

296A.061 CANCELLATION OR NONRENEWAL OF LICENSES.

The commissioner may cancel a license or not renew a license if one of the following conditions occurs:

- (1) the license holder has not filed a petroleum tax return or report for at least one year;
- (2) the license holder has not reported any petroleum tax liability on the license holder's returns or reports for at least one year; or
- (3) the license holder requests cancellation of the license.

History: 2010 c 389 art 6 s 4
