412.013 ADDITIONAL POWERS.

Any statutory city containing within its limits a plant for the concentration of taconite, either under construction or in operation, by resolution of its council may lease or purchase from the owners thereof sewer or water facilities or both and operate the same. Any such lease made by such city prior hereto, by action of the council, is hereby validated and such city may continue to provide sewer and water services to its inhabitants thereunder.

1973 BASIC LAW

412.015 UNIFORM CODE OF MUNICIPAL GOVERNMENT.

Subdivision 1. MS 1994 [Repealed, 1996 c 310 s 1]

Subd. 2. **Legislative intent.** It is the intention of Laws 1973, chapter 123, to simplify the statutes relating to municipal government by bringing the basic laws relating to all villages, boroughs and cities without home rule charters under a single code of statutes and to effect the transition with a maximum recognition of the desires of the citizens of such municipalities.

Subd. 3. **Limitations upon uniform code.** The legislature does not intend by Laws 1973, chapter 123:

(1) to affect, alter, repeal, or otherwise modify any law of special application other than special or general acts of incorporation and amendments thereto;

(2) to modify the application of other statutory codes relating to municipal government; or

(3) to impose new substantive powers and duties on cities, villages or boroughs.

Subd. 4. **Liberal interpretation.** Laws 1973, chapter 123, shall be interpreted liberally to carry out the intention set forth in this subdivision.

History: 1973 c 123 art 1 s 1-4

412.016 APPLICATION; STATUTORY CITIES.

Subdivision 1. **Application and definition.** This chapter applies to any city which has not adopted a home rule charter pursuant to the constitution and the laws of this state. Such a city is defined as a "statutory city," and the term includes every city which was a village on January 1, 1974.

Subd. 2. **Use of the term village.** Except as provided in Laws 1973, chapter 123, article 4, the term "village" shall not be applied to any municipal corporation operating under the authority of this chapter. In the next and subsequent editions of Minnesota Statutes, the revisor of statutes shall delete the term "village" from this chapter except where necessary to effect the provisions of Laws 1973, chapter 123, article 4.

Subd. 2. MS 1994 [Repealed, 1996 c 310 s 1]

Subd. 3. **Fiscal year; former cities.** In any city which was a statutory city or borough prior to 1973, and in which the fiscal year has not coincided with the calendar year, the calendar year shall become the fiscal year in 1976. The clerk, subject to the direction of the council, shall make such adjustments for accounts and reports during the transitional year as are necessary to provide the basis for accurate and comparable accounting and reporting.

412.02 CITY ELECTIONS; OFFICERS, TERMS, VACANCIES, CITY EMPLOYEES.

Subdivision 1. **Officers elected.** The following officers shall be elected for the terms and in the years shown and in the cities described in the table.

Clerk	Four	Every four years in year when treasurer is not elected	Every statutory standard plan city in which there is no clerk-treasurer
Treasurer	Four	Every four years in year in which clerk is not elected	Every statutory standard plan city in which there is no clerk-treasurer

Five Council members	Four	Three every four years and two in alternative election	Every statutory standard plan city with a council of seven
Six Council members	Four	Three each election	Every statutory optional plan city with a council of seven

Subd. 1a. **City council; city employees.** Neither the mayor nor any city council member may be employed by the city. For purposes of this subdivision, "employed" refers to full-time permanent employment as defined by the city's employment policy.

Subd. 2. **Term.** Terms of elective officers shall commence on the first Monday in January following the election at which the officer is chosen. All officers chosen and qualified as such shall hold office until their successors qualify.

Subd. 2a. **Vacancy.** Except as otherwise provided in subdivision 2b, a vacancy in an office shall be filled by council appointment until an election is held as provided in this subdivision. In case of a tie vote in the council, the mayor shall make the appointment. If the vacancy occurs before the first day to file affidavits of candidacy for the next regular city election and more than two years remain in the unexpired term, a special election shall be held at or before the next regular city election and the appointed person shall serve until the qualification of a successor elected at a special election to fill the unexpired portion of the term. If the vacancy occurs on or after the first day to file affidavits of candidacy for the regular city election or when less than two years remain in the unexpired term, there need not be a special election to fill the vacancy and the appointed person shall serve until the qualification of a successor. The council must specify by ordinance under what circumstances it will hold a special election to fill a vacancy other than a special election held at the same time as the regular city election.

All of the provisions of the Minnesota Election Law are applicable to special elections as far as practicable.

Subd. 2b. **Inability or refusal to serve.** A vacancy in the office of mayor or council member may be declared by the council when the officeholder is unable to serve in the office or attend council meetings for a 90-day period because of illness, or because of absence from or refusal to attend council meetings for a 90-day period. If any of the preceding conditions occurs, the council may, after it has by resolution declared a vacancy to exist, fill the vacancy at a regular or special council meeting for the remainder of the unexpired term, or until the person is again able to resume duties and attend council meetings, whichever is earlier. When the person is again able to resume duties and attend council meetings, the council shall by resolution remove the temporary officeholder and restore the original officeholder.

Subd. 3. **Clerk, treasurer combined; audit standards.** (a) In cities operating under the standard plan of government the council may by ordinance adopted at least 60 days before the next regular city election combine the offices of clerk and treasurer in the office of clerk-treasurer, but such an ordinance shall not be effective until the expiration of the term of the incumbent treasurer or when an earlier vacancy occurs. After the effective date of the ordinance, the duties of the treasurer and deputy treasurer as prescribed by this chapter shall be performed by the clerk-treasurer or a duly appointed deputy. The offices of clerk and treasurer may be reestablished by ordinance.

(b) If the offices of clerk and treasurer are combined as provided by this section and the city's annual revenue for all governmental and enterprise funds combined is more than the amount in paragraph (c), the council shall provide for an annual audit of the city's financial affairs by the state auditor or a public accountant in accordance with minimum auditing procedures prescribed by the state auditor. If the offices of clerk and treasurer are combined and the city's annual revenue for all governmental and enterprise funds combined is the amount in paragraph (c), or less, the council shall provide for an audit of the city's financial affairs by the state auditor or a public accountant in accordance with minimum audit procedures prescribed by the state auditor at least once every five years, which audit shall be for a one-year period to be determined at random by the person conducting the audit.

(c) For the purposes of paragraph (b), the amount in 2004 is \$150,000, and in 2005 and after, \$150,000 adjusted for inflation using the annual implicit price deflator for state and local expenditures as published by the United States Department of Commerce.

Subd. 5. MS 1982 [Repealed, 1983 c 359 s 151]

Subd. 6. **Council increased or reduced.** The council may by ordinance adopted at least 60 days before the next regular city election submit to the voters of the city the question of whether the city council should be increased or reduced to seven or five members. The ordinance shall include a schedule of elections and terms and ward boundary changes, if applicable, to accomplish the change. The proposal shall be voted on at the next city general election and, if approved by a majority of those voting on the question, go into effect in accordance with the schedule and ward boundaries, if applicable.

Subd. 7. **Wards.** (a) A city may adopt an ordinance to elect its city council members by ward in the following circumstances:

(1) if the ordinance is submitted to the voters of the city for approval at a regular or special election, and the ordinance is adopted at least 180 days before that election; or

(2) when approved or ordered to do so by a court of competent jurisdiction acting in response to a challenge to the city's method of conducting elections.

(b) If the city is petitioned by at least 15 percent of the electors voting at the last previous city election asking that the question of city council member election by ward be put to the voters of the city, the city must adopt an ordinance for that purpose and submit the ordinance to the voters of the city for approval at a regular or special election.

(c) An ordinance must designate the boundaries of the wards. The ordinance must also state whether the city will otherwise operate as a statutory standard plan city or statutory optional plan city, subject to voter approval as may be required under this chapter. If submitted to the voters by ballot question, the ordinance shall go into effect at the next regular city election if it is approved by a majority of those voting on the question. Except as provided by this subdivision, section 205.10 applies to a ballot question submitted to the voters at a special election under this subdivision.

(d) A city that elects its council members by ward is subject to the requirements of sections 204B.135 and 205.84.

412.021 OFFICERS.

Subdivision 1. **Election.** Upon the filing of the certificate with the secretary of state, if the vote is in favor of incorporation, the judges of election appointed by the chief administrative law judge of the state Office of Administrative Hearings or the county board as the case may be, shall fix a day at least 15 and not more than 30 days thereafter and a place for the holding of an election for officers. The judges shall also fix the time, not less than three hours, during which the polls shall remain open at the election and shall post a notice setting forth the time and place of such election in three public places in the city for at least ten days preceding the election.

Subd. 2. **Officers to be elected.** There shall be elected at the election a mayor for a term expiring the first business day of January of the next odd-numbered year and four or six council members, for terms so arranged that half expire the first business day of January of the next odd-numbered year and half the first business day of January of the second odd-numbered year. No candidate for council member shall run for a particular term but the number of years in the term of each successful candidate shall be determined by the relative standing among the candidates for office, the longest terms going to the half of the elected candidates who received the highest number of votes. If the election occurs in the last four months of the even-numbered year, no election shall be held in the city on the annual city election day that year, and the next following year shall be disregarded in fixing the expiration of terms of officers chosen under this subdivision at the initial election.

Subd. 4. MS 1967 [Repealed, 1969 c 1146 s 20]

Subd. 5. **Initial salaries.** After the qualification of its members, the council may by ordinance fix the salaries of the mayor and council members. Notwithstanding the provisions of section 415.11, subdivision 2, the ordinance shall not become effective for at least ten days after publication in the official newspaper; and if, before the end of that time a petition asking for an election on the ordinance signed by voters equal to ten percent of the number of voters at the incorporation election is filed with the clerk, the ordinance shall

not become effective until it is approved by a majority of the votes cast on the question at a regular or special election.

412.022 COUNCIL MAY PROVIDE FOUR-YEAR TERM.

Subdivision 1. **Procedure.** The council may, by ordinance, establish a four-year term or reestablish a two-year term for the office of mayor commencing with the ensuing term, except that in a standard plan city which establishes a four-year term for mayor, the first mayor to serve a four-year term shall be elected at the first election when the clerk is not to be elected. In any case the ordinance shall not affect the term of the mayor elected in the year in which it is adopted unless it is adopted at least four weeks before the closing date for the filing of affidavits of candidacy for such election.

412.023 TRANSITION SCHEDULE.

Subdivision 1. **Former villages.** In any city which was a village on January 1, 1974, and which has not, by timely action in 1974 or earlier, provided for biennial odd-numbered year elections there shall be a municipal election on November 5, 1974, at which there shall be elected the officers who would be elected at that election under the election schedule previously in effect, but they shall be elected for the terms specified in section 412.02, subdivision 1. If, at the 1974 or subsequent election three council members are to be elected in any statutory city, and contrary ordinance regulations have not been adopted under subdivision 3, the two persons receiving the highest vote shall serve for terms of four years and the person receiving the third highest number of votes shall serve for a term of two years. In any former village which has provided for biennial elections under section 412.022, subdivision 1, prior to 1974, the election schedule shall not be changed by the adoption of Laws 1973, chapter 123.

Subd. 2. **Former cities and boroughs.** In each municipality now operating under a general or special law providing for a biennial election, the city election shall continue to be held in the year in which the election would have been held if this law had not been enacted, but after Laws 1973, chapter 123 takes effect in the city, the city election shall be held on the first Tuesday after the first Monday in November and terms of officers elected shall conform to the provisions of section 412.02, subdivision 1. In any such municipality heretofore holding annual elections, a city election shall be held at the time previously prescribed until the application of Laws 1973, chapter 123, to the city, and thereafter the city election shall be held on the first Tuesday after the first Monday in November; but terms of officers chosen at those elections shall be those specified in section 412.02, subdivision 1. In any such municipality previously holding biennial elections, the city elections held after January 1, 1974, shall be held in the same year as previously, unless election in a different year is provided hereafter in accordance with section 205.07, subdivision 1.

Subd. 3. **Transition intent.** Whenever the establishment of the biennial system provided by Laws 1973, chapter 123, results in the expiration of any current term of office at a time when no city election is held in the months immediately prior thereto, each term is extended until the date for taking office following the next scheduled city election. It is the intent of Laws 1973, chapter 123, to put into effect as soon as practicable

a statewide system of biennial elections in statutory cities and to do so without shortening terms of incumbents or lengthening those terms for more than one year plus the number of months required in any statutory city to move its election date from spring to November. To the extent necessary to provide for an orderly transition to the biennial election plan and schedule provided for in this section, the council may adopt supplementary ordinances regulating initial elections, officers to be chosen at such elections, and the terms of incumbents and those so elected.

Subd. 4. MS 1994 [Repealed, 1996 c 310 s 1]

Subd. 5. **Other officers.** Any statutory city previously operating as a city or borough under a general or special law which has established the office of city administrator by ordinance may continue the office in existence notwithstanding the provisions of Laws 1973, chapter 123.

412.081 SEPARATION FROM TOWN.

Subdivision 1. **Election, assessment districts.** Any statutory city hereafter organized shall be constituted an election and assessment district separate from the town in which it lies immediately upon incorporation, except that if the incorporation occurs between March 15 and July 1 the town assessor shall assess the property in the city that year and the city assessor shall not assume duties until the following year. Where the town assessor makes the assessment, the city shall pay such proportion of the cost of the assessment as its net tax capacity bears to the net tax capacity of the town, including the city.

Subd. 2. **Separate districts.** Any existing city not heretofore constituted a separate election and assessment district may become such by the vote of a majority of its electors casting their ballots upon the question at a special election called for that purpose or at a general election in the notice of which the question is plainly submitted. The council may submit the question of separation to the electors on its own motion and shall do so upon presentation of a petition of electors equal in number to 25 percent of those voting at the last preceding city election. A certificate giving the result of the vote shall be presented by the judges of election to the council. The clerk shall then file a similar certificate with the county auditor of the county in which

the city is situated, and, if the election is favorable to separation, the clerk shall file a copy with the secretary of state. The separation shall take effect 30 days from the date of the election. The council shall then appoint an assessor to serve until the first business day of January in the next odd-numbered year.

Subd. 3. Distribution of assets, tax levy, joint property. Upon separation of an existing city from the town or upon incorporation of a city hereafter, if there is any money in the town treasury in excess of its then floating indebtedness, such proportion of the excess as the total net tax capacity of the real and personal property within the city bears to the entire net tax capacity of the town, including the city, shall belong to the city and shall be paid to the city treasurer by the town treasurer. All town taxes levied upon property within the city before separation and not yet collected or not yet distributed by the county treasurer shall be paid to the city when so distributed. If the town has any bonded debt, the property within the city shall continue to be taxed to retire the bonds and to pay the interest thereon until the bonds are fully paid. Any personal property belonging to the town at the time of separation, and any real estate situated within the city and belonging to the town at that time shall remain the joint property of the city and town with the interest of each being proportional to its net tax capacity at the time of separation; but either the city or the town may purchase the interest of the other in such real or personal property and become its sole owner. Meetings and elections of the town may be held in the city and any town officer may maintain an office in the city notwithstanding such separation.

412.091 DISSOLUTION; PETITION; VOTE.

Whenever a number of voters equal to one-third of those voting at the last preceding city election petition the chief administrative law judge of the state Office of Administrative Hearings to dissolve the city, a special election shall be called to vote upon the question. Before the election, the chief administrative law judge shall designate a time and place for a hearing in accordance with section 414.09. After the hearing, the chief administrative law judge shall issue an order which shall include a date for the election, a determination of what town or towns the territory of the city shall belong to if the voters favor dissolution, and other necessary provisions. The ballots used at such election shall be substantially in the following form: "Shall the city of ... be dissolved?" If a majority of those voting on the question favor dissolution, the clerk shall file a certificate of the result with the chief administrative law judge, the secretary of state, and the county auditor of the county in which the city is situated. Six months after the date of such election, the city shall cease to exist. Within such six months, the council shall audit all claims against the city, settle with the treasurer, and other city officers, and apply the assets of the city to the payment of its debts. If any debts remain unpaid, other than bonds, the city clerk shall file a schedule of such debts with the county treasurer and the council shall levy a tax sufficient for their payment, the proceeds of which, when collected, shall be paid by the county treasurer to the creditors in proportion to their several claims until all are discharged. The principal and interest on outstanding bonds shall be paid when due by the county treasurer from a tax annually spread by the county auditor against property formerly included within the city until the bonds are fully paid. All city property and all rights of the city shall, upon dissolution, inure in the town or towns designated as the legal successor to the city. If the city territory goes to more than one town, surplus cash assets and unsold city property shall be distributed as provided by the order for the election.

412.093 DISSOLUTION SECURED BY CLAIMANTS.

Subdivision 1. **Grounds.** Whenever a duly incorporated city has, for two consecutive years, failed to hold city elections as provided by law and one or more bonds or claims against the city remain unpaid, any bondholder or claimant may proceed to secure dissolution of the city and payment of the bonds and claims in accordance with this section.

Subd. 2. **Sheriff's certificate.** Such claimant may apply to the sheriff of the county in which the city lies for a certificate directed to the district court stating that the sheriff has been unable to find more than two members of the city council residing within the city. On finding that the facts so warrant, the sheriff shall execute such a certificate and deliver it to the claimant.

Subd. 3. **Proceedings before district court.** Within 30 days after receiving the sheriff's certificate, the claimant may petition the district court for a formal dissolution of the city and the liquidation of its affairs, attaching the certificate to the petition. The court shall thereupon issue an ex parte order providing for a hearing on the dissolution of the city and the liquidation of the affairs of the city, and limiting the time within which bonds and claims against the city shall be filed with the court. The court shall order such published notice to be given of the hearing and of the time when bonds and claims must be filed, and shall provide for such other notice to parties interested as it may deem proper.

Subd. 4. **Determination by court.** At the time and place specified, the court shall hear the evidence of all parties interested and consider the validity of bonds and claims against the city filed within the time specified in the court order. If it determines that the city has ceased to function and it is not in the public interest for the city to continue in existence, it shall order the city dissolved on the day fixed in the order. At the same time, or at a subsequent time fixed by the court, it shall examine, adjust and allow, in whole or in part, all bonds and claims filed within the time prescribed, and shall appoint the county auditor of the county in which the former city was situated as receiver to make the necessary tax levies, pay the bonds and claims allowed by the court, collect any debts owing to the city, and generally to liquidate the affairs of the city. A copy of the court's order shall be sent to the county auditor.

Subd. 5. **Tax levy.** The court shall provide for the spreading of a tax levy on all the taxable property within the former city over such period of years, not exceeding 30, as the court directs, taking into account the amount of the bonds and claims and the total taxable net tax capacity of the property to be taxed.

Subd. 6. **Collection and disposition of taxes.** The county auditor shall spread a levy against the property in the former city in accordance with the order of the court. The county treasurer shall deposit the proceeds of such tax, when collected, in a special account in the county treasury. After paying the cost of the dissolution proceedings, the county auditor shall apply the proceeds of the tax after each tax apportionment to the payment of principal and interest of outstanding bonds of the city until all such bonds and interest thereon shall have been paid in full. Thereafter the county auditor shall apply the proceeds of the tax after each tax apportionment to the various other creditors in proportion to their several claims until all have been discharged, but interest on any such claim shall be allowed and paid only from the date of the court order allowing such claim.

Subd. 7. **Property and rights of statutory city.** All city property and all rights of the city shall upon dissolution inure in the town as the legal successor to the city. If the city lies in more than one town, surplus cash assets shall be distributed to the respective towns in proportion to the net tax capacity of that portion

of the city lying in each; and the court shall determine the disposition of other unsold city property in such cases.

COUNCIL

412.191 MEMBERS; POWERS, DUTIES.

Subdivision 1. **Composition.** The city council in a standard plan city shall consist of the mayor, the clerk, and the three or five council members. In optional plan cities, except those cities having a larger council under Minnesota Statutes 1994, section 412.023, subdivision 4, the council shall consist of the mayor and the four council members. A majority of all the members shall constitute a quorum although a smaller number may adjourn from time to time.

Subd. 2. **Meetings.** Regular meetings of the council shall be held at such times and places as may be prescribed by its rules. Special meetings may be called by the mayor or by any two members of a five-member council or three members of a seven-member council by writing filed with the clerk who shall then mail a notice to all the members of the time and place of meeting at least one day before the meeting. The mayor or, in the mayor's absence, the acting mayor, shall preside. All meetings of the council shall be open to the public. The council may preserve order at its meetings, compel the attendance of members, and punish nonattendance and shall be the judge of the election and qualification of its members. The council shall have power to regulate its own procedure.

Subd. 3. **Publish proceedings; alternative.** The council, after every regular or special meeting, shall publish the official council proceedings or a summary conforming to section 331A.01, subdivision 10. As an alternative to publication, the city may mail, at city expense, a copy of the proceedings to any resident upon request. The publication shall occur within 30 days of the meeting to which the proceedings relate. Cities with a population of less than 1,000 according to the latest federal census are not required to comply with this section, but may do so at their discretion.

Subd. 4. **Ordinances.** Every ordinance shall be enacted by a majority vote of all the members of the council except where a larger number is required by law. It shall be signed by the mayor, attested by the clerk and published once in the official newspaper. In the case of lengthy ordinances, or ordinances which include charts or maps, if the city council determines that publication of the title and a summary of an ordinance would clearly inform the public of the intent and effect of the ordinance, the council may by a four-fifths vote of its members direct that only the title of the ordinance and a summary be published, conforming to section 331A.01, subdivision 10, with notice that a printed copy of the ordinance is available for inspection by any person during regular office hours at the office of the city clerk and any other location which the council designates. A copy of the entire text of the ordinance shall be posted in the community library, if there is one, or if not, in any other public location which the council designates. Prior to the

publication of the title and summary the council shall approve the text of the summary and determine that it clearly informs the public of the intent and effect of the ordinance. The publishing of the title and summary shall be deemed to fulfill all legal publication requirements as completely as if the entire ordinance had been published. The text of the summary shall be published in a body type no smaller than brevier or eight-point type. Proof of the publication shall be attached to and filed with the ordinance.

Every ordinance shall be recorded in the ordinance book within 20 days after publication of the ordinance or its title and summary. All ordinances shall be suitably entitled and shall be substantially in the style. "The City Council of ordains:".

412.261 TAX ANTICIPATION CERTIFICATES.

At any time after the first day of the year following the making of an annual tax levy, the council may issue certificates of indebtedness in anticipation of the collection of taxes levied for any fund and not yet collected. The total of all certificates issued against any fund for any year with interest thereon until maturity, together with all orders outstanding against the fund, shall not exceed the total current taxes for the fund uncollected at the time of issuance plus the cash on hand in the fund. If certificates are issued against the anticipated tax levy for any fund, any unpaid orders outstanding against the fund shall be redeemed from the proceeds of the certificates. All tax anticipation certificates shall be negotiable and shall be payable to the order of the payee and shall have a definite due date but may be payable on or before that date. No certificate shall be issued to become due and payable later than the 1st day of April of the year following the year of issuance. Certificates shall be sold for not less than par and accrued interest and shall bear interest at a rate not to exceed seven percent per annum, payable at maturity or at such earlier times as the council may determine. Each certificate shall state upon its face the fund for which the proceeds of the certificate shall be used, the total amount of the certificates so issued against the fund, and the total amount embraced in the tax levy for that fund. They shall otherwise be issued on such terms and conditions as the council may determine. 412.271 DISBURSEMENTS.

Subdivision 1. **Method.** No disbursement of city funds, including funds of any municipal liquor dispensary operated by the city, shall be made except by an order drawn by the mayor and clerk upon the treasurer. Except when issued for the payment of judgments, salaries and wages previously fixed by the council or by statute, principal and interest on obligations, rent and other fixed charges, the exact amount of which has been previously determined by contract authorized by the council, and except as otherwise provided in subdivisions 4, 5, and 8, no order shall be issued until the claim to which it relates has been audited and allowed by the council.

Subd. 2. **Claims, payment; electronic time recording.** (a) Except for wages paid on an hourly or daily basis, where a claim for money due on goods or services furnished can be itemized in the ordinary course of business the person claiming payment, or the claimant's agent, shall prepare the claim in written items and sign a declaration that the claim is just and correct and that no part of it has been paid; but the council may in its discretion allow a claim prepared by the clerk prior to such declaration by the claimant, if the declaration is made by an endorsement on the order-check by which the claim is paid as provided below.

(b) Whenever work for which wages are to be paid on an hourly or daily basis is done by employees of the city, the clerk shall keep a payroll giving the name of each employee and the number of hours or days worked by each and the timekeeper, supervisor, or other officers or employee having knowledge of the facts shall sign a declaration that the facts recited on the payroll are correct to the best of the declarant's information and belief; and when any claim for wages listed on a payroll is paid, the employee shall sign a declaration, which may be a part of the payroll, to the effect that the employee has received the wages and done the work for which wages have been paid. The declarations relating to claims or payrolls shall be in substantially the following form: "I declare under the penalties of perjury (here insert, if claimant: that this claim is just and correct and no part of it has been paid; if timekeeper, supervisor, officer or employee having knowledge of the facts; that to the best of my information and belief the items of this payroll are correct; if employee who has been paid: that I have received the wages stated on this payroll opposite my name and have done the work for which the wages were paid.)

.....
Date	Signed"

The effect of this declaration shall be the same as if subscribed and sworn to under oath.

(c) Notwithstanding the procedural requirements of paragraph (b), a city may use electronic time recording systems if the governing body of the city adopts policies to ensure that the timekeeping and payroll methods used are accurate and reliable.

Subd. 3. **Endorsement on claims.** The clerk shall endorse on each claim required to be audited by the council the word "disallowed" if such be the fact, or, "allowed in the sum of \$.....," if approved in whole or in part, specifying in the latter case the items rejected. Each order shall be so drawn that when signed by the treasurer in an appropriate space, it becomes a check on the city depository. Such order-check may have printed on its reverse side, above the space for endorsement thereof by the payee, the following statement: "The undersigned payee, in endorsing this order-check, declares that the same is received in payment of a just and correct claim against the city of, and that no part of such claim has heretofore been paid." When endorsed by the payee named in the order-check, such statement shall operate and shall be deemed sufficient as the required declaration of the claim. Any order presented to the treasurer and not paid for want

of funds shall be so marked and paid in the order of its presentation with interest from the date of presentation at the rate of five percent or such lower rate as is fixed by the council prior to its issuance.

Subd. 4. **Immediate payment of claims.** When payment of a claim based on contract cannot be deferred until the next council meeting without loss to the city through forfeiture of discount privileges or otherwise, it may be made immediately if the itemized claim is endorsed for payment by at least a majority of all the members of the council. The claim shall be acted upon formally at the next council meeting in the same manner as if it had not been paid, and the earlier payment shall not affect the right of the city or any taxpayer to challenge the validity of the claim.

Subd. 5. **Imprest funds.** The council may establish one or more imprest funds for the payment in cash of any proper claim against the city which it is impractical to pay in any other manner, except that no claim for salary or personal expenses of an officer or employee shall be paid from such funds. The council shall appoint a custodian of each such fund who shall be responsible for its safekeeping and disbursement according to law. Money for the operation of such fund shall be secured by a transfer from the general fund. A claim itemizing all the various demands for which disbursements have been made from the fund shall be presented to the council at the next council meeting after the disbursements have been made. The council shall act upon it as in the case of other claims and an order shall be issued to the custodian for the amount allowed. The custodian shall use the proceeds of the order to replenish the fund; and if the council fails to approve the claim in full for any sufficient reason, the custodian shall be personally responsible for the difference.

Subd. 6. **Independent boards, powers.** Subdivisions 4 and 5 shall apply to any independent board or commission of the city having authority to disburse funds without approval of the council. In such case references in these subdivisions to the council shall be considered to be to the board or commission and the money for the fund may be secured from any undedicated fund under its jurisdiction.

Subd. 7. **Definition.** For purposes of this section, a "city administrative official" means a city manager, administrator, treasurer, senior fiscal officer, clerk, or clerk-treasurer.

Subd. 8. **Delegation of authority for paying certain claims.** A city council, at its discretion, may delegate its authority to pay certain claims made against the city to a city administrative official. City councils opting to delegate their authority to review claims before payment pursuant to this subdivision shall have internal accounting and administrative control procedures to ensure the proper disbursement of public funds. The procedures shall include regular and frequent review of the city administrative officials' actions by the council. A list of all claims paid under the procedures established by the city council shall be presented to the council for informational purposes only at the next regularly scheduled meeting after payment of the claim. A city council that delegates its authority to pay certain claims made against the city must adopt a resolution authorizing a specified city administrative official to pay the claims that meet the standards and procedures established by the council. A city council of a city that does not prepare annual audited financial statements which have been attested to by an independent certified public accountant, public accountant, or the state auditor, may not delegate its authority for paying certain claims against the city pursuant to this subdivision.

(b) For purposes of this section, "capital equipment" means:

(1) public safety equipment, ambulance and other medical equipment, road construction and maintenance equipment, and other capital equipment;

(2) computer hardware and software, whether bundled with machinery or equipment or unbundled, together with application development services and training related to the use of the computer hardware or software; and

(c) The equipment or software must have an expected useful life at least as long as the terms of the certificates or notes.

(d) Such certificates or notes shall be payable in not more than 20 years and shall be issued on the terms and in the manner determined by the council.

(e) If the amount of the certificates or notes to be issued to finance any such purchase exceeds 0.25 percent of the estimated market value of taxable property in the city, they shall not be issued for at least ten days after publication in the official newspaper of a council resolution determining to issue them; and if before the end of that time, a petition asking for an election on the proposition signed by voters equal to ten percent of the number of voters at the last regular municipal election is filed with the clerk, such certificates or notes shall not be issued until the proposition of their issuance has been approved by a majority of the votes cast on the question at a regular or special election.

(f) A tax levy shall be made for the payment of the principal and interest on such certificates or notes, in accordance with section 475.61, as in the case of bonds.

Whenever the amount of a contract for the purchase of merchandise, materials or equipment or for any kind of construction work undertaken by the city is estimated to exceed the amount specified by section 471.345, subdivision 3, the contract shall be let to the lowest responsible bidder, after notice has been published once in the official newspaper at least ten days in advance of the last day for the submission of bids. If the amount of the contract exceeds \$1,000, it shall be entered into only after compliance with section 471.345.

Subd. 2. **Best value alternative.** As an alternative to the procurement method described in subdivision 1, a contract for construction, building, alteration, improvement, or repair work may be awarded to the vendor or contractor offering the best value under a request for proposals as described in section 16C.28, subdivision 1, paragraph (a), clause (2), and paragraph (c).

UTILITIES

412.321 MUNICIPAL UTILITIES.

Subdivision 1. **Authority to own and operate.** Any statutory city may own and operate any waterworks, district heating system, or gas, light, power, or heat plant for supplying its own needs for utility service or for supplying utility service to private consumers or both. It may construct and install all facilities reasonably needed for that purpose and may lease or purchase any existing utility properties so needed. It may, in lieu of providing for the local production of gas, electricity, water, hot water, steam, or heat, purchase the same wholesale and resell it to local consumers. After any such utility has been acquired, the council, except as its powers have been limited through establishment of a public utilities commission in the city, shall make all necessary rules and regulations for the protection, maintenance, operation, extension, and improvement thereof and for the sale of its utility products.

Subd. 2. **Vote on establishment.** No gas, light, power, or heat utility shall be constructed, purchased, or leased until the proposal to do so has been submitted to the voters at a regular or special election and been approved by five-eighths of those voting on the proposition. Such proposal shall state whether the public utility is to be constructed, purchased, or leased and the estimated cost or the maximum amount to be expended for that purpose. This proposal and a proposal to issue bonds to raise money therefor may be submitted either separately or as a single question. The proposal for the acquisition of the public utility may include authority for distribution only or for generation or production and distribution of a particular utility service or group of services. Approval of the voters shall be obtained under this section before a city purchasing gas or electricity wholesale and distributing it to consumers acquires facilities for the manufacture of gas or generation of electricity unless the voters have, within the two previous years, approved a proposal for both generation or production and distribution.

Subd. 3. **Extension beyond limitations.** Any city may, except as otherwise restricted by this section, extend any such public utility outside its limits and furnish service to consumers in such area at such rates and upon such terms as the council or utility commission, if there is one, shall determine; but no such extension shall be made into any incorporated municipality without its consent. The sale of electricity, other than surplus, outside the limits of the city shall be subject to the restriction of section 455.29.

Subd. 4. **Lease, sale, or abandonment.** Any such utility may be leased, sold, or its operation discontinued wholly or in part, by ordinance or resolution of the council, approved by two-thirds of the electors voting on the ordinance or resolution at a general or special election. If the utility is under the jurisdiction of a public utilities commission, the ordinance or resolution shall be concurred in by the public utilities commission. Such action may be taken with respect to any specific part of the utility, which part shall be named in the ordinance or resolution; but it shall not be necessary to submit the ordinance or resolution to

the voters in such case if the action proposed will not result in depriving any customer inside the corporate limits of any type of municipal utility service available before the sale, lease or discontinuance of operation.

Only one plan shall be so submitted at any one election, except that any such plan shall be submitted at the election on incorporation of a city if the incorporation petition so requests and the population of the proposed city, when the submission of Optional Plan B is proposed, is more than 1,000. No plan, except a home rule charter submitted under chapter 410, shall be submitted in any city in which another optional plan is already in effect until the latter plan has been in effect for at least three years.

Subd. 2. **Form of ballot.** The proposals for the adoption of optional plans shall be stated on the ballot substantially as follows:

"Shall Optional Plan B, providing for the council-manager form of city government, be adopted for the government of the city?"

If the city has combined the offices of clerk and treasurer, the word "clerk-treasurer" shall be substituted for the words "clerk and treasurer" in the question on the ballot on adoption of Optional Plan A. In any of these cases, the question shall be followed by the words, "Yes" and "No" with an oval or similar target shape to the left of each word so that the voter may indicate by a mark either a negative or affirmative vote.

Subd. 3. Adoption. If a majority of the votes cast on the question of adoption of Optional Plan A or B is in the affirmative, the plan so voted upon shall be adopted in the city and, once placed in effect as subsequently provided in this chapter, shall remain in effect until abandoned by a similar majority at subsequent election at which the question of abandonment or adoption of another optional plan is submitted.

Subd. 4. Three-year minimum; abandonment. At any time more than three years after the adoption of an optional plan in a city, the question of abandonment of such plan may be submitted to the voters, in the same manner as provided in the foregoing sections for the submission of the question of adoption, except that in the statement of the question on the ballot, the word "abandoned" shall be substituted for the word "adopted." If a majority of the votes cast on the question is in favor of abandonment, the plan shall be abandoned; and, subject to the special provisions for transition back to the standard form of government contained in subsequent sections of this chapter, the standard plan of government shall be resumed in the city and all the provisions of law applicable to cities in which an optional plan is not in operation shall henceforth apply to the city.

If a minority of the other council members is chosen at the election, the term of the additional council member chosen at the election shall be four years, but if a majority of the other council members is chosen at the election, the initial term of the additional council member chosen at the election shall be two years. At each regular election thereafter, council members shall be elected for four-year terms. If the optional plan is adopted at the regular city election at which the office of clerk is to be filled, the candidate elected to that office at the election shall not assume the office of clerk in January, but shall become the additional council member unless appointed clerk under the optional plan, in which case the unfilled office of council member shall be considered vacant.

Subd. 4. From one option to standard plan. When any optional plan is abandoned and the standard form of city government is resumed, terms of then incumbent council members shall not be affected by the abandonment; but until the first business day of January following the next regular city election, the clerk shall not serve as a member of the council. At the city election preceding that date one council member less shall be elected.

Subd. 5. Standard plan restored; clerk, treasurer. When any optional plan is abandoned and the standard form of city government is resumed, the office of clerk, or clerk-treasurer shall remain appointive until the first business day of January following the next regular city election and the office of treasurer, if there is no clerk-treasurer, shall remain appointive until the first business day of January following the first subsequent city election at which the clerk is not elected; and the successor to the incumbent clerk, clerk-treasurer, and treasurer shall be chosen at the regular city election immediately preceding the January in which the office becomes elective.

A tax sufficient to redeem all such certificates at maturity shall be levied as part of the budget for the following year. 412.851 VACATION OF STREETS.

The council may by resolution vacate any street, alley, public grounds, public way, or any part thereof, on its own motion or on petition of a majority of the owners of land abutting on the street, alley, public grounds, public way, or part thereof to be vacated. When there has been no petition, the resolution may be adopted only by a vote of four-fifths of all members of the council. No vacation shall be made unless it appears in the interest of the public to do so after a hearing preceded by two weeks' published and posted notice. The council shall cause written notice of the hearing to be mailed to each property owner affected by the proposed vacation at least ten days before the hearing. The notice must contain, at minimum, a copy of the petition or proposed resolution as well as the time, place, and date of the hearing. In addition, if the street, alley, public grounds, public way, or any part thereof terminates at, abuts upon, or is adjacent to any public water, written notice of the petition or proposed resolution must be served by certified mail upon the commissioner of natural resources at least 60 days before the hearing on the matter. The notice to the commissioner of natural resources does not create a right of intervention by the commissioner. At least 15 days prior to convening the hearing required under this section, the council or its designee must consult with the commissioner of natural resources to review the proposed vacation. The commissioner must evaluate:

- (1) the proposed vacation and the public benefits to do so;
- (2) the present and potential use of the land for access to public waters; and
- (3) how the vacation would impact conservation of natural resources.

The commissioner must advise the city council or its designee accordingly upon the evaluation. After a resolution of vacation is adopted, the clerk shall prepare a notice of completion of the proceedings which shall contain the name of the city, an identification of the vacation, a statement of the time of completion thereof, and a description of the real estate and lands affected thereby. The notice shall be presented to the county auditor who shall enter the same in the transfer records and note upon the instrument, over official

signature, the words "entered in the transfer record." The notice shall then be recorded with the county recorder. Any failure to file the notice shall not invalidate any vacation proceedings.
