Subdivision 1. **Statewide affirmative action program.** (a) To assure that positions in the executive branch of the civil service are equally accessible to all qualified persons, and to eliminate the effects of past and present discrimination, intended or unintended, on the basis of protected group status, the commissioner shall adopt and periodically revise, if necessary, a statewide affirmative action program. The statewide affirmative action program must consist of at least the following:

(c) The commissioner may use any of the following factors in addition to the factors required under paragraph (b):

- (1) the extent of unemployment of members of protected classes in the recruiting area population;
- (2) the existence of training programs in needed skill areas offered by employing agencies and other institutions; and
- (3) the expected number of available positions to be filled.

(d) The commissioner shall designate a state director of diversity and equal employment opportunity who may be delegated the preparation, revision, implementation, and administration of the program. The commissioner of management and budget may place the director's position in the unclassified service if the position meets the criteria established in section 43A.08, subdivision 1a.

(e) The commissioner shall designate a statewide ADA and disability employment director. The commissioner may delegate the preparation, revision, implementation, evaluation, and administration of the program to the director. The director must administer the 700-hour on-the-job demonstration experience under the supported work program and disabled veteran's employment programs. The ADA and disability employment director shall have education, knowledge, and skills in disability policy, employment, and the

ADA. The commissioner may place the director's position in the unclassified service if the position meets the criteria established in section 43A.08, subdivision 1a.
