

462.3595 CONDITIONAL USE PERMITS.

Subdivision 1. **Authority.** The governing body may by ordinance designate certain types of developments, including planned unit developments, and certain land development activities as conditional uses under zoning regulations. Conditional uses may be approved by the governing body or other designated authority by a showing by the applicant that the standards and criteria stated in the ordinance will be satisfied. The standards and criteria shall include both general requirements for all conditional uses, and insofar as practicable, requirements specific to each designated conditional use.

Subd. 2. **Public hearings.** Public hearings on the granting of conditional use permits shall be held in the manner provided in section 462.357, subdivision 3.

Subd. 3. **Duration.** A conditional use permit shall remain in effect as long as the conditions agreed upon are observed, but nothing in this section shall prevent the municipality from enacting or amending official controls to change the status of conditional uses.

Subd. 4. **Recording of permit.** A certified copy of any conditional use permit shall be recorded with the county recorder or registrar of titles of the county or counties in which the municipality is located for record. The conditional use permit shall include the legal description of the property included.
