80G.02 REGISTRATION.

Subdivision 1. **Registration required.** It is unlawful for a dealer or dealer representative to conduct a Minnesota transaction without being registered by the commissioner as provided for in this chapter. A dealer must submit an application to register itself and each of its dealer representatives within 45 days of reaching \$25,000 in the aggregate of Minnesota transactions between July 1 and June 30 of any year, as determined by the transactions' sale or purchase prices. Once a dealer is required to register itself and its dealer representatives, the dealer must thereafter renew its registration and the registration of each of its dealer representatives in accordance with this chapter unless the person ceases to be a dealer. A dealer representative may not buy, sell, solicit, or market bullion products or investments in bullion products on behalf of a dealer unless the dealer is properly registered with the commissioner under this section.

Subd. 2. **Registration obligations.** Registrations issued or renewed by the commissioner under this chapter shall expire on June 30 and must be renewed.

Subd. 3. **Registration application and renewal.** The application and renewal forms shall include the following information, as applicable, which shall be considered by the commissioner in determining whether to issue a registration and whether to thereafter renew the registration:

(1) the name, assumed names, doing business as names, including caller identification names, and business addresses of the dealer, the name of each owner and officer, and the name and primary work location of each dealer representative. A dealer who desires to carry on business in more than one location shall identify each address where business is conducted;

(2) if a dealer is doing business under any name other than the dealer's legal name, documentation that the assumed name has been properly filed with the secretary of state or appropriate government office;

(3) the dealer's primary telephone number, email address, and website domain name used or intended to be used by the dealer and its dealer representatives to buy, sell, solicit, market, or deliver to consumers bullion products or investments in bullion products;

(4) the disclosure of all criminal convictions by any court, including military courts, within the last ten years, except those relating to misdemeanor traffic citations and misdemeanor convictions involving driving under the influence, driving while intoxicated, driving without a license, reckless driving, or driving with a suspended or revoked license, and juvenile offenses, for the dealer and each officer and owner of the dealer and for each of its dealer representatives;

(5) the disclosure of any civil judgments in favor of a government entity or government entity orders entered, filed, or issued against the dealer, its officers and owners, or its dealer representatives within the last ten years for violation of consumer protection laws or unfair trade practice laws or for failure to account to a consumer for money or property received from the consumer;

(6) the disclosure of any settlement or other agreement with any government entity within the last ten years resolving concerns that the dealer, its officers and owners, or its coin dealer representatives violated consumer protection or unfair trade practice laws, or for failure to account to a consumer for money or property received from the consumer; and

(7) the disclosure of any instance in which the dealer, its officers and owners, and its dealer representatives were at any time permanently or temporarily prohibited by any court of competent jurisdiction or ordered to cease and desist as the result of a government agency action from engaging in buying, selling, soliciting, or marketing of bullion products or investments in bullion products. A dealer may rely on the screening process provided for in section 80G.05 and the statements of its dealer representatives for the purposes of complying with the disclosure requirements of this clause relating to dealer representatives, provided that such reliance is reasonable, in good faith, and the dealer has no knowledge of information suggesting that the screening results or statement are inaccurate.

Subd. 4. Notice of change in registration information. A registered dealer must provide the commissioner written notice of a change in the dealer's name, assumed names, doing business as names, business addresses, including all business addresses at which it or its dealer representatives conduct business, owners, email addresses, website domain names, or primary telephone number used by it or its dealer representatives to buy, sell, solicit, or market to consumers bullion products or investments in bullion products no later than 30 days after the change occurs.

Subd. 5. Registration fee. (a) The fee for each registration under this chapter shall be as follows:

Subd. 2. **Dealer responsibility for actions of dealer representatives.** The commissioner may take action against a dealer for any violations of this chapter by its dealer representatives conducting Minnesota transactions on behalf of or at the direction of the dealer. The commissioner may also take action against the dealer representative.

Subd. 3. **Other authority of the commissioner.** If a registration lapses, is surrendered, withdrawn, terminated, or otherwise becomes ineffective, the commissioner may institute a proceeding under this subdivision within two years after the registration was last effective and enter a revocation order as of the last date on which the registration was in effect, and impose a civil penalty as provided for in section 45.027, subdivision 6.

The results of such screenings shall be kept on file by the dealer and, if requested by the commissioner, provided to the commissioner as part of the initial registration and all renewal registrations.

Subd. 2. **Initial screening.** The screening process for initial registration must be done no more than 60 days before the submission of an application for registration. The process must include a national criminal history record search, a judgment search, and a county criminal history search for all counties where the owner, officer, or dealer representative has resided within the immediately preceding ten years. Each dealer shall use a reputable, reliable, and accurate vendor authorized to do business in any state to conduct the background screening process on its owners, officers, and dealer representatives.

Subd. 3. **Renewal screening.** The screening process for the renewal of a registration must include a national criminal history record search, a judgment search, and county criminal history search for all counties where the owner, officer, or dealer representative has resided since satisfactorily completing the last screening process conducted pursuant to this section. Subdivision 1. **Civil action instituted by commissioner.** If the commissioner believes that a person has engaged, is engaging, or is about to engage in an act, practice, or course of business constituting a violation of this chapter or a rule adopted or order issued under this chapter or that a person has, is, or is about to engage in an act, practice, or course of business that materially aids a violation of this chapter or a rule adopted or order issued under this chapter, the commissioner may maintain an action in the district court to enjoin the act, practice, or course of business and to enforce compliance with this chapter or a rule adopted or order issued under this chapter.

Subd. 2. **Relief available.** In an action under this section and on a proper showing, the court may:

(1) issue a permanent or temporary injunction, restraining order, or declaratory judgment;

(iii) imposing a civil penalty up to \$10,000 for each violation; an order of rescission, restitution, or disgorgement directed to a person that has engaged in an act, practice, or course of business constituting a violation of this chapter or a rule adopted or order issued under this chapter or the predecessor act; and

(iv) ordering the payment of prejudgment and postjudgment interest; or

(3) order such other relief as the court considers appropriate.

Subd. 3. **No bond required.** The commissioner may not be required to post a bond in an action or proceeding under this chapter.

Subd. 4. **Commissioner authority.** (a) If the commissioner determines that a person has engaged, is engaged, or is about to engage in an act, practice, or course of conduct constituting a violation of this chapter or a rule adopted or order issued under this chapter or that a person has materially aided, is materially aiding, or is about to materially aid an act, practice, or course of conduct constituting a violation of this chapter or rule adopted or order issued under this chapter the commissioner may:

(1) issue an order directing the person to cease and desist from engaging in the act, practice, or conduct or to take other action necessary or appropriate to comply with this chapter; or

(2) issue an order denying, suspending, revoking, or conditioning the registration of the dealer or dealer representative.

(b) Upon issuance of an order, the commissioner shall promptly serve each person subject to the order with a copy of the order and a notice that the order has been issued. The order must include a statement of the reasons for the order and whether the commissioner will seek a civil penalty or costs of the investigation, and notice that the person must within 30 days of being served with the order, request in writing a hearing and that within 15 days after receipt of a written hearing request from the person, the matter will be scheduled for a hearing. If a person subject to the order does not request a hearing within 30 days after the date of service of the order, the order becomes final as to that person by operation of law. If a hearing is requested, the commissioner, after notice of an opportunity for hearing to each person subject to the order, may modify or vacate the order or extend it until final determination.

(c) If a hearing is requested pursuant to paragraph (b), a hearing must be held under chapter 14 and a final order may not be issued unless the commissioner makes findings of fact and conclusions of law in a record according to chapter 14. The final order may make final, vacate, or modify the order issued under paragraph (a).

(d) If a petition for judicial review of a final order is not filed in accordance with chapter 14, the commissioner may file a certified copy of the final order with the clerk of a court of competent jurisdiction. The order so filed has the same effect as a judgment of the court and may be recorded, enforced, or satisfied in the same manner as a judgment of the court.

(e) If a person does not comply with an order under this section, the commissioner may petition a court of competent jurisdiction to enforce the order. The court may not require the commissioner to post a bond in an action or proceeding under this section. If the court finds, after service and opportunity for hearing, that the person was not in compliance with the order, the court may adjudge the person in civil contempt of the order.
