

245A.043 LICENSE APPLICATION AFTER CHANGE OF OWNERSHIP.

Subdivision 1. **Transfer prohibited.** A license issued under this chapter is only valid for a premises and individual, organization, or government entity identified by the commissioner on the license. A license is not transferable or assignable.

Subd. 2. **Change in ownership.** (a) If the commissioner determines that there is a change in ownership, the commissioner shall require submission of a new license application. This subdivision does not apply to a licensed program or service located in a home where the license holder resides. A change in ownership occurs when:

- (1) the license holder sells or transfers 100 percent of the property, stock, or assets;
- (2) the license holder merges with another organization;
- (3) the license holder consolidates with two or more organizations, resulting in the creation of a new organization;
- (4) there is a change to the federal tax identification number associated with the license holder; or
- (5) all controlling individuals associated with the original application have changed.

(b) Notwithstanding paragraph (a), clauses (1) and (5), no change in ownership has occurred if at least one controlling individual has been listed as a controlling individual for the license for at least the previous 12 months.

Subd. 3. **Change of ownership process.** (a) When a change in ownership is proposed and the party intends to assume operation without an interruption in service longer than 60 days after acquiring the program or service, the license holder must provide the commissioner with written notice of the proposed change on a form provided by the commissioner at least 60 days before the anticipated date of the change in ownership. For purposes of this subdivision and subdivision 4, "party" means the party that intends to operate the service or program.

(b) The party must submit a license application under this chapter on the form and in the manner prescribed by the commissioner at least 30 days before the change in ownership is complete, and must include documentation to support the upcoming change. The party must comply with background study requirements under chapter 245C and shall pay the application fee required under section 245A.10. A party that intends to assume operation without an interruption in service longer than 60 days after acquiring the program or service is exempt from the requirements of sections 245G.03, subdivision 2, paragraph (b), and 254B.03, subdivision 2, paragraphs (d) and (e).

(c) The commissioner may streamline application procedures when the party is an existing license holder under this chapter and is acquiring a program licensed under this chapter or service in the same service class as one or more licensed programs or services the party operates and those licenses are in substantial compliance. For purposes of this subdivision, "substantial compliance" means within the previous 12 months the commissioner did not (1) issue a sanction under section 245A.07 against a license held by the party, or (2) make a license held by the party conditional according to section 245A.06.

(d) Except when a temporary change in ownership license is issued pursuant to subdivision 4, the existing license holder is solely responsible for operating the program according to applicable laws and rules until a license under this chapter is issued to the party.

(e) If a licensing inspection of the program or service was conducted within the previous 12 months and the existing license holder's license record demonstrates substantial compliance with the applicable licensing requirements, the commissioner may waive the party's inspection required by section 245A.04, subdivision 4. The party must submit to the commissioner (1) proof that the premises was inspected by a fire marshal or that the fire marshal deemed that an inspection was not warranted, and (2) proof that the premises was inspected for compliance with the building code or that no inspection was deemed warranted.

(f) If the party is seeking a license for a program or service that has an outstanding action under section 245A.06 or 245A.07, the party must submit a letter as part of the application process identifying how the party has or will come into full compliance with the licensing requirements.

(g) The commissioner shall evaluate the party's application according to section 245A.04, subdivision 6. If the commissioner determines that the party has remedied or demonstrates the ability to remedy the outstanding actions under section 245A.06 or 245A.07 and has determined that the program otherwise complies with all applicable laws and rules, the commissioner shall issue a license or conditional license under this chapter. The conditional license remains in effect until the commissioner determines that the grounds for the action are corrected or no longer exist.

(h) The commissioner may deny an application as provided in section 245A.05. An applicant whose application was denied by the commissioner may appeal the denial according to section 245A.05.

(i) This subdivision does not apply to a licensed program or service located in a home where the license holder resides.

Subd. 4. Temporary change in ownership license. (a) After receiving the party's application pursuant to subdivision 3, upon the written request of the existing license holder and the party, the commissioner may issue a temporary change in ownership license to the party while the commissioner evaluates the party's application. Until a decision is made to grant or deny a license under this chapter, the existing license holder and the party shall both be responsible for operating the program or service according to applicable laws and rules, and the sale or transfer of the existing license holder's ownership interest in the licensed program or service does not terminate the existing license.

(b) The commissioner may issue a temporary change in ownership license when a license holder's death, divorce, or other event affects the ownership of the program and an applicant seeks to assume operation of the program or service to ensure continuity of the program or service while a license application is evaluated.

(c) This subdivision applies to any program or service licensed under this chapter.
