FIREWORKS

624.20 FIREWORKS.

Subdivision 1. **Regulation.** (a) As used in sections 624.20 to 624.25, the term "fireworks" means any substance or combination of substances or article prepared for the purpose of producing a visible or an audible effect by combustion, explosion, deflagration, or detonation, and includes blank cartridges, toy cannons, and toy canes in which explosives are used, the type of balloons which require fire underneath to propel them, firecrackers, torpedoes, skyrockets, Roman candles, daygo bombs, sparklers other than those specified in paragraph (c), or other fireworks of like construction, and any fireworks containing any explosive or inflammable compound, or any tablets or other device containing any explosive substance and commonly used as fireworks.

(b) The term "fireworks" shall not include toy pistols, toy guns, in which paper caps containing 25/100 grains or less of explosive compound are used and toy pistol caps which contain less than 20/100 grains of explosive mixture.

(c) The term also does not include wire or wood sparklers of not more than 100 grams of mixture per item, other sparkling items which are nonexplosive and nonaerial and contain 75 grams or less of chemical mixture per tube or a total of 500 grams or less for multiple tubes, snakes and glow worms, smoke devices, or trick noisemakers which include paper streamers, party poppers, string poppers, snappers, and drop pops, each consisting of not more than twenty-five hundredths grains of explosive mixture. The use of items listed in this paragraph is not permitted on public property. This paragraph does not authorize the purchase of items listed in it by persons younger than 18 years of age. The age of a purchaser of items listed in this paragraph must be verified by photographic identification.

(d) A local unit of government may impose an annual license fee for the retail sale of items authorized under paragraph (c). The annual license fee of each retail seller that is in the business of selling only the items authorized under paragraph (c) may not exceed \$350, and the annual license of each other retail seller may not exceed \$100. A local unit of government may not:

(1) impose any fee or charge, other than the fee authorized by this paragraph, on the retail sale of items authorized under paragraph (c);

(2) prohibit or restrict the display of items for permanent or temporary retail sale authorized under paragraph (c) that comply with National Fire Protection Association Standard 1124 (2003 edition); or

(3) impose on a retail seller any financial guarantee requirements, including bonding or insurance provisions, containing restrictions or conditions not imposed on the same basis on all other business licensees.

Subd. 2. **Explosive fireworks.** As used in sections 624.20 to 624.25, the term "explosive fireworks" means any fireworks that contain pyrotechnic or flash powder, gunpowder, black powder, or any other explosive compound constructed to produce detonation or deflagration.

624.21 SALE, POSSESSION, AND USE OF FIREWORKS PROHIBITED.

Except as otherwise provided in sections 624.20 to 624.25, it shall be unlawful for any person to offer for sale, expose for sale, sell at retail or wholesale, possess, advertise, use, or explode any fireworks. This

section shall not be construed to prohibit the possession, use, or explosion of fireworks by an engineer licensed pursuant to sections 326.02 and 326.03 or a person under the engineer's direct supervision when undertaking acoustical testing; or sales at wholesale to those persons holding valid permits for a fireworks display from a governmental subdivision of the state; or sales outside the state or sales to licensed professional engineers for acoustical testing purposes only.

624.22 FIREWORKS DISPLAYS; PERMIT; OPERATOR CERTIFICATION.

Subdivision 1. **General requirements; permit; investigation; fee.** (a) Sections 624.20 to 624.25 do not prohibit the supervised display of fireworks by a statutory or home rule charter city, fair association, amusement park, or other organization, except that:

(1) a fireworks display may be conducted only when supervised by an operator certified by the state fire marshal; and

(2) a fireworks display must either be given by a municipality or fair association within its own limits, or by any other organization, whether public or private, only after a permit for the display has first been secured.

(b) An application for a permit for an outdoor fireworks display must be made in writing to the municipal clerk at least 15 days in advance of the date of the display and must list the name of an operator who is certified by the state fire marshal and will supervise the display. The application must be promptly referred to the chief of the fire department, who shall make an investigation to determine whether the operator of the display is competent and is certified by the state fire marshal, and whether the display is of such a character and is to be so located, discharged, or fired that it will not be hazardous to property or endanger any person. The fire chief shall report the results of this investigation to the clerk. If the fire chief reports that the operator is certified, that in the chief's opinion the operator is competent, and that the fireworks display as planned will conform to the safety guidelines of the state fire marshal provided for in paragraph (f), the clerk shall issue a permit for the display when the applicant pays a permit fee.

(c) When the supervised outdoor fireworks display for which a permit is sought is to be held outside the limits of an incorporated municipality, the application must be made to the county auditor, and the auditor shall perform duties imposed by sections 624.20 to 624.25 upon the clerk of the municipality. When an application is made to the auditor, the county sheriff shall perform the duties imposed on the fire chief of the municipality by sections 624.20 to 624.25.

(d) An application for an indoor fireworks display permit must be made in writing to the state fire marshal by the operator of the facility in which the display is to occur at least 15 days in advance of the date of any performance, show, or event which will include the discharge of fireworks inside a building or structure. The application must list the name of an operator who is certified by the state fire marshal and will supervise the display. The state fire marshal shall make an investigation to determine whether the operator of the display is competent and is properly certified and whether the display is of such a character and is to be so located, discharged, or fired that it will not be hazardous to property or endanger any person. If the state fire marshal determines that the operator is certified and competent, that the indoor fireworks display as planned will conform to the safety guidelines provided for in paragraph (f), and that adequate notice will be given to inform patrons of the indoor fireworks display, the state fire marshal shall issue a permit for the display when the applicant pays an indoor fireworks fee of \$150 and reimburses the fire marshal for costs of inspection. Receipts from the indoor fireworks fee and inspection reimbursements must be deposited in the general fund as a nondedicated receipt. The state fire marshal may issue a single permit for multiple indoor

fireworks displays when all of the displays are to take place at the same venue as part of a series of performances by the same performer or group of performers. A copy of the application must be promptly conveyed to the chief of the local fire department, who shall make appropriate preparations to ensure public safety in the vicinity of the display. The operator of a facility where an indoor fireworks display occurs must provide notice in a prominent place as approved by the state fire marshal to inform patrons attending a performance when indoor fireworks will be part of that performance. The state fire marshal may grant a local fire chief the authority to issue permits for indoor fireworks displays. Before issuing a permit, a local fire chief must make the determinations required in this paragraph.

(e) After a permit has been granted under either paragraph (b) or (d), sales, possession, use and distribution of fireworks for a display are lawful for that purpose only. A permit is not transferable.

(f) The state fire marshal shall adopt and disseminate to political subdivisions rules establishing guidelines on fireworks display safety that are consistent with sections 624.20 to 624.25 and the most recent edition of the State Fire Code, to insure that fireworks displays are given safely. In the guidelines, the state fire marshal shall allow political subdivisions to exempt the use of relatively safe fireworks for theatrical special effects, ceremonial occasions, and other limited purposes, as determined by the state fire marshal.

Subd. 2. Operator certification requirements. (a) An applicant to be a supervising operator of a fireworks display shall meet the requirements of this subdivision before the applicant is certified by the state fire marshal.

(b) An applicant must be at least 21 years old.

(c) An applicant must have completed a written examination, administered or approved by the state fire marshal, and achieved a passing score of at least 70 percent. The state fire marshal must be satisfied that achieving a passing score on the examination satisfactorily demonstrates the applicant's knowledge of statutes, codes, and nationally recognized standards concerning safe practices for the discharge and display of fireworks.

(d) An applicant shall apply in writing to the state fire marshal by completing and signing an application form provided by the state fire marshal.

(e) An applicant shall submit evidence of experience, which must include active participation as an assistant or operator in the performance of at least five fireworks displays, at least one of which must have occurred in the current or preceding year.

Subd. 3. Certification application; fee. An applicant shall submit a completed initial application form including references and evidence of experience and successful completion of the written examination. Applicants shall pay a certification fee of \$100 to the State Fire Marshal Division of the Department of Public Safety. The state fire marshal shall review the application and send to the applicant written confirmation or denial of certification within 30 days of receipt of the application. Certification is valid for a period of four years from the date of issuance.

Subd. 4. Classification. When an applicant has met the requirements of subdivisions 2 and 3, the state fire marshal shall certify and classify the operator for supervising proximate audience displays, including indoor fireworks displays, for supervising traditional outdoor fireworks displays, or for supervising both types of displays, based on the operator's documented experience.

Subd. 5. Responsibilities of operator. The operator is responsible for ensuring the fireworks display is organized and operated in accordance with the state fire marshal's guidelines described in subdivision 1.

Subd. 6. **Reports.** (a) The certified operator shall submit a written report to the state fire marshal within ten days following a fireworks display conducted by the operator if any of the following occurred:

- (1) an injury to any person resulting from the display of fireworks;
- (2) a fire or damage to property resulting from the display of fireworks; or
- (3) an unsafe or defective pyrotechnic product or equipment was used or observed.

(b) The certified operator shall submit a written report to the state fire marshal within 30 days following any other fireworks displays supervised by the operator.

(c) The state fire marshal may require other information from operators relating to fireworks displays.

Subd. 7. **Operator certification renewal.** An applicant shall submit a completed renewal application form prepared and provided by the state fire marshal, which must include at least the dates, locations, and authorities issuing the permits for at least three fireworks displays participated in or supervised by the applicant and conducted during the past four years. An applicant shall pay a certification renewal fee of \$100 to the State Fire Marshal Division of the Department of Public Safety. The state fire marshal shall review the application and send to the applicant written confirmation or denial of certification renewal within 30 days of receipt of the application. Certification is valid for a period of four years from the date of issuance.

Subd. 8. **Suspension, revocation, or refusal to renew certification.** (a) The state fire marshal may suspend, revoke, or refuse to renew certification of an operator if the operator has:

- (1) submitted a fraudulent application;
- (2) caused or permitted a fire or safety hazard to exist or occur during the storage, transportation, handling, preparation, or use of fireworks;
- (3) conducted a display of fireworks without receipt of a permit required by the state or a political subdivision;
- (4) conducted a display of fireworks with assistants who were not at least 18 years of age, properly instructed, and continually supervised; or
- (5) otherwise failed to comply with any federal or state law or regulation, or the guidelines, relating to fireworks.

(b) Any person aggrieved by a decision made by the state fire marshal under this subdivision may petition the state fire marshal in writing to reconsider the decision. The state fire marshal shall render a decision in writing within 30 days of receipt of the written request for reconsideration. Following reconsideration, the person may appeal the decision to the district court.

Subd. 9. **Database.** The commissioner of public safety shall maintain a database of the information required under this section for purposes of (1) law enforcement, (2) investigative inquiries made under subdivision 1, and (3) the accumulation and statistical analysis of information relative to fireworks displays.

A person who issues a certificate pursuant to this section in good faith is not liable for damages resulting or arising from the actions or misconduct with a firearm or ammunition committed by the individual who is the subject of the certificate.

The failure of the court to provide this information to a defendant does not affect the applicability of the ammunition or pistol or semiautomatic military-style assault weapon possession prohibition or the felony penalty to that defendant.

(b) When a person, including a person under the jurisdiction of the juvenile court, is charged with committing a crime of violence and is placed in a pretrial diversion program by the court before disposition, the court shall inform the defendant that: (1) the defendant is prohibited from possessing a pistol or semiautomatic military-style assault weapon or ammunition designed for use in a pistol or semiautomatic military-style assault weapon until the person has completed the diversion program and the charge of committing a crime of violence has been dismissed; (2) it is a gross misdemeanor offense to violate this prohibition; and (3) if the defendant violates this condition of participation in the diversion program, the charge of committing a crime of violence may be prosecuted. (b) The court may grant the relief sought in paragraph (a) in accordance with the principles of due process if the circumstances regarding the person's disqualifying condition and the person's record and reputation are determined to be such that:

- (1) the person is not likely to act in a manner that is dangerous to public safety; and
- (2) the granting of relief would not be contrary to the public interest.

(c) When determining whether a person has met the requirement of paragraph (b), clause (1), the court may consider evidence from a licensed medical doctor or clinical psychologist that the person is no longer suffering from the disease or condition that caused the disability or that the disease or condition has been successfully treated for a period of three consecutive years.

(d) Review on appeal shall be de novo.

Subd. 5. **Provision of firearms background check information.** (a) When a court places a person, including a person under the jurisdiction of the juvenile court, who is charged with committing a crime of violence into a pretrial diversion program before disposition, the court must ensure that information regarding the person's placement in that program and the ordered expiration date of that placement is transmitted as soon as practicable to the National Instant Criminal Background Check System. The chief of police or sheriff shall obtain commitment information from the commissioner of human services as provided in section 246C.15.

Subd. 3. Forms. Chiefs of police and sheriffs shall make transferee permit application forms available throughout the community. There shall be no charge for forms, reports, investigations, notifications, waivers or any other act performed or materials provided by a government employee or agency in connection with application for or issuance of a transferee permit.

Subd. 4. Grounds for disqualification. (a) The chief of police or sheriff shall refuse to grant a transferee permit if the applicant is: (1) prohibited by state or federal law from possessing a pistol or semiautomatic military-style assault weapon; (2) determined to be a danger to self or the public when in possession of firearms under paragraph (b); or (3) listed in the criminal gang investigative data system under section 299C.091.

(b) A chief of police or sheriff shall refuse to grant a permit to a person if there exists a substantial likelihood that the applicant is a danger to self or the public when in possession of a firearm. To deny the application pursuant to paragraph (a), clause (2), the chief of police or sheriff must provide the applicant with written notification and the specific factual basis justifying the denial, including the source of the factual basis. The chief of police or sheriff must inform the applicant of the applicant's right to submit, within 20 business days, any additional documentation relating to the propriety of the denial. Upon receiving any additional documentation, the chief of police or sheriff must reconsider the denial and inform the applicant within 15 business days of the result of the reconsideration. Any denial after reconsideration must be in the same form and substance as the original denial and must specifically address any continued deficiencies in light of the additional documentation submitted by the applicant. The applicant must be informed of the right to seek de novo review of the denial as provided in subdivision 8.

(c) A person is not eligible to submit a permit application under this section if the person has had an application denied pursuant to paragraph (b) and less than six months have elapsed since the denial was issued or the person's appeal under subdivision 8 was denied, whichever is later.

(d) A chief of police or sheriff who denies a permit application pursuant to paragraph (b) must provide a copy of the notice of disqualification to the chief of police or sheriff with joint jurisdiction over the proposed transferee's residence.

Subd. 5. Granting of permits. (a) The chief of police or sheriff shall issue a transferee permit or deny the application within 30 days of application for the permit.

(b) In the case of a denial, the chief of police or sheriff shall provide an applicant with written notification of a denial and the specific reason for the denial.

(c) The permits and their renewal shall be granted free of charge.

Subd. 6. Permits valid statewide. Transferee permits issued pursuant to this section are valid statewide and shall expire after one year. A transferee permit may be renewed in the same manner and subject to the same provisions by which the original permit was obtained, except that all renewed permits must comply with the standards adopted by the commissioner under section 624.7151. Permits issued pursuant to this

section are not transferable. A person who transfers a permit in violation of this subdivision is guilty of a misdemeanor.

Subd. 7. Permit voided; revocation. (a) The transferee permit shall be void at the time that the holder becomes prohibited from possessing or receiving a pistol under section 624.713, in which event the holder shall return the permit within five days to the issuing authority. If the chief law enforcement officer who issued the permit has knowledge that the permit holder is ineligible to possess firearms, the chief law enforcement officer must revoke the permit and give notice to the holder in writing. Failure of the holder to return the permit within the five days of learning that the permit is void or revoked is a gross misdemeanor unless the court finds that the circumstances or the physical or mental condition of the permit holder prevented the holder from complying with the return requirement.

(b) When a permit holder receives a court disposition that prohibits the permit holder from possessing a firearm, the court must take possession of the permit, if it is available, and send it to the issuing law enforcement agency. If the permit holder does not have the permit when the court imposes a firearm prohibition, the permit holder must surrender the permit to the assigned probation officer, if applicable. When a probation officer is assigned upon disposition of the case, the court shall inform the probation agent of the permit holder's obligation to surrender the permit. Upon surrender, the probation officer must send the permit to the issuing law enforcement agency. If a probation officer is not assigned to the permit holder, the holder shall surrender the permit as provided for in paragraph (a).

Subd. 8. Hearing upon denial. (a) Any person aggrieved by denial of a transferee permit may appeal by petition to the district court having jurisdiction over the county or municipality where the application was submitted. The petition must list the applicable chief of police or sheriff as the respondent. The district court must hold a hearing at the earliest practicable date and in any event no later than 60 days following the filing of the petition for review. The court may not grant or deny any relief before the completion of the hearing. The record of the hearing must be sealed. The matter must be heard de novo without a jury.

(b) The court must issue written findings of fact and conclusions of law regarding the issues submitted by the parties. The court must issue its writ of mandamus directing that the permit be issued and order other appropriate relief unless the chief of police or sheriff establishes by clear and convincing evidence that:

(1) the applicant is disqualified from possessing a firearm under state or federal law;

(2) there exists a substantial likelihood that the applicant is a danger to self or the public when in possession of a firearm. Incidents of alleged criminal misconduct that are not investigated and documented may not be considered; or

(3) the applicant is listed in the criminal gang investigative data system under section 299C.091.

(c) If an application is denied because the proposed transferee is listed in the criminal gang investigative data system under section 299C.091, the applicant may challenge the denial, after disclosure under court supervision of the reason for that listing, based on grounds that the person:

(1) was erroneously identified as a person in the data system;

(2) was improperly included in the data system according to the criteria outlined in section 299C.091, subdivision 2, paragraph (b); or

(3) has demonstrably withdrawn from the activities and associations that led to inclusion in the data system.

Subd. 9. **Permit to carry.** A valid permit to carry issued pursuant to section 624.714 constitutes a transferee permit for the purposes of this section and sections 624.7132 and 624.7134.

Subd. 10. **Transfer report not required.** A person who transfers a pistol or semiautomatic military-style assault weapon to a person exhibiting a valid transferee permit issued pursuant to this section or a valid permit to carry issued pursuant to section 624.714 is not required to file a transfer report pursuant to section 624.7132, subdivision 1.

Subd. 11. **Penalty.** A person who makes a false statement in order to obtain a transferee permit knowing or having reason to know the statement is false is guilty of a felony.

Subd. 12. **Local regulation.** This section shall be construed to supersede municipal or county regulation of the issuance of transferee permits.

624.7132 REPORT OF TRANSFER.

Subdivision 1. **Required information.** Except as provided in this section and section 624.7131, every person who agrees to transfer a pistol or semiautomatic military-style assault weapon shall report the following information in writing to the chief of police of the organized full-time police department of the municipality where the proposed transferee resides or to the appropriate county sheriff if there is no such local chief of police:

(1) the name, residence, telephone number, and driver's license number or nonqualification certificate number, if any, of the proposed transferee;

(2) the sex, date of birth, height, weight, and color of eyes, and distinguishing physical characteristics, if any, of the proposed transferee;

(3) a statement that the proposed transferee authorizes the release to the local police authority of commitment information about the proposed transferee maintained by the commissioner of human services, to the extent that the information relates to the proposed transferee's eligibility to possess a pistol or semiautomatic military-style assault weapon under section 624.713, subdivision 1;

(4) a statement by the proposed transferee that the transferee is not prohibited by section 624.713 from possessing a pistol or semiautomatic military-style assault weapon; and

(5) the address of the place of business of the transferor.

The report shall be signed and dated by the transferor and the proposed transferee. The report shall be delivered by the transferor to the chief of police or sheriff no later than three days after the date of the agreement to transfer, excluding weekends and legal holidays. The statement under clause (3) must comply with any applicable requirements of Code of Federal Regulations, title 42, sections 2.31 to 2.35, with respect to consent to disclosure of alcohol or drug abuse patient records.

Subd. 2. **Investigation.** Upon receipt of a transfer report, the chief of police or sheriff shall check criminal histories, records and warrant information relating to the proposed transferee through the Minnesota Crime Information System, the national criminal record repository, and the National Instant Criminal Background Check System. The chief of police or sheriff shall also make a reasonable effort to check other available

state and local record-keeping systems. The chief of police or sheriff shall obtain commitment information from the commissioner of human services as provided in section 246C.15.

Subd. 3. **Notification.** The chief of police or sheriff shall notify the transferor and proposed transferee in writing as soon as possible if the chief or sheriff determines that the proposed transferee is prohibited by section 624.713 from possessing a pistol or semiautomatic military-style assault weapon. The notification to the transferee shall specify the grounds for the disqualification of the proposed transferee and shall set forth in detail the transferee's right of appeal under subdivision 13.

Subd. 4. **Delivery.** Except as otherwise provided in subdivision 7 or 8, no person shall deliver a pistol or semiautomatic military-style assault weapon to a proposed transferee until 30 days after the date the agreement to transfer is delivered to a chief of police or sheriff in accordance with subdivision 1 unless the chief of police or sheriff waives all or a portion of the waiting period. The chief of police or sheriff may waive all or a portion of the waiting period in writing if the chief of police or sheriff: (1) determines the proposed transferee is not disqualified prior to the waiting period concluding; or (2) finds that the transferee requires access to a pistol or semiautomatic military-style assault weapon because of a threat to the life of the transferee or of any member of the household of the transferee. Prior to modifying the waiting period under the authority granted in clause (2), the chief of police or sheriff must first determine that the proposed transferee is not prohibited from possessing a firearm under state or federal law.

No person shall deliver a pistol or semiautomatic military-style assault weapon to a proposed transferee after receiving a written notification that the chief of police or sheriff has determined that the proposed transferee is prohibited by section 624.713 from possessing a pistol or semiautomatic military-style assault weapon.

If the transferor makes a report of transfer and receives no written notification of disqualification of the proposed transferee within 30 business days after delivery of the agreement to transfer, the pistol or semiautomatic military-style assault weapon may be delivered to the transferee, unless the transferor knows the transferee is ineligible to possess a pistol or semiautomatic military-style assault weapon.

Subd. 5. **Grounds for disqualification.** (a) The chief of police or sheriff shall deny an application if the proposed transferee is: (1) prohibited by state or federal law from possessing a pistol or semiautomatic military-style assault weapon; (2) determined to be a danger to self or the public when in possession of firearms under paragraph (b); or (3) listed in the criminal gang investigative data system under section 299C.091.

(b) A chief of police or sheriff shall deny an application if there exists a substantial likelihood that the proposed transferee is a danger to self or the public when in possession of a firearm. To deny the application under this paragraph, the chief of police or sheriff must provide the applicant with written notification and the specific factual basis justifying the denial, including the source of the factual basis. The chief of police or sheriff must inform the applicant of the applicant's right to submit, within 20 business days, any additional documentation relating to the propriety of the denial. Upon receiving any additional documentation, the chief of police or sheriff must reconsider the denial and inform the applicant within 15 business days of the result of the reconsideration. Any denial after reconsideration must be in the same form and substance as the original denial and must specifically address any continued deficiencies in light of the additional documentation submitted by the applicant. The applicant must be informed of the right to seek de novo review of the denial as provided in subdivision 13.

(c) A chief of police or sheriff need not process an application under this section if the person has had an application denied pursuant to paragraph (b) and less than six months have elapsed since the denial was issued or the person's appeal under subdivision 13 was denied, whichever is later.

(d) A chief of police or sheriff who denies an application pursuant to paragraph (b) must provide a copy of the notice of disqualification to the chief of police or sheriff with joint jurisdiction over the applicant's residence.

Subd. 6. **Transferee permit.** If a chief of police or sheriff does not deny a proposed transferee's application under subdivision 5, the transferee may, within 30 days after the determination, apply to that chief of police or sheriff for a transferee permit, and the permit shall be issued.

Subd. 7. [Repealed, 1994 c 636 art 3 s 46]

Subd. 8. **Report not required.** If the proposed transferee presents a valid transferee permit issued under section 624.7131 or a valid permit to carry issued under section 624.714, the transferor need not file a transfer report.

Subd. 9. **Number of pistols or semiautomatic military-style assault weapons.** Any number of pistols or semiautomatic military-style assault weapons may be the subject of a single transfer agreement and report to the chief of police or sheriff. Nothing in this section or section 624.7131 shall be construed to limit or restrict the number of pistols or semiautomatic military-style assault weapons a person may acquire.

Subd. 10. **Restriction on records.** Except as provided for in section 624.7134, subdivision 3, paragraph (e), if, after a determination that the transferee is not a person prohibited by section 624.713 from possessing a pistol or semiautomatic military-style assault weapon, a transferee requests that no record be maintained of the fact of who is the transferee of a pistol or semiautomatic military-style assault weapon, the chief of police or sheriff shall sign the transfer report and return it to the transferee as soon as possible. Thereafter, no government employee or agency shall maintain a record of the transfer that identifies the transferee, and the transferee shall retain the report of transfer.

Subd. 11. **Forms; cost.** Chiefs of police and sheriffs shall make transfer report forms available throughout the community. There shall be no charge for forms, reports, investigations, notifications, waivers or any other act performed or materials provided by a government employee or agency in connection with a transfer.

Subd. 12. **Exclusions.** Except as otherwise provided in section 609.66, subdivision 1f, this section shall not apply to transfers of antique firearms as curiosities or for their historical significance or value, transfers to or between federally licensed firearms dealers, transfers by order of court, involuntary transfers, transfers at death or the following transfers:

- (1) a transfer by a person other than a federally licensed firearms dealer;
- (2) a loan to a prospective transferee if the loan is intended for a period of no more than one day;
- (3) the delivery of a pistol or semiautomatic military-style assault weapon to a person for the purpose of repair, reconditioning or remodeling;
- (4) a loan by a teacher to a student in a course designed to teach marksmanship or safety with a pistol and approved by the commissioner of natural resources;
- (5) a loan between persons at a firearms collectors exhibition;

(6) a loan between persons lawfully engaged in hunting or target shooting if the loan is intended for a period of no more than 12 hours;

(7) a loan between law enforcement officers who have the power to make arrests other than citizen arrests; and

(8) a loan between employees or between the employer and an employee in a business if the employee is required to carry a pistol or semiautomatic military-style assault weapon by reason of employment and is the holder of a valid permit to carry a pistol.

Subd. 13. **Appeal.** (a) A person aggrieved by the determination of a chief of police or sheriff under subdivision 5 may appeal by petition to the district court having jurisdiction over the county or municipality where the application was submitted. The petition must list the applicable chief of police or sheriff as the respondent. The district court must hold a hearing at the earliest practicable date and in any event no later than 60 days following the filing of the petition for review. The court may not grant or deny any relief before the completion of the hearing. The record of the hearing must be sealed. The matter must be heard de novo without a jury.

(b) The court must issue written findings of fact and conclusions of law regarding the issues submitted by the parties. The court must issue its writ of mandamus directing that the permit be issued and order other appropriate relief unless the chief of police or sheriff establishes by clear and convincing evidence that:

(1) the applicant is disqualified under state or federal law from possession of firearms;

(2) there exists a substantial likelihood that the applicant is a danger to self or the public when in possession of a firearm. Incidents of alleged criminal misconduct that are not investigated and documented may not be considered; or

(3) the applicant is listed in the criminal gang investigative data system under section 299C.091.

(c) If an application is denied because the proposed transferee is listed in the criminal gang investigative data system under section 299C.091, the proposed transferee may challenge the denial, after disclosure under court supervision of the reason for that listing, based on grounds that the person:

(1) was erroneously identified as a person in the data system;

(2) was improperly included in the data system according to the criteria outlined in section 299C.091, subdivision 2, paragraph (b); or

(3) has demonstrably withdrawn from the activities and associations that led to inclusion in the data system.

Subd. 14. MS 2022 [Repealed by amendment, 2023 c 52 art 13 s 2]

Subd. 15. **Penalties.** (a) Except as otherwise provided in paragraph (b), a person who does any of the following is guilty of a gross misdemeanor:

(1) transfers a pistol or semiautomatic military-style assault weapon in violation of subdivisions 1 to 13;

(2) transfers a pistol or semiautomatic military-style assault weapon to a person who has made a false statement in order to become a transferee, if the transferor knows or has reason to know the transferee has made the false statement;

(3) knowingly becomes a transferee in violation of subdivisions 1 to 13; or

(4) makes a false statement in order to become a transferee of a pistol or semiautomatic military-style assault weapon knowing or having reason to know the statement is false.

(b) A person who does either of the following is guilty of a felony:

(1) transfers a pistol or semiautomatic military-style assault weapon to a person under the age of 18 in violation of subdivisions 1 to 13; or

624.7134 PRIVATE PARTY TRANSFERS; BACKGROUND CHECK REQUIRED.

Subdivision 1. **Definitions.** (a) As used in this section, the following terms have the meanings provided in this subdivision.

(b) "Firearms dealer" means a person who is licensed by the United States Department of Justice, Bureau of Alcohol, Tobacco, Firearms and Explosives, under United States Code, title 18, section 923(a).

(c) "State or federally issued identification" means a document or card made or issued by or under the authority of the United States government or the state that contains the person's name, residence address, date of birth, and photograph and is of a type commonly accepted for the purpose of identification of individuals.

(d) "Unlicensed person" means a person who does not hold a license under United States Code, title 18, section 923(a).

Subd. 2. **Background check and evidence of identity.** An unlicensed person is prohibited from transferring a pistol or semiautomatic military-style assault weapon to any other unlicensed person, unless: (1) the transfer is made through a firearms dealer as provided for in subdivision 3; or (2) the transferee presents a valid transferee permit issued under section 624.7131 and a current state or federally issued identification.

Subd. 3. **Background check conducted by federally licensed firearms dealer.** (a) Where both parties to a prospective transfer of a pistol or semiautomatic military-style assault weapon are unlicensed persons, the transferor and transferee may appear jointly before a federally licensed firearms dealer with the firearm

and request that the federally licensed firearms dealer conduct a background check on the transferee and facilitate the transfer.

(b) Except as otherwise provided in this section, a federally licensed firearms dealer who agrees to facilitate a transfer under this section shall:

(1) process the transfer as though transferring the firearm from the dealer's inventory to the transferee; and

(2) comply with all requirements of federal and state law that would apply if the firearms dealer were making the transfer, including at a minimum all background checks and record keeping requirements. The exception to the report of transfer process in section 624.7132, subdivision 12, clause (1), does not apply to transfers completed under this subdivision.

(c) If the transferee is prohibited by federal law from purchasing or possessing the firearm or not entitled under state law to possess the firearm, neither the federally licensed firearms dealer nor the transferor shall transfer the firearm to the transferee.

(d) Notwithstanding any other law to the contrary, this section shall not prevent the transferor from:

(1) removing the firearm from the premises of the federally licensed firearms dealer, or the gun show or event where the federally licensed firearms dealer is conducting business, as applicable, while the background check is being conducted, provided that the transferor must return to the federally licensed firearms dealer with the transferee before the transfer takes place, and the federally licensed firearms dealer must take possession of the firearm in order to complete the transfer; and

(2) removing the firearm from the business premises of the federally licensed firearms dealer if the results of the background check indicate the transferee is prohibited by federal law from purchasing or possessing the firearm or not entitled under state law to possess the firearm.

(e) A transferee who consents to participate in a transfer under this subdivision is not entitled to have the transfer report returned as provided for in section 624.7132, subdivision 10.

(f) A firearms dealer may charge a reasonable fee for conducting a background check and facilitating a transfer between the transferor and transferee pursuant to this section.

Subd. 4. Record of transfer; required information. (a) Unless a transfer is made through a firearms dealer as provided for in subdivision 3, when two unlicensed persons complete the transfer of a pistol or semiautomatic military-style assault weapon, the transferor and transferee must complete a record of transfer on a form designed and made publicly available without fee for this purpose by the superintendent of the Bureau of Criminal Apprehension. Each page of the record of transfer must be signed and dated by the transferor and the transferee and contain the serial number of the pistol or semiautomatic military-style assault weapon.

(b) The record of transfer must contain the following information:

(1) a clear copy of each person's current state or federally issued identification;

(2) a clear copy of the transferee permit presented by the transferee; and

- (2) the manufacturer, make, and model of the pistol or semiautomatic military-style assault weapon;
and
- (3) the pistol or semiautomatic military-style assault weapon's manufacturer-assigned serial number.

(d) Both the transferor and the transferee must retain a copy of the record of transfer and any attachments to the record of transfer for 10 years from the date of the transfer. A copy in digital form shall be acceptable for the purposes of this paragraph.

Subd. 5. Compulsory production of a record of transfer; misdemeanor penalty. (a) Unless a transfer was completed under subdivision 3, the transferor and transferee of a pistol or semiautomatic military-style assault weapon transferred under subdivision 4 must produce the record of transfer when a peace officer requests the record as part of a criminal investigation.

(b) A person who refuses or is unable to produce a record of transfer for a firearm transferred under this section in response to a request for production made by a peace officer pursuant to paragraph (a) is guilty of a misdemeanor. A prosecution or conviction for violation of this subdivision is not a bar to conviction of, or punishment for, any other crime committed involving the transferred firearm.

Subd. 6. Immunity. A person is immune to a charge of violating this section if the person presents a record of transfer that satisfies the requirements of subdivision 4.

Subd. 7. Exclusions. (a) This section shall not apply to the following transfers:

- (1) a transfer by or to a federally licensed firearms dealer;
- (2) a transfer by or to any law enforcement agency;

- (6) a transfer of an antique firearm as defined in section 624.712, subdivision 3;
- (7) a transfer of a curio or relic, as defined in Code of Federal Regulations, title 27, section 478.11, if the transfer is between collectors of firearms as curios or relics as defined by United States Code, title 18,

section 921(a)(13), who each have in their possession a valid collector of curio and relics license issued by the United States Department of Justice, Bureau of Alcohol, Tobacco, Firearms and Explosives;

(8) the temporary transfer of a firearm if:

(i) the transfer is necessary to prevent imminent death or great bodily harm; and

(ii) the person's possession lasts only as long as immediately necessary to prevent such imminent death or great bodily harm;

(9) transfers by or to an auctioneer who is in compliance with chapter 330 and acting in the person's official role as an auctioneer to facilitate or conduct an auction of the firearm; and

(10) a temporary transfer if the transferee's possession of the firearm following the transfer is only:

(i) at a shooting range that operates in compliance with the performance standards under chapter 87A or is a nonconforming use under section 87A.03, subdivision 2, or, if compliance is not required by the governing body of the jurisdiction, at an established shooting range operated consistently with local law in the jurisdiction;

(v) while in the actual presence of the transferor.

(b) A transfer under this subdivision is permitted only if the transferor has no reason to believe:

(1) that the transferee is prohibited by federal law from buying or possessing firearms or not entitled under state law to possess firearms;

(2) if the transferee is under 18 years of age and is receiving the firearm under direct supervision and control of an adult, that the adult is prohibited by federal law from buying or possessing firearms or not entitled under state law to possess firearms; or

(3) that the transferee will use or intends to use the firearm in the commission of a crime.

Subdivision 1. [Repealed, 2003 c 28 art 2 s 35; 2005 c 83 s 1]

Subd. 1a. **Permit required; penalty.** A person, other than a peace officer, as defined in section 626.84, subdivision 1, who carries, holds, or possesses a pistol in a motor vehicle, snowmobile, or boat, or on or about the person's clothes or the person, or otherwise in possession or control in a public place, as defined in section 624.7181, subdivision 1, paragraph (c), without first having obtained a permit to carry the pistol is guilty of a gross misdemeanor. (d) Upon the request of a peace officer, a permit holder shall disclose to the officer whether or not the permit holder is currently carrying a firearm.

Subd. 2. **Where application made; authority to issue permit; criteria; scope.** (a) Applications by Minnesota residents for permits to carry shall be made to the county sheriff where the applicant resides. Nonresidents, as defined in section 171.01, subdivision 42, may apply to any sheriff.

(b) Unless a sheriff denies a permit under the exception set forth in subdivision 6, paragraph (a), clause (3), a sheriff must issue a permit to an applicant if the person:

- (1) has training in the safe use of a pistol;
- (2) is at least 21 years old and a citizen or a permanent resident of the United States;
- (3) completes an application for a permit;
- (4) is not prohibited from possessing a firearm under the following sections:
 - (i) 518B.01, subdivision 14;
 - (ii) 609.224, subdivision 3;
 - (iii) 609.2242, subdivision 3;
 - (iv) 609.749, subdivision 8;
 - (v) 624.713;
 - (vi) 624.719;
 - (vii) 629.715, subdivision 2;
 - (viii) 629.72, subdivision 2; or
 - (ix) any federal law; and
- (5) is not listed in the criminal gang investigative data system under section 299C.091.

(c) A permit to carry a pistol issued or recognized under this section is a state permit and is effective throughout the state.

(d) A sheriff may contract with a police chief to process permit applications under this section. If a sheriff contracts with a police chief, the sheriff remains the issuing authority and the police chief acts as the sheriff's agent. If a sheriff contracts with a police chief, all of the provisions of this section will apply.

Subd. 2a. **Training in safe use of a pistol.** (a) An applicant must present evidence that the applicant received training in the safe use of a pistol within one year of the date of an original or renewal application. Training may be demonstrated by:

(1) employment as a peace officer in the state of Minnesota within the past year; or

(2) completion of a firearms safety or training course providing basic training in the safe use of a pistol and conducted by a certified instructor.

(b) Basic training must include:

(1) instruction in the fundamentals of pistol use;

(2) successful completion of an actual shooting qualification exercise; and

(3) instruction in the fundamental legal aspects of pistol possession, carry, and use, including self-defense and the restrictions on the use of deadly force.

(c) The certified instructor must issue a certificate to a person who has completed a firearms safety or training course described in paragraph (b). The certificate must be signed by the instructor and attest that the person attended and completed the course.

(d) A person qualifies as a certified instructor if the person is certified as a firearms instructor within the past five years by an organization or government entity that has been approved by the Department of Public Safety in accordance with the department's standards.

(e) A sheriff must accept the training described in this subdivision as meeting the requirement in subdivision 2, paragraph (b), for training in the safe use of a pistol. A sheriff may also accept other satisfactory evidence of training in the safe use of a pistol.

Subd. 3. **Form and contents of application.** (a) Applications for permits to carry must be an official, standardized application form, adopted under section 624.7151, and must set forth in writing only the following information:

(1) the applicant's name, residence, telephone number, if any, and driver's license number or state identification card number;

(2) the applicant's sex, date of birth, height, weight, and color of eyes and hair, and distinguishing physical characteristics, if any;

(3) the township or statutory city or home rule charter city, and county, of all Minnesota residences of the applicant in the last five years, though not including specific addresses;

(4) the township or city, county, and state of all non-Minnesota residences of the applicant in the last five years, though not including specific addresses;

(5) a statement that the applicant authorizes the release to the sheriff of commitment information about the applicant maintained by the commissioner of human services or any similar agency or department of another state where the applicant has resided, to the extent that the information relates to the applicant's eligibility to possess a firearm; and

(6) a statement by the applicant that, to the best of the applicant's knowledge and belief, the applicant is not prohibited by law from possessing a firearm.

(b) The statement under paragraph (a), clause (5), must comply with any applicable requirements of Code of Federal Regulations, title 42, sections 2.31 to 2.35, with respect to consent to disclosure of alcohol or drug abuse patient records.

(c) An applicant must submit to the sheriff an application packet consisting only of the following items:

(1) a completed application form, signed and dated by the applicant;

(2) an accurate photocopy of the certificate described in subdivision 2a, paragraph (c), that is submitted as the applicant's evidence of training in the safe use of a pistol; and

(3) an accurate photocopy of the applicant's current driver's license, state identification card, or the photo page of the applicant's passport.

(d) In addition to the other application materials, a person who is otherwise ineligible for a permit due to a criminal conviction but who has obtained a pardon or expungement setting aside the conviction, sealing the conviction, or otherwise restoring applicable rights, must submit a copy of the relevant order.

(e) Applications must be submitted in person.

(f) The sheriff may charge a new application processing fee in an amount not to exceed the actual and reasonable direct cost of processing the application or \$100, whichever is less. Of this amount, \$10 must be submitted to the commissioner and deposited into the general fund.

(g) This subdivision prescribes the complete and exclusive set of items an applicant is required to submit in order to apply for a new or renewal permit to carry. The applicant must not be asked or required to submit, voluntarily or involuntarily, any information, fees, or documentation beyond that specifically required by this subdivision. This paragraph does not apply to alternate training evidence accepted by the sheriff under subdivision 2a, paragraph (d).

(h) Forms for new and renewal applications must be available at all sheriffs' offices and the commissioner must make the forms available on the Internet.

(i) Application forms must clearly display a notice that a permit, if granted, is void and must be immediately returned to the sheriff if the permit holder is or becomes prohibited by law from possessing a firearm. The notice must list the applicable state criminal offenses and civil categories that prohibit a person from possessing a firearm.

(j) Upon receipt of an application packet and any required fee, the sheriff must provide a signed receipt indicating the date of submission.

Subd. 4. Investigation. (a) The sheriff must check, by means of electronic data transfer, criminal records, histories, and warrant information on each applicant through the Minnesota Crime Information System and the National Instant Criminal Background Check System. The sheriff shall also make a reasonable effort to check other available and relevant federal, state, or local record-keeping systems. The sheriff must obtain commitment information from the commissioner of human services as provided in section 246C.15 or, if the information is reasonably available, as provided by a similar statute from another state.

(b) When an application for a permit is filed under this section, the sheriff must notify the chief of police, if any, of the municipality where the applicant resides. The police chief may provide the sheriff with any information relevant to the issuance of the permit.

(c) The sheriff must conduct a background check by means of electronic data transfer on a permit holder through the Minnesota Crime Information System and the National Instant Criminal Background Check System at least yearly to ensure continuing eligibility. The sheriff may also conduct additional background checks by means of electronic data transfer on a permit holder at any time during the period that a permit is in effect.

Subd. 5. [Repealed, 2003 c 28 art 2 s 35; 2005 c 83 s 1]

Subd. 6. **Granting and denial of permits.** (a) The sheriff must, within 30 days after the date of receipt of the application packet described in subdivision 3:

(1) issue the permit to carry;

(2) deny the application for a permit to carry solely on the grounds that the applicant failed to qualify under the criteria described in subdivision 2, paragraph (b); or

(3) deny the application on the grounds that there exists a substantial likelihood that the applicant is a danger to self or the public if authorized to carry a pistol under a permit.

(b) Failure of the sheriff to notify the applicant of the denial of the application within 30 days after the date of receipt of the application packet constitutes issuance of the permit to carry and the sheriff must promptly fulfill the requirements under paragraph (c). To deny the application, the sheriff must provide the applicant with written notification and the specific factual basis justifying the denial under paragraph (a), clause (2) or (3), including the source of the factual basis. The sheriff must inform the applicant of the applicant's right to submit, within 20 business days, any additional documentation relating to the propriety of the denial. Upon receiving any additional documentation, the sheriff must reconsider the denial and inform the applicant within 15 business days of the result of the reconsideration. Any denial after reconsideration must be in the same form and substance as the original denial and must specifically address any continued deficiencies in light of the additional documentation submitted by the applicant. The applicant must be informed of the right to seek de novo review of the denial as provided in subdivision 12.

(c) Upon issuing a permit to carry, the sheriff must provide a laminated permit card to the applicant by first class mail unless personal delivery has been made. Within five business days, the sheriff must submit the information specified in subdivision 7, paragraph (a), to the commissioner for inclusion solely in the database required under subdivision 15, paragraph (a). The sheriff must transmit the information in a manner and format prescribed by the commissioner.

(d) Within five business days of learning that a permit to carry has been suspended or revoked, the sheriff must submit information to the commissioner regarding the suspension or revocation for inclusion solely in the databases required or permitted under subdivision 15.

(e) Notwithstanding paragraphs (a) and (b), the sheriff may suspend the application process if a charge is pending against the applicant that, if resulting in conviction, will prohibit the applicant from possessing a firearm.

(f) A sheriff shall not deny an application for a permit to carry solely because the applicant is a patient enrolled in the registry program and uses medical cannabis flower or medical cannabinoid products for a

qualifying medical condition or because the person is 21 years of age or older and uses adult-use cannabis flower, adult-use cannabis products, lower-potency hemp edibles, or hemp-derived consumer products.

Subd. 7. Permit card contents; expiration; renewal. (a) Permits to carry must be on an official, standardized permit card adopted by the commissioner, containing only the name, residence, and driver's license number or state identification card number of the permit holder, if any.

(b) The permit card must also identify the issuing sheriff and state the expiration date of the permit. The permit card must clearly display a notice that a permit, if granted, is void and must be immediately returned to the sheriff if the permit holder becomes prohibited by law from possessing a firearm.

(c) A permit to carry a pistol issued under this section expires five years after the date of issue. It may be renewed in the same manner and under the same criteria which the original permit was obtained, subject to the following procedures:

(1) no earlier than 90 days prior to the expiration date on the permit, the permit holder may renew the permit by submitting to the appropriate sheriff the application packet described in subdivision 3 and a renewal processing fee not to exceed the actual and reasonable direct cost of processing the application or \$75, whichever is less. Of this amount, \$5 must be submitted to the commissioner and deposited into the general fund. The sheriff must process the renewal application in accordance with subdivisions 4 and 6; and

(2) a permit holder who submits a renewal application packet after the expiration date of the permit, but within 30 days after expiration, may renew the permit as provided in clause (1) by paying an additional late fee of \$10.

(d) The renewal permit is effective beginning on the expiration date of the prior permit to carry.

Subd. 7a. Change of address; loss or destruction of permit. (a) Within 30 days after changing permanent address, or within 30 days of having lost or destroyed the permit card, the permit holder must notify the issuing sheriff of the change, loss, or destruction. Failure to provide notification as required by this subdivision is a petty misdemeanor. The fine for a first offense must not exceed \$25. Notwithstanding section 609.531, a firearm carried in violation of this paragraph is not subject to forfeiture.

(b) After notice is given under paragraph (a), a permit holder may obtain a replacement permit card by paying \$10 to the sheriff. The request for a replacement permit card must be made on an official, standardized application adopted for this purpose under section 624.7151, and, except in the case of an address change, must include a notarized statement that the permit card has been lost or destroyed.

Subd. 8. Permit to carry voided. (a) The permit to carry is void at the time that the holder becomes prohibited by law from possessing a firearm, in which event the holder must return the permit card to the issuing sheriff within five business days after the holder knows or should know that the holder is a prohibited person. If the sheriff has knowledge that a permit is void under this paragraph, the sheriff must give notice to the permit holder in writing in the same manner as a denial. Failure of the holder to return the permit within the five days is a gross misdemeanor unless the court finds that the circumstances or the physical or mental condition of the permit holder prevented the holder from complying with the return requirement.

(b) When a permit holder is convicted of an offense that prohibits the permit holder from possessing a firearm, the court must take possession of the permit, if it is available, and send it to the issuing sheriff.

(c) The sheriff of the county where the application was submitted, or of the county of the permit holder's current residence, may file a petition with the district court therein, for an order revoking a permit to carry on the grounds set forth in subdivision 6, paragraph (a), clause (3). An order shall be issued only if the sheriff

meets the burden of proof and criteria set forth in subdivision 12. If the court denies the petition, the court must award the permit holder reasonable costs and expenses, including attorney fees.

(d) A permit revocation must be promptly reported to the issuing sheriff.

Subd. 8a. Prosecutor's duty. Whenever a person is charged with an offense that would, upon conviction, prohibit the person from possessing a firearm, the prosecuting attorney must ascertain whether the person is a permit holder under this section. If the person is a permit holder, the prosecutor must notify the issuing sheriff that the person has been charged with a prohibiting offense. The prosecutor must also notify the sheriff of the final disposition of the case.

Subd. 9. Carrying pistols about one's premises or for purposes of repair, target practice. A permit to carry is not required of a person:

(1) to keep or carry about the person's place of business, dwelling house, premises or on land possessed by the person a pistol;

(2) to carry a pistol from a place of purchase to the person's dwelling house or place of business, or from the person's dwelling house or place of business to or from a place where repairing is done, to have the pistol repaired;

(3) to carry a pistol between the person's dwelling house and place of business;

(4) to carry a pistol in the woods or fields or upon the waters of this state for the purpose of hunting or of target shooting in a safe area; or

(5) to transport a pistol in a motor vehicle, snowmobile or boat if the pistol is unloaded, contained in a closed and fastened case, gunbox, or securely tied package.

Subd. 10. False representations. A person who gives or causes to be given any false material information in applying for a permit to carry, knowing or having reason to know the information is false, is guilty of a gross misdemeanor.

Subd. 11. No limit on number of pistols. A person shall not be restricted as to the number of pistols the person may carry.

Subd. 11a. Emergency issuance of permits. A sheriff may immediately issue an emergency permit to a person if the sheriff determines that the person is in an emergency situation that may constitute an immediate risk to the safety of the person or someone residing in the person's household. A person seeking an emergency permit must complete an application form and must sign an affidavit describing the emergency situation. An emergency permit applicant does not need to provide evidence of training. An emergency permit is valid for 30 days, may not be renewed, and may be revoked without a hearing. No fee may be charged for an emergency permit. An emergency permit holder may seek a regular permit under subdivision 3 and is subject to the other applicable provisions of this section.

Subd. 12. Hearing upon denial or revocation. (a) Any person aggrieved by denial or revocation of a permit to carry may appeal by petition to the district court having jurisdiction over the county or municipality where the application was submitted. The petition must list the sheriff as the respondent. The district court must hold a hearing at the earliest practicable date and in any event no later than 60 days following the filing of the petition for review. The court may not grant or deny any relief before the completion of the hearing. The record of the hearing must be sealed. The matter must be heard de novo without a jury.

(b) The court must issue written findings of fact and conclusions of law regarding the issues submitted by the parties. The court must issue its writ of mandamus directing that the permit be issued and order other appropriate relief unless the sheriff establishes by clear and convincing evidence:

(1) that the applicant is disqualified under the criteria described in subdivision 2, paragraph (b); or

(2) that there exists a substantial likelihood that the applicant is a danger to self or the public if authorized to carry a pistol under a permit. Incidents of alleged criminal misconduct that are not investigated and documented may not be considered.

(c) If an applicant is denied a permit on the grounds that the applicant is listed in the criminal gang investigative data system under section 299C.091, the person may challenge the denial, after disclosure under court supervision of the reason for that listing, based on grounds that the person:

(1) was erroneously identified as a person in the data system;

(2) was improperly included in the data system according to the criteria outlined in section 299C.091, subdivision 2, paragraph (b); or

(3) has demonstrably withdrawn from the activities and associations that led to inclusion in the data system.

(d) If the court grants a petition brought under paragraph (a), the court must award the applicant or permit holder reasonable costs and expenses including attorney fees.

Subd. 12a. Suspension as condition of release. The district court may order suspension of the application process for a permit or suspend the permit of a permit holder as a condition of release pursuant to the same criteria as the surrender of firearms under section 629.715. A permit suspension must be promptly reported to the issuing sheriff. If the permit holder has an out-of-state permit recognized under subdivision 16, the court must promptly report the suspension to the commissioner for inclusion solely in the database under subdivision 15, paragraph (a).

Subd. 13. Exemptions; adult correctional facility officers. A permit to carry a pistol is not required of any officer of a state adult correctional facility when on guard duty or otherwise engaged in an assigned duty.

Subd. 14. Records. (a) A sheriff must not maintain records or data collected, made, or held under this section concerning any applicant or permit holder that are not necessary under this section to support a permit that is outstanding or eligible for renewal under subdivision 7, paragraph (b). Notwithstanding section 138.163, sheriffs must completely purge all files and databases by March 1 of each year to delete all information collected under this section concerning all persons who are no longer current permit holders or currently eligible to renew their permit.

(b) Paragraph (a) does not apply to records or data concerning an applicant or permit holder who has had a permit denied or revoked under the criteria established in subdivision 2, paragraph (b), clause (1), or subdivision 6, paragraph (a), clause (3), for a period of six years from the date of the denial or revocation.

Subd. 15. Commissioner; contracts; database. (a) The commissioner must maintain an automated database of persons authorized to carry pistols under this section that is available 24 hours a day, seven days a week, only to law enforcement agencies, including prosecutors carrying out their duties under subdivision 8a, to verify the validity of a permit.

(b) The commissioner may maintain a separate automated database of denied applications for permits to carry and of revoked permits that is available only to sheriffs performing their duties under this section containing the date of, the statutory basis for, and the initiating agency for any permit application denied or permit revoked for a period of six years from the date of the denial or revocation.

(c) The commissioner may contract with one or more vendors to implement the commissioner's duties under this section.

Subd. 16. **Recognition of permits from other states.** (a) The commissioner must annually establish and publish a list of other states that have laws governing the issuance of permits to carry weapons that are not similar to this section. The list must be available on the Internet. A person holding a carry permit from a state not on the list may use the license or permit in this state subject to the rights, privileges, and requirements of this section.

(b) Notwithstanding paragraph (a), no license or permit from another state is valid in this state if the holder is or becomes prohibited by law from possessing a firearm.

(c) Any sheriff or police chief may file a petition under subdivision 12 seeking an order suspending or revoking an out-of-state permit holder's authority to carry a pistol in this state on the grounds set forth in subdivision 6, paragraph (a), clause (3). An order shall only be issued if the petitioner meets the burden of proof and criteria set forth in subdivision 12. If the court denies the petition, the court must award the permit holder reasonable costs and expenses including attorney fees. The petition may be filed in any county in the state where a person holding a license or permit from another state can be found.

(d) The commissioner must, when necessary, execute reciprocity agreements regarding carry permits with jurisdictions whose carry permits are recognized under paragraph (a).

Subd. 17. **Posting; trespass.** (a) A person carrying a firearm on or about his or her person or clothes under a permit or otherwise who remains at a private establishment knowing that the operator of the establishment or its agent has made a reasonable request that firearms not be brought into the establishment may be ordered to leave the premises. A person who fails to leave when so requested is guilty of a petty misdemeanor. The fine for a first offense must not exceed \$25. Notwithstanding section 609.531, a firearm carried in violation of this subdivision is not subject to forfeiture.

(b) As used in this subdivision, the terms in this paragraph have the meanings given.

(1) "Reasonable request" means a request made under the following circumstances:

(i) the requester has prominently posted a conspicuous sign at every entrance to the establishment containing the following language: "(INDICATE IDENTITY OF OPERATOR) BANS GUNS IN THESE PREMISES."; or

(ii) the requester or the requester's agent personally informs the person that guns are prohibited in the premises and demands compliance.

(2) "Prominently" means readily visible and within four feet laterally of the entrance with the bottom of the sign at a height of four to six feet above the floor.

(3) "Conspicuous" means lettering in black arial typeface at least 1-1/2 inches in height against a bright contrasting background that is at least 187 square inches in area.

(4) "Private establishment" means a building, structure, or portion thereof that is owned, leased, controlled, or operated by a nongovernmental entity for a nongovernmental purpose.

(c) The owner or operator of a private establishment may not prohibit the lawful carry or possession of firearms in a parking facility or parking area.

(d) The owner or operator of a private establishment may not prohibit the lawful carry or possession of firearms by a peace officer, as defined in section 626.84, subdivision 1, paragraph (c), within the private establishment or deny the officer access thereto, except when specifically authorized by statute. The owner or operator of the private establishment may require the display of official credentials issued by the agency that employs the peace officer prior to granting the officer entry into the private establishment.

(e) This subdivision does not apply to private residences. The lawful possessor of a private residence may prohibit firearms, and provide notice thereof, in any lawful manner.

(f) A landlord may not restrict the lawful carry or possession of firearms by tenants or their guests.

(g) Notwithstanding any inconsistent provisions in section 609.605, this subdivision sets forth the exclusive criteria to notify a permit holder when otherwise lawful firearm possession is not allowed in a private establishment and sets forth the exclusive penalty for such activity.

(h) This subdivision does not apply to a security guard acting in the course and scope of employment. The owner or operator of a private establishment may require the display of official credentials issued by the company, which must be licensed by the Private Detective and Protective Agent Services Board, that employs the security guard and the guard's permit card prior to granting the guard entrance into the private establishment.

Subd. 18. Employers; public colleges and universities. (a) An employer, whether public or private, may establish policies that restrict the carry or possession of firearms by its employees while acting in the course and scope of employment. Employment related civil sanctions may be invoked for a violation.

(b) A public postsecondary institution regulated under chapter 136F or 137 may establish policies that restrict the carry or possession of firearms by its students while on the institution's property. Academic sanctions may be invoked for a violation.

(c) Notwithstanding paragraphs (a) and (b), an employer or a postsecondary institution may not prohibit the lawful carry or possession of firearms in a parking facility or parking area.

Subd. 19. Immunity. Neither a sheriff, police chief, any employee of a sheriff or police chief involved in the permit issuing process, nor any certified instructor is liable for damages resulting or arising from acts with a firearm committed by a permit holder, unless the person had actual knowledge at the time the permit was issued or the instruction was given that the applicant was prohibited by law from possessing a firearm.

Subd. 20. Monitoring. (a) By March 1, 2004, and each year thereafter, the commissioner must report to the legislature on:

(1) the number of permits applied for, issued, suspended, revoked, and denied, further categorized by the age, sex, and zip code of the applicant or permit holder, since the previous submission, and in total;

(2) the number of permits currently valid;

(3) the specific reasons for each suspension, revocation, and denial and the number of reversed, canceled, or corrected actions;

(4) without expressly identifying an applicant, the number of denials or revocations based on the grounds under subdivision 6, paragraph (a), clause (3), the factual basis for each denial or revocation, and the result of an appeal, if any, including the court's findings of fact, conclusions of law, and order;

(5) the number of convictions and types of crimes committed since the previous submission, and in total, by individuals with permits including data as to whether a firearm lawfully carried solely by virtue of a permit was actually used in furtherance of the crime;

(6) to the extent known or determinable, data on the lawful and justifiable use of firearms by permit holders; and

(7) the status of the segregated funds reported to the commissioner under subdivision 21.

(b) Sheriffs and police chiefs must supply the Department of Public Safety with the basic data the department requires to complete the report under paragraph (a). Sheriffs and police chiefs may submit data classified as private to the Department of Public Safety under this paragraph.

(c) Copies of the report under paragraph (a) must be made available to the public at the actual cost of duplication.

(d) Nothing contained in any provision of this section or any other law requires or authorizes the registration, documentation, collection, or providing of serial numbers or other data on firearms or on firearms' owners.

Subd. 21. **Use of fees.** Fees collected by sheriffs under this section and not forwarded to the commissioner must be used only to pay the direct costs of administering this section. Fee money may be used to pay the costs of appeals of prevailing applicants or permit holders under subdivision 8, paragraph (c); subdivision 12, paragraph (e); and subdivision 16, paragraph (c). Fee money may also be used to pay the reasonable costs of the county attorney to represent the sheriff in proceedings under this section. The revenues must be maintained in a segregated fund. Fund balances must be carried over from year to year and do not revert to any other fund. As part of the information supplied under subdivision 20, paragraph (b), by January 31 of each year, a sheriff must report to the commissioner on the sheriff's segregated fund for the preceding calendar year, including information regarding:

- (1) nature and amount of revenues;
- (2) nature and amount of expenditures; and
- (3) nature and amount of balances.

Subd. 22. **Short title; construction; severability.** This section may be cited as the Minnesota Citizens' Personal Protection Act of 2003. The legislature of the state of Minnesota recognizes and declares that the second amendment of the United States Constitution guarantees the fundamental, individual right to keep and bear arms. The provisions of this section are declared to be necessary to accomplish compelling state interests in regulation of those rights. The terms of this section must be construed according to the compelling state interest test. The invalidation of any provision of this section shall not invalidate any other provision.

Subd. 23. **Exclusivity.** This section sets forth the complete and exclusive criteria and procedures for the issuance of permits to carry and establishes their nature and scope. No sheriff, police chief, governmental unit, government official, government employee, or other person or body acting under color of law or governmental authority may change, modify, or supplement these criteria or procedures, or limit the exercise of a permit to carry.

Subd. 24. **Predatory offenders.** Except when acting under the authority of other law, it is a misdemeanor for a person required to register by section 243.166 to carry a pistol whether or not the carrier possesses a permit to carry issued under this section. If an action prohibited by this subdivision is also a violation of another law, the violation may be prosecuted under either law.

624.7141 TRANSFER TO INELIGIBLE PERSON.

Subdivision 1. **Transfer prohibited.** (a) A person is guilty of a felony and may be sentenced to imprisonment for up to two years and to payment of a fine of not more than \$10,000 if the person intentionally transfers a firearm to another and the person knows or reasonably should know that the transferee:

(1) has been denied a permit to carry under section 624.714 because the transferee is not eligible under section 624.713 to possess a pistol or semiautomatic military-style assault weapon or any other firearm;

(2) has been found ineligible to possess a pistol or semiautomatic military-style assault weapon by a chief of police or sheriff as a result of an application for a transferee permit or a transfer report; or

(3) is disqualified under section 624.713 from possessing a pistol or semiautomatic military-style assault weapon or any other firearm.

(b) Paragraph (a) does not apply to the transfer of a firearm other than a pistol or semiautomatic military-style assault weapon to a person under the age of 18 who is not disqualified from possessing any other firearm.

Subd. 2. **Aggravated offense.** A person who violates this section may be sentenced to imprisonment for up to five years and to payment of a fine of not more than \$20,000 if the transferee possesses or uses the weapon within one year after the transfer in furtherance of a felony crime of violence.

Subd. 3. **Subsequent eligibility.** This section is not applicable to a transfer to a person who became eligible to possess a pistol or semiautomatic military-style assault weapon under section 624.713 after the transfer occurred but before the transferee used or possessed the weapon in furtherance of any crime.

Subd. 4. **Affirmative defense.** (a) As used in this subdivision, "family or household member" has the meaning given in section 518B.01, subdivision 2, paragraph (b).

(b) If proven by clear and convincing evidence, it is an affirmative defense to a violation of this section that the defendant was a family or household member of the transferee and committed the violation only under compulsion by the transferee who, by explicit or implicit threats or other acts, created a reasonable apprehension in the mind of the defendant that the refusal of the defendant to participate in the violation would result in the transferee inflicting substantial bodily harm or death on the defendant or a family or household member of the defendant.

(c) The fact finder may consider any evidence of past acts that would constitute domestic abuse, domestic or non-domestic assault, criminal sexual conduct, sexual extortion, sex trafficking, labor trafficking, harassment or stalking, or any other crime that is a crime of violence as defined in section 624.712, subdivision 5, or threats to commit any of these crimes by the transferee toward the defendant or another when determining if the defendant has proven the affirmative defense. Past prosecution is not required for the fact finder to

consider evidence of these acts. Nothing in this paragraph limits the ability of the fact finder to consider other relevant evidence when determining if the defendant has proven the affirmative defense.

624.7142 CARRYING WHILE UNDER INFLUENCE OF ALCOHOL OR CONTROLLED SUBSTANCE.

Subdivision 1. **Acts prohibited.** A person may not carry a pistol on or about the person's clothes or person in a public place:

(1) when the person is under the influence of a controlled substance, as defined in section 152.01, subdivision 4;

(2) when the person is under the influence of a combination of any two or more of the elements named in clauses (1), (4), and (7);

(3) when the person is under the influence of an intoxicating substance as defined in section 169A.03, subdivision 11a, and the person knows or has reason to know that the substance has the capacity to cause impairment;

(4) when the person is under the influence of alcohol;

(5) when the person's alcohol concentration is 0.10 or more;

(6) when the person's alcohol concentration is less than 0.10, but more than 0.04; or

(7) when the person is under the influence of cannabis flower, a cannabis product, a lower-potency hemp edible, a hemp-derived consumer product, an artificially derived cannabinoid, or tetrahydrocannabinols, as those terms are defined in section 342.01.

Subd. 2. **Arrest.** A peace officer may arrest a person for a violation under subdivision 1 without a warrant upon probable cause, without regard to whether the violation was committed in the officer's presence.

Subd. 3. **Preliminary screening test.** When an officer authorized under subdivision 2 to make arrests has reason to believe that the person may be violating or has violated subdivision 1, the officer may require the person to provide a breath sample for a preliminary screening test using a device approved by the commissioner for this purpose. The results of the preliminary screening test must be used for the purpose of deciding whether an arrest should be made under this section and whether to require the chemical tests authorized in section 624.7143, but may not be used in any court action except: (1) to prove that the test was properly required of a person under section 624.7143, or (2) in a civil action arising out of the use of the pistol. Following the preliminary screening test, additional tests may be required of the person as provided under section 624.7143. A person who refuses a breath sample is subject to the provisions of section 624.7143 unless, in compliance with that section, the person submits to a blood, breath, or urine test to determine the presence of alcohol or a controlled substance.

Subd. 4. **Evidence.** In a prosecution for a violation of subdivision 1, the admission of evidence of the amount of alcohol or a controlled substance in the person's blood, breath, or urine is governed by section 169A.45.

Subd. 5. **Suspension.** A person who is charged with a violation under this section may have their authority to carry a pistol in a public place on or about the person's clothes or person under the provisions of a permit or otherwise suspended by the court as a condition of release.

Subd. 6. **Penalties.** (a) A person who violates a prohibition under subdivision 1, clauses (1) to (5), is guilty of a misdemeanor. A second or subsequent violation is a gross misdemeanor.

(b) A person who violates subdivision 1, clause (6), is guilty of a misdemeanor.

(c) In addition to the penalty imposed under paragraph (a), if a person violates subdivision 1, clauses (1) to (5), the person's authority to carry a pistol in a public place on or about the person's clothes or person under the provisions of a permit or otherwise is revoked and the person may not reapply for a period of one year from the date of conviction.

(d) In addition to the penalty imposed under paragraph (b), if a person violates subdivision 1, clause (6), the person's authority to carry a pistol in a public place on or about the person's clothes or person under the provisions of a permit or otherwise is suspended for 180 days from the date of conviction.

(e) Notwithstanding section 609.531, a firearm carried in violation of subdivision 1, clause (6), is not subject to forfeiture.

Subd. 7. **Reporting.** Suspensions and revocations under this section must be reported in the same manner as in section 624.714, subdivision 12a.

History: 2003 c 28 art 2 s 29,34; 2005 c 83 s 1; 2018 c 195 art 3 s 25; 2023 c 63 art 4 s 48

624.7143 CHEMICAL TESTING.

Subdivision 1. **Mandatory chemical testing.** (a) A person who carries a pistol in a public place on or about the person's clothes or person is required, subject to the provisions of this section, to take or submit to a test of the person's blood, breath, or urine for the purpose of determining the presence and amount of alcohol or a controlled substance. The test shall be administered at the direction of an officer authorized to make arrests under section 624.7142.

(b) Taking or submitting to a test of the person's breath is mandatory when requested by an officer who has probable cause to believe the person was carrying a pistol in violation of section 624.7142, and one of the following conditions exists:

(1) the person has been lawfully placed under arrest for violating section 624.7142;

(2) the person has been involved while carrying a firearm in a firearms-related accident resulting in property damage, personal injury, or death;

(3) the person has refused to take the preliminary screening test provided for in section 624.7142; or

(4) the screening test was administered and indicated an alcohol concentration of 0.04 or more.

(c) Taking or submitting to a test of the person's blood or urine is mandatory when requested by a peace officer under the conditions described in paragraph (b) if the officer is acting pursuant to a search warrant under sections 626.04 to 626.18.

Subd. 1a. **Blood or urine test; search warrant required.** Notwithstanding any contrary provision in this section, a blood or urine test may be conducted only pursuant to a search warrant under sections 626.04 to 626.18, or a judicially recognized exception to the search warrant requirement. When, under the provisions of this section, a search warrant is required for a blood or urine test, that requirement is met if a judicially recognized exception to the search warrant is applicable.

Subd. 2. Penalties; refusal; revocation. (a) If a person refuses to take a test required under subdivision 1, none must be given but the officer shall report the refusal to the sheriff and to the authority having responsibility for prosecution of misdemeanor offenses for the jurisdiction in which the incident occurred that gave rise to the test demand and refusal. On certification by the officer that probable cause existed to believe the person had been carrying a pistol on or about the person's clothes or person in a public place while under the influence of alcohol or a controlled substance, that in the case of a blood or urine test the officer was acting pursuant to a search warrant, and that the person refused to submit to testing, a court may impose a civil penalty of \$500 and may revoke the person's authority to carry a pistol in a public place on or about the person's clothes or person under the provisions of a permit or otherwise for a period of one year from the date of the refusal. The person shall be accorded notice and an opportunity to be heard prior to imposition of the civil penalty or the revocation.

(b) Revocations under this subdivision must be reported in the same manner as in section 624.714, subdivision 12a.

Subd. 3. Rights and obligations. At the time a test is requested, the person must be informed that:

(1) Minnesota law requires a person to take a test to determine if the person is under the influence of alcohol or a controlled substance;

(2) if the person refuses to take the test, the person is subject to a civil penalty of \$500 and is prohibited for a period of one year from carrying a pistol in a public place on or about the person's clothes or person, as provided under subdivision 2; and

(3) that, in the case of a breath test, the person has the right to consult with an attorney, but that this right is limited to the extent it cannot unreasonably delay administration of the test or the person will be deemed to have refused the test.

Subd. 4. Type of test. (a) A peace officer who directs a test pursuant to this section may direct a breath test.

(b) A peace officer, acting pursuant to a search warrant, may direct a blood or urine test as provided in the warrant. If the warrant authorizes either a blood or urine test, the officer may direct whether the test is of blood or urine. If the person to whom the test is directed objects to the test, the officer shall offer the person an alternative test of either blood or urine.

(c) If there is probable cause to believe there is impairment by a controlled substance that is not subject to testing by a breath test, a blood or urine test may be required pursuant to a search warrant even after a breath test has been administered.

(d) Action under this section may be taken against a person who refuses to take a blood test only if an alternative test was offered and action may be taken against a person who refuses to take a urine test only if an alternative test was offered.

Subd. 5. Chemical tests. Chemical tests administered under this section are governed by section 169A.51 in all aspects that are not inconsistent with this section.

guilty of a gross misdemeanor if the abusing party or offender obtains possession of the transferred firearm while the person is prohibited from possessing firearms. It is an affirmative defense to a violation of this section that the third party who accepted the transferred firearm exercised due care to ensure that the abusing party or offender could not access the firearm. The third party shall not return the firearm to the abusing party or offender until the prohibiting time period imposed under section 260C.201, subdivision 3; 518B.01, subdivision 6; 609.2242, subdivision 3; or 609.749, subdivision 8, has expired and the abusing party or offender presents a current, valid transferee permit or passes a federal background check through the National Instant Criminal Background Check System. The third party may rely on a court order describing the length of the prohibiting time period as conclusive evidence that the prohibiting time period has expired, unless otherwise notified by the court.

(b) At the time of filing, a petitioner may request that the court allow the petitioner to appear virtually at all proceedings. If the court denies the petitioner's request for virtual participation, the petitioner may refile the petition in the county where the petitioner resides or is officed.

Subd. 3. Information on petitioner's location or residence. Upon the petitioner's request, information maintained by the court regarding the petitioner's location or residence is not accessible to the public and may be disclosed only to court personnel or law enforcement for purposes of service of process, conducting an investigation, or enforcing an order.

Subd. 4. Generally. (a) There shall exist an action known as a petition for an extreme risk protection order, which order shall enjoin and prohibit the respondent from possessing or purchasing firearms for as long as the order remains in effect.

The court shall direct payment of the reasonable costs of service of process if served by a private process server when the sheriff or other law enforcement or corrections officer is unavailable or if service is made by publication, without requiring the petitioner to make application under section 563.01.

(i) The court shall advise the petitioner of the right to serve the respondent by alternate notice under section 624.7172, subdivision 1, paragraph (e), if the respondent is avoiding personal service by concealment or otherwise, and shall assist in the writing and filing of the affidavit.

(j) The court shall advise the petitioner of the right to request a hearing under section 624.7174. When an order expires or is terminated by the court, the court must submit a request that the order be removed from the National Instant Background Check System. When a mental health professional has a statutory duty to warn another of a client's serious threat of physically violent behavior or determines that a client presents a significant risk of suicide by possessing a firearm, the mental health professional must communicate the threat or risk to the sheriff of the county where the client resides and make a recommendation to the sheriff regarding the client's fitness to possess firearms.

624.7172 EXTREME RISK PROTECTION ORDERS ISSUED AFTER HEARING.

Subdivision 1. **Hearing.** (a) Upon receipt of the petition for an order after a hearing, the court must schedule and hold a hearing within 14 days from the date the petition was received.

(b) The court shall advise the petitioner of the right to request an emergency extreme risk protection order under section 624.7174 separately from or simultaneously with the petition under this subdivision.

(c) The petitioning agency shall be responsible for service of an extreme risk protection order issued by the court and shall further be the agency responsible for the execution of any legal process required for the seizure and storage of firearms subject to the order. Nothing in this provision limits the ability of the law enforcement agency of record from cooperating with other law enforcement entities. When a court issues an extreme risk protection order for a person who resides on Tribal territory, the chief law enforcement officer of the law enforcement agency responsible for serving the order must request the assistance and counsel of the appropriate Tribal police department prior to serving the respondent. When the petitioner is a family or household member of the respondent, the primary law enforcement agency serving the jurisdiction of residency of the respondent shall be responsible for the execution of any legal process required for the seizure and storage of firearms subject to the order.

(d) Personal service of notice for the hearing may be made upon the respondent at any time up to 48 hours prior to the time set for the hearing, provided that the respondent at the hearing may request a continuance of up to 14 days if the respondent is served less than five days prior to the hearing, which continuance shall be granted unless there are compelling reasons not to do so. If the court grants the requested

continuance, and an existing emergency order under section 624.7174 will expire due to the continuance, the court shall also issue a written order continuing the emergency order pending the new time set for the hearing.

(e) If personal service cannot be made, the court may order service of the petition and any order issued under this section by alternate means. The application for alternate service must include the last known location of the respondent; the petitioner's most recent contacts with the respondent; the last known location of the respondent's employment; the names and locations of the respondent's parents, siblings, children, and other close relatives; the names and locations of other persons who are likely to know the respondent's whereabouts; and a description of efforts to locate those persons. The court shall consider the length of time the respondent's location has been unknown, the likelihood that the respondent's location will become known, the nature of the relief sought, and the nature of efforts made to locate the respondent. The court shall order service by first class mail, forwarding address requested, to any addresses where there is a reasonable possibility that mail or information will be forwarded or communicated to the respondent. The court may also order publication, within or without the state, but only if it might reasonably succeed in notifying the respondent of the proceeding. Service shall be deemed complete 14 days after mailing or 14 days after court-ordered publication.

(f) When a petitioner who is not the sheriff of the county where the respondent resides, the sheriff's designee, or a family or household member files a petition, the petitioner must provide notice of the action to the sheriff of the county where the respondent resides. When a family or household member is the petitioner, the court must provide notice of the action to the sheriff of the county where the respondent resides.

Subd. 2. **Relief by court.** (a) At the hearing, the petitioner must prove by clear and convincing evidence that the respondent poses a significant danger to other persons or is at significant risk of suicide by possessing a firearm.

(b) In determining whether to grant the order after a hearing, the court shall consider evidence of the following, whether or not the petitioner has provided evidence of the same:

- (1) a history of threats or acts of violence by the respondent directed toward another person;
- (2) the history of use, attempted use, or threatened use of physical force by the respondent against another person;
- (3) a violation of any court order, including but not limited to orders issued under sections 624.7171 to 624.7178 or chapter 260C or 518B;
- (4) a prior arrest for a violent felony offense;
- (5) a conviction or prior arrest for a violent misdemeanor offense, for a stalking offense under section 609.749, or for domestic assault under section 609.2242;
- (6) a conviction for an offense of cruelty to animals under chapter 343;
- (7) the unlawful and reckless use, display, or brandishing of a firearm by the respondent;
- (8) suicide attempts by the respondent or a serious mental illness; and
- (9) whether the respondent is named in an existing order in effect under sections 624.7171 to 624.7178 or chapter 260C or 518B, or party to a pending lawsuit, complaint, petition, or other action under sections 624.7171 to 624.7178 or chapter 518B.

(c) In determining whether to grant the order after a hearing, the court may:

(1) subpoena peace officers who have had contact with the respondent to provide written or sworn testimony regarding the officer's contacts with the respondent; and

(2) consider any other evidence that bears on whether the respondent poses a danger to others or is at risk of suicide.

(d) If the court finds there is clear and convincing evidence to issue an extreme risk protection order, the court shall issue the order prohibiting the person from possessing or purchasing a firearm for the duration of the order. The court shall inform the respondent that the respondent is prohibited from possessing or purchasing firearms and shall issue a transfer order under section 624.7175. The court shall also give notice to the county attorney's office, which may take action as it deems appropriate.

(e) The court shall determine the length of time the order is in effect, but may not set the length of time for less than six months or more than one year, subject to renewal or extension under section 624.7173.

(f) If there is no existing emergency order under section 624.7174 at the time an order is granted under this section, the court shall determine by clear and convincing evidence whether the respondent presents an immediate and present danger of bodily harm. If the court so determines, the transfer order shall include the provisions described in section 624.7175, paragraph (d).

(g) If, after a hearing, the court does not issue an order of protection, the court shall vacate any emergency extreme risk protection order currently in effect.

(h) A respondent may waive the respondent's right to contest the hearing and consent to the court's imposition of an extreme risk protection order. The court shall seal the petition filed under this section and section 624.7174 if a respondent who consents to imposition of an extreme risk protection order requests that the petition be sealed, unless the court finds that there is clear and convincing evidence that the interests of the public and public safety outweigh the disadvantages to the respondent of not sealing the petition. All extreme risk protection orders based on the respondent being a danger to others shall remain public. Extreme risk protection orders issued for respondents who are solely at risk of suicide shall not be public.

624.7173 SUBSEQUENT EXTENSIONS AND TERMINATION.

(a) Upon application by any party entitled to petition for an order under section 624.7172, and after notice to the respondent and a hearing, the court may extend the relief granted in an existing order granted after a hearing under section 624.7172. Application for an extension may be made any time within the three months before the expiration of the existing order. The court may extend the order if the court makes the same findings by clear and convincing evidence as required for granting of an initial order under section 624.7172, subdivision 2, paragraph (d). The minimum length of time of an extension is six months and the maximum length of time of an extension is one year. The court shall consider the same types of evidence as required for the initial order under section 624.7172, subdivision 2, paragraphs (b) and (c).

624.7174 EMERGENCY ISSUANCE OF EXTREME RISK PROTECTION ORDER.

(a) In determining whether to grant an emergency extreme risk protection order, the court shall consider evidence of all facts identified in section 624.7172, subdivision 2, paragraphs (b) and (c).

(b) The court shall advise the petitioner of the right to request an order after a hearing under section 624.7172 separately from or simultaneously with the petition.

(c) If the court finds there is probable cause that (1) the respondent poses a significant danger of bodily harm to other persons or is at significant risk of suicide by possessing a firearm, and (2) the respondent presents an immediate and present danger of either bodily harm to others or of taking their life, the court shall issue an ex parte emergency order prohibiting the respondent from possessing or purchasing a firearm for the duration of the order. The order shall inform the respondent that the respondent is prohibited from possessing or purchasing firearms and shall issue a transfer order under section 624.7175, paragraph (d).

(d) A finding by the court that there is a basis for issuing an emergency extreme risk protection order constitutes a finding that sufficient reasons exist not to require notice under applicable court rules governing applications for ex parte relief.

(e) The emergency order shall have a fixed period of 14 days unless a hearing is set under section 624.7172 on an earlier date, in which case the order shall expire upon a judge's finding that no order is issued under section 624.7172.

(f) Except as provided in paragraph (g), the respondent shall be personally served immediately with a copy of the emergency order and a copy of the petition and, if a hearing is requested by the petitioner under section 624.7172, notice of the date set for the hearing. If the petitioner does not request a hearing under section 624.7172, an order served on a respondent under this section must include a notice advising the respondent of the right to request a hearing challenging the issuance of the emergency order, and must be accompanied by a form that can be used by the respondent to request a hearing.

(g) Service of the emergency order may be made by alternate service as provided under section 624.7172, subdivision 1, paragraph (e), provided that the petitioner files the affidavit required under that subdivision. If the petitioner does not request a hearing under section 624.7172, the petition mailed to the respondent's residence, if known, must be accompanied by the form for requesting a hearing described in paragraph (f).

624.7175 TRANSFER OF FIREARMS.

(a) Except as provided in paragraph (b), upon issuance of an extreme risk protection order, the court shall direct the respondent to transfer any firearms the person possesses as soon as reasonably practicable, but in no case later than 24 hours, to a federally licensed firearms dealer or a law enforcement agency. If the respondent elects to transfer the respondent's firearms to a law enforcement agency, the agency must accept the transfer. The transfer may be permanent or temporary. A temporary firearm transfer only entitles the receiving party to possess the firearm and does not transfer ownership or title. If the respondent makes a temporary transfer to a federally licensed firearms dealer, the dealer may charge the respondent a reasonable fee to store the firearms. If the temporary transfer is made to a law enforcement agency, the agency may not

charge the respondent any storage or other associated fee. A dealer or agency may establish policies for disposal of abandoned firearms, provided these policies require that the respondent be notified prior to disposal of abandoned firearms. If a respondent permanently transfers the respondent's firearms to a law enforcement agency, the agency must compensate the respondent at fair market value and may not charge the respondent any processing or other fees.

(b) A person directed to transfer any firearms pursuant to paragraph (a) may transfer any antique firearm, as defined in United States Code, title 18, section 921, paragraph (a), clause (16), as amended, or a curio or relic as defined in Code of Federal Regulations, title 27, section 478.11, as amended, to a relative who does not live with the respondent after confirming that the relative may lawfully own or possess a firearm.

(c) The respondent must file proof of transfer as provided in this paragraph.

(1) A law enforcement agency or federally licensed firearms dealer accepting transfer of a firearm pursuant to this section shall provide proof of transfer to the respondent. The proof of transfer must specify whether the firearms were permanently or temporarily transferred and must include the name of the respondent, date of transfer, and the serial number, manufacturer, and model of all transferred firearms. If transfer is made to a federally licensed firearms dealer, the respondent shall, within two business days after being served with the order, file a copy of proof of transfer with the law enforcement agency and attest that all firearms owned or possessed at the time of the order have been transferred in accordance with this section and that the person currently does not possess any firearms. If the respondent claims not to own or possess firearms, the respondent shall file a declaration of nonpossession with the law enforcement agency attesting that, at the time of the order, the respondent neither owned nor possessed any firearms, and that the respondent currently neither owns nor possesses any firearms. If the transfer is made to a relative pursuant to paragraph (b), the relative must sign an affidavit under oath before a notary public either acknowledging that the respondent permanently transferred the respondent's antique firearms, curios, or relics to the relative or agreeing to temporarily store the respondent's antique firearms, curios, or relics until such time as the respondent is legally permitted to possess firearms. To the extent possible, the affidavit shall indicate the serial number, make, and model of all antique firearms, curios, or relics transferred by the respondent to the relative.

(2) The court shall seal affidavits, proofs of transfer, and declarations of nonpossession filed pursuant to this paragraph.

(d) If a court issues an emergency order under section 624.7174, or makes a finding of immediate and present danger under section 624.7172, subdivision 2, paragraph (f), and there is probable cause to believe the respondent possesses firearms, the court shall issue a search warrant to the local law enforcement agency to take possession of all firearms in the respondent's possession as soon as practicable. The chief law enforcement officer, or the chief's designee, shall notify the respondent of the option to voluntarily comply with the order by surrendering the respondent's firearms to law enforcement prior to execution of the search warrant. Only if the respondent refuses to voluntarily comply with the order to surrender the respondent's firearms shall the officer or officers tasked with serving the search warrant execute the warrant. The local law enforcement agency shall, upon written notice from the respondent, transfer the firearms to a federally licensed firearms dealer. Before a local law enforcement agency transfers a firearm under this paragraph, the agency shall require the federally licensed firearms dealer receiving the firearm to submit a proof of transfer that complies with the requirements for proofs of transfer established in paragraph (c). The agency shall file all proofs of transfer received by the court within two business days of the transfer. A federally licensed firearms dealer who accepts a firearm transfer pursuant to this paragraph shall comply with paragraphs (a) and (c) as if accepting transfer directly from the respondent. A law enforcement agency may establish

policies for disposal of abandoned firearms, provided these policies require that the respondent be notified prior to disposal of abandoned firearms.
