356.214.

Subd. 4. [Repealed, 1983 c 128 s 36]

Subd. 5. **Refund generally unlimited.** The right of refund provided in this section is not restricted as to time unless specifically provided and the statute of limitation does not apply to it.

Subd. 6. [Repealed, 1965 c 230 s 18]

Subd. 7. [Repealed, Ex1967 c 57 so 20]

Subd. 8. **Refund specifically limited.** (a) If a former employee covered by the system does not apply for refund within five years after the last deduction was taken from salary for the retirement fund, and does not have enough service to qualify for a deferred annuity, accumulated member and employer contributions must be credited to and become a part of the retirement fund.

(b) If the former employee returns to state service and becomes a state employee covered by the system, the amount credited to the retirement fund, if more than \$25, must be restored to the individual account. If the amount credited to the fund is over \$25 and the former employee applies for refund or an annuity under section 356.30 or 356.311, the amount must be restored to the former employee's individual account and a refund made or an annuity paid, whichever applies.

Subd. 9. [Repealed, 1993 c 307 art 7 s 1]

Subd. 10. **Other refunds.** Former employees covered by the system are entitled to apply for refunds if they are or become members of the State Patrol retirement fund, the state Teachers Retirement Association, or employees of the University of Minnesota excluded from coverage under the system by action of the Board of Regents; or employees of the adjutant general who under federal law effectually elect membership in a federal retirement system; or officers or employees of the senate or house of representatives, excluded from coverage under section 352.01, subdivision 2b, clause (6), item (i). The refunds must include accumulated contributions plus interest as provided in subdivision 2.

352.23 TERMINATION OF RIGHTS; REPAYMENT OF REFUND.

(a) When any employee accepts a refund as provided in section 352.22, all existing allowable service credits and all rights and benefits to which the employee was entitled before accepting the refund terminate.

(b) Terminated service credits and rights must not again be restored until the former employee acquires at least six months of allowable service credit after taking the last refund and repays all refunds previously taken from the retirement fund with interest as provided in paragraph (d). An employee will not be considered as entitled to any other benefit, including benefits for which the employee may be eligible because of the employee's original hire date into public employment, until full repayment of all refunds has been made.

(c) Repayment of refunds entitles the employee only to credit for service covered by (1) salary deductions; (2) payments previously made in lieu of salary deductions as permitted under law in effect when the payment in lieu of deductions was made; (3) payments made to obtain credit for service as permitted by laws in effect when payment was made; and (4) allowable service previously credited while receiving temporary workers' compensation as provided in section 352.01, subdivision 11, paragraph (a), clause (3).

(d) Payments under this section for repayment of refunds are to be paid with interest at the applicable annual rate or rates specified in section 356.59, subdivision 2, compounded annually, from the date the refund was taken until the date the refund is repaid. Repayment may be made in a lump sum during employment or up to six months after termination from service.

352.27 CREDIT FOR BREAK IN SERVICE TO PROVIDE UNIFORMED SERVICE.

(a) An employee who is absent from employment by reason of service in the uniformed services, as defined in United States Code, title 38, section 4303(13), and who returns to state service upon discharge from service in the uniformed service within the time frames required in United States Code, title 38, section 4312(e), may obtain service credit for the period of the uniformed service as further specified in this section, provided that the employee did not separate from uniformed service with a dishonorable or bad conduct discharge or under other than honorable conditions.

(b) The employee may obtain credit by paying into the fund an equivalent employee contribution based upon the contribution rate or rates in effect at the time that the uniformed service was performed multiplied by the full and fractional years being purchased and applied to the annual salary rate. The annual salary rate is the average annual salary during the purchase period that the employee would have received if the employee had continued to be employed in covered employment rather than to provide uniformed service, or, if the determination of that rate is not reasonably certain, the annual salary rate is the employee's average salary rate during the 12-month period of covered employment rendered immediately preceding the period of the uniformed service.

(c) The equivalent employer contribution and, if applicable, the equivalent additional employer contribution provided in this chapter must be paid by the department employing the employee from funds available to the department at the time and in the manner provided in this chapter, using the employer and additional employer contribution rate or rates in effect at the time that the uniformed service was performed, applied to the same annual salary rate or rates used to compute the equivalent employee contribution.

(d) If the employee equivalent contributions provided in this section are not paid in full, the employee's allowable service credit must be prorated by multiplying the full and fractional number of years of uniformed service eligible for purchase by the ratio obtained by dividing the total employee contribution received by the total employee contribution otherwise required under this section.

(e) To receive service credit under this section, the contributions specified in this section must be transmitted to the Minnesota State Retirement System during the period which begins with the date on which the individual returns to state service and which has a duration of three times the length of the uniformed service period, but not to exceed five years. If the determined payment period is less than one year, the contributions required under this section to receive service credit may be made within one year of the discharge date.

(f) The amount of service credit obtainable under this section may not exceed five years unless a longer purchase period is required under United States Code, title 38, section 4312.

(g) The employing unit shall pay interest on all equivalent employee and employer contribution amounts payable under this section. Interest must be at the applicable annual rate or rates specified in section 356.59,

subdivision 2, compounded annually, from the end of each fiscal year of the leave or the break in service to the end of the month in which the payment is received.

The review committee also must determine if incumbents of and recent retirees from classes or positions determined for inclusion in correctional employees retirement plan coverage have prior Department of Corrections employment which also qualified as correctional service and which should be transferred from the general state employees retirement plan to the plan and the initial date for each potential service credit transfer.

(c) The review committee must evaluate and determine the eligibility date for initial plan participation and all periods of eligibility in the correctional employees retirement plan.

(d) The department must provide a notice of each determination and of the employee's right to appeal from the review committee to each employee who requested inclusion. Appeals must be filed with the agency human resource manager within 30 days of the date of the notice of determination.

Subdivision 1. **Basis of annuity; when to apply.** After separation from state service, an employee covered under section 352.91 who has reached age 55 years and is vested under section 352.925, is entitled upon application to a retirement annuity under this section, based only on covered correctional employees' service. Application may be made no earlier than 60 days before the date the employee is eligible to retire by reason of both age and service requirements.

Subd. 2. **Calculating monthly annuity.** The monthly annuity under this section must be determined by multiplying the average monthly salary by the number of years, or completed months, of covered correctional service by 2.4 percent if employed as a correctional state employee before July 1, 2010, or 2.2 percent if employed as a correctional state employee after June 30, 2010.

Subd. 2a. **Early retirement.** Any covered correctional employee who becomes at least 50 years old and is vested under section 352.925, is entitled upon application to a reduced retirement annuity equal to the annuity calculated under subdivision 2, reduced by two-tenths of one percent for each month that the correctional employee is under age 55 at the time of retirement if first employed as a correctional state employee before July 1, 2010, and if retired before July 1, 2015, or reduced by 0.417 percent for each month that the correctional employee is under age 55 at the time of retirement if first employed as a correctional state employee after June 30, 2010, or if first employed as a correctional state employee before July 1, 2010, and if retired after June 30, 2015.

Subd. 3. **Annuity accrual.** The annuity under this section must begin to accrue as provided in section 352.115, subdivision 8.

Subd. 3a. **Optional annuities.** The board may establish optional annuity forms to pay a higher amount from the date of retirement until an employee is first eligible to draw Social Security benefits, reaches age 65, or reaches the age the employee is eligible to receive unreduced Social Security benefits, at which time the monthly benefits must be reduced. The optional annuity forms must be actuarially equivalent to the normal single life annuity form provided in subdivision 2. The optional annuity forms must be certified as actuarially equivalent by the actuary retained under section 356.214.

Subd. 4. **Employee with regular and correctional service.** A former employee who has both regular and correctional service shall, if qualified, receive an annuity based on both periods of service under applicable sections of law but no period of service shall be used more than once in calculating the annuity.

352.931 SURVIVOR BENEFITS.

Subdivision 1. **Surviving spouse benefit.** (a) If the correctional employee was at least age 50, was vested under section 352.925, and dies before an annuity or disability benefit has become payable, notwithstanding any designation of beneficiary to the contrary, the surviving spouse of the employee may elect to receive, in lieu of the refund under section 352.12, subdivision 1, an annuity for life equal to the joint and 100 percent survivor annuity which the employee could have qualified for had the employee terminated service on the date of death. The election may be made at any time after the date of death of the employee. The surviving spouse benefit begins to accrue as of the first of the month next following the date on which the application for the benefit was filed.

(b) If the employee was under age 50, dies, and was vested under section 352.925, but did not yet qualify for retirement, the surviving spouse may elect to receive a 100 percent joint and survivor annuity based on the age of the employee and surviving spouse at the time of death. The annuity is payable using the early retirement reduction under section 352.93, subdivision 2a, to age 50, and one-half of the early retirement reduction from age 50 to the age payment begins. The surviving spouse eligible for surviving spouse benefits under this paragraph may apply for the annuity at any time after the employee's death. Sections 352.22, subdivision 3, and 352.72, subdivision 2, apply to a deferred annuity or surviving spouse benefit payable under this subdivision.

(c) The annuity must cease with the last payment received by the surviving spouse in the lifetime of the surviving spouse. Any employee may request in writing, with the signed consent of the spouse, that this subdivision not apply and that payment be made only to a designated beneficiary as otherwise provided by this chapter.

Subd. 2. **Surviving spouse coverage; term certain.** In lieu of the 100 percent optional annuity under subdivision 1, the surviving spouse of a deceased employee may elect to receive survivor coverage in a term certain of ten, 15, or 20 years. The monthly term certain annuity must be actuarially equivalent to the 100 percent optional annuity under subdivision 1 and must be approved by the actuary retained under section 356.214. The optional annuity ceases upon the expiration of the term certain period. If a survivor elects a term certain annuity and dies before the expiration of the specified term certain period, the commuted value of the remaining annuity payments must be paid in a lump sum to the survivor's estate.

Subd. 3. **Dependent child survivor coverage.** If there is no surviving spouse eligible for benefits under subdivision 1, a dependent child as defined in section 352.01, subdivision 26, is eligible for a dependent child survivor benefit. Benefits to a dependent child must be paid from the date of the employee's death to the date the dependent child attains age 20 if the child is under age 15 on the date of death. If the child is 15 years or older on the date of death, the benefit is payable for five years. The payment to a dependent child is an amount actuarially equivalent to the value of a 100 percent joint and survivor optional annuity using the age of the employee and age of the dependent child at the date of death in lieu of the age of the surviving spouse. If there is more than one dependent child, each dependent child shall receive a proportionate share of the actuarial value of the employee's account, with the amount of the benefit payable to each child to be determined based on the portion of the total eligibility period that each child is eligible. The process for calculating the dependent child survivor benefit must be approved by the actuary retained under section 356.214.

Subd. 4. **Death refund.** An amount equal to the excess, if any, of the accumulated contributions credited to the account of the deceased employee in excess of the total of the benefits paid to the surviving spouse and surviving child or children must be paid to the deceased employee's last designated beneficiary or, if none, as specified under section 352.12, subdivision 1.

Subd. 5. **Application.** The benefit elections under this section must be made on an application form prescribed by the executive director and must be filed with the executive director.

Subd. 6. **Postretirement adjustment eligibility.** A survivor benefit under this section is eligible for postretirement adjustments under section 356.415.

352.94 AUGMENTATION FOR EMPLOYEES WITH GENERAL AND CORRECTIONAL SERVICE.

History: 1973 c 653 s 43; 1986 c 444; 1987 c 229 art 6 s 1; 1993 c 307 art 1 s 21

352.95 DISABILITY BENEFITS.

Subdivision 1. **Duty disability; computation of benefit.** A covered correctional employee who is determined to have a duty disability, physical or psychological, as defined under section 352.01, subdivision 17b, is entitled to a duty disability benefit. The duty disability benefit must be based on covered correctional service only. The duty disability benefit amount is 50 percent of the average salary defined in section 352.93, plus an additional 2.4 percent if employed as a correctional state employee before July 1, 2010, or 2.2 percent if employed as a correctional state employee after June 30, 2010, for each year of covered correctional service in excess of 20 years, ten months, prorated for completed months.

Subd. 1a. **Optional annuity election.** A disabled correctional employee may elect the normal disability benefit or an optional annuity as provided in section 352.116, subdivision 3. The election of an optional annuity must be made before commencement of payment of the disability benefit and becomes effective the date on which the disability benefit begins to accrue as provided in subdivision 3. Upon becoming effective, the optional annuity shall begin to accrue on the same date as provided for the disability benefit.

Subd. 2. **Regular disability; computation of benefit.** A covered correctional employee who was hired before July 1, 2009, after rendering at least one year of covered correctional service, or a covered correctional employee who was first hired after June 30, 2009, is vested under section 352.925, and who is determined to have a regular disability, physical or psychological, as defined under section 352.01, subdivision 17c, is entitled to a regular disability benefit. The regular disability benefit must be based on covered correctional service only. The regular disability benefit must be computed as provided in section 352.93, subdivisions 1 and 2. The regular disability benefit of a covered correctional employee who was first hired before July 1, 2009, and who is determined to have a regular disability, physical or psychological, under this subdivision must be computed as though the employee had at least 15 years of covered correctional service.

Subd. 3. **Applying for benefits; accrual.** No application for disability benefits may be made until after the last day physically on the job. The disability benefit begins to accrue the day following the last day for which the employee is paid sick leave or annual leave, but not earlier than 180 days before the date the application is filed. A terminated employee must file a written application in an office of the system or with

a person authorized by the executive director. Applications must comply with section 352.113, subdivision 2, paragraph (b).

Subd. 4. Medical or psychological evidence. (a) An applicant shall provide medical, chiropractic, or psychological evidence to support an application for disability benefits. The director shall have the employee examined by at least one additional licensed physician, chiropractor, or psychologist who is designated by the medical adviser. The physicians, chiropractors, or psychologists with respect to a mental impairment, shall make written reports to the director concerning the question of the employee's disability, including their expert opinions as to whether the employee has an occupational disability within the meaning of section 352.01, subdivision 17a, and whether the employee has a duty disability, physical or psychological, under section 352.01, subdivision 17b, or has a regular disability, physical or psychological, under section 352.01, subdivision 17c. The director shall also obtain written certification from the employer stating whether or not the employee is on sick leave of absence because of a disability that will prevent further service to the employer performing normal duties as defined in section 352.01, subdivision 17d, or performing less frequent duties as defined in section 352.01, subdivision 17e, and as a consequence, the employee is not entitled to compensation from the employer.

(b) If, on considering the reports by the physicians, chiropractors, or psychologists and any other evidence supplied by the employee or others, the medical adviser finds that the employee has an occupational disability within the meaning of section 352.01, subdivision 17a, the advisor shall make the appropriate recommendation to the director, in writing, together with the date from which the employee has been disabled. The director shall then determine the propriety of authorizing payment of a duty disability benefit or a regular disability benefit as provided in this section.

(c) Unless the payment of a disability benefit has terminated because the employee no longer has an occupational disability, or because the employee has reached either age 55 or the five-year anniversary of the effective date of the disability benefit, whichever is later, the disability benefit must cease with the last payment which was received by the disabled employee or which had accrued during the employee's lifetime. While disability benefits are paid, the director has the right, at reasonable times, to require the disabled employee to submit proof of the continuance of an occupational disability. If any examination indicates to the medical adviser that the employee no longer has an occupational disability, the disability payment must be discontinued upon the person's reinstatement to state service or within 60 days of the finding, whichever is sooner.

Subd. 5. Retirement status at normal retirement age. The disability benefit paid to a disabled correctional employee under this section terminates at the end of the month in which the employee reaches age 55, or the five-year anniversary of the effective date of the disability benefit, whichever is later. If the disabled correctional employee is still disabled when the employee reaches age 55, or the five-year anniversary of the effective date of the disability benefit, whichever is later, the employee must be deemed to be a retired employee. If the employee had elected an optional annuity under subdivision 1a, the employee shall receive an annuity in accordance with the terms of the optional annuity previously elected. If the employee had not elected an optional annuity under subdivision 1a, the employee may within 90 days of attaining age 55 or reaching the five-year anniversary of the effective date of the disability benefit, whichever is later, either elect to receive a normal retirement annuity computed in the manner provided in section 352.93 or elect to receive an optional annuity as provided in section 352.116, subdivision 3, based on the same length of service as used in the calculation of the disability benefit. Election of an optional annuity must be made within 90 days before attaining age 55 or reaching the five-year anniversary of the effective date of the disability benefit, whichever is later. If an optional annuity is elected, the optional annuity begins to accrue on the first

of the month following the month in which the employee reaches age 55 or the five-year anniversary of the effective date of the disability benefit, whichever is later.

Subd. 6. Disability benefit for certain employees with regular plan service. If the employee is entitled to receive a disability benefit as provided in subdivision 1 or 2 and has credit for less covered correctional service than the length of service upon which the correctional disability benefit is based, and also has credit for regular plan service, the employee is entitled to a disability benefit or deferred retirement annuity based on the regular plan service only for that service which when combined with the correctional service exceeds number of years on which the correctional disability benefit is based. The disabled employee who also has credit for regular plan service must in all respects qualify under section 352.113 for a disability benefit based on the regular plan service, except that the service may be combined to satisfy length of service requirements. Any deferred annuity to which the employee is entitled based on regular plan service must be augmented as provided in section 352.72 while the employee is receiving a disability benefit under this section.

Subd. 7. Resumption of employment. If the disabled employee resumes gainful work, the disability benefit must be continued in an amount which when added to current earnings and workers' compensation benefits does not exceed the salary rate of the disabled employee at the date of disability as adjusted by the same percentage increase in United States average wages used by Social Security in calculating average indexed monthly earnings for the same period.

Subd. 8. Postretirement adjustment eligibility. A disability benefit under this section is eligible for postretirement adjustments under section 356.415.

(c) Eligible prior correctional employment is employment covered by the general state employees retirement plan of the Minnesota State Retirement System, is continuous service, and is certified by the commissioner of corrections and the commissioner of human services, whichever applies, and by the commissioner of management and budget to the executive director of the Minnesota State Retirement System

as service that would qualify for correctional state employees retirement plan coverage under section 352.91, if the service had been rendered after the date of coverage transfer.

(d) The election to transfer past service credit under this section must be made in writing by the applicable person on a form prescribed by the executive director of the Minnesota State Retirement System and must be filed with the executive director of the Minnesota State Retirement System on or before the one year anniversary of the coverage transfer or the date of the eligible employee's termination of state employment, whichever is earlier.

Subd. 2. [Repealed, 2013 c 111 art 2 s 33]

Subd. 3. Payment of additional equivalent contributions. (a) An eligible employee who is transferred to plan coverage and who elects to transfer past service credit under this section must pay an additional member contribution for that prior service period. The additional member contribution is the amount computed under paragraph (b), plus the greater of the amount computed under paragraph (c), or 40 percent of the unfunded actuarial accrued liability attributable to the past service credit transfer.

(b) The executive director shall compute, for the most recent 12 months of service credit eligible for transfer, or for the entire period eligible for transfer if less than 12 months, the difference between the employee contribution rate or rates for the general state employees retirement plan and the employee contribution rate or rates for the correctional state employees retirement plan applied to the eligible employee's salary during that transfer period, plus compound interest at the applicable monthly rate or rates specified in section 356.59, subdivision 2.

(c) The executive director shall compute, for any service credit being transferred on behalf of the eligible employee and not included under paragraph (b), the difference between the employee contribution rate or rates for the general state employees retirement plan and the employee contribution rate or rates for the correctional state employees retirement plan applied to the eligible employee's salary during that transfer period, plus compound interest at the applicable monthly rate or rates specified in section 356.59, subdivision 2.

(d) The executive director shall compute an amount using the process specified in paragraph (b), but based on differences in employer contribution rates between the general state employees retirement plan and the correctional state employees retirement plan rather than employee contribution rates.

(e) The executive director shall compute an amount using the process specified in paragraph (c), but based on differences in employer contribution rates between the general state employees retirement plan and the correctional state employees retirement plan rather than employee contribution rates.

(f) The additional equivalent member contribution under this subdivision must be paid in a lump sum. Payment must accompany the election to transfer the prior service credit. No transfer election or additional equivalent member contribution payment may be made by a person or accepted by the executive director after the one year anniversary date of the effective date of the retirement coverage transfer, or the date on which the eligible employee terminates state employment, whichever is earlier.

(g) If an eligible employee elects to transfer past service credit under this section and pays the additional equivalent member contribution amount under paragraph (a), the applicable department shall pay an additional equivalent employer contribution amount. The additional employer contribution is the amount computed under paragraph (d), plus the greater of the amount computed under paragraph (e), or 60 percent of the unfunded actuarial accrued liability attributable to the past service credit transfer.

(h) The unfunded actuarial accrued liability attributable to the past service credit transfer is the present value of the benefit obtained by the transfer of the service credit to the correctional state employees retirement plan reduced by the amount of the asset transfer under subdivision 4, by the amount of the member contribution equivalent payment computed under paragraph (b), and by the amount of the employer contribution equivalent payment computed under paragraph (d).

(i) The additional equivalent employer contribution under this subdivision must be paid in a lump sum and must be paid within 30 days of the date on which the executive director of the Minnesota State Retirement System certifies to the applicable department that the employee paid the additional equivalent member contribution.

Subd. 4. Transfer of assets. Assets related to the transferred service credit of an eligible employee must be transferred from the general state employees retirement fund to the correctional state employees retirement fund in an amount equal to the present value of benefits earned under the general state employees retirement plan by the eligible employee transferring past service to the correctional state employees retirement plan, as determined by the actuary retained under section 356.214, multiplied by the accrued liability funding ratio of the active members of the general state employees retirement plan as derived from the most recent actuarial valuation prepared under section 356.215. The transfer of assets must be made within 45 days after the coverage transfer election is made.

Subd. 5. Effect of asset transfer. Upon the transfer of assets under subdivision 4, the service credit in the general state employees retirement plan of the Minnesota State Retirement System related to the period being transferred is forfeited and may not be reinstated. The transferred service credit and the transferred assets must be credited to the correctional state employees retirement plan and fund, respectively.

Subd. 6. Cost of actuarial calculations. The applicable department shall pay the cost of the actuarial calculations required by this section as billed by the executive director of the Minnesota State Retirement System.

352.965 MINNESOTA STATE DEFERRED COMPENSATION PLAN.

Subdivision 1. Establishment. (a) The Minnesota deferred compensation plan is established. For purposes of this section, "plan" means the Minnesota deferred compensation plan, unless the context clearly indicates otherwise. The Minnesota State Retirement System shall administer the plan.

(b) The purpose of the plan is to provide a means for a public employee to contribute a portion of the employee's compensation to a tax-deferred investment account. The plan is an eligible tax-deferred compensation plan under section 457(b) of the Internal Revenue Code, United States Code, title 26, section 457(b), and the applicable regulations under Code of Federal Regulations, title 26, parts 1.457-3 to 1.457-10.

(c) The board of directors of the Minnesota State Retirement System is the plan trustee and plan sponsor. The board's executive director is the plan administrator. Fiduciary activities of the plan must be undertaken in a manner consistent with chapter 356A.

(d) The executive director, with the approval of the board of directors, shall adopt and amend, as required to maintain tax-qualified status, a written plan document specifying the material terms and conditions for eligibility, benefits, applicable limitations, and the time and form under which benefit distributions can be made. With the approval of the board of directors, the executive director may also establish policies and procedures necessary for the administration of the deferred compensation plan.

(e) The plan document must include provisions that are necessary to cause the plan to be an eligible deferred compensation plan within the meaning of section 457(b) of the Internal Revenue Code. The plan document may provide additional administrative and substantive provisions consistent with state law, provided that those provisions do not cause the plan to fail to be an eligible deferred compensation plan within the meaning of section 457(b) of the Internal Revenue Code and may include provisions for certain optional features and services.

(f) The board of directors may authorize the executive director to establish and administer a Roth 457 plan if authorized by the Internal Revenue Code or a Roth individual retirement account as defined under section 408A of the Internal Revenue Code.

(g) All amounts contributed to the deferred compensation plan and all earnings on those amounts must be held in trust, in custodial accounts, or in qualifying annuity contracts for the exclusive benefit of the plan participants and beneficiaries, as required by section 457(g) of the Internal Revenue Code and in accordance with sections 356.001 and 356A.06, subdivision 1.

(h) The information and data maintained in the accounts of the participants and beneficiaries are private data and must not be disclosed to anyone other than the participant or beneficiary pursuant to a court order or under section 356.49.

(i) The plan document is not subject to the rule adoption process under the Administrative Procedure Act, including section 14.386, but must conform with applicable federal and state laws.

Subd. 2. Right to participate in deferred compensation plan. (a) At the request of an officer or employee of the state, an officer or employee of a political subdivision, or an employee covered by a retirement fund in section 356.20, subdivision 2, the appointing authority shall defer the payment of part of the compensation of the public officer or employee through payroll deduction.

(b) The amount to be deferred must be as provided in an agreement between the officer or employee and the plan sponsor. The agreement must be in a form specified by the executive director of the Minnesota State Retirement System and must be consistent with the requirements for an eligible plan under federal and state tax laws, regulations, and rulings.

Subd. 3. Failure to implement plan. The public employer must complete implementation of the deferred compensation plan within 45 days of the request as provided in subdivision 2. If the public employer fails to implement the deferred compensation plan, the public employer may not defer compensation under any existing or new deferred compensation plan from the date of the request until the date on which the deferred compensation plan provided for in this section is implemented. Upon the petition of a public officer or employee, the executive director of the Minnesota State Retirement System may order the public officer's or employee's public employer to implement the deferred compensation plan provided for in this section and may enforce that order in appropriate legal proceedings.

Subd. 4. Plan investments. Available investments are those investments chosen by the State Board of Investment under section 356.645 for the plan.

Subd. 4a. **Exclusive benefit.** All amounts contributed to the deferred compensation plan and all earnings on those amounts must be held for the exclusive benefit of the plan participants and beneficiaries. These amounts must be held in trust, in custodial accounts, or in qualifying annuity contracts as required by federal law in accordance with section 356A.06, subdivision 1.

Subd. 4b. **Employer contribution prohibition.** Except as authorized in section 356.24, subdivision 1, clause (5), employer contributions are prohibited.

Subd. 5. [Repealed, 2014 c 296 art 13 s 28]

The executive director of the system at the direction of the board of directors shall establish procedures to carry out this section including allocation of administrative costs of the plan to participants. Processes and procedures shall be set forth in the plan document. Fees cannot be charged on contributions and investment returns attributable to contributions made to the Minnesota supplemental investment funds before July 1, 1992.

(b) The plan document must conform to federal and state tax laws, regulations, and rulings, and is not subject to the Administrative Procedure Act.

(c) The executive director may contract with a third party to perform administrative and record keeping functions. The executive director may solicit bids and negotiate such contracts. Participating employers must provide the necessary data to the third-party record keeper as determined by the executive director. The third-party record keeper and the Minnesota State Retirement System shall follow the data privacy provisions under chapter 13. The third-party record keeper may not solicit participants for any product or services not related to the deferred compensation plan.

(d) The board of directors may authorize a third-party investment consultant to provide investment information and advice if the offering of such information and advice is consistent with the investment advice requirements applicable to private plans under Title VI, subtitle A, of the Pension Protection Act of 2006, Public Law 109-280, section 601.

Subd. 7. **Other laws not applicable.** Except as provided in this section, no provisions of this chapter or other law specifically referring to this chapter applies to this section unless the Minnesota deferred compensation plan is specifically referenced.

Subd. 8. **Exemption from process.** No amount of deferred compensation is assignable or subject to execution, levy, attachment, garnishment, or other legal process, except as provided in section 518.58, 518.581, or 518A.53.

Subd. 9. **Missing participants.** The plan document shall establish procedures to assist in locating participants. If a participant cannot be located the participant's benefits shall be deemed abandoned and the provisions of section 356.65 shall apply to their disposition.

POSTRETIREMENT HEALTH CARE SAVINGS**352.98 HEALTH CARE SAVINGS PLAN.**

Subdivision 1. **Plan created.** This section must be administered by the executive director of the system with the advice and consent of the board of directors. The executive director shall establish a plan or plans, known as health care savings plans, through which an officer or employee of the state or of a political subdivision, including officers or employees covered by a plan or fund specified in chapter 353D, 354B, 354D, 424A, or section 356.20, subdivision 2, may save to cover health care costs. For purposes of this section, a volunteer firefighter is an employee. The executive director shall make available one or more trusts, including a governmental trust or governmental trusts, authorized under the Internal Revenue Code to be eligible for tax-preferred or tax-free treatment through which employers and employees can save to cover health care costs.

Subd. 2. **Contracting authorized.** (a) The executive director shall administer the plan and contract with public and private entities to provide investment services, record keeping, benefit payments, and other functions necessary for the administration of the plan.

(b) As specified in section 356.645, the State Board of Investment shall determine an appropriate selection of investment options that shall be offered by the health care savings plan.

Subd. 3. **Contributions.** (a) Contributions to the plan must be defined in a personnel policy or in a collective bargaining agreement of a public employer or political subdivision. The executive director may offer different types of trusts permitted under the Internal Revenue Code to best meet the needs of different employer units.

(b) Contributions to the plan by or on behalf of the participant must be held in trust for reimbursement of eligible health-related expenses for participants and their dependents following termination from public employment or in other circumstances set forth in the plan document. The executive director shall maintain a separate account of the contributions made by or on behalf of each participant and the earnings thereon. The executive director shall make available a limited range of investment options, and each participant may direct the investment of the accumulations in the participant's account among the investment options made available by the executive director.

(c) This section does not obligate a public employer to meet and negotiate in good faith with the exclusive bargaining representative of any public employee group regarding an employer contribution to a postretirement or active employee health care savings plan authorized by this section and section 356.24, subdivision 1, clause (7). It is not the intent of the legislature to authorize the state to incur new funding obligations for the costs of retiree health care or the costs of administering retiree health care plans or accounts.

Subd. 4. **Reimbursement for health-related expenses.** The executive director shall reimburse participants at least quarterly for eligible health-related expenses, as allowable by federal and state law, until the participant exhausts the accumulation in the participant's account. If a participant dies prior to exhausting the participant's account balance, the participant's spouse or dependents are eligible to be reimbursed for health care expenses

from the account until the account balance is exhausted. If an account balance remains after the death of a participant and all of the participant's legal dependents, the remainder of the account must be paid to the participant's beneficiaries or, if none, to a living person or persons named by the personal representative of the estate. The person or persons named must use the account for reimbursement of allowable health care expenses.

Subd. 5. **Fees.** The executive director is authorized to charge fees to participants to cover the ongoing cost of operating the plan. The fees must be deposited in an administrative fee account. On January 1, following the end of the prior fiscal year, the executive director shall estimate the amount needed to cover plan expenses, record keeping costs, and custodial fees for the new fiscal year. If the balance of the administrative fee account is in excess of this amount, the excess must revert to participant accounts, or plan fees must be reduced to eliminate the excess, or the executive director may use a combination of both approaches to eliminate the excess.

Subd. 6. [Repealed, 2007 c 133 art 2 s 13]

Subd. 7. **Contracting with private entities.** Nothing in this section prohibits employers from contracting with private entities to provide for health care reimbursement plans.

Subd. 8. **Exemption from process.** Assets in a health care savings plan account described in this section must be used for the reimbursement of health care expenses and are not assignable or subject to execution, levy, attachment, garnishment, or other legal process, except as provided in section 518.58, 518.581, or 518A.53.
