(b) Effective July 1, 2001, the medical assistance rates for outpatient mental health services provided by an entity that operates: (1) a Medicare-certified comprehensive outpatient rehabilitation facility; and (2) a facility that was certified prior to January 1, 1993, with at least 33 percent of the clients receiving rehabilitation services in the most recent calendar year who are medical assistance recipients, will be increased by 38 percent, when those services are provided within the comprehensive outpatient rehabilitation facility and provided to residents of nursing facilities owned by the entity.

(c) In addition to rate increases otherwise provided, the commissioner may restructure coverage policy and rates to improve access to adult rehabilitative mental health services under section 256B.0623 and related mental health support services under section 256B.021, subdivision 4, paragraph (f), clause (2).
