(b) Person includes a firm, partnership, joint venture, limited liability company, association, cooperative, social club, fraternal organization, municipal or private corporation whether or not organized for profit, estate, trust, business trust, receiver, trustee, syndicate, the United States, and a state and its political subdivisions.

(c) Person includes, but is not limited to, directors and officers of corporations, governors and managers of a limited liability company, or members of partnerships who, either individually or jointly with others, have the control, supervision, or responsibility of filing returns and making payment of the amount of tax imposed by this chapter.

(d) Person includes any agent or consignee of any individual or organization listed in this subdivision.

Subd. 3. **Sale and purchase.** (a) "Sale" and "purchase" include, but are not limited to, each of the transactions listed in this subdivision. In applying the provisions of this chapter, the terms "tangible personal property" and "retail sale" include the taxable services listed in paragraph (g), clause (6), items (i) to (vi) and (viii), and the provision of these taxable services, unless specifically provided otherwise. Services performed by an employee for an employer are not taxable. Services performed by a partnership or association for another partnership or association are not taxable if one of the entities owns or controls more than 80 percent of the voting power of the equity interest in the other entity. Services performed between members of an affiliated group of corporations are not taxable. For purposes of the preceding sentence, "affiliated group of corporations" means those entities that would be classified as members of an affiliated group as defined under United States Code, title 26, section 1504, disregarding the exclusions in section 1504(b).

(b) Sale and purchase include:

(1) any transfer of title or possession, or both, of tangible personal property, whether absolutely or conditionally, for a consideration in money or by exchange or barter; and

(2) the leasing of or the granting of a license to use or consume, for a consideration in money or by exchange or barter, tangible personal property, other than a manufactured home used for residential purposes for a continuous period of 30 days or more.

(c) Sale and purchase include the production, fabrication, printing, or processing of tangible personal property for a consideration for consumers who furnish either directly or indirectly the materials used in the production, fabrication, printing, or processing.

(2) lodging and related services by a hotel, rooming house, resort, campground, motel, or trailer camp, including furnishing the guest of the facility with access to telecommunication services, and the granting of any similar license to use real property in a specific facility, other than the renting or leasing of it for a continuous period of 30 days or more under an enforceable written agreement that may not be terminated without prior notice and including accommodations intermediary services provided in connection with other services provided under this clause;

(3) nonresidential parking services, whether on a contractual, hourly, or other periodic basis, except for parking at a meter;

(4) the granting of membership in a club, association, or other organization if:

(i) the club, association, or other organization makes available for the use of its members sports and athletic facilities, without regard to whether a separate charge is assessed for use of the facilities; and

(ii) use of the sports and athletic facility is not made available to the general public on the same basis as it is made available to members.

Granting of membership means both onetime initiation fees and periodic membership dues. Sports and athletic facilities include golf courses; tennis, racquetball, handball, and squash courts; basketball and volleyball facilities; running tracks; exercise equipment; swimming pools; and other similar athletic or sports facilities;

(5) delivery of aggregate materials by a third party, excluding delivery of aggregate material used in road construction; and delivery of concrete block by a third party if the delivery would be subject to the sales tax if provided by the seller of the concrete block. For purposes of this clause, "road construction" means construction of:

(ii) cartways; and

(iii) private roads in townships located outside of the seven-county metropolitan area up to the point of the emergency response location sign; and

(6) services as provided in this clause:

(i) laundry and dry cleaning services including cleaning, pressing, repairing, altering, and storing clothes, linen services and supply, cleaning and blocking hats, and carpet, drapery, upholstery, and industrial cleaning. Laundry and dry cleaning services do not include services provided by coin operated facilities operated by the customer;

(ii) motor vehicle washing, waxing, and cleaning services, including services provided by coin operated facilities operated by the customer, and rustproofing, undercoating, and towing of motor vehicles;

(iii) building and residential cleaning, maintenance, and disinfecting services and pest control and exterminating services;

(iv) detective, security, burglar, fire alarm, and armored car services; but not including services performed within the jurisdiction they serve by off-duty licensed peace officers as defined in section 626.84, subdivision 1, or services provided by a nonprofit organization or any organization at the direction of a county for monitoring and electronic surveillance of persons placed on in-home detention pursuant to court order or under the direction of the Minnesota Department of Corrections;

(v) pet grooming services;

(vi) lawn care, fertilizing, mowing, spraying and sprigging services; garden planting and maintenance; tree, bush, and shrub pruning, bracing, spraying, and surgery; indoor plant care; tree, bush, shrub, and stump removal, except when performed as part of a land clearing contract as defined in section 297A.68, subdivision 40; and tree trimming for public utility lines. Telecommunication services include, but are not limited to, the following services, as defined in section 297A.669: air-to-ground radiotelephone service, mobile telecommunication service, postpaid calling service, prepaid calling service, prepaid wireless calling service, and private communication services. The services in this paragraph are taxed to the extent allowed under federal law.

(k) A sale and a purchase includes the rental of a vehicle by a motor vehicle dealer to a customer when (1) the vehicle is rented by the customer for a consideration, or (2) the motor vehicle dealer is reimbursed pursuant to a service contract as defined in section 59B.02, subdivision 11.

(l) A sale and a purchase includes furnishing for a consideration of specified digital products or other digital products or granting the right for a consideration to use specified digital products or other digital products on a temporary or permanent basis and regardless of whether the purchaser is required to make continued payments for such right. Wherever the term "tangible personal property" is used in this chapter, other than in subdivisions 10 and 38, the provisions also apply to specified digital products, or other digital products, unless specifically provided otherwise or the context indicates otherwise.

(m) The sale of the privilege of admission under section 297A.61, subdivision 3, paragraph (g), clause (1), to a place of amusement, recreational area, or athletic event includes all charges included in the privilege of admission's sales price, without deduction for amenities that may be provided, unless the amenities are

Subd. 4. Retail sale. (a) A "retail sale" means:

(1) any sale, lease, or rental of tangible personal property for any purpose, other than resale, sublease, or subrent of items by the purchaser in the normal course of business as defined in subdivision 21; and

(2) any sale of a service enumerated in subdivision 3, for any purpose other than resale by the purchaser in the normal course of business as defined in subdivision 21.

(b) A sale of property used by the owner only by leasing it to others or by holding it in an effort to lease it, and put to no use by the owner other than resale after the lease or effort to lease, is a sale of property for resale.

(c) A sale of master computer software that is purchased and used to make copies for sale or lease is a sale of property for resale.

(d) A sale of building materials, supplies, and equipment to owners, contractors, subcontractors, or builders for the erection of buildings or the alteration, repair, or improvement of real property is a retail sale in whatever quantity sold, whether the sale is for purposes of resale in the form of real property or otherwise.

(e) A sale of carpeting, linoleum, or similar floor covering to a person who provides for installation of the floor covering is a retail sale and not a sale for resale since a sale of floor covering which includes installation is a contract for the improvement of real property.

(f) A sale of shrubbery, plants, sod, trees, and similar items to a person who provides for installation of the items is a retail sale and not a sale for resale since a sale of shrubbery, plants, sod, trees, and similar items that includes installation is a contract for the improvement of real property.

(g) A sale of tangible personal property that is awarded as prizes is a retail sale and is not considered a sale of property for resale.

(h) A sale of tangible personal property utilized or employed in the furnishing or providing of services under subdivision 3, paragraph (g), clause (1), including, but not limited to, property given as promotional items, is a retail sale and is not considered a sale of property for resale.

(i) A sale of tangible personal property used in conducting lawful gambling under chapter 349 or the State Lottery under chapter 349A, including, but not limited to, property given as promotional items, is a retail sale and is not considered a sale of property for resale.

(j) a sale of machines, equipment, or devices that are used to furnish, provide, or dispense goods or services, including, but not limited to, coin-operated devices, is a retail sale and is not considered a sale of property for resale.

(k) In the case of a lease, a retail sale occurs (1) when an obligation to make a lease payment becomes due under the terms of the agreement or the trade practices of the lessor or (2) in the case of a lease of a motor vehicle, as defined in section 297B.01, subdivision 11, but excluding vehicles with a manufacturer's gross vehicle weight rating greater than 10,000 pounds and rentals of vehicles for not more than 28 days, at the time the lease is executed.

(l) In the case of a conditional sales contract, a retail sale occurs upon the transfer of title or possession of the tangible personal property.

(m) A sale of a bundled transaction in which one or more of the products included in the bundle is a taxable product is a retail sale, except that if one of the products is a telecommunication service, ancillary service, Internet access, audio or video programming service, a suite license exempt under section 297A.67, subdivision 35, or a right to purchase season tickets to collegiate events exempt under section 297A.67, subdivision 38, and the seller has maintained books and records identifying through reasonable and verifiable standards the portions of the price that are attributable to the distinct and separately identifiable products, then the products are not considered part of a bundled transaction. For purposes of this paragraph:

(1) the books and records maintained by the seller must be maintained in the regular course of business, and do not include books and records created and maintained by the seller primarily for tax purposes;

(2) books and records maintained in the regular course of business include, but are not limited to, financial statements, general ledgers, invoicing and billing systems and reports, and reports for regulatory tariffs and other regulatory matters; and

(3) books and records are maintained primarily for tax purposes when the books and records identify taxable and nontaxable portions of the price, but the seller maintains other books and records that identify different prices attributable to the distinct products included in the same bundled transaction.

(n) A sale of motor vehicle repair paint and materials by a motor vehicle repair or body shop business is a retail sale and the sales tax is imposed on the gross receipts from the retail sale of the paint and materials. The motor vehicle repair or body shop that purchases motor vehicle repair paint and motor vehicle repair materials for resale must either:

(1) separately state each item of paint and each item of materials, and the sales price of each, on the invoice to the purchaser; or

(2) in order to calculate the sales price of the paint and materials, use a method which estimates the amount and monetary value of the paint and materials used in the repair of the motor vehicle by multiplying the number of labor hours by a rate of consideration for the paint and materials used in the repair of the motor vehicle following industry standard practices that fairly calculate the gross receipts from the retail sale of the motor vehicle repair paint and motor vehicle repair materials. An industry standard practice fairly calculates the gross receipts if the sales price of the paint and materials used or consumed in the repair of a motor vehicle equals or exceeds the purchase price paid by the motor vehicle repair or body shop business. Under this clause, the invoice must either separately state the "paint and materials" as a single taxable item, or separately state "paint" as a taxable item and "materials" as a taxable item. This clause does not apply to wholesale transactions at an auto auction facility.

(o) A sale of specified digital products or other digital products to an end user with or without rights of permanent use and regardless of whether rights of use are conditioned upon payment by the purchaser is a retail sale. When a digital code has been purchased that relates to specified digital products or other digital products, the subsequent receipt of or access to the related specified digital products or other digital products is not a retail sale.

(p) A payment made to a cooperative electric association or public utility as a contribution in aid of construction is a contract for improvement to real property and is not a retail sale.

Subd. 5. **Storage.** "Storage" includes keeping or retaining tangible personal property in Minnesota for any purpose except sale in the regular course of business.

Subd. 6. **Use.** (a) "Use" includes the exercise of a right or power incident to the ownership of any interest in tangible personal property, or services, purchased from a retailer, other than the sale of that property in the regular course of business.

Subd. 7. **Sales price.** (a) "Sales price" means the measure subject to sales tax, and means the total amount of consideration, including cash, credit, personal property, and services, for which personal property or services are sold, leased, or rented, valued in money, whether received in money or otherwise, without any deduction for the following:

(1) the seller's cost of the property sold;

(2) the cost of materials used, labor or service cost, interest, losses, all costs of transportation to the seller, all taxes imposed on the seller, and any other expenses of the seller;

(3) charges by the seller for any services necessary to complete the sale, other than delivery and installation charges;

(4) delivery charges, except the percentage of the delivery charge allocated to delivery of tax exempt property, when the delivery charge is allocated by using either (i) a percentage based on the total sales price of the taxable property compared to the total sales price of all property in the shipment, or (ii) a percentage based on the total weight of the taxable property compared to the total weight of all property in the shipment; and

(5) installation charges.

(b) Sales price does not include:

(1) discounts, including cash, terms, or coupons, that are not reimbursed by a third party and that are allowed by the seller and taken by a purchaser on a sale;

(2) interest, financing, and carrying charges from credit extended on the sale of personal property or services, if the amount is separately stated on the invoice, bill of sale, or similar document given to the purchaser; and

(2) the seller has an obligation to pass the price reduction or discount through to the purchaser;

(3) the amount of the consideration attributable to the sale is fixed and determinable by the seller at the time of the sale of the item to the purchaser; and

(4) one of the following criteria is met:

(i) the purchaser presents a coupon, certificate, or other documentation to the seller to claim a price reduction or discount when the coupon, certificate, or documentation is authorized, distributed, or granted

by a third party with the understanding that the third party will reimburse any seller to whom the coupon, certificate, or documentation is presented;

(ii) the purchaser identifies himself or herself to the seller as a member of a group or organization entitled to a price reduction or discount. A "preferred customer" card that is available to any customer does not constitute membership in such a group; or

(iii) the price reduction or discount is identified as a third-party price reduction or discount on the invoice received by the purchaser or on a coupon, certificate, or other documentation presented by the purchaser.

Subd. 8. **Gross receipts.** "Gross receipts" means the total amount received, in money or by barter or exchange, for all sales at retail as measured by the sales price.

Subd. 14a. **Lease or rental.** (a) "Lease or rental" means any transfer of possession or control of tangible personal property for a fixed or indeterminate term for consideration. A lease or rental may include future options to purchase or extend.

"Prewritten computer software" or a prewritten portion of it that is modified or enhanced to any degree, if the modification or enhancement is designed and developed to the specifications of a specific purchaser, remains "prewritten computer software"; provided, however, that if there is a reasonable, separately stated charge or an invoice or other statement of the price given to the purchaser for such modification or enhancement, the modification or enhancement does not constitute "prewritten computer software."

(d) "Marketplace provider" means any person who facilitates a retail sale by a retailer by:

(1) listing or advertising for sale by the retailer in any forum, tangible personal property, services, or digital goods that are subject to tax under this chapter; and

(2) either directly or indirectly through agreements or arrangements with third parties collecting payment from the customer and transmitting that payment to the retailer regardless of whether the marketplace provider receives compensation or other consideration in exchange for its services.

(e) "Destination of a sale" means the location to which the retailer makes delivery of the property sold, or causes the property to be delivered, to the purchaser of the property, or to the agent or designee of the purchaser. The delivery may be made by any means, including the United States Postal Service or a for-hire carrier.

[See Note.]

Subd. 2. Collection and remittance requirements for retailers and marketplace providers. (a) Except as provided in paragraph (d), a retailer maintaining a place of business in this state and a retailer not maintaining a place of business in this state who makes retail sales in Minnesota or to a destination in Minnesota shall collect sales and use taxes and remit them to the commissioner under section 297A.77 for all retail sales other than those facilitated by a marketplace provider maintaining a place of business in this state or a marketplace provider not maintaining a place of business in this state that is required to collect and remit sales and use taxes under paragraph (b).

(b) Except as provided in paragraph (d), a marketplace provider maintaining a place of business in this state and a marketplace provider not maintaining a place of business in this state who facilitates retail sales in Minnesota or to a destination in Minnesota shall collect sales and use taxes and remit them to the commissioner under section 297A.77 unless:

(1) the retailer provides a copy of the retailer's registration to collect sales and use taxes in this state to the marketplace provider; and

(2) the marketplace provider and retailer agree that the retailer will collect and remit the sales and use taxes on marketplace sales facilitated by the marketplace provider.

(c) Nothing in paragraph (b) shall be construed to interfere with the ability of a marketplace provider and a retailer to enter into an agreement regarding fulfillment of the requirements of this chapter.

(d) A retailer not maintaining a place of business in this state and a marketplace provider not maintaining a place of business in this state shall:

(1) begin collecting and remitting sales and use taxes to the commissioner on the first day of a calendar month occurring no later than 60 days after the retailer or marketplace provider engages in regular or systematic soliciting of sales from potential customers in this state; and

(2) continue to collect and remit sales and use taxes to the commissioner until at least the last day of the 12th calendar month following the calendar month in which the retailer or marketplace provider began collecting and remitting sales and use taxes under clause (1).

(e) A retailer not maintaining a place of business in this state and a marketplace provider not maintaining a place of business in this state may cease collecting and remitting sales and use taxes to the commissioner after the period in paragraph (d), clause (2), if the retailer or marketplace provider no longer engages in regular or systematic soliciting of sales from potential customers in this state.

(f) A retailer or marketplace provider may cease collecting and remitting sales and use taxes under paragraph (e) only after notifying the commissioner that the retailer or marketplace provider is no longer engaged in the regular or systematic soliciting of sales from potential customers in this state. The commissioner

shall prescribe the content, format, and manner of the notification pursuant to section 270C.30. If a retailer or marketplace provider subsequently engages in regular or systematic soliciting of sales from potential customers in this state, the retailer shall again comply with the requirements of paragraph (d).

[See Note.]

Subd. 3. **Marketplace provider liability.** (a) A marketplace provider is deemed the retailer or seller for all retail sales it facilitates, and is subject to audit on the retail sales it facilitates if it is required to collect sales and use taxes and remit them to the commissioner under subdivision 2, paragraphs (b) and (c).

(b) A marketplace provider is not liable for failing to file, collect, and remit sales and use taxes to the commissioner if the marketplace provider demonstrates that the error was due to incorrect or insufficient information given to the marketplace provider by the retailer. This paragraph does not apply if the marketplace provider and the marketplace retailer are related as defined in subdivision 4, paragraph (b).

Subd. 4. **Affiliated entities.** (a) An entity is an "affiliate" of the retailer for purposes of subdivision 1, paragraph (a), if the entity:

(1) uses its facilities or employees in this state to advertise, promote, or facilitate the establishment or maintenance of a market for sales of items by the retailer to purchasers in this state or for the provision of services to the retailer's purchasers in this state, such as accepting returns of purchases for the retailer, providing assistance in resolving customer complaints of the retailer, or providing other services;

(2) has the same or a similar business name to the retailer and sells, from a location or locations in this state, tangible personal property, digital goods, or services, taxable under this chapter, that are similar to that sold by the retailer;

(3) maintains an office, distribution facility, salesroom, warehouse, storage place, or other similar place of business in this state to facilitate the delivery of tangible personal property, digital goods, or services sold by the retailer to its customers in this state;

(4) maintains a place of business in this state and uses trademarks, service marks, or trade names in this state that are the same or substantially similar to those used by the retailer, and that use is done with the express or implied consent of the holder of the marks or names;

(5) delivers, installs, or assembles tangible personal property in this state, or performs maintenance or repair services on tangible personal property in this state, for tangible personal property sold by the retailer;

(6) facilitates the delivery of tangible personal property to customers of the retailer by allowing the customers to pick up tangible personal property sold by the retailer at a place of business the entity maintains in this state; or

(7) shares management, business systems, business practices, or employees with the retailer, or engages in intercompany transactions with the retailer related to the activities that establish or maintain the market in this state of the retailer.

(b) Two entities are related parties under this section if one of the entities meets at least one of the following tests with respect to the other entity:

(1) one or both entities is a corporation, and one entity and any party related to that entity in a manner that would require an attribution of stock from the corporation to the party or from the party to the corporation under the attribution rules of section 318 of the Internal Revenue Code owns directly, indirectly, beneficially, or constructively at least 50 percent of the value of the corporation's outstanding stock;

(2) one or both entities is a partnership, estate, or trust and any partner or beneficiary, and the partnership, estate, or trust and its partners or beneficiaries own directly, indirectly, beneficially, or constructively, in the aggregate, at least 50 percent of the profits, capital, stock, or value of the other entity or both entities;

(3) an individual stockholder and the members of the stockholder's family (as defined in section 318 of the Internal Revenue Code) owns directly, indirectly, beneficially, or constructively, in the aggregate, at least 50 percent of the value of both entities' outstanding stock;

(4) the entities are related within the meaning of subsections (b) and (c) of section 267 or 707(b)(1) of the Internal Revenue Code; or

(5) the entities have one or more ownership relationships and the relationships were designed with a principal purpose of avoiding the application of this section.

(c) An entity is an affiliate under the provisions of this subdivision if the requirements of paragraphs (a) and (b) are met during any part of the 12-month period ending on the first day of the month before the month in which the sale was made.

[See Note.]

Subd. 4a. **Solicitor.** (a) "Solicitor," for purposes of subdivision 1, paragraph (a), means a person, whether an independent contractor or other representative, who directly or indirectly solicits business for the retailer.

(b) A retailer is presumed to have a solicitor in this state if it enters into an agreement with a resident under which the resident, for a commission or other substantially similar consideration, directly or indirectly refers potential customers, whether by a link on an Internet website, or otherwise, to the seller. This paragraph only applies if the total gross receipts are at least \$10,000 in the 12-month period ending on the last day of the most recent calendar quarter before the calendar quarter in which the sale is made. For purposes of this paragraph, gross receipts means receipts from sales to customers located in the state who were referred to the retailer by all residents with this type of agreement with the retailer.

(c) The presumption under paragraph (b) may be rebutted by proof that the resident with whom the seller has an agreement did not engage in any solicitation in the state on behalf of the retailer that would satisfy the nexus requirement of the United States Constitution during the 12-month period in question. Nothing in this section shall be construed to narrow the scope of the terms affiliate, agent, salesperson, canvasser, or other representative for purposes of subdivision 1, paragraph (a).

(d) For purposes of this subdivision, "resident" includes an individual who is a resident of this state, as defined in section 290.01, or a business that owns tangible personal property located in this state or has one or more employees providing services for the business in this state.

(e) This subdivision does not apply to chapter 290 and does not expand or contract the jurisdiction to tax a trade or business under chapter 290.

Subd. 4b. MS 2018 [Repealed, 1Sp2019 c 6 art 3 s 19]

Subd. 5. **Withdrawal from streamlined sales and use tax agreement.** If the state has withdrawn its membership or been expelled from the streamlined sales and use tax agreement, it shall not use a seller's registration with the central registration system and the collection of sales and use taxes in the state as a factor in determining whether the seller has nexus with that state for any tax at any time.

Subd. 6. **Lodging services.** An accommodations intermediary shall collect sales tax and remit it to the commissioner under section 297A.77 for services provided in connection with or for lodging located in this state.

297A.665 PRESUMPTION OF TAX; BURDEN OF PROOF.

(a) For the purpose of the proper administration of this chapter and to prevent evasion of the tax, until the contrary is established, it is presumed that:

- (1) all gross receipts are subject to the tax; and
- (2) all retail sales for delivery in Minnesota are for storage, use, or other consumption in Minnesota.

(b) The burden of proving that a sale is not a taxable retail sale is on the seller. However, a seller is relieved of liability if:

(1) the seller obtains a fully completed exemption certificate or all the relevant information required by section 297A.72, subdivision 2, at the time of the sale or within 90 days after the date of the sale;

(2) if the seller has not obtained a fully completed exemption certificate or all the relevant information required by section 297A.72, subdivision 2, within the time provided in clause (1), within 120 days after a request for substantiation by the commissioner, the seller either:

(i) obtains from the purchaser a fully completed exemption certificate or all the relevant information required by section 297A.72, subdivision 2, taken in good faith which means that the exemption certificate claims an exemption that (A) was statutorily available on the date of the transaction, (B) could be applicable to the item for which the exemption is claimed, and (C) is reasonable for the purchaser's type of business; or

(ii) proves by other means that the transaction was not subject to tax; or

(3) in the case of drop shipment sales, a seller engaged in drop shipping may claim a resale exemption based on an exemption certificate provided by its customer or reseller, or any other acceptable information available to the seller engaged in drop shipping evidencing qualification for a resale exemption, regardless of whether the customer or reseller is registered to collect and remit sales and use tax in the state.

(c) Notwithstanding paragraph (b), relief from liability does not apply to a seller who:

- (1) fraudulently fails to collect the tax; or
- (2) solicits purchasers to participate in the unlawful claim of an exemption.

(d) Notwithstanding paragraph (b), relief from liability does not apply to a seller who has obtained information under paragraph (b), clause (2), if through the audit process the commissioner finds the following:

(1) that at the time the information was provided the seller had knowledge or had reason to know that the information relating to the exemption was materially false; or

(2) that the seller knowingly participated in activity intended to purposefully evade the sales tax due on the transaction.

(e) A certified service provider, as defined in section 297A.995, subdivision 2, is relieved of liability under this section to the extent a seller who is its client is relieved of liability.

(f) A purchaser of tangible personal property or any items listed in section 297A.63 that are shipped or brought to Minnesota by the purchaser has the burden of proving that the property was not purchased from a retailer for storage, use, or consumption in Minnesota.

(g) If a seller claims that certain sales are exempt and does not provide the certificate, information, or proof required by paragraph (b), clause (2), within 120 days after the date of the commissioner's request for substantiation, then the exemptions claimed by the seller that required substantiation are disallowed.

297A.666 [Repealed, 2014 c 308 art 9 s 94]

297A.668 SOURCING OF SALE; SITUS IN THIS STATE.

Subdivision 1. **Applicability.** The provisions of this section apply regardless of the characterization of a product as tangible personal property, a digital good, or a service; but do not apply to telecommunications services or the sales of motor vehicles. These provisions only apply to determine a seller's obligation to pay or collect and remit a sales or use tax with respect to the seller's sale of a product. These provisions do not affect the obligation of a seller as purchaser to remit tax on the use of the product.

Subd. 2. **Sourcing rules.** (a) The retail sale, excluding lease or rental, of a product shall be sourced as required in paragraphs (b) through (f).

(b) When the product is received by the purchaser at a business location of the seller, the sale is sourced to that business location.

(c) When the product is not received by the purchaser at a business location of the seller, the sale is sourced to the location where receipt by the purchaser or the donee designated by the purchaser occurs, including the location indicated by instructions for delivery to the purchasers or the purchaser's donee, known to the seller.

(d) When paragraphs (b) and (c) do not apply, the sale is sourced to the location indicated by an address for the purchaser that is available from the business records of the seller that are maintained in the ordinary course of the seller's business, when use of this address does not constitute bad faith.

(e) When paragraphs (b), (c), and (d) do not apply, the sale is sourced to the location indicated by an address for the purchaser obtained during the consummation of the sale, including the address of a purchaser's payment instrument if no other address is available, when use of this address does not constitute bad faith.

(f) When paragraphs (b), (c), (d), and (e) do not apply, including the circumstance where the seller is without sufficient information to apply the previous paragraphs, then the location is determined by the address from which tangible personal property was shipped, from which the digital good or the computer software delivered electronically was first available for transmission by the seller, or from which the service

was provided. For purposes of this paragraph, the seller must disregard any location that merely provided the digital transfer of the product sold.

(g) For purposes of this subdivision, the terms "receive" and "receipt" mean taking possession of tangible personal property, making first use of services, or taking possession or making first use of digital goods or the computer software delivered electronically, whichever occurs first. The terms receive and receipt do not include possession by a carrier for hire on behalf of the purchaser.

Subd. 3. Lease or rental of tangible personal property. The lease or rental of tangible personal property, other than property identified in subdivision 4 or 5, shall be sourced as required in paragraphs (a) to (c).

(a) For a lease or rental that requires recurring periodic payments, the first periodic payment is sourced the same as a retail sale in accordance with the provisions of subdivision 2. Periodic payments made subsequent to the first payment are sourced to the primary property location for each period covered by the payment. The primary property location must be as indicated by an address for the property provided by the lessee that is available to the lessor from its records maintained in the ordinary course of business, when use of this address does not constitute bad faith. The property location must not be altered by intermittent use at different locations, such as use of business property that accompanies employees on business trips and service calls.

(b) For a lease or rental that does not require recurring periodic payments, the payment is sourced the same as a retail sale in accordance with the provisions of subdivision 2.

(c) This subdivision does not affect the imposition or computation of sales or use tax on leases or rentals based on a lump sum or accelerated basis, or on the acquisition of property for lease.

Subd. 4. Lease or rental of motor vehicles, trailers, semitrailers, or aircraft that do not qualify as transportation equipment. The lease or rental of motor vehicles, trailers, semitrailers, or aircraft that do not qualify as transportation equipment, as defined in subdivision 5, shall be sourced as required in paragraphs (a) to (c).

(a) For a lease or rental that requires recurring periodic payments, each periodic payment is sourced to the primary property location. The primary property location must be as indicated by an address for the property provided by the lessee that is available to the lessor from its records maintained in the ordinary course of business, when use of this address does not constitute bad faith. This location must not be altered by intermittent use at different locations.

(b) For a lease or rental that does not require recurring periodic payments, the payment is sourced the same as a retail sale in accordance with the provisions of subdivision 2.

(c) This subdivision does not affect the imposition or computation of sales or use tax on leases or rentals based on a lump sum or accelerated basis, or on the acquisition of property for lease.

Subd. 5. Transportation equipment. (a) The retail sale, including lease or rental, of transportation equipment shall be sourced the same as a retail sale in accordance with the provisions of subdivision 2, notwithstanding the exclusion of lease or rental in subdivision 2.

(b) "Transportation equipment" means any of the following:

- (1) locomotives and railcars that are utilized for the carriage of persons or property in interstate commerce;
- (2) trucks and truck-tractors with a gross vehicle weight rating (GVWR) of 10,001 pounds or greater, trailers, semitrailers, or passenger buses that are:

(i) registered through the international registration plan; and

(ii) operated under authority of a carrier authorized and certified by the United States Department of Transportation or another federal authority to engage in the carriage of persons or property in interstate commerce;

(3) aircraft that are operated by air carriers authorized and certificated by the United States Department of Transportation or another federal or a foreign authority to engage in the carriage of persons or property in interstate commerce; or

(4) containers designed for use on and component parts attached or secured on the transportation equipment described in clauses (1) through (3).

Subd. 6. [Repealed, 2008 c 154 art 12 s 41]

Subd. 6a. **Multiple points of use.** (a) Notwithstanding the provisions of subdivisions 2 and 3, a business purchaser that has not received authorization to pay the tax directly to the commissioner may use an exemption certificate indicating multiple points of use if:

(1) the purchaser knows at the time of its purchase of a digital good, computer software delivered electronically, or a service that the good or service will be concurrently available for use in more than one taxing jurisdiction; and

(2) the purchaser delivers to the seller the exemption certificate indicating multiple points of use at the time of purchase.

(b) Upon receipt of the fully completed exemption certificate indicating multiple points of use, the seller is relieved of the obligation to collect, pay, or remit the applicable tax and the purchaser is obligated to collect, pay, or remit the applicable tax on a direct pay basis. The provisions of section 297A.665 apply to this paragraph.

(c) The purchaser delivering the exemption certificate indicating multiple points of use may use any reasonable but consistent and uniform method of apportionment that is supported by the purchaser's business records as they exist at the time of the consummation of the sale.

(d) The purchaser shall provide the exemption certificate indicating multiple points of use to the seller at the time of purchase.

(e) A purchaser that has received authorization to pay the tax directly to the commissioner is not required to deliver to the seller an exemption certificate indicating multiple points of use. A purchaser that has received authorization to pay the tax directly to the commissioner shall follow the provisions of paragraph (c) in apportioning the tax due on a digital good, computer software delivered electronically, or a service that will be concurrently available for use in more than one taxing jurisdiction.

Subd. 7. **Advertising and promotional direct mail.** (a) Notwithstanding other subdivisions of this section, the provisions in paragraphs (b) to (e) apply to the sale of advertising and promotional direct mail. "Advertising and promotional direct mail" means printed material that is direct mail as defined in section 297A.61, subdivision 35, the primary purpose of which is to attract public attention to a product, person, business, or organization, or to attempt to sell, popularize, or secure financial support for a person, business, organization, or product. "Product" includes tangible personal property, a digital product transferred electronically, or a service.

(b) A purchaser of advertising and promotional direct mail may provide the seller with one of the following:

(1) a fully completed exemption certificate as described in section 297A.72 indicating that the purchaser is authorized to pay any sales or use tax due on purchases made by the purchaser directly to the commissioner under section 297A.89;

(2) a fully completed exemption certificate claiming an exemption for direct mail; or

(3) information showing the jurisdictions to which the advertising and promotional direct mail is to be delivered to recipients.

(c) In the absence of bad faith, if the purchaser provides one of the exemption certificates indicated in paragraph (b), clauses (1) and (2), the seller is relieved of all obligations to collect, pay, or remit the applicable tax and the purchaser is obligated to pay or remit the tax on any transaction involving advertising and promotional direct mail to which the certificate applies. The purchaser shall source the sale to the jurisdictions to which the advertising and promotional direct mail is to be delivered to the recipients of the mail, and shall report and pay any applicable tax due.

(d) If the purchaser provides the seller information showing the jurisdictions to which the advertising and promotional direct mail is to be delivered to recipients, the seller shall source the sale to the jurisdictions to which the advertising and promotional direct mail is to be delivered and shall collect and remit the applicable tax. In the absence of bad faith, the seller is relieved of any further obligation to collect any additional tax on the sale of advertising and promotional direct mail where the seller has sourced the sale according to the delivery information provided by the purchaser.

(e) If the purchaser does not provide the seller with any of the items listed in paragraph (b), the sale shall be sourced under subdivision 2, paragraph (f). Nothing in this paragraph limits a purchaser's obligation for sales or use tax to any state to which the direct mail is delivered.

(f) This subdivision does not apply to printed materials that result from developing billing information or providing any data processing service that is more than incidental to producing the printed materials, regardless of whether advertising and promotional direct mail is included in the same mailing.

(g) If a transaction is a bundled transaction that includes advertising and promotional direct mail, this subdivision applies only if the primary purpose of the transaction is the sale of products or services that meet the definition of advertising and promotional direct mail.

Subd. 7a. Other direct mail. (a) Notwithstanding other subdivisions of this section, the provisions in paragraphs (b) and (c) apply to the sale of other direct mail. "Other direct mail" means printed material that is direct mail as defined in section 297A.61, subdivision 35, but is not advertising and promotional direct mail as described in subdivision 7, regardless of whether advertising and promotional direct mail is included in the same mailing. Other direct mail includes, but is not limited to:

(1) direct mail pertaining to a transaction between the purchaser and addressee, where the mail contains personal information specific to the addressee including, but not limited to, invoices, bills, statements of account, and payroll advices;

(2) any legally required mailings including, but not limited to, privacy notices, tax reports, and stockholder reports; and

(3) other nonpromotional direct mail delivered to existing or former shareholders, customers, employees, or agents including, but not limited to, newsletters and informational pieces.

Other direct mail does not include printed materials that result from developing billing information or providing any data processing service that is more than incidental to producing the other direct mail.

(b) A purchaser of other direct mail may provide the seller with either a fully completed exemption certificate as described in section 297A.72 indicating that the purchaser is authorized to pay any sales or use tax due on purchases made by the purchaser directly to the commissioner under section 297A.89, or a fully completed exemption certificate claiming an exemption for direct mail. If the purchaser provides one of the exemption certificates listed, then the seller, in the absence of bad faith, is relieved of all obligations to collect, pay, or remit the tax on any transaction involving other direct mail to which the certificate applies. The purchaser shall source the sale to the jurisdictions to which the other direct mail is to be delivered to the recipients of the mail, and shall report and pay any applicable tax due.

(c) If the purchaser does not provide the seller with a fully completed exemption certificate claiming either exemption listed in paragraph (b), the sale shall be sourced according to subdivision 2, paragraph (d).

Subd. 8. Manufactured and modular housing. (a) Notwithstanding other subdivisions of this section, a sale of a manufactured or modular home shall be sourced to the site where the housing is first set up or installed.

(b) For purposes of this section, "manufactured home" has the meaning given in section 327.31, subdivision 6. For purposes of this section, "modular home" means a building or structural unit that has been substantially manufactured or constructed, in whole or in part, at an off-site location, with the final assembly occurring on site alone or with other units and attached to a permanent foundation site and occupied as a single-family dwelling. Modular home construction must comply with applicable standards adopted in Minnesota Rules authorized under chapter 16B. A modular home does not include a structure subject to the requirements of the National Manufactured Home Construction and Safety Standards Act of 1974 or a manufactured home.

Subd. 9. Florist sales. (a) Notwithstanding other subdivisions of this section, the retail sale of "florist sales" is sourced as follows:

(1) When a Minnesota retailer takes a florist sales order directly from a customer, whether or not the customer is physically present in Minnesota when placing the order, and delivers the items to the customer or a third person, either within this state or outside this state, and regardless of the delivery method, the florist sale is sourced according to subdivision 2.

(2) When one retailer transmits a florist sales order to another retailer of florist sales through a floral network service or floral delivery association, whether by telephone, telegraph, Internet, or other means of communication, the florist sale is sourced to the location of the retailer which originally takes the order from the customer and accepts payment.

(b) For purposes of this subdivision, florist sales means sales at retail of flowers, wreaths, floral bouquets, potted plants, hospital baskets, funeral designs, seeds, nursery seedling stock, trees, shrubs, plants, sod, soil, bulbs, sand, rock, and all other floral or nursery products.

297A.669 TELECOMMUNICATION AND RELATED SERVICES SOURCING.

Subdivision 1. **Call-by-call basis sourcing.** Except for the defined telecommunication services in subdivision 3, the sale of telecommunication service sold on a call-by-call basis shall be sourced to (1) each level of taxing jurisdiction where the call originates and terminates in that jurisdiction; or (2) each level of taxing jurisdiction where the call either originates or terminates and in which the service address is also located.

Subd. 2. **Other than call-by-call basis sourcing.** Except for the defined telecommunication services in subdivision 3, a sale of telecommunications services sold on a basis other than a call-by-call basis is sourced to the customer's place of primary use.

Subd. 3. **Defined telecommunications services sourcing.** The sale of the following telecommunication services shall be sourced to each level of taxing jurisdiction in paragraphs (a) to (d).

(a) A sale of mobile telecommunications services, other than air-to-ground radiotelephone service and prepaid calling service, is sourced to the customer's place of primary use as required by the Mobile Telecommunications Sourcing Act.

(b) A sale of postpaid calling service is sourced to the origination point of the telecommunications signal as first identified by either:

(1) the seller's telecommunications system; or

(2) information received by the seller from its service provider, where the system used to transport such signals is not that of the seller.

(c) A sale of prepaid calling service or prepaid wireless calling service is sourced in accordance with section 297A.668, subdivision 2. However, in the case of a sale of a prepaid wireless calling service, the rule provided in section 297A.668, subdivision 2, paragraph (f), shall include as an option the location associated with the mobile telephone number.

(d) A sale of a private communication service is sourced as follows:

(1) service for a separate charge related to a customer channel termination point is sourced to each level of jurisdiction in which the customer channel termination point is located;

(2) service where all customer termination points are located entirely within one jurisdiction or levels of jurisdiction is sourced in such jurisdiction in which the customer channel termination points are located;

(3) service for segments of a channel between two customer channel termination points located in different jurisdictions and which segment of channel are separately charged is sourced 50 percent in each level of jurisdiction in which the customer channel termination points are located; and

(4) service for segments of a channel located in more than one jurisdiction or levels of jurisdiction and which segments are not separately billed is sourced in each jurisdiction based on the percentage determined by dividing the number of customer channel termination points in the jurisdiction by the total number of customer channel termination points.

Subd. 4. **Air-to-ground radiotelephone service.** "Air-to-ground radiotelephone service," for purposes of this section, means a radio service, as that term is defined in Code of Federal Regulations, title 47, section 22.99, in which common carriers are authorized to offer and provide radio telecommunications service for hire to subscribers in aircraft.

Subd. 5. **Call-by-call basis.** "Call-by-call basis," for purposes of this section, means any method of charging for telecommunications services where the price is measured by individual calls.

Subd. 6. **Communications channel.** "Communications channel," for purposes of this section, means a physical or virtual path of communications over which signals are transmitted between or among customer channel termination points.

Subd. 7. **Customer.** "Customer," for purposes of this section, means the person or entity that contracts with the seller of telecommunications services. If the end user of telecommunications services is not the contracting party, the end user of the telecommunications service is the customer of the telecommunication service, but this sentence applies only for the purpose of sourcing sales of telecommunications services under this section. Customer does not include a reseller of telecommunications service or for mobile telecommunications service of a serving carrier under an agreement to serve the customer outside the home service provider's licensed service area.

(1) if the ticket reseller did not use a fully completed exemption certificate to claim the exemption from tax for resale, but instead paid tax on the original purchase, then the ticket reseller may do one of the following:

(i) seek a refund of that tax under section 289A.50; or

(ii) pass through to the purchaser the amount of the tax the ticket reseller paid on the original purchase, by giving the purchaser credit for the Minnesota state and local tax paid by the ticket reseller on the ticket reseller's original purchase of the ticket. Credit for the tax cannot exceed either the sales tax paid on the original price of the ticket or the sales tax charged by the ticket reseller to the final purchaser;

(2) if the ticket reseller did not pay tax on the original purchase, tax is due on the full amount of the ticket when resold, without a credit given to the final purchaser; and

(3) the ticket reseller must retain records documenting the price and tax paid by the ticket reseller when purchasing the ticket and the price and tax collected when the ticket reseller resells the ticket.

(b) When a ticket reseller who purchased a ticket from a seller who is not in the business of selling tickets resells the ticket, the ticket reseller must charge tax on the total amount for which the ticket is resold and the following rules apply:

Credit for the tax cannot exceed either the sales tax paid on the original price of the ticket or the sales tax charged by the ticket reseller to the final purchaser. It is presumed that the original purchase price of the ticket is the face amount of the ticket;

(2) if no tax was paid on the original purchase, tax is due on the full amount of the ticket when resold, without a credit given to the ticket reseller's purchaser; and

(3) the ticket reseller must retain records documenting the price and tax paid by the ticket reseller when purchasing the ticket and the price and tax collected when the ticket reseller resells the ticket.

The total amount refunded for a facility over the certification period is limited to the amount listed in the business subsidy agreement. No more than \$7,000,000 may be refunded in a fiscal year for all purchases under this subdivision. Refunds must be allocated on a first-come, first-served basis. If more than \$7,000,000 of eligible claims are made in a fiscal year, claims by qualified businesses carry over to the next fiscal year, and the commissioner of revenue must first allocate refunds to qualified businesses eligible for a refund in the preceding fiscal year. Any portion of the balance of funds allocated for refunds under this paragraph does not cancel and shall be carried forward to and available for refunds in subsequent fiscal years. Notwithstanding section 297A.75, subdivision 4, for an eligible refund claim that carries over to a subsequent fiscal year, the interest on the amount carried over must be paid on the refund no sooner than from 90 days after July 1 of the fiscal year in which funds are available for the eligible claim.

COMPUTATION AND COLLECTION OF SALES AND USE TAXES

297A.76 COMPUTATION OF SALES AND USE TAXES.

Subdivision 1. **Rounding up or down.** In computing the sales or use tax to be collected or remitted as the result of a transaction, amounts of tax less than one-half of one cent must be disregarded and amounts of tax of one-half cent or more must be considered an additional cent.

Subd. 2. **Uniform tax collection methods; rules.** Agreements between competitive retailers or the adoption of appropriate rules or regulations by organizations or associations of retailers to provide uniform methods for adding the sales tax or its average equivalent, which do not involve otherwise unlawful price fixing agreements, are expressly authorized and are not in violation of any Minnesota laws prohibiting such agreements. The commissioner may prescribe rules for such agreements.

History: 2000 c 418 art 1 s 20

297A.77 COLLECTION OF SALES AND USE TAXES.

Subdivision 1. **Collection of tax at time of sale.** The tax must be stated and charged separately from the sales price insofar as practicable and must be collected by the seller from the purchaser.

Subd. 2. **Receipt.** For use tax, the retailer shall give the purchaser a tax receipt. The receipt must indicate the tax in the form of a notation on the sales slip or receipt for the sales price or in another form as prescribed by the commissioner.

Subd. 3. **Tax must be remitted.** The tax collected by a retailer under this section must be remitted to the commissioner as provided in chapter 289A and this chapter.

Subd. 4. **Status of sales and use taxes as debt.** Sales and use taxes that are required to be collected by a retailer are debts from the purchaser to the retailer recoverable at law in the same manner as other debts.

Subd. 5. **Records must be kept.** Every person liable for any tax imposed by this chapter, or for the collection thereof, shall keep such records, render such statements, make such returns, and comply with such rules, as the commissioner may from time to time prescribe.

297A.78 LIABILITY FOR USE TAX; RECEIPT AS EVIDENCE.

Liability for the payment of the use tax is not extinguished until the tax has been paid to Minnesota. However, a receipt from a retailer given to the purchaser under section 297A.77, subdivision 2, relieves the purchaser of further liability for the tax to which the receipt refers, unless the purchaser knows or has reason to know that the retailer did not have a permit to collect the tax.

History: 2000 c 418 art 1 s 22

297A.79 REPORTING OF GROSS RECEIPTS.

At the option of the taxpayer, gross receipts from sales may be reported on the cash basis as the consideration is received or on the accrual basis as sales are made.

History: 2000 c 418 art 1 s 23

297A.80 TAXES IN OTHER STATES; OFFSET AGAINST USE TAX.

If an article of tangible personal property or an item listed in section 297A.63 has already been taxed by another state and any subdivision thereof for its sale, storage, use, or other consumption in an amount less than the tax imposed by this chapter, then as to the person who paid the tax in the other state or any subdivision thereof, section 297A.63 applies only at a rate measured by the difference between the rate imposed under section 297A.62 and the rate by which the previous tax was computed. If the tax imposed in the other state or any subdivision thereof is equal to or greater than the tax imposed in this state, then no tax is due from that person under section 297A.63. The credit shall be applied first against the amount of any use tax due the state, and any unused portion of the credit shall then be applied against any use tax due a subdivision.

History: 2000 c 418 art 1 s 24; 1Sp2001 c 5 art 12 s 74

297A.81 UNCOLLECTIBLE DEBTS; OFFSET AGAINST OTHER TAXES.

Subdivision 1. **General.** The taxpayer may offset against the taxes payable for any reporting period the amount of taxes imposed by this chapter previously paid as a result of any transaction the consideration for which became a debt owed to the taxpayer that became uncollectible during the reporting period, but only in proportion to the portion of the debt that became uncollectible. Section 289A.40, subdivision 2, applies to an offset under this section.

Subd. 2. **Manner of allowing deduction for uncollectible debt.** (a) Uncollectible debt is allowed as a deduction in the manner provided in this subdivision.

(b) If the uncollectible debt arose with respect to a sale required to be included in gross receipts, subject to a tax imposed under chapter 297A, the entire amount of the debt remaining uncollected is allowed as a deduction.

(c) If the uncollectible debt arose with respect to a sale partly subject to the tax imposed under chapter 297A and partly exempt, the amount of the uncollectible debt allowed as a deduction is the amount derived by multiplying the uncollectible debt by the percentage that the taxable sale bears to the total sales.

(d) If the uncollectible debt arose with respect to two or more sales made at successive intervals, payments made before the date the debt became uncollectible must be applied first to the earliest sale upon which there is an unpaid balance, and to following sales in successive order.

(e) If the books and records of the taxpayer claiming the bad debt allowance support an allocation of the bad debts among the member states of the streamlined sales and use tax agreement, such an allocation shall be allowed.

Subd. 3. **Certified service provider.** A certified service provider, as defined in section 297A.995, subdivision 2, on behalf of a taxpayer who is its client, may offset against taxes as provided by this section.

297A.815 MOTOR VEHICLE LEASES.

Subdivision 1. **Motor vehicle lease price; payment.** (a) In the case of a lease of a motor vehicle as provided in section 297A.61, subdivision 4, paragraph (k), clause (2), the tax is imposed on the total amount to be paid by the lessee under the lease agreement. The lessor shall collect the tax in full at the time the lease is executed or, if the tax is included in the lease and the lease is assigned, the tax is due from the original lessor at the time the lease is assigned. The total amount to be paid by the lessee under the lease agreement equals the agreed-upon value of the vehicle less manufacturer's rebates, the stated residual value of the leased vehicle, and the total value allowed for a vehicle owned by the lessee taken in trade by the lessor, plus the price of any taxable goods and services included in the lease and the rent charge as provided by Code of Federal Regulations, title 12, section 213.4, excluding any rent charge related to the capitalization of the tax.

(b) If the total amount paid by the lessee for use of the leased vehicle includes amounts that are not calculated at the time the lease is executed, the tax is imposed and must be collected by the lessor at the time the amounts are paid by the lessee. In the case of a lease which by its terms may be renewed, the sales tax is due and payable on the total amount to be paid during the initial term of the lease, and then for each subsequent renewal period on the total amount to be paid during the renewal period.

(c) If a lease is canceled or rescinded on or before 90 days of its execution or if a vehicle is returned to the manufacturer under section 325F.665, the lessor may file a claim for a refund of the total tax paid minus the amount of tax due for the period the vehicle is used by the lessee.

(d) If a lessee's obligation to make payments on a lease is canceled more than 90 days after its execution, a credit is allowed against sales tax or motor vehicles sales tax due on a subsequent lease or purchase of a motor vehicle if that lease or purchase is consummated within 30 days of the date the prior lease was canceled. The amount of the credit is equal to (1) the sales tax paid at the inception of the lease, multiplied by (2) the ratio of the number of full months remaining in the lease at the time of termination compared to the term of

the lease used in calculating sales tax paid at the inception of the lease. The credit or any part of it cannot be assigned or transferred to another person.

Subd. 2. **Lease originating in another state.** When the lease of a motor vehicle as defined in section 297A.61, subdivision 4, paragraph (k), clause (2), originates in another state, the sales tax under subdivision 1 shall be calculated by the lessor on the total amount that is due under the lease agreement after the vehicle is required to be registered in Minnesota. If the total amount to be paid by the lessee under the lease agreement has already been subjected to tax by another state, a credit for taxes paid in the other state is allowed as provided in section 297A.80.

Subd. 3. **Motor vehicle lease sales tax revenue.** (a) On or before June 30 of each fiscal year, the commissioner of revenue must estimate the revenues, including interest and penalties and minus refunds, collected under this section for the current fiscal year.

(b) By July 15 of the subsequent fiscal year, the commissioner of management and budget must transfer the revenues estimated under paragraph (a) from the general fund as follows:

- (1) 38 percent to the county state-aid highway fund;
- (2) 38 percent to the greater Minnesota transit account;
- (3) 13 percent to the Minnesota state transportation fund; and
- (4) 11 percent to the highway user tax distribution fund.

(c) Notwithstanding any other law to the contrary, the commissioner of transportation must allocate the funds transferred under paragraph (b), clause (1), to the counties in the metropolitan area, as defined in section 473.121, subdivision 4, excluding the counties of Hennepin and Ramsey, so that each county receives the percentage that its population, as defined in section 477A.011, subdivision 3, estimated or established by July 15 of the year prior to the current calendar year, bears to the total population of the counties receiving funds under this paragraph.

(d) The amount transferred under paragraph (b), clause (3), must be used for the local bridge program under section 174.50, subdivisions 6 to 7.

(e) The revenues under this subdivision do not include the revenues, including interest and penalties and minus refunds, generated by the sales tax imposed under section 297A.62, subdivision 1a, which must be deposited as provided under the Minnesota Constitution, article XI, section 15.

297A.8155 LIQUOR REPORTING REQUIREMENTS; PENALTY.

A person who sells liquor, as defined in section 295.75, subdivision 1, in Minnesota to a retailer that sells liquor, shall file with the commissioner an annual informational report, in the form and manner prescribed by the commissioner, indicating the name, address, and Minnesota business identification number of each retailer, and the total dollar amount of liquor sold to each retailer in the previous calendar year. The report must be filed on or before March 31 following the close of the calendar year. A person failing to file this report is subject to the penalty imposed under section 289A.60.

AIRCRAFT AND FLIGHT EQUIPMENT**297A.82 AIRCRAFT; FLIGHT EQUIPMENT; PAYMENT OF TAXES; EXEMPTIONS.**

Subdivision 1. **Requirements for registration.** An aircraft must not be registered or licensed in this state unless the applicant presents proof that the sales or use tax imposed by this chapter has been paid or that the transaction is exempt from the sales and use tax. The exemption for an occasional sale under section 297A.67, subdivision 23, or 297A.68, subdivision 25, does not apply to the sale or purchase of an aircraft.

Subd. 2. **Payment of tax to dealer.** If an aircraft is purchased from a dealer holding a valid sales and use tax permit under this chapter, the applicant shall present proof that the tax has been paid to the dealer.

Subd. 3. **Payment of tax.** If an aircraft is purchased from a person who is not the holder of a valid sales and use tax permit under this chapter, the purchaser shall pay the tax prior to registering or licensing the aircraft in this state.

Subd. 4. **Exemptions.** (a) The following transactions are exempt from the tax imposed in this chapter to the extent provided.

(b) The purchase or use of aircraft previously registered in Minnesota by a corporation or partnership is exempt if the transfer constitutes a transfer within the meaning of section 351 or 721 of the Internal Revenue Code.

(c) The sale to or purchase, storage, use, or consumption by a licensed aircraft dealer of an aircraft for which a commercial use permit has been issued pursuant to section 360.654 is exempt, if the aircraft is resold while the permit is in effect.

(d) Air flight equipment when sold to, or purchased, stored, used, or consumed by airline companies, as defined in section 270.071, subdivision 4, is exempt. For purposes of this subdivision, "air flight equipment" includes airplanes and parts necessary for the repair and maintenance of such air flight equipment, and flight simulators, but does not include aircraft with a maximum takeoff weight of less than 30,000 pounds.

(e) Sales of, and the storage, distribution, use, or consumption of aircraft, as defined in section 360.511 and approved by the Federal Aviation Administration, and which the seller delivers to a purchaser outside Minnesota or which, without intermediate use, is shipped or transported outside Minnesota by the purchaser are exempt, but only if the purchaser is not a resident of Minnesota and provided that the aircraft is not thereafter returned to a point within Minnesota, except in the course of interstate commerce or isolated and occasional use, and will be registered in another state or country upon its removal from Minnesota. This exemption applies even if the purchaser takes possession of the aircraft in Minnesota and uses the aircraft in the state exclusively for training purposes for a period not to exceed ten days prior to removing the aircraft from this state.

(f) The sale or purchase of the following items that relate to aircraft operated under Federal Aviation Regulations, Parts 91 and 135, and associated installation charges: equipment and parts necessary for repair and maintenance of aircraft; and equipment and parts to upgrade and improve aircraft.

Subd. 4a. **Deposit in state airports fund.** Tax revenue, including interest and penalties, collected from the sale or purchase of an aircraft taxable under this chapter must be deposited in the state airports fund established in section 360.017. For purposes of this subdivision, "revenue" does not include the revenue, including interest and penalties, generated by the sales tax imposed under section 297A.62, subdivision 1a, which must be deposited as provided under article XI, section 15, of the Minnesota Constitution.

Subd. 5. **Exempt purchase certificate.** If the purchase of an aircraft is exempt under this chapter, the commissioner shall issue a certificate that no sales or use tax is due and owing in respect to the transaction.

Subd. 6. **Sales and leases; tax treatment.** (a) A sale of aircraft and parts for the repair of aircraft purchased by a nonprofit, incorporated flying club or association utilized solely by the corporation by leasing the aircraft to shareholders of the corporation is exempt as property purchased for resale. The leasing of the aircraft to the shareholders by the flying club or association is taxable as a retail sale.

(b) A lease of aircraft utilized by a lessee for leasing to others, whether or not the lessee also utilizes the aircraft for charter service or for flight instruction if no separate charge is made for aircraft rental, is exempt as a purchase for resale. However, a proportionate share of the lease payment reflecting use for flight instruction or charter service is taxable under section 297A.63.

Subd. 7. **Agreement with commissioner of transportation.** Notwithstanding subdivisions 1 to 4, the commissioner may enter into an agreement with the commissioner of transportation whereby, upon approval of both commissioners, the commissioner of transportation will collect the sales tax on aircraft from persons required to register or license aircraft in this state. For purposes of collecting the tax, the commissioner of transportation shall act as agent of the commissioner of revenue and shall be subject to all rules not inconsistent with the provisions of this chapter, that may be prescribed by the commissioner.

297A.825 SNOWMOBILES; ALL-TERRAIN VEHICLES; WATERCRAFT; PAYMENT OF TAXES; REFUNDS.

Subdivision 1. **Agreement with commissioners of natural resources and public safety; collection and refunds.** The commissioner may enter into an agreement with the commissioner of natural resources, in consultation with the commissioner of public safety, that provides that:

(1) the commissioner of natural resources and authorized deputy registrars of motor vehicles must collect use tax on snowmobiles, all-terrain vehicles, and watercraft from persons applying for initial registration or license of the item unless the applicant provides a receipt, invoice, or other document to prove that:

(i) sales tax was paid on the purchase;

(ii) the purchase was exempt under this chapter;

(iii) use tax was paid to the commissioner in a form prescribed by the commissioner; or

(iv) the item was purchased from a retailer that is maintaining a place of business in this state as defined in section 297A.66, subdivision 1, and is a dealer as defined in section 84.81, subdivision 10; 84.92, subdivision 3; or 86B.005, subdivision 4; and

(2) the commissioner of natural resources and authorized deputy registrars of motor vehicles are authorized to issue refunds of use tax paid to them in error, meaning that either the sales or use tax had already been paid or that the purchase was exempt from tax under this chapter.

Subd. 2. **Agents.** For the purposes of collecting or refunding the tax under this section, the commissioner of natural resources and authorized deputy registrars of motor vehicles are the agents of the commissioner

PERMITS

297A.83 APPLICATION FOR PERMIT.

Subdivision 1. **Persons applying.** (a) A retailer required to collect and remit sales taxes under section 297A.66 shall file with the commissioner an application for a permit.

(b) A retailer making retail sales from outside this state to a destination within this state who is not required to obtain a permit under paragraph (a) may nevertheless voluntarily file an application for a permit.

(c) The commissioner may require any person or class of persons obligated to file a use tax return under section 289A.11, subdivision 3, to file an application for a permit.

Subd. 2. **Application requirements.** The application must be made on a form prescribed by the commissioner and indicate the name under which the applicant intends to transact business, the location of the applicant's place or places of business, and other information the commissioner may require. The application must be filed by the owner, if a natural person; by a member or partner, if the owner is an association or partnership; or by a person authorized to file the application, if the owner is a corporation.

Subd. 3. **Commissioner's discretion.** (a) The commissioner may decline to issue a permit to a retailer not maintaining a place of business in this state, or may cancel a permit previously issued to the retailer, if the commissioner believes that the tax can be collected more effectively from the persons using the property in this state. A refusal to issue or cancellation of a permit on such grounds does not affect the retailer's right to make retail sales from outside this state to destinations within this state.

(b) If the commissioner considers it necessary for the efficient administration of the tax to regard a salesperson, representative, trucker, peddler, or canvasser as the agent of the dealer, distributor, supervisor, employer, or other person under whom that person operates or from whom the person obtains the tangible personal property sold, whether making sales personally or in behalf of that dealer, distributor, supervisor, employer, or other person, the commissioner may regard the salesperson, representative, trucker, peddler, or canvasser as such agent, and may regard the dealer, distributor, supervisor, employer, or other person as a retailer for the purposes of collecting the tax.

(c) "Delinquent sales tax" means tax not paid by the date the tax was due and payable under section 289A.20, subdivision 4, or an assessment not paid if the applicant has been issued an order assessing sales and use tax under section 270C.33, subdivision 4.

Subd. 2. **Permits issued.** Except as provided in subdivision 3, the commissioner must issue a permit to each applicant who has complied with section 297A.83, and with section 297A.92 if security is required. A

person is considered to have a permit if the person has a Minnesota tax identification number issued by the commissioner that is currently active for taxes imposed by this chapter. A permit is valid until canceled or revoked. It is not assignable and is valid only for the person in whose name it is granted and for the transaction of business at the places designated on the permit.

Subdivision 1. Events affected. (a) This section applies to a flea market, craft show, antique show, coin show, stamp show, comic book show, convention exhibit area, or similar selling event.

(b) To be subject to this section, the operator of an event described in paragraph (a) must rent or lease space on the sale premises to the seller, charge the seller a registration or participation fee, or receive a percentage of sales or other consideration from a seller as a condition to participation by a seller in the event.

Subd. 2. **Seller's permit or alternate statement.** (a) The operator of an event under subdivision 1 shall obtain one of the following from a person who wishes to do business as a seller at the event:

(1) evidence that the person holds a valid seller's permit under section 297A.84;

(2) a written statement that the person is not offering for sale any item that is taxable under this chapter;
or

(3) a written statement that this is the only selling event that the person will be participating in for that calendar year, that the person will be participating for three or fewer days, and that the person will make less than \$500 in total sales in the calendar year. The written statement shall include the person's name, address, and telephone number.

(b) The operator shall require the evidence or statement as a prerequisite to participating in the event as a seller.

Subd. 3. **Occasional sale provisions applicable under limited circumstances.** The isolated and occasional sale provision under section 297A.67, subdivision 23, applies, provided that the seller only participates for three or fewer days in one event per calendar year, makes \$500 or less in sales in the calendar year, and provides the written statement required in subdivision 2, paragraph (a), clause (3). The isolated and occasional sales provision under section 297A.68, subdivision 25, does not apply to a seller at an event under this section.

297A.89 DIRECT PAYMENT BY PURCHASERS PERMITTED.

Subdivision 1. **Commissioner may permit.** The commissioner may permit purchasers to pay taxes imposed by this chapter directly to the commissioner. Any taxes paid by purchasers under this section are considered use taxes.

Subd. 2. **Retailer does not collect.** The retailer shall not collect the tax from a purchaser who furnishes to the retailer a fully completed exemption certificate as described in section 297A.72, indicating that the purchaser is authorized to pay any sales or use tax due on purchases made by the purchaser directly to the commissioner under subdivision 1.

297A.90 INTERSTATE MOTOR CARRIERS AS RETAILERS.

Subdivision 1. **Registration; records.** (a) A person who is engaged in interstate for-hire transportation of tangible personal property or passengers by motor vehicle may, under rules prescribed by the commissioner, register as a retailer and pay the taxes imposed by this chapter in accordance with this section. Any taxes paid under this section are use taxes.

(b) As used in this section, "person" means:

(1) one who possesses a certificate or permit or has completed a registration process that authorizes for-hire transportation of property or passengers from the United States Department of Transportation or the Department of Transportation;

(2) one who transports commodities defined as "exempt" in for-hire transportation in interstate commerce; or

(3) one who transports tangible personal property in interstate commerce, pursuant to contracts with persons described in clause (1) or (2).

Persons qualifying under clause (2) or (3) must maintain on a current basis the same type of mileage records that are required by persons specified in clause (1) by the United States Department of Transportation.

(c) Persons who in the course of their business are transporting solely their own goods in interstate commerce may also register as retailers under rules prescribed by the commissioner and pay the taxes imposed by this chapter in accordance with this section.

Subd. 2. Payment of tax. (a) Persons who are registered as retailers may make purchases in this state or import property into this state without payment of the sales or use taxes imposed by this chapter at the time of purchase or importation, if the purchases or importations come within the provisions of this section and are made in strict compliance with the rules of the commissioner.

(b) A person described in subdivision 1 may elect to pay directly to the commissioner any sales or use tax that may be due under this chapter for the acquisition of mobile transportation equipment and parts and accessories attached or to be attached to such equipment registered under section 168.187.

(c) The total cost of such equipment and parts and accessories attached or to be attached to such equipment must be multiplied by a fraction. The numerator of the fraction is the Minnesota mileage as reported on the current pro rata application provided for in section 168.187 and the denominator of the fraction is the total mileage reported on the current pro rata registration application. The amount so determined must be multiplied by the tax rate to obtain the tax due.

In computing the tax under this section "sales price" does not include the amount of any taxes imposed directly on the consumer that are separately stated on the invoice, bill of sale, or similar document given to the purchaser.

(d) A retailer covered by this section shall make a return and remit to the commissioner the tax due for the preceding calendar month in accordance with sections 289A.11 and 289A.20, subdivision 4.

Subd. 3. Registration subsequent to payment of tax. A person who has paid the tax under this chapter or chapter 297B and who meets the requirements of this section at the time of the sale, but was not registered under this section at the time of the sale, may register as a retailer, make a return, and file for a refund of the difference between the tax calculated under this chapter or chapter 297B and the tax calculated under subdivision 2.

Subd. 4. Agreement with commissioner of public safety. Notwithstanding subdivisions 1 to 3, the commissioner may enter into an agreement with the commissioner of public safety whereby, upon approval of both commissioners, the commissioner of public safety shall collect the sales tax on motor vehicles from persons defined in subdivision 1. For the purpose of collecting the tax, the commissioner of public safety

shall act as the agent of the commissioner of revenue and shall be subject to all rules consistent with this chapter that may be prescribed by the commissioner.

ENFORCEMENT

297A.91 SEIZURE; COURT REVIEW.

Subdivision 1. **Seizure of property used in illegal transport.** (a) If the retailer does not have a sales or use tax permit and has been engaging in transporting personal property into the state without payment of the tax, the commissioner of revenue or the commissioner's agents may seize in the name of the state any truck, automobile, or means of transportation not owned or operated by a for-hire carrier, used in the illegal importation and transportation of any tangible personal property by a retailer or the retailer's agent or employee. The commissioner may demand the forfeiture and sale of the truck, automobile, or other means of transportation together with the property being transported illegally, unless the owner establishes to the satisfaction of the commissioner or the court that the owner had no notice or knowledge or reason to believe that the vehicle was used or intended to be used in any such violation.

(b) Within ten days after the seizure, the person making the seizure shall serve by certified mail an inventory of the vehicle and property seized on the person from whom the seizure was made, if known, and on any person known or believed to have any right, title, interest, or lien on the vehicle or property, at the last known address. The person making the seizure shall also file a copy of the inventory with the commissioner. The notice must include an explanation of the right to demand a judicial forfeiture determination.

Subd. 2. **Court review of forfeiture.** (a) Within 60 days after the date of service of the inventory, which is the date of mailing, the person from whom the vehicle and property were seized or any person claiming an interest in the vehicle or property may file a demand for a judicial determination of the question of whether the vehicle or property was lawfully subject to seizure and forfeiture.

(b) The demand must be in the form of a civil complaint and must be filed with the court administrator in the county in which the seizure occurred, together with proof of service or a copy of the complaint on the commissioner of revenue, and the standard filing fee for civil actions unless the petitioner has the right to sue in forma pauperis under section 563.01. If the value of the seized property or vehicle is \$15,000 or less, the claimant may file an action in conciliation court for its recovery. If the value of the seized property or vehicle is less than \$500, the claimant does not have to pay the conciliation court filing fee.

(c) The complaint must be captioned in the name of the claimant as plaintiff and the seized property or vehicle as defendant, and must state with specificity the grounds on which the claimant alleges the property or vehicle was improperly seized and the plaintiff's interest in the property or vehicle seized. No responsive pleading is required of the commissioner, and no court fees may be charged for the commissioner's appearance in the matter. The proceedings are governed by the Rules of Civil Procedure. Notwithstanding any law to the contrary, an action for the return of property or a vehicle seized under this subdivision may not be maintained by or on behalf of any person who has been served with an inventory unless the person has complied with this subdivision. The court shall hear the action without a jury and shall determine the issues of fact and law involved. If a judgment of forfeiture is entered and is not stayed pending an appeal, the commissioner may have the forfeited vehicle and property sold at public auction as provided by law.

Subd. 3. **Treatment of seized property.** If no demand for judicial determination is made, the vehicle and property seized are considered forfeited to the state by operation of law and may be disposed of by the commissioner as if there were a judgment of forfeiture. The forfeiture and sale of the automobile, truck, or other means of transportation, and of the property being transported illegally in it, are a penalty for the violation of this chapter. After deducting the expense of keeping the vehicle and property, the fee for seizure, and the costs of the sale, the commissioner shall pay liens from the funds collected. The commissioner shall pay all liens, according to their priority, that are established as being bona fide and as existing without the lienor having any notice or knowledge that the vehicle or property was being used or was intended to be used for or in connection with any such violation. The commissioner shall pay the balance of the proceeds into the state treasury to be credited to the general fund. The state is not liable for any liens in excess of the proceeds from the sale after allowable deductions. A sale under this section frees the vehicle and property sold from all liens.

297A.92 SECURITY.

Subdivision 1. **Amount of security.** To ensure compliance with the taxes imposed by this chapter, the commissioner may require a retailer subject to this chapter to deposit security with the commissioner. The security must be in the form and amount the commissioner requires, but not more than twice the retailer's estimated average liability for the period for which the returns are required to be filed, or \$10,000, whichever is less. The amount of security may be increased or decreased by the commissioner, subject to the limitations in this section.

Subd. 2. **Auctions of security.** The commissioner may sell property deposited as security at public auction if necessary to recover the amount required to be collected, including any interest and penalties. Notice of the sale must be served upon the person who deposited the security. It must be served personally, or by mail as prescribed for an order of assessment under section 270C.33, subdivision 8. After a sale any surplus above the amount due not required as security under this section must be returned to the person who deposited the security.

Subd. 3. **Bond.** In lieu of security, the commissioner may require a retailer to file a bond. The bond must be issued by a surety company authorized to transact business in this state and approved by the commissioner of commerce as to solvency and responsibility.

DEPOSIT OF REVENUES

297A.94 DEPOSIT OF REVENUES.

(a) Except as provided in this section, the commissioner shall deposit the revenues, including interest and penalties, derived from the taxes imposed by this chapter in the state treasury and credit them to the general fund.

(b) The commissioner shall deposit taxes in the Minnesota agricultural and economic account in the special revenue fund if:

(1) the taxes are derived from sales and use of property and services purchased for the construction and operation of an agricultural resource project; and

(2) the purchase was made on or after the date on which a conditional commitment was made for a loan guaranty for the project under section 41A.04, subdivision 3.

The commissioner of management and budget shall certify to the commissioner the date on which the project received the conditional commitment. The amount deposited in the loan guaranty account must be reduced by any refunds and by the costs incurred by the Department of Revenue to administer and enforce the assessment and collection of the taxes.

(c) The commissioner shall deposit the revenues, including interest and penalties, derived from the taxes imposed on sales and purchases included in section 297A.61, subdivision 3, paragraph (g), clauses (1) and (4), in the state treasury, and credit them as follows:

(2) after the requirements of clause (1) have been met, the balance to the general fund.

(d) Beginning with sales taxes remitted after July 1, 2017, the commissioner shall deposit in the state treasury the revenues collected under section 297A.64, subdivision 1, including interest and penalties and minus refunds, and credit them to the highway user tax distribution fund.

(e) The commissioner shall deposit the revenues, including interest and penalties, collected under section 297A.64, subdivision 5, in the state treasury and credit them to the general fund. By July 15 of each year the commissioner shall transfer to the highway user tax distribution fund an amount equal to the excess fees collected under section 297A.64, subdivision 5, for the previous calendar year.

(f) Beginning with sales taxes remitted after July 1, 2017, in conjunction with the deposit of revenues under paragraph (d), the commissioner shall deposit into the state treasury and credit to the highway user tax distribution fund an amount equal to the estimated revenues derived from the tax rate imposed under section 297A.62, subdivision 1, on the lease or rental for not more than 28 days of rental motor vehicles subject to section 297A.64. The commissioner shall estimate the amount of sales tax revenue deposited under this paragraph based on the amount of revenue deposited under paragraph (d).

(g) The commissioner must deposit the revenues derived from the taxes imposed under section 297A.62, subdivision 1, on the sale and purchase of motor vehicle repair and replacement parts in the state treasury and credit:

(1) 43.5 percent in each fiscal year to the highway user tax distribution fund;

(2) a percentage to the transportation advancement account under section 174.49 as follows:

(i) 3.5 percent in fiscal year 2024;

(ii) 4.5 percent in fiscal year 2025;

(iii) 5.5 percent in fiscal year 2026;

(iv) 7.5 percent in fiscal year 2027;

(v) 14.5 percent in fiscal year 2028;

- (vi) 21.5 percent in fiscal year 2029;
 - (vii) 28.5 percent in fiscal year 2030;
 - (viii) 36.5 percent in fiscal year 2031;
 - (ix) 44.5 percent in fiscal year 2032; and
 - (x) 56.5 percent in fiscal year 2033 and thereafter; and
- (3) the remainder in each fiscal year to the general fund.

For purposes of this paragraph, "motor vehicle" has the meaning given in section 297B.01, subdivision 11, and "motor vehicle repair and replacement parts" includes (i) all parts, tires, accessories, and equipment incorporated into or affixed to the motor vehicle as part of the motor vehicle maintenance and repair, and (ii) paint, oil, and other fluids that remain on or in the motor vehicle as part of the motor vehicle maintenance or repair. For purposes of this paragraph, "tire" means any tire of the type used on highway vehicles, if wholly or partially made of rubber and if marked according to federal regulations for highway use.

(h) 81.56 percent of the revenues, including interest and penalties, transmitted to the commissioner under section 297A.65, must be deposited by the commissioner in the state treasury as follows:

(1) 50 percent of the receipts must be deposited in the heritage enhancement account in the game and fish fund, and may be spent only on activities that improve, enhance, or protect fish and wildlife resources, including conservation, restoration, and enhancement of land, water, and other natural resources of the state;

(2) 22.5 percent of the receipts must be deposited in the natural resources fund, and may be spent only for state parks and trails;

(3) 22.5 percent of the receipts must be deposited in the natural resources fund, and may be spent only on metropolitan park and trail grants;

(4) three percent of the receipts must be deposited in the natural resources fund, and may be spent only on local trail grants; and

(5) two percent of the receipts must be deposited in the natural resources fund, and may be spent only for the Minnesota Zoological Garden, the Como Park Zoo and Conservatory, and the Duluth Zoo.

(i) 1.5 percent of the revenues, including interest and penalties, transmitted to the commissioner under section 297A.65 must be deposited in a regional parks and trails account in the natural resources fund and may only be spent for parks and trails of regional significance outside of the seven-county metropolitan area under section 85.535, based on recommendations from the Greater Minnesota Regional Parks and Trails Commission under section 85.536.

(j) 1.5 percent of the revenues, including interest and penalties, transmitted to the commissioner under section 297A.65 must be deposited in an outdoor recreational opportunities for underserved communities account in the natural resources fund and may only be spent on projects and activities that connect diverse and underserved Minnesotans through expanding cultural environmental experiences, exploration of their environment, and outdoor recreational activities.

(k) The revenue dedicated under paragraph (h) may not be used as a substitute for traditional sources of funding for the purposes specified, but the dedicated revenue shall supplement traditional sources of funding for those purposes. Land acquired with money deposited in the game and fish fund under paragraph

(h) must be open to public hunting and fishing during the open season, except that in aquatic management areas or on lands where angling easements have been acquired, fishing may be prohibited during certain times of the year and hunting may be prohibited. At least 87 percent of the money deposited in the game and fish fund for improvement, enhancement, or protection of fish and wildlife resources under paragraph (h) must be allocated for field operations.

(l) The commissioner must deposit the revenues, including interest and penalties minus any refunds, derived from the sale of items regulated under section 624.20, subdivision 1, that may be sold to persons 18 years old or older and that are not prohibited from use by the general public under section 624.21, in the state treasury and credit:

- (1) 25 percent to the volunteer fire assistance grant account established under section 88.068;
- (2) 25 percent to the fire safety account established under section 297I.06, subdivision 3; and
- (3) the remainder to the general fund.

For purposes of this paragraph, the percentage of total sales and use tax revenue derived from the sale of items regulated under section 624.20, subdivision 1, that are allowed to be sold to persons 18 years old or older and are not prohibited from use by the general public under section 624.21, is a set percentage of the total sales and use tax revenues collected in the state, with the percentage determined under Laws 2017, First Special Session chapter 1, article 3, section 39.

(m) The revenues deposited under paragraphs (a) to (l) do not include the revenues, including interest and penalties, generated by the sales tax imposed under section 297A.62, subdivision 1a, which must be deposited as provided under the Minnesota Constitution, article XI, section 15.

LOCAL SALES AND USE TAXES

297A.95 COORDINATION OF STATE AND LOCAL SALES TAX RATES.

In preparing and distributing a sales tax schedule for use within a local jurisdiction with a separate general sales tax, the state Department of Revenue shall coordinate the state and local sales tax so that a sale of \$1 reflects a tax equal to the combination of the state and local sales tax rates. The combined sales tax on other sales amounts must also reflect the coordinated rather than the separate effects of the state and local sales taxes. The schedule must be coordinated as long as the local sales tax is in effect. If the sales tax percentage is changed for either of the taxes, the schedule must be adjusted to reflect the change.

297A.98 LOCAL GOVERNMENTS EXEMPT FROM LOCAL SALES TAXES.

History: 2000 c 418 art 1 s 41

297A.99 LOCAL SALES TAXES.

Subdivision 1. **Authorization; scope.** (a) A political subdivision of this state may impose a general sales tax (1) under section 297A.9915, (2) under section 297A.992, (3) under section 297A.9925, (4) under section 297A.993, (5) if permitted by special law, or (6) if the political subdivision enacted and imposed the tax before January 1, 1982, and its predecessor provision.

(b) This section governs the imposition of a general sales tax by the political subdivision. The provisions of this section preempt the provisions of any special law:

(1) enacted before June 2, 1997, or

(2) enacted on or after June 2, 1997, that does not explicitly exempt the special law provision from this section's rules by reference.

(c) This section does not apply to or preempt a sales tax on motor vehicles. Beginning July 1, 2019, no political subdivision may impose a special excise tax on motor vehicles unless it is imposed under section 297A.993.

(d) A political subdivision may not advertise or expend funds for the promotion of a referendum to support imposing a local sales tax and may only spend funds related to imposing a local sales tax to:

(1) conduct the referendum;

(2) disseminate information included in the resolution adopted under subdivision 2, but only if the disseminated information includes a list of specific projects and the cost of each individual project;

(3) provide notice of, and conduct public forums at which proponents and opponents on the merits of the referendum are given equal time to express their opinions on the merits of the referendum;

(4) provide facts and data on the impact of the proposed local sales tax on consumer purchases; and

(5) provide facts and data related to the individual programs and projects to be funded with the local sales tax.

Subd. 1a. **Requirements.** Local sales taxes are to be used instead of traditional local revenues only for construction and rehabilitation of capital projects when a clear regional benefit beyond the taxing jurisdiction can be demonstrated. Use of local sales tax revenues for local projects decreases the benefits to taxpayers of the deductibility of local property taxes and the state assistance provided through the property tax refund system and increases the fiscal inequities between similar communities.

Subd. 2. Local resolution before application for authority. (a) Before the governing body of a political subdivision requests legislative approval to impose a local sales tax authorized by a special law, it shall adopt a resolution indicating its approval of the tax. The resolution must include the following information:

- (1) the proposed tax rate;
- (2) a detailed description of no more than five capital projects that will be funded with revenue from the tax;
- (3) documentation of the regional significance of each project, including the share of the economic benefit to or use of each project by persons residing, or businesses located, outside of the jurisdiction;
- (4) the amount of local sales tax revenue that would be used for each project and the estimated time needed to raise that amount of revenue; and
- (5) the total revenue that will be raised for all projects before the tax expires, and the estimated length of time that the tax will be in effect if all proposed projects are funded.

(b) The jurisdiction seeking authority to impose a local sales tax by special law must submit the resolution in paragraph (a) along with underlying documentation indicating how the benefits under paragraph (a), clause (3), were determined, to the chairs and ranking minority members of the legislative committees with jurisdiction over taxes no later than January 31 of the year in which the jurisdiction is seeking a special law authorizing the tax.

(c) The special legislation granting local sales tax authority is not required to allow funding for all projects listed in the resolution with the revenue from the local sales tax, but must not include any projects not contained in the resolution.

(d) For purposes of this section, a "capital project" or "project" means:

- (1) a single building or structure including associated infrastructure needed to safely access or use the building or structure;
- (2) improvements within a single park or named recreation area; or
- (3) a contiguous trail.

Subd. 3. Legislative authority required before voter approval; requirements for adoption, use, termination. (a) A political subdivision must receive legislative authority to impose a local sales tax before submitting the tax for approval by voters of the political subdivision. Imposition of a local sales tax is subject to approval by voters of the political subdivision at a general election. The election must be conducted at a general election within the two-year period after the governing body of the political subdivision has received authority to impose the tax. If the authorizing legislation allows the tax to be imposed for more than one project, there must be a separate question approving the use of the tax revenue for each project. Notwithstanding the authorizing legislation, a project that is not approved by the voters may not be funded with the local sales tax revenue and the termination date of the tax set in the authorizing legislation must be reduced proportionately based on the share of that project's cost to the total costs of all projects included in the authorizing legislation.

(b) The proceeds of the tax must be dedicated exclusively to payment of the construction and rehabilitation costs and associated bonding costs related to the specific capital improvement projects that were approved by the voters under paragraph (a).

(c) The tax must terminate after the revenues raised are sufficient to fund the projects approved by the voters under paragraph (a).

(d) After a sales tax imposed by a political subdivision has expired or been terminated, the political subdivision is prohibited from imposing a local sales tax for a period of one year.

(e) Notwithstanding paragraph (a), if a political subdivision received voter approval to seek authority for a local sales tax at the November 6, 2018, general election and is granted authority to impose a local sales tax before January 1, 2021, the tax may be imposed without an additional referendum provided that it meets the requirements of subdivision 2 and the list of specific projects contained in the resolution does not conflict with the projects listed in the approving referendum.

(f) If a tax is terminated because sufficient revenues have been raised, any amount of tax collected under subdivision 9, after sufficient revenues have been raised and before the quarterly termination required under subdivision 12, paragraph (a), that is greater than the average quarterly revenues collected over the immediately preceding 12 calendar months must be retained by the commissioner for deposit in the general fund.

Subd. 3a. Temporary moratorium. (a) Notwithstanding subdivisions 1, 2, and 3, until after May 31, 2025, a political subdivision may not engage in any of the following activities in connection with imposing a new local sales and use tax or modifying an existing local sales and use tax:

- (1) any activity described in subdivision 1, paragraph (d);
- (2) adopt a resolution; or
- (3) seek voter approval.

(b) Paragraph (a) does not apply to new local sales and use taxes or modifications to existing local sales and use taxes authorized in May, 2023.

(c) This subdivision expires June 1, 2025.

Subd. 4. Tax base. (a) The tax applies to sales taxable under this chapter that occur within the political subdivision.

(b) Taxable goods or services are subject to a political subdivision's sales tax, if they are sourced to the political subdivision pursuant to section 297A.668.

Subd. 5. Tax rate. (a) The tax rate is as specified in the special law authorization and as imposed by the political subdivision.

(b) The full political subdivision rate applies to any sales that are taxed at a state rate, and the political subdivision must not have more than one local sales tax rate or more than one local use tax rate. This paragraph does not apply to sales or use taxes imposed on electricity, piped natural or artificial gas, or other heating fuels delivered by the seller, or the retail sale or transfer of motor vehicles, aircraft, watercraft, modular homes, manufactured homes, or mobile homes.

Subd. 6. Use tax. A compensating use tax applies, at the same rate as the sales tax, on the use, storage, distribution, or consumption of tangible personal property or taxable services.

Subd. 7. Exemptions. (a) All goods or services that are otherwise exempt from taxation under this chapter are exempt from a political subdivision's tax.

(b) All mobile transportation equipment, and parts and accessories attached to or to be attached to the equipment are exempt, if purchased by a holder of a motor carrier direct pay permit under section 297A.90.

Subd. 8. **Credit for other local taxes.** If a person paid sales or use tax to another political subdivision of this state on an item subject to tax under this section, a credit applies against the tax imposed under this section. The credit equals the tax the person paid to the other political subdivision for the item.

Subd. 9. **Enforcement; collection; and administration.** (a) The commissioner of revenue shall collect the taxes subject to this section. The commissioner may collect the tax with the state sales and use tax. All taxes under this section are subject to the same penalties, interest, and enforcement provisions as apply to the state sales and use tax.

(b) A request for a refund of state sales tax paid in excess of the amount of tax legally due includes a request for a refund of the political subdivision taxes paid on the goods or services. The commissioner shall refund to the taxpayer the full amount of the political subdivision taxes paid on exempt sales or use.

(c) A political subdivision shall incur a legal debt to the state for refunds of local sales taxes made by the commissioner after a tax has terminated when the amount of the refunds exceeds the amount of local sales taxes collected for but not remitted to the political subdivision. The commissioner of revenue shall bill the political subdivision for this difference. The commissioner shall deposit the money in the state treasury and credit it to the general fund.

Subd. 10. **Use of zip code in determining location of sale.** The lowest combined tax rate imposed in the zip code area applies if the area includes more than one tax rate in any level of taxing jurisdictions. If a nine-digit zip code designation is not available for a street address or if a seller is unable to determine the nine-digit zip code designation of a purchaser after exercising due diligence to determine the designation, the seller may apply the rate for the five-digit zip code area. For the purposes of this subdivision, there is a rebuttable presumption that a seller has exercised due diligence if the seller has attempted to determine the nine-digit zip code designation by utilizing software approved by the governing board that makes this designation from the street address and the five-digit zip code of the purchaser. Notwithstanding subdivision 13, this subdivision applies to all local sales taxes without regard to the date of authorization. This subdivision does not apply when the purchased product is received by the purchaser at the business location of the seller.

Subd. 11. **Revenues; cost of collection.** The commissioner shall remit the proceeds of the tax, less refunds and a proportionate share of the cost of collection, at least quarterly, to the political subdivision. The commissioner shall deduct from the proceeds remitted an amount that equals

(1) the direct and indirect costs of the department to administer, audit, and collect the political subdivision's tax, plus

(2) the political subdivision's proportionate share of the indirect cost of administering all taxes under this section, plus

(3) the cost of constructing and maintaining a zip code or geo-code database necessary for local sales tax collections under the Streamlined Sales and Use Tax Agreement in section 297A.995.

The initial cost of constructing a database under clause (3) shall be distributed among the cities with a local sales tax based on each city's population. The commissioner shall develop a method for distributing the cost of maintaining the database among the cities with a local sales tax based on the number of boundary changes for each city.

Subd. 12. **Effective dates; notification.** (a) A political subdivision may impose a tax under this section starting only on the first day of a calendar quarter. A political subdivision may repeal a tax under this section stopping only on the last day of a calendar quarter.

(b) The political subdivision shall notify the commissioner of revenue at least 90 days before imposing, changing the rate of, or repealing a tax under this section.

(c) The political subdivision shall change the rate of tax imposed under this section starting only on the first day of a calendar quarter, and only after the commissioner has notified sellers at least 60 days prior to the change.

(d) The political subdivision shall apply the rate change for sales tax imposed under this section to purchases from printed catalogs, wherein the purchaser computed the tax based upon local tax rates published in the catalog, starting only on the first day of a calendar quarter, and only after the commissioner has notified sellers at least 120 days prior to the change.

(e) The political subdivision shall apply local jurisdiction boundary changes to taxes imposed under this section starting only on the first day of a calendar quarter, and only after the commissioner has notified sellers at least 60 days prior to the change.

Subd. 12a. **Notification of use tax.** Any political subdivision imposing a local sales and use tax, which maintains an official website, must display on its main home page a link to a notice that residents and businesses in the political subdivision may owe a local use tax on purchases of goods and services made outside of the political subdivision limits. The notice must provide information, including a link to any relevant Department of Revenue website, on how the taxpayer may get information and forms necessary for calculating and paying the tax. If the political subdivision provides and bills for sewer, water, garbage collection, or other public utility services, the billing statement must also include at least once per year a notice that residents and businesses may owe a local use tax on purchases made outside of the political subdivision limits and provide information on how the taxpayer may get information and forms necessary for calculating and paying the tax.

Subd. 13. **Application.** This section applies to all local sales taxes that were authorized before, on, or after June 2, 1997.

297A.9905 USE OF LOCAL TAX REVENUES BY CITIES OF THE FIRST CLASS.

(a) Notwithstanding section 297A.99, or other general or special law or charter provision, if the revenues from any local tax imposed on retail sales under special law by a city of the first class exceeds the amount needed to fund the uses authorized in the special law, the city may expend the excess revenue from the tax to fund other capital projects of regional significance.

(b) For purposes of this section:

(1) "city of the first class" has the meaning given in section 410.01; and

(2) "capital project of regional significance" means construction, expansion, or renovation of a sports facility or convention or civic center that meets the requirements of section 297A.71, subdivision 44, paragraph (a).

297A.991 REPORTING OF SALES TAX ON MINNESOTA GOVERNMENTS.

Subdivision 1. **Commissioner of revenue to report.** For each fiscal year, the commissioner shall estimate the amount of revenues derived from imposing the tax under this chapter and chapter 297B on state agencies and political subdivisions. The commissioner shall report this amount to the commissioner of management and budget before the time for filing reports for the fiscal year with the United States Department of Commerce.

Subd. 2. **Commissioner of management and budget to report.** In reporting the sales tax and sales tax on motor vehicles collections to the United States Department of Commerce, the commissioner of management and budget shall exclude the estimated amount from the sales and motor vehicle collections. Sales tax and sales tax on motor vehicles revenues received from political subdivisions must be reported as intergovernmental grants or similar intergovernmental revenue. The amount of the sales tax and sales tax on motor vehicles paid by state agencies must be reported as reduced state expenditures.

297A.9915 REGIONAL TRANSPORTATION SALES AND USE TAX.

Subdivision 1. **Definitions.** (a) For purposes of this section, the following terms have the meanings given.

(b) "Metropolitan area" means the counties of Anoka, Carver, Dakota, Hennepin, Ramsey, Scott, and Washington.

(c) "Metropolitan Council" or "council" means the Metropolitan Council established by section 473.123.

(d) "Regional transportation sales tax" means the regional transportation sales and use tax imposed under this section.

Subd. 2. **Sales tax imposition; rate.** Notwithstanding section 473.123, subdivision 1, the Metropolitan Council must impose a regional transportation sales and use tax at a rate of three-quarters of one percent on retail sales and uses taxable under this chapter made in the metropolitan area or to a destination in the metropolitan area.

Subd. 3. **Administration; collection; enforcement.** Except as otherwise provided in this section, the provisions of section 297A.99, subdivisions 4, and 6 to 12a, govern the administration, collection, and enforcement of the regional transportation sales tax.

Subd. 4. **Deposit.** Proceeds of the regional transportation sales tax must be allocated as follows:

(1) 83 percent to the Metropolitan Council for the purposes specified under section 473.4465; and

(2) 17 percent to metropolitan counties, as defined in section 174.49, subdivision 1, in the manner provided under section 174.49, subdivision 5.

Subd. 5. **Revenue bonds.** (a) In addition to other authority granted in this section, and notwithstanding section 473.39, subdivision 7, or any other law to the contrary, the council may, by resolution, authorize the

sale and issuance of revenue bonds, notes, or obligations to provide funds to (1) implement the council's transit capital improvement program, and (2) refund bonds issued under this subdivision.

(b) The bonds are payable from and secured by a pledge of all or part of the revenue received under subdivision 4, clause (1), and associated investment earnings on debt proceeds. The council may, by resolution, authorize the issuance of the bonds as general obligations of the council. The bonds must be sold, issued, and secured in the manner provided in chapter 475, and the council has the same powers and duties as a municipality and its governing body in issuing bonds under chapter 475, except that no election is required and the net debt limitations in chapter 475 do not apply to such bonds. The proceeds of the bonds may also be used to fund necessary reserves and to pay credit enhancement fees, issuance costs, and other financing costs during the life of the debt.

(c) The bonds may be secured by a bond resolution, or a trust indenture entered into by the council with a corporate trustee within or outside the state, which must define the revenues and bond proceeds pledged for the payment and security of the bonds. The pledge must be a valid charge on the revenues received under section 297A.99, subdivision 11. Neither the state, nor any municipality or political subdivision except the council, nor any member or officer or employee of the council, is liable on the obligations. No mortgage or security interest in any tangible real or personal property is granted to the bondholders or the trustee, but they have a valid security interest in the revenues and bond proceeds received by the council and pledged to the payment of the bonds. In the bond resolution or trust indenture, the council may make such covenants as it determines to be reasonable for the protection of the bondholders.

Subdivision 1. **Definitions.** For purposes of this section, the following terms have the meanings given them:

(1) "metropolitan transportation area" means the counties participating in the joint powers agreement under subdivision 3;

(2) "eligible county" means the county of Anoka, Carver, Dakota, Hennepin, Ramsey, Scott, or Washington;

(3) "committee" means the Grant Evaluation and Ranking System (GEARS) Committee;

Subd. 2. **Authorization; rates.** (a) Notwithstanding section 297A.99, subdivisions 1, 2, and 3, or 477A.016, or any other law, the board of a county participating in a joint powers agreement as specified in this section shall impose by resolution (1) a transportation sales and use tax at a rate of one-quarter of one percent on retail sales and uses taxable under this chapter, and (2) an excise tax of \$20 per motor vehicle, as defined in section 297B.01, subdivision 11, purchased or acquired from any person engaged in the business of selling motor vehicles at retail, occurring within the jurisdiction of the taxing authority. The taxes authorized

are to fund transportation improvements as specified in this section, including debt service on obligations issued to finance such improvements pursuant to subdivision 7.

(b) The tax imposed under this section is not included in determining if the total tax on lodging in the city of Minneapolis exceeds the maximum allowed tax under Laws 1986, chapter 396, section 5, as amended by Laws 2001, First Special Session chapter 5, article 12, section 87, or in determining a tax that may be imposed under any other limitations.

Subd. 3. Joint powers agreement. Before imposing the taxes authorized in subdivision 2, an eligible county must declare by resolution of its county board to be part of the metropolitan transportation area and must enter into a joint powers agreement. The joint powers agreement:

- (1) must form a joint powers board, as specified in subdivision 4;
- (2) must provide a process that allows any eligible county, by resolution of its county board, to join the joint powers board and impose the taxes authorized in subdivision 2;
- (3) may provide for withdrawal of a participating county before final termination of the agreement; and
- (4) may provide for a weighted voting system for joint powers board decisions.

Subd. 4. Joint powers board. (a) The joint powers board must consist of one or more commissioners of each county that is in the metropolitan transportation area, appointed by its county board, and the chair of the Metropolitan Council, who must have voting rights, subject to subdivision 3, clause (4). The joint powers board has the powers and duties provided in this section and section 471.59.

(b) The joint powers board may utilize no more than three-fourths of one percent of the proceeds of the taxes imposed under this section for ordinary administrative expenses incurred in carrying out the provisions of this section. Any additional administrative expenses must be paid by the participating counties.

(c) The joint powers board may establish a technical advisory group that is separate from the GEARS Committee. The group must consist of representatives of cities, counties, or public agencies, including the Metropolitan Council. The technical advisory group must be used solely for technical consultation purposes.

Subd. 5. Grant application and awards; Grant Evaluation and Ranking System (GEARS) Committee. (a) The joint powers board shall establish a grant application process and identify the amount of available funding for grant awards. Grant applications must be submitted in a form prescribed by the joint powers board. An applicant must provide, in addition to all other information required by the joint powers board, the estimated cost of the project, the amount of the grant sought, possible sources of funding in addition to the grant sought, and identification of any federal funds that will be utilized if the grant is awarded. A grant application seeking transit capital funding must identify the source of money necessary to operate the transit improvement.

(b) The joint powers board shall establish a timeline and procedures for the award of grants, and may award grants only to the state and political subdivisions. The board shall define objective criteria for the award of grants, which must include, but not be limited to, consistency with the most recent version of the transportation policy plan adopted by the Metropolitan Council under section 473.146. The joint powers board shall maximize the availability and use of federal funds in projects funded under this section.

(c) The joint powers board shall establish a GEARS Committee, which must consist of:

(1) one county commissioner from each county that is in the metropolitan transportation area, appointed by its county board;

(2) one elected city representative from each county that is in the metropolitan transportation area;

(3) one additional elected city representative from each county for every additional 400,000 in population, or fraction of 400,000, in the county that is above 400,000 in population; and

(4) the chair of the Metropolitan Council Transportation Committee.

(d) Each city representative must be elected at a meeting of cities in the metropolitan transportation area, which must be convened for that purpose by the Association of Metropolitan Municipalities.

(e) The committee shall evaluate grant applications following objective criteria established by the joint powers board, and must provide to the joint powers board a selection list of transportation projects that includes a priority ranking.

(f) A grant award for a transit project located within the metropolitan area, as defined in section 473.121, subdivision 2, may be funded only after the Metropolitan Council reviews the project for consistency with the transit portion of the Metropolitan Council policy plan and one of the following occurs:

(1) the Metropolitan Council finds the project to be consistent;

(2) the Metropolitan Council initially finds the project to be inconsistent, but after a good faith effort to resolve the inconsistency through negotiations with the joint powers board, agrees that the grant award may be funded; or

(3) the Metropolitan Council finds the project to be inconsistent, and submits the consistency issue for final determination to a panel, which determines the project to be consistent. The panel is composed of a member appointed by the chair of the Metropolitan Council, a member appointed by the joint powers board, and a member agreed upon by both the chair and the joint powers board.

(g) Grants must be funded by the proceeds of the taxes imposed under this section, bonds, notes, or other obligations issued by the joint powers board under subdivision 7.

(h) Notwithstanding the provisions of this section except subdivision 6a, of the revenue collected under this section, the joint powers board shall allocate to the Metropolitan Council, in fiscal years 2012 and 2013, an amount not less than 75 percent of the net cost of operations for those transitways that were receiving metropolitan sales tax funds through an operating grant agreement on June 30, 2011.

(i) The Metropolitan Council shall expend any funds allocated under paragraph (h) for the operations of the specified transitways solely within those counties that are in the metropolitan transportation area.

(j) Nothing in paragraph (h) or (i) prevents grant awards to the Metropolitan Council for capital and operating assistance for transitways and park-and-ride facilities.

Subd. 6. **Allocation of grant awards.** (a) The board must allocate grant awards only for the following transit purposes:

(i) capital improvements to transitways, including, but not limited to, commuter rail rolling stock, light rail vehicles, and transitway buses;

(ii) capital costs for park-and-ride facilities, as defined in section 174.256, subdivision 2;

(iii) feasibility studies, planning, alternatives analyses, environmental studies, engineering, property acquisition for transitway purposes, and construction of transitways; and

(iv) operating assistance for transitways.

(b) The joint powers board must annually award grants to each minimum guarantee county in an amount no less than the amount of sales tax revenue collected within that county.

(c) No more than 1.25 percent of the total awards may be annually allocated for planning, studies, design, construction, maintenance, and operation of pedestrian programs and bicycle programs and pathways.

Subd. 6a. **Priority of fund uses.** The joint powers board shall allocate all revenues from the taxes imposed under this section in conformance with the following priority order:

(1) payment of debt service necessary for the fiscal year on bonds or other obligations issued prior to January 1, 2011, under subdivision 7; and

(2) as otherwise authorized under this section.

Subd. 7. **Bonds.** (a) The joint powers board or any county, acting under a joint powers agreement as specified in this section, may, by resolution, authorize, issue, and sell its bonds, notes, or other obligations for the purpose of funding grants under subdivision 6. The joint powers board or county may also, by resolution, issue bonds to refund the bonds issued pursuant to this subdivision.

(b) The bonds of the joint powers board must be limited obligations, payable solely from or secured by taxes levied under this section.

(c) The bonds of any county may be limited obligations, payable solely from or secured by taxes levied under this section. A county may also pledge its full faith, credit, and taxing power as additional security for the bonds.

(d) Bonds may be issued in one or more series and sold without an election. The bonds shall be secured, bear the interest rate or rates or a variable rate, have the rank or priority, be executed in the manner, be payable in the manner, mature, and be subject to the defaults, redemptions, repurchases, tender options, or other terms, and shall be sold in such manner as the joint powers board, the regional railroad authority, or the county may determine.

(e) The joint powers board or any regional railroad authority or any county may enter into and perform all contracts deemed necessary or desirable by it to issue and secure the bonds, including an indenture of trust with a trustee within or without the state.

(f) Except as otherwise provided in this subdivision, the bonds must be issued and sold in the manner provided under chapter 475.

(b) If the joint powers agreement under subdivision 3 is terminated, the taxes imposed under section 297A.99, subdivision 1, at the time of the agreement termination will terminate when all outstanding bonds or obligations are satisfied. Except for taxes for operating costs of a transit project or improvement, or for transit operations, the taxes must terminate when revenues raised are sufficient to finance the project. Nothing in this subdivision prohibits the exclusive dedication of the proceeds of the taxes to payments for more than one project or improvement. After a public hearing a county may, by resolution, dedicate the proceeds of the tax for a new enumerated project.

Subd. 2a. **Uses reporting.** By February 15 of each even-numbered year, a metropolitan county, as defined in section 473.121, subdivision 4, that imposes the taxes under this section must submit a report to the legislative committees with jurisdiction over transportation policy and finance. (b) The bonds may be limited obligations, payable solely from or secured by taxes levied under this section, and the county may also pledge its full faith, credit, and taxing power as additional security for the bonds. A regional railroad authority within the county may also pledge its taxing powers as additional security for the bonds.

(c) A county may issue and sell bonds in one or more series and without an election. The county may determine how the bonds shall be secured; how the bonds will bear interest, and the rate or rates, or variable rate; the rank or priority; how the bonds will be executed and be payable, and how they will mature; and how the bonds will be subject to any defaults, redemptions, repurchases, tender options, or other terms. The county may also determine how the bonds shall be sold.

(d) The county may enter into and perform all contracts deemed necessary or desirable by it to issue and secure the bonds, including an indenture of trust with a trustee located within or outside of the state.

297A.994 CITY OF MINNEAPOLIS SALES TAX; ALLOCATION OF REVENUES.

Subdivision 1. **Scope.** Notwithstanding the provisions of section 297A.99, subdivision 11, the provisions of this section govern the remittance of the proceeds of taxes imposed by the city of Minneapolis under the special law.

Subd. 2. **Definitions.** (a) For purposes of this section, the following definitions apply.

(b) "City" means the city of Minneapolis.

(c) "Special law" means Laws 1986, chapter 396, sections 4 and 5, as amended.

(d) "Tax" means the sales taxes imposed by the city under the special law.

(e) The terms defined under section 473J.03 apply for purposes of this section.

Subd. 3. General allocation of revenues. The commissioner shall remit the revenues from the taxes, less the deductions listed in this subdivision, to the city at least quarterly. The commissioner shall make the following deductions in the order listed before distribution to the city:

(1) refunds of any of these taxes due to taxpayers, if any;

(2) the direct and indirect costs of the department to administer, audit, and collect the tax, according to the applicable law and agreements between the commissioner and the city. For revenues from the general local sales and use tax, the commissioner must deduct a proportionate share of costs described in section 297A.99, subdivision 11; and

(3) notwithstanding the provisions of any agreement between the commissioner and the city providing for collection and remittance of these taxes, the commissioner must deposit to the general fund the amounts specified in subdivision 4.

Subd. 4. General fund allocations. (a) The commissioner must retain and deposit to the general fund the following amounts, as required by subdivision 3, clause (3):

(1) for state bond debt service support beginning in calendar year 2021, and for each calendar year thereafter through calendar year 2046, periodic amounts so that not later than December 31, 2046, an aggregate amount equal to a present value of \$150,000,000 has been deposited in the general fund. To determine aggregate present value, the commissioner must consult with the commissioner of management and budget regarding the present value dates, discount rate or rates, and schedules of annual amounts. The present value date or dates must be based on the date or dates bonds are sold under section 16A.965, or the date or dates other state funds, if any, are deposited into the construction fund. The discount rate or rates must be based on the true interest cost of the bonds issued under section 16A.965, or an equivalent 30-year bond index, as determined by the commissioner of management and budget. The schedule of annual amounts must be certified to the commissioner by the commissioner of management and budget and the finance officer of the city;

(2) for the capital improvement reserve appropriation to the Minnesota Sports Facilities Authority beginning in calendar year 2021, and for each calendar year thereafter through calendar year 2046, an aggregate annual amount equal to the amount paid by the state for this purpose in that calendar year under section 473J.13, subdivision 4;

(3) for the operating expense appropriation to the Minnesota Sports Facilities Authority beginning in calendar year 2021, and for each calendar year thereafter through calendar year 2046, an aggregate annual amount equal to the amount paid by the state for this purpose in that calendar year under section 473J.13, subdivision 2;

(4) to capture increases in taxes imposed under the special law, for the benefit of the Minnesota Sports Facilities Authority, beginning in calendar year 2013 and for each calendar year thereafter through 2046, there shall be deposited to the general fund in proportionate periodic payments in the following year, an amount equal to the lesser of:

(i)(A) 50 percent of the difference, if any, by which the amount of the net annual taxes for the previous year exceeds the sum of the net actual taxes in calendar year 2011 plus \$1,000,000, inflated at two percent per year since 2011, minus

(B) 25 percent of the difference, if any, by which the amount of the net annual taxes for the preceding year exceeds the sum of the net actual taxes in calendar year 2011 plus \$3,000,000, inflated at two percent per year since 2011; or

(ii) the amount of the net annual taxes for the preceding year multiplied by three percent; and

(5) if the bonds under section 16A.965 are defeased, redeemed, or paid in full, the commissioner of management and budget and finance officer of the city must agree to a revised schedule of annual amounts under clause (1). The revised schedule of annual amounts must factor in a discount rate equal to zero percent and otherwise consistent with the methodology previously agreed upon by the parties.

(b) The Minnesota Sports Facility Authority must use the amounts available from the deposits under paragraph (a), clause (4), for capital repairs, replacements, and improvements for the stadium and stadium infrastructure.

INTERSTATE TAX ADMINISTRATION AGREEMENTS

297A.995 UNIFORM SALES AND USE TAX ADMINISTRATION ACT.

Subdivision 1. **Title.** This section may be cited as the Uniform Sales and Use Tax Administration Act.

Subd. 2. **Definitions.** As used in this section:

(a) "Agreement" means the Streamlined Sales and Use Tax Agreement.

(b) "Certified automated system" means software certified jointly by the states that are signatories to the agreement to calculate the tax imposed by each jurisdiction on a transaction, determine the amount of tax to remit to the appropriate state, and maintain a record of the transaction.

(c) "Certified service provider" means an agent certified jointly by the states that are signatories to the agreement to perform all of the seller's sales tax functions.

Subd. 3. **Legislative finding.** The legislature finds that this state should enter into an agreement with one or more states to simplify and modernize sales and use tax administration in order to substantially reduce the burden of tax compliance for all sellers and for all types of commerce.

Subd. 4. **Authority to enter agreement.** The commissioner of revenue is authorized and directed to enter into the agreement with one or more states to simplify and modernize sales and use tax administration in order to substantially reduce the burden of tax compliance for all sellers and for all types of commerce. In furtherance of the agreement, the commissioner is authorized to act jointly with other states that are members of the agreement to establish standards for certification of a certified service provider and certified automated system and establish performance standards for multistate sellers.

The commissioner of revenue is further directed to negotiate the agreement with the express intention of ensuring uniform sales and use taxation as applied to like-kind transactions.

The commissioner is further authorized to take other actions reasonably required to implement the provisions set forth in this article. Other actions authorized by this section include, but are not limited to, the adoption of rules and regulations and the joint procurement, with other member states, of goods and services in furtherance of the cooperative agreement.

The following officials are authorized to represent this state before the other states that are signatories to the agreement:

(1) the commissioner or the commissioner's designee;

(2) the chair of the house of representatives committee with jurisdiction over taxes or the house chair's designee; and

(3) the chair of the senate committee with jurisdiction over taxes or the senate chair's designee.

Subd. 5. Relationship to state law. No provision of the agreement authorized by this bill in whole or part invalidates or amends any provision of the law of this state. Adoption of the agreement by this state does not amend or modify any law of this state. Implementation of any condition of the agreement in this state, whether adopted before, at, or after membership of this state in the agreement, must be by the action of this state.

Subd. 6. Agreement requirements. The commissioner of revenue shall not enter into the agreement unless the agreement requires each state to abide by the following requirements:

(a) **Uniform state rate.** The agreement must set restrictions to achieve more uniform state rates through the following:

- (1) limiting the number of state rates;
- (2) eliminating maximums on the amount of state tax that is due on a transaction; and
- (3) eliminating thresholds on the application of state tax.

(b) **Uniform standards.** The agreement must establish uniform standards for the following:

- (1) the sourcing of transactions to taxing jurisdictions;
- (2) the administration of exempt sales;
- (3) the allowances a seller can take for bad debts; and
- (4) sales and use tax returns and remittances.

(c) **Uniform definitions.** The agreement must require states to develop and adopt uniform definitions of sales and use tax terms. The definitions must enable a state to preserve its ability to make policy choices not inconsistent with the uniform definitions.

(d) **Central registration.** The agreement must provide a central, electronic registration system that allows a seller to register to collect and remit sales and use taxes for all signatory states.

(e) **No nexus attribution.** The agreement must provide that registration with the central registration system and the collection of sales and use taxes in the signatory states will not be used as a factor in determining whether the seller has nexus with a state for any tax.

(f) **Local sales and use taxes.** The agreement must provide for reduction of the burdens of complying with local sales and use taxes through the following:

- (1) restricting and eliminating variances between the state and local tax bases;
- (2) requiring states to administer any sales and use taxes levied by local jurisdictions within the state so that sellers collecting and remitting these taxes will not have to register or file returns with, remit funds to, or be subject to independent audits from local taxing jurisdictions;
- (3) restricting the frequency of changes in the local sales and use tax rates and setting effective dates for the application of local jurisdictional boundary changes to local sales and use taxes; and

(4) providing notice of changes in local sales and use tax rates and of changes in the boundaries of local taxing jurisdictions.

(g) **Monetary allowances.** The agreement must outline any monetary allowances that are to be provided by the states to sellers or certified service providers.

(h) **State compliance.** The agreement must require each state to certify compliance with the terms of the agreement prior to joining and to maintain compliance, under the laws of the member state, with all provisions of the agreement while a member.

(i) **Consumer privacy.** The agreement must require each state to adopt a uniform policy for certified service providers that protects the privacy of consumers and maintains the confidentiality of tax information.

(j) **Advisory councils.** The agreement must provide for the appointment of an advisory council of private sector representatives and an advisory council of nonmember state representatives to consult with in the administration of the agreement.

Subd. 7. **Cooperating sovereigns.** The agreement authorized by this bill is an accord among individual cooperating sovereigns in furtherance of their governmental functions. The agreement provides a mechanism among the member states to establish and maintain a cooperative, simplified system for the application and administration of sales and use taxes under the duly adopted law of each member state.

Subd. 8. **Limited binding and beneficial effect.** (a) The agreement authorized by this bill binds and inures only to the benefit of this state and the other member states. No person, other than a member state, is an intended beneficiary of the agreement. Any benefit to a person other than a state is established by the law of this state and the other member states and not by the terms of the agreement.

(b) Consistent with paragraph (a), no person shall have any cause of action or defense under the agreement or by virtue of this state's approval of the agreement. No person may challenge, in any action brought under any provision of law, any action or inaction by any department, agency, or other instrumentality of this state, or any political subdivision of this state, on the ground that the action or inaction is inconsistent with the agreement.

(c) No law of this state, or its application, may be declared invalid as to any person or circumstance on the ground that the provision or application is inconsistent with the agreement.

Subd. 9. **Seller and third-party liability.** (a) A certified service provider is the agent of a seller, with whom the certified service provider has contracted, for the collection and remittance of sales and use taxes. As the seller's agent, the certified service provider is liable for sales and use tax due each member state on all sales transactions it processes for the seller except as set out in this section.

A seller that contracts with a certified service provider is not liable to the state for sales or use tax due on transactions processed by the certified service provider unless the seller misrepresented the type of items it sells or committed fraud. In the absence of probable cause to believe that the seller has committed fraud or made a material misrepresentation, the seller is not subject to audit on the transactions processed by the certified service provider. A seller is subject to audit for transactions not processed by the certified service provider. The member states acting jointly may perform a system check of the seller and review the seller's procedures to determine if the certified service provider's system is functioning properly and the extent to which the seller's transactions are being processed by the certified service provider.

(b) A person that provides a certified automated system is responsible for the proper functioning of that system and is liable to the state for underpayments of tax attributable to errors in the functioning of the

certified automated system. A seller that uses a certified automated system remains responsible and is liable to the state for reporting and remitting tax.

(c) A seller that has a proprietary system for determining the amount of tax due on transactions and has signed an agreement establishing a performance standard for that system is liable for the failure of the system to meet the performance standard.

Subd. 10. Relief from certain liability. (a) Notwithstanding subdivision 9, sellers and certified service providers are relieved from liability to the state for having charged and collected the incorrect amount of sales or use tax resulting from the seller or certified service provider (1) relying on erroneous data provided by the commissioner in the database files on tax rates, boundaries, or taxing jurisdiction assignments, or (2) relying on erroneous data provided by the state in its taxability matrix concerning the taxability of products and services.

(b) Notwithstanding subdivision 9, sellers and certified service providers are relieved from liability to the state for having charged and collected the incorrect amount of sales or use tax resulting from the seller or certified service provider relying on the certification by the commissioner as to the accuracy of a certified automated system as to the taxability of product categories. The relief from liability provided by this paragraph does not apply when the sellers or certified service providers have incorrectly classified an item or transaction into a product category, unless the item or transaction within a product category was approved by the commissioner or approved jointly by the states that are signatories to the agreement. The sellers and certified service providers must revise a classification within ten days after receipt of notice from the commissioner that an item or transaction within a product category is incorrectly classified as to its taxability, or they are not relieved from liability for the incorrect classification following the notification.

(c) Notwithstanding subdivision 9, if there are not at least 30 days between the enactment of a new tax rate and the effective date of the new rate, sellers and certified service providers shall be relieved from liability for failing to collect tax at the new rate during the first 30 days of the rate change, beginning on the day after the date of enactment of the rate change, provided the seller or certified service provider continued to impose and collect the tax at the immediately preceding tax rate during this period. Relief from liability provided by this paragraph shall not apply if the failure to collect at the newly effective rate extends beyond 30 days after the enactment of the new rate. The relief provided by this paragraph shall not apply if the commissioner determines that the seller or certified service provider fraudulently failed to collect at the new rate or that the seller or certified service provider solicited purchasers based on the immediately preceding tax rate.

Subd. 11. Purchaser relief from certain liability. (a) Notwithstanding other provisions in the law, a purchaser is relieved from liability resulting from having paid the incorrect amount of sales or use tax if a purchaser, whether or not the commissioner gave the purchaser direct pay authorization, or a purchaser's seller or certified service provider relied on erroneous data provided by this state in the database files on tax rates, boundaries, taxing jurisdiction assignments, or in the taxability matrix. After providing an address-based database for assigning taxing jurisdictions and their associated rates, no relief for errors resulting from the purchaser's reliance on a database using zip codes is allowed.

(b) With respect to reliance on the taxability matrix provided by this state in paragraph (a), relief is limited to erroneous classifications in the taxability matrix for items included within the classifications as "taxable," "exempt," "included in sales price," "excluded from sales price," "included in the definition," and "excluded from the definition."

(c) Notwithstanding other provisions in the law, if there are not at least 30 days between the enactment of a new tax rate and the effective date of the new rate, a purchaser shall be relieved from liability resulting from failing to pay the tax at the new rate during the first 30 days of the rate change, beginning on the day after the date of enactment of the rate change, whether or not the purchaser has been given direct pay authorization by the commissioner. Relief from liability provided by this paragraph shall not apply if the failure to pay at the newly effective rate extends beyond 30 days after the enactment of the new rate, and shall not apply to a purchaser that did not continue to pay the tax at the immediately preceding tax rate during the 30-day period. The relief provided by this paragraph shall not apply if the commissioner determines that the purchaser fraudulently failed to pay at the new rate.

Subd. 12. **Database files.** For purposes of this section, "database files on tax rates, boundaries, and taxing jurisdiction assignments" and the "taxability matrix" means those databases and the taxability matrix required under the agreement.
