The commissioner shall make grants to counties to establish, operate, or contract with private providers to provide services designed to help persons with serious and persistent mental illness remain and function in their own communities. Grants received pursuant to this section may be used to fund community support services programs as specified in section 245.462, subdivision 6, and case management activities that cannot be billed to the medical assistance program under sections 256B.02, subdivision 8, and 256B.0625.

Subd. 3. **Allocation of grants.** The commissioner shall allocate grants under this section to finance up to 90 percent of each county's costs for services to persons with serious and persistent mental illness. The commissioner shall promulgate permanent rules to govern grant applications, approval of applications, allocation of grants, and maintenance of financial statements by grant recipients. The commissioner shall specify requirements for reports, including quarterly fiscal reports, according to section 256.01, subdivision
