3.012 LEGISLATIVE DAY.

For the purposes of the Minnesota Constitution, article IV, section 12, a legislative day is a day when either house of the legislature gives any bill a third reading, adopts a rule of procedure or organization, elects a university regent, confirms a gubernatorial appointment, or votes to override a gubernatorial veto. For purposes of this section, a meeting occurs when a quorum is present and action is taken regarding a matter within the jurisdiction of the body. Each house shall provide by rule for posting notices of meetings, recording proceedings, and making the recordings and votes available to the public.

Subd. 2. **Enforcement.** The house of representatives and the senate shall adopt rules to implement this section. Remedies provided by rules of the house of representatives and senate are exclusive. 3.088 LEAVE OF ABSENCE.

Subdivision 1. **Leave of absence without pay.** Subject to this section, any appointed officer or employee of a political subdivision, municipal corporation, or school district of the state or an institution of learning maintained by the state who serves as a legislator or is elected to a full-time city or county office or to an Indian tribal council in Minnesota is entitled to a leave of absence from the public office or to employment without pay when on the business of the office, with right of reinstatement as provided in this section.

Subd. 2. **Reinstatement.** Except as provided in this section, upon the completion of the last legislative day in each calendar year, or, in the case of an elected city, county, or tribal council official, on the completion of the final day of the term to which the official was elected, the officer or employee shall be reinstated in the public position held at the time of entry into the legislature or taking city, county, or tribal council office, or be placed in a public position of like seniority, status, and pay if it is available at the same salary which would have been received if the leave had not been taken, upon the following conditions:

(1) that the position has not been abolished or that its term, if limited, has not expired;

(2) that the legislator makes a written application for reinstatement to the appointing authority within 30 days after the last legislative day in a calendar year or, in the case of an elected city, county, or tribal council official, within 30 days after the expiration of the elected term; and

(3) that the request for reinstatement is made not later than ten years after the granting of the leave.

Upon reinstatement, the officer or employee shall have the same rights with respect to accrued and future seniority status, efficiency rating, vacation, insurance benefits, sick leave, and other benefits as if actually employed during the time of the leave. No public employer is required to compensate a reinstated employee or officer for time spent by that employee or officer away from work for the employer and on the business of the state legislature during the period between the first and last legislative day in each calendar year or on the business of an elected city, county, or tribal council office. No officer or employee reinstated shall be removed or discharged within one year after reinstatement except for cause and after notice and hearing, but this does not extend a term of service limited by law.

Subd. 3. **Pension and retirement rights.** A public officer or employee who receives leave of absence under this section or is elected as a state constitutional officer and has rights in a state, municipal, or other public pension, retirement, or relief system shall retain all the rights accrued up to the time of taking leave. Time spent by the employee as a member of the legislature or as an elected city, county, or tribal council official or state constitutional officer shall be calculated in the same manner as if the employee had spent that time in the service of the public employer for the purpose of determining vesting of the employee's rights in the employer's pension, retirement, or relief system. Under no circumstances shall two governmental units pay the employee's share of pension contributions when the employee is on leave of absence to serve in the legislature or as an elected city, county, or tribal council official.

Subd. 4. **Vacancies to be filled temporarily.** When a public officer or employee is absent with leave under this section and it is necessary to provide for the performance of the duties of the absentee's position during the absence, the authority having power to fill a vacancy in the position may appoint an acting incumbent, who shall qualify as required for the regular incumbent, receive the same compensation as fixed by law or proper authority, and have the powers and perform the duties of the position until the return of the regular incumbent. This section does not preclude making other lawful provision for the discharge of the duties of the position.

Subd. 5. **Supplementary.** The rights and privileges granted by this section do not apply if the elected office is constitutionally or legally incompatible with the public office or employment or the elected person chooses to take leave as provided by other law.

Subd. 6. **Pensions.** Notwithstanding any other law or ordinance or state, municipal, or other public retirement or relief association rule or bylaw, a person shall not be disqualified from receiving a legislative retirement pension or allowance because the person is entitled to receive a public pension or retirement benefit as a result of employment by another public employer. The person shall receive both the legislative retirement pension or allowance and any state, municipal, or other public pension or retirement benefit for which the person has qualified.

No testimony, so given or produced, shall be received against the person in any criminal investigation or proceeding.

3.195 REPORTS TO THE LEGISLATURE.

Subdivision 1. **Distribution of reports.** (a) Except as provided in subdivision 4, a report to the legislature required of a department or agency shall be made, unless otherwise specifically required by law, by filing one copy with the Legislative Reference Library, and by making the report available electronically to the Legislative Reference Library. (b) A public entity as defined in section 16C.073 shall not distribute a report or publication to a member or employee of the legislature, except the Legislative Reference Library, unless the entity has determined that the member or employee wants the reports or publications published by that entity or the member or employee has requested the report or publication. This prohibition applies to both mandatory and voluntary reports and publications. A report or publication may be summarized in an executive summary and distributed as the entity chooses. Distribution of a report to legislative committee or commission members during a committee or commission hearing is not prohibited by this section.

(2) per diem and mileage costs associated with the conduct of legislative business by members of the legislature, and housing and communication costs for members, as authorized by the house of representatives Committee on Rules and Legislative Administration or the senate Committee on Rules and Administration.

Subd. 2. **Legislative funding.** (a) Sums sufficient to fund member expenses of the house of representatives and the senate are appropriated from the general fund to the house of representatives and senate, as applicable.

(b) No later than June 15 of each year, the controller of the house of representatives and the secretary of the senate must each certify to the commissioner of management and budget the amounts to be appropriated under this section for the fiscal year beginning July 1 of the same year.

(c) No later than January 15 of each year, the controller of the house of representatives and the secretary of the senate must each certify to the commissioner of management and budget any changes to the current

biennium's appropriations. Certifications provided by January 15 of an odd-numbered year must include estimated amounts to be appropriated for the fiscal biennium beginning the next July 1.

(d) Amounts certified under paragraphs (b) and (c) must be the amounts determined by a majority vote conducted during a public meeting of the house of representatives Committee on Rules and Legislative Administration, or the senate Committee on Rules and Administration, as applicable.

(e) At any time between the date funds are certified under this subdivision and the last date for adjusting the certified amount, the Legislative Advisory Commission may convene a meeting to review and provide advice on the certified amount. At its discretion, the committees may incorporate the advice of the Legislative Advisory Commission when making an adjustment to the certified amount.

(f) Sums sufficient to address emergency needs of the house of representatives, senate, Legislative Coordinating Commission, and any other joint legislative office, council, or commission, are appropriated from the general fund to the house of representatives, senate, or Legislative Coordinating Commission, as applicable. Emergency needs may include but are not limited to information technology system failures, cybersecurity incidents, and physical infrastructure failures. The controller of the house of representatives, the secretary of the senate, or the executive director of the Legislative Coordinating Commission must certify to the commissioner of management and budget any amount to be appropriated under this paragraph, as directed by the speaker of the house, majority leader of the senate, or chair of the Legislative Coordinating Commission. To the extent practical, any amount proposed for appropriation must be submitted to the commissioner of management and budget for advice and comment prior to final certification. The total amount appropriated by this paragraph in a fiscal year must not exceed \$1,000,000.

(g) In the event of a nonappropriation caused by a gubernatorial veto impacting the house of representatives, the senate, the Legislative Coordinating Commission, or any other joint legislative office, council, or commission, the general fund appropriation base for the house of representatives, senate, or Legislative Coordinating Commission, plus three percent, is appropriated in the next fiscal year from the general fund to the house of representatives, senate, or Legislative Coordinating Commission, as applicable, for any expenses for which an appropriation is not otherwise provided by this section.

(h) By October 15 each year, the house of representatives, the senate, and the Legislative Coordinating Commission must each submit a report to the commissioner of management and budget detailing expenditures made under paragraphs (a) and (f) for the prior fiscal year.

Subd. 3. **Other appropriations.** Nothing in this section precludes the house of representatives, the senate, or a joint legislative office or commission of the Legislative Coordinating Commission from receiving a direct appropriation by law or another statutory appropriation for a specific purpose provided in the direct or statutory appropriation. If the house of representatives, the senate, or a joint legislative office or commission receives a direct or statutory appropriation, the amount appropriated is distinct from and must not be considered during the biennial appropriation certification process under this section.

History: 2023 c 62 art 2 s 11

3.22 [Repealed, 2010 c 201 s 82]

SCIENCE AND TECHNOLOGY POLICY

3.221 COMMITTEES AND COMMISSIONS TO CONSIDER SCIENCE AND TECHNOLOGY POLICY.

Appropriate committees and commissions of the legislature must consider how proposed legislation that potentially affects scientific and technological development in the state conforms to the state's science and technology policy in section 3.222.

History: 1992 c 467 s 1

3.222 SCIENCE AND TECHNOLOGY POLICY.

Subdivision 1. **Scope.** The science and technology policy in this section lists five goals that contribute to Minnesota's long-term economic growth. Development of these goals is critical if the state is to create an environment conducive to the growth and expansion of technology-based companies, as well as to improve the competitive ability of existing industries.

Subd. 2. **Encouragement and support of innovation and development of new technologies.** (a) Minnesota has a long tradition of innovation and entrepreneurship. However, with the dramatic changes taking place in the global economy, the pace of technological change and shortened product life cycles, entrepreneurs and emerging technology-based companies are finding it increasingly difficult to compete effectively without appropriate resources. These entities represent the future of Minnesota's economy.

(b) To give these entrepreneurs and emerging technology-based companies a greater chance at success, the state must support excellence in innovation and nurture their creative spirit by providing incentives to spur growth.

Subd. 3. **Support for industrial modernization and technology transfer to small companies.** (a) The vast majority of Minnesota companies, both in rural and metropolitan areas, employ fewer than 50 employees. These small companies generally lack the resources to identify and implement available technologies that can help them modernize their industrial processes and develop their products in a more efficient manner. This is particularly pronounced in the manufacturing area.

(b) The state must play a critical role in improving the competitive ability of these companies by making available information, technical expertise, and other services required to access existing, off-the-shelf technologies.

Subd. 4. **Strengthen research and development partnerships between industry and academia.** (a) Continued research and development is a prerequisite to the commercialization of new products and the growth of technology-based companies.

(b) State government must play a significant role in supporting applied research and development initiatives. To maximize the impact, these initiatives in research and development must be closely tied to the research needs of the state's technology-based companies.

Subd. 5. **Development of literate and technology skilled work force.** (a) To compete in the future, communities will have to increasingly rely on knowledge-based economies. Not only will the work force of the future need to be more technically skilled than at present, but the basic level of literacy will also have to continually increase.

(b) State government must continue to invest extensively in Minnesota's human capital and must produce more scientists and engineers. This investment is required throughout the educational system.

Subd. 6. **Take advantage of opportunities in technology development.** (a) Investment in programs that match federal funds for scientific and technological initiatives, match industry support, or otherwise support the development of research facilities is crucial to scientific and technological development in Minnesota.

(b) The state must have the ability to act on individual opportunities that may occur from time to time and that would enhance Minnesota's technology infrastructure.

PROFESSIONAL AND TECHNICAL SERVICES CONTRACTS

3.225 PROFESSIONAL AND TECHNICAL SERVICE CONTRACTS.

Subdivision 1. **Application.** This section applies to a contract for professional or technical services entered into by the house of representatives, the senate, the Legislative Coordinating Commission, or any group under the jurisdiction of the Legislative Coordinating Commission. For purposes of this section, "professional or technical services" has the meaning defined in section 16C.08, subdivision 1, but does not include legal services for official legislative business.

Subd. 2. **Requirements for all contracts.** Before entering into a contract for professional or technical services, the contracting entity must determine that:

- (1) no current legislative employee is able and available to perform the services called for by the contract;
- (2) the work to be performed under the contract is necessary to the entity's achievement of its responsibilities;
- (3) the contract will not establish an employment relationship between the state or the entity and any persons performing under the contract;
- (4) no current legislative employees will engage in the performance of the contract;
- (5) the entity will assign personnel to manage the contract; and
- (6) the combined contract and amendments will not extend for more than five years.

Subd. 3. **Contracts over \$25,000.** Before an entity may seek to enter into a professional or technical services contract valued in excess of \$25,000, it must determine that:

- (1) reasonable efforts were made to publicize the availability of the contract to the public; and
- (2) the entity has established any performance measures or other tools that the entity determines are necessary to evaluate contractor performance.

Subd. 4. **Renewals.** The renewal of a professional or technical service contract must comply with all requirements, including notice, applicable to the original contract. A renewal contract must be identified as such. All notices and reports on a renewal contract must state the date of the original contract and the amount previously paid under the contract.

Subd. 5. **Reports.** (a) The house of representatives, the senate, and the Legislative Coordinating Commission shall submit to the Legislative Reference Library by September 1 of each year a listing of all

contracts for professional or technical services executed in the preceding fiscal year. The report must identify the parties and the contract amount, duration, and tasks to be performed.

(b) The yearly report must:

- (1) be sorted by contracting entity and by contractor;
- (2) show the aggregate value of contracts issued by each agency and issued to each contractor;
- (3) distinguish between contracts that are being issued for the first time and contracts that are being renewed;
- (4) state the termination date of each contract; and
- (5) categorize contracts according to subject matter, including topics such as contracts for training, contracts for research and opinions, and contracts for computer systems.

(c) Within 30 days of final completion of a contract over \$40,000 covered by this subdivision, the chief executive of the entity entering into the contract must file a one-page performance report with the Legislative Reference Library. The report must:

- (1) summarize the purpose of the contract, including why it was necessary to enter into a contract;
- (2) state the amount spent on the contract; and
- (3) explain why this amount was a cost-effective way to enable the entity to provide its services or products better or more efficiently.

Subd. 6. **Contract terms.** (a) A professional or technical services contract must by its terms permit the contracting entity to unilaterally terminate the contract prior to completion, upon payment of just compensation, if the entity determines that further performance under the contract would not serve entity purposes. If the final product of the contract is a written report, a copy must be filed with the Legislative Reference Library.

(b) The terms of a contract must provide that no more than 90 percent of the amount due under the contract may be paid until the final product has been reviewed by the person entering into the contract on behalf of the contracting entity, and that person has certified that the contractor has satisfactorily fulfilled the terms of the contract.

3.226 CONTRACTS WITH VENDORS WHO DISCRIMINATE AGAINST ISRAEL PROHIBITED.

Subdivision 1. **Discrimination by vendor.** (a) The legislature may not enter into a contract with a vendor that engages in discrimination against Israel, or against persons or entities doing business in Israel, when making decisions related to the operation of the vendor's business.

(b) For purposes of this section, "discrimination" includes but is not limited to engaging in refusals to deal, terminating business activities, or other actions that are intended to limit commercial relations with Israel, or persons or entities doing business in Israel, when such actions are taken in a manner that in any way discriminates on the basis of nationality or national origin and is not based on a valid business reason.

Subd. 2. **Exemption; legislature may waive.** (a) This section does not apply to contracts with a value of less than \$50,000.

(b) The legislature may waive application of this section on a contract if the legislature determines that compliance is not practicable or in the best interests of the state.

Subd. 3. **Relation to existing law.** This section does not prohibit a vendor from engaging in free speech or expression protected under the First Amendment of the United States Constitution or the Constitution of the state of Minnesota.

FEDERAL MONEY; REVIEW OF EXPENDITURES

3.3005 FEDERAL MONEY; EXPENDITURE REVIEW.

Subdivision 1. **Definition.** As used in this section, the term "state agency" means all agencies in the executive branch of state government, but does not include the Minnesota Historical Society, the University of Minnesota, or the Minnesota State Colleges and Universities.

Subd. 2. **Governor's request to legislature.** A state agency shall not expend money received by it under federal law for any purpose unless a request to spend federal money from that source for that purpose in that biennium has been submitted by the governor to the legislature as a part of a budget request submitted during or within ten days before the start of a regular legislative session, or unless specifically authorized by law or as provided by this section. A budget request submitted to the legislature according to this subdivision must be submitted at least 20 days before the deadline set by the legislature for legislative budget committees to act on finance bills.

Subd. 2a. **Review of federal funds spending request.** Twenty days after a governor's budget request that includes a request to spend federal money is submitted to the legislature under subdivision 2, a state agency may expend money included in that request unless, within the 20-day period, a member of the Legislative Advisory Commission requests further review. If a Legislative Advisory Commission member requests further review of a federal funds spending request, the agency may not expend the federal funds until the request has been satisfied and withdrawn, the expenditure is approved in law, or the regular session of the legislature is adjourned for the year.

Subd. 3. **State match.** If a request to spend federal money is included in the governor's budget or spending the money is authorized by law but the amount of federal money that has been awarded and requires a state match greater than the amount that was included in the budget request or authorized by law, the federal funds that have been awarded that require an additional state match may be allotted for expenditure after the requirements of subdivision 5 or 6 are met.

Subd. 3a. **Change in purpose.** If a request to spend federal money is included in a governor's budget request and approved according to subdivision 2a, but the purpose for which the money is to be used changes from the time of the request and approval, the amount may be allotted for expenditure after a revised request is submitted according to subdivision 2 or the requirements of subdivision 5 or 6 are met.

Subd. 3b. **Increase in amount.** If a request to spend federal money is included in a governor's budget request and approved according to subdivision 2 or 5 and the amount of money awarded increases after the request is made and authorized, the additional amount may be allotted for expenditure after a revised request is submitted according to subdivision 2, or the requirements of subdivision 4, 5, or 6 are met.

Subd. 4. **Interim procedures; urgencies.** If federal money is awarded to the state for expenditure after the deadline in subdivision 2 or while the legislature is not in session, and the availability of money from that source or for that purpose or in that fiscal year could not reasonably have been anticipated and included in the governor's budget request, and an urgency requires that all or part of the money be encumbered or expended before the legislature reconvenes or prior to the end of the 20-day period specified in subdivision 2, it may be allotted to a state agency after the requirements of subdivision 5 are met.

Subd. 5. **Legislative Advisory Commission review.** Federal money that is awarded and becomes available under subdivision 3, 3a, 3b, or 4 may be allotted after the commissioner of management and budget has submitted the request to the members of the Legislative Advisory Commission for their review and recommendation for further review. If a recommendation is not made within ten days, no further review by the Legislative Advisory Commission is required, and the commissioner shall approve or disapprove the request. If a recommendation by any member is for further review the governor shall submit the request to the Legislative Advisory Commission for its review and recommendation. Failure or refusal of the commission to make a recommendation promptly is a negative recommendation.

Subd. 6. **Interim procedures; nonurgencies.** If federal money becomes available to the state for expenditure after the deadline in subdivision 2 or while the legislature is not in session, and subdivision 4 does not apply, a request to expend that federal money may be submitted by the commissioner of management and budget to members of the Legislative Advisory Commission for their review and recommendation. This request must be submitted by the later of October 1 or 100 days before the start of the next legislative session. If any member of the commission makes a negative recommendation or a recommendation for further review on a request during the 20-day period beginning the day the commissioner submits the request, the commissioner shall not approve expenditure of that federal money. If the members of the commission make a positive recommendation or no recommendation, the commissioner may approve the request and the federal money may be allotted for expenditure. The commissioner may submit the request again under subdivision 2 if the request receives a negative recommendation or a recommendation for further review under this subdivision.

Subd. 6a. **Withdrawal of commission recommendation.** A member of the commission, with written notice to the commissioner, may withdraw a negative recommendation or a recommendation for further review within 20 days of making the recommendation. If all negative recommendations and all recommendations for further review have been withdrawn, the commissioner may approve the expenditure of the federal money.

Subd. 7. **Approvals for both years of biennium.** Approval of the spending of federal funds under subdivision 2 is for the full term of the availability of the federal funds, up to the end of the biennium that begins July 1 following the submission of the request. Approval of the spending of federal funds under subdivision 3, 3a, 3b, or 6 is for the full term of the availability of the federal funds, up to the end of the

current biennium. Approval of the spending for federal funds under subdivision 4 is for the fiscal year for which the urgency exists.

Subd. 8. **Request contents.** A request to spend federal funds submitted under this section must include the name of the federal grant, the federal agency from which the funds are available, a federal identification number, a brief description of the purpose of the grant, the amounts expected by fiscal year, an indication if any state match is required, an indication if there is a maintenance of effort requirement, and the number of full-time equivalent positions needed to implement the grant.

Subd. 9. **Withdrawal of request.** The commissioner of management and budget may, with written notice, withdraw any request to spend federal money under this section. The commissioner of an agency requesting to expend federal money under this section may, with written notice, withdraw any request to spend federal money under this section that was submitted by the commissioner's agency.

If possible the document shall be consecutively paged. The issuing agency shall include a statement citing the statute or session law with which the report complies, if there is one.

Information provided on the website must include, but is not limited to:

(1) information on all project proposals received by the Outdoor Heritage Council and the Legislative-Citizen Commission on Minnesota Resources;

(2) information on all projects receiving funding, including:

(i) the name of the project and a project description;

(ii) the name, telephone number, members of the board or equivalent governing body, and email address of the funding recipient and, when applicable, the website address where the public can directly access detailed information on the recipient's receipt and use of money for the project;

(iii) the amount and source of funding, including the fiscal year of the appropriation;

(iv) the amount and source of any additional funding or leverage;

(v) the duration of the project;

(vi) the number of full-time equivalents funded under the project. In addition, an entity that awards competitive grants, including but not limited to a state agency or any statewide, regional, or local organization, must report whether an employee, decision maker, advisory group member, or other person involved in the grant process disclosed a conflict of interest or potential conflict of interest. If the entity reports that a conflict of interest or potential conflict of interest was disclosed, the entity must provide the Legislative Coordinating Commission with a contact person for additional information and the Legislative Coordinating Commission must post this information on the website. An entity that awards competitive grants must obtain and apply the conflict of interest policies developed by the commissioner of administration under section 16B.98, subdivision 3, unless the entity maintains and applies its own documented conflict of interest policies which are substantially similar to the commissioner of administration's policies;

(6) methods by which members of the public may apply for project funds under any of the constitutionally dedicated funds.

Information that could be used to identify, contact, or locate an individual minor shall be withheld from the information required for the website.

(b) As soon as practicable or by January 15 of the applicable fiscal year, whichever comes first, a state agency or other recipient of a direct appropriation from a fund covered under this section shall submit the information required under paragraph (a) and, when applicable, compile and submit the same information for any grant recipient or other subrecipient of funding. All information for proposed and funded projects, including the proposed measurable outcomes, must be made available on the website as soon as practicable. Information on the measured outcomes and evaluation must be posted as soon as it becomes available. The costs of these activities shall be paid out of the arts and cultural heritage fund, outdoor heritage fund, clean water fund, parks and trails fund, and the environment and natural resources trust fund proportionately. For purposes of this section, "measurable outcomes" means outcomes, indicators, or other performance measures

that may be quantified or otherwise measured in order to measure the effectiveness of a project or program in meeting its intended goal or purpose.

If, in addition to providing the information directly to the website, an agency submits a formal report to the Legislative Coordinating Commission, the report must be submitted electronically.

(c) The Legislative Coordinating Commission shall be responsible for receiving all ten-year plans and 25-year frameworks for each of the constitutionally dedicated funds. To the extent practicable, staff for the commission shall provide assistance and oversight to these planning efforts and shall coordinate public access to hearings and public meetings for all planning efforts.

SETTLEMENT OF CLAIMS

3.732 SETTLEMENT OF CLAIMS.

Subdivision 1. **Definitions.** As used in this section and section 3.736 the terms defined in this section have the meanings given them.

(1) "State" includes each of the departments, boards, agencies, commissions, courts, and officers in the executive, legislative, and judicial branches of the state of Minnesota and includes but is not limited to the Housing Finance Agency, the Minnesota Office of Higher Education, the Higher Education Facilities Authority, the Health Technology Advisory Committee, the Armory Building Commission, the Zoological Board, the Department of Iron Range Resources and Rehabilitation, the Minnesota Historical Society, the State Agricultural Society, the University of Minnesota, the Minnesota State Colleges and Universities, state hospitals, and state penal institutions. It does not include a city, town, county, school district, or other local governmental body corporate and politic.

(2) "Employee of the state" means all present or former officers, members, directors, or employees of the state, members of the Minnesota National Guard, members of a bomb disposal unit approved by the commissioner of public safety and employed by a municipality defined in section 466.01 when engaged in the disposal or neutralization of bombs or other similar hazardous explosives, as defined in section 299C.063, outside the jurisdiction of the municipality but within the state, or persons acting on behalf of the state in an official capacity, temporarily or permanently, with or without compensation. It does not include either an independent contractor except, for purposes of this section and section 3.736 only, a guardian ad litem acting under court appointment, or members of the Minnesota National Guard while engaged in training or duty under United States Code, title 10, or title 32, section 316, 502, 503, 504, or 505, as amended through December 31, 1983. Notwithstanding sections 43A.02 and 611.263, for purposes of this section and section 3.736 only, "employee of the state" includes a district public defender or assistant district public defender in the Second or Fourth Judicial District, a member of the Health Technology Advisory Committee, and any officer, agent, or employee of the state of Wisconsin performing work for the state of Minnesota pursuant to a joint state initiative.

(3) "Scope of office or employment" means that the employee was acting on behalf of the state in the performance of duties or tasks lawfully assigned by competent authority.

(4) "Judicial branch" has the meaning given in section 43A.02, subdivision 25.

Subd. 2. **Claims of \$7,000 or less.** The head of each department or agency of the state, or a designee, acting on behalf of the state, shall attempt to determine, adjust and settle, at any time, any claim for money damages of \$7,000 or less against the state for injury to or loss of property or personal injury or death caused by an act or omission of any employee of the state while acting within the scope of office or employment, under circumstances where the state, if a private person, would be liable to the claimant. The settlement is final and conclusive on all officers of the state, unless procured by fraud. The acceptance by the claimant of a settlement is final and conclusive on the claimant and constitutes a complete release of any claim against the state and the employee of the state whose act or omission gave rise to the claim, by reason of the same subject matter.

Subd. 3. **Attorney general approval.** A settlement made under this section is not valid unless it is supported by a claim in writing, and is approved in writing by the attorney general as to its form and legality. The claim shall be in the form that the attorney general prescribes.

Subd. 4. [Repealed, 1978 c 793 s 98]

Subd. 5. **Action in court.** Nothing in this section is to be construed to deny a claimant who is not paid under this section from bringing an action at law in the courts of this state.

Subd. 6. **Settlement.** The head of each department or agency, or a designee, acting on behalf of the state, may enter into structured settlements, through the negotiation, creation, and use of annuities or similar financial plans for claimants, to resolve claims arising from the alleged negligence of the state, its agencies, or employees. Sections 16C.03, subdivision 4, 16C.05, and 16C.06 do not apply to the state's selection of and contracts with structured settlement consultants or purveyors of structured settlement plans.

3.735 [Repealed, 1976 c 331 s 42]

3.736 TORT CLAIMS.

Subdivision 1. **General rule.** The state will pay compensation for injury to or loss of property or personal injury or death caused by an act or omission of an employee of the state while acting within the scope of office or employment or a peace officer who is not acting on behalf of a private employer and who is acting in good faith under section 629.40, subdivision 4, under circumstances where the state, if a private person, would be liable to the claimant, whether arising out of a governmental or proprietary function. Nothing in this section waives the defense of judicial, quasi-judicial, or legislative immunity except to the extent provided in subdivision 8.

Subd. 2. **Procedure.** Claims of various kinds shall be considered and paid only in accordance with the statutory procedures provided. If there is no other applicable statute, a claim shall be brought under this section as a civil action in the courts of the state.

Subd. 3. **Exclusions.** Without intent to preclude the courts from finding additional cases where the state and its employees should not, in equity and good conscience, pay compensation for personal injuries or property losses, the legislature declares that the state and its employees are not liable for the following losses:

(a) a loss caused by an act or omission of a state employee exercising due care in the execution of a valid or invalid statute or rule;

(b) a loss caused by the performance or failure to perform a discretionary duty, whether or not the discretion is abused;

(c) a loss in connection with the assessment and collection of taxes;

(d) a loss caused by snow or ice conditions on a highway or public sidewalk that does not abut a publicly owned building or a publicly owned parking lot, except when the condition is affirmatively caused by the negligent acts of a state employee;

(e) a loss caused by wild animals in their natural state, except as provided in section 3.7371;

(f) a loss other than injury to or loss of property or personal injury or death;

(g) a loss caused by the condition of unimproved real property owned by the state, which means land that the state has not improved, state land that contains idled or abandoned mine pits or shafts, and appurtenances, fixtures, and attachments to land that the state has neither affixed nor improved;

(h) a loss involving or arising out of the use or operation of a recreational motor vehicle, as defined in section 84.90, subdivision 1, within the right-of-way of a trunk highway, as defined in section 160.02, except that the state is liable for conduct that would entitle a trespasser to damages against a private person;

(i) a loss incurred by a user arising from the construction, operation, or maintenance of the outdoor recreation system, as defined in section 86A.04, or for a loss arising from the construction, operation, maintenance, or administration of grants-in-aid trails as defined in section 85.018, or for a loss arising from the construction, operation, or maintenance of a water access site created by the Department of Iron Range Resources and Rehabilitation, except that the state is liable for conduct that would entitle a trespasser to damages against a private person. For the purposes of this clause, a water access site, as defined in section 86A.04 or created by the commissioner of Iron Range resources and rehabilitation, that provides access to an idled, water filled mine pit, also includes the entire water filled area of the pit and, further, includes losses caused by the caving or slumping of the mine pit walls;

(j) a loss of benefits or compensation due under a program of public assistance or public welfare, except if state compensation for loss is expressly required by federal law in order for the state to receive federal grants-in-aid;

(k) a loss based on the failure of a person to meet the standards needed for a license, permit, or other authorization issued by the state or its agents;

(l) a loss based on the usual care and treatment, or lack of care and treatment, of a person at a state hospital or state corrections facility where reasonable use of available appropriations has been made to provide care;

(m) loss, damage, or destruction of property of a patient or inmate of a state institution except as provided under section 3.7381;

(n) a loss for which recovery is prohibited by section 169A.48, subdivision 2;

(o) a loss caused by an aeration, bubbler, water circulation, or similar system used to increase dissolved oxygen or maintain open water on the ice of public waters, that is operated under a permit issued by the commissioner of natural resources;

(p) a loss incurred by a visitor to the Minnesota Zoological Garden, except that the state is liable for conduct that would entitle a trespasser to damages against a private person;

(q) a loss arising out of a person's use of a logging road on public land that is maintained exclusively to provide access to timber on that land by harvesters of the timber, and is not signed or otherwise held out to the public as a public highway; and

(r) a loss incurred by a user of property owned, leased, or otherwise controlled by the Minnesota National Guard or the Department of Military Affairs, except that the state is liable for conduct that would entitle a trespasser to damages against a private person.

The state will not pay punitive damages.

Subd. 4. **Limits.** The total liability of the state and its employees acting within the scope of their employment on any tort claim shall not exceed:

(a) \$300,000 when the claim is one for death by wrongful act or omission and \$300,000 to any claimant in any other case, for claims arising before August 1, 2007;

(b) \$400,000 when the claim is one for death by wrongful act or omission and \$400,000 to any claimant in any other case, for claims arising on or after August 1, 2007, and before July 1, 2009;

(c) \$500,000 when the claim is one for death by wrongful act or omission and \$500,000 to any claimant in any other case, for claims arising on or after July 1, 2009;

(d) \$750,000 for any number of claims arising out of a single occurrence, for claims arising on or after January 1, 1998, and before January 1, 2000;

(e) \$1,000,000 for any number of claims arising out of a single occurrence, for claims arising on or after January 1, 2000, and before January 1, 2008;

(f) \$1,200,000 for any number of claims arising out of a single occurrence, for claims arising on or after January 1, 2008, and before July 1, 2009;

(g) \$1,500,000 for any number of claims arising out of a single occurrence, for claims arising on or after July 1, 2009; or

(h) \$1,000,000 for any number of claims arising out of a single occurrence, if the claim involves a nonprofit organization engaged in or administering outdoor recreational activities funded in whole or in part by the state or operating under the authorization of a permit issued by an agency or department of the state.

If the amount awarded to or settled upon multiple claimants exceeds the applicable limit under clause (d), (e), (f), (g), or (h), any party may apply to the district court to apportion to each claimant a proper share of the amount available under the applicable limit under clause (d), (e), (f), or (g). The share apportioned to each claimant shall be in the proportion that the ratio of the award or settlement bears to the aggregate awards and settlements for all claims arising out of the occurrence.

The limitation imposed by this subdivision on individual claimants includes damages claimed for loss of services or loss of support arising out of the same tort.

Subd. 4a. **Securities claims limits.** The total liability of the state and its employees acting within the scope of their employment on any claim of whatever matter arising from the issuance and sale of securities by the state shall not exceed:

(a) \$100,000 to any one person; or

(b) \$500,000 to all claimants in respect of the securities of the same series.

The limitations in clauses (a) and (b) shall not affect the obligation of the issuing state entity to pay the indebtedness under the securities in accordance with their terms and from the sources pledged to their payment.

Subd. 5. **Notice required.** Except as provided in subdivision 6, every person, whether plaintiff, defendant or third-party plaintiff or defendant, who claims compensation from the state or a state employee acting within the scope of employment for or on account of any loss or injury shall present to the attorney general or, in the case of a claim against the University of Minnesota, to the person designated by the regents of the university as the university attorney, and any state employee from whom the claimant will seek compensation, within 180 days after the alleged loss or injury is discovered, a notice stating its time, place and circumstances, the names of any state employees known to be involved, and the amount of compensation or other relief

demanded. Actual notice of sufficient facts to reasonably put the state or its insurer on notice of a possible claim complies with the notice requirements of this section. Failure to state the amount of compensation or other relief demanded does not invalidate the notice, but the claimant shall furnish full information available regarding the nature and extent of the injuries and damages within 15 days after demand by the state. The time for giving the notice does not include the time during which the person injured is incapacitated by the injury from giving the notice.

Subd. 6. Claims for wrongful death; notice. When the claim is one for death by wrongful act or omission, the notice may be presented by the personal representative, surviving spouse, or next of kin, or the consular officer of the foreign country of which the deceased was a citizen, within one year after the alleged injury or loss resulting in the death. If the person for whose death the claim is made has presented a notice that would have been sufficient had the person lived, an action for wrongful death may be brought without additional notice.

Subd. 7. Payment. A state agency, including an entity defined as part of the state in section 3.732, subdivision 1, clause (1), incurring a tort claim judgment or settlement obligation or whose employees acting within the scope of their employment incur the obligation shall seek approval to make payment from the commissioner or director of that agency. The request shall contain a description of the tort claim that causes the request, specify the amount of the obligation and be accompanied by copies of judgments, settlement agreements or other documentation relevant to the obligation for which the agency seeks payment. Upon receipt of the request and review of the claim, the commissioner or director shall determine the proper appropriation from which to make payment. If there is enough money in an appropriation or combination of appropriations to the agency for its general operations and management to pay the claim without unduly hindering the operation of the agency, the commissioner or director shall direct that payment be made from that source. Claims relating to activities paid for by appropriations of dedicated receipts shall be paid from those appropriations if practicable. On determining that an agency has sufficient money in these appropriations to pay only part of a claim, the commissioner of management and budget shall pay the remainder of the claim from the money appropriated to the commissioner for the purpose. On determining that the agency does not have enough money to pay any part of the claim, the commissioner shall pay all of the claim from money appropriated to the commissioner for the purpose. Payment shall be made only upon receipt of a written release by the claimant in a form approved by the attorney general, or the person designated as the university attorney, as the case may be.

No attachment or execution shall issue against the state.

Subd. 8. Liability insurance. A state agency, including an entity defined as a part of the state in section 3.732, subdivision 1, clause (1), may procure insurance against liability of the agency and its employees for damages resulting from the torts of the agency and its employees. Procurement of the insurance is a waiver of the limits of governmental liability under subdivisions 4 and 4a only to the extent that valid and collectible insurance, including where applicable, proceeds from the Minnesota Insurance Guaranty Association, exceeds those limits and covers the claim. Purchase of insurance has no other effect on the liability of the agency and its employees. Procurement of commercial insurance, participation in the risk management fund under section 16B.85, or provisions of an individual self-insurance plan with or without a reserve fund or reinsurance does not constitute a waiver of any governmental immunities or exclusions.

Subd. 9. Indemnification. The state shall defend, save harmless, and indemnify any employee of the state against expenses, attorneys' fees, judgments, fines, and amounts paid in settlement actually and reasonably incurred by the employee in connection with any tort, civil, or equitable claim or demand, or expenses, attorneys' fees, judgments, fines, and amounts paid in settlement actually and reasonably incurred by the employee in connection with any claim or demand arising from the issuance and sale of securities

by the state, whether groundless or otherwise, arising out of an alleged act or omission occurring during the period of employment if the employee provides complete disclosure and cooperation in the defense of the claim or demand and if the employee was acting within the scope of employment. Except for elected employees, an employee is conclusively presumed to have been acting within the scope of employment if the employee's appointing authority issues a certificate to that effect. This determination may be overruled by the attorney general. The determination of whether an employee was acting within the scope of employment is a question of fact to be determined by the trier of fact based upon the circumstances of each case:

- (i) in the absence of a certification,
- (ii) if a certification is overruled by the attorney general,
- (iii) if an unfavorable certification is made, or
- (iv) with respect to an elected official.

The absence of the certification or an unfavorable certification is not evidence relevant to a determination by the trier of fact. It is the express intent of this provision to defend, save harmless, and indemnify any employee of the state against the full amount of any final judgment rendered by a court of competent jurisdiction arising from a claim or demand described herein, regardless of whether the limitations on liability specified in subdivision 4 or 4a are, for any reason, found to be inapplicable. This subdivision does not apply in case of malfeasance in office or willful or wanton actions or neglect of duty, nor does it apply to expenses, attorneys' fees, judgments, fines, and amounts paid in settlement of claims for proceedings brought by or before responsibility or ethics boards or committees.

Subd. 9a. Peace officer indemnification. The state shall defend, save harmless, and indemnify a peace officer who is not acting on behalf of a private employer and who is acting in good faith under section 629.40, subdivision 4, the same as if the officer were an employee of the state.

Subd. 10. Judgment as bar. The judgment in an action under this section is a complete bar to any action by the claimant, by reason of the same subject matter, against the state employee whose act or omission gave rise to the claim.

Subd. 11. Statute of limitation. The statute of limitations for all tort claims brought against the state is as provided in chapter 541 and other laws.

3.7365 LEGAL COUNSEL; REIMBURSEMENT.

3.737 LIVESTOCK OWNERS; COMPENSATION FOR DESTROYED OR CRIPPLED ANIMALS.

Subdivision 1. **Compensation required.** (a) Notwithstanding section 3.736, subdivision 3, paragraph (e), or any other law, a livestock owner shall be compensated by the commissioner of agriculture for livestock that is destroyed by a wolf or is so crippled by a wolf that it must be destroyed. Except as provided in this section, the owner is entitled to the fair market value of the destroyed livestock as determined by the commissioner, upon recommendation of the fair market value by a university extension agent. In any fiscal year, a livestock owner may not be compensated for a destroyed animal claim that is less than \$100 in value and may be compensated up to \$20,000, as determined under this section. In any fiscal year, the commissioner may provide compensation for claims filed under this section up to the amount expressly appropriated for this purpose.

(b) A university extension agent, a conservation officer, an official from the Animal and Plant Health Inspection Service of the United States Department of Agriculture, a peace officer from the county sheriff's office, or a licensed veterinarian must make a personal inspection of the site and submit a report to the commissioner, including photographs, detailing the results of the investigation. The investigator must take into account factors in addition to a visual identification of a carcass when making a recommendation to the commissioner. The commissioner, upon recommendation of the investigator, shall determine whether the livestock was destroyed by a wolf. The owner shall file a claim on forms provided by the commissioner and available at the university extension agent's office.

Subd. 2. **Deduction from payment.** Payments made under this section shall be reduced by amounts received by the owner as proceeds from an insurance policy covering livestock losses, or from any other source for the same purpose including, but not limited to, a federal program.

Subd. 3. **Rules.** The commissioner shall adopt and may amend rules to carry out this section which shall include: methods of valuation of livestock destroyed; criteria for determination of the cause for livestock loss; notice requirements by the owner of destroyed livestock; and other matters determined necessary by the commissioner to carry out this section.

Subd. 4. **Payment; denial of compensation.** (a) If the commissioner finds that the livestock owner has shown that the loss of the livestock was likely caused by a wolf, the commissioner shall pay compensation as provided in this section and in the rules of the department.

(b) If the commissioner denies compensation claimed by an owner under this section, the commissioner shall issue a written decision based upon the available evidence. It shall include specification of the facts upon which the decision is based and the conclusions on the material issues of the claim. A copy of the decision shall be mailed to the owner.

(c) A decision to deny compensation claimed under this section is not subject to the contested case review procedures of chapter 14, but may be reviewed upon a trial de novo in a court in the county where the loss occurred. The decision of the court may be appealed as in other civil cases. Review in court may be obtained by filing a petition for review with the administrator of the court within 60 days following receipt of a decision under this section. Upon the filing of a petition, the administrator shall mail a copy to the commissioner and set a time for hearing within 90 days of the filing.

Subd. 5. **Wolf best management practices.** By September 1, 1999, the commissioner must develop best management practices to prevent wolf depredation on livestock farms. The commissioner shall periodically update the best management practices when new practices are found by the commissioner to prevent wolf depredation on livestock farms. The commissioner must provide an updated copy of the best

management practices for wolf depredation to all livestock owners who are still engaged in livestock farming and have previously submitted livestock claims under this section.

Subd. 6. **Federal reimbursement.** The commissioner must pursue federal reimbursement for any compensation payment issued under this section while:

(1) the United States Fish and Wildlife Service lists the Minnesota population of gray wolves as endangered and threatened wildlife under the federal Endangered Species Act; or

(2) the federal government otherwise prohibits livestock producers from protecting their livestock from wolf depredation.

Subd. 7. **Report.** The commissioner must submit a report to the chairs and ranking minority members of the house of representatives and senate committees and divisions with jurisdiction over agriculture and environment and natural resources by December 15 each year. The report must include:

(1) all payments made under this section, by county and statewide, in the previous five fiscal years;

(2) the program's total revenue by funding source including state appropriations; and

(3) how each revenue source is used in expenditures including administrative costs used to carry out this section.

3.7371 COMPENSATION FOR CROP OR FENCE DAMAGE CAUSED BY ELK.

Subdivision 1. **Authorization.** Notwithstanding section 3.736, subdivision 3, paragraph (e), or any other law, a person who owns an agricultural crop or pasture shall be compensated by the commissioner of agriculture for an agricultural crop, or fence surrounding the crop or pasture, that is damaged or destroyed by elk as provided in this section.

Subd. 1a. **Definitions.** (a) For purposes of this section, the following terms have the meanings given.

(b) "Approved agent" means a person authorized by the Department of Agriculture to determine if crop or fence damage was caused by elk and to assign a monetary value to the crop or fence damage.

(c) "Commissioner" means the commissioner of agriculture or the commissioner's authorized representative.

(d) "Estimated value" means the current value of crops or fencing as determined by an approved agent.

(e) "Owner" means an individual, firm, corporation, copartnership, or association with an interest in crops or fencing damaged by elk.

Subd. 2. **Claim form and reporting.** (a) The owner must prepare a claim on forms provided by the commissioner and available on the Department of Agriculture website or by request from the commissioner.

(b) After discovering crop or fence damage suspected to be caused by elk, an owner must promptly notify an approved agent of the damage. To submit a claim for crop or fence damage caused by elk, an owner must complete the required portions of the claim form provided by the commissioner. An owner who has

submitted a claim must provide an approved agent with all information required to investigate the crop or fence damage.

Subd. 2a. **Investigation and crop valuation.** (a) Upon receiving notification of crop or fence damage suspected to be caused by elk, an approved agent must promptly investigate the damage in a timely manner. An approved agent must make written findings on the claim form regarding whether the crop or fence was destroyed or damaged by elk. The approved agent's findings must be based on physical and circumstantial evidence, including:

- (1) the condition of the crop or fence;
- (2) the presence of elk tracks;
- (3) the geographic area of the state where the crop or fence damage occurred;
- (4) any sightings of elk in the area; and
- (5) any other circumstances that the approved agent considers to be relevant.

(b) The absence of affirmative evidence may be grounds for denial of a claim.

(c) On a claim form, an approved agent must make written findings of the extent of crop or fence damage and, if applicable, the amount of crop destroyed.

(d) For damage to standing crops, an owner may choose to have the approved agent use the method in clause (1) or (2) to complete the claim form and determine the amount of crop loss:

(1) to submit a claim form to the commissioner at the time that the suspected elk damage is discovered, the approved agent must record on the claim form: (i) the field's potential yield per acre; (ii) the field's average yield per acre that is expected on the damaged acres; (iii) the estimated value of the crop; and (iv) the total amount of loss. Upon completing the claim form, the approved agent must submit the form to the commissioner; or

(2) to submit a claim form to the commissioner at the time that the crop is harvested, the approved agent must record on the claim form at the time of the investigation: (i) the percent of crop loss from damage; (ii) the actual yield of the damaged field when the crop is harvested; (iii) the estimated value of the crop; and (iv) the total amount of loss. Upon completing the claim form, the approved agent must submit the form to the commissioner.

(e) For damage to stored crops, an approved agent must record on the claim form: (1) the type and volume of destroyed stored crops; (2) the estimated value of the crop; and (3) the total amount of loss.

(f) For damage to fencing, an approved agent must record on the claim form: (1) the type of materials damaged; (2) the linear feet of the damage; (3) the value of the materials per unit according to National Resource Conservation Service specifications; and (4) the calculated total damage to the fence.

Subd. 2b. **Claim form.** A completed claim form must be signed by the owner and an approved agent. An approved agent must submit the claim form to the commissioner for the commissioner's review and payment. The commissioner must return an incomplete claim form to the approved agent. When returning an incomplete claim form to an approved agent, the commissioner must indicate which information is missing from the claim form.

Subd. 3. **Compensation.** (a) An owner is entitled to the estimated value of the damaged or destroyed crop or fence. Verification of crop or fence damage by elk may be provided by submitting photographs or other evidence and documentation using forms prescribed by the commissioner. The commissioner, upon recommendation of the commissioner's approved agent, shall determine whether the crop damage or destruction or damage to or destruction of a fence surrounding a crop or pasture is caused by elk and, if so, the amount of the crop or fence that is damaged or destroyed. In any fiscal year, an owner may not be compensated for a damaged or destroyed crop or fence surrounding a crop or pasture that is less than \$100 in value and may be compensated up to \$20,000, as determined under this section. An owner may not be compensated more than \$1,800 per fiscal year for damage to fencing surrounding a crop or pasture.

(b) In any fiscal year, the commissioner may provide compensation for claims filed under this section up to the amount expressly appropriated for this purpose.

Subd. 4. **Insurance deduction.** Payments authorized by this section must be reduced by amounts received by the owner as proceeds from an insurance policy covering crop losses or damage to or destruction of a fence surrounding a crop or pasture, or from any other source for the same purpose including, but not limited to, a federal program.

Subd. 5. **Decision on claims; opening land to hunting.** If the commissioner finds that the owner has shown that the damage or destruction of the owner's crop or damage to or destruction of a fence surrounding a crop or pasture was caused more probably than not by elk, the commissioner shall pay compensation as provided in this section and the rules of the commissioner. An owner who receives compensation under this section may, by written permission, permit hunting on the land at the landowner's discretion.

Subd. 6. **Denial of claim; appeal.** (a) If the commissioner denies compensation claimed by an owner under this section, the commissioner shall issue a written decision based upon the available evidence including a statement of the facts upon which the decision is based and the conclusions on the material issues of the claim. A copy of the decision must be mailed to the owner.

(b) A decision denying compensation claimed under this section is not subject to the contested case review procedures of chapter 14, but an owner may have the claim reviewed in a trial de novo in a court in the county where the loss occurred. The decision of the court may be appealed as in other civil cases. Review in court may be obtained by filing a petition for review with the administrator of the court within 60 days following receipt of a decision under this section. Upon the filing of a petition, the administrator shall mail a copy to the commissioner and set a time for hearing within 90 days after the filing.

Subd. 7. MS 2022 [Repealed, 2024 c 126 art 2 s 73; 2024 c 127 art 38 s 73]

Subd. 8. **Report.** The commissioner must submit a report to the chairs of the house of representatives and senate committees and divisions with jurisdiction over agriculture and environment and natural resources by December 15 each year that details the total amount of damages paid, by elk herd, in the previous two fiscal years.

3.738 INJURY OR DEATH OF PATIENT OR INMATE.

Subdivision 1. **Legislative authority.** Claims and demands arising out of injury to or death of a patient of a state institution under the control of the Direct Care and Treatment executive board or the commissioner of veterans affairs or an inmate of a state correctional facility while performing assigned duties shall be presented to, heard, and determined by the legislature.

Subd. 2. **Evaluation of claims.** Claims that are approved under this section shall be paid pursuant to legislative appropriation following evaluation of each claim by the appropriate committees of the senate and house of representatives. Compensation will not be paid for pain and suffering.

Subd. 3. **Exclusive remedy.** The procedure established by this section is exclusive of all other legal, equitable, and statutory remedies.

History: 1977 c 450 s 6; 1979 c 260 s 1; 1984 c 654 art 5 s 58; 1988 c 469 art 1 s 1; 1993 c 155 s 1; 1999 c 169 s 6; 2008 c 297 art 2 s 29; 2024 c 79 art 10 s 3

3.7381 LOSS, DAMAGE, OR DESTRUCTION OF PROPERTY; STATE INSTITUTIONS; CORRECTIONAL FACILITIES.

(a) The commissioners of human services, veterans affairs, or corrections, as appropriate, shall determine, adjust, and settle, at any time, claims and demands of \$7,000 or less arising from negligent loss, damage, or destruction of property of a patient of a state institution under the control of the Direct Care and Treatment executive board or the commissioner of veterans affairs or an inmate of a state correctional facility.

(b) A claim of more than \$7,000, or a claim that was not paid by the appropriate department may be presented to, heard, and determined by the appropriate committees of the senate and the house of representatives and, if approved, shall be paid pursuant to legislative claims procedure.

(c) The procedure established by this section is exclusive of all other legal, equitable, and statutory remedies.

3.739 INJURY OR DEATH OF CERTAIN INMATES OR PERSONS.

Subdivision 1. **Permissible claims.** Claims and demands arising out of the circumstances described in this subdivision shall be presented to, heard, and determined as provided in subdivision 2:

(1) an injury to or death of an inmate of a state, regional, or local correctional facility or county jail while performing compensated or uncompensated work in the community for a state agency, a political subdivision or public corporation of this state, a nonprofit educational, medical, or social service agency, or a private business or individual, while performing the work;

(2) an injury to or death of a person sentenced by a court, granted a suspended sentence by a court, or subject to a court disposition order, and who is performing work (i) in restitution, (ii) in lieu of or to work off fines, court-ordered costs, or other statutorily authorized correctional fees, (iii) in lieu of incarceration, or (iv) as a term or condition of a sentence, suspended sentence, or disposition order, while performing the work;

(3) an injury to or death of a person, who has been diverted from the court system and who is performing work as described in clause (1) or (2) under a written agreement signed by the person, and if a juvenile, by a parent or guardian; and

(4) an injury to or death of any person caused by an individual who was performing work as described in clause (1), (2), or (3).

Subd. 2. **Evaluation and payment of claims.** Claims of \$7,000 or less subject to this section shall be investigated by the state or local agency responsible for supervising the work to determine if the claim is valid and if the loss is covered by the claimant's insurance. The investigating agency shall submit all

appropriate claims to the Department of Corrections. Subject to the limitations contained in subdivision 2a, the department shall pay the portion of an approved claim that is not covered by the claimant's insurance. This payment shall be made within a reasonable time. On or before the first day of each legislative session, the department shall submit to the appropriate committees of the senate and the house of representatives a list of the claims paid by it during the preceding calendar year and shall be reimbursed by legislative appropriation for the claims paid. For the purposes of this paragraph, in the case of a juvenile claimant the term "claimant's insurance" includes the insurance of the juvenile's parents if the juvenile is covered by the insurance.

A claim in excess of \$7,000, and a claim that was not paid by the department may be presented to, heard, and determined by the appropriate committees of the senate and the house of representatives and, if approved, shall be paid pursuant to legislative claims procedure.

No juvenile claimant receiving payment under this section may be identified by name either in the list of claimants submitted by the department or in the legislative appropriation.

Subd. 2a. **Limitations.** Compensation paid under this section is limited to reimbursement for medical expenses and compensation for permanent total disability, permanent partial disability, or death. Reimbursement for medical expenses under this section is limited to the amount which would be payable for the same expenses under the medical assistance program authorized under chapter 256B. No compensation shall be paid under this section for pain and suffering. Payments made under this section shall be reduced by any proceeds received by the claimant or the medical care provider from any insurance policy covering the loss. For the purposes of this section, "insurance policy" does not include the medical assistance program authorized under chapter 256B.

Subd. 3. **Exclusive remedy.** The procedure established by this section is exclusive of all other legal, equitable, and statutory remedies against the state, its political subdivisions, or employees of the state or its political subdivisions.

3.7391 PURPOSE.

Subdivision 1. **Findings; I-35W bridge.** The legislature finds that the collapse of the Interstate Highway 35W bridge over the Mississippi River in Minneapolis on August 1, 2007, was a catastrophe of historic proportions. The bridge was the third busiest in the state, carrying over 140,000 cars per day. Its collapse killed 13 people and injured more than 100. No other structure owned by this state has ever fallen with such devastating physical and psychological impact on so many.

Subd. 2. **Compensation process.** The establishment of a compensation process under sections 3.7391 to 3.7395 for survivors of the catastrophe furthers the public interest by providing a remedy for survivors while avoiding the uncertainty and expense of potentially complex and protracted litigation to resolve the issue of the liability of the state, a municipality, or their employees for damages incurred by survivors.

Subd. 3. **Not an admission of liability.** These findings are not an admission of liability of the state, a municipality, or their employees for damages caused by the catastrophe.

History: 2008 c 288 s 2

3.7392 DEFINITIONS.

Subdivision 1. **Application.** The definitions in this section apply to sections 3.7391 to 3.7395.

Subd. 2. **Catastrophe.** "Catastrophe" means the collapse of the I-35W bridge over the Mississippi River in Minneapolis on August 1, 2007.

Subd. 3. **Damages.** "Damages" means damages that are compensable under state tort law and damages for wrongful death that are compensable under section 573.02. Damages do not include punitive damages or attorney fees or other fees incurred by a survivor in making a claim under this section or other law.

Subd. 4. **Emergency relief fund.** "Emergency relief fund" means the I-35W bridge emergency relief fund created by the state on November 30, 2007.

Subd. 5. **Municipality.** "Municipality" has the meaning given in section 466.01.

Subd. 6. **Panel.** "Panel" means the special master panel created under section 3.7393.

Subd. 7. **State.** "State" has the meaning given in section 3.732.

Subd. 8. **Survivor.** "Survivor" means a natural person who was present on the I-35W bridge at the time of the collapse. Survivor also includes:

(1) the parent or legal guardian of a survivor who is under 18 years of age;

(2) a legally appointed representative of a survivor; or

(3) the surviving spouse or next of kin of a deceased survivor who would be entitled to bring an action under section 573.02.

History: 2008 c 288 s 3

3.7393 CONSIDERATION AND PAYMENT OF CLAIMS.

Subdivision 1. **Special master panel.** The chief justice of the supreme court shall establish a special master panel to consider claims, make offers of settlement, and enter into settlement agreements with survivors on behalf of the state. The panel must be established by June 30, 2008. The panel must consist of three attorneys. Members of the panel must have experience in legal issues involving the settlement of tort claims and the determination of damages. The chief justice shall designate a member of the panel to serve as chair of the panel. The chief justice shall determine the pay and expenses to be received by the panel.

Subd. 2. **Staff.** Within the limits of available appropriations, the state court administrator, in consultation with the panel, shall hire employees or retain consultants necessary to assist the panel in performing its duties under this section. Employees are in the unclassified state civil service. The panel may also use consultants who are under a contract with the state or current state employees to assist the panel in processing claims under this section.

Subd. 3. **Records.** (a) Records of the panel related to a claim filed by a survivor, an offer of settlement, or an acceptance or rejection of an offer are not accessible to the public except for:

(1) the name of the survivor; and

(2) the terms of any written settlement agreement between the survivor and the state.

(b) Records created by a member of the panel related to the member's service as a member of the panel are not discoverable in any civil or administrative proceeding except a record relating to any statement or conduct that may constitute a crime.

Subd. 4. **Procedure.** Consistent with sections 3.7391 to 3.7395, the panel may adopt and modify procedures, rules, and forms for considering claims, making offers of settlement, entering into settlement agreements, and considering requests for and making supplemental payments. The panel must allow each survivor to appear in person before the panel or one of its members.

Subd. 5. **Payment of panel expenses.** The state court administrator shall forward documentation of salaries, expenses, and administrative costs under this section to the commissioner of management and budget for payment of those amounts.

Subd. 6. **Immunity; indemnification.** (a) Members of the panel and employees and consultants acting under the direction of the panel are absolutely immune from civil liability for any act or omission occurring within the scope of the performance of their duties under this section.

(b) Members of the panel, employees, and consultants acting under the direction of the panel are employees of the state for purposes of section 3.736, subdivision 9.

Subd. 6a. **Testimonial privilege.** A member of the panel must not testify in any civil or administrative proceeding regarding any matter involving or arising out of the member's service as a member of the panel, except as to a statement or conduct that may constitute a crime.

Subd. 7. **General duties.** The panel shall consider claims, make offers of settlement, and enter into settlement agreements with survivors as provided in this section. The panel must not consider negligence or any other theory of liability. The panel shall make offers of settlement and supplemental payments under this section with the assumption that no future appropriation will be available for these purposes and shall include a notice of this provision when making settlement offers.

Subd. 8. **Effect and finality of offers and settlement agreements.** (a) An offer of settlement made to a survivor under this section is considered for all purposes to be an offer to the survivor to settle a legal claim.

(b) A determination by the panel regarding an offer of settlement or settlement agreement or a supplemental payment is final and not subject to judicial review.

(c) The amount of damages incurred by a survivor calculated by the panel pursuant to subdivision 10 may not be used in a subsequent court proceeding in evidence or otherwise to determine any rights, duties, or responsibilities of the state or any other party.

Subd. 9. **Deadlines.** In order to be eligible to receive an offer of settlement or enter into a settlement agreement under this section or to receive a supplemental payment under subdivision 12, a survivor must file a claim with the panel by October 15, 2008. Any offer of settlement must be made by February 28, 2009. A survivor must accept or reject the offer of settlement within 45 days after receiving the offer. Failure to accept an offer within 45 days is a rejection. A survivor who is eligible to receive a supplemental payment under subdivision 12 may choose to wait until the survivor's supplemental payment is calculated before accepting or rejecting an offer of settlement, provided that a survivor may not accept an offer of settlement later than 45 days after receiving notice of the proposed supplemental payment award. The decision to accept or reject an offer is irrevocable. The panel must notify a survivor of the deadlines for response to an offer of settlement as provided in this subdivision.

Subd. 10. **Calculation of amount.** The panel shall determine the total damages incurred by a survivor. The amount of an offer of settlement under this section must be calculated based on the total damages, less:

(1) payments made to the survivor up to the date the settlement offer is made from the collateral sources referred to in section 548.251, subdivision 1;

(2) any payment made to the survivor from the emergency relief fund; and

(3) any payments made or required to be made to the survivor by a third-party tortfeasor under the terms of a settlement or other agreement with the survivor that exists at the time the offer is made or a final judgment in favor of the survivor concerning claims of the survivor that relate to, involve, or arise out of the catastrophe.

Subd. 11. **Offers of settlement; limit on amount.** (a) The amount of an offer of settlement or payment required by a settlement agreement must not exceed \$400,000. This limitation does not apply to a supplemental payment made under subdivision 12. An offer of settlement must be accompanied by a notice to the survivor of the remainder of the amount calculated under subdivision 10 that is not included in the offer because of the limitation under this paragraph and the amount of the remainder for which a supplemental payment may be awarded.

(b) Notwithstanding section 3.736, subdivision 4, clause (e), or 466.04, subdivision 1, paragraph (a), clause (5), the \$1,000,000 limitation on state or municipal liability for claims arising out of a single occurrence otherwise applicable to the catastrophe does not apply to payments made to survivors under this section. The amount that may be paid by the state is limited by the appropriations for this purpose.

Subd. 12. **Supplemental payments.** (a) For purposes of this subdivision, "uncompensated medical expenses" means:

(1) medical expenses less payments made to a survivor from collateral sources referred to in section 548.251, subdivision 1, that provide payments for medical expenses; and

(2) the present value of premiums, deductibles, and coinsurance payments for high-risk health plan coverage offered by the Minnesota Comprehensive Health Association or by another similar health plan.

(b) A survivor is eligible for a supplemental payment if the offer of settlement calculation for the survivor, as provided in subdivision 10, exceeds \$400,000. The supplemental payment must be calculated based solely on that portion of the uncompensated medical expenses, loss of income, future earning capacity, or other financial support for which compensation was not received under the offer of settlement or settlement agreement under subdivision 11. A supplemental payment may only be made to a survivor who has accepted an offer of settlement, entered into a settlement agreement, and executed a release under subdivision 13. Consistent with the requirements of this section, the panel shall establish necessary procedures and timelines for the award of supplemental payments. A supplemental payment may be made only for the following purposes, in the following order of priority:

(1) to pay uncompensated medical expenses in excess of those paid from the first \$400,000; and

(2) to pay for loss of income, future earning capacity, or other financial support not included in the first \$400,000.

No payment may be made to a survivor for loss of income under clause (2) unless and until all survivors have been fully paid for all medical expenses for which they are eligible under clause (1).

(c) If the available appropriation is insufficient to make full awards to all survivors eligible for a supplemental payment, the panel may award the payments based on a uniform percentage of the amount

that is less than the full amount eligible for a supplemental payment or take other steps the panel considers necessary to ensure that the available appropriation is equitably distributed among all survivors who have requested and qualify for a supplemental payment, subject to the order of priority under this subdivision.

Subd. 13. **Release.** A survivor who accepts an offer of settlement from the panel must agree in writing and in a form developed by the panel, with the approval of the attorney general, to release the state and every municipality of this state and their employees from liability, including claims for damages, arising from the catastrophe and to cooperate with the state in pursuing claims the state may have against any other party. The release must also provide that the survivor will indemnify the state, a municipality, and their employees from any claim of contribution or indemnity, or both, made by other persons against the state, a municipality, and their employees and that the survivor will satisfy any judgment obtained by the survivor in an action against other persons to the extent of the release, if the claim or judgment relates in any way to a claim of the survivor arising from the catastrophe. The release must provide for the subrogation interest of the state under section 3.7394, subdivision 5. A survivor who previously has commenced an administrative, court, or other action against the state or a municipality of the state or their employees seeking recovery from loss resulting from the catastrophe must agree to dismiss or otherwise withdraw the action before receiving compensation under this section.

Subd. 14. **Payment.** The panel shall promptly forward to the commissioner of management and budget documentation of each settlement agreement that has been entered into under this section. Except as provided in section 3.7394, subdivision 4, paragraph (b), the commissioner of management and budget shall pay the agreed amount within 45 days after receiving the documentation and in the order in which the documentation from the panel was received.

Subd. 15. **Election to proceed in district court.** (a) A survivor may elect not to file a claim with the panel or not to accept an offer of settlement from the panel. A survivor who elects not to file a claim with the panel or not to accept an offer of settlement has not waived any legal rights that may be asserted against the state or a municipality or their employees and may proceed with a claim in district court.

(b) If a survivor elects not to accept an offer of settlement, the state or a municipality or their employees may not use any data provided by the survivor to the panel in a subsequent legal proceeding. The state or a municipality or their employees may obtain information, including data provided to the panel, through discovery or other legal processes.

3.7394 EFFECT OF SPECIAL COMPENSATION PROCESS; RELATIONSHIP TO OTHER LAW.

Subdivision 1. **No state liability or duty created.** The establishment of the special compensation process under section 3.7393 and the emergency relief fund, and an offer of settlement or a settlement agreement, is not an admission of liability by the state or a municipality or their employees and does not establish a duty of the state, a municipality, or their employees to compensate survivors. The creation and funding of the compensation process under sections 3.7391 to 3.7395 or an offer of settlement or settlement agreement is not admissible in a judicial or administrative proceeding to establish liability or a legal duty.

Subd. 2. **Payments as additional compensation.** Payments made under section 3.7393 or from the emergency relief fund are intended to supplement and be in addition to any payments required to be made by a third party under law or contract.

Subd. 3. **Payments from other sources.** (a) Notwithstanding any statutory or common law or agreement to the contrary, a person who is not a third-party tortfeasor and who is required to make payments, including

future payments, to a survivor may eliminate or reduce those payments as a result of compensation paid to the survivor under section 3.7393 or from the emergency relief fund only to the extent those payments represent damages for future losses for which the survivor received compensation under section 3.7393 or from the emergency relief fund. The obligation of any person other than the state to make payments to a survivor is primary as compared to any payment made or to be made under section 3.7393 or from the emergency relief fund. The persons referenced in and covered by this subdivision and subdivision 4 include, without limitation:

(1) reparation obligors, as defined in section 65B.43, subdivision 9, whether they are insurers or self-insurers;

(2) health plan companies, as defined in section 62Q.01, subdivision 4, including the Minnesota Comprehensive Health Association created under section 62E.10;

(3) insurance companies, as defined in section 60A.02, subdivision 4;

(4) self-insured pools of political subdivisions organized under section 471.617 or 471.981, including service cooperatives pools organized under section 123A.21;

(5) risk retention groups, as defined in section 60E.02, subdivision 12;

(6) joint self-insurance plans governed by chapter 60F;

(7) workers' compensation insurers and private self-insurers, as defined in section 79.01;

(8) the Minnesota Life and Health Insurance Guaranty Association governed by chapter 61B;

(9) the Minnesota Insurance Guaranty Association governed by chapter 60C;

(10) the Minnesota Joint Underwriting Association governed by chapter 62I;

(11) all insurers providing credit life, credit accident and health, and credit involuntary unemployment insurance under chapter 62B, but also including those coverages written in connection with real estate mortgage loans and those provided to borrowers at no additional cost;

(12) the Minnesota unemployment insurance program provided under chapter 268;

(13) coverage offered by the state under medical assistance and MinnesotaCare; and

(14) any other plan providing health, life, disability income, or long-term care coverage.

(b) A third-party tortfeasor who is required to make payments, including future payments, to a survivor may not eliminate or reduce those payments as a result of compensation paid to a survivor under section 3.7393 or from the emergency relief fund or as a result of the survivor's release of claims against the state, a municipality, or their employees under section 3.7393.

Subd. 4. No third-party subrogation or recovery. (a) Notwithstanding any statutory or common law or agreement to the contrary, a person who pays benefits or compensation to or on behalf of a survivor does not have a subrogation or other right, including, but not limited to, any rights otherwise provided under sections 65B.53 and 176.061, to recover those benefits or compensation by making a claim against the state, a municipality or their employees, or by making a claim, or recovering from payments made, under section 3.7393 or from the emergency relief fund.

(b) Following a settlement agreement under section 3.7393, a person who believes that the state cannot constitutionally prohibit assertion of a subrogation or other claim described in paragraph (a) and who claims such a subrogation or other interest against the state, a municipality or their employees, or against the amount to be paid by the state under section 3.7393 or any payment made from the emergency relief fund has 40 days after the settlement agreement was entered into to provide notice to the state and the survivor of the person's intent to assert that interest, during which time the commissioner of management and budget must not make the payment under section 3.7393. The subrogation or other claim is waived if the notice is not provided by the deadline. If no notice is received by the deadline, the commissioner of management and budget shall make the payment. If a notice of claim is received, the commissioner shall withhold the payment until the person abandons or waives the subrogation or other claim.

Subd. 5. Reimbursement of state; right of subrogation. (a) Notwithstanding any statutory or common law to the contrary, the state is entitled to recover from any third party, including an agent, contractor, or vendor retained by the state, any payments made from the emergency relief fund or under section 3.7393 to the extent the third party caused or contributed to the catastrophe. The state is entitled to be reimbursed regardless of whether the survivor is fully compensated.

(b) Notwithstanding any statutory or common law to the contrary, the state is subrogated to all potential claims against third-party tortfeasors of a survivor receiving payment from the emergency relief fund or under section 3.7393 to the extent the claims relate to, involve, or arise out of the catastrophe. The subrogation right of the state under this subdivision is limited to the amount paid to the survivor from the emergency relief fund and under section 3.7393. The rights of the state under this subdivision are in addition to other remedies, claims, and rights relating to the catastrophe that the state may have against other persons for the recovery of monetary or other relief.

(c) A survivor must notify the state if the survivor has been fully compensated by third parties for damages caused by the catastrophe. A survivor is fully compensated if payments made or required to be made to the survivor by a third-party tortfeasor under the terms of a settlement agreement or other agreement with the survivor or a final judgment in favor of the survivor concerning claims that relate to, involve, or arise out of the catastrophe are equal to or greater than the total damages incurred by the survivor as determined by the panel under section 3.7393, subdivision 10. The state is entitled to be reimbursed by a survivor only to the extent that these payments are greater than the total damages incurred by the survivor.

Subd. 6. Amounts not considered for purposes of limit on government tort liability. Payments made to survivors under section 3.7393 or from the emergency relief fund are not to be considered in calculating the \$1,000,000 limit on tort claims in civil actions against the state arising out of the catastrophe for purposes of section 3.736, subdivision 4, clause (e), or a municipality arising out of the catastrophe for purposes of section 466.04, subdivision 1, clause (5).

History: 1974 c 355 s 69; 1975 c 271 s 6; 1980 c 615 s 1; 1980 c 618 s 26; 1981 c 112 s 1,2; 1981 c 253 s 1; 1981 c 342 art 2 s 1; 1982 c 424 s 130; 1986 c 444; 1989 c 155 s 6; 1993 c 370 s 2; 1994 c 629 s 1; 1997 c 98 s 1

3.842 REVIEW OF RULES BY COMMISSION OR COMMITTEE.

Subdivision 1. **Purpose.** The commission shall promote adequate and proper rules by agencies and an understanding upon the part of the public respecting them.

Subd. 2. **Jurisdiction.** The jurisdiction of the commission includes all rules as defined in section 14.02, subdivision 4. The commission also has jurisdiction of rules filed with the secretary of state in accordance with sections 14.38, subdivision 11; 14.386; and 14.388.

The commission may periodically review statutory exemptions to the rulemaking provisions of this chapter.

Subd. 3. **Hearings.** The commission may hold public hearings to investigate complaints with respect to rules if it considers the complaints meritorious and worthy of attention. If the rules that are the subject of the public hearing were adopted without a rulemaking hearing, it may request the Office of Administrative Hearings to hold the public hearing and prepare a report summarizing the testimony received at the hearing. The Office of Administrative Hearings shall assess the costs of the public hearing to the agency whose rules are the subject of the hearing.

Subd. 4. [Repealed, 1997 c 98 s 17]

Subd. 4a. **Objections to rules.** (a) For purposes of this subdivision, "committee" means the house of representatives policy committee or senate policy committee with primary jurisdiction over state governmental operations. The commission or a committee may object to a rule as provided in this subdivision. If the commission or a committee objects to all or some portion of a rule because the commission or committee considers it to be beyond the procedural or substantive authority delegated to the agency, including a proposed rule submitted under section 14.15, subdivision 4, or 14.26, subdivision 3, paragraph (c), the commission or committee may file that objection in the Office of the Secretary of State. The filed objection must contain a concise statement of the commission's or committee's reasons for its action. An objection to a proposed rule submitted by the commission or a committee under section 14.15, subdivision 4, or 14.26, subdivision 3, paragraph (c), may not be filed before the rule is adopted.

(b) The secretary of state shall affix to each objection a certification of the date and time of its filing and as soon after the objection is filed as practicable shall transmit a certified copy of it to the agency issuing the rule in question and to the revisor of statutes. The secretary of state shall also maintain a permanent register open to public inspection of all objections by the commission or committee.

(c) The commission or committee shall publish and index an objection filed under this section in the next issue of the State Register. The revisor of statutes shall indicate the existence of the objection adjacent to the rule in question when that rule is published in Minnesota Rules.

(d) Within 14 days after the filing of an objection by the commission or committee to a rule, the issuing agency shall respond in writing to the objecting entity. After receipt of the response, the commission or committee may withdraw or modify its objection.

(e) After the filing of an objection by the commission or committee that is not subsequently withdrawn, the burden is upon the agency in any proceeding for judicial review or for enforcement of the rule to establish that the whole or portion of the rule objected to is valid.

(f) The failure of the commission or a committee to object to a rule is not an implied legislative authorization of its validity.

(g) In accordance with sections 14.44 and 14.45, the commission or a committee may petition for a declaratory judgment to determine the validity of a rule objected to by the commission or committee. The action must be started within two years after an objection is filed in the Office of the Secretary of State.

(h) The commission or a committee may intervene in litigation arising from agency action. For purposes of this paragraph, agency action means the whole or part of a rule, or the failure to issue a rule.

(8) consider the cumulative fiscal impacts of other state and federal taxes providing benefits to taxpayers for similar activities; and

(9) recommend whether the expenditure be continued, repealed, or modified.

(b) The commission may omit a component in paragraph (a) if the commission determines it is not feasible due to the lack of available data, third-party research, staff resources, or lack of a majority support for a recommendation.

(c) Compacts agreed to under this section may allow an exemption from any otherwise applicable tax for: (i) sales to a Minnesota Tribal government, a Tribal medical cannabis business, or Tribal members, of medical cannabis flower and cannabis products grown, produced, or processed as provided for in said compacts; or (ii) for activities of Tribal medical cannabis businesses.

Subd. 4. Civil and criminal immunities. (a) Without limiting any immunity or exemption that may apply under federal law, the following acts, when performed by a Tribal medical cannabis business or an employee in the course of their employment for a Tribal medical cannabis business, pursuant to a compact entered into under this section, do not constitute a criminal or civil offense under state law:

(1) the cultivation of medical cannabis flower, and the extraction, processing, or manufacture of medical cannabis and artificially derived cannabinoid products, extracts, or concentrates;

(b) The following acts, when performed by a patron of a Tribal medical cannabis business do not constitute a criminal or civil offense under state law: the purchase, possession, or receipt of medical cannabis seed, flower, and medical cannabis products as authorized under a compact entered into pursuant to this section.

(c) Without limiting any immunity or exemption that may apply under federal law, actions by a Tribal medical cannabis business, a Tribal member, employee, or agent of a Minnesota Tribal government or Tribal medical cannabis business on Tribally regulated land pursuant to Tribal laws governing cannabis, or a compact entered into under this section, do not constitute a criminal or civil offense under state law.

(d) The following acts, when performed by a state-licensed medical cannabis business, or an employee of such business, and which would be permitted under the terms of the applicable medical cannabis business license if undertaken with another state-licensed medical cannabis business, are permitted under the state license conditions when undertaken with a Tribal medical cannabis business and do not constitute a criminal or civil offense under state law: the possession, purchase, wholesale and retail sale, delivery, transport, distribution, and receipt of medical cannabis, seed, flower, and medical cannabis products that are properly packaged and labeled as authorized under a compact entered into pursuant to this section.

(e) Without limiting any immunity or exemption that may apply under federal law, the following acts, when performed by a Minnesota Tribal government, a Tribal medical cannabis business licensed by such Tribal government, or an employee of such Tribal government or Tribal medical cannabis business, regardless of whether the Minnesota Tribal government issuing such license has compacted with the state under this section, do not constitute a criminal or civil offense under state law: purchase, sale, receipt, or delivery (including delivery that involves transit through the state, outside a reservation), of medical cannabis flower, seed, and medical cannabis products from or to another Minnesota Tribal government or cannabis business licensed by such government.

(f) Notwithstanding any other provision of law, a state-licensed cannabis testing facility may provide cannabis testing services to a Tribal medical cannabis business, and the possession or transport of cannabis flower or cannabis products for such purpose by a Tribal cannabis business shall not constitute a criminal or civil offense under state law.

Subd. 2. **Local fiscal impact.** (a) "Local fiscal impact" means increased or decreased costs or revenues that a political subdivision would incur as a result of a law enacted after June 30, 1997, or rule proposed after December 31, 1999:

(1) that mandates a new program, eliminates an existing mandated program, requires an increased level of service of an existing program, or permits a decreased level of service in an existing mandated program;

(2) that implements or interprets federal law and, by its implementation or interpretation, increases or decreases program or service levels beyond the level required by the federal law;

(3) that implements or interprets a statute or amendment adopted or enacted pursuant to the approval of a statewide ballot measure by the voters and, by its implementation or interpretation, increases or decreases program or service levels beyond the levels required by the ballot measure;

(4) that removes an option previously available to political subdivisions, or adds an option previously unavailable to political subdivisions, thus requiring higher program or service levels or permitting lower program or service levels, or prohibits a specific activity and so forces political subdivisions to use a more costly alternative to provide a mandated program or service;

(5) that requires that an existing program or service be provided in a shorter time period and thus increases the cost of the program or service, or permits an existing mandated program or service to be provided in a longer time period, thus permitting a decrease in the cost of the program or service;

(6) that adds new requirements to an existing optional program or service and thus increases the cost of the program or service because the political subdivisions have no reasonable alternative other than to continue the optional program;

(7) that affects local revenue collections by changes in property or sales and use tax exemptions;

(8) that requires costs previously incurred at local option that have subsequently been mandated by the state; or

(9) that requires payment of a new fee or increases the amount of an existing fee, or permits the elimination or decrease of an existing fee mandated by the state.

(b) When state law is intended to achieve compliance with federal law or court orders, state mandates shall be determined as follows:

(1) if the federal law or court order is discretionary, the state law is a state mandate;

(2) if the state law exceeds what is required by the federal law or court order, only the provisions of the state law that exceed the federal requirements are a state mandate; and

The local impact note must be made available to the public upon request. If the action is among the exceptions listed in section 3.988, a local impact note need not be requested nor prepared. The office shall make a reasonable and timely estimate of the local fiscal impact on each type of political subdivision that would result from the proposed legislation. The office may require any political subdivision or the commissioner of an administrative agency of the state to supply in a timely manner any information determined to be necessary to determine local fiscal impact. The political subdivision, its representative association, or commissioner shall convey the requested information to the office with a signed statement to the effect that the information is accurate and complete to the best of its ability. The political subdivision, its representative association, or commissioner, when requested, shall update its determination of local fiscal impact based on actual cost or revenue figures, improved estimates, or both. Upon completion of the note, the office must provide a copy to the authors of the proposed legislation and to the chair and ranking minority member of each committee to which the proposed legislation is referred.

Subd. 2. **Mandate explanations.** Before a committee hearing on a bill that seeks to impose program or financial mandates on political subdivisions, the chair or ranking minority member of the committee may request that the author must provide the committee with a note that gives appropriate responses to the following guidelines. The note must state and list:

- (1) the policy goals that are sought to be attained and any performance standards that are to be imposed on political subdivisions;
- (2) any performance standards that will allow political subdivisions flexibility and innovation of method in achieving those goals;
- (3) the process by which each standard governs input such as staffing and other administrative aspects of the program;

(4) the sources of additional revenue, in addition to existing funding for similar programs, that are directly linked to imposition of the mandates that will provide adequate and stable funding for their requirements;

(5) the reasons why financial incentives or voluntary compliance would not yield the equity, efficiency, or desired level of statewide uniformity in the proposed program;

(6) what input has been obtained to ensure that the implementing agencies have the capacity to carry out the delegated responsibilities; and

(7) the efforts put forth, if any, to involve political subdivisions in the creation or development of the proposed mandate.

Subd. 3. [Repealed, 1998 c 389 art 16 s 36]

Subd. 4. **No mandate restriction.** Except as specifically provided by this article, nothing in this article restricts or eliminates the authority of the state to create or impose programs by law upon political subdivisions.

3.988 EXCEPTIONS TO LOCAL IMPACT NOTES.

Subdivision 1. **Costs resulting from inflation.** A local impact note need not be prepared for increases in the cost of providing an existing service if the increases result directly from inflation. "Resulting directly from inflation" means attributable to maintaining an existing level of service rather than increasing the level of service. A cost-of-living increase in welfare benefits is an example of a cost resulting directly from inflation.

Subd. 2. **Costs not result of new program or increased service.** A local impact note need not be prepared for increased local costs that do not result from a new program or an increased level of service.

Subd. 3. **Miscellaneous exceptions.** A local impact note or an attachment as provided in section 3.987, subdivision 2, need not be prepared for the cost of a mandated action if the law containing the mandate:

(1) accommodates a specific local request;

(2) results in no new local government duties;

(3) leads to revenue losses from exemptions to taxes;

(4) provided only clarifying or conforming, nonsubstantive charges on local government;

(5) imposes additional net local costs that are minor (an amount less than or equal to one-half of one percent of the local revenue base as defined in section 477A.011, subdivision 27, or \$50,000, whichever is less for any single local government if the mandate does not apply statewide or less than \$1,000,000 if the mandate is statewide);

(6) is a law or executive order enacted before July 1, 1997, or a rule initially implementing a law enacted before July 1, 1997;

(7) implements something other than a law or executive order, such as a federal, court, or voter-approved mandate;

(8) results in savings that equal or exceed costs;

(9) requires the holding of elections;

(10) ensures due process or equal protection;

(11) provides for the notification and conduct of public meetings;

(12) establishes the procedures for administrative and judicial review of actions taken by political subdivisions;

(13) protects the public from malfeasance, misfeasance, or nonfeasance by officials of political subdivisions;

(14) relates directly to financial administration, including the levy, assessment, and collection of taxes;

(15) relates directly to the preparation and submission of financial audits necessary to the administration of state laws; or

(16) requires uniform standards to apply to public and private institutions without differentiation.

3.989 REIMBURSEMENT TO LOCAL POLITICAL SUBDIVISIONS FOR COSTS OF STATE MANDATES.

Subdivision 1. **Definitions.** In this section:

(1) "Class A state mandates" means those laws under which the state mandates to political subdivisions, their participation, the organizational structure of the program, and the procedural regulations under which the law must be administered; and

(2) "Class B state mandates" means those mandates resulting from legislation enacted after July 1, 1998, that specifically reference this section and that allow the political subdivisions to opt for administration of a law with program elements mandated beforehand and with an assured revenue level from the state of at least 90 percent of full program and administrative costs.

Subd. 2. **Compilation of local impact notes.** The commissioner of management and budget shall post to the agency website a copy of all local impact notes.

Subd. 3. **Certain political subdivisions; report.** The political subdivisions that have opted to administer class B state mandates shall report to the commissioner of management and budget by September 1, 1998, and by September 1 of each year thereafter, identifying each instance when revenue for a class B state mandate has fallen below 85 percent of the total cost of the program and the political subdivision intends to cease administration of the program.

The commissioner shall forward a copy of the report to the chairs of the appropriate funding committees of the senate and the house of representatives.

The political subdivision may exercise its option to cease administration only if the legislature has failed to include the shortfall as an appropriation in the state budget for the next fiscal year.

Subd. 4. **Exemptions.** Laws and executive orders enumerated in section 3.988 are exempted from this section.
