Subd. 2. **Program requirements.** A school readiness program provider must:

(2) provide comprehensive program content and intentional instructional practice aligned with the state early childhood learning guidelines and kindergarten standards and based on early childhood research and professional practice that is focused on children's cognitive, social, emotional, and physical skills and development and prepares children for the transition to kindergarten, including early literacy and language skills;

(4) involve parents in program planning and decision making;

(5) coordinate with relevant community-based services;
