All hearings must be conducted under chapter 14. After the hearing, the commissioner shall enter an order disposing of the matter as the facts require. - (1) provide written notice to the student loan servicer alleged to have violated this chapter regarding the nature of the alleged violations; and

(2) demand that the student loan servicer correct and remedy the method, act, or practice identified in the notice under clause (1).

(d) The notice required by this subdivision must be sent by certified or registered mail, return receipt requested, to the student loan servicer's address on file with the Department of Commerce or to the student loan servicer's principal place of business in Minnesota.

(e) An action for damages or injunctive relief brought by a borrower only on the individual borrower's behalf must not be maintained under paragraph (a) upon a showing by a student loan servicer that an appropriate correction and remedy is given, or is agreed to be given within a reasonable time, to the borrower within 30 days after the notice is received.

(f) An action for damages brought by a borrower on both the borrower's behalf and on behalf of a similarly situated class of persons must not be maintained under paragraph (a) upon a showing by a student loan servicer alleged to have employed or committed a method, act, or practice declared unlawful if:

(1) all borrowers similarly situated have been identified or a reasonable effort to identify other borrowers has been made;

(2) all borrowers identified have been notified that, upon the borrower's request, the student loan servicer must make the appropriate correction and remedy;

(3) the correction and remedy requested by the borrower has been given or is given within a reasonable amount of time; and

(4) the student loan servicer has ceased from engaging, or if immediate cessation is impossible or unreasonably expensive under the circumstances, the student loan servicer ceases to engage within a reasonable amount of time, in the method, act, or practice.

(g) An attempt to comply with a demand described in paragraph (c) by a student loan servicer that receives the demand is construed as an offer to compromise and is inadmissible as evidence under Minnesota Rules of Evidence, rule 408. An attempt to comply with a demand is not an admission of engaging in an act or practice declared unlawful by paragraph (a). Evidence of compliance or attempts to comply with this section may be introduced by a defendant to establish good faith or to show compliance with paragraph (a).

(h) An award of damages must not be given in an action based on a method, act, or practice in violation of paragraph (a) if the student loan servicer alleged to have employed or committed that method, act, or practice:

(1) proves by a preponderance of the evidence that the violation was not intentional and resulted from a bona fide error, notwithstanding the use of reasonable procedures adopted to avoid that error; and

(2) makes an appropriate correction, repair, replacement, or other remedy under paragraphs (e) and (f).
