STATE-APPROVED ALTERNATIVE PROGRAMS

123A.05 STATE-APPROVED ALTERNATIVE PROGRAM ORGANIZATION.

Subdivision 1. **Governance.** (a) A district may establish an area learning center, alternative learning program, or contract alternative in accordance with sections 124D.68, subdivision 3, paragraph (d), and 124D.69.

(b) An area learning center is encouraged to cooperate with a service cooperative, an intermediate school district, a local education and employment transitions partnership, public and private secondary and postsecondary institutions, public agencies, businesses, and foundations. Except for a district located in a city of the first class, an area learning center must be established in cooperation with other districts and must serve the geographic area of at least two districts. An area learning center must provide comprehensive educational services to enrolled secondary students throughout the year, including a daytime school within a school or separate site for both high school and middle school level students.

(c) An alternative learning program may serve the students of one or more districts, may designate which grades are served, and may make program hours and a calendar optional.

(d) A contract alternative is an alternative learning program operated by a private organization that has contracted with a school district to provide educational services for students under section 124D.68, subdivision 2.

Subd. 2. **Reserve revenue.** Each district that is a member of an area learning center or alternative learning program must reserve revenue in an amount equal to the sum of (1) at least 90 and no more than 100 percent of the district average general education revenue per adjusted pupil unit minus an amount equal to the product of the formula allowance according to section 126C.10, subdivision 2, times .0466, calculated without basic skills revenue, local optional revenue, and transportation sparsity revenue, times the number of pupil units attending an area learning center or alternative learning program under this section, plus (2) the amount of basic skills revenue generated by pupils attending the area learning center or alternative learning program. The amount of reserved revenue under this subdivision may only be spent on program costs associated with the area learning center or alternative learning program.

Subd. 3. **Access to services.** A state-approved alternative program shall have access to the district's regular education programs, special education programs, technology facilities, and staff. It may contract

with individuals or postsecondary institutions. It shall seek the involvement of community education programs, postsecondary institutions, interagency collaboratives, culturally based organizations, mutual assistance associations, and other community resources, businesses, and other federal, state, and local public agencies.

Subd. 4. **Nonresident pupils.** A pupil who does not reside in the district may attend a state-approved alternative program without consent of the school board of the district of residence.

An individualized education program team may identify a state-approved alternative program as an appropriate placement to the extent a state-approved alternative program can provide the student with the appropriate special education services described in the student's plan. - (6) a special education cooperative organized under section 471.59.

Subd. 3. **Appealing denial of membership to commissioner.** If a cooperative unit as defined in subdivision 2, denies membership in the unit to a district, the district may appeal to the commissioner. The commissioner may require the cooperative unit to grant the district membership.

123A.27 RESERVED REVENUE FOR DISTRICT COOPERATION.

A district that was a member of an intermediate school district organized pursuant to chapter 136D on July 1, 1996, must place a portion of its general education revenue in a reserved account for instructional services from entities formed for cooperative services for special education programs and secondary vocational programs. The amount reserved is equal to the levy made according to Minnesota Statutes 1993 Supplement, section 124.2727, subdivision 6, for taxes payable in 1994 divided by the actual pupil units in the intermediate school district for fiscal year 1995 times the number of actual pupil units in the school district in 1995. The district must use 5/11 of the revenue for special education and 6/11 of the revenue for secondary vocational education. The district must demonstrate that the revenue is being used to provide the full range of special education and secondary vocational programs and services available to each child served by the intermediate. The secondary vocational programs and services must meet the requirements established in an articulation agreement developed between the commissioner of education and the Board of Trustees of the Minnesota State Colleges and Universities.

A district that was a member of an education district organized pursuant to section 123A.15 on July 1, 1999, must place a portion of its general education revenue in a reserve account for instructional services from entities formed for cooperative services. Services may include secondary vocational programs, special

education programs, staff development, and gifted and talented instruction. The amount reserved is equal to \$50 per pupil unit times the actual number of pupil units in the district.

COOPERATION AND COMBINATION

123A.30 AGREEMENTS FOR SECONDARY EDUCATION.

Subdivision 1. **Applicability.** The provisions of this section shall apply to a district with fewer than 375 pupils enrolled in grades 7 to 12.

Subd. 2. **Agreement.** The board may enter into one or more agreements providing for instruction of its secondary pupils in one or more districts. The agreement must be effective on July 1 and shall be for a specified or indefinite number of years. The agreement must set forth the obligations of transportation, the tuition to be paid to the providing district, and all additional charges and fees to be paid to the providing district. The amount of tuition shall not be subject to the provisions of section 123A.488, subdivision 2. The agreement may provide for negotiation of a plan for the assignment or employment in a providing district as an exchange teacher according to section 122A.54, or placement on unrequested leave of absence of teachers whose positions are discontinued as a result of the agreement.

Subd. 3. **Public hearing.** Before entering into agreements permitted by subdivision 2, the board must hold a public hearing. The board must publish notice of the hearing in the newspaper with the largest circulation in the district. If the board proposes to enter into agreements with two or more districts, the board may conduct separate or consolidated hearings.

Subd. 4. **Review and comment.** After the hearing required by subdivision 3 and before entering into an agreement, the board must submit the agreement to the commissioner for review and comment.

Subd. 5. **Aid payments.** A district entering into an agreement permitted in subdivision 2 must continue to count its resident pupils who are educated in other districts as resident pupils in the calculation of pupil units for the purposes of state aids, levy limitations, and any other purpose. A district may continue to provide transportation and collect transportation aid for its resident pupils. For purposes of aid calculations, the commissioner may adjust the cost per eligible pupil transported to reflect changes in cost resulting from the agreement, if any.

Subd. 6. **Severance pay.** A district must pay severance pay to a teacher who is placed on unrequested leave of absence by the district as a result of the agreement. A teacher is eligible under this subdivision if the teacher:

- (1) is a teacher, but not a superintendent;
- (2) has a continuing contract with the district according to section 122A.40, subdivision 7.

The amount of severance pay must be equal to the teacher's salary for the school year during which the teacher was placed on unrequested leave of absence minus the gross amount the teacher was paid during the 12 months following the teacher's termination of salary, by an entity whose teachers by statute or rule must possess a valid Minnesota teaching license, and minus the amount a teacher receives as severance or other similar pay according to a contract with the district or district policy. These entities requiring a valid Minnesota teaching license include, but are not limited to, the district that placed the teacher on unrequested leave of absence, another district in Minnesota, an education district, an intermediate school district, a service cooperative, a board formed under section 471.59, a state residential academy, the Perpich Center for Arts

Education, a vocational center, or a special education cooperative. These entities do not include a district in another state, a Minnesota public postsecondary institution, or a state agency. Only amounts earned by the teacher as a substitute teacher or in a position requiring a valid Minnesota teaching license shall be subtracted. A teacher may decline any offer of employment as a teacher without loss of rights to severance pay.

To determine the amount of severance pay that is due for the first six months following termination of the teacher's salary, the district may require the teacher to provide documented evidence of the teacher's employers and gross earnings during that period. The district must pay the teacher the amount of severance pay it determines to be due from the proceeds of the levy for this purpose. To determine the amount of severance pay that is due for the second six months of the 12 months following the termination of the teacher's salary, the district may require the teacher to provide documented evidence of the teacher's employers and gross earnings during that period. The district must pay the teacher the amount of severance pay it determines to be due from the proceeds of the levy for this purpose.

A teacher who receives severance pay under this subdivision waives all further reinstatement rights under section 122A.40, subdivision 10 or 11. If the teacher receives severance pay, the teacher shall not receive credit for any years of service in the district paying severance pay prior to the year in which the teacher becomes eligible to receive severance pay.

The severance pay is subject to section 465.72. The district may levy annually according to section 126C.43, for the severance pay.

123A.32 INTERDISTRICT COOPERATION.

Subdivision 1. **District requirements.** The boards of two or more districts may, after consultation with the department, enter into an agreement providing for:

- (1) discontinuance by all districts except one of at least the 10th, 11th, and 12th grades; and
- (2) instruction of the pupils in the discontinued grades in one of the cooperating districts. Each district must continue to operate a school with at least three grades. Before entering into a final agreement, the boards must provide a copy of this agreement to the commissioner.

Subd. 2. **Aid; transportation.** (a) Each district must continue to count its resident pupils who are educated in a cooperating district as resident pupils in the calculation of pupil units for all purposes. The agreement must provide for tuition payments between or among the districts.

(b) Each district must continue to provide transportation and collect transportation aid for its resident pupils pursuant to sections 123B.88 and 123B.92. A district may provide some or all transportation to its resident pupils by contracting with a cooperating district. For purposes of section 123B.92, the commissioner may adjust the base cost per eligible pupil transported to reflect changes in costs resulting from the agreement.

Subd. 3. **Negotiated plan for teachers whose positions are discontinued.** The board and exclusive bargaining representative of the teachers in each district discontinuing grades may negotiate a plan to assign or employ in a cooperating district or to place on unrequested leave of absence all teachers whose positions are discontinued as a result of the agreement. The board and exclusive bargaining representative of the teachers in each district providing instruction to nonresident pupils may negotiate a plan to employ teachers from a cooperating district whose positions are discontinued as a result of the agreement. If plans are

negotiated and if the boards determine the plans are compatible, the boards shall include the plans in their agreement.

Subd. 4. **Combined teacher seniority list.** If compatible plans are not negotiated before the March 1 preceding any year of the agreement, the cooperating districts shall be governed by this subdivision. Insofar as possible, teachers who have acquired continuing contract rights and whose positions are discontinued as a result of the agreement shall be employed by a cooperating district or assigned to teach in a cooperating district as exchange teachers pursuant to section 122A.54. If necessary, teachers whose positions are discontinued as a result of the agreement and who have acquired continuing contract rights shall be placed on unrequested leave of absence in fields in which they are licensed in the inverse order in which they were employed by a cooperating district, according to a combined seniority list of teachers in the cooperating districts. For the purpose of establishing a combined seniority list, each district must be considered to have started school each year on the same date.

Subd. 5. **Notice; informational meeting.** Prior to entering into an agreement, the board shall consult with the community at an informational meeting. The board must publish notice of the meeting in the official newspaper of the district and may send written notice of the meeting to parents of pupils who would be affected.

Subd. 6. **Meeting location.** Notwithstanding any law to the contrary, boards that have an agreement may hold a valid joint meeting at any location that would be permissible for one of the boards participating in the meeting. A board that has an agreement may hold a meeting in any district that is a party to the agreement. The board shall comply with chapter 13D and any other law applicable to a meeting of a board.

123A.33 EMPLOYEES OF COOPERATIVE DISTRICTS UPON DISSOLUTION OR WITHDRAWAL.

Subdivision 1. **Definitions.** For the purposes of this section, the terms defined in this subdivision have the meanings given them.

(a) "Teacher" means a teacher who is employed by a district or center listed in subdivision 2, except that it does not include a superintendent.

(b) "Cooperative" means any district or center to which this section applies.

(c) "Withdrawal" means a district's removal of its students from a program of instruction, counseling, or evaluation provided by a cooperative in order to provide the same educational services by other means.

(d) "Education support position" means a position not requiring a teaching license in which an employee assists a teacher by providing instructional, counseling, or evaluative support services directly to students.

(e) "Education support employee" means an employee holding an education support position.

Subd. 2. **Applicability.** This section applies to:

- (1) an education district organized according to sections 123A.15 to 123A.19;
- (2) a cooperative vocational center organized according to section 123A.22;

(3) a joint powers district or board organized according to section 471.59 which employs teachers to provide instruction;

(4) an intermediate district organized according to chapter 136D;

(5) a service cooperative which employs teachers to provide instruction; and

(6) districts participating in an agreement for the cooperative provision of special education services to children with disabilities according to section 125A.11.

Subd. 3. Agreements for cooperative special education. (a) Upon the termination of an agreement according to section 125A.11, a teacher employed to provide special education services by a district participating in the agreement will be afforded rights to employment by other districts according to subdivisions 4, 5, and 6. Nonlicensed employees of a participating district employed to provide special education services will, upon the agreement's termination, be afforded rights to employment by other participating districts according to subdivision 9.

(b) Upon a district's withdrawal from the cooperative provision of special education under an agreement according to section 125A.11, a teacher employed to provide special education services by a participating district will be afforded rights to employment by other districts according to subdivisions 4, 7, and 8. Nonlicensed employees of a participating district employed to provide special education services will be afforded rights to employment by the withdrawing district according to subdivision 10.

Subd. 4. Notification of teachers. In any year in which a cooperative dissolves or a member withdraws from a cooperative, the governing board of a cooperative must provide all teachers employed by the cooperative written notification by March 10 of:

(1) the dissolution of the cooperative and the effective date of dissolution; or

(2) the withdrawal of a member of the cooperative and the effective date of withdrawal.

Subd. 5. Rights of a teacher with a continuing contract in a member district upon dissolution. (a) This subdivision applies to a teacher previously employed in a member district who:

(1) had a continuing contract with that member district;

(2) has been continuously employed immediately after leaving that member district by one or more cooperatives that provided instruction to pupils enrolled in that member district; and

(3) is either a probationary teacher or has a continuing contract with the cooperative that is dissolving.

(b) A teacher may elect to resume the teacher's continuing contract with the member district by which the teacher was previously employed by filing a written notice of the election with the member board on or before March 20. Failure by a teacher to file a written notice by March 20 of the year the teacher receives a notice according to subdivision 4 constitutes a waiver of the teacher's rights under this subdivision.

The member district must make reasonable realignments of positions to accommodate the seniority rights of a teacher electing to resume continuing contract rights in the member district according to this subdivision.

Upon returning the teacher shall receive credit for:

(1) all years of continuous service under contract with the cooperative and the member district for all purposes relating to seniority, compensation, and employment benefits; and

(2) the teacher's current educational attainment on the member district's salary schedule.

(c) A teacher who does not elect to return to the member district according to this subdivision may exercise rights under subdivision 6.

Subd. 6. **Rights of other teachers.** (a) This subdivision applies to a teacher who:

(1) has a continuing contract with the cooperative; and

(2) either did not have a continuing contract with any member district or does not return to a member district according to the procedures set forth in subdivision 5, paragraph (b).

(b) By May 10 of the school year in which the cooperative provides the notice required by subdivision 4, clause (1), the cooperative must provide to each teacher described in subdivision 5 and this subdivision a written notice of available teaching positions in any member district to which the cooperative was providing services at the time of dissolution. Available teaching positions are all teaching positions that, during the school year following dissolution:

(1) are positions for which the teacher is licensed; and

(2) are not assigned to a continuing contract teacher employed by a member district after any reasonable realignments which may be necessary under the applicable provisions of section 122A.40, subdivision 10 or 11, to accommodate the seniority rights of teachers employed by the member district.

(c) On or before June 1 of the school year in which the cooperative provides the notice required by subdivision 4, clause (1), any teacher wishing to do so must file with the board a written notice of the teacher's intention to exercise the teacher's rights to an available teaching position. Available teaching positions must be offered to teachers in order of their seniority within the dissolved cooperative.

(d) Paragraph (e) applies to:

(1) a district that was a member of a dissolved cooperative; or

(2) any other district that, except as a result of open enrollment according to section 124D.03, provides essentially the same instruction provided by the dissolved cooperative to pupils enrolled in a former member district.

(e) For five years following dissolution of a cooperative, a district to which this paragraph applies may not appoint a new teacher or assign a probationary or provisionally licensed teacher to any position requiring licensure in a field in which the dissolved cooperative provided instruction until the following conditions are met:

(1) a district to which this paragraph applies has provided each teacher formerly employed by the dissolved cooperative, who holds the requisite license, written notice of the position; and

(2) no teacher holding the requisite license has filed a written request to be appointed to the position with the board within 30 days of receiving the notice.

If no teacher files a request according to clause (2), the district may fill the position as it sees fit. During any part of the school year in which dissolution occurs and the first school year following dissolution, a teacher may file a request for an appointment according to this paragraph regardless of prior contractual commitments with other member districts. Available teaching positions must be offered to teachers in order

of their seniority on a combined seniority list of the teachers employed by the cooperative and the appointing district.

(f) A teacher appointed according to this subdivision is not required to serve a probationary period. The teacher shall receive credit on the appointing district's salary schedule for the teacher's years of continuous service under contract with the cooperative and the member district and the teacher's educational attainment at the time of appointment or shall receive a comparable salary, whichever is less. The teacher shall receive credit for accumulations of sick leave and rights to severance benefits as if the teacher had been employed by the member district during the teacher's years of employment by the cooperative.

Subd. 7. Rights of a teacher with a continuing contract in a member district upon withdrawal of the district. (a) This subdivision applies to a teacher previously employed by a member district who:

(1) had a continuing contract with the member district which withdraws from a cooperative;

(2) has been continuously employed immediately after leaving that member district by one or more cooperatives that provided instruction to pupils enrolled in that member district; and

(3) is either a probationary teacher or has a continuing contract with the cooperative from which the member district is withdrawing.

(b) A teacher may elect to resume the teacher's continuing contract with the withdrawing district by which the teacher was previously employed by filing a written notice of the election with the withdrawing school board on or before March 20. Failure by a teacher to file written notice by March 20 of the year the teacher receives a notice according to subdivision 4 constitutes a waiver of a teacher's rights under this subdivision.

The member district must make reasonable realignments of positions to accommodate the seniority rights of a teacher electing to resume continuing contract rights in the member district according to this subdivision.

Upon returning, the teacher shall receive credit for:

(1) all years of continuous service under contract with the cooperative and the member district for all purposes relating to seniority, compensation, and employment benefits; and

(2) the teacher's current educational attainment on the member district's salary schedule.

Subd. 8. Rights of a teacher placed on unrequested leave upon withdrawal. (a) This subdivision applies to a teacher who is placed on unrequested leave of absence, according to section 122A.40, subdivision 10 or 11, in the year in which the cooperative provides the notice required by subdivision 4, clause (2), by a cooperative from which a member district is withdrawing.

This subdivision applies to a district that, except as a result of open enrollment according to section 124D.03, provides essentially the same instruction provided by the cooperative to pupils enrolled in the withdrawing district.

(b) A teacher shall be appointed by a district to which this subdivision applies to an available teaching position which:

(1) is in a field of licensure in which pupils enrolled in the withdrawing district received instruction from the cooperative; and

(2) is within the teacher's field of licensure.

For the purpose of this paragraph, an available teaching position means any position that is vacant or would otherwise be occupied by a probationary or provisionally licensed teacher.

(c) A board may not appoint a new teacher to an available teaching position unless no teacher holding the requisite license on unrequested leave from the cooperative has filed a written request for appointment. The request must be filed with the board of the appointing district within 30 days of receiving written notice from the appointing board that it has an available teaching position. If no teacher holding the requisite license files a request according to this paragraph, the district may fill the position as it sees fit. Available teaching positions must be offered to teachers in order of their seniority on a combined seniority list of the teachers employed by the cooperative and the withdrawing member district.

(d) A teacher appointed according to this subdivision is not required to serve a probationary period. The teacher shall receive credit on the appointing district's salary schedule for the teacher's years of continuous service under contract with the cooperative and the member district and the teacher's educational attainment at the time of appointment or shall receive a comparable salary, whichever is less. The teacher shall receive credit for accumulations of sick leave and rights to severance benefits as if the teacher had been employed by the member district during the teacher's years of employment by the cooperative.

Subd. 9. Nonlicensed employees upon dissolution. (a) A nonlicensed employee who is terminated by a cooperative that dissolves shall be appointed by a district that is a member of the dissolved cooperative to a position that is created within 36 months of the dissolution of the cooperative and is created as a result of the dissolution of the cooperative. A position must be offered to a nonlicensed employee, who fulfills the qualifications for that position, in order of the employee's seniority within the dissolved cooperative.

(b) When an education support employee is terminated by a cooperative that dissolves, a district that is a member of the dissolved cooperative must appoint the employee to an education support position if the position is created within 36 months of the dissolution of the cooperative as a result of the dissolution. An education support position must be offered to an education support employee, who fulfills the qualifications for that position, in order of the employee's seniority within the dissolved cooperative.

(c) An employee appointed according to this subdivision shall receive credit for the employee's:

(1) continuous years of service with the cooperative on the appointing district's compensation schedule and seniority list; and

(2) unused sick leave accumulated while employed by the cooperative.

(d) Notwithstanding section 179A.12 or Minnesota Rules, part 5510.0510, subparts 1 to 4, a representation petition seeking the exclusive representation of a unit of education support employees employed by a district formerly a member of a dissolved cooperative may be considered by the commissioner of the bureau of mediation services at any time within 11 months of the dissolution of the cooperative.

Subd. 10. Nonlicensed employees upon withdrawal. (a) A nonlicensed employee of a cooperative whose active employment is discontinued or reduced as a result of the withdrawal of a member district from the cooperative shall be appointed by the withdrawing member district to a position that is created within 36 months of the withdrawal and is created as a result of the withdrawal of the member district. A position must be offered to a nonlicensed employee, who fulfills the qualifications for that position, in order of the employee's seniority within the cooperative from which a member district withdraws.

(b) When an education support employee of a cooperative has active employment discontinued or reduced as a result of the withdrawal of a member district from the cooperative, the withdrawing member district must appoint the employee to an education support position if the position is created within 36 months of the withdrawal as a result of the withdrawal of the member district. An education support position must be offered to an education support employee, who meets the qualifications for that position, in order of the employee's seniority within the cooperative from which a member district withdraws.

(c) An employee appointed according to this subdivision shall receive credit for the employee's:

(1) continuous years of service with the cooperative on the appointing district's compensation schedule and seniority list; and

(2) unused sick leave accumulated while employed by the cooperative.

(d) Notwithstanding section 179A.12 or Minnesota Rules, part 5510.0510, subparts 1 to 4, a representation petition seeking the exclusive representation of a unit of education support employees employed by a member district which has withdrawn from a cooperative may be considered by the commissioner of the bureau of mediation services at any time within 11 months of the district's withdrawal from the cooperative.

Subd. 11. **Cooperatives that merge.** (a) Notwithstanding subdivisions 1 to 10, paragraphs (b) and (c) apply to cooperatives that merge.

(b) If a cooperative enters into an agreement to merge with another cooperative, the boards of the cooperatives and the exclusive representatives of the teachers in the cooperatives and the teachers in each member district may negotiate a plan to assign or employ in a member district or to place on unrequested leave of absence all teachers whose positions are discontinued as a result of the agreement. If plans are negotiated and if the boards determine the plans are compatible, the boards must include the plans in their agreement.

(c) If compatible plans are not negotiated under paragraph (b) by the March 1 preceding the effective date of the merger of the cooperatives, subdivisions 2 to 10 apply to teachers and nonlicensed employees whose positions are terminated as a result of an agreement to merge cooperatives.

123A.35 COOPERATION AND COMBINATION.

Subdivision 1. **Scope.** Sections 123A.35 to 123A.43 establish procedures for boards that adopt, by resolution, a five-year written agreement:

(1) to provide at least secondary instruction cooperatively for at least one or two years, if the districts cooperate according to subdivision 2; and

(2) to combine into one district.

Subd. 2. **Cooperation requirements.** Cooperating districts must:

(1) implement a written agreement according to section 123A.32 no later than the first year of cooperation;

(2) all be members of one education district, if any one of the districts is a member, no later than the end of the second year of cooperation; and

(3) all be members of one service cooperative, if any one of the districts is a member.

Clause (1) does not apply to a district that implemented an agreement for secondary education, according to Minnesota Statutes 1996, section 122.535, during any year before the 1991-1992 school year. If the districts cooperate for one or more years, the agreement may be continued during those years.

Subd. 3. Combination requirements. Combining districts must be contiguous and meet one of the following requirements at the time of combination:

(1) at least two districts with at least 400 resident pupils enrolled in grades 7 through 12 in the combined district and projections, approved by the department, of enrollment at least at that level for five years;

(2) at least two districts if either:

(i) both of the districts qualify for secondary sparsity revenue under section 126C.10, subdivision 7, and have an average isolation index over 23; or

(ii) the combined district qualifies for secondary sparsity revenue;

(3) at least three districts with fewer than 400 resident pupils enrolled in grades 7 through 12 in the combined district; or

(4) at least two districts with fewer than 400 resident pupils enrolled in grades 7 through 12 in the combined district if either district is located on the border of the state.

A combination under clause (2), (3), or (4) must be approved by the commissioner. The commissioner shall disapprove a combination under clause (2), (3), or (4) if the combination is educationally unsound or would not reasonably enable the districts to fulfill statutory and rule requirements.

123A.37 COMMISSIONER AND VOTER APPROVAL.

Subdivision 1. **Commissioner approval.** Before submitting the question of combining districts to the voters at a referendum, the cooperating districts must submit the proposed combination to the commissioner. The commissioner shall determine the date for submission and may require any information it determines necessary. The commissioner shall disapprove the proposed combination if it is educationally unsound, will not reasonably enable the combined district to fulfill statutory and rule requirements, or if the plan or modifications are incomplete. If disapproved by the commissioner, the referendum shall be postponed, but not canceled, by the boards.

Subd. 2. **Voter approval.** A referendum on the question of combination must be conducted during the first or second year of cooperation for districts that cooperate according to section 123A.35, or no more than 18 months before the effective date of combination for districts that do not cooperate. The referendum must be on a date called by the boards. The referendum must be conducted by the boards according to the Minnesota Election Law, as defined in section 200.01. If the referendum fails, the same question or a modified question may be submitted. If the referendum fails again, the districts must modify their cooperation and combination

plan. A third referendum may be conducted. If a second or third referendum is conducted after October 1, the newly combined district may not levy under section 123A.39, subdivision 3, until the following year. Referendums shall be conducted on the same date in all districts.

The districts shall comply with section 123A.75.

Subdivision 1. **Referendum revenues.** The referendum revenue authorization of the combined district shall be one of the methods set forth in section 123A.73, subdivision 4, 5, or 6, and must be consistent with the plan adopted according to section 123A.36, and any subsequent modifications.

Subd. 2. **Bonded debt.** Debt service for bonds outstanding at the time of the combination may be levied by the combined board consistent with the plan adopted according to section 123A.36, and any subsequent modifications, subject to section 475.61. The primary obligation to pay the bonded indebtedness that is outstanding on the effective date of combination remains with the district that issued the bonds. However, the combined district may make debt service payments on behalf of a preexisting district.

Subd. 3. **Capital loan.** The combined board may levy for the obligations for a capital loan outstanding at the time of combination, consistent with the plan adopted according to section 123A.36 and any subsequent modifications. However, the obligation of a capital loan may be extended to all of the taxable property in the combined district.

Subd. 4. **Transitional levy.** The board of the combined district, or the boards of combining districts that have received voter approval for the combination under section 123A.37, subdivision 2, may levy for the expenses of negotiation, administrative expenses directly related to the transition from cooperation to combination, and the cost of necessary new athletic and music uniforms. COOPERATIVE FACILITIES GRANT ACT

123A.44 CITATION.

Sections 123A.441 to 123A.445 may be cited as the "Cooperative Facilities Grant Act."

History: 1987 c 400 s 33,59; 1989 c 300 art 2 s 13; 1991 c 199 art 2 s 1; 1998 c 397 art 7 s 164; art 11 s 3; 1999 c 241 art 4 s 29; 2000 c 464 art 3 s 9; 2000 c 489 art 5 s 19,27; 2007 c 146 art 4 s 1; 1Sp2017 c 8 art 2 s 34

123A.441 POLICY AND PURPOSE.

Because of the rates of decline in school-aged population, population shifts and economic changes that the state has experienced in recent years and anticipates in future years, and because in some instances local districts have not, and will not be able to provide the required construction funds through local property taxes, the purpose of the cooperative facilities grant program is to provide an incentive to encourage cooperation in making available to all students those educational programs, services and facilities that are most efficiently and effectively provided by a cooperative effort of school districts. The policy and purpose of sections 123A.442 to 123A.445 is to use the credit of the state, to a limited degree, to provide grants to cooperating groups of districts to improve and expand the educational opportunities and facilities available to their students.

123A.442 APPROVAL AUTHORITY; APPLICATION FORMS.

Subdivision 1. **Approval by commissioner.** To the extent money is available, the commissioner may approve projects from applications submitted under section 123A.443. The grant money must be used only to acquire, construct, remodel or improve the building or site of a cooperative facility under contracts to be entered into within 15 months after the date on which each grant is awarded.

Subd. 2. **Cooperation and consolidation.** Districts that have not already consolidated and receive a cooperative facilities grant shall:

(1) submit a consolidation plan under section 123A.48 for approval by the Department of Education; and

(2) hold a referendum on the question of consolidation no later than four years after a grant is awarded under subdivision 1.

The districts are eligible for consolidation revenue under section 123A.485.

Subd. 3. **Consolidated districts.** A school district that has consolidated with another school district since July 1, 1980, is eligible for a cooperative facilities grant.

History: 1987 c 400 s 35,59; 1989 c 300 art 2 s 13; 1991 c 265 art 6 s 40; 1992 c 499 art 5 s 8,9; 1Sp1995 c 3 art 16 s 13; 1998 c 397 art 7 s 67,164; art 11 s 3; 1999 c 241 art 4 s 29; 2000 c 464 art 3 s 9; 2000 c 489 art 5 s 19,27; 2004 c 294 art 5 s 3; 2007 c 146 art 4 s 3

123A.443 GRANT APPLICATION PROCESS.

Subdivision 1. **Qualification.** Any group of districts or a consolidated district that meets the criteria required under subdivision 2 may apply for an incentive grant for construction of a new facility or for remodeling and improving an existing facility. A grant for new construction must not exceed the lesser of \$20,000,000, or 75 percent of the approved construction costs of a cooperative education facility. A grant for remodeling and improving an existing facility must not exceed the lesser of \$10,000,000, or 75 percent of the approved remodeling costs.

Subd. 2. **Review by commissioner.** (a) A group of districts or a consolidated district that submits an application for a grant must submit a proposal to the commissioner for review and comment under section 123B.71. The commissioner shall prepare a review and comment on the proposed facility by July 1 of an odd-numbered year, regardless of the amount of the capital expenditure required to acquire, construct,

remodel or improve the facility. The commissioner shall not approve an application for an incentive grant for any facility unless the facility receives a favorable review and comment under section 123B.71 and the following criteria are met:

(1) the applicant is a consolidated district or a minimum of two or more districts that have entered into a joint powers agreement;

(2) for a group of districts, a joint powers board representing all participating districts is established under section 471.59 to govern the cooperative facility;

(3) for a group of districts, no more than one superintendent is employed by the joint powers board as a result of the cooperative facility agreement;

(4) a statement of need is submitted, that may include reasons why the current facilities are inadequate, unsafe, or inaccessible to persons with disabilities;

(5) an educational plan is prepared, that includes input from both community and professional staff;

(6) for a group of districts, a combined seniority list for all participating districts is developed by the joint powers board;

(7) for a group of districts, an education program is developed that provides for more learning opportunities and course offerings, including the offering of advanced placement courses, for students than is currently available in any single member district;

(8) a plan is developed for providing instruction of any resident students in other districts when distance to the education facility makes attendance at the facility unreasonably difficult or impractical; and

(9) for a secondary facility, the joint powers board established under clause (2) discusses with technical colleges located in the area how vocational education space in the cooperative facility could be jointly used for secondary and postsecondary purposes.

(b) To the extent possible, the joint powers board is encouraged to provide for severance pay or for early retirement incentives under section 122A.48, for any teacher or administrator, as defined under section 122A.40, subdivision 1, who is placed on unrequested leave as a result of the cooperative facility agreement.

(c) For the purpose of paragraph (a), clause (6), each district must be considered to have started school each year on the same date.

(d) The districts may develop a plan that provides for the location of social service, health, and other programs serving pupils and community residents within the cooperative facility. The commissioner shall consider this plan when preparing a review and comment on the proposed facility.

(e) The districts must schedule and conduct a meeting on library services. The school districts, in cooperation with the regional public library system and its appropriate member libraries, must discuss the possibility of including jointly operated library services at the cooperative facility.

(f) The board of a district that has reorganized under section 123A.37 or 123A.48 and that is applying for a grant for remodeling or improving an existing facility may act in the place of a joint powers board to meet the criteria of this subdivision.

Subd. 3. Reorganizing districts. A district that is a member of a joint powers board established under subdivision 2 and that is planning to reorganize under section 123A.45, 123A.46, or 123A.48 must notify

the joint powers board one year in advance of the effective date of the reorganization. Notwithstanding section 471.59 or any other law to the contrary, the board of a district that reorganizes under section 123A.45, 123A.46, or 123A.48 may appoint representatives to the joint powers board who will serve on the joint powers board for two years after the effective date of the reorganization if authorized in the agreement establishing the joint powers board to govern the cooperative facility. These representatives shall have the same powers as representatives of any other school district under the joint powers agreement.

Subd. 4. District procedures. A joint powers board of a district established under subdivision 2 or a school board of a reorganized district that intends to apply for a grant must adopt a resolution stating the proposed costs of the project, the purpose for which the costs are to be incurred, and an estimate of the dates when the facilities for which the grant is requested will be contracted for and completed. Applications for the state grants must be accompanied by (a) a copy of the resolution, (b) a certificate by the clerk and treasurer of the joint powers board showing the current outstanding indebtedness of each member district, and (c) a certificate by the county auditor of each county in which a portion of the joint powers district lies showing the information in the auditor's official records that is required to be used in computing the debt limit of the district under section 475.53, subdivision 4. The clerk's and treasurer's certificate must show, as to each outstanding bond issue of each member district, the amount originally issued, the purpose for which issued, the date of issue, the amount remaining unpaid as of the date of the resolution, and the interest rates and due dates and amounts of principal thereon. Applications and necessary data must be in the form prescribed by the commissioner. Applications must be received by the commissioner by September 1 of an odd-numbered year. When an application is received, the commissioner shall obtain from the commissioner of revenue, and from the Public Utilities Commission when required, the information in their official records that is required to be used in computing the debt limit of the joint powers district under section 475.53, subdivision 4.

Subd. 5. Award of grants. By November 1 of the odd-numbered year, the commissioner shall examine and consider all applications for grants, and if any district is found not qualified, the commissioner shall promptly notify that board.

A grant award is subject to verification by the district as specified in subdivision 8. A grant award for a new facility must not be made until the site of the facility has been determined. A grant award to remodel or improve an existing facility must not be made until the districts have reorganized. If the total amount of the approved applications exceeds the amount that is or can be made available, the commissioner shall first award grants to districts that will close at least one existing school building, and then, to the extent funds remain, allot the available amount equally between any other approved applicant districts. The commissioner shall promptly certify to each qualified district the amount, if any, of the grant awarded to it.

Subd. 6. Collocation grant. A group of districts that receives a grant for a new facility under subdivision 4 is also eligible to receive an additional grant in the amount of \$1,000,000. To receive the additional grant, the group of districts must develop a plan under subdivision 2, paragraph (d), that provides for the location of a significant number of noneducational student and community service programs within the cooperative facility.

Subd. 7. Referendum; bond issue. Within 180 days after being awarded a grant for a new facility under subdivision 5, the joint powers board must submit the question of authorizing the borrowing of funds for the facility to the voters of the joint powers district at a special election, which may be held in conjunction with the general election of the school board members of the member districts. The question submitted must state the total amount of funding needed from all sources. A majority of those voting in the affirmative on the question is sufficient to authorize the joint powers board to accept the grant and to issue the bonds on public sale according to chapter 475. The clerk of the joint powers board must certify the vote of the bond

election to the commissioner. If the question is approved by the voters, the commissioner shall notify the approved applicant districts that the grant amount certified under subdivision 5 is available and appropriated for payment under this subdivision. If a majority of those voting on the question do not vote in the affirmative, the grant must be canceled.

Subd. 8. Contract. Each grant must be evidenced by a contract between the board and the state acting through the commissioner. The contract obligates the state to pay to the board an amount computed according to subdivision 5, and according to a schedule, and terms and conditions acceptable to the commissioner of management and budget.

Subd. 9. Consolidation. A group of districts that operates a cooperative facility that was acquired, constructed, remodeled, or improved under this section and implements consolidation proceedings according to section 123A.48, may propose a temporary school board structure in the petition or resolution required under section 123A.48, subdivision 2. The districts may propose the number of existing school board members of each district to become members of the board of the consolidated district and a method to gradually reduce the membership to six or seven. The proposal must be approved, disapproved, or modified by the commissioner. The election requirements of section 123A.48, subdivision 20, do not apply to a proposal approved by the state board. Elections conducted after the effective date of the consolidation are subject to the Minnesota Election Law.

123A.444 LEVY FOR SEVERANCE PAY.

A joint powers board established under section 123A.443 may make a levy to provide severance pay and early retirement incentives under section 122A.48, for any teacher as defined under section 122A.40, subdivision 1, who is placed on unrequested leave as a result of the cooperative secondary facility agreement. A joint powers board making a levy must certify to each participating district tax levies sufficient to raise the amount necessary to provide the district's portion of severance pay and early retirement incentives. The tax levy certified to each district must be expressed as a local tax rate, that, when applied to the adjusted net tax capacity of all of the participating districts raises the amount necessary to provide severance pay and early retirement incentives. Each participating school district must include the levy in the next tax roll which it shall certify to the county auditor, and must remit the collections of the levy to the joint powers board.

REALIGNING DISTRICTS

123A.45 DETACHMENT AND ANNEXATION OF LAND.

Subdivision 1. **Detachment and annexation.** The owner of land which adjoins any independent district, and whose land is not in a special district may petition the county board of the county in which the greater part of the area proposed for detachment and annexation lies to detach all or any part of the land together with the intervening lands as defined in paragraph (b), from the district it now is in, and to attach it, together with such intervening land, to the adjoining district. For purpose of this section, land is adjoining a district if:

(a) The boundary of the area proposed for detachment and annexation is the same as the district boundary to which attachment is sought at any point, including corners, or

(b) The area proposed for detachment and annexation is separated at any point from the district to which annexation is sought by not more than one-half mile and the intervening land is vacant and unoccupied or is owned by one or more of the following: The United States, or the state of Minnesota or any of its political subdivisions, or an owner who is unknown or cannot be found or

(c) The area proposed by a land owner for detachment and annexation is adjoining, as defined in paragraphs (a) and (b), any land proposed for detachment from and annexation to the same district in another pending petition.

Subd. 2. **Petition.** The petition must contain:

(a) A correct description of the area proposed for detachment and annexation, including supporting data regarding location and title to land to establish that the land is adjoining a district.

(b) The reasons for the proposed change with facts showing that the granting of the petition will not reduce the size of any district to less than four sections, unless the district is not operating a school within the district.

(c) Consent to the petition, if, at the time of the filing of the petition, any part of the area proposed for detachment is part of a district which maintains and operates a secondary school within the district. Before the hearing, the consent of the board of the district in which the area proposed for detachment lies must be endorsed on the petition.

(d) An identification of the district to which annexation is sought.

(e) Other information the petitioners may desire to affix.

(f) An acknowledgment by the petitioner.

(g) A description of whether bonded indebtedness will be allocated according to subdivision 6, paragraph (b) or (c).

Subd. 3. **Filing petition.** The petition must be filed with the auditor who shall present it to the county board at its next meeting. At the meeting, the county board must fix a time and place for hearing the petition. The hearing shall be not more than 60 nor less than ten days from the date of the meeting. The auditor shall serve notice of the hearing on each district directly affected by the petition, by mail addressed to the clerk. If any area affected by the petition is in another county, the auditor shall mail a notice of hearing to the

auditor of such county and shall also give one week's published notice of the hearing in the county in which the hearing is to be held, and ten days' posted notice in each school district affected. Such posted and published notice may combine pending petitions. At the hearing on the petition, the county board must receive and hear any evidence for or against the petition. The hearing may be adjourned from time to time.

Subd. 4. Order. Within six months of the filing of the petition, the county board must issue its order either granting or denying the petition. If any of the land area described in the petition is included in a plat for consolidation or combination which has been approved by the commissioner, then no order may be issued while consolidation or combination proceedings are pending. No order shall be issued which results in attaching to a district any territory not adjoining that district, as defined in subdivision 1, paragraph (a). No order shall be issued which reduces the size of any district to less than four sections unless the district is not operating a school within the district. The order may have a deferred effective date not later than July 1 immediately following its issuance. If the petition is granted, the auditor shall transmit a certified copy to the commissioner. Failure to issue an order within six months of the filing of the petition or termination of proceedings upon an approved consolidation plat, whichever is later, is a denial of the petition.

Subd. 5. Modification of records. Upon receipt of the order, the commissioner shall modify the records and any plats and petitions and proceedings involving districts affected by such order presently before the commissioner for action or record, to conform to the order.

Subd. 6. Taxable property. (a) Upon the effective date of the order, the detachment and annexation is effected. The bonded indebtedness must be assigned to the detached and annexed land under either paragraph (b) or (c).

(b) Unless specified separately under paragraph (c), all taxable property in the area so detached and annexed remains taxable for payment of any school purpose obligations already authorized by or outstanding on the effective date of the order against the district from which detached. The order does not relieve such property from the obligation of any bonded debt already incurred to which it was subject prior to the order. All taxable property in the area so detached and annexed is taxable for payment of any district obligations authorized on or subsequent to the effective date of the order by the district to which annexation is made.

(c) Alternatively, if the school board of the district in which the area is proposed for detachment and the school board of the district in which the area is proposed for annexation agree, all taxable property in the area detached and annexed shall be taxable by the school district to which the property is annexed. Detached and annexed property is relieved from the obligation of any bonded debt already incurred by the district in which the area is detached and is obligated for any bonded debt already incurred by the district to which the area is annexed.

If any part of the district proposed for dissolution or any adjoining district lies in another county, the auditor shall mail notice of the hearing to the auditor of each county so situated upon establishment of the hearing date.

Subd. 7. **When no order may be issued.** No order dissolving a district may be issued by the county board if the district to be dissolved is included in a plat for consolidation which has been approved by the commissioner of education and upon which plat final action has not been taken unless all of the district to be dissolved and all of the district or districts to which attachment is proposed are included in the approved plat.

Subd. 8. **Information to county auditor.** (a) Before the day of a hearing ordered pursuant to this section, each district adjoining the district proposed for dissolution must provide the following information and resolution to the county auditor of the county containing the greatest land area of the district proposed for dissolution:

(iii) the taxable property of the dissolving district which is attached to its district shall be liable for some specified portion of the amount that could be requested pursuant to item (ii).

(b) An apportionment pursuant to paragraph (a), clause (4), item (ii) or (iii), shall be made by the county auditor of the county containing the greatest land area of the district proposed for transfer.

Subd. 9. **When order may be issued.** Within 90 days of the date set for the original hearing or within 30 days of the termination of a consolidation proceeding which stays the order under subdivision 7, the county board may issue its order:

(1) dismissing the proceedings; or

(2) providing for the dissolution of the district and the annexation of the territory to adjoining districts, or the entire district as a unit may be attached to and become part of a district which maintains a secondary school located within the same high school area if there is no intervening district maintaining a secondary school.

If no order is issued within the limited time, the proceedings are dismissed.

If an order is issued pursuant to clause (2) the order is a final order, unless an election on the order is required pursuant to subdivision 11.

Subd. 10. **Order for dissolution.** (a) An order issued under subdivision 9, clause (2), must contain the following:

(1) A statement that the district is dissolved unless the results of an election held pursuant to subdivision 11 provide otherwise;

(2) A description by words or plat or both showing the disposition of territory in the district to be dissolved;

(3) The outstanding bonded debt, outstanding energy loans made according to section 216C.37 or sections 298.292 to 298.297, and the capital loan obligation of the district to be dissolved;

The agreement must be in writing and submitted to the commissioner; and

(6) Other information the county board may desire to include.

(b) The auditor shall within ten days from its issuance serve a copy of the order by mail upon the clerk of the district to be dissolved and upon the clerk of each district to which the order attaches any territory of the district to be dissolved and upon the auditor of each other county in which any part of the district to be dissolved or any district to which the order attaches territory lies, and upon the commissioner.

Subd. 11. **Voter approval required.** If the proceedings were instituted by petition, under subdivision 2, clause (2), or by election, under subdivision 2, clause (3), and an advisory recommendation was made in the petition or an advisory ballot taken at the election, as to annexation requested, and if the order makes a different provision for annexation than requested, then the order must be approved by a majority of those voting on the question at an election to be called in the district to be dissolved, under subdivision 12. The question voted on shall be:

"Shall the order of the County Board of County, dated providing for the dissolution of this school district be approved?" Yes No

Subd. 12. **Election date.** If an election is required under subdivision 11, then before the expiration of a 45 day period after the date of the order for dissolution and attachment, the auditor shall set a date and call the election by filing a written order for the election and serving a copy of the order personally or by mail on the clerk of the district in which the election is to be held. The special election shall be held in the district proposed for dissolution and must be held on a date authorized in section 205A.05, subdivision 1a. The auditor shall post and publish notice of the election according to law. Upon receipt of the notice, the board shall conduct the election.

Subd. 13. **Election results.** The board must certify the results of the election to the auditor. If a majority of all votes cast on the question at the election approve the order, the order becomes final and effective as of the date specified in the order. Each person served with the order shall be so notified. If a majority of all votes cast on the question disapprove the order, the proceedings are dismissed, and the order becomes void.

Subd. 14. **Bonded debt.** The bonded debt of a district dissolved under provisions of this section must be paid according to levies made for that debt under provision of chapter 475. The obligation of the taxable property in the dissolved district with reference to the payment of such bonded debt is not affected by this section.

Subd. 15. **Current assets and liabilities.** If the dissolved district is not divided by the order of dissolution and attachment, all of its current assets and liabilities, real and personal, and all its legally valid and enforceable claims and contract obligations must pass to the district to which it is attached, except as provided in section 123A.75. If the district to be dissolved is divided by the order of dissolution and attachment, the commissioner shall, within 30 days after the order is issued, issue an order for the distribution of its current assets and liabilities, real and personal. If the commissioner's order provides for the transfer of an interest in real estate to a district, this order may also impose a dollar amount as a claim against that district in favor of other districts, and this claim shall be paid and enforced in the manner provided by law for the payment of judgments against a district. The obligations of districts to the teachers employed by the dissolved district shall be governed by the provisions of section 123A.75.

Subd. 16. **Levies.** (a) In the year prior to the effective date of the dissolution of a district, the board of a district to which all of the dissolving district is to be attached may adopt a resolution directing the board of the dissolving district to certify levies for general education, basic transportation, and capital expenditure equipment and facilities in an amount not to exceed the maximum amount authorized for the dissolving district for taxes payable in the year the dissolution is effective. If the dissolving district is to be attached to more than one district, the boards of the districts to which the dissolving district is to be attached may adopt a joint resolution that accomplishes the purpose in this paragraph.

(b) Notwithstanding any other law to the contrary, upon receipt of a resolution under paragraph (a), the board of the dissolving district must certify levies in the amounts specified in the resolution for taxes payable in the year the dissolution is effective.

123A.48 CONSOLIDATION.

Subdivision 1. **Proceeding to consolidate.** Common or independent districts or parts thereof, or any combination of the foregoing may consolidate into a single independent district by proceedings taken in accordance with this section. The proposed new district must contain at least 18 sections of land.

Subd. 2. **Resolution.** (a) Upon a resolution of a board in the area proposed for consolidation or upon receipt of a petition therefor executed by 25 percent of the voters resident in the area proposed for consolidation or by 50 such voters, whichever is less, the county auditor of the county which contains the greatest land area of the proposed new district shall prepare a plat. The resolution or petition must show the approximate area proposed for consolidation.

(b) The resolution or petition may propose the following:

(1) that the bonded debt of the component districts will be paid according to the levies previously made for that debt under chapter 475, or that the taxable property in the newly created district will be taxable for the payment of all or a portion of the bonded debt previously incurred by any component district as provided in subdivision 18;

(2) that obligations for a capital loan or an energy loan made according to section 216C.37 or sections 298.292 to 298.297 outstanding in a preexisting district as of the effective date of consolidation remain solely with the preexisting district that obtained the loan, or that all or a portion of the loan obligations will

be assumed by the newly created or enlarged district and paid by the newly created or enlarged district on behalf of the preexisting district that obtained the loan;

(3) that referendum levies previously approved by voters of the component districts pursuant to section 126C.17, subdivision 9, or its predecessor provision, be combined as provided in section 123A.73, subdivision 4 or 5, or that the referendum levies be discontinued;

(4) that the board of the newly created district consist of the number of members determined by the component districts, which may be six or seven members elected according to subdivision 20, or any number of existing school board members of the component districts, and a method to gradually reduce the membership to six or seven; or

(5) that separate election districts from which board members will be elected, the boundaries of these election districts, and the initial term of the member elected from each of these election districts be established.

The resolution must provide for election of board members from one of the following options: single-member districts; multimember districts; at large; or a combination of these options. The resolution must include a plan for the orderly transition to the option chosen.

A group of districts that operates a cooperative secondary facility funded under section 123A.443 may also propose a temporary board structure as specified in section 123A.443, subdivision 9.

If a county auditor receives more than one request for a plat and the requests involve parts of identical districts, the auditor shall prepare a plat which in the auditor's opinion best serves the educational interests of the inhabitants of the districts or areas affected.

(c) The plat must show:

(1) Boundaries of the proposed district, as determined by the county auditor, and present district boundaries,

(2) The location of school buildings in the area proposed as a new district and the location of school buildings in adjoining districts,

(3) The boundaries of any proposed separate election districts, and

(4) Other pertinent information as determined by the county auditor.

Subd. 3. Designated county auditor duties. The county auditor of the county containing the greatest land area of the area proposed to be consolidated shall perform the duties provided by this section.

Subd. 4. Orderly reduction plan. As part of the resolution required by subdivision 2, the board must prepare a plan for the orderly reduction of the membership of the board to six or seven members and a plan for the establishment or dissolution of election districts. The plan may shorten any or all terms of incumbent board members to achieve the orderly reduction. The plan must be submitted to the secretary of state for review and comment.

Subd. 5. Supporting statement. The county auditor shall prepare a supporting statement to accompany the plat. The statement must contain:

(a) The adjusted net tax capacity of property in the proposed district,

(b) If a part of any district is included in the proposed new district, the adjusted net tax capacity of the property and the approximate number of pupils residing in the part of the district included shall be shown

separately and the adjusted net tax capacity of the property and the approximate number of pupils residing in the part of the district not included shall also be shown,

(c) The reasons for the proposed consolidation, including a statement that at the time the plat is submitted to the commissioner of education, no proceedings are pending to dissolve any district involved in the plat unless all of the district to be dissolved and all of each district to which attachment is proposed is included in the plat,

(d) A statement showing that the jurisdictional fact requirements of subdivision 1 are met by the proposal,

(e) Any proposal contained in the resolution or petition regarding the disposition of the bonded debt, outstanding energy loans made according to section 216C.37 or sections 298.292 to 298.297, capital loan obligations, or referendum levies of component districts,

(f) Any other information the county auditor desires to include, and

(g) The signature of the county auditor.

Subd. 6. County auditor to submit plat. The county auditor shall submit the plat and supporting statement to the commissioner and a true copy of each to the auditor of each county containing any land area of the proposed new district.

Subd. 7. County auditor to notify county board; restriction on county board action. Upon receipt of a plat and the supporting statement, each county's auditor shall immediately notify the county's board. After such notification, and during the pendency of proceedings under the plat and supporting statement or for a period of six months, whichever is shorter, no action may be taken by the county board under any other law to modify the boundary of any district if any part of the district is included in an area proposed for consolidation.

Subd. 8. Commissioner duties. The commissioner shall, upon receipt of a plat, examine it and approve, modify or reject it. The commissioner shall also approve or reject any proposal contained in the resolution or petition regarding the disposition of the bonded debt of the component districts. If the plat shows the boundaries of proposed separate election districts and if the commissioner modifies the plat, the commissioner shall also modify the boundaries of the proposed separate election districts. The commissioner shall conduct a public meeting at the nearest county seat in the area upon reasonable notice to the affected districts and county boards if requested within 20 days after submission of the plat. The public meeting may be requested by the board of any affected district, a county board of commissioners, or the petition of 20 resident voters living within the area proposed for consolidation. The commissioner shall endorse on the plat action regarding any proposal for the disposition of the bonded debt of component districts and the reasons for these actions and after a minimum of 20 days, but no more than 60 days of the date of the receipt of the plat, the commissioner shall return it to the county auditor who submitted it. The commissioner shall furnish a copy of that plat, and the supporting statement and its endorsement to the auditor of each county containing any land area of the proposed new district. If land area of a particular county was included in the plat, as submitted by the county auditor, and all of such land area is excluded in the plat as modified and approved, the commissioner shall also furnish a copy of the modified plat, supporting statement, and any endorsement to the auditor of such county.

Subd. 9. Notice to district board. Upon receipt of an approved plat, the county auditor shall notify the board of any district, all or part of whose land is included in the proposed new district.

Subd. 10. District board adoption of proposed plat. The board of any independent district maintaining a secondary school, the board of any common district maintaining a secondary school, all or part of whose

land is included in the proposed new district, must, within 45 days of the approval of the plat by the commissioner, either adopt or reject the plan as proposed in the approved plat. If the board of any such district entitled to act on the petition rejects the proposal, the proceedings are terminated and dismissed. If any board fails to act on the plat within the time allowed, the proceedings are terminated. If any school board is unable to obtain a majority of its members' votes to accept or reject the plat and plan, a petition of residents of the district unable to obtain a majority of votes equal to 20 percent of the votes cast in the last school district general election in that district may be submitted to the county auditor requesting a public vote to accept or reject the plat and plan. The vote shall be scheduled on the next available election date. The county auditor shall notify the commissioner of the scheduled vote, conduct the election in that district and certify the results of the election to the commissioner. Other affected school boards that approve the plat and plan may choose to hold an election. If elections are conducted in each affected school district, results shall be separate and a majority vote to approve the plat and plan must be reached in each of the affected districts. If the plat and plan are rejected by the voters, a new plat and plan cannot be submitted, except by school board resolution in a district where the plat and plan were rejected, until January 1 of the year following the next school district general election.

Subd. 11. Multiple districts; approval. If the approved plat contains land area in more than one independent district maintaining a secondary school, or common district maintaining a secondary school, and if each board entitled to act on the plat approves the plat, each board shall publish notice of its action at least once in its official newspaper. If all of the boards entitled to act on the plat call, by resolution, for an election on the question, or if five percent of the eligible voters of any such district petition the clerk of the district, within 30 days after the publication of the notice, for an election on the question, the consolidation shall not become effective until approved by a majority vote in the district at an election held in the manner provided in subdivisions 13, 14, and 15.

Subd. 12. Approval by residents. If an approved plat contains land area in any district not entitled to act on approval or rejection of the plat by action of its board, the plat may be approved by the residents of the land area within 60 days of approval of plat by the commissioner in the following manner:

A petition calling upon the county auditor to call and conduct an election on the question of adoption or rejection of the plat may be circulated in the land area by any person residing in the area. Upon the filing of the petition with the county auditor, executed by at least 25 percent of the eligible voters in each district or part of a district contained in the land area, the county auditor shall call and conduct a special election of the electors resident in the whole land area on the question of adoption of the plat. For the purposes of this section, the term "electors resident in the whole land area" means any person residing on any remaining portion of land, a part of which is included in the consolidation plat. Any eligible voter owning land included in the plat who lives upon land adjacent or contiguous to that part of the voter's land included in the plat shall be included and counted in computing the 25 percent of the eligible voters necessary to sign the petition and shall also be qualified to sign the petition. Failure to file the petition within 60 days of approval of the plat by the commissioner terminates the proceedings.

Subd. 13. Notice of election. Upon an election becoming callable under provisions of subdivision 11 or 12, the board shall give ten days' posted notice of election in the area in which the election is to be held and also if a newspaper is published in the area, one weeks' published notice shall be given. The notice must specify the time, place and purpose of the election.

Subd. 14. Election. The board shall determine the date of the election as authorized by section 205A.05, subdivision 1a, the number of boundaries of voting precincts, and the location of the polling places where voting shall be conducted, and the hours the polls will be open. The board shall also provide official ballots

which must be used exclusively and shall be in the following form: "Shall the (name of school district) and the (name of school district) be consolidated as proposed? Yes No"

The board must appoint election judges who shall act as clerks of election. The ballots and results must be certified to the board who shall canvass and tabulate the total vote cast for and against the proposal.

Subd. 15. Effective date. If a majority of the votes cast on the question at the election approve the consolidation, and if the necessary approving resolutions of boards entitled to act on the plat have been adopted, the board must, within ten days of the election, notify the county auditor who shall, within ten days of the notice or of the expiration of the period during which an election can be called, issue an order setting a date for the effective date of the change. The effective date must be July 1 of the year determined by the board in the original resolution adopted under subdivision 2. The auditor shall mail or deliver a copy of such order to each auditor holding a copy of the plat and to the clerk of each district affected by the order and to the commissioner. The board must similarly notify the county auditor if the election fails. The proceedings are then terminated and the county auditor shall so notify the commissioner and the auditors and the clerk of each district affected.

Subd. 16. Identification number. Upon receipt of the order creating a new district, the commissioner shall, by order, assign an identification number to the new district and shall mail a copy of the order to the county auditor and to each auditor who holds a copy of the plat. If all of the territory in one and only one independent district maintaining a secondary school is included in the new independent district created pursuant to consolidation, and if the commissioner finds that it is more practical and reasonable and in the interest of efficiency and economy of operation to so do, the commissioner may assign to the new district the same number as previously held by the included independent district.

Subd. 17. Distribution of district assets and liabilities. If no district is divided by virtue of the proceedings, all of the assets, real and personal, of the districts involved and all legally valid and enforceable claims and contract obligations of the districts pass to the new district, except as provided in section 123A.75. If a district is divided by virtue of the proceedings, upon receipt of the order of the commissioner, the auditor of the county containing the greatest land area of the new district shall present a copy of the plat and supporting statement and orders issued in the proceedings to the commissioner, together with such information as is available to that auditor concerning the assets and liabilities not secured by bonds of each district, any part of which is included in the newly created district. Thereafter within 30 days the commissioner shall issue an order providing for a division of the assets and liabilities of the districts involved and apportioning and dividing these assets and liabilities according to such terms as the commissioner may deem just and equitable. In making this division of assets and liabilities, the commissioner may consider the amount of bonded debt to be assumed by property in each area under the provisions of this section. If the order of consolidation transfers any real estate interest to the new district or to another district, the order apportioning assets and liabilities may impose a dollar claim on the district receiving the real estate in favor of any other district involved in an amount not exceeding the reasonable value of the real estate interest involved, which claim shall be paid in the manner provided by law for the enforcement of judgments.

Subd. 18. Bonded debt. (a) As of the effective date of the consolidation, the bonded debt of all component districts must be paid according to the plan for consolidation proposed in the approved plat and according to this subdivision.

(b) If the plan for consolidation so provides, the bonded debt of all component districts must be paid according to levies previously made for that debt under chapter 475. In this case, the obligation of the taxable property in the component districts with reference to the payment of such bonded debt is not affected by the consolidation.

(c) If the plan for consolidation makes no provision for the disposition of bonded debt, all the taxable property in the newly created district is taxable for the payment of any bonded debt incurred by any component district in the proportion which the net tax capacity of that part of a preexisting district which is included in the newly created district bears to the net tax capacity of the entire preexisting district as of the time of the consolidation.

(d) If the plan for consolidation so provides, all the taxable property in the newly created district will be taxable for a portion of the bonded debt incurred by any component district prior to the consolidation.

(e) The county auditor shall make the apportionment required under paragraphs (c) and (d) and incorporate the apportionment as an annex to the order of the commissioner dividing the assets and liabilities of the component parts. This subdivision shall not relieve any property from any tax liability for payment of any bonded obligation but taxable property in the newly created district becomes primarily liable for the payment of bonded debts to the extent of the proportion stated.

Subd. 19. Bonds; election. The board of the newly created district, when constituted as provided in Minnesota Statutes 1990, section 122.23, subdivision 17, may provide for an election of that district on the issuance of bonds. It may issue and sell bonds authorized at the election, or bonds authorized at an election previously held in any preexisting district wholly included within the newly created district, or bonds for a purpose for which an election is not required by law. The actions may be taken at any time after the date of the county auditor's order issued under Minnesota Statutes 1990, section 122.23, subdivision 17, and before or after the date upon which the consolidation becomes effective for other purposes, and taxes for the payment of the bonds shall be levied upon all taxable property in the newly created district. No bonds shall be delivered to purchasers until 30 days after the date of the county auditor's order. If within this period a notice of appeal from the county auditor's order to the district court is filed in accordance with section 123A.49, no bonds shall be delivered by the newly created district to purchasers unless:

(1) the county auditor's order is affirmed by final order of the district court in the special proceeding, and a period of 30 days from the service of the final order expires without an appeal being commenced; or

(2) if an appeal is taken, the order is affirmed and the time for petitioning for further review has expired. Notwithstanding the pendency of the appeal, if all of the territory of one and only one independent district maintaining a secondary school is included in the newly created district, and if the net tax capacity of taxable property in the territory comprises 90 percent or more of the net tax capacity of all taxable property in the newly created district, then the board may issue, sell, and deliver any bonds voted by the preexisting independent district and any bonds voted or otherwise authorized by the newly created district, and the bonds must be paid by the levy of taxes upon the property within the territory of the preexisting independent district and within the other areas, if any, that are finally determined to be properly included within the newly created district. In any election held in the newly created district as authorized in the preceding sentence, all qualified electors residing within the area of that district as defined in the county auditor's order shall be entitled to vote, but the votes cast by residents of former districts or portions of former districts included in the area, other than the independent district maintaining the secondary school, shall be received and counted separately. The bonds must not be issued and sold unless authorized by a majority of the votes cast thereon by electors of the independent district maintaining the secondary school, and also by a majority of the votes cast thereon by electors residing within the entire area of the newly created district.

Subd. 20. Board election; duties. (a) The county auditor shall determine a date, not less than 30 nor more than 60 days from the date that the order setting the effective date of the consolidation according to subdivision 15 was issued, to hold a special election in the district for the purpose of electing a board of six members for terms of four years and until a successor is elected and qualifies according to provisions of law

governing the election of board members in independent districts. Notwithstanding the foregoing, three members of the first board must be elected to terms that expire on the first Monday in January following the first regularly scheduled school district general election that occurs more than six months after the election of the first board and three members must be elected to terms that expire on the first Monday in January following the second school district general election that occurs more than six months after the election of the first board. If the first board consists of seven members, then four members may be elected at either the first or second regularly scheduled school district general election following the election of the first board. If the resolution or petition for consolidation pursuant to subdivision 2 proposed the establishment of separate election districts, these members shall be elected from separate election districts according to the provisions of that resolution or petition and of chapter 205A.

(b) The county auditor shall give ten days' posted notice of election in the area in which the election is to be held and also if a newspaper is published in the proposed new district, one weeks' published notice shall be given. The notice must specify the time, place, and purpose of the election.

(c) Any person desiring to be a candidate for a school election shall file an application with the county auditor to have the applicant's name placed on the ballot for such office, specifying the term for which the application is made. The application must be filed not less than 21 days before the election.

(d) The county auditor shall prepare, at the expense of the county, necessary ballots for the election of officers, placing thereon the names of the proposed candidates for each office. The ballots must be marked and signed as official ballots and shall be used exclusively at the election. The county auditor shall determine the number of voting precincts and the boundaries of each. The county auditor shall determine the location of polling places and the hours the polls shall be open and shall appoint three election judges for each polling place who shall act as clerks of election. Election judges shall certify ballots and results to the county auditor for tabulation and canvass.

(e) After making a canvass and tabulation, the county auditor shall issue a certificate of election to the candidate for each office who received the largest number of votes cast for the office. The county auditor shall deliver such certificate to the person entitled to a certificate by certified mail, and each person so certified shall file an acceptance and oath of office with the county auditor within 30 days of the date of mailing of the certificate. A person who fails to qualify prior to the time specified shall be deemed to have refused to serve, but such filing may be made at any time before action to fill vacancy has been taken.

(f) The board of each district included in the new enlarged district shall continue to maintain the schools therein until the effective date of the consolidation. Such boards shall have power and authority only to make such contracts, to do such things as are necessary to properly maintain the schools for the period prior to that date, and to certify to the county auditor according to levy limitations applicable to the component districts the taxes collectible in the calendar year when the consolidation becomes effective.

(g) The newly elected board of the enlarged district has the immediate duty, after the members have qualified and the board has been organized, to plan for the maintenance of the school or schools of the new district for the next school year, to enter into the necessary negotiations and contracts for the employment of personnel, purchase of equipment and supplies, and other acquisition and betterment purposes, when authorized by the voters to issue bonds under the provisions of chapter 475. On the effective date of the consolidation, the newly elected board must assume the full duties of the care, management and control of the new enlarged district. The board of the new enlarged district must give due consideration to the feasibility of maintaining such existing attendance centers and of establishing such other attendance centers, especially in rural areas, as will afford equitable and efficient school administration and assure the convenience and welfare of the pupils residing in the enlarged district. The obligations of the new board to teachers employed

by component districts shall be governed by the provisions of section 123A.75. The obligations of the new board to nonlicensed employees employed by component districts is governed by subdivision 21.

Subd. 21. **Nonlicensed employees.** (a) As of the effective date of a consolidation of two or more districts or parts of them, each nonlicensed employee employed by an affected district must be assigned to the newly created district.

(b) As of the effective date of a consolidation, any employee organization may petition the commissioner of the Bureau of Mediation Services for a certification election under chapter 179A. An organization certified as the exclusive representative for nonlicensed employees in a particular preexisting district continues as the exclusive representative for those particular employees for a period of 90 days from the effective date of a consolidation. If a petition for representation of nonlicensed employees is filed within 90 days, an exclusive representative for those particular nonlicensed employees continues as the exclusive representative until the Bureau of Mediation Services certification proceedings are concluded.

(c) The terms and conditions of employment of nonlicensed employees assigned to the newly created district are temporarily governed by contracts executed by an exclusive representative for a period of 90 days from the effective date of the consolidation. If a petition for representation is filed with the Bureau of Mediation Services within the 90 days, the contractual terms and conditions of employment for those nonlicensed employees who were governed by a preexisting contract continue in effect until the Bureau of Mediation Services proceedings are concluded and, if an exclusive representative has been elected, until successor contracts are executed between the board of the newly created district and the new exclusive representative. The terms and conditions of employment of nonlicensed employees assigned to the newly created district who were not governed by a collective bargaining agreement at the time of the consolidation are governed by the policies of the board of the newly created district.

(d) The date of first employment in the newly created district is the date on which services were first performed by the employee in the preexisting district. Any sick leave, vacation time, or severance pay benefits accumulated under policies of the preexisting district or contracts between the exclusive representatives and the board of the preexisting district continue to apply in the newly created district to the employees of the preexisting districts, subject to any maximum accumulation limitations negotiated in a successor contract. Future leaves of absence, vacations, or other benefits to be accumulated in the newly created district are governed by board policy or by contract between the exclusive representative of an appropriate unit of employees and the board of the newly created district. The board of the newly created district must provide, to transferred nonlicensed employees, open enrollment in all insurance plans with no limit on preexisting conditions.

Subd. 22. **Attachment of land to consolidating districts.** In case of the consolidation of two or more districts or parts of districts into a larger district, any portions or parts of divided districts which have less than four sections of land shall be attached to one or more adjoining districts by the board of county commissioners upon due notice and hearing.

The county auditor shall give ten days' posted notice of the hearing in the area to be attached and shall deliver a copy of the notice of hearing to the clerk of each district adjoining the area at least 30 days prior to the date set for the hearing. If any adjoining district by resolution of its board, a copy of which is served on the county board before the hearing, demands that area to be attached assume a proportionate share of the bonded debt of the demanding district, then if the order of the county board attaches any land area to such district, the taxable property in such area assumes its proportionate share of the authorized and outstanding bonded debt of the district to which it is attached.

Subd. 23. **Retirement incentives.** (a) For consolidations effective July 1, 1994, and thereafter, a board of a district may offer early retirement incentives to licensed and nonlicensed staff. The early retirement incentives that the board may offer are:

(1) the payment of employer pension plan contributions for a specified period of allowable service credit for district employees who have at least ten years of allowable service credit in the applicable pension plan under paragraph (b);

(2) an extended leave of absence for an eligible employee under section 122A.46;

(3) severance payment incentives under paragraph (c); and

(4) the employer payment of the premiums for continued health insurance coverage under paragraph (d).

These incentives may only be offered to employees who terminate active employment with the district or who enter into an extended leave of absence as a result of the consolidation. The board may determine the staff to whom the incentives are offered. Unilateral implementation of this section by a board is not an unfair labor practice under chapter 179A.

(b) An employee with at least ten years of allowable service credit in the applicable pension plan who is offered an early retirement incentive under paragraph (a), clause (1), may purchase up to five additional years of allowable service credit from the applicable pension plan. To do so, the former employee must pay the member contributions to the pension plan annually in a manner and in accord with a schedule specified by the executive director of the applicable fund. If the former employee makes the member contribution, the board must make the applicable employer contribution. The salary used to determine these contributions is the salary of the person in the last year that the former employee was employed by the district. During the period of continuing member and employer contributions, the person is not considered to be an active member of the applicable pension plan, is not eligible for any active member disability or survivorship benefit coverage, and is not included in any postemployment termination benefit plan changes unless the applicable benefit legislation provides otherwise. Continued eligibility to purchase service credit under this paragraph expires if the person is subsequently employed during the service purchase period by a public employer with retirement coverage under a pension plan specified in section 356.30, subdivision 3.

(c) Severance payment incentives must conform with sections 465.72, 465.721, and 465.722.

(d) The board may offer a former employee continued employer-paid health insurance coverage. Coverage may not extend beyond age 65 or the end of the first month in which the employee is eligible for employer-paid health insurance coverage from a new employer. For purposes of this subdivision, "employer-paid health insurance coverage" means medical, hospitalization, or health insurance coverage provided through an insurance company that is licensed to do business in the state and for which the employing unit pays more than one-half of the cost of the insurance premiums.

(e) A board may offer these incentives beginning on the day that the consolidation is approved under subdivision 14 or, if an election is not called under subdivision 11 or 12, on the day that the plat is approved by the commissioner. A board may offer these incentives until the June 30 following the effective date of the consolidation.

123A.482 JOINT POWERS COOPERATIVE FACILITY.

Subdivision 1. **Schools may be jointly operated.** Two or more school districts may agree to jointly operate a secondary facility. The districts may choose to operate the facility according to a joint powers agreement under section 123A.78 or 471.59.

Subd. 2. **Expanded program offerings.** A jointly operated secondary program seeking funding under section 123A.485 must demonstrate to the commissioner's satisfaction that the jointly operated program provides enhanced learning opportunities and broader curriculum offerings to the students attending that program. The commissioner must approve or disapprove a cooperative secondary program within 60 days of receipt of an application.

Subd. 3. **Transfer of employees.** If an employee is transferred between two employer members of the joint powers agreement under this section, the employee's length of service under section 122A.40, subdivision 5, remains uninterrupted. The employee shall receive credit on the receiving district's salary schedule for the employee's educational attainment and years of continuous service in the sending district, or shall receive a comparable salary, whichever is greater. The employee shall receive credit for accrued sick leave and rights to severance benefits as if the employee had been employed by the receiving district during the employee's years of employment in the sending district.

Subd. 4. **Revenue.** An approved program that is jointly operated under this section is eligible for aid under section 123A.485 and qualifies for a facilities grant under sections 123A.44 to 123A.445.

Subd. 5. **Duty to maintain elementary and secondary schools met.** A school district operating a joint facility under this section meets the requirements of section 123A.64.

Subd. 6. **Estimated market value limit exclusion.** Bonds for a cooperative facility operated under this section issued by a member school district are not subject to the net debt limit under section 475.53, subdivision 4.

Subd. 7. **Allocation of levy authority for joint facility.** For purposes of determining each member district's school levy, a jointly operated secondary program may allocate program costs to each member district according to the joint powers agreement and each member district may include those costs in its tax levy. The joint powers agreement may choose to allocate costs on any basis adopted as part of the joint powers agreement.

Subd. 8. **Effect of consolidation.** The joint powers agreement may allow member school districts that choose to consolidate to continue to certify levies separately based on each component district's characteristics.

Subd. 9. **Bonds.** A joint powers district formed under this section may issue bonds according to section 123A.78 or its member districts may issue bonds individually after complying with this subdivision. The joint powers board must submit the project for review and comment under section 123B.71. The joint powers board must hold a hearing on the proposal. If the bonds are not issued under section 123A.78, each member district of the joint powers district must submit the question of authorizing borrowing of funds for the project to the voters of the district at a special election. The question submitted shall state the total amount of funding needed from that district. The member district may issue the bonds according to chapter 475 and certify the levy required by section 475.61 only if a majority of those voting on the question in that district vote in the

affirmative and only after the board has adopted a resolution pledging the full faith and credit of that unit. The resolution must irrevocably commit that unit to pay an agreed-upon share of any debt levy shortages that, together with other funds available, would allow the member school board to pay the principal and interest on the obligations. The clerk of the joint powers board must certify the vote of any bond elections to the commissioner. Bonds issued under this section first qualify for debt service equalization aid in fiscal year 2018.

Subd. 10. **Election.** A district entering into a joint powers agreement under this section may conduct a referendum seeking approval for a new facility. This election may be held separately or at the same time as a bond election under subdivision 9. If the election is held at the same time, the questions may be asked separately or as a conjunctive question. The question must be approved by a majority of those voting on the question. If asked separately and the question fails, a district may not proceed with the sale of bonds according to subdivision 9.

123A.485 CONSOLIDATION TRANSITION REVENUE.

Subdivision 1. **Eligibility and use.** A district that has been reorganized after June 30, 1994, under section 123A.48 is eligible for consolidation transition revenue. Revenue is equal to the sum of aid under subdivision 2 and levy under subdivision 3. Consolidation transition revenue may only be used according to this section. Revenue must be used for the following purposes and may be distributed among these purposes at the discretion of the district:

- (1) to offer early retirement incentives as provided by section 123A.48, subdivision 23;
- (2) to reduce operating debt as defined in section 123B.82;
- (3) to enhance learning opportunities for students in the reorganized district; and
- (4) for other costs incurred in the reorganization.

Revenue received and utilized under clause (3) or (4) may be expended for operating, facilities, and/or equipment.

Subd. 2. **Aid.** (a) Consolidation transition aid is equal to \$200 times the number of resident pupil units in the newly created district in the year of consolidation and \$100 times the number of resident pupil units in the first year following the year of consolidation. The number of pupil units used to calculate aid in either year shall not exceed 1,000 for districts consolidating July 1, 1994, and 1,500 for districts consolidating July 1, 1995, and thereafter.

(b) If the total appropriation for consolidation transition aid for any fiscal year, plus any amount transferred under section 127A.41, subdivision 8, is insufficient to pay all districts the full amount of aid earned, the department must first pay the districts in the first year following the year of consolidation the full amount of aid earned and distribute any remaining funds to the newly created districts in the first year of consolidation.

Subd. 3. **Levy.** If the aid available in subdivision 2 is insufficient to cover the costs of the district under section 123A.48, subdivision 23, the district may levy the difference over a period of time not to exceed three years.

Subd. 4. **New districts.** If a district consolidates with another district that has received aid under section 123A.39, subdivision 3, or 123A.485 for a combination or consolidation taking effect within six years of the effective date of the new consolidation, only the pupil units in the district or districts not previously

reorganized must be counted for aid purposes under subdivision 2. If two or more districts consolidate and all districts received aid under subdivision 2 for a consolidation taking effect within six years of the effective date of the new consolidation, only one quarter of the pupil units in the newly created district must be used to determine aid under subdivision 2.

123A.488 CONSOLIDATION; INSTRUCTION BY NONRESIDENTIAL DISTRICT.

Subdivision 1. **Aid payments in case of alteration of boundaries.** Where two or more districts hereafter unite the state aid shall continue to be paid for the remainder of the school year in which the union was completed as the state aids were paid to the individual districts prior to the union.

Subd. 2. **Tuition.** Except as otherwise provided in law, every district that provides for the instruction of a pupil without a disability in a nonresident district shall pay to the nonresident district the actual cost of the instruction, excluding transportation costs. Tuition for a nonresident pupil with a disability must be determined according to section 125A.11.

The resident district shall also pay to the nonresident district, for capital expenditures and debt service, \$10 per resident pupil unit in average daily membership for each nonresident pupil unit. However, a nonresident district may include in its tuition, for capital expenditures and debt service, an amount per resident pupil unit in average daily membership based on the amount that the average expenditure for capital expenditures and debt service determined by dividing such annual expenditure by the total number of pupil units in average daily membership in the district exceeds \$10 per resident pupil unit. If the nonresident district has no capital expenditures or debt service, it may use the money for any purpose for which it is authorized to spend money.

Subd. 3. **Tuition as agreed.** Notwithstanding subdivision 2, a resident district may pay a nonresident district the amount for tuition that is agreed upon by the districts.

123A.49 APPEALS.

Subdivision 1. **Grounds for appeal from final order.** Any district or any person aggrieved by final order of the county board or final order of the county auditor, made pursuant to the provisions of this code, may appeal from such final order to the district court upon the following grounds:

- (1) That the county board or the county auditor had no jurisdiction to act;
- (2) That the county board or the county auditor exceeded its jurisdiction;
- (3) That the action appealed from is arbitrary, fraudulent, capricious or oppressive or in unreasonable disregard of the best interest of the territory affected;
- (4) That the order of action appealed from is based upon an erroneous theory of law.

An appeal from a final order of a county board or the county auditor shall be taken by serving a notice of appeal upon the county auditor. An appeal from a final order of a county board or a county auditor shall be taken to the district court in the county of the board or auditor. Notice of appeal must be served within 30 days of the issuance of the order appealed from and shall be accompanied by a corporate surety bond in

the amount of \$250, conditioned for the payment of all costs taxed against appellant on such appeal. The notice of appeal shall be filed with the court administrator of the district court and noticed for hearing in the manner provided for the trial of civil actions by Minnesota Rules of Civil Procedure.

In an appeal from an order of a county auditor effecting a consolidation the action of the commissioner approving the plat is reviewable and the commissioner may be called by either party as a witness in such appeal proceedings and may be examined under the Rules of Civil Procedure relating to the cross-examination of adverse parties.

Subd. 2. **Affected school district or person may intervene.** Any school district or any person affected by final order of the county board or final order of the county auditor shall be permitted to intervene in appeals under this section as a party respondent.

Subd. 3. **Appeal.** An appeal lies from the district court in accordance with the Rules of Civil Appellate Procedure.

Subd. 4. **Administrative remedies for aggrieved school district or person.** Unless otherwise provided by law, any school district or any person aggrieved by a final order of the commissioner made pursuant to provisions of this code may proceed under the provisions of sections 14.57 to 14.69.

COMMON, INDEPENDENT, AND SPECIAL DISTRICTS

123A.55 CLASSES, NUMBER.

Districts shall be classified as common, independent, special, or charter districts. Each common, independent, and special district is a public corporation. Each district shall be known by its classification and assigned a number by the commissioner so that its title will be School District No.

History: 1967 c 833 s 4; 1969 c 364 s 7-9; 1975 c 162 s 18; 1979 c 211 s 3; 1983 c 314 art 8 s 7; 1998 c 397 art 5 s 52,104; art 11 s 3

123A.67 ALLOCATION OF ASSETS AND LIABILITIES; LEVY.

Subdivision 1. **Title to property.** Title to all the property, real and personal, of any district dissolved under the provisions of sections 123A.64 to 123A.72 and all legally valid and enforceable claims and contract obligations, pass to the district to which such dissolved district is attached. If a district is divided by virtue of the proceedings, the commissioner shall issue a subsequent order providing for the division of the assets and liabilities according to such terms as the commissioner may deem just and equitable.

Subd. 2. **Taxable property.** As of the effective date of the attachment, all the taxable property in the newly enlarged district is taxable for the payment of any bonded debt already incurred by any component district in the proportion which the net tax capacity of that part of a preexisting district which is included in the newly enlarged district bears to the net tax capacity of the entire preexisting district as of the time of the attachment. The county auditor shall make this apportionment and incorporate the apportionment as an annex to the order of the commissioner dividing the assets and liabilities of the component parts. This subdivision shall not relieve any property from any tax liability for payment of any bonded obligation but

taxable property in the newly enlarged district becomes primarily liable for the payment of bonded debts to the extent of the proportion stated.

Subd. 3. Reimbursement; special levy. (a) Liabilities of a dissolved district existing at the time of the attachment other than bonded debt within the purview of subdivision 2 must be obligations of the consolidated district after attachment (in the amount and kind determined by the commissioner according to subdivision 1, where a dissolved district is divided), for the payment of which the consolidated district has a right to reimbursement by special levy or levies. The amount of reimbursement will be equal to the liabilities of the dissolved district for which the consolidated district is obligated less the aggregate of the following which has been or will be received by the consolidated district at or after the time of attachment from or as a result of the dissolution and attachment of the dissolved district:

- (1) all taxes inuring to the consolidating district upon levies made by the dissolved district;
- (2) all cash, bank accounts, investments, and other current assets;
- (3) earned state aids of the dissolved districts;
- (4) returns from the sale of property of the dissolved district.

(b) The amount of such special levy so computed shall be certified to the county auditor with the other tax requirements of the consolidated district but separately stated and identified. The auditor shall add the amount of special levy so certified to the school rate for the territory in the consolidated district which came from the dissolved district and include it in the levy on the taxable property in that territory. The county auditor shall not spread more of the amount certified for special levy in any year than will amount to 20 percent of the school levy without the special levy, leaving the remaining part of the certified amount for levy in successive years without further certification. Any amount of reimbursement to which it is entitled omitted by the consolidated district from its initial certification for special levy may be certified in a subsequent year for levy in the same manner as the levy upon initial certification.

The levy authorized by this subdivision shall be in addition to those otherwise authorized for a district.

123A.73 LEVY LIMITATIONS OF REORGANIZED DISTRICTS.

Subdivision 1. **Definitions.** The terms defined in chapters 120B, 122A, 123A, 123B, 124D, 125A, 126C, and 127A, have the same meanings when they are used in this section, unless otherwise clearly indicated.

Subd. 2. **Dissolution; referendum revenue.** As of the effective date of the voluntary or involuntary dissolution of a district and its attachment to one or more existing districts pursuant to sections 123A.60 or 123A.64 to 123A.72, the authorization for any referendum revenue previously approved by the voters of the dissolved district in that district pursuant to section 126C.17, subdivision 9, or its predecessor or successor provision, is canceled. The authorization for any referendum revenue previously approved by the voters of a district to which all or part of the dissolved district is attached shall not be affected by the attachment and shall apply to the entire area of the district as enlarged by the attachment.

Subd. 3. [Repealed, 1Sp2017 c 5 art 5 s 15]

Subd. 4. **Consolidation; maximum authorized referendum revenues.** (a) As of the effective date of a consolidation pursuant to section 123A.48, if the plan for consolidation so provides, or if the plan for consolidation makes no provision concerning referendum revenues, the authorization for all referendum revenues previously approved by the voters of all affected districts for those districts pursuant to section 126C.17, subdivision 9, or its predecessor provision shall be recalculated as provided in this subdivision.

The referendum revenue authorization for the newly created district shall be the revenue per adjusted pupil unit that would raise an amount equal to the combined dollar amount of the referendum revenues authorized by each of the component districts for the year preceding the consolidation, unless the referendum revenue authorization of the newly created district is subsequently modified pursuant to section 126C.17, subdivision 9.

(b) The referendum allowance for a consolidated district in the years following consolidation equals the average of the consolidating districts' existing authorities for those years, weighted by the districts' adjusted pupil units in the year preceding consolidation. For purposes of this calculation, the referendum authorities used for individual districts shall not decrease from year to year until such time as all existing authorities for all the consolidating districts have fully expired, but shall increase if they were originally approved with consumer price index-based or other annual increases.

(c) The referendum revenue authorization for the newly created district shall continue for a period of time equal to the longest period authorized for any component district.

Subd. 5. Alternative method. (a) As of the effective date of a consolidation pursuant to section 123A.48, if the plan for consolidation so provides, the authorization for all referendum revenues previously approved by the voters of all affected districts for those districts pursuant to section 126C.17, subdivision 9, or its predecessor provision shall be combined as provided in this subdivision. The referendum revenue authorization for the newly created district may be any allowance per adjusted pupil unit provided in the plan for consolidation, but may not exceed the allowance per adjusted pupil unit that would raise an amount equal to the combined dollar amount of the referendum revenues authorized by each of the component districts for the year preceding the consolidation.

(b) The referendum allowance for a consolidated district in the years following consolidation equals the average of the consolidating districts' existing authorities for those years, weighted by the districts' adjusted pupil units in the year preceding consolidation. For purposes of this calculation, the referendum authorities used for individual districts shall not decrease from year to year until such time as all existing authorities for all the consolidating districts have fully expired, but shall increase if they were originally approved with consumer price index-based or other annual increases.

(c) The referendum revenue authorization for the newly created district shall continue for a period of time equal to the longest period authorized for any component district. The referendum revenue authorization for the newly created district may be modified pursuant to section 126C.17, subdivision 9.

Subd. 6. Discontinued referendum revenue. If the plan for consolidation provides for discontinuance of referendum revenue previously approved by voters of the component districts pursuant to section 126C.17, subdivision 9, or its predecessor provision, the newly created district must not receive referendum revenue unless the voters of the newly created district authorize referendum revenue pursuant to section 126C.17, subdivision 9.

Subd. 7. [Repealed, 1Sp2003 c 9 art 1 s 54]

Subd. 8. Taxable property. As of the effective date of a consolidation of districts or the dissolution of a district and its attachment to one or more existing districts pursuant to chapter 123A, all the taxable property which is in the newly created or enlarged district and which was previously taxable for the payment of any statutory operating debt theretofore incurred by any preexisting district of which the taxable property was a part prior to the consolidation or dissolution and attachment shall remain taxable for the payment of that debt and shall not become taxable for the payment of any statutory operating debt theretofore incurred by any preexisting district of which the taxable property was not a part prior to the consolidation or dissolution

and attachment. The amount of statutory operating debt attributable to that taxable property and to the newly created or enlarged district in which it is located, and the amount of a preexisting district's reserved fund balance reserve account for purposes of statutory operating debt reduction attributable to the newly created or enlarged district, shall be apportioned according to the proportion which the adjusted net tax capacity of that part of the preexisting district bears to the total adjusted net tax capacity of the entire preexisting district at the time of the consolidation or dissolution and attachment. This apportionment shall be made by the county auditor and shall be incorporated as an annex to the order of the commissioner dividing the assets and liabilities of the component districts. As used in this section, "statutory operating debt" shall have the meaning given it in section 123B.81.

Subd. 9. Reorganization operating debt levies. (a) A district that receives revenue under section 123A.39, subdivision 3, for cooperation or has combined according to sections 123A.35 to 123A.43 may levy to eliminate reorganization operating debt as defined in section 123B.82, clause (1). The amount of the debt must be certified over a period of five years. After the effective date of combination according to sections 123A.35 to 123A.43, the levy may be certified and spread either

(1) only on the property in the combined district that would have been taxable in the preexisting district that incurred the debt, or

(2) on all of the taxable property in the combined district.

(b) A district that has reorganized according to section 123A.46 or 123A.48 may levy to eliminate reorganization operating debt as defined in section 123B.82, clause (2). The amount of debt must be certified over a period not to exceed five years and may be spread either

(1) only on the property in the newly created or enlarged district which was taxable in the preexisting district that incurred the debt, or

(2) on all of the taxable property in the newly created or enlarged district.

Subd. 12. Levy for severance pay or early retirement incentives. The board of a newly created or enlarged district to which part or all of a dissolved district was attached according to section 123A.46 may levy for severance pay or early retirement incentives for licensed and nonlicensed employees who resign or retire early as a result of the dissolution or consolidation, if the commissioner approves the incentives and the amount to be levied. The amount may be levied over a period of up to five years and must be spread in whole or in part on the property of a preexisting district or the newly created or enlarged district, as determined by the board of the newly created or enlarged district.

123A.74 OBLIGATIONS UPON DISTRICT REORGANIZATION.

Subdivision 1. **Capital loan obligations.** If a district has a capital loan outstanding at the time of reorganization according to section 123A.46, 123A.48, or sections 123A.35 to 123A.43, and if the plan for reorganization provides for payment of all or a portion of the capital loan obligation by the newly created or enlarged district or makes no provision for payment, all of the taxable property in the newly created or enlarged district is taxable for the payment to the extent stated in the plan. Notwithstanding any contract to the contrary, if all of the taxable property in the newly created or enlarged district is taxable for the payment of the capital loan and until the capital loan is retired or canceled, the maximum effort debt service levy must be recalculated annually by the department to be equal to the required debt service levy plus an additional amount. The additional amount must be the greater of:

(i) zero, or

(ii) the maximum effort debt service levy of the preexisting district minus the required debt service levy of the preexisting district that received the capital loan.

For the purpose of the recalculation, additional bond issues after the date of the reorganization shall not impact the maximum effort debt service levy or the required debt service levy.

Notwithstanding any contract to the contrary, the plan for reorganization may specify that the obligation for a capital loan remains solely with the preexisting district that incurred the obligation. This subdivision does not relieve any property from any tax liability for payment of any capital loan obligation.

Subd. 2. **Energy loan obligations.** If a district has an energy loan outstanding at the time of reorganization according to section 123A.46, 123A.48, or sections 123A.35 to 123A.43, and if the plan for reorganization provides for payment of all or a portion of the energy loan obligation by the newly created or enlarged district or makes no provision for payment, all of the taxable property in the newly created or enlarged district is taxable for the payment.

Notwithstanding any contract to the contrary, the plan for reorganization may specify that the obligation for an energy loan remains solely with the preexisting district that incurred the obligation. This subdivision does not relieve any property from any tax liability for payment of any energy loan obligation.

123A.75 EMPLOYEES OF REORGANIZED DISTRICTS.

Subdivision 1. **Teacher assignment.** (a) As of the effective date of a consolidation in which a district is divided or the dissolution of a district and its attachment to two or more existing districts, each teacher employed by an affected district shall be assigned to the newly created or enlarged district on the basis of a ratio of the pupils assigned to each district according to the new district boundaries. The district receiving the greatest number of pupils must be assigned the teacher with the greatest seniority, and the remaining teachers must be alternately assigned to each district until the district receiving the fewest pupils has received its ratio of teachers who will not be retiring before the effective date of the consolidation or dissolution.

(b) Notwithstanding paragraph (a), the board and the exclusive representative of teachers in each district involved in the consolidation or dissolution and attachment may negotiate a plan for assigning teachers to each newly created or enlarged district.

Subd. 2. **Collective bargaining.** The organization certified as the exclusive bargaining representative for the teachers in the particular preexisting district which employed the largest proportion of the teachers

who are assigned to a new employing district according to subdivision 1 shall be certified as the exclusive bargaining representative for the teachers assigned to that new employing district, until that organization is decertified or another organization is certified in its place pursuant to sections 179A.01 to 179A.25.
