256E.12 GRANTS FOR PERSONS WITH SERIOUS AND PERSISTENT MENTAL ILLNESS.

Subdivision 1. **Statewide program.** The commissioner shall establish a statewide program to assist counties in providing services to persons with serious and persistent mental illness as defined in section 245.462, subdivision 20. The commissioner shall make grants to counties to establish, operate, or contract with private providers to provide services designed to help persons with serious and persistent mental illness remain and function in their own communities. Grants received pursuant to this section may be used to fund community support services programs as specified in section 245.462, subdivision 6, and case management activities that cannot be billed to the medical assistance program under sections 256B.02, subdivision 8, and 256B.0625.

Subd. 2. **Grant application.** To apply for a grant a county board shall submit an application and budget for the use of the money in the form specified by the commissioner. The commissioner shall make grants only to counties whose applications and budgets are approved by the commissioner. A county receiving a grant under this section shall finance at least ten percent of the cost of services for persons with serious and persistent mental illness from local resources, which may include private contributions and federal money.

Subd. 3. **Allocation of grants.** The commissioner shall allocate grants under this section to finance up to 90 percent of each county's costs for services to persons with serious and persistent mental illness. The commissioner shall promulgate permanent rules to govern grant applications, approval of applications, allocation of grants, and maintenance of financial statements by grant recipients. The commissioner shall specify requirements for reports, including quarterly fiscal reports, according to section 256.01, subdivision 2, paragraph (p). The commissioner shall require collection of data and periodic reports as the commissioner deems necessary to demonstrate the effectiveness of the services in helping persons with serious and persistent mental illness remain and function in their own communities.

Subd. 4. **Grant calendar year.** For calendar year 1992 and all subsequent years, the commissioner shall allocate the money appropriated under this section on a calendar year basis. The commissioner may continue to allocate part of the money on a state fiscal year basis for special projects.

256E.22 TRUST FUND.

Subdivision 1. **Creation of trust fund.** A children's trust fund for the prevention of child abuse is established as an account in the state treasury. The commissioner of management and budget shall credit to the trust fund all amounts received under sections 144.226, subdivision 3, and 256E.26, and shall ensure that trust fund money is invested under section 11A.25. State funds appropriated for child maltreatment prevention grants may be transferred to the children's trust fund special revenue account and are available to carry out this section.

(2) develop and publish criteria for receiving trust fund money by prevention programs;

(3) review, approve, and monitor the spending of trust fund money by prevention programs;

(4) provide statewide educational and public informational seminars to develop public awareness on preventing child abuse; to encourage professional persons and groups to recognize instances of child abuse and work to prevent them; to make information on child abuse prevention available to the public and to organizations and agencies; and to encourage the development of prevention programs, including programs that provide support for adolescent parents, fathering education programs, and other prevention activities designed to prevent teen pregnancy;

(5) establish a procedure for an annual, internal evaluation of the functions, responsibilities, and performance of the commissioner in carrying out Laws 1986, chapter 423;

(6) provide technical assistance to local councils and agencies working in the area of child abuse prevention; and

(7) accept and review grant applications beginning June 1, 1987.

(b) The commissioner shall recommend to the governor changes in state programs, statutes, policies, budgets, and standards that will reduce the problems of child abuse, improve coordination among state agencies that provide prevention services, and improve the condition of children, parents, or guardians in need of prevention program services.

256E.24 LOCAL CHILD ABUSE PREVENTION COUNCILS.

A child abuse prevention council may be established in any county or group of counties that was eligible to receive funds under Minnesota Statutes 1986, section 145.917 as of January 1, 1986. A council organized in such a county or group of counties shall be authorized by the commissioner to review programs seeking trust fund money on finding that the council meets the criteria in this section:

(a) The council has submitted a plan for the prevention of child abuse that includes a rank ordering of needed programs and services, assesses the need for additional programs or services, and demonstrates that standards and procedures have been established to ensure that funds will be distributed and used according to Laws 1986, chapter 423.

(b) A single-county council shall consist of:

(1) a minimum of nine members with the majority consisting of members from the community-at-large who do not represent service-providing agencies. These members shall represent the demographic and geographic composition of the county and, to the extent possible, represent the following groups: parents, businesses, racial and ethnic minority communities, and the faith communities; and

(2) if necessary, enough additional members with knowledge in the area of child abuse prevention so that a majority of the council is composed of members who do not represent public agencies.

(c) A multicounty council shall be composed of the combined membership of persons in paragraph (b).

256E.25 PROCEDURES AND CRITERIA FOR DISBURSEMENT.

Subdivision 1. **Establishment.** The commissioner shall establish in the plan for prevention of child abuse the criteria for distribution of trust fund money. All money shall be distributed for programs and services involving primary or secondary prevention, and no money shall be distributed for programs and services involving tertiary prevention.

Subd. 2. **Matching and other requirements.** Trust fund money shall only be distributed to applicants that demonstrate an ability to match at least 40 percent of the amount of trust fund money requested and whose proposals meet the other criteria. The matching requirement may be met through in-kind donations. In awarding grants, the commissioner shall consider the extent to which the applicant has demonstrated a willingness and ability to:

- (1) continue the prevention program or service if trust fund money is eliminated or reduced; and
- (2) provide prevention program models and consultation to other organizations and communities.

Subd. 3. **Use of funds.** Priority must be given to applicants whose matching funds do not consist, in whole or in part, of state or federal funds. Any trust fund money received must not be used to compensate for a decrease in previously existing funding levels unless that decrease is attributable to a decision made by state, federal, or other entities not controlled by the applicant and the applicant demonstrates that it has made reasonable efforts to retain all previously existing funding.

Subd. 4. **Statewide or regional programs.** The commissioner may fund programs that intend to serve the entire state or a region larger than the area served by any local council even if the program has not been reviewed by any local council. The commissioner may, however, solicit comments or recommendations about the applicant or the program from a local council covering any area to be served by the applicant's proposed program.

Subd. 5. **Local council as recipient of funds.** The commissioner may disburse funds to a local council for community education purposes, or for administrative costs in carrying out Laws 1986, chapter 423, if all criteria and standards are met.

Subd. 5a. **Excluded programs.** Programs transferred to the Department of Education from the Department of Employment and Economic Development may not be included in the consolidated funding account and are ineligible for local consolidation. The commissioner may not apply for federal waivers to include these programs in funding consolidation initiatives. The programs include the following:

- (1) programs for the homeless under sections 116L.365 and 256E.33;
- (2) emergency energy assistance under section 216C.265;
- (3) weatherization programs under section 216C.264;
- (4) food shelf programs under section 256E.34 and the emergency food assistance program; and
- (5) lead abatement programs under section 256E.37.

Subd. 6. **Contracts.** The commissioner shall use state or local resources and staff if practicable, but may enter into contracts with public or nonprofit private agencies to fulfill the requirements of Laws 1986, chapter 423.

Subd. 7. **Rules.** The commissioner may adopt rules to carry out Laws 1986, chapter 423.

256E.26 ACCEPTANCE OF FEDERAL FUNDS AND OTHER DONATIONS.

The commissioner may accept federal money and gifts, donations, and bequests for the purposes of Laws 1986, chapter 423. Money so received and proceeds from the sale of promotional items, minus sales promotional costs, must be deposited in the trust fund and must be made available to the commissioner.

256E.27 ANNUAL APPROPRIATION.

All earnings from trust fund assets, all sums received under section 256E.26, and 60 percent of the amount collected under section 144.226, subdivision 3, are appropriated annually from the children's trust fund for the prevention of child abuse to the commissioner of human services to carry out sections 256E.20 to 256E.26. In fiscal year 1987 only, the first \$75,000 collected under section 144.226, subdivision 3, is appropriated from the children's trust fund for the prevention of child abuse to the commissioner of human services to carry out sections 256E.20 to 256E.26.

History: 1986 c 423 s 9; 1991 c 292 art 8 s 10,25; 1Sp1995 c art 16 s 13; 2003 c 130 s 12; 2005 c 98 art 1 s 24

256E.28 CHILD PROTECTION GRANTS TO ADDRESS CHILD WELFARE DISPARITIES.

Subdivision 1. **Child welfare disparities grant program established.** The commissioner may award grants to eligible entities for the development, implementation, and evaluation of activities to address racial disparities and disproportionality in the child welfare system by:

- (1) identifying and addressing structural factors that contribute to inequities in outcomes;
- (2) identifying and implementing strategies to reduce racial disparities in treatment and outcomes;
- (3) using cultural values, beliefs, and practices of families, communities, and tribes for case planning, service design, and decision-making processes;
- (4) using placement and reunification strategies to maintain and support relationships and connections between parents, siblings, children, kin, significant others, and tribes; and
- (5) supporting families in the context of their communities and tribes to safely divert them from the child welfare system, whenever possible.

Subd. 2. **State-community partnerships; plan.** The commissioner, in partnership with the legislative task force on child protection; culturally based community organizations; the Indian Affairs Council under section 3.922; the Minnesota Council on Latino Affairs under section 15.0145; the Council for Minnesotans of African Heritage under section 15.0145; the Council on Asian-Pacific Minnesotans under section 15.0145;

the American Indian Child Welfare Advisory Council under section 260.835; counties; and tribal governments, shall develop and implement a comprehensive, coordinated plan to award funds under this section for the priority areas identified in subdivision 1.

Subd. 3. **Measurable outcomes.** The commissioner, in consultation with the state-community partners listed in subdivision 2, shall establish measurable outcomes to determine the effectiveness of the grants and other activities funded under this section in reducing disparities identified in subdivision 1. The development of measurable outcomes must be completed before any funds are distributed under this section.

Subd. 4. **Process.** (a) The commissioner, in consultation with the state-community partners listed in subdivision 2, shall develop the criteria and procedures to allocate competitive grants under this section. In developing the criteria, the commissioner shall establish an administrative cost limit for grant recipients. A county awarded a grant shall not spend more than three percent of the grant on administrative costs. When a grant is awarded, the commissioner must provide a grant recipient with information on the outcomes established according to subdivision 3.

(b) A grant recipient must coordinate its activities with other entities receiving funds under this section that are in the grant recipient's service area.

(c) Grant funds must not be used to supplant any state or federal funds received for child welfare services.

Subd. 5. **Grant program criteria.** (a) The commissioner shall award competitive grants to eligible applicants for local or regional projects and initiatives directed at reducing disparities in the child welfare system.

(b) The commissioner may award up to 20 percent of the funds available as planning grants. Planning grants must be used to address such areas as community assessment, coordination activities, and development of community-supported strategies.

(c) Eligible applicants may include, but are not limited to, faith-based organizations, social service organizations, community nonprofit organizations, counties, and tribal governments. Applicants must submit proposals to the commissioner. A proposal must specify the strategies to be implemented to address one or more of the priority areas in subdivision 1 and must be targeted to achieve the outcomes established according to subdivision 3.

(d) The commissioner shall give priority to applicants who demonstrate that their proposed project or initiative:

(1) is supported by the community the applicant will serve;

(2) is evidence-based;

(3) is designed to complement other related community activities;

(4) utilizes strategies that positively impact priority areas;

(5) reflects culturally appropriate approaches; or

(6) will be implemented through or with community-based organizations that reflect the culture of the population to be reached.

Subd. 6. **Evaluation.** (a) Using the outcomes established according to subdivision 3, the commissioner shall conduct a biennial evaluation of the grant program funded under this section. Grant recipients shall

cooperate with the commissioner in the evaluation and shall provide the commissioner with the information needed to conduct the evaluation.

(b) The commissioner shall consult with the legislative task force on child protection during the evaluation process.

(c) The commissioner shall submit a biennial evaluation report to the task force and to the chairs and ranking minority members of the house of representatives and senate committees with jurisdiction over child protection funding. This paragraph expires January 1, 2032.

Subd. 7. American Indian child welfare projects. Of the amount appropriated for purposes of this section, the commissioner shall award \$75,000 to each tribe authorized to provide tribal delivery of child welfare services under section 256.01, subdivision 14b. To receive funds under this subdivision, a participating tribe is not required to apply to the commissioner for grant funds. Participating tribes are also eligible for competitive grant funds under this section.

256E.30 FINANCIAL ASSISTANCE FOR COMMUNITY ACTION AGENCIES.

Subdivision 1. **Authorization.** The commissioner of human services may provide financial assistance for community action agencies, Indian reservations, and migrant and seasonal farmworker organizations to carry out community action programs as described in section 256E.32 in accordance with the Omnibus Reconciliation Act of 1981, Public Law 97-35, as amended in 1984, Public Law 98-558, state law, and federal law and regulation.

Subd. 2. **Allocation of money.** (a) State money appropriated and community service block grant money allotted to the state and all money transferred to the community service block grant from other block grants shall be allocated annually to community action agencies and Indian reservation governments under paragraphs (b) and (c), and to migrant and seasonal farmworker organizations under paragraph (d).

(b) The available annual money will provide base funding to all community action agencies and the Indian reservations. Base funding amounts per agency are as follows: for agencies with low-income populations up to 23,999, \$50,000; and 24,000 or more, \$100,000.

(c) All remaining money of the annual money available after the base funding has been determined must be allocated to each agency and reservation in proportion to the size of the poverty-level population in the agency's service area compared to the size of the poverty-level population in the state.

(d) Allocation of money to migrant and seasonal farmworker organizations must not exceed three percent of the total annual money available. Base funding allocations must be made for all community action agencies and Indian reservations that received money under this subdivision, in fiscal year 1984, and for community action agencies designated under this section with a service area population of 35,000 or greater.

Subd. 2a. **Merger.** In the case of a merger between community action agencies, the newly created agency receives a base funding amount equal to the sum of the merged agencies' base funding amounts at the point of the merger as described in subdivision 2, paragraph (b), unless the commissioner determines the funding amount should be less than the sum of the merged agencies' base funding amount due to savings resulting from fewer redundancies and duplicative services.

Subd. 3. **Reports.** Each community action agency receiving funds under this section shall report annually to the commissioner concerning the use of the funds.

Subd. 4. **Definition.** For the purposes of sections 256E.30 to 256E.32, "poverty level population" means the number of people whose household income is at or below the poverty line established by the United States Office of Management and Budget in accordance with the most recent state population figures established by the United States Department of Commerce, Bureau of the Census.

256E.31 COMMUNITY ACTION AGENCIES.

Subdivision 1. **In general.** A community action agency is a political subdivision of the state, a combination of political subdivisions, a public agency, or a private nonprofit agency which has the authority under its applicable charter or laws to receive funds under section 256E.30 to support community action programs as described in section 256E.32 and which was designated as an eligible entity under the Community Services Block Grant Act, Public Law 97-35, section 673(1), 95 Stat. 357, 512 (1981), as amended by, Act of October 30, 1984, Public Law 98-558, section 202, 98 Stat. 2878, 2884 (1984). For purposes of this subdivision, "eligible entity" also means any community action agency which qualified under all federal and state regulations applicable during the period from 1981 to September 30, 1984.

Subd. 2. **Designation and recognition.** To obtain recognition by the governor a community action agency must be designated by a political subdivision having jurisdiction over the entire area to be served by the agency. To designate a community action agency, the political subdivision must hold a public hearing, pass a resolution to designate, and file a "notice of intent to designate" and eligibility documents with the state office of economic opportunity for final review and authorization for a new community action agency.

Subd. 3. **Administering board.** Each community action agency shall administer its community action programs through a community action board consisting of 15 to 51 members.

(a) One-third of the members of the board shall be elected public officials, currently holding office, or their representatives.

(b) At least one-third of the members shall be persons chosen in accordance with democratic selection procedures adequate to assure that they are representative of the poor in the area served.

(c) The other members shall be officials or members of business, industry, labor, religious, welfare, education, or other major groups and interests in the community. Each member of the board selected to represent a specific geographic area within a community must reside in the area represented.

(d) The public community action agency shall have an administering board which meets the requirements of this subdivision.

(e) The statewide migrant seasonal farmworker organization known as the Minnesota Migrant Council and Indian reservations carrying out community action programs are exempt from the board composition requirements of this subdivision.

Subd. 4. **Delegation of powers.** If a community action agency places responsibility for major policy determinations with respect to the character, funding, extent, and administration of and budgeting for programs to be carried on in a particular geographic area within the community in a subsidiary board, council, or similar agency, that board, council, or agency shall be broadly representative of the area.

Subd. 5. **Local participation.** Each community action agency shall consult neighborhood based organizations composed of residents of the area or members of the groups served to assist the agency in the planning, conduct, and evaluation of components of the community action program.

Subd. 6. **Functions; powers.** A community action agency shall:

(a) Plan systematically for an effective community action program; develop information as to the problems and causes of poverty in the community; determine how much and how effectively assistance is being provided to deal with those problems and causes; and establish priorities among projects, activities and areas as needed for the best and most efficient use of resources;

(b) Encourage agencies engaged in activities related to the community action program to plan for, secure, and administer assistance available under section 256E.30 or from other sources on a common or cooperative basis; provide planning or technical assistance to those agencies; and generally, in cooperation with community agencies and officials, undertake actions to improve existing efforts to reduce poverty, such as improving day-to-day communications, closing service gaps, focusing resources on the most needy, and providing additional opportunities to low-income individuals for regular employment or participation in the programs or activities for which those community agencies and officials are responsible;

(c) Initiate and sponsor projects responsive to needs of the poor which are not otherwise being met, with particular emphasis on providing central or common services that can be drawn upon by a variety of related programs, developing new approaches or new types of services that can be incorporated into other programs, and filling gaps pending the expansion or modification of those programs;

(e) Join with and encourage business, labor and other private groups and organizations to undertake, together with public officials and agencies, activities in support of the community action program which will result in the additional use of private resources and capabilities, with a view to developing new employment opportunities, stimulating investment that will have a measurable impact on reducing poverty among residents of areas of concentrated poverty, and providing methods by which residents of those areas can work with private groups, firms, and institutions in seeking solutions to problems of common concern.

Community action agencies, migrant and seasonal farmworker organizations, and the Indian reservations, may enter into cooperative purchasing agreements and self-insurance programs with local units of government. Nothing in this section expands or limits the current private or public nature of a local community action agency.

(f) Adopt policies that require the agencies to refer area residents and community action program constituents to education programs that increase literacy, improve parenting skills, and address the needs of children from families in poverty. These programs include, but are not limited to, early childhood family education programs, adult basic education programs, and other lifelong learning opportunities. The agencies and agency programs, including Head Start, shall collaborate with child care and other early childhood education programs to ensure smooth transitions to work for parents.
