(3) failure to provide for necessary supervision or child care arrangements appropriate for a child after considering factors as the child's age, mental ability, physical condition, length of absence, or environment, when the child is unable to care for the child's own basic needs or safety, or the basic needs or safety of another child in their care;

(4) failure to ensure that the child is educated as defined in sections 120A.22 and 260C.163, subdivision 11, which does not include a parent's refusal to provide the parent's child with sympathomimetic medications, consistent with section 125A.091, subdivision 5;

(b) Nothing in this chapter shall be construed to mean that a child is neglected solely because the child's parent, guardian, or other person responsible for the child's care in good faith selects and depends upon spiritual means or prayer for treatment or care of disease or remedial care of the child in lieu of medical care.

(c) This chapter does not impose upon persons not otherwise legally responsible for providing a child with necessary food, clothing, shelter, education, or medical care a duty to provide that care.

The local welfare agency shall only perform a noncaregiver sex trafficking assessment when a maltreatment report alleges sex trafficking of a child by someone other than the child's caregiver. A noncaregiver sex trafficking assessment does not include a determination of whether child maltreatment occurred.
