178.035 REGISTRATION OF APPRENTICESHIP PROGRAMS.

Subdivision 1. **Application.** To apply for the registration of an apprenticeship program, a sponsor shall submit a completed application to the division on a form provided by the commissioner, which shall include standards of apprenticeship that comply with the requirements of Code of Federal Regulations, title 29, part 29, section 29.5, and this chapter.

Subd. 2. **Provisional approval.** The division shall grant a provisional approval period of one year to an applicant demonstrating that the standards submitted meet the requirements of this chapter. The division may review each program granted provisional approval for quality and for conformity with the requirements of this section and section 178.036 at any time, but not less than biannually, during the provisional approval period. After review:

(1) a program that conforms with the requirements of this chapter:

(i) may be approved; or

(ii) may continue to be provisionally approved through the first full training cycle; and

(2) a program not in operation or not conforming with the requirements of this chapter during the provisional approval period shall be deregistered.

The division shall inform the applicant of the results of its review in writing at least 30 days prior to the expiration of the provisional approval period.

Subd. 3. **Review.** The division shall review all programs for quality and for conformity with the requirements of this chapter at the end of the first full training cycle. Subsequent review of a registered program must be conducted at least annually. Programs not in operation or not conforming to this chapter at the time of review may be recommended for deregistration.

Subd. 4. **Program modification.** To apply for modification of or change to a registered program, a sponsor shall submit a written request for modification to the division. The division shall approve or disapprove a modification request within 90 days from the date of receipt. If approved, the modification or change must be recorded and acknowledged within 90 days of its approval as an amendment to the registered program. If not approved, the division shall notify the sponsor in writing of the disapproval and the reasons for the disapproval. The division may provide technical assistance to a sponsor seeking to modify or change a registered program.

Subd. 5. **Notice.** When an application is submitted under subdivision 1 by an employer or employers' association, and where the standards, collective bargaining agreement, or other instrument provides for participation by a union in any manner in the operation of the substantive matters of the apprenticeship program, and the participation is exercised, a written acknowledgment of the union's agreement or a written statement specifying that the union has no objection to the registration is required. Where no union participation is evidenced and practiced, the employer or employers' association shall simultaneously furnish to the union, if any, which functions as the collective bargaining agent of the employees to be trained, a copy of its application for registration and the apprenticeship program. The commissioner shall provide a

reasonable time of not less than 30 days nor more than 60 days for receipt of union comments, if any, before final action on the application for registration is taken. Union comments must be submitted to the division during the time period specified by the commissioner.

The employer and sponsor must take affirmative action to provide equal opportunity in apprenticeship and must operate the apprenticeship program as required under Code of Federal Regulations, title 29, part 30, and under the Minnesota plan for equal opportunity in apprenticeship.

History: 2014 c 305 s 5

178.036 STANDARDS OF APPRENTICESHIP.

Subdivision 1. **Federal uniformity.** Each program must have an organized, written plan of program standards embodying the terms and conditions of employment, training, and supervision of one or more apprentices in an apprenticeable trade or occupation, as defined in Code of Federal Regulations, title 29, part 29, section 29.4, and subscribed to by a sponsor and employer who has undertaken to carry out the apprentice training program. The program standards must contain the provisions that address each item identified in Code of Federal Regulations, title 29, part 29, section 29.5(b).

Subd. 2. **Standards.** In addition to the requirements in subdivision 1, the program standards must also contain provisions in compliance with subdivisions 3 to 12.

Subd. 3. **Related instruction.** A minimum of 144 hours of related instruction is required in each training cycle. At least 50 hours of related safety instruction is required during the term of apprenticeship. Time spent in related instruction cannot be considered as hours of work as required by the job process schedule. Every apprenticeship instructor must meet the Department of Education's requirements for a vocational-technical instructor or be a subject matter expert, which is an individual such as a journeyworker who is recognized within an industry as having expertise in a specific trade or occupation.

Subd. 4. **Job process schedule.** Each time-based apprenticeship program must include not less than 2,000 hours of reasonably continuous employment.

Subd. 5. **Ratios.** If the apprentice is covered by a collective bargaining agreement, the employer must follow the provisions of the collective bargaining agreement regarding the maximum number of apprentices to be employed at the work site for each journeyworker employed at the same work site. In the absence of a collective bargaining agreement, for the purposes of direct supervision and the safety and instruction of the apprentice, the ratio shall be:

(1) one apprentice for the first journeyworker employed at the work site plus one apprentice for each additional three journeyworkers employed at the work site;

(2) the work site ratio utilized by the majority of registered apprenticeship agreements in the same trade or occupation; or

(3) a program-specific ratio that has been approved by the Apprenticeship Advisory Board.

Subd. 6. Graduated schedule of wages. The graduated schedule of wages for an apprenticeship program shall be calculated as a percentage of the journeyworker rate in the majority of registered apprenticeship agreements in the same trade or occupation in the state. If there are no registered apprenticeship agreements in the same trade or occupation, the graduated schedule of wages may be determined by the sponsor.

Subd. 7. Probationary period. The standards must provide a period of probation of not more than 500 hours of employment and instruction extending over not more than four months, during which time the apprenticeship agreement shall be terminated by the director upon written request of either party, and providing that after such probationary period the apprenticeship agreement may be terminated by the director by mutual agreement of all parties thereto, or terminated by the director for good and sufficient reason.

Subd. 8. Dispute resolution. The program standards must include a provision that controversies or differences concerning the terms of the apprenticeship agreement which cannot be resolved by the parties thereto, or which are not covered by a collective bargaining agreement, may be submitted to the commissioner for determination as provided for in section 178.09.

Subd. 9. Term of apprenticeship. The term of apprenticeship may be measured either through:

(1) the time-based approach, which requires completion of at least 2,000 work hours of on-the-job training;

(2) the competency-based approach, which requires the attainment of competency; or

(3) the hybrid approach, which is a blend of the time-based and competency-based approaches.

Subd. 10. Training cycle. The training cycle for related instruction must be designated in hours, days, or months for each individual trade or occupation included in the standards.

Subd. 11. Responsibilities of apprentice. An apprentice employed under the program standards shall agree to be punctual and regular in attendance, and to endeavor to the best of the apprentice's ability to perfect the required skills for the trade or occupation.

Subd. 12. Coordination of apprentices. The sponsor shall designate a qualified individual as a coordinator of apprentices who shall:

(1) maintain an adequate record of progress in training each apprentice;

(2) be responsible for assuring that the requirements of the applicable learning program are met during the prescribed training term; and

(3) perform other duties as may be assigned by the sponsor relative to the development and operation of an effective program of apprenticeship.

178.041 RULEMAKING POWER.

Subdivision 1. Rules. The commissioner may, upon receipt of the board's proposals, accept, adopt, and issue them by rule with any modifications or amendments the commissioner finds appropriate. The commissioner may refer them back to the board with recommendations for further study, consideration and

revision. If the commissioner refuses to accept, adopt, and issue by rule or other appropriate action a board proposal, the commissioner must provide a written explanation of the reason for the refusal to the board within 30 days after the board submitted the proposal to the commissioner. Additional rules may be issued as the commissioner may deem necessary.

Subd. 2. **Chapter 14 applies.** Rules, modifications, amendments, and repeals thereof which may be issued by the commissioner under this chapter shall be adopted in accordance with chapter 14 and shall have the force and effect of law.

178.044 DETERMINATION OF APPRENTICE WAGES.

Subdivision 1. **Maximum hours.** The maximum number of hours of work per week shall not exceed either the number prescribed by law or the customary regular number of hours per week for the employees of the company by which the apprentice is employed. Time spent in related and supplemental instruction for any apprentice shall not be included in the maximum number of hours of work per workweek.

Subd. 2. **Overtime.** An apprentice may be allowed to work overtime provided that the overtime work does not conflict with related instruction course attendance. All time in excess of the number of hours of work per week as specified in the apprenticeship agreement shall be considered overtime. For overtime, the apprentice's rate of pay shall be increased by the same percentage as the journeyworker's rate of pay for overtime is increased in the same industry or establishment.

Subd. 3. **Journeyworker wage rate.** If the apprentice is not covered by a collective bargaining agreement, the journeyworker wage rate upon which the apprenticeship agreement graduated schedule of wages is calculated shall be:

(1) the most current Minnesota state prevailing wage rate determination for the same trade or occupation in the county in which the apprentice's employer is located. If an apprenticeship agreement entered into after January 1, 2015, does not specify fringe benefits, the journeyworker wage rate upon which the apprentice wage rate is calculated must be the total rate listed in the wage determination; or

(2) if there is no Minnesota prevailing wage rate determination for the same trade or occupation in the county in which the apprentice's employer is located, the journeyworker wage may be determined by the sponsor with the approval of the division.

178.09 INVESTIGATIONS AND ENFORCEMENT OF APPRENTICESHIP AGREEMENTS.

Subdivision 1. **Complaint.** Upon the complaint of any interested person or upon the division's own initiative, the division may investigate to determine if there has been a violation of the terms of an apprenticeship agreement made under this chapter. Complaints must be made in writing within 60 days of the events giving rise to the complaint and must set forth the specific matters complained of together with relevant facts and circumstances. The board shall hold a hearing on the appeal after due notice to the interested parties and shall submit to the commissioner findings of fact and a recommended decision accompanied by a memorandum of the reasons for it. Within 30 days after submission, the commissioner may adopt the recommended decision of the board, or disregard the recommended decision of the board and prepare a decision based on the findings of fact and accompanied by a memorandum of reasons for that decision. Written notice of the commissioner's determination and order shall be served on all parties affected by it. Any person aggrieved by the commissioner's determination and order under this section is entitled to judicial review under sections 14.63 to 14.68 in the same manner that a person aggrieved by a final decision in a contested case is entitled to judicial review. Persons requested by the commissioner to provide information or produce documents shall respond within 30 days of the commissioner's service of the request.

Subd. 2. **Grounds.** (a) The commissioner may deregister a registered apprenticeship program or deny an application for registration if:

(1) the program does not comply with any requirement of Code of Federal Regulations, title 29, part 29 or 32, this chapter, or any rule adopted pursuant to section 178.041;
