

477A.35 LOCAL AFFORDABLE HOUSING AID.

Subdivision 1. **Purpose.** The purpose of this section is to help metropolitan local governments to develop and preserve affordable housing within their jurisdictions in order to keep families from losing housing and to help those experiencing homelessness find housing.

Subd. 2. **Definitions.** For the purposes of this section, the following terms have the meanings given:

(1) "city distribution factor" means the number of households in a tier I city that are cost-burdened divided by the total number of households that are cost-burdened in tier I cities. The number of cost-burdened households shall be determined using the most recent estimates or experimental estimates provided by the American Community Survey of the United States Census Bureau as of May 1 of the aid calculation year;

(2) "cost-burdened household" means a household in which gross rent is 30 percent or more of household income or in which homeownership costs are 30 percent or more of household income;

(3) "county distribution factor" means the number of households in a county that are cost-burdened divided by the total number of households in metropolitan counties that are cost-burdened. The number of cost-burdened households shall be determined using the most recent estimates or experimental estimates provided by the American Community Survey of the United States Census Bureau as of May 1 of the aid calculation year;

(4) "metropolitan area" has the meaning given in section 473.121, subdivision 2;

(5) "metropolitan county" has the meaning given in section 473.121, subdivision 4;

(6) "population" has the meaning given in section 477A.011, subdivision 3; and

(7) "tier I city" means a statutory or home rule charter city that is a city of the first, second, or third class and is located in a metropolitan county.

Subd. 3. **Distribution.** (a) The commissioner of revenue shall calculate the amount of aid to distribute to each county under this section as the sum of:

(1) three percent of the total amount available to counties under this section; plus

(2) 79 percent of the total amount available to counties under this section, multiplied by the county distribution factor.

(b) The commissioner of revenue shall calculate the amount of aid to distribute to each tier I city under this section as:

(1) the tier I city's city distribution factor; multiplied by

(2) the total amount available to cities under this section.

Subd. 4. **Qualifying projects.** (a) Qualifying projects shall include: (1) emergency rental assistance for households earning less than 80 percent of area median income as determined by the United States Department of Housing and Urban Development; (2) financial support to nonprofit affordable housing providers in their mission to provide safe, dignified, affordable and supportive housing; and (3) projects designed for the purpose of construction, acquisition, rehabilitation, demolition or removal of existing structures, construction financing, permanent financing, interest rate reduction, refinancing, and gap financing of housing to provide affordable housing to households that have incomes which do not exceed, for homeownership projects, 115 percent of the greater of state or area median income as determined by the United States Department of

Housing and Urban Development, and for rental housing projects, 80 percent of the greater of state or area median income as determined by the United States Department of Housing and Urban Development, except that the housing developed or rehabilitated with funds under this section must be affordable to the local work force.

Projects shall be prioritized that provide affordable housing to households that have incomes which do not exceed, for homeownership projects, 80 percent of the greater of state or area median income as determined by the United States Department of Housing and Urban Development, and for rental housing projects, 50 percent of the greater of state or area median income as determined by the United States Department of Housing and Urban Development. Priority may be given to projects that: reduce disparities in home ownership; reduce housing cost burden, housing instability, or homelessness; improve the habitability of homes; create accessible housing; or create more energy- or water-efficient homes.

(b) Gap financing is either:

(1) the difference between the costs of the property, including acquisition, demolition, rehabilitation, and construction, and the market value of the property upon sale; or

(2) the difference between the cost of the property and the amount the targeted household can afford for housing, based on industry standards and practices.

(c) If aid under this section is used for demolition or removal of existing structures, the cleared land must be used for the construction of housing to be owned or rented by persons who meet the income limits of paragraph (a).

(d) If an aid recipient uses the aid on new construction or substantial rehabilitation of a building containing more than four units, the loan recipient must construct, convert, or otherwise adapt the building to include:

(1) the greater of: (i) at least one unit; or (ii) at least five percent of units that are accessible units, as defined by section 1002 of the current State Building Code Accessibility Provisions for Dwelling Units in Minnesota, and include at least one roll-in shower; and

(2) the greater of: (i) at least one unit; or (ii) at least five percent of units that are sensory-accessible units that include:

(A) soundproofing between shared walls for first and second floor units;

(B) no florescent lighting in units and common areas;

(C) low-fume paint;

(D) low-chemical carpet; and

(E) low-chemical carpet glue in units and common areas.

Nothing in this paragraph relieves a project funded by this section from meeting other applicable accessibility requirements.

Subd. 5. Use of proceeds. (a) Any funds distributed under this section must be spent on a qualifying project. Funds are considered spent on a qualifying project if:

(1) a tier I city or county demonstrates to the Minnesota Housing Finance Agency that the city or county cannot expend funds on a qualifying project by the deadline imposed by paragraph (b) due to factors outside the control of the city or county; and

(2) the funds are transferred to a local housing trust fund.

Funds transferred to a local housing trust fund under this paragraph must be spent on a project or household that meets the affordability requirements of subdivision 4, paragraph (a).

(b) Funds must be spent by December 31 in the third year following the year after the aid was received.

Subd. 6. **Administration.** (a) The commissioner of revenue must compute the amount of aid payable to each tier I city and county under this section. By August 1 of each year, the commissioner must certify the distribution factors of each tier I city and county to be used in the following year. The commissioner must pay local affordable housing aid annually at the times provided in section 477A.015, distributing the amounts available on the immediately preceding June 1 under the accounts established in section 477A.37, subdivisions 2 and 3.

(b) Beginning in 2025, tier I cities and counties shall submit a report annually, no later than December 1 of each year, to the Minnesota Housing Finance Agency. The report must include documentation of the location of any unspent funds distributed under this section and of qualifying projects completed or planned with funds under this section. If a tier I city or county fails to submit a report, if a tier I city or county fails to spend funds within the timeline imposed under subdivision 5, paragraph (b), or if a tier I city or county uses funds for a project that does not qualify under this section, the Minnesota Housing Finance Agency shall notify the Department of Revenue and the cities and counties that must repay funds under paragraph (c) by February 15 of the following year.

(c) By May 15, after receiving notice from the Minnesota Housing Finance Agency, a tier I city or county must pay to the Minnesota Housing Finance Agency funds the city or county received under this section if the city or county:

- (1) fails to spend the funds within the time allowed under subdivision 5, paragraph (b);
- (2) spends the funds on anything other than a qualifying project; or
- (3) fails to submit a report documenting use of the funds.

(d) The commissioner of revenue must stop distributing funds to a tier I city or county that, in three consecutive years, the Minnesota Housing Finance Agency has reported, pursuant to paragraph (b), to have failed to use funds, misused funds, or failed to report on its use of funds.

(e) The commissioner may resume distributing funds to a tier I city or county to which the commissioner has stopped payments in the year following the August 1 after the Minnesota Housing Finance Agency certifies that the city or county has submitted documentation of plans for a qualifying project.

(f) By June 1, any funds paid to the Minnesota Housing Finance Agency under paragraph (c) must be deposited in the housing development fund. Funds deposited under this paragraph are appropriated to the commissioner of the Minnesota Housing Finance Agency for use on the family homeless prevention and assistance program under section 462A.204, the economic development and housing challenge program under section 462A.33, and the workforce and affordable homeownership development program under section 462A.38.

Subd. 7. **County consultation with local governments.** A county that receives funding under this section shall regularly consult with the local governments in the jurisdictions of which its qualifying projects are planned or located.
