393.01 ESTABLISHMENT.

Subdivision 1. **Membership.** There shall be established in each county of the state a local social services agency which shall consist of the number of members, as hereinafter provided, to be chosen as follows.

Subd. 2. **Selection of members, terms, vacancies.** Except in counties which contain a city of the first class and counties having a poor and hospital commission, the local social services agency shall consist of seven members, including the board of county commissioners, to be selected as herein provided; two members, one of whom shall be a woman, shall be appointed by the board of county commissioners, one each year for a full term of two years, from a list of residents. As each term expires or a vacancy occurs by reason of death or resignation, a successor shall be appointed by the board of county commissioners for the full term of two years or the balance of any unexpired term from a list of one or more, not to exceed three residents. The board of county commissioners may, by resolution adopted by a majority of the board, determine that only three of their members shall be members of the local social services agency, in which event the local social services agency shall consist of five members instead of seven. When a vacancy occurs on the local social services agency by reason of the death, resignation, or expiration of the term of office of a member of the board of county commissioners, the unexpired term of such member shall be filled by appointment by the county commissioners. Except to fill a vacancy the term of office of each member of the local social services agency shall commence on the first Thursday after the first Monday in July, and continue until the expiration of the term for which such member was appointed or until a successor is appointed and qualifies.

Subd. 3. **County board to be local social services agency in Hennepin County.** In the county of Hennepin the board of county commissioners shall be the local social services agency. In such county the members shall be reimbursed by the county for expenses actually incurred in the performance of their official duties under the provisions of this chapter. In such county the county auditor shall be ex officio secretary of the board, but shall have no voice in its proceedings.

Subd. 4. [Repealed, 1974 c 435 art 6 s 1]

Subd. 5. **St. Louis County local social services agency.** The local social services agency of St. Louis County shall be appointed or elected as provided by Laws 1974, chapter 266, sections 1 to 3. The board shall receive such compensation and shall have and exercise all the powers as provided by Laws 1907, chapter 222, and acts amendatory thereof, in addition to any other and further powers granted herein and shall have and perform all the additional duties referred to in section 393.07.

Subd. 6. **Hospital commission as social services agency.** In any county now having a board of poor and hospital commissioners, said board of poor and hospital commissioners shall have the same powers and duties as the local social services agency in other counties, and shall be the local social services agency, and shall also retain and exercise the powers and duties conferred upon such agency by Laws 1917, chapter 187, as amended by Laws 1931, chapter 60, in counties in which said 1917 law as amended is applicable.

Subd. 7. **Joint exercise of powers.** Notwithstanding the provisions of subdivision 1 two or more counties may by resolution of their respective boards of county commissioners, agree to combine the functions of their separate local social services agency into one local social services agency to serve the two or more counties that enter into the agreement. Such agreement may be for a definite term or until terminated in accordance with its terms. When two or more counties have agreed to combine the functions of their separate local social services agency, a single local social services agency in lieu of existing individual local social services agency shall be established to direct the activities of the combined agency. This agency shall have the same powers, duties and functions as an individual local social services agency. The single local social services agency shall have representation from each of the participating counties with selection of the members to be as follows:

(a) Each board of county commissioners entering into the agreement shall on an annual basis select one or two of its members to serve on the single local social services agency.

(b) Each board of county commissioners entering into the agreement shall select one county resident who is not a county commissioner to serve as a local social services agency member.

(c) The composition of the agency may be determined by the boards of county commissioners entering into the agreement providing that no less than one-third of the members are appointed as provided in paragraph (b).

Subdivision 1. **Public child welfare program.** (a) To assist in carrying out the child protection, delinquency prevention and family assistance responsibilities of the state, the local social services agency shall administer a program of social services and financial assistance to be known as the public child welfare program. The public child welfare program shall be supervised by the commissioner of human services and administered by the local social services agency in accordance with law and with rules of the commissioner.

(b) The purpose of the public child welfare program is to assure protection for and financial assistance to children who are confronted with social, physical, or emotional problems requiring protection and assistance. These problems include, but are not limited to the following:

(1) mental, emotional, or physical disability;

(2) birth of a child to a mother who was not married to the child's father when the child was conceived nor when the child was born, including but not limited to costs of prenatal care, confinement and other care necessary for the protection of a child born to a mother who was not married to the child's father at the time of the child's conception nor at the birth;

(3) dependency, neglect;

(4) delinquency;

(5) abuse or rejection of a child by its parents;

(6) absence of a parent or guardian able and willing to provide needed care and supervision;

(7) need of parents for assistance with child rearing problems, or in placing the child in foster care.

(c) A local social services agency shall make the services of its public child welfare program available as required by law, by the commissioner, or by the courts and shall cooperate with other agencies, public or private, dealing with the problems of children and their parents as provided in this subdivision.

(d) A local social services agency may rent, lease, or purchase property, or in any other way approved by the commissioner, contract with individuals or agencies to provide needed facilities for foster care of children. It may purchase services or child care from duly authorized individuals, agencies or institutions when in its judgment the needs of a child or the child's family can best be met in this way.

Subd. 1a. [Repealed, 1979 c 256 s 3]

Subd. 2. **Administration of public welfare.** The local social services agency, subject to the supervision of the commissioner of human services, shall administer all forms of public welfare, both for children and adults, responsibility for which now or hereafter may be imposed on the commissioner of human services by law, including general assistance, aid to dependent children, county supplementation, if any, or state aid to recipients of Supplemental Security Income for aged, blind and disabled, child welfare services, mental health services, and other public assistance or public welfare services, provided that the local social services agency shall not employ public health nursing or home health service personnel other than homemaker-home help aides, but shall contract for or purchase the necessary services from existing community agencies. The duties of the local social services agency shall be performed in accordance with the standards and rules which may be promulgated by the commissioner of human services to achieve the purposes intended by law and in order to comply with the requirements of the federal Social Security Act in respect to public assistance and child welfare services, so that the state may qualify for grants-in-aid available under that act. To avoid administrative penalties under section 256.017, the local social services agency must comply with (1) policies established by state law and (2) instructions from the commissioner relating (i) to public assistance program policies consistent with federal law and regulation and state law and rule and (ii) to local agency program operations. The commissioner may enforce local social services agency compliance with the instructions, and may delay, withhold, or deny payment of all or part of the state and federal share of benefits and federal administrative reimbursement, according to the provisions under section 256.017. The local social services agency shall supervise wards of the commissioner and, when so designated, act as agent of the commissioner of human services in the placement of the commissioner's wards in adoptive homes or in other foster care

facilities. The local social services agency shall cooperate as needed when the commissioner contracts with a licensed child placement agency for adoption services for a child under the commissioner's guardianship. The local social services agency may contract with a bank or other financial institution to provide services associated with the processing of public assistance checks and pay a service fee for these services, provided the fee charged does not exceed the fee charged to other customers of the institution for similar services.

Subd. 3. Federal Social Security. The local social services agency shall be charged with the duties of administration of all forms of public assistance and public child welfare or other programs within the purview of the federal Social Security Act, other than public health nursing and home health services, and which now are, or hereafter may be, imposed on the commissioner of human services by law, of both children and adults. The duties of such local social services agency shall be performed in accordance with the standards and rules which may be promulgated by the commissioner of human services in order to achieve the purposes of the law and to comply with the requirements of the federal Social Security Act needed to qualify the state to obtain grants-in-aid available under that act. Notwithstanding the provisions of any other law to the contrary, the welfare board shall delegate to the director the authority to determine eligibility and disburse funds without first securing board action, provided that the director shall present to the board, at the next scheduled meeting, any such action taken for ratification by the board.

Subd. 4. Rules. The commissioner of human services shall be the authority to adopt and enforce rules concerning the use and publication of lists of public assistance recipients and governing the custody, use, and preservation of public assistance, mental health or child welfare records, files, and communications. The commissioner of human services shall adopt such rules as may be necessary to comply with the requirements of the federal Social Security Act; but in any event shall provide for the annual publication of a summary financial statement giving total expenditures for each of the several programs of public assistance; and shall make all finance records available for such examinations and audits as are required by law. No use or publication of the lists, records, files, and communications herein referred to shall be made until such rules are adopted, and then only in the manner and form therein provided. All other laws, or parts of laws, now in effect inconsistent with the provisions of this chapter are hereby repealed, superseded, modified, or amended so far as necessary to conform to and give full force and effect to the provisions of this chapter. The provisions of this chapter will not be construed to apply to poor relief or direct relief given solely in behalf of adult persons.

Subd. 5. Compliance with Social Security Act; merit system. The commissioner of human services shall have authority to require such methods of administration as are necessary for compliance with requirements of the federal Social Security Act, as amended, and for the proper and efficient operation of all welfare programs. This authority to require methods of administration includes methods relating to the establishment and maintenance of personnel standards on a merit basis as concerns all employees of local social services agencies except those employed in an institution, sanitarium, or hospital. The commissioner of human services shall exercise no authority with respect to the selection, tenure of office, and compensation of any individual employed in accordance with such methods. The adoption of methods relating to the establishment and maintenance of personnel standards on a merit basis of all such employees of the local social services agencies and the examination thereof, and the administration thereof shall be directed and controlled exclusively by the commissioner of human services.

Notwithstanding the provisions of any other law to the contrary, every employee of every local social services agency who occupies a position which requires as prerequisite to eligibility therefor graduation from an accredited four-year college or a certificate of registration as a registered nurse under section 148.231, must be employed in such position under the merit system established under authority of this subdivision. Every such employee now employed by a local social services agency and who is not under said merit system

is transferred, as of January 1, 1962, to a position of comparable classification in the merit system with the same status therein as the employee had in the county of employment prior thereto and every such employee shall be subject to and have the benefit of the merit system, including seniority within the local social services agency, as though the employee had served thereunder from the date of entry into the service of the local social services agency.

Subd. 6. Purchase of equipment to aid welfare recipients. Every local social services agency authorizing braces, crutches, trusses, wheel chairs and hearing aids for use by recipients of Supplemental Security Income for the aged, blind and disabled, the Minnesota family investment program and relief shall secure such devices at the lowest cost obtainable conducive to the well being of the recipient and fix the recipient's grant in an amount to cover the cost of the device providing it will be purchased at the lowest cost obtainable, or may make payment for the device directly to the vendor.

Subd. 7. Volunteer programs. In accordance with procedures established by the commissioner of human services, the local social services agencies may establish volunteer service programs. Persons who participate in these programs may be reimbursed for expenses incurred in performing assigned duties. For purposes of this section, a volunteer worker shall not receive compensation for services rendered but shall be entitled to workers' compensation coverage as provided for in section 176.011, subdivision 9.

Subd. 8. Citizens advisory committee. In accordance with procedures established by the commissioner of human services, local social services agencies may appoint citizen advisory committees to consult with the agency on any of the programs or services administered by the agency. Within the limits of the appropriation provided, the agency may authorize the reimbursement of committee members for expenses incurred in the performance of their duties.

Subd. 9. Power to compel child support payments. When directed by a judge of district court or when a person under court order is in default in making child support payments to another person who has custody of the children for whom such payments have been ordered, the local social services agency shall take such steps as may be necessary to compel the person in default on such payments to make them; to take such steps as may be necessary to compel such persons to make reimbursement to comply with the order of court when in default; and to institute, if necessary, contempt proceedings on behalf of such person or persons to whom money or property is ordered to be paid or delivered. It shall be the duty of the county attorney to conduct such contempt proceedings when directed by a judge of the district court or when requested by the local social services agency. The county attorney in such contempt proceedings or upon a separate motion supported by order to show cause and affidavits may move the court that any defaults or delinquent payments under such order of support be reduced to a judgment against the defaulting party, and where the local social services agency or any other public agency has advanced and expended funds to supply the unmet needs of such children because of such default by failure to pay the court order, such local social services agency or other public agency shall be subrogated and may recover under such judgment to the extent that public funds were expended for the care and support of such children. The additional cost incurred by the county attorney to bring contempt actions under this subdivision shall be paid from the moneys collected in such actions in whatever manner and amount approved by a judge of the district court.

Subd. 9a. Administrative penalties. (a) The public authority, as defined in section 518A.26, subdivision 18, may sanction an employer or payor of funds \$25 per day, up to \$500 per incident, for failing to comply with section 518A.46, subdivision 5, paragraph (a), clauses (5) and (8), if:

(1) the public authority mails the employer or payor of funds by certified mail a notice of an administrative sanction, at the employer's or payor's of funds last known address, which includes the date the sanction will

take effect, the amount of the sanction, the reason for imposing the sanction, and the corrective action that must be taken to avoid the sanction; and

(2) the employer or payor of funds fails to correct the violation before the effective date of the sanction.

(b) The public authority shall include with the sanction notice an additional notice of the right to appeal the sanction and the process for making the appeal.

(c) Unless an appeal is made, the administrative determination of the sanction is final and binding.

Subd. 10. SNAP; Maternal and Child Nutrition Act. (a) The local social services agency shall establish and administer the Supplemental Nutrition Assistance Program (SNAP) according to rules of the commissioner of human services, the supervision of the commissioner as specified in section 256.01, and all federal laws and regulations. The commissioner of human services shall monitor SNAP delivery on an ongoing basis to ensure that each county complies with federal laws and regulations. Program requirements to be monitored include, but are not limited to, number of applications, number of approvals, number of cases pending, length of time required to process each application and deliver benefits, number of applicants eligible for expedited issuance, length of time required to process and deliver expedited issuance, number of terminations and reasons for terminations, client profiles by age, household composition and income level and sources, and the use of phone certification and home visits. The commissioner shall determine the county-by-county and statewide participation rate.

(b) On July 1 of each year, the commissioner of human services shall determine a statewide and county-by-county SNAP participation rate. The commissioner may designate a different agency to administer the SNAP in a county if the agency administering the program fails to increase the SNAP participation rate among families or eligible individuals, or comply with all federal laws and regulations governing the SNAP. The commissioner shall review agency performance annually to determine compliance with this paragraph.

(c) A person who commits any of the following acts has violated section 256.98 or 609.821, or both, and is subject to both the criminal and civil penalties provided under those sections:

(d) A peace officer or welfare fraud investigator may confiscate SNAP benefits, authorization to purchase cards, or other assistance transaction devices found in the possession of any person who is neither a recipient of SNAP benefits nor otherwise authorized to possess and use such materials. Confiscated property shall be

Confiscated property shall be disposed of as the commissioner of health may direct and consistent with state and federal law. The confiscated property must be retained for a period of not less than 30 days.

(h) The commissioner of human services may seek a waiver from the United States Department of Agriculture to allow the state to specify foods that may and may not be purchased in Minnesota with benefits funded by the federal Supplemental Nutrition Assistance Program. The commissioner shall consult with the members of the house of representatives and senate policy committees having jurisdiction over SNAP issues in developing the waiver. The commissioner, in consultation with the commissioners of health and education, shall develop a broad public health policy related to improved nutrition and health status. The commissioner must seek legislative approval prior to implementing the waiver.

In the event the estimate is not approved, the county board of commissioners shall confer with the local social services agency and adjust a budget in accordance with the facts and levy a tax for the amount required.

In counties referred to in section 393.01, subdivision 3, the estimate required shall not include institutional requirements in any city of the first class located therein. The tax levy by the county board of commissioners in such counties shall be such as is required for public assistance, poor relief and categories of aid under the federal Social Security Act, and shall be separate and distinct from other levies made by it. The governing body of any such city of the first class may annually levy a tax for institutional requirements as authorized by such home rule charter, on the real and personal property within the corporate limits of such city. Such tax levy and the proceeds thereof shall be subject to the same control and supervision as is imposed on any existing public welfare tax levy.

In counties referred to in section 393.01, subdivision 7, the estimate required to fund the public welfare programs of the single local social services agency, including expense of administration, shall be submitted to the boards of county commissioners who are parties to the agreement. Each board of county commissioners shall consider the estimate so submitted and shall confer with the board of county commissioners from the other counties who are a party to the agreement in determining the amount of funds to be assessed against each county for purposes of funding the welfare program.
