

245.487 CITATION; DECLARATION OF POLICY; MISSION.

Subdivision 1. **Citation.** Sections 245.487 to 245.4889 may be cited as the "Minnesota Comprehensive Children's Mental Health Act."

Subd. 2. **Findings.** The legislature finds there is a need for further development of existing clinical services for emotionally disturbed children and their families and the creation of new services for this population. Although the services specified in sections 245.487 to 245.4889 are mental health services, sections 245.487 to 245.4889 emphasize the need for a child-oriented and family-oriented approach of therapeutic programming and the need for continuity of care with other community agencies. At the same time, sections 245.487 to 245.4889 emphasize the importance of developing special mental health expertise in children's mental health services because of the unique needs of this population.

Nothing in sections 245.487 to 245.4889 shall be construed to abridge the authority of the court to make dispositions under chapter 260, but the mental health services due any child with serious and persistent mental illness, as defined in section 245.462, subdivision 20, or with severe emotional disturbance, as defined in section 245.4871, subdivision 6, shall be made a part of any disposition affecting that child.

Subd. 3. **Mission of children's mental health service system.** As part of the comprehensive children's mental health system established under sections 245.487 to 245.4889, the commissioner of human services shall create and ensure a unified, accountable, comprehensive children's mental health service system that is consistent with the provision of public social services for children and that:
