When it is not practical to obtain written informed consent before providing necessary services, a social worker may disclose or release client information with the client's or the client's legal representative's oral informed consent.

(d) Unless otherwise authorized by law, a social worker must obtain a client's written informed consent before taking a photograph of the client or making an audio or video recording of the client, or allowing a third party to do the same. The written informed consent must explain:

(1) the purpose of the photograph or the recording and how the photograph or recording will be used, how it will be stored, and when it will be destroyed; and

(2) how the client may have access to the photograph or recording.

Subd. 5. Release of client information without written informed consent. (a) A social worker may disclose client information specified in subdivision 3, paragraph (a), without the written consent of the client or the client's legal representative only under the following circumstances or under the circumstances described in paragraph (b):

(1) when mandated or authorized by federal or state law, including the mandatory reporting requirements under the duty to warn, maltreatment of minors, and vulnerable adult laws specified in section 148E.240, subdivisions 6 to 8;

(2) when the board issues a subpoena to the social worker; or

(3) when a court of competent jurisdiction orders release of the client records or information.

(b) When providing services authorized or required by law to a client who does not have the capacity to provide consent and who does not have a legal representative, a social worker must disclose or release client records or information as necessary to provide services to ensure the client's safety or to preserve the client's property or financial resources.

Subd. 6. Release of client records or information. When releasing client records or information under this section, a social worker must release current, accurate, and complete records or information.

148E.235 FEES AND BILLING PRACTICES.

Subdivision 1. Fees and payments. (a) A social worker must ensure that a client or a client's legal representative is informed of all fees at the initial session or meeting with the client, and that payment for services is arranged with the client or the client's legal representative at the beginning of the professional relationship. Upon request from a client or a client's legal representative, a social worker must provide in a timely manner a written payment plan or a written explanation of the charges for any services rendered.

(b) When providing services authorized or required by law to a client who does not have the capacity to provide consent and who does not have a legal representative, a social worker may submit reasonable bills to an appropriate payer for services provided.

Subd. 2. **Billing for services not provided.** A social worker must not bill for services that have not been provided except that, with prior notice to the client, a social worker may bill for failed appointments or for cancellations without sufficient notice. A social worker may bill only for provided services which are necessary and appropriate. Financial responsibility for failed appointment billings resides solely with the client and such costs may not be billed to public or private payers.

Subd. 3. **No payment for referrals.** A social worker must not accept or give a commission, rebate, or other form of remuneration solely or primarily to profit from the referral of a client.

Subd. 4. **Fees and billing practices.** A social worker must not engage in improper or fraudulent billing practices, including, but not limited to, violations of the federal Medicare and Medicaid laws or state medical assistance laws.

148E.240 REPORTING REQUIREMENTS.

Subdivision 1. **Failure to self-report adverse actions.** The board has grounds to take action under sections 148E.255 to 148E.270 when a social worker fails to report to the board within 90 days:

(1) having been disciplined, sanctioned, or found to have violated a state, territorial, provincial, or foreign licensing agency's laws or rules;

(2) having been convicted of committing a felony, gross misdemeanor, or misdemeanor reasonably related to the practice of social work;

(3) having had a finding or verdict of guilt, whether or not the adjudication of guilt is withheld or not entered, of committing a felony, gross misdemeanor, or misdemeanor reasonably related to the practice of social work;

(4) having admitted to committing, or entering a no contest plea to committing, a felony, gross misdemeanor, or misdemeanor reasonably related to the practice of social work; or

(5) having been denied licensure by a state, territorial, provincial, or foreign licensing agency.

Subd. 2. **Failure to submit application information.** The board has grounds to take action under sections 148E.255 to 148E.270 when an applicant or licensee fails to submit with an application the following information:

(1) the dates and dispositions of any malpractice settlements or awards made relating to the social work services provided by the applicant or licensee; or

(2) the dates and dispositions of any civil litigations or arbitrations relating to the social work services provided by the applicant or licensee.

Subd. 3. **Reporting other licensed health professionals.** An applicant or licensee must report to the appropriate health-related licensing board conduct by a licensed health professional which would constitute grounds for disciplinary action under the statutes and rules enforced by that board.

Subd. 4. **Reporting unlicensed practice.** An applicant or licensee must report to the board conduct by an unlicensed person which constitutes the practice of social work, as defined in section 148E.010, except when the unlicensed person is exempt from licensure according to section 148E.065.

Subd. 5. **Failure to report other applicants or licensees; unlicensed practice.** The board has grounds to take action under sections 148E.255 to 148E.270 when an applicant or licensee fails to report to the board conduct by:

(1) another licensee or applicant which the applicant or licensee has reason to believe may reasonably constitute grounds for disciplinary action under this section; or

(2) an unlicensed person that constitutes the practice of social work when a license is required to practice social work.

Subd. 6. **Duty to warn.** (a) A licensee must comply with the duty to warn established by section 148.975.

(b) For purposes of this subdivision, "licensee" includes interns and students.

Subd. 7. **Reporting maltreatment of minors.** An applicant or licensee must comply with the reporting of maltreatment of minors established by chapter 260E.

Subd. 8. **Reporting maltreatment of vulnerable adults.** An applicant or licensee must comply with the reporting of maltreatment of vulnerable adults established by section 626.557.

Subd. 9. **Subpoenas.** The board may issue subpoenas according to section 148E.245 and chapter 214 for the production of any reports required by this section or any related documents.

History: 2007 c 123 s 111,138; 2019 c 28 s 3; 1Sp2020 c 2 art 8 s 33

148E.245 INVESTIGATIVE POWERS AND PROCEDURES.

Subdivision 1. **Subpoenas.** (a) The board may issue subpoenas and compel the attendance of witnesses and the production of all necessary papers, books, records, documents, and other evidentiary material as part of its investigation of an applicant or licensee under this section or chapter 214.

(b) If any person fails or refuses to appear or testify regarding any matter about which the person may be lawfully questioned, or fails or refuses to produce any papers, books, records, documents, or other evidentiary materials in the matter to be heard, after having been required by order of the board or by a subpoena of the board to do so, the board may institute a proceeding in any district court to enforce the board's order or subpoena.

(c) The board or a designated member of the board acting on behalf of the board may issue subpoenas or administer oaths to witnesses or take affirmations. Depositions may be taken within or out of the state in the manner provided by law for the taking of depositions in civil actions.

(d) A subpoena or other process or paper may be served upon any person named therein, by mail or by any officer authorized to serve subpoenas or other process or paper in civil actions, with the same fees and mileage and in the same manner as prescribed by law for service of process issued out of the district court of this state.

(e) Fees, mileage, and other costs must be paid as the board directs.

Subd. 2. **Classification of data.** (a) Any records obtained as part of an investigation must be treated as investigative data under section 13.41 and be classified as confidential data.

(b) Notwithstanding paragraph (a), client records must be treated as private data under chapter 13. Client records must be protected as private data in the records of the board and in administrative or judicial

proceedings unless the client authorizes the board in writing to make public the identity of the client or a portion or all of the client's records.

Subd. 3. Mental or physical examination; substance use disorder evaluation. (a) If the board (1) has probable cause to believe that an applicant or licensee has violated a statute or rule enforced by the board or an order issued by the board; and (2) believes the applicant may have a health-related condition relevant to the violation, the board may issue an order directing the applicant or licensee to submit to one or more of the following: a mental examination, a physical examination, or a substance use disorder evaluation.

(b) An examination or evaluation order issued by the board must include:

- (1) factual specifications on which the order is based;
- (2) the purpose of the examination or evaluation;
- (3) the name of the person or entity that will conduct the examination or evaluation; and
- (4) the means by which the examination or evaluation will be paid for.

(c) Every applicant or licensee must submit to a mental examination, a physical examination, or a substance use disorder evaluation when ordered to do so in writing by the board.

(d) By submitting to a mental examination, a physical examination, or a substance use disorder evaluation, an applicant or licensee waives all objections to the admissibility of the examiner or evaluator's testimony or reports on the grounds that the testimony or reports constitute a privileged communication.

Subd. 4. Failure to submit to an examination. (a) If an applicant or licensee fails to submit to an examination or evaluation ordered by the board according to subdivision 3, unless the failure was due to circumstances beyond the control of the applicant or licensee, the failure is an admission that the applicant or licensee violated a statute or rule enforced by the board as specified in the examination or evaluation order issued by the board. The failure may result in an application being denied or other adversarial, corrective, or disciplinary action being taken by the board without a contested case hearing.

(b) If an applicant or licensee requests a contested case hearing after the board denies an application or takes other disciplinary or adversarial action, the only issues which may be determined at the hearing are whether:

- (1) the board had probable cause to issue the examination or evaluation order; and
- (2) the failure to submit to the examination or evaluation was due to circumstances beyond the control of the applicant or licensee.

(c) Neither the record of a proceeding under this subdivision nor an order issued by the board may be admissible, subject to subpoena, or be used against the applicant or licensee in a proceeding in which the board is not a party or decision maker.

(d) Information obtained under this subdivision must be treated as private data under chapter 13. An order issued by the board as the result of an applicant's or licensee's failure to submit to an examination or evaluation must be treated as public data under chapter 13.

Subd. 5. Access to data and records. (a) In addition to ordering a physical or mental examination or substance use disorder evaluation, and notwithstanding section 13.384, 144.651, 595.02, or any other statute limiting access to health records, the board or a designated member of the board acting on behalf of the

board may subpoena physical, mental, and substance use disorder health records relating to an applicant or licensee without the applicant's or licensee's consent if the board has:

(1) probable cause to believe that the applicant or licensee has violated chapter 214, a statute or rule enforced by the board, or an order issued by the board; and

(2) reason to believe that the records are relevant and necessary to the investigation.

(b) An applicant, licensee, insurance company, government agency, health care facility, or provider as defined in section 144.291, subdivision 2, paragraph (i), must comply with any subpoena of the board under this subdivision and is not liable in any action for damages for releasing information subpoenaed by the board under this subdivision unless the information provided is false and the person or entity providing the information knew or had reason to know that the information was false.

(c) Information on individuals obtained under this subdivision must be treated as investigative data under section 13.41 and be classified as confidential data.

(d) If an applicant, licensee, person, or entity does not comply with any subpoena of the board under this subdivision, the board may institute a proceeding in any district court to enforce the board's subpoena.

Subd. 6. Evidence of past sexual conduct. If, in a proceeding for taking action against an applicant or licensee under this section, the charges involve sexual contact with a client or former client, the board or administrative law judge must not consider evidence of the client's or former client's previous sexual conduct. Reference to the client's or former client's previous sexual conduct must not be made during the proceedings or in the findings, except by motion of the complainant, unless the evidence would be admissible under the applicable provisions of section 609.347, subdivision 3.

Subd. 7. Investigations involving vulnerable adults or children in need of protection. (a) Except as provided in paragraph (b), if the board receives a complaint about a social worker regarding the social worker's involvement in a case of vulnerable adults or children in need of protection, the county or other appropriate public authority may request that the board suspend its investigation, and the board must comply until such time as the court issues its findings on the case.

(b) Notwithstanding paragraph (a), the board may continue with an investigation if the board determines that doing so is in the best interests of the vulnerable adult or a child in need of protection and is consistent with the board's obligation to protect the public. If the board chooses to continue an investigation, the board must notify the county or other appropriate public authority in writing and state its reasons for doing so.

Subd. 8. Notification of complainant. (a) In no more than 14 calendar days after receiving a complaint regarding a licensee, the board must notify the complainant that the board has received the complaint.

(b) The board must periodically notify the complainant of the status of the complaint.

Subd. 9. Notification of licensee. (a) Except as provided in paragraph (b), in no more than 60 calendar days after receiving a complaint regarding a licensee, the board must notify the licensee that the board has received the complaint and inform the licensee of:

(1) the substance of the complaint;

(2) the sections of the law that allegedly have been violated; and

(3) whether an investigation is being conducted.

(b) Paragraph (a) does not apply if the board determines that such notice:

- (1) would compromise the board's investigation according to section 214.10; or
- (2) cannot reasonably be accomplished within this time.

(c) The board must periodically notify the licensee of the status of the complaint.

Subd. 10. **Resolution of complaints.** In no more than one year after receiving a complaint regarding a licensee, the board must resolve or dismiss the complaint unless the board determines that resolving or dismissing the complaint cannot reasonably be accomplished within this time.

148E.250 OBLIGATION TO COOPERATE.

Subdivision 1. **Obligation to cooperate.** An applicant or licensee who is the subject of an investigation, or who is questioned by or on behalf of the board in connection with an investigation, must cooperate fully with the investigation. Cooperation includes, but is not limited to:

- (1) responding fully and promptly to any question relating to the investigation;
- (2) as reasonably requested by the board, providing copies of client and other records in the applicant's or licensee's possession relating to the investigation;
- (3) executing release of records as reasonably requested by the board; and
- (4) appearing at conferences, hearings, or meetings scheduled by the board, as required in sections 148E.255 to 148E.270 and chapter 214.

Subd. 2. **Investigation.** A social worker must not knowingly withhold relevant information, give false or misleading information, or do anything to obstruct an investigation of the social worker or another social worker by the board or by another state or federal regulatory or law enforcement authority.

Subd. 3. **Payment for copies.** The board must pay for copies requested by the board.

Subd. 4. **Access to client records.** Notwithstanding any law to the contrary, an applicant or licensee must allow the board access to any records of a client provided services by the applicant or licensee under investigation. If the client has not signed a consent permitting access to the client's records, the applicant or licensee must delete any data in the records that identifies the client before providing the records to the board.

Subd. 5. **Classification of data.** Any records obtained according to this subdivision must be treated as investigative data according to section 13.41 and be classified as confidential data.

148E.255 TYPES OF ACTIONS.

Subdivision 1. **Actions.** The board may take disciplinary action according to section 148E.260, adversarial but nondisciplinary action according to section 148E.265, or voluntary action according to section 148E.270. Any action taken under sections 148E.260 to 148E.270 is public data.

Subd. 2. **Disciplinary action.** For purposes of section 148E.260, "disciplinary action" means an action taken by the board against an applicant or licensee that addresses a complaint alleging a violation of a statute or rule the board is empowered to enforce.

Subd. 3. **Adversarial but nondisciplinary action.** For purposes of section 148E.265, "adversarial but nondisciplinary action" means a nondisciplinary action taken by the board that addresses a complaint alleging a violation of a statute or rule the board is empowered to enforce.

Subd. 4. **Voluntary action.** For purposes of section 148E.270, "voluntary action" means a nondisciplinary action agreed to by the board or a designated board member and an applicant or licensee that, through educational or other corrective means, addresses a complaint alleging a violation of a statute or rule that the board is empowered to enforce.

History: 2007 c 123 s 114,138

148E.260 DISCIPLINARY ACTIONS.

Subdivision 1. **General disciplinary actions.** (a) When the board has grounds for disciplinary actions under this chapter, the board may take one or more of the following disciplinary actions:

- (1) deny an application;
- (2) permanently revoke a license to practice social work;
- (3) indefinitely or temporarily suspend a license to practice social work;
- (4) impose restrictions on a licensee's scope of practice;
- (5) impose conditions required for the licensee to maintain licensure, including, but not limited to, additional education, supervision, and requiring the passing of an examination provided for in section 148E.055;
- (6) reprimand a licensee;
- (7) impose a civil penalty of up to \$10,000 for each violation in order to discourage future violations or to deprive the licensee of any economic advantage gained by reason of the violation; or
- (8) impose a fee to reimburse the board for all or part of the cost of the proceedings resulting in disciplinary action, including, but not limited to, the amount paid by the board for services received from or expenses incurred by the Office of Administrative Hearings, the Office of the Attorney General, court reporters, witnesses, board members, board staff, or the amount paid by the board for reproducing records.

(b) Disciplinary action taken by the board under this subdivision is in effect pending determination of an appeal unless the court, upon petition and for good cause shown, decides otherwise.

Subd. 2. **Reprimands.** (a) In addition to the board's authority to issue a reprimand according to subdivision 1, a designated board member reviewing a complaint as provided for in chapter 214 may issue a reprimand to a licensee. The designated board member must notify the licensee that the reprimand will become final disciplinary action unless the licensee requests a hearing by the board within 14 calendar days.

(b) If the licensee requests a hearing within 14 calendar days, the board must schedule a hearing unless the designated board member withdraws the reprimand.

(c) The hearing must be scheduled within 14 working days of the time the licensee submits a request for the hearing.

(d) The designated board member who issued the reprimand may participate in the hearing but must not deliberate or vote on the decision by the board.

(e) The only evidence permitted at the hearing is affidavits or other documents except for testimony by the licensee or other witnesses whose testimony the board chair has authorized for good cause.

(f) If testimony is authorized, the testimony is subject to cross-examination.

(g) After the hearing, the board must affirm or dismiss the reprimand.

Subd. 3. **Temporary suspensions.** (a) In addition to any other remedy provided by statute, the board or a designated board member may, without a hearing, temporarily suspend a license to practice social work if the board or the designated board member finds that:

(1) the licensee has violated a statute or rule enforced by the board, any other federal or state law or rule related to the practice of social work, or an order, stipulation, or agreement agreed to or issued by the board; and

(2) continued practice by the licensee would create a serious risk of harm to others.

(b) The suspension is in effect upon service of a written order on the licensee specifying the statute, rule, order, stipulation, or agreement violated. Service of the order is effective if the order is served on the licensee or the licensee's attorney personally or by first class mail to the most recent address provided to the board for the licensee or the licensee's attorney.

(c) The temporary suspension remains in effect until after the board issues an order according to paragraph (e), or if there is a contested case hearing, after the board issues a written final order according to paragraph (g).

(d) If the licensee requests in writing within five calendar days of service of the order that the board hold a hearing, the board must hold a hearing on the sole issue of whether to continue, modify, or lift the suspension. The board must hold the hearing within ten working days of receipt of the licensee's written request. Evidence presented by the board or licensee must be in affidavit form only, except that the licensee or the licensee's attorney may present oral argument.

(e) Within five working days after the hearing, the board must issue its order. If the licensee contests the order, the board must schedule a contested case hearing under chapter 14. The contested case hearing must be scheduled to occur within 45 calendar days after issuance of the order.

(f) The administrative law judge must issue a report within 30 calendar days after the contested case hearing is concluded.

(g) The board must issue a final order within 30 calendar days after the board receives the administrative law judge's report.

History: 2007 c 123 s 115,138

148E.265 ADVERSARIAL BUT NONDISCIPLINARY ACTIONS.

Subdivision 1. **Automatic suspensions.** (a) A license to practice social work is automatically suspended if:

(1) a guardian of a licensee is appointed by order of a court according to sections 524.5-101 and 524.5-102; or

(2) the licensee is committed by order of a court according to chapter 253B.

(b) A license remains suspended until:

(1) the licensee is restored to capacity by a court; and

(2) upon petition by the licensee and after a hearing or an agreement with the licensee, the board terminates the suspension.

(c) If the board terminates the suspension, it may do so with or without conditions or restrictions, including, but not limited to, participation in the health professional services program.

Subd. 2. Cease and desist orders. (a) The board or a designated board member may issue a cease and desist order to stop a person from engaging in unauthorized practice or from violating or threatening to violate a statute or rule enforced by the board or an order, stipulation, or agreement agreed to or issued by the board.

(b) The cease and desist order must state the reason for its issuance and give notice of the person's right to request a hearing under sections 14.57 to 14.62. If the person fails to request a hearing in writing postmarked within 15 calendar days after service of the cease and desist order, the order is the final order of the board and is not reviewable by a court or agency.

(c) If the board receives a written request for a hearing postmarked within 15 calendar days after service of the cease and desist order, the board must schedule a hearing within 30 calendar days of receiving the request.

(d) The administrative law judge must issue a report within 30 calendar days after the contested case hearing is concluded.

(e) Within 30 calendar days after the board receives the administrative law judge's report, the board must issue a final order modifying, vacating, or making permanent the cease and desist order. The final order remains in effect until modified or vacated by the board.

(f) If a person does not comply with a cease and desist order, the board may institute a proceeding in any district court to obtain injunctive relief or other appropriate relief, including but not limited to, a civil penalty payable to the board of up to \$10,000 for each violation.

(g) A cease and desist order issued according to this subdivision does not relieve a person from criminal prosecution by a competent authority or from disciplinary action by the board.

Subd. 3. Injunctive relief. (a) In addition to any other remedy provided by law, the board may bring an action in district court for injunctive relief to restrain any unauthorized practice or violation or threatened violation of any statute or rule, stipulation, or agreement agreed to or enforced by the board or an order issued by the board.

(b) A temporary restraining order may be granted in the proceeding if continued activity by a person would create an imminent risk of harm to others.

(c) Injunctive relief granted according to this subdivision does not relieve a person from criminal prosecution by a competent authority or from disciplinary action by the board.

(d) In bringing an action for injunctive relief, the board need not show irreparable harm.

History: 2007 c 123 s 116,138

148E.270 VOLUNTARY ACTIONS.

Subdivision 1. **Agreements for corrective action.** (a) The board or a designated board member may enter into an agreement for corrective action with an applicant or licensee when the board or a designated board member determines that a complaint alleging a violation of a statute or rule enforced by the board or an order issued by the board may best be resolved through an agreement for corrective action when disciplinary action is not required to protect the public.

(b) An agreement for corrective action must:

(1) be in writing;

(2) specify the facts upon which the agreement is based;

(3) clearly indicate the corrective action agreed upon; and

(4) provide that the complaint that resulted in the agreement must be dismissed by the board or the designated board member upon successful completion of the corrective action.

(c) The board or designated board member may determine successful completion when the applicant or licensee submits a request for dismissal that documents the applicant's or licensee's successful completion of the corrective action. The burden of proof is on the applicant or licensee to prove successful completion.

(d) An agreement for corrective action is not disciplinary action but must be treated as public data under chapter 13.

(e) The board may impose a fee to reimburse the board for all or part of the costs of the proceedings resulting in a corrective action, including, but not limited to, the amount paid by the board for services received from or expenses incurred by the Office of the Attorney General, board members, board staff, or the amount paid by the board for reproducing records.

(f) The board or designated board member must not enter into an agreement for corrective action when the complaint alleged sexual conduct with a client unless there is insufficient evidence to justify disciplinary action but there is a basis for corrective action.

Subd. 2. **Stipulations to cease practicing social work.** (a) The board or a designated board member may enter into a stipulation to cease practicing social work with a licensee if the board or designated board member determines that the licensee is unable to practice social work competently or safely or that the social worker's continued practice creates an unacceptable risk of safety to clients, potential clients, or the public.

(b) A stipulation to cease practicing social work must:

(1) be in writing;

(2) specify the facts upon which the stipulation is based;

(3) clearly indicate that the licensee must not practice social work and must not hold out to the public that the social worker is licensed; and

(4) specify the term of the stipulation or when and under what circumstances the licensee may petition the board for termination of the stipulation.

(c) A stipulation to cease practicing social work is not disciplinary action but must be treated as public data under chapter 13.

(d) Nothing in this subdivision prevents the board or designated board member from taking any other disciplinary or adversarial action authorized by sections 148E.255 to 148E.265 in lieu of or in addition to entering into a stipulation to cease practicing social work.

The procurement of insurance of any type by the Commission shall not in any way compromise or limit the immunity granted hereunder.

(2) The Commission shall defend any member, officer, executive director, employee, and representative of the Commission in any civil action seeking to impose liability arising out of any actual or alleged act, error, or omission that occurred within the scope of Commission employment, duties, or responsibilities, or as determined by the Commission that the person against whom the claim is made had a reasonable basis for believing occurred within the scope of Commission employment, duties, or responsibilities, provided that nothing herein shall be construed to prohibit that person from retaining their own counsel at their own expense, and provided further, that the actual or alleged act, error, or omission did not result from that person's intentional or willful or wanton misconduct.

(3) The Commission shall indemnify and hold harmless any member, officer, executive director, employee, and representative of the Commission for the amount of any settlement or judgment obtained against that person arising out of any actual or alleged act, error, or omission that occurred within the scope of Commission employment, duties, or responsibilities, or that such person had a reasonable basis for believing occurred within the scope of Commission employment, duties, or responsibilities, provided that the actual or alleged act, error, or omission did not result from the intentional or willful or wanton misconduct of that person.

(4) Nothing herein shall be construed as a limitation on the liability of any licensee for professional malpractice or misconduct, which shall be governed solely by any other applicable state laws.

(5) Nothing in this Compact shall be interpreted to waive or otherwise abrogate a member state's state action immunity or state action affirmative defense with respect to antitrust claims under the Sherman Act, Clayton Act, or any other state or federal antitrust or anticompetitive law or regulation.

(6) Nothing in this Compact shall be construed to be a waiver of sovereign immunity by the member states or by the Commission.

(i) Notwithstanding paragraph (h), clause (1), the liability of the executive director, employees, or representatives of the interstate commission, acting within the scope of their employment or duties, may not exceed the limits of liability set forth under the constitution and laws of this state for state officials, employees, and agents. This paragraph expressly incorporates section 3.736, and neither expands nor limits the rights and remedies provided under that statute.

(j) Except for a claim alleging a violation of this compact, a claim against the commission, its executive director, employees, or representatives alleging a violation of the constitution and laws of this state may be brought in any county where the plaintiff resides. Nothing in this paragraph creates a private right of action.

148E.51 RULEMAKING.

(a) The Commission shall promulgate reasonable rules in order to effectively and efficiently implement and administer the purposes and provisions of the Compact. A rule shall be invalid and have no force or effect only if a court of competent jurisdiction holds that the rule is invalid because the Commission exercised its rulemaking authority in a manner that is beyond the scope and purposes of the Compact, or the powers granted hereunder, or based upon another applicable standard of review.

(b) The rules of the Commission shall have the force of law in each member state, provided however that where the rules of the Commission conflict with the laws of the member state that establish the member

state's laws, regulations, and applicable standards that govern the practice of social work as held by a court of competent jurisdiction, the rules of the Commission shall be ineffective in that state to the extent of the conflict.

(c) The Commission shall exercise its rulemaking powers pursuant to the criteria set forth in this section and the rules adopted thereunder. Rules shall become binding on the day following adoption or the date specified in the rule or amendment, whichever is later.

(d) If a majority of the legislatures of the member states rejects a rule or portion of a rule, by enactment of a statute or resolution in the same manner used to adopt the Compact within four years of the date of adoption of the rule, then such rule shall have no further force and effect in any member state.

(e) Rules shall be adopted at a regular or special meeting of the Commission.

(f) Prior to adoption of a proposed rule, the commission shall hold a public hearing and allow persons to provide oral and written comments, data, facts, opinions, and arguments.

(g) Prior to adoption of a proposed rule by the Commission, and at least 30 days in advance of the meeting at which the Commission will hold a public hearing on the proposed rule, the Commission shall provide a notice of proposed rulemaking:

- (1) on the website of the Commission or other publicly accessible platform;
- (2) to persons who have requested notice of the Commission's notices of proposed rulemaking; and
- (3) in such other way as the Commission may by rule specify.

(h) The notice of proposed rulemaking shall include:

(1) the time, date, and location of the public hearing at which the Commission will hear public comments on the proposed rule and, if different, the time, date, and location of the meeting where the Commission will consider and vote on the proposed rule;

(2) if the hearing is held via telecommunication, video conference, or other electronic means, the Commission shall include the mechanism for access to the hearing in the notice of proposed rulemaking;

(3) the text of the proposed rule and the reason therefor;

(4) a request for comments on the proposed rule from any interested person; and

(5) the manner in which interested persons may submit written comments.

(i) All hearings will be recorded. A copy of the recording and all written comments and documents received by the Commission in response to the proposed rule shall be available to the public.

(j) Nothing in this section shall be construed as requiring a separate hearing on each rule. Rules may be grouped for the convenience of the Commission at hearings required by this section.

(k) The Commission shall, by majority vote of all members, take final action on the proposed rule based on the rulemaking record and the full text of the rule.

(1) The Commission may adopt changes to the proposed rule, provided the changes do not enlarge the original purpose of the proposed rule.

(2) The Commission shall provide an explanation of the reasons for substantive changes made to the proposed rule as well as reasons for substantive changes not made that were recommended by commenters.

(3) The Commission shall determine a reasonable effective date for the rule. Except for an emergency as provided in paragraph (1), the effective date of the rule shall be no sooner than 30 days after issuing the notice that it adopted or amended the rule.

(l) Upon determination that an emergency exists, the Commission may consider and adopt an emergency rule with 48 hours' notice, with opportunity to comment, provided that the usual rulemaking procedures provided in the Compact and in this section shall be retroactively applied to the rule as soon as reasonably possible, in no event later than 90 days after the effective date of the rule. For the purposes of this provision, an emergency rule is one that must be adopted immediately in order to:

- (1) meet an imminent threat to public health, safety, or welfare;
- (2) prevent a loss of Commission or member state funds;
- (3) meet a deadline for the promulgation of a rule that is established by federal law or rule; or
- (4) protect public health and safety.

(m) The Commission or an authorized committee of the Commission may direct revisions to a previously adopted rule for purposes of correcting typographical errors, errors in format, errors in consistency, or grammatical errors. Public notice of any revisions shall be posted on the website of the Commission. The revision shall be subject to challenge by any person for a period of 30 days after posting. The revision may be challenged only on grounds that the revision results in a material change to a rule. A challenge shall be made in writing and delivered to the Commission prior to the end of the notice period. If no challenge is made, the revision will take effect without further action. If the revision is challenged, the revision may not take effect without the approval of the Commission.

(n) No member state's rulemaking requirements shall apply under this compact.

148E.52 OVERSIGHT, DISPUTE RESOLUTION, AND ENFORCEMENT.

(a) Oversight:

(1) The executive and judicial branches of state government in each member state shall enforce this Compact and take all actions necessary and appropriate to implement the Compact.

(2) Except as otherwise provided in this Compact, venue is proper and judicial proceedings by or against the Commission shall be brought solely and exclusively in a court of competent jurisdiction where the principal office of the Commission is located. The Commission may waive venue and jurisdictional defenses to the extent it adopts or consents to participate in alternative dispute resolution proceedings. Nothing herein shall affect or limit the selection or propriety of venue in any action against a licensee for professional malpractice, misconduct, or any such similar matter.

(3) The Commission shall be entitled to receive service of process in any proceeding regarding the enforcement or interpretation of the Compact and shall have standing to intervene in such a proceeding for all purposes. Failure to provide the Commission service of process shall render a judgment or order void as to the Commission, this Compact, or promulgated rules.

(b) Default, technical assistance, and termination:

(1) If the Commission determines that a member state has defaulted in the performance of its obligations or responsibilities under this Compact or the promulgated rules, the Commission shall provide written notice to the defaulting state. The notice of default shall describe the default, the proposed means of curing the default, and any other action that the Commission may take, and shall offer training and specific technical assistance regarding the default.

(2) The Commission shall provide a copy of the notice of default to the other member states.

(c) If a state in default fails to cure the default, the defaulting state may be terminated from the Compact upon an affirmative vote of a majority of the delegates of the member states, and all rights, privileges, and benefits conferred on that state by this Compact may be terminated on the effective date of termination. A cure of the default does not relieve the offending state of obligations or liabilities incurred during the period of default.

(d) Termination of membership in the Compact shall be imposed only after all other means of securing compliance have been exhausted. Notice of intent to suspend or terminate shall be given by the Commission to the governor, the majority and minority leaders of the defaulting state's legislature, the defaulting state's state licensing authority, and each of the member states' state licensing authority.

(e) A state that has been terminated is responsible for all assessments, obligations, and liabilities incurred through the effective date of termination, including obligations that extend beyond the effective date of termination.

(f) Upon the termination of a state's membership from this Compact, that state shall immediately provide notice to all licensees within that state of such termination. The terminated state shall continue to recognize all licenses granted pursuant to this Compact for a minimum of six months after the date of said notice of termination.

(g) The Commission shall not bear any costs related to a state that is found to be in default or that has been terminated from the Compact, unless agreed upon in writing between the Commission and the defaulting state.

(h) The defaulting state may appeal the action of the Commission by petitioning the United States District Court for the District of Columbia or the federal district where the Commission has its principal offices. The prevailing party shall be awarded all costs of such litigation, including reasonable attorney fees.

(i) Dispute resolution:

(1) Upon request by a member state, the Commission shall attempt to resolve disputes related to the Compact that arise among member states and between member and nonmember states.

(2) The Commission shall promulgate a rule providing for both mediation and binding dispute resolution for disputes as appropriate.

(j) Enforcement:

(1) By majority vote as provided by rule, the Commission may initiate legal action against a member state in default in the United States District Court for the District of Columbia or the federal district where the Commission has its principal offices to enforce compliance with the provisions of the Compact and its promulgated rules. The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing party shall be awarded all costs of such litigation, including reasonable

attorney fees. The remedies herein shall not be the exclusive remedies of the Commission. The Commission may pursue any other remedies available under federal or the defaulting member state's law.

(2) A member state may initiate legal action against the Commission in the United States District Court for the District of Columbia or the federal district where the Commission has its principal offices to enforce compliance with the provisions of the Compact and its promulgated rules. The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing party shall be awarded all costs of such litigation, including reasonable attorney fees.

(3) No person other than a member state shall enforce this compact against the Commission.

148E.53 EFFECTIVE DATE, WITHDRAWAL, AND AMENDMENT.

(a) The Compact shall come into effect on the date on which the Compact statute is enacted into law in the seventh member state.

(1) On or after the effective date of the Compact, the Commission shall convene and review the enactment of each of the first seven member states ("charter member states") to determine if the statute enacted by each such charter member state is materially different than the model Compact statute.

(i) A charter member state whose enactment is found to be materially different from the model Compact statute shall be entitled to the default process set forth in section 148E.52.

(ii) If any member state is later found to be in default, or is terminated or withdraws from the Compact, the Commission shall remain in existence and the Compact shall remain in effect even if the number of member states should be less than seven.

(2) Member states enacting the compact subsequent to the seven initial charter member states shall be subject to the process set forth in section 148E.49, paragraph (c), clause (21), to determine if their enactments are materially different from the model Compact statute and whether they qualify for participation in the Compact.

(3) All actions taken for the benefit of the Commission or in furtherance of the purposes of the administration of the Compact prior to the effective date of the Compact or the Commission coming into existence shall be considered to be actions of the Commission unless specifically repudiated by the Commission.

(4) Any state that joins the Compact subsequent to the Commission's initial adoption of the rules and bylaws shall be subject to the rules and bylaws as they exist on the date on which the Compact becomes law in that state. Any rule that has been previously adopted by the Commission shall have the full force and effect of law on the day the Compact becomes law in that state.

(b) Any member state may withdraw from this Compact by enacting a statute repealing the same.

(1) A member state's withdrawal shall not take effect until 180 days after enactment of the repealing statute.

(2) Withdrawal shall not affect the continuing requirement of the withdrawing state's licensing authority to comply with the investigative and adverse action reporting requirements of this Compact prior to the effective date of withdrawal.

(3) Upon the enactment of a statute withdrawing from this Compact, a state shall immediately provide notice of such withdrawal to all licensees within that state. Notwithstanding any subsequent statutory enactment to the contrary, such withdrawing state shall continue to recognize all licenses granted pursuant to this Compact for a minimum of 180 days after the date of such notice of withdrawal.

(c) Nothing contained in this Compact shall be construed to invalidate or prevent any licensure agreement or other cooperative arrangement between a member state and a nonmember state that does not conflict with the provisions of this Compact.

(d) This Compact may be amended by the member states. No amendment to this Compact shall become effective and binding upon any member state until it is enacted into the laws of all member states.

148E.54 CONSTRUCTION AND SEVERABILITY.

(a) This Compact and the Commission's rulemaking authority shall be liberally construed so as to effectuate the purposes, and the implementation and administration of the Compact. Provisions of the Compact expressly authorizing or requiring the promulgation of rules shall not be construed to limit the Commission's rulemaking authority solely for those purposes.

(b) The provisions of this Compact shall be severable and if any phrase, clause, sentence, or provision of this Compact is held by a court of competent jurisdiction to be contrary to the constitution of any member state, a state seeking participation in the Compact, or of the United States, or the applicability thereof to any government, agency, person or circumstance is held to be unconstitutional by a court of competent jurisdiction, the validity of the remainder of this Compact and the applicability thereof to any other government, agency, person or circumstance shall not be affected thereby.

(c) Notwithstanding paragraph (b), the Commission may deny a state's participation in the Compact or, in accordance with the requirements of section 148E.52, paragraph (b), terminate a member state's participation in the Compact, if it determines that a constitutional requirement of a member state is a material departure from the Compact. Otherwise, if this Compact shall be held to be contrary to the constitution of any member state, the Compact shall remain in full force and effect as to the remaining member states and in full force and effect as to the member state affected as to all severable matters.

148E.55 CONSISTENT EFFECT AND CONFLICT WITH OTHER STATE LAWS.

(a) A licensee providing services in a remote state under a multistate authorization to practice shall adhere to the laws and regulations, including laws, regulations, and applicable standards, of the remote state where the client is located at the time care is rendered.

(b) Nothing herein shall prevent or inhibit the enforcement of any other law of a member state that is not inconsistent with the Compact.

(c) Any laws, statutes, regulations, or other legal requirements in a member state in conflict with the Compact are superseded to the extent of the conflict.

(d) All permissible agreements between the Commission and the member states are binding in accordance with their terms.
