- (2) notice to all former and active volunteer firefighters of the fire department;
- (3) full vesting of all active and former volunteer firefighters with an accrued benefit in the defined benefit plan attributable to service with the fire department; and
- (4) allocation of surplus over full funding, if any, to individual accounts in the fire department's new account in the defined contribution plan.

(c) For an entity previously affiliated with a defined benefit relief association when the entity made a request for coverage by the defined contribution plan under section 353G.05, subdivision 1b, paragraph (c), a conversion must occur under paragraph (b) immediately after coverage by the retirement plan of the entity's fire department and the entity's volunteer firefighters takes effect.

- (2) if the fire department account had a deficit from full funding as defined under section 353G.08, subdivision 1, paragraph (c), or the special fund of the defined benefit relief association had a deficit from full funding as defined in section 424A.092, subdivision 3, paragraph (b), a resolution approving a contribution to the retirement plan in the amount necessary to eliminate the deficit, which is to be paid within 30 days of the filing of the resolution or in installments over three years, with the first payment to be made within 30 days of the filing of the resolution.

Subd. 3. **Notice to participants.** The participating employer must provide notice to all active and former volunteer firefighters in the fire department at least 30 days before the conversion effective date. The notice must include:

(b) The executive director must determine the present value of each active or former firefighter's accrued benefit as of the conversion effective date, taking into account the full vesting requirement under paragraph (a).

**Subd. 5. Surplus over full funding.** If the fire department account has a surplus over full funding, as defined under section 353G.08, subdivision 1, paragraph (c), the executive director must allocate the surplus over full funding to the individual account of each active and former volunteer firefighter, except any former volunteer firefighter receiving an annuity, in the same proportion that the volunteer firefighter's accrued benefit bears to the total accrued benefits of all active and former volunteer firefighters.

**Subd. 6. Distribution to former volunteer firefighters in pay status.** (a) If any former volunteer firefighter or beneficiary is receiving an annuity, the executive director must determine the present value of the remaining payments to the former volunteer firefighter or beneficiary and offer the former volunteer firefighter or beneficiary:
