SEARCH WARRANTS

626.04 PROPERTY; SEIZURE, KEEPING, AND DISPOSAL.

(a) When any officer seizes, with or without warrant, any property or thing, it shall be safely kept by direction of the court as long as necessary for the purpose of being produced as evidence on any trial. If the owner of the property makes a written request to the seizing officer's agency for return of the property, and the property has not been returned within 48 hours of the request, excluding Saturday, Sunday, or legal holidays, the person whose property has been seized may file a petition for the return of the property in the district court in the district in which the property was seized. The court administrator shall provide a form

for use as a petition under this section. A filing fee, equal to the civil motion filing fee, shall be required for filing the petition. The district court shall send a copy of the petition to the agency acting as custodian of the property with at least ten days' notice of a hearing date. A hearing on the petition shall be held within 30 days of filing unless good cause is shown for an extension of time. The determination of the petition must be without jury trial and by a simple and informal procedure. At the hearing, the court may receive relevant evidence on any issue of fact necessary to the decision on the petition without regard to whether the evidence would be admissible under the Minnesota Rules of Evidence. The court shall allow if requested, or on its own motion may require, the custodian or the custodian's designee to summarize the status and progress of an ongoing investigation that led to the seizure. Any such summary shall be done *ex parte* and only the custodian, the custodian's designee, and their attorneys may be present with the court and court staff. The court shall seal the *ex parte* record. After a hearing, the court shall not order the return if it finds that:

- (1) the property is being held in good faith as potential evidence in any matter, charged or uncharged;
- (2) the property may be subject to forfeiture proceedings;
- (3) the property is contraband or may contain contraband; or
- (4) the property is subject to other lawful retention.

(b) The court shall make findings on each of these issues as part of its order. If the property is ordered returned, the petitioner shall not be liable for any storage costs incurred from the date the petition was filed. If the petition is denied, the court may award reasonable costs and attorney fees. After the trial for which the property was being held as potential evidence, and the expiration date for all associated appeals, the property or thing shall, unless otherwise subject to lawful detention, be returned to its owner or any other person entitled to possess it. Any property or thing seized may be destroyed or otherwise disposed of under the direction of the court. Any money found in gambling devices when seized shall be paid into the county treasury. If the gambling devices are seized by a police officer of a municipality, the money shall be paid into the treasury of the municipality.

626.085 SEARCH WARRANT REQUIRED FOR ELECTRONIC COMMUNICATION INFORMATION.

Subdivision 1. **Definitions.** As used in this section, the following terms have the meanings given them:

(1) "electronic communication" means the transfer of signs, signals, writings, images, sounds, data, or intelligence of any nature in whole or in part by a wire, radio, electromagnetic, photoelectric, or photo-optical system;

(2) "electronic communication information" means any information about an electronic communication or the use of an electronic communication service, limited to the contents of electronic communications and precise or approximate location of the sender or recipients at any point during the communication;

(3) "electronic communication service" has the meaning given in section 626A.01, subdivision 17; and

(4) "government entity" has the meaning given in section 626A.42, subdivision 1, paragraph (d).

Subd. 2. Warrant required; exceptions. (a) Except as provided in paragraph (b), a government entity must obtain a search warrant to require disclosure of electronic communication information.

(c) The prosecutor may request that the search warrant, supporting affidavits, and any order granting the request not be filed. An order must be issued granting the request in whole or in part if, from affidavits, sworn testimony, or other evidence, the court finds reasonable grounds exist to believe that filing the warrant may cause the search or a related search to be unsuccessful, create a substantial risk of injury to an innocent person, or severely hamper an ongoing investigation.

(d) The search warrant must direct that following the commencement of any criminal proceeding utilizing evidence obtained in or as a result of the search, the supporting application or affidavit must be filed either immediately or at any other time as the court directs. Subdivision 1. **Time.** A search warrant may be served only between the hours of 7:00 a.m. and 8:00 p.m. unless the court determines on the basis of facts stated in the affidavits that a nighttime search outside those hours is necessary to prevent the loss, destruction, or removal of the objects of the search or to protect the searchers or the public. The search warrant shall state that it may be served only between the hours of 7:00 a.m. and 8:00 p.m. unless a nighttime search outside those hours is authorized.

Subd. 2. **Definition.** For the purposes of this section, "no-knock search warrant" means a search warrant authorizing peace officers to enter certain premises without first loudly and understandably announcing the officer's presence or purpose and waiting an objectively reasonable amount of time thereafter for the occupant to comply, based on a totality of the circumstances, prior to entering the premises.

Subd. 2a. **No-knock search warrants.** A court may not issue or approve a no-knock search warrant unless the judge determines that the applicant has articulated specific, objective facts that establish probable cause for belief that:

- (1) the search cannot be executed while the premises is unoccupied; and
- (2) the occupant or occupants in the premises present an imminent threat of death or great bodily harm to the officers executing the warrant or other persons.

Subd. 3. **Requirements for a no-knock search warrant.** (a) No peace officer shall seek a no-knock search warrant unless the warrant application includes at a minimum:

- (1) all documentation and materials the issuing court requires;
- (2) the information specified in paragraph (b); and
- (3) a sworn affidavit as provided in section 626.08.

(b) Each warrant application seeking a no-knock entry must include, in detailed terms, the following:

(1) why peace officers are seeking the use of a no-knock entry and are unable to detain the suspect or search the premises safely through the use of a knock and announce warrant;

(2) what investigative activities have taken place to support issuance of the no-knock search warrant, or why no investigative activity is needed or able to be performed;

(3) the known or suspected occupant or occupants of the premises, including the number of occupants under age 18; and

(4) whether the warrant can be effectively executed during daylight hours according to subdivision 1.

(c) The chief law enforcement officer or designee and another superior officer must review and approve each warrant application. The agency must document the approval of both reviewing parties.

(d) A no-knock search warrant shall not be issued when the only crime alleged is possession of a controlled substance unless there is probable cause to believe that the controlled substance is for other than personal use.

Subd. 4. Reporting requirements regarding no-knock search warrants. (a) Law enforcement agencies shall report to the commissioner of public safety regarding the use of no-knock search warrants in a format prescribed by the commissioner. An agency must report the use of a no-knock search warrant to the commissioner no later than three months after the date the warrant was issued. The report shall include the following information:

(1) the number of no-knock search warrants requested;

(2) the number of no-knock search warrants the court issued;

(3) the number of no-knock search warrants executed;

(4) the number of injuries and fatalities suffered, if any, by peace officers and by civilians in the execution of no-knock search warrants; and

(5) any other information the commissioner requests.

(b) The commissioner of public safety shall report the information provided under paragraph (a) annually to the chairs and ranking minority members of the legislative committees with jurisdiction over public safety.

626.15 EXECUTION AND RETURN OF WARRANT; TIME.

(a) Except as provided in paragraphs (b) and (c), a search warrant must be executed and returned to the court which issued it within ten days after its date. After the expiration of this time, the warrant is void unless previously executed.

(b) A search warrant on a financial institution for financial records is valid for 30 days.

(c) A district court judge may grant an extension of a warrant on a financial institution for financial records upon an application under oath stating that the financial institution has not produced the requested financial records within the 30-day period and that an extension is necessary to achieve the purposes for which the search warrant was granted. Each extension may not exceed 30 days.

(d) For the purposes of this section, "financial institution" has the meaning given in section 13A.01, subdivision 2, and "financial records" has the meaning given in section 13A.01, subdivision 3.

626.16 DELIVERY OF COPY OF WARRANT AND RECEIPT.

When the officer conducts the search the officer must give a copy of the warrant and, when property or things are taken, a receipt therefor (specifying it in detail) to the person in whose possession the premises or the property or things taken were found; or, in the absence of any person, the officer must leave such copy of the warrant and receipt in the place where the property or things were found. 626.18 SEARCH WARRANTS RELATING TO ELECTRONIC COMMUNICATION SERVICES AND REMOTE COMPUTING SERVICES.

Subdivision 1. **Definitions.** The definitions in this subdivision apply to this section.

(a) The terms "electronic communication services" and "remote computing services" shall be construed in accordance with United States Code, title 18, sections 2701 to 2711, as amended through March 1, 2001. This section does not apply to corporations that do not provide those services to the general public.

(b) An "adverse result" occurs when notification of the existence of a search warrant results in:

- (1) danger to the life or physical safety of an individual;
- (2) a flight from prosecution;
- (3) the destruction of or tampering with evidence;
- (4) the intimidation of potential witnesses; or
- (5) serious jeopardy to an investigation or undue delay of a trial.

(c) "Applicant" means a peace officer as defined in section 626.05, to whom a search warrant is issued pursuant to this chapter.

(d) "Minnesota corporation" refers to any corporation or other entity that is subject to section 5.25, excluding foreign corporations.

(e) A "foreign corporation" is considered to be doing business in Minnesota if it makes a contract or engages in a terms of service agreement with a resident of Minnesota to be performed in whole or in part by either party in Minnesota. The making of the contract or terms of service agreement is considered to be the agreement of the foreign corporation that any administrative subpoena or search warrant properly served on it has the same legal force and effect as if served personally on it within the state of Minnesota.

(f) "Properly served" means that a search warrant has been delivered by hand, or in a manner reasonably allowing for proof of delivery if delivered by United States mail, overnight delivery service, or facsimile to a person or entity listed in section 5.25 or covered by this statute.

Subd. 2. **Application.** (a) The following provisions shall apply to any search warrant issued under this chapter allowing a search for records that are in the actual or constructive possession of a foreign corporation that provides electronic communication services or remote computing services to the general public, where those records would reveal the identity of the customers using those services; data stored by, or on behalf of, the customer; the customer's usage of those services; the recipient or destination of communications sent to or from those customers; or the content of those communications.

(b) When properly served with a search warrant issued by the Minnesota court, a foreign corporation subject to this section shall provide to the applicant all records sought pursuant to that warrant within eight business days of receipt, including those records maintained or located outside this state.

(c) Where the applicant makes a showing and the judge finds that failure to produce records within less than eight business days would cause an adverse result, the warrant may require production of records within less than eight business days. A court may reasonably extend the time required for production of the records upon finding that the foreign corporation has shown good cause for that extension and that an extension of time would not cause an adverse result.

(d) A foreign corporation seeking to quash the warrant must seek relief from the court that issued the warrant within the time required for production of records under this section. The issuing court shall hear and decide that motion no later than eight court days after the motion is filed.

(e) The foreign corporation shall verify the authenticity of records that it produces by providing a written affidavit or statement to that effect.

Subd. 3. **Warrant of another state.** A Minnesota corporation that provides electronic communication services or remote computing services to the general public, when served with a warrant issued by another state to produce records that would reveal the identity of the customers using those services; data stored by, or on behalf of, the customer; the customer's usage of those services; the recipient or destination of communications sent to or from those customers; or the content of those communications, shall produce those records as if that warrant had been issued by a Minnesota court.

Subd. 4. **Immunity.** No cause of action shall lie against any foreign or Minnesota corporation subject to this section, its officers, employees, agents, or other specified persons for providing records, information, facilities, or assistance in accordance with the terms of a warrant issued pursuant to this chapter.

Unmanned aerial vehicle data collected, created, or maintained by a government entity is classified under chapter 13.

(b) For purposes of this section, the following terms have the meanings given:

(1) "government entity" has the meaning given in section 13.02, subdivision 7a, except that it does not include a law enforcement agency;

(2) "law enforcement agency" has the meaning given in section 626.84, subdivision 1;

(3) "unmanned aerial vehicle" or "UAV" means an aircraft that is operated without the possibility of direct human intervention from within or on the aircraft; and

(4) "terrorist attack" means a crime that furthers terrorism as defined in section 609.714, subdivision 1.

Subd. 2. Use of unmanned aerial vehicles limited. Except as provided in subdivision 3, a law enforcement agency must not use a UAV without a search warrant issued under this chapter.

Subd. 3. Authorized use. A law enforcement agency may use a UAV:

(1) during or in the aftermath of an emergency situation that involves the risk of death or bodily harm to a person;

(2) over a public event where there is a heightened risk to the safety of participants or bystanders;

(3) to counter the risk of a terrorist attack by a specific individual or organization if the agency determines that credible intelligence indicates a risk;

(4) to prevent the loss of life and property in natural or man-made disasters and to facilitate operational planning, rescue, and recovery operations in the aftermath of these disasters;

(5) to conduct a threat assessment in anticipation of a specific event;

(6) to collect information from a public area if there is reasonable suspicion of criminal activity;

(7) to collect information for crash reconstruction purposes after a serious or deadly collision occurring on a public road;

(8) over a public area for officer training or public relations purposes; and

(9) for purposes unrelated to law enforcement at the request of a government entity provided that the government entity makes the request in writing to the law enforcement agency and specifies the reason for the request and proposed period of use.

Subd. 4. Limitations on use. (a) A law enforcement agency using a UAV must comply with all Federal Aviation Administration requirements and guidelines.

(b) A law enforcement agency must not deploy a UAV with facial recognition or other biometric-matching technology unless expressly authorized by a warrant.

(c) A law enforcement agency must not equip a UAV with weapons.

(d) A law enforcement agency must not use a UAV to collect data on public protests or demonstrations unless expressly authorized by a warrant or an exception applies under subdivision 3.

Subd. 5. Documentation required. A law enforcement agency must document each use of a UAV, connect each deployment to a unique case number, provide a factual basis for the use of a UAV, and identify the applicable exception under subdivision 3 unless a warrant was obtained.

Subd. 6. **Data classification; retention.** (a) Data collected by a UAV are private data on individuals or nonpublic data, subject to the following:

(1) if the individual requests a copy of the recording, data on other individuals who do not consent to its release must be redacted from the copy;

(2) UAV data may be disclosed as necessary in an emergency situation under subdivision 3, clause (1);

(3) UAV data may be disclosed to the government entity making a request for UAV use under subdivision 3, clause (9);

(4) UAV data that are criminal investigative data are governed by section 13.82, subdivision 7; and

(5) UAV data that are not public data under other provisions of chapter 13 retain that classification.

(b) Section 13.04, subdivision 2, does not apply to data collected by a UAV.

(c) Notwithstanding section 138.17, a law enforcement agency must delete data collected by a UAV as soon as possible, and in no event later than seven days after collection unless the data is part of an active criminal investigation.

Subd. 7. **Evidence.** Information obtained or collected by a law enforcement agency in violation of this section is not admissible as evidence in a criminal, administrative, or civil proceeding against the data subject.

Subd. 8. **Remedies.** In addition to any other remedies provided by law, including remedies available under chapter 13, an aggrieved party may bring a civil action against a law enforcement agency to prevent or remedy a violation of this section.

Subd. 9. **Public comment.** A law enforcement agency must provide an opportunity for public comment before it purchases or uses a UAV. At a minimum, the agency must accept public comments submitted electronically or by mail. The governing body with jurisdiction over the budget of a local law enforcement agency must provide an opportunity for public comment at a regularly scheduled meeting.

Subd. 10. **Written policies and procedures required.** Prior to the operation of a UAV, the chief officer of every state and local law enforcement agency that uses or proposes to use a UAV must establish and enforce a written policy governing its use, including requests for use from government entities. In developing and adopting the policy, the law enforcement agency must provide for public comment and input as described in subdivision 9. The written policy must be posted on the agency's website, if the agency has a website.

Subd. 11. **Notice; disclosure of warrant.** (a) Within a reasonable time but not later than 90 days after the court unseals a warrant under this subdivision, the issuing or denying judge shall cause to be served on the persons named in the warrant and the application an inventory that shall include notice of:

(1) the issuance of the warrant or application;

(2) the date of issuance and the period of authorized, approved, or disapproved collection of information, or the denial of the application; and

(3) whether information was or was not collected during the period.

(b) A warrant authorizing collection of information with a UAV must direct that:

(1) the warrant be sealed for a period of 90 days or until the objective of the warrant has been accomplished, whichever is shorter; and

(2) the warrant be filed with the court administrator within ten days of the expiration of the warrant.

(c) The prosecutor may request that the warrant, supporting affidavits, and any order granting the request not be filed. An order must be issued granting the request in whole or in part if, from affidavits, sworn testimony, or other evidence, the court finds reasonable grounds exist to believe that filing the warrant may cause the search or a related search to be unsuccessful, create a substantial risk of injury to an innocent person, or severely hamper an ongoing investigation.

(d) The warrant must direct that, following the commencement of any criminal proceeding using evidence obtained in or as a result of the search, the supporting application or affidavit must be filed either immediately or at any other time as the court directs. Until the filing, the documents and materials ordered withheld from filing must be retained by the judge or the judge's designee.

Subd. 12. **Reporting.** (a) By January 15 of each year, each law enforcement agency that maintains or uses a UAV shall report to the commissioner of public safety the following information for the preceding calendar year:

(1) the number of times a UAV was deployed without a search warrant issued under this chapter, identifying the date of deployment and the authorized use of the UAV under subdivision 3; and

(2) the total cost of the agency's UAV program.

(b) By June 15 of each year, the commissioner of public safety shall compile the reports submitted to the commissioner under paragraph (a), organize the reports by law enforcement agency, submit the compiled report to the chairs and ranking minority members of the senate and house of representatives committees having jurisdiction over data practices and public safety, and make the compiled report public on the department's website.

(5) the offense specified in the warrant or application or extension of a warrant; and

(6) the identity of the law enforcement agency making the application and the person authorizing the application.

(d) By June 15 of each year, the state court administrator shall submit to the chairs and ranking minority members of the senate and house of representatives committees or divisions having jurisdiction over data practices and public safety and post on the supreme court's website a full and complete report concerning the number of applications for warrants authorizing or approving use of UAVs or disclosure of information from the use of UAVs under this section and the number of warrants and extensions granted or denied under

this section during the preceding calendar year. The report must include a summary and analysis of the data required to be filed with the state court administrator under paragraph (c).

626.557 REPORTING OF MALTREATMENT OF VULNERABLE ADULTS.

Subdivision 1. **Public policy.** The legislature declares that the public policy of this state is to protect adults who, because of physical or mental disability or dependency on institutional services, are particularly vulnerable to maltreatment; to assist in providing safe environments for vulnerable adults; and to provide safe institutional or residential services, community-based services, or living environments for vulnerable adults who have been maltreated.

In addition, it is the policy of this state to require the reporting of suspected maltreatment of vulnerable adults, to provide for the voluntary reporting of maltreatment of vulnerable adults, to require the investigation of the reports, and to provide protective and counseling services in appropriate cases.

Subd. 2. [Repealed, 1995 c 229 art 1 s 24]

Subd. 3. **Timing of report.** (a) A mandated reporter who has reason to believe that a vulnerable adult is being or has been maltreated, or who has knowledge that a vulnerable adult has sustained a physical injury which is not reasonably explained shall immediately report the information to the common entry point. If an individual is a vulnerable adult solely because the individual is admitted to a facility, a mandated reporter is not required to report suspected maltreatment of the individual that occurred prior to admission, unless:

(1) the individual was admitted to the facility from another facility and the reporter has reason to believe the vulnerable adult was maltreated in the previous facility; or

(2) the reporter knows or has reason to believe that the individual is a vulnerable adult as defined in section 626.5572, subdivision 21, paragraph (a), clause (4).

(b) A person not required to report under the provisions of this section may voluntarily report as described above.

(c) Nothing in this section requires a report of known or suspected maltreatment, if the reporter knows or has reason to know that a report has been made to the common entry point.

(d) Nothing in this section shall preclude a reporter from also reporting to a law enforcement agency.

(e) A mandated reporter who knows or has reason to believe that an error under section 626.5572, subdivision 17, paragraph (d), clause (5), occurred must make a report under this subdivision. If the reporter or a facility, at any time believes that an investigation by a lead investigative agency will determine or should determine that the reported error was not neglect according to the criteria under section 626.5572, subdivision 17, paragraph (d), clause (5), the reporter or facility may provide to the common entry point or directly to the lead investigative agency information explaining how the event meets the criteria under section 626.5572, subdivision 17, paragraph (d), clause (5). The lead investigative agency shall consider this information when making an initial disposition of the report under subdivision 9c.

Subd. 3a. **Report not required.** The following events are not required to be reported under this section:

(1) A circumstance where federal law specifically prohibits a person from disclosing patient identifying information in connection with a report of suspected maltreatment, unless the vulnerable adult, or the vulnerable adult's guardian, conservator, or legal representative, has consented to disclosure in a manner which conforms to federal requirements. Facilities whose patients or residents are covered by such a federal law shall seek consent to the disclosure of suspected maltreatment from each patient or resident, or a guardian, conservator, or legal representative, upon the patient's or resident's admission to the facility. Persons who are prohibited by federal law from reporting an incident of suspected maltreatment shall immediately seek consent to make a report.

(2) Verbal or physical aggression occurring between patients, residents, or clients of a facility, or self-abusive behavior by these persons does not constitute abuse unless the behavior causes serious harm. The operator of the facility or a designee shall record incidents of aggression and self-abusive behavior to facilitate review by licensing agencies and county and local welfare agencies.

(3) Accidents as defined in section 626.5572, subdivision 3.

(4) Events occurring in a facility that result from an individual's error in the provision of therapeutic conduct to a vulnerable adult, as provided in section 626.5572, subdivision 17, paragraph (d), clause (4).

(5) Nothing in this section shall be construed to require a report of financial exploitation, as defined in section 626.5572, subdivision 9, solely on the basis of the transfer of money or property by gift or as compensation for services rendered.

Subd. 4. **Reporting.** (a) Except as provided in paragraph (b), a mandated reporter shall immediately make a report to the common entry point. To the extent possible, the report must be of sufficient content to identify the vulnerable adult, the caregiver, the nature and extent of the suspected maltreatment, any evidence of previous maltreatment, the name and address of the reporter, the time, date, and location of the incident, and any other information that the reporter believes might be helpful in investigating the suspected maltreatment. A mandated reporter may disclose not public data, as defined in section 13.02, and medical records under sections 144.291 to 144.298, to the extent necessary to comply with this subdivision.

(b) A boarding care home that is licensed under sections 144.50 to 144.58 and certified under Title 19 of the Social Security Act, a nursing home that is licensed under section 144A.02 and certified under Title 18 or Title 19 of the Social Security Act, or a hospital that is licensed under sections 144.50 to 144.58 and has swing beds certified under Code of Federal Regulations, title 42, section 482.66, may submit a report electronically to the common entry point instead of submitting an oral report. The report may be a duplicate of the initial report the facility submits electronically to the commissioner of health to comply with the reporting requirements under Code of Federal Regulations, title 42, section 483.12. The commissioner of health may modify these reporting requirements to include items required under paragraph (a) that are not currently included in the electronic reporting form.

Subd. 4a. **Internal reporting of maltreatment.** (a) Each facility shall establish and enforce an ongoing written procedure in compliance with applicable licensing rules to ensure that all cases of suspected maltreatment are reported. If a facility has an internal reporting procedure, a mandated reporter may meet the reporting requirements of this section by reporting internally. However, the facility remains responsible for complying with the immediate reporting requirements of this section.

(b) A facility with an internal reporting procedure that receives an internal report by a mandated reporter shall give the mandated reporter a written notice stating whether the facility has reported the incident to the common entry point. The written notice must be provided within two working days and in a manner that protects the confidentiality of the reporter.

(c) The written response to the mandated reporter shall note that if the mandated reporter is not satisfied with the action taken by the facility on whether to report the incident to the common entry point, then the mandated reporter may report externally.

(d) A facility may not prohibit a mandated reporter from reporting externally, and a facility is prohibited from retaliating against a mandated reporter who reports an incident to the common entry point in good faith. The written notice by the facility must inform the mandated reporter of this protection from retaliatory measures by the facility against the mandated reporter for reporting externally.

Subd. 5. **Immunity; protection for reporters.** (a) A person who makes a good faith report is immune from any civil or criminal liability that might otherwise result from making the report, or from participating in the investigation, or for failure to comply fully with the reporting obligation under section 609.234 or 626.557, subdivision 7.

(b) A person employed by a lead investigative agency or a state licensing agency who is conducting or supervising an investigation or enforcing the law in compliance with this section or any related rule or provision of law is immune from any civil or criminal liability that might otherwise result from the person's actions, if the person is acting in good faith and exercising due care.

(c) A person who knows or has reason to know a report has been made to a common entry point and who in good faith participates in an investigation of alleged maltreatment is immune from civil or criminal liability that otherwise might result from making the report, or from failure to comply with the reporting obligation or from participating in the investigation.

(d) The identity of any reporter may not be disclosed, except as provided in subdivision 12b.

(e) For purposes of this subdivision, "person" includes a natural person or any form of a business or legal entity.

Subd. 5a. **Financial institution cooperation.** Financial institutions shall cooperate with a lead investigative agency, law enforcement, or prosecuting authority that is investigating maltreatment of a vulnerable adult and comply with reasonable requests for the production of financial records as authorized under section 13A.02, subdivision 1. Financial institutions are immune from any civil or criminal liability that might otherwise result from complying with this subdivision.

Subd. 6. **Falsified reports.** A person or facility who intentionally makes a false report under the provisions of this section shall be liable in a civil suit for any actual damages suffered by the reported facility, person or persons and for punitive damages up to \$10,000 and attorney fees.

Subd. 7. **Failure to report.** A mandated reporter who negligently or intentionally fails to report is liable for damages caused by the failure. Nothing in this subdivision imposes vicarious liability for the acts or omissions of others.

Subd. 8. **Evidence not privileged.** No evidence regarding the maltreatment of the vulnerable adult shall be excluded in any proceeding arising out of the alleged maltreatment on the grounds of lack of competency under section 595.02.

Subd. 9. **Common entry point designation.** (a) The commissioner of human services shall establish a common entry point. The common entry point is the unit responsible for receiving the report of suspected maltreatment under this section.

(b) The common entry point must be available 24 hours per day to take calls from reporters of suspected maltreatment. The common entry point shall use a standard intake form that includes:

- (1) the time and date of the report;
- (2) the name, relationship, and identifying and contact information for the person believed to be a vulnerable adult and the individual or facility alleged responsible for maltreatment;
- (3) the name, relationship, and contact information for the:
 - (i) reporter;
 - (ii) initial reporter, witnesses, and persons who may have knowledge about the maltreatment; and
 - (iii) legal surrogate and persons who may provide support to the vulnerable adult;
- (4) the basis of vulnerability for the vulnerable adult;
- (5) the time, date, and location of the incident;
- (6) the immediate safety risk to the vulnerable adult;
- (7) a description of the suspected maltreatment;

- (8) the impact of the suspected maltreatment on the vulnerable adult;
- (9) whether a facility was involved and, if so, which agency licenses the facility;
- (10) the actions taken to protect the vulnerable adult;
- (11) the required notifications and referrals made by the common entry point; and
- (12) whether the reporter wishes to receive notification of the disposition.

(c) The common entry point is not required to complete each item on the form prior to dispatching the report to the appropriate lead investigative agency.

(d) The common entry point shall immediately report to a law enforcement agency any incident in which there is reason to believe a crime has been committed.

(e) If a report is initially made to a law enforcement agency or a lead investigative agency, those agencies shall take the report on the appropriate common entry point intake forms and immediately forward a copy to the common entry point.

(f) The common entry point staff must receive training on how to screen and dispatch reports efficiently and in accordance with this section.

(g) The commissioner of human services shall maintain a centralized database for the collection of common entry point data, lead investigative agency data including maltreatment report disposition, and appeals data. The common entry point shall have access to the centralized database and must log the reports into the database.

(h) When appropriate, the common entry point staff must refer calls that do not allege the abuse, neglect, or exploitation of a vulnerable adult to other organizations that might resolve the reporter's concerns.

(i) A common entry point must be operated in a manner that enables the commissioner of human services to:

(1) track critical steps in the reporting, evaluation, referral, response, disposition, and investigative process to ensure compliance with all requirements for all reports;

(2) maintain data to facilitate the production of aggregate statistical reports for monitoring patterns of abuse, neglect, or exploitation;

(3) serve as a resource for the evaluation, management, and planning of preventative and remedial services for vulnerable adults who have been subject to abuse, neglect, or exploitation;

(4) set standards, priorities, and policies to maximize the efficiency and effectiveness of the common entry point; and

(5) track and manage consumer complaints related to the common entry point.

(j) The commissioners of human services and health shall collaborate on the creation of a system for referring reports to the lead investigative agencies. This system shall enable the commissioner of human services to track critical steps in the reporting, evaluation, referral, response, disposition, investigation, notification, determination, and appeal processes.

Subd. 9a. **Evaluation and referral of reports made to common entry point.** (a) The common entry point must screen the reports of alleged or suspected maltreatment for immediate risk and make all necessary referrals as follows:

(1) if the common entry point determines that there is an immediate need for emergency adult protective services, the common entry point agency shall immediately notify the appropriate county agency;

(2) if the report contains suspected criminal activity against a vulnerable adult, the common entry point shall immediately notify the appropriate law enforcement agency;

(3) the common entry point shall refer all reports of alleged or suspected maltreatment to the appropriate lead investigative agency as soon as possible, but in any event no longer than two working days;

(4) if the report contains information about a suspicious death, the common entry point shall immediately notify the appropriate law enforcement agencies, the local medical examiner, and the ombudsman for mental health and developmental disabilities established under section 245.92. Law enforcement agencies shall coordinate with the local medical examiner and the ombudsman as provided by law; and

(5) for reports involving multiple locations or changing circumstances, the common entry point shall determine the county agency responsible for emergency adult protective services and the county responsible as the lead investigative agency, using referral guidelines established by the commissioner.

(b) If the lead investigative agency receiving a report believes the report was referred by the common entry point in error, the lead investigative agency shall immediately notify the common entry point of the error, including the basis for the lead investigative agency's belief that the referral was made in error. The common entry point shall review the information submitted by the lead investigative agency and immediately refer the report to the appropriate lead investigative agency.

Subd. 9b. **Response to reports.** Law enforcement is the primary agency to conduct investigations of any incident in which there is reason to believe a crime has been committed. Law enforcement shall initiate a response immediately. If the common entry point notified a county agency for emergency adult protective services, law enforcement shall cooperate with that county agency when both agencies are involved and shall exchange data to the extent authorized in subdivision 12b, paragraph (g). County adult protection shall initiate a response immediately. Each lead investigative agency shall complete the investigative process for reports within its jurisdiction. A lead investigative agency, county, adult protective agency, licensed facility, or law enforcement agency shall cooperate with other agencies in the provision of protective services, coordinating its investigations, and assisting another agency within the limits of its resources and expertise and shall exchange data to the extent authorized in subdivision 12b, paragraph (g). The lead investigative agency shall obtain the results of any investigation conducted by law enforcement officials. The lead investigative agency has the right to enter facilities and inspect and copy records as part of investigations. The lead investigative agency has access to not public data, as defined in section 13.02, and medical records under sections 144.291 to 144.298, that are maintained by facilities to the extent necessary to conduct its investigation. Each lead investigative agency shall develop guidelines for prioritizing reports for investigation. When a county acts as a lead investigative agency, the county shall make guidelines available to the public regarding which reports the county prioritizes for investigation and adult protective services.

Subd. 9c. **Lead investigative agency; notifications, dispositions, determinations.** (a) Upon request of the reporter, the lead investigative agency shall notify the reporter that it has received the report, and provide information on the initial disposition of the report within five business days of receipt of the report, provided that the notification will not endanger the vulnerable adult or hamper the investigation.

(b) In making the initial disposition of a report alleging maltreatment of a vulnerable adult, the lead investigative agency may consider previous reports of suspected maltreatment and may request and consider public information, records maintained by a lead investigative agency or licensed providers, and information from any person who may have knowledge regarding the alleged maltreatment and the basis for the adult's vulnerability.

(c) When the county social service agency does not accept a report for adult protective services or investigation, the agency may offer assistance to the reporter or the person who was the subject of the report.

(d) While investigating reports and providing adult protective services, the lead investigative agency may coordinate with entities identified under subdivision 12b, paragraph (g), and may coordinate with support persons to safeguard the welfare of the vulnerable adult and prevent further maltreatment of the vulnerable adult.

(e) Upon conclusion of every investigation it conducts, the lead investigative agency shall make a final disposition as defined in section 626.5572, subdivision 8.

(f) When determining whether the facility or individual is the responsible party for substantiated maltreatment or whether both the facility and the individual are responsible for substantiated maltreatment, the lead investigative agency shall consider at least the following mitigating factors:

(1) whether the actions of the facility or the individual caregivers were in accordance with, and followed the terms of, an erroneous physician order, prescription, resident care plan, or directive. This is not a mitigating factor when the facility or caregiver is responsible for the issuance of the erroneous order, prescription, plan, or directive or knows or should have known of the errors and took no reasonable measures to correct the defect before administering care;

(2) the comparative responsibility between the facility, other caregivers, and requirements placed upon the employee, including but not limited to, the facility's compliance with related regulatory standards and factors such as the adequacy of facility policies and procedures, the adequacy of facility training, the adequacy of an individual's participation in the training, the adequacy of caregiver supervision, the adequacy of facility staffing levels, and a consideration of the scope of the individual employee's authority; and

(3) whether the facility or individual followed professional standards in exercising professional judgment.

(g) When substantiated maltreatment is determined to have been committed by an individual who is also the facility license holder, both the individual and the facility must be determined responsible for the maltreatment, and both the background study disqualification standards under section 245C.15, subdivision 4, and the licensing actions under section 245A.06 or 245A.07 apply.

(h) The lead investigative agency shall complete its final disposition within 60 calendar days. If the lead investigative agency is unable to complete its final disposition within 60 calendar days, the lead investigative agency shall notify the following persons provided that the notification will not endanger the vulnerable adult or hamper the investigation: (1) the vulnerable adult or the vulnerable adult's guardian or health care agent, when known, if the lead investigative agency knows them to be aware of the investigation; and (2) the facility, where applicable. The notice shall contain the reason for the delay and the projected completion date. If the lead investigative agency is unable to complete its final disposition by a subsequent projected completion date, the lead investigative agency shall again notify the vulnerable adult or the vulnerable adult's guardian or health care agent, when known if the lead investigative agency knows them to be aware of the investigation, and the facility, where applicable, of the reason for the delay and the revised projected completion date provided that the notification will not endanger the vulnerable adult or hamper the

investigation. The lead investigative agency must notify the health care agent of the vulnerable adult only if the health care agent's authority to make health care decisions for the vulnerable adult is currently effective under section 145C.06 and not suspended under section 524.5-310 and the investigation relates to a duty assigned to the health care agent by the principal. A lead investigative agency's inability to complete the final disposition within 60 calendar days or by any projected completion date does not invalidate the final disposition.

(i) When the lead investigative agency is the Department of Health or the Department of Human Services, the lead investigative agency shall provide a copy of the public investigation memorandum under subdivision 12b, paragraph (b), clause (1), within ten calendar days of completing the final disposition to the following persons:

(1) the vulnerable adult, or the vulnerable adult's guardian or health care agent, if known, unless the lead investigative agency knows that the notification would endanger the well-being of the vulnerable adult;

(2) the reporter, if the reporter requested notification when making the report, provided this notification would not endanger the well-being of the vulnerable adult;

(3) the person or facility alleged responsible for maltreatment, if known;

(4) the facility; and

(5) the ombudsman for long-term care, or the ombudsman for mental health and developmental disabilities, as appropriate.

(j) When the lead investigative agency is a county agency, within ten calendar days of completing the final disposition, the lead investigative agency shall provide notification of the final disposition to the following persons:

(1) the vulnerable adult, or the vulnerable adult's guardian or health care agent, if known, when the allegation is applicable to the authority of the vulnerable adult's guardian or health care agent, unless the agency knows that the notification would endanger the well-being of the vulnerable adult;

(2) the individual determined responsible for maltreatment, if known; and

(3) when the alleged incident involves a personal care assistant or provider agency, the personal care provider organization under section 256B.0659. Upon implementation of Community First Services and Supports (CFSS), this notification requirement applies to the CFSS support worker or CFSS agency under section 256B.85.

(k) If, as a result of a reconsideration, review, or hearing, the lead investigative agency changes the final disposition, or if a final disposition is changed on appeal, the lead investigative agency shall notify the parties specified in paragraph (i).

(l) The lead investigative agency shall notify the vulnerable adult who is the subject of the report or the vulnerable adult's guardian or health care agent, if known, and any person or facility determined to have maltreated a vulnerable adult, of their appeal or review rights under this section or section 256.021.

(m) The lead investigative agency shall routinely provide investigation memoranda for substantiated reports to the appropriate licensing boards. These reports must include the names of substantiated perpetrators. The lead investigative agency may not provide investigative memoranda for inconclusive or false reports to the appropriate licensing boards unless the lead investigative agency's investigation gives reason to believe that there may have been a violation of the applicable professional practice laws. If the investigation

memorandum is provided to a licensing board, the subject of the investigation memorandum shall be notified and receive a summary of the investigative findings.

(n) In order to avoid duplication, licensing boards shall consider the findings of the lead investigative agency in their investigations if they choose to investigate. This does not preclude licensing boards from considering other information.

(o) The lead investigative agency must provide to the commissioner of human services its final dispositions, including the names of all substantiated perpetrators. The commissioner of human services shall establish records to retain the names of substantiated perpetrators.

Subd. 9d. Administrative reconsideration; review panel. (a) Except as provided under paragraph (e), any individual or facility which a lead investigative agency determines has maltreated a vulnerable adult, or the vulnerable adult or an interested person acting on behalf of the vulnerable adult, regardless of the lead investigative agency's determination, who contests the lead investigative agency's final disposition of an allegation of maltreatment, may request the lead investigative agency to reconsider its final disposition. The request for reconsideration must be submitted in writing to the lead investigative agency within 15 calendar days after receipt of notice of final disposition or, if the request is made by an interested person who is not entitled to notice, within 15 days after receipt of the notice by the vulnerable adult or the vulnerable adult's guardian or health care agent. If mailed, the request for reconsideration must be postmarked and sent to the lead investigative agency within 15 calendar days of the individual's or facility's receipt of the final disposition. If the request for reconsideration is made by personal service, it must be received by the lead investigative agency within 15 calendar days of the individual's or facility's receipt of the final disposition. An individual who was determined to have maltreated a vulnerable adult under this section and who was disqualified on the basis of serious or recurring maltreatment under sections 245C.14 and 245C.15, may request reconsideration of the maltreatment determination and the disqualification. The request for reconsideration of the maltreatment determination and the disqualification must be submitted in writing within 30 calendar days of the individual's receipt of the notice of disqualification under sections 245C.16 and 245C.17. If mailed, the request for reconsideration of the maltreatment determination and the disqualification must be postmarked and sent to the lead investigative agency within 30 calendar days of the individual's receipt of the notice of disqualification. If the request for reconsideration is made by personal service, it must be received by the lead investigative agency within 30 calendar days after the individual's receipt of the notice of disqualification.

(b) Except as provided under paragraphs (e) and (f), if the lead investigative agency denies the request or fails to act upon the request within 15 working days after receiving the request for reconsideration, the person or facility entitled to a fair hearing under section 256.045, may submit to the commissioner of human services a written request for a hearing under that statute. The vulnerable adult, or an interested person acting on behalf of the vulnerable adult, may request a review by the Vulnerable Adult Maltreatment Review Panel under section 256.021 if the lead investigative agency denies the request or fails to act upon the request, or if the vulnerable adult or interested person contests a reconsidered disposition. The Vulnerable Adult Maltreatment Review Panel shall not conduct a review if the interested person making the request on behalf of the vulnerable adult is also the individual or facility alleged responsible for the maltreatment of the vulnerable adult. The lead investigative agency shall notify persons who request reconsideration of their rights under this paragraph. The request must be submitted in writing to the review panel and a copy sent to the lead investigative agency within 30 calendar days of receipt of notice of a denial of a request for reconsideration or of a reconsidered disposition. The request must specifically identify the aspects of the lead investigative agency determination with which the person is dissatisfied.

(c) If, as a result of a reconsideration or review, the lead investigative agency changes the final disposition, it shall notify the parties specified in subdivision 9c, paragraph (i).

(d) For purposes of this subdivision, "interested person acting on behalf of the vulnerable adult" means a person designated in writing by the vulnerable adult to act on behalf of the vulnerable adult, or a legal guardian or conservator or other legal representative, a proxy or health care agent appointed under chapter 145B or 145C, or an individual who is related to the vulnerable adult, as defined in section 245A.02, subdivision 13.

(e) If an individual was disqualified under sections 245C.14 and 245C.15, on the basis of a determination of maltreatment, which was serious or recurring, and the individual has requested reconsideration of the maltreatment determination under paragraph (a) and reconsideration of the disqualification under sections 245C.21 to 245C.27, reconsideration of the maltreatment determination and requested reconsideration of the disqualification shall be consolidated into a single reconsideration. If reconsideration of the maltreatment determination is denied and the individual remains disqualified following a reconsideration decision, the individual may request a fair hearing under section 256.045. If an individual requests a fair hearing on the maltreatment determination and the disqualification, the scope of the fair hearing shall include both the maltreatment determination and the disqualification.

(f) If a maltreatment determination or a disqualification based on serious or recurring maltreatment is the basis for a denial of a license under section 245A.05 or a licensing sanction under section 245A.07, the license holder has the right to a contested case hearing under chapter 14 and Minnesota Rules, parts 1400.8505 to 1400.8612. As provided for under section 245A.08, the scope of the contested case hearing must include the maltreatment determination, disqualification, and licensing sanction or denial of a license. In such cases, a fair hearing must not be conducted under section 256.045. Except for family child care and child foster care, reconsideration of a maltreatment determination under this subdivision, and reconsideration of a disqualification under section 245C.22, must not be conducted when:

(1) a denial of a license under section 245A.05, or a licensing sanction under section 245A.07, is based on a determination that the license holder is responsible for maltreatment or the disqualification of a license holder based on serious or recurring maltreatment;

(2) the denial of a license or licensing sanction is issued at the same time as the maltreatment determination or disqualification; and

(3) the license holder appeals the maltreatment determination or disqualification, and denial of a license or licensing sanction.

Notwithstanding clauses (1) to (3), if the license holder appeals the maltreatment determination or disqualification, but does not appeal the denial of a license or a licensing sanction, reconsideration of the maltreatment determination shall be conducted under sections 260E.33 and 626.557, subdivision 9d, and reconsideration of the disqualification shall be conducted under section 245C.22. In such cases, a fair hearing shall also be conducted as provided under sections 245C.27, 260E.33, and 626.557, subdivision 9d.

If the disqualified subject is an individual other than the license holder and upon whom a background study must be conducted under chapter 245C, the hearings of all parties may be consolidated into a single contested case hearing upon consent of all parties and the administrative law judge.

(g) Until August 1, 2002, an individual or facility that was determined by the commissioner of human services or the commissioner of health to be responsible for neglect under section 626.5572, subdivision 17, after October 1, 1995, and before August 1, 2001, that believes that the finding of neglect does not meet

an amended definition of neglect may request a reconsideration of the determination of neglect. The commissioner of human services or the commissioner of health shall mail a notice to the last known address of individuals who are eligible to seek this reconsideration. The request for reconsideration must state how the established findings no longer meet the elements of the definition of neglect. The commissioner shall review the request for reconsideration and make a determination within 15 calendar days. The commissioner's decision on this reconsideration is the final agency action.

(1) For purposes of compliance with the data destruction schedule under subdivision 12b, paragraph (d), when a finding of substantiated maltreatment has been changed as a result of a reconsideration under this paragraph, the date of the original finding of a substantiated maltreatment must be used to calculate the destruction date.

(2) For purposes of any background studies under chapter 245C, when a determination of substantiated maltreatment has been changed as a result of a reconsideration under this paragraph, any prior disqualification of the individual under chapter 245C that was based on this determination of maltreatment shall be rescinded, and for future background studies under chapter 245C the commissioner must not use the previous determination of substantiated maltreatment as a basis for disqualification or as a basis for referring the individual's maltreatment history to a health-related licensing board under section 245C.31.

Subd. 9e. Education requirements. (a) The commissioners of health, human services, and public safety shall cooperate in the development of a joint program for education of lead investigative agency investigators in the appropriate techniques for investigation of complaints of maltreatment. This program must be developed by July 1, 1996. The program must include but need not be limited to the following areas: (1) information collection and preservation; (2) analysis of facts; (3) levels of evidence; (4) conclusions based on evidence; (5) interviewing skills, including specialized training to interview people with unique needs; (6) report writing; (7) coordination and referral to other necessary agencies such as law enforcement and judicial agencies; (8) human relations and cultural diversity; (9) the dynamics of adult abuse and neglect within family systems and the appropriate methods for interviewing relatives in the course of the assessment or investigation; (10) the protective social services that are available to protect alleged victims from further abuse, neglect, or financial exploitation; (11) the methods by which lead investigative agency investigators and law enforcement workers cooperate in conducting assessments and investigations in order to avoid duplication of efforts; and (12) data practices laws and procedures, including provisions for sharing data.

(b) The commissioner of human services shall conduct an outreach campaign to promote the common entry point for reporting vulnerable adult maltreatment. This campaign shall use the Internet and other means of communication.

(c) The commissioners of health, human services, and public safety shall offer at least annual education to others on the requirements of this section, on how this section is implemented, and investigation techniques.

(d) The commissioner of human services, in coordination with the commissioner of public safety shall provide training for the common entry point staff as required in this subdivision and the program courses described in this subdivision, at least four times per year. At a minimum, the training shall be held twice annually in the seven-county metropolitan area and twice annually outside the seven-county metropolitan area. The commissioners shall give priority in the program areas cited in paragraph (a) to persons currently performing assessments and investigations pursuant to this section.

(e) The commissioner of public safety shall notify in writing law enforcement personnel of any new requirements under this section. The commissioner of public safety shall conduct regional training for law enforcement personnel regarding their responsibility under this section.

(f) Each lead investigative agency investigator must complete the education program specified by this subdivision within the first 12 months of work as a lead investigative agency investigator.

A lead investigative agency investigator employed when these requirements take effect must complete the program within the first year after training is available or as soon as training is available.

All lead investigative agency investigators having responsibility for investigation duties under this section must receive a minimum of eight hours of continuing education or in-service training each year specific to their duties under this section.

Subd. 10. Duties of county social service agency. (a) When the common entry point refers a report to the county social service agency as the lead investigative agency or makes a referral to the county social service agency for emergency adult protective services, or when another lead investigative agency requests assistance from the county social service agency for adult protective services, the county social service agency shall immediately assess and offer emergency and continuing protective social services for purposes of preventing further maltreatment and for safeguarding the welfare of the maltreated vulnerable adult. The county shall use standardized tools and the data system made available by the commissioner. The information entered by the county into the standardized tool must be accessible to the Department of Human Services. In cases of suspected sexual abuse, the county social service agency shall immediately arrange for and make available to the vulnerable adult appropriate medical examination and treatment. When necessary in order to protect the vulnerable adult from further harm, the county social service agency shall seek authority to remove the vulnerable adult from the situation in which the maltreatment occurred. The county social service agency may also investigate to determine whether the conditions which resulted in the reported maltreatment place other vulnerable adults in jeopardy of being maltreated and offer protective social services that are called for by its determination.

(b) Within five business days of receipt of a report screened in by the county social service agency for investigation, the county social service agency shall determine whether, in addition to an assessment and services for the vulnerable adult, to also conduct an investigation for final disposition of the individual or facility alleged to have maltreated the vulnerable adult.

(c) The county social service agency must investigate for a final disposition the individual or facility alleged to have maltreated a vulnerable adult for each report accepted as lead investigative agency involving an allegation of abuse, caregiver neglect that resulted in harm to the vulnerable adult, financial exploitation that may be criminal, or an allegation against a caregiver under chapter 256B.

(d) An investigating county social service agency must make a final disposition for any allegation when the county social service agency determines that a final disposition may safeguard a vulnerable adult or may prevent further maltreatment.

(e) If the county social service agency learns of an allegation listed in paragraph (c) after the determination in paragraph (a), the county social service agency must change the initial determination and conduct an investigation for final disposition of the individual or facility alleged to have maltreated the vulnerable adult.

(f) County social service agencies may enter facilities and inspect and copy records as part of an investigation. The county social service agency has access to not public data, as defined in section 13.02, and medical records under sections 144.291 to 144.298, that are maintained by facilities to the extent necessary to conduct its investigation. The inquiry is not limited to the written records of the facility, but may include every other available source of information.

(g) When necessary in order to protect a vulnerable adult from serious harm, the county social service agency shall immediately intervene on behalf of that adult to help the family, vulnerable adult, or other interested person by seeking any of the following:

(1) a restraining order or a court order for removal of the perpetrator from the residence of the vulnerable adult pursuant to section 518B.01;

(2) the appointment of a guardian or conservator pursuant to sections 524.5-101 to 524.5-502, or guardianship or conservatorship pursuant to chapter 252A;

(3) replacement of a guardian or conservator suspected of maltreatment and appointment of a suitable person as guardian or conservator, pursuant to sections 524.5-101 to 524.5-502; or

(4) a referral to the prosecuting attorney for possible criminal prosecution of the perpetrator under chapter 609.

The expenses of legal intervention must be paid by the county in the case of indigent persons, under section 524.5-502 and chapter 563.

In proceedings under sections 524.5-101 to 524.5-502, if a suitable relative or other person is not available to petition for guardianship or conservatorship, a county employee shall present the petition with representation by the county attorney. The county shall contract with or arrange for a suitable person or organization to provide ongoing guardianship services. If the county presents evidence to the court exercising probate jurisdiction that it has made a diligent effort and no other suitable person can be found, a county employee may serve as guardian or conservator. The county shall not retaliate against the employee for any action taken on behalf of the person subject to guardianship or conservatorship, even if the action is adverse to the county's interest. Any person retaliated against in violation of this subdivision shall have a cause of action against the county and shall be entitled to reasonable attorney fees and costs of the action if the action is upheld by the court.

Subd. 10a. [Repealed, 1995 c 229 art 1 s 24]

- (1) interview of the vulnerable adult;
- (2) interview of the reporter and others who may have relevant information;
- (3) interview of the individual or facility alleged responsible for maltreatment; and
- (4) review of records and pertinent documentation of the alleged incident.

(c) The lead investigative agency shall conduct the following activities as appropriate to further the investigation, to prevent further maltreatment, or to safeguard the vulnerable adult:

- (1) examining the environment surrounding the alleged incident;
- (2) consulting with professionals; and
- (3) communicating with state, federal, tribal, and other agencies including:

- (i) service providers;
- (ii) case managers;
- (iii) ombudsmen; and
- (iv) support persons for the vulnerable adult.

(d) The lead investigative agency may decide not to conduct an interview of a vulnerable adult, reporter, or witness under paragraph (b) if:

(1) the vulnerable adult, reporter, or witness declines to have an interview with the agency or is unable to be contacted despite the agency's diligent attempts;

(2) an interview of the vulnerable adult or reporter was conducted by law enforcement or a professional trained in forensic interview and an additional interview will not further the investigation;

(3) an interview of the witness will not further the investigation; or

(4) the agency has a reason to believe that the interview will endanger the vulnerable adult.

Subd. 12b. **Data management.** (a) In performing any of the duties of this section as a lead investigative agency, the county social service agency shall maintain appropriate records. Data collected by the county social service agency under this section while providing adult protective services are welfare data under section 13.46. Investigative data collected under this section are confidential data on individuals or protected nonpublic data as defined under section 13.02. Notwithstanding section 13.46, subdivision 1, paragraph (a), data under this paragraph that are inactive investigative data on an individual who is a vendor of services are private data on individuals, as defined in section 13.02. The identity of the reporter may only be disclosed as provided in paragraph (c).

Data maintained by the common entry point are confidential data on individuals or protected nonpublic data as defined in section 13.02. Notwithstanding section 138.163, the common entry point shall maintain data for three calendar years after date of receipt and then destroy the data unless otherwise directed by federal requirements.

(b) The commissioners of health and human services shall prepare an investigation memorandum for each report alleging maltreatment investigated under this section. County social service agencies must maintain private data on individuals but are not required to prepare an investigation memorandum. During an investigation by the commissioner of health or the commissioner of human services, data collected under this section are confidential data on individuals or protected nonpublic data as defined in section 13.02. Upon completion of the investigation, the data are classified as provided in clauses (1) to (3) and paragraph (c).

(1) The investigation memorandum must contain the following data, which are public:

(i) the name of the facility investigated;

- (ii) a statement of the nature of the alleged maltreatment;
- (iii) pertinent information obtained from medical or other records reviewed;
- (iv) the identity of the investigator;
- (v) a summary of the investigation's findings;
- (vi) statement of whether the report was found to be substantiated, inconclusive, false, or that no determination will be made;
- (vii) a statement of any action taken by the facility;
- (viii) a statement of any action taken by the lead investigative agency; and
- (ix) when a lead investigative agency's determination has substantiated maltreatment, a statement of whether an individual, individuals, or a facility were responsible for the substantiated maltreatment, if known.

The investigation memorandum must be written in a manner which protects the identity of the reporter and of the vulnerable adult and may not contain the names or, to the extent possible, data on individuals or private data listed in clause (2).

(2) Data on individuals collected and maintained in the investigation memorandum are private data, including:

- (i) the name of the vulnerable adult;
- (ii) the identity of the individual alleged to be the perpetrator;
- (iii) the identity of the individual substantiated as the perpetrator; and
- (iv) the identity of all individuals interviewed as part of the investigation.

(3) Other data on individuals maintained as part of an investigation under this section are private data on individuals upon completion of the investigation.

(c) The name of the reporter must be confidential. The subject of the report may compel disclosure of the name of the reporter only with the consent of the reporter or upon a written finding by a court that the report was false and there is evidence that the report was made in bad faith. This subdivision does not alter disclosure responsibilities or obligations under the Rules of Criminal Procedure, except that where the identity of the reporter is relevant to a criminal prosecution, the district court shall do an in-camera review prior to determining whether to order disclosure of the identity of the reporter.

(d) Notwithstanding section 138.163, data maintained under this section by the commissioners of health and human services must be maintained under the following schedule and then destroyed unless otherwise directed by federal requirements:

- (1) data from reports determined to be false, maintained for three years after the finding was made;
- (2) data from reports determined to be inconclusive, maintained for four years after the finding was made;
- (3) data from reports determined to be substantiated, maintained for seven years after the finding was made; and

(4) data from reports which were not investigated by a lead investigative agency and for which there is no final disposition, maintained for three years from the date of the report.

(e) The commissioners of health and human services shall annually publish on their websites the number and type of reports of alleged maltreatment involving licensed facilities reported under this section, the number of those requiring investigation under this section, and the resolution of those investigations.

(f) Each lead investigative agency must have a record retention policy.

(g) Lead investigative agencies, county agencies responsible for adult protective services, prosecuting authorities, and law enforcement agencies may exchange not public data, as defined in section 13.02, with a tribal agency, facility, service provider, vulnerable adult, primary support person for a vulnerable adult, state licensing board, federal or state agency, the ombudsman for long-term care, or the ombudsman for mental health and developmental disabilities, if the agency or authority providing the data determines that the data are pertinent and necessary to prevent further maltreatment of a vulnerable adult, to safeguard a vulnerable adult, or for an investigation under this section. Data collected under this section must be made available to prosecuting authorities and law enforcement officials, local county agencies, and licensing agencies investigating the alleged maltreatment under this section. The lead investigative agency shall exchange not public data with the vulnerable adult maltreatment review panel established in section 256.021 if the data are pertinent and necessary for a review requested under that section. Notwithstanding section 138.17, upon completion of the review, not public data received by the review panel must be destroyed.

(h) Each lead investigative agency shall keep records of the length of time it takes to complete its investigations.

(i) A lead investigative agency may notify other affected parties and their authorized representative if the lead investigative agency has reason to believe maltreatment has occurred and determines the information will safeguard the well-being of the affected parties or dispel widespread rumor or unrest in the affected facility.

(j) Under any notification provision of this section, where federal law specifically prohibits the disclosure of patient identifying information, a lead investigative agency may not provide any notice unless the vulnerable adult has consented to disclosure in a manner which conforms to federal requirements.

Subd. 13. [Repealed, 1995 c 229 art 1 s 24]

Subd. 14. **Abuse prevention plans.** (a) Each facility, except home health agencies and personal care attendant services providers, shall establish and enforce an ongoing written abuse prevention plan. The plan shall contain an assessment of the physical plant, its environment, and its population identifying factors which may encourage or permit abuse, and a statement of specific measures to be taken to minimize the risk of abuse. The plan shall comply with any rules governing the plan promulgated by the licensing agency.

(b) Each facility, including a home health care agency and personal care attendant services providers, shall develop an individual abuse prevention plan for each vulnerable adult residing there or receiving services from them. The plan shall contain an individualized assessment of: (1) the person's susceptibility to abuse by other individuals, including other vulnerable adults; (2) the person's risk of abusing other vulnerable adults; and (3) statements of the specific measures to be taken to minimize the risk of abuse to that person and other vulnerable adults. For the purposes of this paragraph, the term "abuse" includes self-abuse.

(c) If the facility, except home health agencies and personal care attendant services providers, knows that the vulnerable adult has committed a violent crime or an act of physical aggression toward others, the

individual abuse prevention plan must detail the measures to be taken to minimize the risk that the vulnerable adult might reasonably be expected to pose to visitors to the facility and persons outside the facility, if unsupervised. Under this section, a facility knows of a vulnerable adult's history of criminal misconduct or physical aggression if it receives such information from a law enforcement authority or through a medical record prepared by another facility, another health care provider, or the facility's ongoing assessments of the vulnerable adult.

Subd. 15. [Repealed, 1995 c 229 art 1 s 24]

Subd. 16. [Repealed, 2014 c 262 art 4 s 9]

Subd. 17. **Retaliation prohibited.** (a) A facility or person shall not retaliate against any person who reports in good faith suspected maltreatment pursuant to this section, or against a vulnerable adult with respect to whom a report is made, because of the report.

(b) In addition to any remedies allowed under sections 181.931 to 181.935, any facility or person which retaliates against any person because of a report of suspected maltreatment is liable to that person for actual damages, punitive damages up to \$10,000, and attorney fees.

(c) There shall be a rebuttable presumption that any adverse action, as defined below, within 90 days of a report, is retaliatory. For purposes of this clause, the term "adverse action" refers to action taken by a facility or person involved in a report against the person making the report or the person with respect to whom the report was made because of the report, and includes, but is not limited to:

- (1) discharge or transfer from the facility;
- (2) discharge from or termination of employment;
- (3) demotion or reduction in remuneration for services;
- (4) restriction or prohibition of access to the facility or its residents; or
- (5) any restriction of rights set forth in section 144.651.

Subd. 18. **Outreach.** The commissioner of human services shall maintain an aggressive program to educate those required to report, as well as the general public, about the requirements of this section using a variety of media. The commissioner of human services shall print and make available the form developed under subdivision 9.

Subd. 19. [Repealed, 1995 c 229 art 1 s 24]

Subd. 20. **Cause of action for financial exploitation; damages.** (a) A vulnerable adult who is a victim of financial exploitation as defined in section 626.5572, subdivision 9, has a cause of action against a person who committed the financial exploitation. In an action under this subdivision, the vulnerable adult is entitled to recover damages equal to three times the amount of compensatory damages or \$10,000, whichever is greater.

(b) In addition to damages under paragraph (a), the vulnerable adult is entitled to recover reasonable attorney fees and costs, including reasonable fees for the services of a guardian or conservator or guardian ad litem incurred in connection with a claim under this subdivision.

(c) An action may be brought under this subdivision regardless of whether there has been a report or final disposition under this section or a criminal complaint or conviction related to the financial exploitation.

Subd. 21. **Contested case hearing.** When an appeal of a lead investigative agency determination results in a contested case hearing under chapter 245A or 245C, the administrative law judge shall notify the vulnerable adult who is the subject of the maltreatment determination and, if known, a guardian of the vulnerable adult appointed under section 524.5-310, or a health care agent designated by the vulnerable adult in a health care directive that is currently effective under section 145C.06, and whose authority to make health care decisions is not suspended under section 524.5-310, of the hearing. The notice must be sent by certified mail and inform the vulnerable adult of the right to file a signed written statement in the proceedings. A guardian or health care agent who prepares or files a written statement for the vulnerable adult must indicate in the statement that the person is the vulnerable adult's guardian or health care agent and sign the statement in that capacity. The vulnerable adult, the guardian, or the health care agent may file a written statement with the administrative law judge hearing the case no later than five business days before commencement of the hearing. The administrative law judge shall include the written statement in the hearing record and consider the statement in deciding the appeal. This subdivision does not limit, prevent, or excuse the vulnerable adult from being called as a witness testifying at the hearing or grant the vulnerable adult, the guardian, or health care agent a right to participate in the proceedings or appeal the administrative law judge's decision in the case. The lead investigative agency must consider including the vulnerable adult victim of maltreatment as a witness in the hearing. If the lead investigative agency determines that participation in the hearing would endanger the well-being of the vulnerable adult or not be in the best interests of the vulnerable adult, the lead investigative agency shall inform the administrative law judge of the basis for this determination, which must be included in the final order. If the administrative law judge is not reasonably able to determine the address of the vulnerable adult, the guardian, or the health care agent, the administrative law judge is not required to send a hearing notice under this subdivision.

Subdivision 1. **Establishment of team.** A county may establish a multidisciplinary adult protection team comprised of the director of the local welfare agency or designees, the county attorney or designees, the county sheriff or designees, and representatives of health care. In addition, representatives of mental health or other appropriate human service agencies, community corrections agencies, representatives from local tribal governments, local law enforcement agencies or designees thereof, adult advocate groups, and any other organization with relevant expertise may be added to the adult protection team.

Subd. 2. **Duties of team.** A multidisciplinary adult protection team may provide public and professional education, develop resources for prevention, intervention, and treatment, and provide case consultation to the local welfare agency to better enable the agency to carry out its functions under section 626.557 and to meet the community's needs. Case consultation may be performed by a committee of the team composed

of the team members representing social services, law enforcement, the county attorney, health care, and persons directly involved in an individual case as determined by the case consultation committee. Case consultation includes a case review process that results in recommendations about services to be provided to the identified adult and family.

Subd. 3. Information sharing. The local welfare agency may make available to members of the team for case consultation all records collected and maintained by the agency under section 626.557 and in connection with case consultation. Any member of the case consultation committee may share data, acquired in the member's professional capacity, with the committee to assist the committee in its function. Members prohibited from disclosing patient identifying information because of federal or state law shall seek consent from each patient or resident, or a guardian, conservator or legal representative, for the disclosure of appropriate data to the case consultation committee.

- (2) the use of drugs to injure or facilitate crime as defined in section 609.235;
- (3) the solicitation, inducement, and promotion of prostitution as defined in section 609.322; and
- (4) criminal sexual conduct in the first through fifth degrees as defined in sections 609.342 to 609.3451.

A violation includes any action that meets the elements of the crime, regardless of whether there is a criminal proceeding or conviction.

(b) Conduct which is not an accident or therapeutic conduct as defined in this section, which produces or could reasonably be expected to produce physical pain or injury or emotional distress including, but not limited to, the following:

- (1) hitting, slapping, kicking, pinching, biting, or corporal punishment of a vulnerable adult;
- (2) use of repeated or malicious oral, written, or gestured language toward a vulnerable adult or the treatment of a vulnerable adult which would be considered by a reasonable person to be disparaging, derogatory, humiliating, harassing, or threatening; or
- (3) use of any aversive or deprivation procedure, unreasonable confinement, or involuntary seclusion, including the forced separation of the vulnerable adult from other persons against the will of the vulnerable adult or the legal representative of the vulnerable adult unless authorized under applicable licensing requirements or Minnesota Rules, chapter 9544.

(c) Any sexual contact or penetration as defined in section 609.341, between a facility staff person or a person providing services in the facility and a resident, patient, or client of that facility.

(d) The act of forcing, compelling, coercing, or enticing a vulnerable adult against the vulnerable adult's will to perform services for the advantage of another.

(e) For purposes of this section, a vulnerable adult is not abused for the sole reason that the vulnerable adult or a person with authority to make health care decisions for the vulnerable adult under sections 144.651, 144A.44, chapter 145B, 145C or 252A, or section 253B.03 or 524.5-313, refuses consent or withdraws consent, consistent with that authority and within the boundary of reasonable medical practice, to any therapeutic conduct, including any care, service, or procedure to diagnose, maintain, or treat the physical or mental condition of the vulnerable adult or, where permitted under law, to provide nutrition and hydration parenterally or through intubation. This paragraph does not enlarge or diminish rights otherwise held under law by:

(1) a vulnerable adult or a person acting on behalf of a vulnerable adult, including an involved family member, to consent to or refuse consent for therapeutic conduct; or

(2) a caregiver to offer or provide or refuse to offer or provide therapeutic conduct.

(f) For purposes of this section, a vulnerable adult is not abused for the sole reason that the vulnerable adult, a person with authority to make health care decisions for the vulnerable adult, or a caregiver in good faith selects and depends upon spiritual means or prayer for treatment or care of disease or remedial care of the vulnerable adult in lieu of medical care, provided that this is consistent with the prior practice or belief of the vulnerable adult or with the expressed intentions of the vulnerable adult.

(g) For purposes of this section, a vulnerable adult is not abused for the sole reason that the vulnerable adult, who is not impaired in judgment or capacity by mental or emotional dysfunction or undue influence, engages in consensual sexual contact with:

(1) a person, including a facility staff person, when a consensual sexual personal relationship existed prior to the caregiving relationship; or

(2) a personal care attendant, regardless of whether the consensual sexual personal relationship existed prior to the caregiving relationship.

Subd. 3. **Accident.** "Accident" means a sudden, unforeseen, and unexpected occurrence or event which:

(1) is not likely to occur and which could not have been prevented by exercise of due care; and

(2) if occurring while a vulnerable adult is receiving services from a facility, happens when the facility and the employee or person providing services in the facility are in compliance with the laws and rules relevant to the occurrence or event.

Subd. 4. **Caregiver.** "Caregiver" means an individual or facility who has responsibility for all or a portion of the care of a vulnerable adult voluntarily, by contract, or by agreement. Caregiver does not include an unpaid caregiver who provides incidental care.

Subd. 5. **Common entry point.** "Common entry point" means the entity responsible for receiving reports of alleged or suspected maltreatment of a vulnerable adult under section 626.557.

Subd. 6. **Facility.** (a) "Facility" means a hospital or other entity required to be licensed under sections 144.50 to 144.58; a nursing home required to be licensed to serve adults under section 144A.02; a facility or service required to be licensed under chapter 245A; an assisted living facility required to be licensed under chapter 144G; a home care provider licensed or required to be licensed under sections 144A.43 to 144A.482; a hospice provider licensed under sections 144A.75 to 144A.755; or a person or organization

that offers, provides, or arranges for personal care assistance services under the medical assistance program as authorized under sections 256B.0625, subdivision 19a, 256B.0651 to 256B.0654, 256B.0659, or 256B.85.

(b) For services identified in paragraph (a) that are provided in the vulnerable adult's own home or in another unlicensed location, the term "facility" refers to the provider, person, or organization that offers, provides, or arranges for personal care services, and does not refer to the vulnerable adult's home or other location at which services are rendered.

Subd. 7. **False.** "False" means a preponderance of the evidence shows that an act that meets the definition of maltreatment did not occur.

Subd. 8. **Final disposition.** "Final disposition" is the determination of an investigation by a lead investigative agency that a report of maltreatment under Laws 1995, chapter 229, is substantiated, inconclusive, false, or that no determination will be made. When a lead investigative agency determination has substantiated maltreatment, the final disposition also identifies, if known, which individual or individuals were responsible for the substantiated maltreatment, and whether a facility was responsible for the substantiated maltreatment.

Subd. 9. **Financial exploitation.** "Financial exploitation" means:

(a) In breach of a fiduciary obligation recognized elsewhere in law, including pertinent regulations, contractual obligations, documented consent by a competent person, or the obligations of a responsible party under section 144.6501, a person:

(1) engages in unauthorized expenditure of funds entrusted to the actor by the vulnerable adult which results or is likely to result in detriment to the vulnerable adult; or

(2) fails to use the financial resources of the vulnerable adult to provide food, clothing, shelter, health care, therapeutic conduct or supervision for the vulnerable adult, and the failure results or is likely to result in detriment to the vulnerable adult.

(b) In the absence of legal authority a person:

(1) willfully uses, withholds, or disposes of funds or property of a vulnerable adult;

(2) obtains for the actor or another the performance of services by a third person for the wrongful profit or advantage of the actor or another to the detriment of the vulnerable adult;

(3) acquires possession or control of, or an interest in, funds or property of a vulnerable adult through the use of undue influence, harassment, duress, deception, or fraud; or

(4) forces, compels, coerces, or entices a vulnerable adult against the vulnerable adult's will to perform services for the profit or advantage of another.

(c) Nothing in this definition requires a facility or caregiver to provide financial management or supervise financial management for a vulnerable adult except as otherwise required by law.

Subd. 10. **Immediately.** "Immediately" means as soon as possible, but no longer than 24 hours from the time initial knowledge that the incident occurred has been received.

Subd. 11. **Inconclusive.** "Inconclusive" means there is less than a preponderance of evidence to show that maltreatment did or did not occur.

Subd. 12. **Initial disposition.** "Initial disposition" is the lead investigative agency's determination of whether the report will be assigned for further investigation.

Subd. 13. **Lead investigative agency.** "Lead investigative agency" is the primary administrative agency responsible for investigating reports made under section 626.557.

(a) The Department of Health is the lead investigative agency for facilities or services licensed or required to be licensed as hospitals, home care providers, nursing homes, boarding care homes, hospice providers, residential facilities that are also federally certified as intermediate care facilities that serve people with developmental disabilities, or any other facility or service not listed in this subdivision that is licensed or required to be licensed by the Department of Health for the care of vulnerable adults. "Home care provider" has the meaning provided in section 144A.43, subdivision 4, and applies when care or services are delivered in the vulnerable adult's home.

(b) The Department of Human Services is the lead investigative agency for facilities or services licensed or required to be licensed as adult day care, adult foster care, community residential settings, programs for people with disabilities, family adult day services, mental health programs, mental health clinics, substance use disorder programs, the Minnesota Sex Offender Program, or any other facility or service not listed in this subdivision that is licensed or required to be licensed by the Department of Human Services.

(c) The county social service agency or its designee is the lead investigative agency for all other reports, including, but not limited to, reports involving vulnerable adults receiving services from a personal care provider organization under section 256B.0659.

Subd. 14. **Legal authority.** "Legal authority" includes, but is not limited to: (1) a fiduciary obligation recognized elsewhere in law, including pertinent regulations; (2) a contractual obligation; or (3) documented consent by a competent person.

Subd. 15. **Maltreatment.** "Maltreatment" means abuse as defined in subdivision 2, neglect as defined in subdivision 17, or financial exploitation as defined in subdivision 9.

Subd. 16. **Mandated reporter.** "Mandated reporter" means a professional or professional's delegate while engaged in: (1) social services; (2) law enforcement; (3) education; (4) the care of vulnerable adults; (5) any of the occupations referred to in section 214.01, subdivision 2; (6) an employee of a rehabilitation facility certified by the commissioner of jobs and training for vocational rehabilitation; (7) an employee or person providing services in a facility as defined in subdivision 6; or (8) a person that performs the duties of the medical examiner or coroner.

Subd. 17. **Neglect.** (a) "Neglect" means neglect by a caregiver or self-neglect.

(b) "Caregiver neglect" means the failure or omission by a caregiver to supply a vulnerable adult with care or services, including but not limited to, food, clothing, shelter, health care, or supervision which is:

(1) reasonable and necessary to obtain or maintain the vulnerable adult's physical or mental health or safety, considering the physical and mental capacity or dysfunction of the vulnerable adult; and

(2) which is not the result of an accident or therapeutic conduct.

(c) "Self-neglect" means neglect by a vulnerable adult of the vulnerable adult's own food, clothing, shelter, health care, or other services that are not the responsibility of a caregiver which a reasonable person would deem essential to obtain or maintain the vulnerable adult's health, safety, or comfort.

(d) For purposes of this section, a vulnerable adult is not neglected for the sole reason that:

(1) the vulnerable adult or a person with authority to make health care decisions for the vulnerable adult under sections 144.651, 144A.44, chapter 145B, 145C, or 252A, or sections 253B.03 or 524.5-101 to

524.5-502, refuses consent or withdraws consent, consistent with that authority and within the boundary of reasonable medical practice, to any therapeutic conduct, including any care, service, or procedure to diagnose, maintain, or treat the physical or mental condition of the vulnerable adult, or, where permitted under law, to provide nutrition and hydration parenterally or through intubation; this paragraph does not enlarge or diminish rights otherwise held under law by:

(i) a vulnerable adult or a person acting on behalf of a vulnerable adult, including an involved family member, to consent to or refuse consent for therapeutic conduct; or

(ii) a caregiver to offer or provide or refuse to offer or provide therapeutic conduct; or

(2) the vulnerable adult, a person with authority to make health care decisions for the vulnerable adult, or a caregiver in good faith selects and depends upon spiritual means or prayer for treatment or care of disease or remedial care of the vulnerable adult in lieu of medical care, provided that this is consistent with the prior practice or belief of the vulnerable adult or with the expressed intentions of the vulnerable adult;

(3) the vulnerable adult, who is not impaired in judgment or capacity by mental or emotional dysfunction or undue influence, engages in consensual sexual contact with:

(i) a person including a facility staff person when a consensual sexual personal relationship existed prior to the caregiving relationship; or

(ii) a personal care attendant, regardless of whether the consensual sexual personal relationship existed prior to the caregiving relationship; or

(4) an individual makes an error in the provision of therapeutic conduct to a vulnerable adult which does not result in injury or harm which reasonably requires medical or mental health care; or

(5) an individual makes an error in the provision of therapeutic conduct to a vulnerable adult that results in injury or harm, which reasonably requires the care of a physician, and:

(i) the necessary care is provided in a timely fashion as dictated by the condition of the vulnerable adult;

(ii) if after receiving care, the health status of the vulnerable adult can be reasonably expected, as determined by the attending physician, to be restored to the vulnerable adult's preexisting condition;

(iii) the error is not part of a pattern of errors by the individual;

(iv) if in a facility, the error is immediately reported as required under section 626.557, and recorded internally in the facility;

(v) if in a facility, the facility identifies and takes corrective action and implements measures designed to reduce the risk of further occurrence of this error and similar errors; and

(vi) if in a facility, the actions required under items (iv) and (v) are sufficiently documented for review and evaluation by the facility and any applicable licensing, certification, and ombudsman agency.

(e) Nothing in this definition requires a caregiver, if regulated, to provide services in excess of those required by the caregiver's license, certification, registration, or other regulation.

(f) If the findings of an investigation by a lead investigative agency result in a determination of substantiated maltreatment for the sole reason that the actions required of a facility under paragraph (d), clause (5), item (iv), (v), or (vi), were not taken, then the facility is subject to a correction order. An individual will not be found to have neglected or maltreated the vulnerable adult based solely on the facility's not having

taken the actions required under paragraph (d), clause (5), item (iv), (v), or (vi). This must not alter the lead investigative agency's determination of mitigating factors under section 626.557, subdivision 9c, paragraph (f).

Subd. 18. **Report.** "Report" means a statement concerning all the circumstances surrounding the alleged or suspected maltreatment, as defined in this section, of a vulnerable adult which are known to the reporter at the time the statement is made.

Subd. 19. **Substantiated.** "Substantiated" means a preponderance of the evidence shows that an act that meets the definition of maltreatment occurred.

Subd. 20. **Therapeutic conduct.** "Therapeutic conduct" means the provision of program services, health care, or other personal care services done in good faith in the interests of the vulnerable adult by: (1) an individual, facility, or employee or person providing services in a facility under the rights, privileges and responsibilities conferred by state license, certification, or registration; or (2) a caregiver.

Subd. 21. **Vulnerable adult.** (a) "Vulnerable adult" means any person 18 years of age or older who:

(1) is a resident or inpatient of a facility;

(2) receives services required to be licensed under chapter 245A, except that a person receiving outpatient services for treatment of substance use disorder or mental illness, or one who is served in the Minnesota Sex Offender Program on a court-hold order for commitment, or is committed as a sexual psychopathic personality or as a sexually dangerous person under chapter 253B, is not considered a vulnerable adult unless the person meets the requirements of clause (4);

(3) receives services from a home care provider required to be licensed under sections 144A.43 to 144A.482; or from a person or organization that offers, provides, or arranges for personal care assistance services under the medical assistance program as authorized under section 256B.0625, subdivision 19a, 256B.0651, 256B.0653, 256B.0654, 256B.0659, or 256B.85; or

(4) regardless of residence or whether any type of service is received, possesses a physical or mental infirmity or other physical, mental, or emotional dysfunction:

(i) that impairs the individual's ability to provide adequately for the individual's own care without assistance, including the provision of food, shelter, clothing, health care, or supervision; and

(ii) because of the dysfunction or infirmity and the need for care or services, the individual has an impaired ability to protect the individual's self from maltreatment.

(b) For purposes of this subdivision, "care or services" means care or services for the health, safety, welfare, or maintenance of an individual.

The course must include material to help officers distinguish bias crimes from other crimes, to help officers in understanding and assisting victims of these crimes, and to ensure that bias crimes will be accurately reported as required under section 626.5531. The board must review the approved courses every three years and update the list of approved courses as the board, in consultation with communities most targeted by hate crimes because of their characteristics as described above, organizations with expertise in providing training on hate crimes, and the statewide coalition of organizations representing communities impacted by hate crimes, considers appropriate.

(b) In updating the list of approved training courses described in paragraph (a), the board must consult and significantly incorporate input from communities most targeted by hate crimes because of their characteristics as described in paragraph (a), organizations with expertise in providing training on hate crimes, and the statewide coalition of organizations representing communities impacted by hate crimes.

- (2) the extent and causes of crimes of violence, including physical and sexual abuse, physical violence, harassment and stalking, and neglect;
- (3) the identification of crimes of violence and patterns of violent behavior; and
- (4) culturally responsive approaches to dealing with victims and perpetrators of violence.

Subd. 2. **Preservice training requirement.** An individual may not be licensed as a peace officer unless the individual has received the training described in subdivision 1. An individual is not eligible to take the peace officer licensing examination after August 1, 1994, unless the individual has received the training described in subdivision 1a.

Subd. 3. **In-service training; board requirements.** The board must provide to chief law enforcement officers instructional materials patterned after the materials developed by the board under subdivisions 1 and 1a. If funding is obtained, the board may sponsor the educational conference on its own or with other public or private entities.

Subd. 4. **In-service training; chief law enforcement officer requirements.** A chief law enforcement officer must inform all peace officers within the officer's agency of (1) the requirements of section 626.5531, (2) the availability of the instructional materials provided by the board under subdivision 3, and (3) the availability of continuing education credit for the completion of these materials. (3) a duty for peace officers to only use deadly force including techniques that are restricted by section 609.06, subdivision 3, as authorized in section 609.066. However, even in those circumstances, the policy must require that less lethal measures be considered first by the officer.

(b) The board shall incorporate all applicable standards in sections 609.06, subdivision 3, and 609.066, even if a standard has a delayed effective date. The revised model policy shall clearly identify the effective date of provisions with an effective date beyond September 1, 2020.

(b) A court may order the law enforcement agency to pay back wages and offer job reinstatement to any officer discharged from employment in violation of paragraph (a).

(c) In addition to any remedies otherwise provided by law, a peace officer injured by a violation of paragraph (a) may bring a civil action for recovery of damages together with costs and disbursements, including reasonable attorney fees, and may receive injunctive and other equitable relief, including reinstatement, as determined by the court.

Subd. 1c. Prohibition against retaliation; fellow officers. (a) A peace officer or employee of a law enforcement agency may not threaten, harass, retaliate, or otherwise discriminate against a peace officer because the officer interceded or made a report in compliance with section 626.8475 or a policy adopted under subdivision 1a regarding another employee or peace officer who used excessive force.

Beginning January 1, 1992, the head of every local and state law enforcement agency shall provide instruction on the use of force, deadly force, and the use of firearms to every peace officer and part-time peace officer newly appointed by or beginning employment with the agency. This instruction must occur before the agency head issues a firearm to the officer or otherwise authorizes the officer to carry a firearm in the course of employment. The instruction must be based on the agency's written policy required in subdivision 1 and on the instructional materials required by the board for peace officer and part-time peace officer licensure.

Subd. 3. Deadly force and firearms use; continuing instruction. Beginning January 1, 1992, the head of every local and state law enforcement agency shall provide the instruction described in subdivision 2 to every peace officer and part-time peace officer currently employed by the agency. Although laws and rules provide the foundation for the conduct of law enforcement officers, continuous and effective training is essential to ensure proper law enforcement action during emergency vehicle operations, including police pursuits. (2) the factors to be considered in initiating and terminating a pursuit, and the standards for evaluating the need to initiate or terminate a pursuit;

(3) the procedures, tactics, and technologies used during pursuits;

(4) the various responsibilities of the pursuing officers, the officer supervising the pursuit, the dispatcher, and air support;

(5) the procedures governing interjurisdictional pursuits;

(7) the contents of pursuit reports filed under section 626.5532; and

(8) the procedures used to evaluate each pursuit.

The training shall comply with learning objectives developed and approved by the board and shall consist of at least eight hours of classroom and skills-based training every five years.

Subd. 6. **Licensing sanctions; injunctive relief.** The board may impose licensing sanctions and seek injunctive relief under section 214.11 for failure to comply with the requirements of this section.

626.8461 PART-TIME PEACE OFFICERS; POLICY.

The legislature finds and declares that it is necessary to establish minimum training requirements for part-time peace officers in certain specified areas to maximize protection of the rights and safety of the public and to minimize liability on the part of Minnesota counties and municipalities. The legislature further finds that part-time peace officers are most effectively utilized as a supplement to regular, fully trained and licensed, peace officers and does not encourage the use of part-time peace officers when needs for service would otherwise justify the use of peace officers.

The training shall consist of at least 16 continuing education credits within an officer's three-year licensing cycle. Each peace officer with a license renewal date after June 30, 2018, is not required to complete this training until the officer's next full three-year licensing cycle.

(b) Beginning July 1, 2021, the training mandated under paragraph (a) must be provided by an approved entity. The board shall create a list of approved entities and training courses and make the list available to the chief law enforcement officer of every state and local law enforcement agency. 626.8471 AVOIDING RACIAL PROFILING; POLICIES AND LEARNING OBJECTIVES REQUIRED.

Subdivision 1. **Purpose.** The legislature finds that the reality or public perception of racial profiling alienates people from police, hinders community policing efforts, and causes law enforcement to lose credibility and trust among the people law enforcement is sworn to protect and serve. No stop initiated by a peace officer should be made without a legitimate reason; race, ethnicity, or national origin alone should never provide a sufficient reason. Law enforcement policies and training programs must emphasize the need to respect the balance between the rights of all persons to be free from unreasonable governmental intrusions and law enforcement's need to enforce the law.

Subd. 2. **Definition.** "Racial profiling" means any action initiated by law enforcement that relies upon the race, ethnicity, or national origin of an individual rather than:

- (1) the behavior of that individual; or
- (2) information that leads law enforcement to a particular individual who has been identified as being engaged in or having been engaged in criminal activity.

Racial profiling includes use of racial or ethnic stereotypes as factors in selecting whom to stop and search. Racial profiling does not include law enforcement's use of race or ethnicity to determine whether a person matches a specific description of a particular subject.

Subd. 3. **Statewide model policy.** (a) The Board of Peace Officer Standards and Training shall consult with the Minnesota Chiefs of Police Association, the Minnesota Sheriffs Association, the Racial Profiling Advisory Committee, and the Minnesota Police and Peace Officers Association in developing an antiracial profiling model policy governing the conduct of peace officers engaged in stops of citizens. This policy shall define racial profiling and identify conduct that violates the law. The policy must also include a duty to give the officer's name or badge number and identify the officer's department during routine traffic stops.

(b) The board shall adopt a model policy and distribute the model policy to all chief law enforcement officers by August 1, 2001.

Subd. 4. **Agency policies required.** (a) By November 1, 2001, the chief law enforcement officer of every state and local law enforcement agency must establish and enforce a written antiracial profiling policy governing the conduct of peace officers engaged in stops of citizens. The chief law enforcement officer shall ensure that each peace officer receives a copy of the agency's antiracial profiling policy. The chief law enforcement officer also must ensure that each peace officer is aware of the policy's purpose and the conduct prohibited by it.

(b) The policy must, at a minimum, comply with the requirements of the model policy adopted by the board under subdivision 3.

(c) Every state and local law enforcement agency must certify to the board that it has adopted a written policy in compliance with the board's model policy.

(d) The board shall assist the chief law enforcement officer of each state and local law enforcement agency in developing and implementing antiracial profiling policies under this subdivision.

Subd. 5. **Preservice training learning objectives; requirements.** (a) By August 1, 2001, the board shall prepare learning objectives for preservice training to instruct peace officers in avoiding racial profiling

when making stops of citizens. These learning objectives shall be included in the required curriculum of professional peace officer education programs.

(b) An individual is not eligible to take the peace officer licensing examination or the part-time peace officer licensing examination on or after June 1, 2002, unless:

(1) the individual has received the training described in paragraph (a); and

(2) the individual has completed a psychological evaluation demonstrating that the individual is not likely to engage in racial profiling.

Subd. 6. **In-service training learning objectives.** By August 1, 2001, the board shall prepare learning objectives for in-service training to instruct peace officers in avoiding racial profiling when making stops of citizens. The board shall evaluate and monitor in-service training courses to ensure they satisfy the learning objectives.

Subd. 7. **Chief law enforcement officers and supervisors; requirements.** The executive director of the Board of Peace Officer Standards and Training shall prepare training materials to provide chief law enforcement officers and other peace officers with supervisory authority with information on how to detect and respond to racial profiling by peace officers under their command. The training materials must address both the agency's antiracial profiling policy and procedural components aimed at eliminating racial profiling in stops of citizens. The materials must include information on federal and state constitutional and statutory laws prohibiting discrimination by law enforcement. The procedural information must describe conduct that is unlawful or inappropriate and present guidelines for reinforcing techniques that are lawful and appropriate. The procedural information shall discuss appropriate search and seizure and interviewing techniques.

Subd. 8. **POST board; compliance reviews authorized.** The board has authority to inspect state and local agency policies to ensure compliance with subdivision 4. The board may conduct this inspection based upon a complaint it receives about a particular agency or through a random selection process.

At a minimum, the agency must accept public comments submitted electronically or by mail, and the governing body with jurisdiction over the budget of the law enforcement agency must provide an opportunity for public comment at a regularly scheduled meeting.

Use of a portable recording system without adoption of a written policy meeting the requirements of this section is prohibited. The written policy must be posted on the agency's website, if the agency has a website.

(b) At a minimum, the written policy must incorporate and require compliance with the following:

(1) the requirements of section 13.825 and other data classifications, access procedures, retention policies, and data security safeguards that, at a minimum, meet the requirements of chapter 13 and other applicable law. The policy must prohibit altering, erasing, or destroying any recording made with a peace officer's portable recording system or data and metadata related to the recording prior to the expiration of the applicable retention period under section 13.825, subdivision 3, except that the full, unedited, and unredacted recording of a peace officer using deadly force must be maintained indefinitely;

(2) mandate that a portable recording system be worn at or above the mid-line of the waist in a position that maximizes the recording system's capacity to record video footage of the officer's activities;

(3) mandate that officers assigned a portable recording system wear and operate the system in compliance with the agency's policy adopted under this section while performing law enforcement activities under the command and control of another chief law enforcement officer or federal law enforcement official;

(4) mandate that, notwithstanding any law to the contrary, when an individual dies as a result of a use of force by a peace officer, an involved officer's law enforcement agency must allow the following individuals, upon their request, to inspect all portable recording system data, redacted no more than what is required by law, documenting the incident within five days of the request, except as otherwise provided in this clause and clause (5):

(i) the deceased individual's next of kin;

(ii) the legal representative of the deceased individual's next of kin; and

(iii) the other parent of the deceased individual's child.

A law enforcement agency may deny a request if the agency determines that there is a compelling reason that inspection would interfere with an active investigation. If the agency denies access, the chief law enforcement officer must provide a prompt, written denial to the individual who requested the data with a short description of the compelling reason access was denied and must provide notice that relief may be sought from the district court pursuant to section 13.82, subdivision 7;

(5) mandate that, when an individual dies as a result of a use of force by a peace officer, an involved officer's law enforcement agency shall release all portable recording system data, redacted no more than what is required by law, documenting the incident no later than 14 days after the incident, unless the chief law enforcement officer asserts in writing that the public classification would interfere with an ongoing investigation, in which case the data remain classified by section 13.82, subdivision 7;

(6) procedures for testing the portable recording system to ensure adequate functioning;

(7) procedures to address a system malfunction or failure, including requirements for documentation by the officer using the system at the time of a malfunction or failure;

(8) circumstances under which recording is mandatory, prohibited, or at the discretion of the officer using the system;

(9) circumstances under which a data subject must be given notice of a recording;

(10) circumstances under which a recording may be ended while an investigation, response, or incident is ongoing;

(11) procedures for the secure storage of portable recording system data and the creation of backup copies of the data; and

(12) procedures to ensure compliance and address violations of the policy, which must include, at a minimum, supervisory or internal audits and reviews, and the employee discipline standards for unauthorized access to data contained in section 13.09.

(c) The board has authority to inspect state and local law enforcement agency policies to ensure compliance with this section. The board may conduct this inspection based upon a complaint it receives about a particular agency or through a random selection process. The board may impose licensing sanctions and seek injunctive relief under section 214.11 for an agency's or licensee's failure to comply with this section.

(c) A school resource officer must not use force or the authority of their office solely to enforce school rules or policies or participate in the enforcement of discipline for violations of school rules.

(d) Nothing in this subdivision limits any other duty or responsibility imposed on peace officers; limits the expectation that peace officers will exercise professional judgment and discretion to protect the health, safety, and general welfare of the public when carrying out their duties; or creates a duty for school resource officers to protect students, staff, or others on school grounds that is different from the duty to protect the public as a whole.

Subd. 3. **Instruction required.** (a) Except as provided for in paragraphs (b) to (d), beginning September 1, 2025, a peace officer assigned to serve as a school resource officer must complete a training course that provides instruction on the learning objectives identified in subdivision 4 prior to assuming the duties of a school resource officer.

The officer is not required to perform the duties described in subdivision 2, paragraph (a), clause (4) or (5), until the officer has completed the required training course. The officer must review any policy adopted by the officer's employer pursuant to subdivision 6 before assuming the other duties of a school resource officer and must comply with that policy.

(d) An officer who is serving as a substitute school resource officer for fewer than 60 student contact days within a school year is not obligated to complete the required training or perform the duties described in subdivision 2, paragraph (a), clause (4) or (5), but must review and comply with any policy adopted pursuant to subdivision 6 by the law enforcement agency that employs the substitute school resource officer.

At a minimum, an approved supplemental course must provide instruction on each of the board's learning objectives that were not covered in the provider's existing school resource officer course curriculum.

- (1) standards established by the Minnesota Board of Peace Officer Standards and Training; and
- (2) established security standards for access to state and national computerized record and communication systems.

(b) This requirement does not prevent a law enforcement agency from establishing higher standards for law enforcement employees if those standards are not contrary to applicable law.

Subd. 1a. **Background checks.** (a) The law enforcement agency must request a criminal history background check from the superintendent of the Bureau of Criminal Apprehension on an applicant for employment as a licensed peace officer or an applicant for a position leading to employment as a licensed peace officer within the state of Minnesota to determine eligibility for licensing. Subd. 6. **Confidentiality agreements.** If employment information is subject to a confidentiality agreement between the employee or former employee and the employer, the employer shall disclose the fact that such an agreement exists.
